## The Lucy Case

The Autherine Lucy case has become a national issue and a number of college newspapers have carried news stories or editorial comment about it. The Associated Collegiate Press has summarized in the next few paragraphs some of their editorial statements.

From the University of West Virginia's Daily Athenaeum: "It's often been said that those who wrestle with qualms of inferiority are the ones who feel they must fight to prove their supremacy. As far as we're concerned the Alabama students only demonstrated their immaturity, indecency, inhumanity and perhaps inferiority. If the white race were superior (and it is not) it would not have to fight its inferior position."

The Dallas situation had this to say: "One bright light in the Alabama situation appears to be University President O. C. Carmichael, who has been attempting to keep the situation under control. Addressing an emergency faculty meeting, Carmichael masterfully summarized the incident. This situation could possibly bring disgrace to our university. It might well end in a tragedy. If the current actions of Carmichael and the University trustees are for the purpose of going back to the old plan for integration of Miss Lucy and other prospective Negroes the actions are perhaps the best remedy for the present problem."

From the Iowa State Daily: "One favorable note was detected when only about five per cent of the 1,600 demonstrators involved were students. This comes on the heels of the riot report which said that the riot was exploded on the Alabama campus. It was only natural to assume that it was an all-student display. It is hoped that this means that the younger generation, for the most part, is using some common sense on the racial issue. It seems that for some years we've Deep South will continue to have periodic outbreaks involving the racial question. We only hope that ultimately, these generations of southernness will throw off these 'race barrier' shackles and be able to attend classes on a non-segregated basis."

The Tulsa University weekly: "The University of Alabama undergraduates have succeeded only in making an abominable mess of the whole affair. Suspension of all involved would not be too harsh for these contemptuous rebels."  
And the University of Tennessee's Orange and White editorialized: "... we choose to believe that it is a fact that the Negro students have attended graduate schools over the entire South for the last three or four years with very little comment ... Only one person was reported to have a class because of Miss Lucy's presence in the room ... University of Alabama students are not so different from other southern students, who, incidentally, have not rioted when they discovered a Negro in their midst ... As the students at Alabama are not more immature, meaner, or any less intelligent than U-T students? The state of Alabama and the state of Tennessee should each other for 100 miles or so ... We do not support the state of Alabama or the Federal Government does something to look up the 'hard inner core' of outsiders' and give the young men and women who attend the University of Alabama a little more to think about. It is allowed to reflect for a while

## LITTLE MAN ON CAMPUS

by Dick Bibler

"I USTA HAVE SO MUCH TROUBLE GETTING THEM IN AT CLOSING HOURS-- WILL YOU TURN ON THE WATER, MA?"

## ISA Defines Ineligible Voter

It was decided at the Independent Students Association meeting Monday night that those members who do not attend the ISA meetings will not be eligible to vote in the coming ISA election.

An amendment was made to the amendment which stated that four meetings prior to the election had to be attended. The new amendment changed the requirement to two meetings. This action was taken because some of the students reported that they hadn't heard about the four-week requirement.

In other business, a questionnaire containing 10 questions was introduced which will be sent to all ISA members, letting each student give his ideas concerning ISA policies.

Questions were discussed concerning the method of transportation to the National Independent Students Association convention at the University of Texas next month. Possibilities mentioned were going by train, bus, university car or trying to secure a demonstrator automobile from one of the local car dealers.

Last year we were fortunate enough to have one of the ISA members take his car," said Gene Flore, president, "but I don't think that will be possible this year."  
The SIU delegation to the convention will portray "Little Egypt" in costumes, representing King Tut, King Menes and other Egyptian characters. Pictures of the SIU campus will be taken along with a display.

## Missionary To Talk Before SCF Supper Club

Dr. Gustaf A. Svard, newly appointed member of the State Convention Staff as missionary representative, will speak before the Sunday Supper Club in the Student Christian Foundation at 8:30 p. m. The topic of his talk will be "Something for Nothing."

Dr. Svard did much of his missionary work in the Far East. In 1921, he and his wife, Grandin Svard, went to Burma. They remained there until 1942 when their mission at Karkai was bombed. With the approach of the Japanese, Dr. Svard fled to India. Mrs. Svard had preceded him to Calcutta. About to be overtaken Dr. Svard was rescued by Gen. Chennappa's "Flying Tigers." Later, he was appointed by the Office of War Information to go back and serve along the Burma Road as an interpreter and liaison officer.  
While in Burma, Dr. Svard prepared a Kachin Bible dictionary, several textbooks, and edited a monthly magazine. Returning to Karkai after the war, Dr. Svard wrote a fast-selling book, "We Built Better Than We Knew."  
From 1946 until his retirement from the mission field in May 1952, Dr. Svard served as Field Secretary for Burma and lived at Bangalore. After his return to the states in 1952, William Jewell College conferred the degree, Doctor of Divinity upon him in recognition of his outstanding service as a missionary.

## Messersmith Takes Term Leave For Doctorate Work

James Carl Messersmith, lecturer in the education department, is on leave from the University this term. He is completing his doctorate at George Washington University. Dr. Messersmith, D. C., will return next term.

## Little Man Wields Big Cue

Freshman One Of 3 Finalists In Pool Tourney

By Howard Decker  
One of three entrants in the national pocket billiards tournament, Jim Groff is a small student who carries a big pool cue. Groff is only 5' 9" tall and his cue is a big one, judging from the results he has produced with it. He swept through the local tournament held in the Student Union and tied for first-place nationally with the student from Indiana University and one from Michigan State University.

On March 24, Groff, an art major, will travel to East Lansing, Mich., to play off the three-way tie in Michigan State's Student Union Building.  
"I have played pool for six years," Groff said. "I play a lot in my basement at home, but I don't play too much down here."

## Harper Squadron Initiates 12 Members

The Harper Squadron, SIU's squadron of the Arnold Air Society, initiated 12 new members at their annual initiation banquet Feb. 23.

A candlelight ceremony highlighted the initiation into Arnold Air Society, an AFROTC social organization. New members are Cadets Hastings Banner, Harold Castleton, George Chica, Glen Bowen, Kenneth Hill, James Hoopway, John King, William Malinski, Jerome Middleke, Roger Peters, Charles Stratton and John Teschner.

Col. Alexander R. MacMillan, professor of air science, was the main speaker. Talking on "Air Age Citizenship and the AFROTC Training is designed to equip the college graduate with the tools for success in both areas."

## University To Purchase New Pre-Fabs

"New pre-fabricated buildings will be purchased by the University through the Surplus Property Service in the next 30 to 60 days," said Ernest R. Wolfe, supervisor of the service.  
"The pre-fabs, around 15 to 20, will be used for storage, garages for University trucks and buses, and for kitchen and dining room use out at Little Gray Lake," Wolfe said. "These buildings are made of aluminum and sheet iron and are very attractive when set up."  
The pre-fab buildings will come ready cut and little time will be required to set them up, Wolfe said. They are very flexible, according to Wolfe, and they can be made to fit any purpose. For example, the Agriculture Department will use four for storage purposes. Southern Area will use two to house their trucks and buses and Dr. William H. Freeberg, chairman of outdoor education will use eight for dining room and kitchen facilities at Little Gray Lake camp this summer.

The floor space in the buildings will cover 1,080 square feet. They will be 34 feet long and 20 feet wide. Each will weigh approximately 2,100 lbs.

The pre-fabs, donated by the government, will cost the University only \$15 each. SIU gets the surplus pre-fabs for one percent of their original cost. The pre-fabs will be picked up at Savana Ordnance Depot, which is located in the northwest part of the state, by trucks from the Physical Plant.

The students' Claude Beavers, Kenneth Clark, Charles Cummings, Patrick Sanders, David Omer, Eugene Sanders, George Strass, Richard Sullivan and Homer Vowels made designs for the jig and submitted the mts. Roberts.  
After the design was chosen by Roberts three students enrolled in Industrial Education 360 of advanced machine shop, Edward Allen, Aaron Eubanks, George England, and Vowels cut the die for the jig and then cast it.

Dr. Ralph Gillingham, Department of Industrial Education chairman, feels the new jig will enable blind persons to bend their own cans and thus save money, as the only cost will be only for the aluminum tubing used in the cans. (Previous cans were made by manufacturers.)

## Blind Students To Bend, Design Own Cans

Blind students in Illinois will be able to bend and design their own aluminum cans as a result of the efforts of industrial education students at SIU.  
Alvin H. Roberts, supervisor of this area for the Illinois Department of Public Welfare Division for the Blind, asked the industrial education department to bend several of the cans for the blind two months ago. As a result of the work done by the students, he asked the department to design and build a jig for his division.  
Henry J. Schroeder, professor of industrial education had nine students in his Industrial Education 350 design class work on the project.

## RTCC Graduate Speaks To Air Science Classes

An AFROTC graduate from SIU, 2nd Lt. Jackie L. Falkley spoke to the Air Science IV class Monday. Falkley, who graduated in June, answered questions concerning pay, assignments, and other phases of Air Force life. Falkley will soon be assigned to a base in Germany as a personnel officer.

# Salukis Enter NAIA Playoffs; Try For 2nd Victory Over Western

Beating the same championship team twice in six days is the task confronting the SIU eagles, who open the Illinois NAIA playoffs against Western Illinois at Wheaton tonight.

The Leathernecks had won 22 straight games before succumbing to the Salukis here Saturday, 69-66. It was the only IAC defeat for the Westerners, who have won the league crown for the past two years.

The upset victory by the Salukis gave them undisputed possession of second place in the final IAC standings and won them a bid to the playoffs.

Wheaton College, who carries a 23-game winning streak and a 24-1 season mark into the tournament, faces McKendree College in the second game of the playoffs. The Crusader coach, Lee Flund, has been nominated for the national "Coach of the Year" after his team received the bid to the playoffs.

Winner of the meet will advance to the 32-team national small college tournament in Kansas City, Mo., next week.

SIU's previous victory over the Leathernecks came about without the services of the leading scorer, Warren Talley, who sprang the injury received in the Normal encounter.

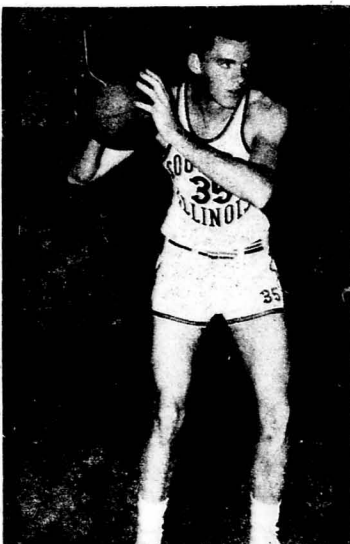

Southern's balanced attack against the Westerners was a target factor in the win. Four players scored in the double figures between 15 and 17 points and three men grabbed 10 or more rebounds.

SIU coach Lynn Holder used no substitutes in the contest and plans to start the same crew in the second Western encounter. The lineup was Seymour Bryson a 6' 1 1/2" center, and Dick Blythe and Joe Johnson at the guards.

The Western win was the 150th for Holder since he took the coaching reins at SIU 10 years ago. Holder coached teams that have lost an even 100. In that time, a Southern cage squad has never finished lower than third in the conference standings and had only one losing season, the 1954-55 campaign.

Western, holder of a 24-2 season record compared to SIU's 14-10 mark, will be the turnover favorite and will be out to average last week's loss, but the SIU players feel that what happened once could possibly happen again.

In overall competition, SIU has won 30 of 44 encounters with the Leathernecks.

Larry Whitebeck, SIU forward, seems to have shaken off the effects of his back injury and has begun to contribute.

major part of the Saluki point output. The 6' 5" sophomore scored 15 points in SIU's upset of Western last Saturday.

## Wrestlers Favored In IIAC Meet

SIU is favored to upset defending champion Illinois Normal in the IIAC wrestling meet at Charleston tomorrow.

Coach Gen Hill's Normal team has won the title four out of five years including the last three in a row.

The defending champions have three top titlists on this year's team. They are Walter Hess, 177 pounds; Bill Norris, 167 pounds; and Lev Metzler, 147 pounds.

Although Southern has only one defending titlist from last year in John Orlando, 157 pounds, they have established themselves as title contenders by winning the University of Illinois Invitational meet earlier this year and by beating Illinois Normal in a dual meet and taking the crown in the Wheaton Invitational.

Southern's Lee Bergfeld is the top contender at 125 pounds, as is teammate Lee Grubbs at 140.

Northern's Bill Meredith is the favorite to retain his 157-pound title. Sam Sadich of SIU is also a top contender for Meredith's crown.

Ben Bolander of Normal appears to have the top seeded slot at 147 pounds, but Southern's John Cavnak, a newcomer to the squad, is also highly rated.

In the William Randolph Hearst Postal Match, Southern's two teams entered ended up in 17th and 18th places, according to Sgt. William F. Stelling, coach of the rifle teams.

Normal's Bill Young is the top contender for the 167-pound title. Paul Steingold, SIU wrestling captain, is acknowledged as the probable winner at 177 pounds.

The 191-pound title is a tossup between Southern's Bob Dunkel and Normal's Ron Larsen.

In the heavyweight class, the defending champion Ray Fisher of Eastern, will place his crown on the line. He will be up against Northern's Frank Triumphi and SIU's Ed Hayes. Fisher holds a win over Hayes, but battled to a draw with Triumphi.

Surprise competition may come from Central Michigan and Western Illinois. Western finished second place last year and Central is competing in the sport for the first time this year. Michigan Normal is the lone conference entry not competing.

Last year Illinois Normal won the title, followed by Western Illinois, Southern, Northern and Eastern.

## Rifle Team Places In 2 Big Meets

Though winning only third place in the Seventh Annual University of Illinois Invitational Rifle match, SIU's AFOIC team did come out on top of the other ROTC teams entered.

Seven of the 27 teams entered were varsity teams.

College of Mining and Technology with 1,423. The University of Michigan won second with a score of 1,397. Good for third place was SIU's score of 1,387.

In first place was Michigan. Darrell Thompson, sophomore, won the individual award for having the highest individual ROTC score.

Pointing for a Championship in the Interstate Conference meet at Charleston tomorrow are these SIU wrestlers. Coach Jim Wilkinson, left, gives some pointers to the demonstrators, John Orlando, standing, and Dave Ellis, while Bob Dunkel, next to Wilkinson, and Lee Grubbs and Ray Bergfeld watch the tactics.

## Theta Xi. Pi Kaps Lead Greek Bowl

Theta Xi continued to pace the Hellenic League as they took three points from Tau Kappa Epsilon. Joe Keck was high for the winners with 518 while Don Cross was high for the losers with 538.

Sigma Sigma Sigma dropped points to Sigma Tau Gamma. Tony Massa led the attack for the Sig Tau's with a 476 total while Lois Nepute had 391 for the girls.

Delta Chi took 3 points from Delta Zeta, with Don Thomas' 444 leading the way for the boys. Cis Cunningham was the high kletter for the girls with 405.

In the final match of the evening, Hastings Banner with 496 led the Phi Tau's to a 3 to 1 victory over the Delta Sig's. Ann Fransone was high with 376 for the girls in this match.

Fraternities	
Theta Xi	14 2
Delta Chi	10 6
Sigma Pi	8 8
Tau Kappa Epsilon	8 8
Sigma Tau Gamma	6 6
Phi Kappa Tau	5 7

## Rifle Team Has 44-1 Record For Year

Forty-four won-one lost. That's the way the AFOIC post-rite matches have gone from Oct. 21 to Feb. 17. The lone loss was to the U. S. Naval Academy at Annapolis, Md., on Jan. 27.

A score of 1,921 on Feb. 17 added four of those wins to Southern's record. SIU defeated the University of Michigan, 1,845; the University of Detroit, 1,756; and North Dakota Agriculture College, 1,868. The University of New Mexico forfeited the match to SIU.

The St. Clair County Alumni Club officers will meet March 23 at 7:30 p. m. in the Junior High School at Belleville.

## Record Number of Children, Adults To Utilize Little Grassy Camp

Nearly 2,000 children and adults will hit the camping trail this summer at SIU's 700-acre camp on Little Grassy Lake.

The camp will attract some 400 Southern Illinois residents than last year, according to Dr. William H. Freberg, chairman of the SIU Recreation and Outdoor Education Department. The summer program will begin May 1, continuing through Sept. 22.

Situated in the beautiful Crab Orchard National Wildlife Refuge, Little Grassy Lake lies about 10 miles southeast of Carbondale, near the north entrance to Giant City State Park. Among the new facilities at the SIU camp are shower houses and a dining hall constructed of native stone.

From July 1 through Aug. 11, Southern Illinois boys and girls between the ages of 9 and 14 will spend one to three week periods at the camp. As in past years, campers will swim, fish, row, shoot, hike and learn crafts. At the same time, University students will receive training in conservation education, camp counseling techniques, health and first aid in outdoor living, speech and hearing

## Coaches Clinic To Be Held March 23

SIU's eighth annual baseball and track coaches' clinic will be held at the University School on March 23, according to Athletic Director Carl Erickson. At the same time, the annual basketball and football coaches' clinic is set for Aug. 16-17. Speakers for both clinics will be announced later.

## SIU To Sponsor Recreational Camp

SIU will sponsor a Recreational Day Camp for young athletes, ages 8-14, weekdays between June 18 and August 10. The camp will be in session from 9 a. m. to 4 p. m. each of these days on the SIU campus.

Training will be offered in football, basketball, baseball, and water sports under the direction of Edward "Doc" Bencini, SIU physical education instructor and former Murphysboro coach. The program chairman will be Carmen Piccone, assistant football coach at SIU.

## Intramurals

The intramural free throw shooting tournament will be held Monday, Tuesday, Wednesday, and Thursday of next week in the Men's Gym from 7 to 10 o'clock each evening. The first two nights will be given over to the qualifying rounds while the third and fourth nights will be open for the semifinal and final rounds of the tournament. Entry by signing in with the Intramural office present at the gym.

The meeting of the team managers of intramural volleyball teams will be held in room 210W of the Men's Gym at 10:00 a. m. Rosters for volleyball teams are due in the Intramural office March 28. Roster blanks are available for all teams in the Intramural office now.

In last year's volleyball tournament, 13 teams entered with a total of 208 players. Seven of the teams formed the Fraternities league with 6 teams being placed in the All-School League.

Winners of last year's all-school championship was the Tau Kappa Epsilon team. They won the title by beating the Ramblers, an Independent entry in the tournament.

The Men's Gym will be available to teams for practice periods Monday through Thursday nights from 7 to 9:30. Equipment may be checked out in the Intramural office on those nights. Team managers should get their orders in as soon as possible so that practice periods may be held the nights on which the gym is open to them.

**Kawal Speaker At Valler High Tomorrow**

SIU football coach Al Kawal will be the principal speaker at a sports banquet at the Valler Community High School tomorrow.

Kawal became SIU's 29th coach last fall after eight years as head football coach at Temple University in Philadelphia.

Before entering coaching, he was a football and basketball standout at Northwestern University.

The Newman Club bowling team has won undisputed position of the Independent Students Bowling League. Members of the team, from left to right, are Bob Montague, Bob Danko, Ron Esposito, Ben Novotny and (kneeling) Ed Langen, captain.
