This Year's Sphinx Members Will Be Announced Tuesday in Chapel

THE EGYPTIAN

Officers from the U. S. Navy Will Be in Dean of Men's Office Tomorrow at 11 A. M.

VOLUME NO. 23

CARBONDALE, ILLINOIS, FRIDAY, MAY 1, 1942

NUMBER 27

ATTENTION, STUDENTS!

Registration of Southern Illinois Normal University students for sugar rationing will begin on Monday, May 4, and continue through Thursday, May 7. All students over eighteen years of age, who do not commute and do not go home every weekend, will be required to register at the Allyn Training School between 8 a.m. and 4 p.m. on one of these days. All students under eighteen years of age, regardless of the amount of time they stay in Carbondale, will be registered with the family unit in their respective home towns, and will not be allowed to register independently of the family unit.

Students over eighteen years of age, who commute or go home every weekend will be registered with the family unit. College students living in Carbondale will also be registered with other members of the family. Dr. Bruce W. Merwin, director of training schools, who is in charge of registration at the Allyn building, has suggested that the students of the college register in the following order: A through C, register on Monday, May 4; D through J, Tuesday, May 5; K through N, Wednesday, May 6; and O through Z, Thursday, May 7.

On the same days that students of the college register, Carbondale families, households, and other sugar consumers will register at the Allyn, Lincoln, Broad, and Attucks schools. Teachers in each of these schools will assist in the registering.

COOPERATIVE CONCERT DRIVE ENDS—MORE MEMBERS AND GALAXY OF STARS FEATURE 1942-43 SCHEDULE

Outstanding Artists to Be Helen Jepson, Stewart, Piadogresky and Complete Modern Version of "The Marriage of Figaro" by Mozart

The Carbondale Cooperative Concert Association's drive for new members was completed Saturday with the largest enrollment in the seven-year history of the organization. There are now 624 members, an increase of about 50 over last year's number. "The membership is now closed and no one will be able to attend next year's concerts except members of the association and their guests of Southern Illinois Normal University.

Membership increase

One of the most gratifying things about this year's drive, was that out-

Ragsdale Receives Doctor's Degree At St. Louis U.

DR. RAGSDALE

Ted R. Ragsdale, member of the department of Education, received the Doctor of Philosophy Degree in Education at St. Louis University last week.

Dr. Ragsdale took his Master's degree at the University of Illinois in 1932. Since that time he has worked in the Education department at S. I. N. U. In addition to his regular teaching duties, for several years he has served as sophomore advisor, helping members of that class to plan their schedules.

Last year, he supervised the general comprehensive examination given to all members of the sophomore class. He also takes an active part in French orientation each fall, giving suggestions to all incoming freshmen as to how they can better adjust themselves to the college situation.

Dr. Ragsdale's achievement raises the number of Ph. D.'s held by members of the S. I. N. U. faculty to 46. With a faculty of something over 160 members, many of whom have also completed residence work for the doctor's degree, Southern Illinois Normal University has one of the youngest large college faculties in the United States.

FACULTY HAS PRODUCED FLOOD OF PUBLICATIONS OVER FIVE-YEAR PERIOD

That faculty members at S. I. N. U. have been extremely active in the writing and publishing of books and magazine articles during the past five years is shown by a recent study made by Miss Margie Shank, registrar, and Miss Jane Crichton, secretary to the president.

During the period since January 1, 1937, 82 different members of the faculty have published 15 books and substantial monographs and 587 magazine articles.

Publications in the field of Education, including those by President Ross Corbett, number 61, which is the greatest contribution in any one field. Twenty other departments have been represented by the writings of their members. The leading ones with number of publications contributed are: Industrial Education, 21; Geography, 25; Foreign Language, 11; Psychology and Health Education, 11.

Council Of Administration Abolishes Cut System For Forthcoming Year

MU TAU PI CONFERENCE OPENS TODAY WITH BRUCE BLOSSAT U. P. CORRESPONDENT AS MAIN SPEAKER

Over 125 High School Newspaper and Yearbook Workers From Southern Illinois to Participate.

The ninth annual High School Press Conference, sponsored by Mu Tau Pi Journalistic fraternity, opens on the campus this morning with Southern Illinois playing host to more than 125 high school newspaper and yearbook workers from 12 Southern Illinois schools.

Blossat to Speak

Outstanding feature of this year's conference will be the address by Bruce Blossat, young United Press correspondent from Herrin who has gained considerable recognition in the field of newspaper reporting in spite of his youth.

The conference opens this morning at 11:00 when the visitors will organize into discussion groups to consider different phases of journalistic work. The discussions will be led by campus newswriters.

Program

The next full session of the conference is planned for 1:30 at which time Bill Goss, acting president of Mu Tau Pi will informally greet the high school students. President Ross Corbett will then officially welcome the journalists. Planned also for this part of the program is musical entertainment by the Student Hays quartet and the duo piano team of Bob Shearer and Eugene Ulrich.

Blossat will address the assembled journalists at 2:00. His appearance at the conference will be in keeping with the tradition of the discussions planned for the morning and afternoon are by Ed Fairbairn, newswriting; Jack Kennedy, sports writing; Norma Sparks, John Whistler, and Morris Paul, feature writing; and Hilda Blankenship, David Gray, and George Sorenson, business management.

A tea dance in the Little Theatre is planned for 4:00 until 6:00.

The climax of the conference will come at the banquet at the Methodist Church, which begins at 6:30. At that time winners in the judging of newspapers and yearbooks will be announced. Gene Rogers, past president of Mu Tau Pi, will preside as toastmaster, and Bill Goss will make the invocation.

SPHINX TO HONOR 15 MEMBERS OF 1943 CLASS

Tuesday Is Day Set For Annual Ceremony

Highlighting next Tuesday's Chapel exercises will be the presentation of fifteen invitations to the Sphinx Society for the year's outstanding members of the junior class. These members of the 1943 class have been chosen on the basis of genuine unselfish service to Southern. Sphinx is considered the highest non-scholastic honor that can be bestowed on an undergraduate.

As is customary at this annual ceremony the first twelve names will be read in alphabetical order by the master of ceremonies. The Senior members will go down into the audience to extend the invitations to the honorees. The last three names will be read separately, with the first name being the third highest. Correspondingly, the second name will be read second, and the last name read will be the name of the member receiving the highest number of votes. This person will be the member of the class of 1943 that is considered the most outstanding example of service to Southern.

Mary Ellen Evans received this honor last year. Previous first choices were: Henry Mann; 1940; Anna Margaret Wham; 1939; Charles Mayfield; 1938.

Vote is Impartial

In selecting these members the Sphinx Club strives to maintain the ideal of service to the school and to vote without reference to factions or political implications. To this end the nomination and voting procedures are carried on in complete secrecy, and without consultation by the members. The nomination ballots consist of the list of the junior class, compiled by the Registrar's Office, of all persons in school that are considered to be Juniors by the seventh week of the preceding term. The thirty people nominated by the club are placed on the final ballot in order of the number of votes received. On the final ballot the members rank (1, 2, 3, etc.) the fifteen people that they consider have contributed the greatest service to the school. These votes are then tabulated and weighed. The ballot is eliminated by this method of voting FOR, but not AGAINST a person.

The membership of Sphinx will be completed the winter term of next year. At this time five more spots will be taken from the class of 1943.

HOLLOWAY GETS ASSISTANTSHIP AT OHIO STATE U.

Makes Ninth Award For S.I.N.U. Students This Year

Frank Holloway of Carbondale, a graduating senior at Southern Illinois Normal University, was recently awarded an assistantship in chemistry to Ohio State University. In addition to exemption from tuition and fees, Mr. Holloway will receive a \$450 stipend.

Mr. Holloway is quite prominent in the extra-curricular activities of the college. He is a member of Chemeketa, honorary chemistry fraternity; Kappa Delta Pi, national honorary education fraternity; Phi Delta Epsilon, national honorary journalistic fraternity; and the Sphinx Club, activity honorary of the college.

Ninth Scholarship Awarded

Mr. Holloway's scholarship is the ninth to be awarded to an S. I. N. U. senior this year. Within the past few years, the number of S. I. N. U. students receiving assistantships has steadily increased so that last year's graduates eleven are working toward their Master's degrees on assistantships or scholarships. The high quality of work done by these scholarship students has aided in giving Southern a prominent scholarship rating among the larger universities of the nation.

Three other Southern students are doing graduate work at Ohio State University. Howard Yowell, a graduate of 1931; Theodore Tom, a graduate of 1936; and Max Hill, a graduate of 1941, are attending Ohio State at the present time.

INTERFRATERNITY SING TO BE HELD NEXT THURS. ON STEPS OF AUDITORIUM

Also Will Announce Most Valuable Frat Man

The annual interfraternity singing, sponsored by Chi Delta Chi, will be held Thursday, May 7, at 8:00 p.m., on the front steps of the Shuyock Auditorium. The most valuable frat man of the year will be announced at the highest number of votes. This person will be the member of the class of 1943 that is considered the most outstanding example of service to Southern.

The annual interfraternity singing, sponsored by Chi Delta Chi, will be held Thursday, May 7, at 8:00 p.m., on the front steps of the Shuyock Auditorium. The most valuable frat man of the year will be announced at the highest number of votes. This person will be the member of the class of 1943 that is considered the most outstanding example of service to Southern.

Participating in the song contest will be Alpha Gamma Chi, Chi Delta Chi, Delta Delta Chi, Kappa Delta Alpha, Nu Epsilon Alpha, and Sigma Beta Mu fraternities; and Delta Sigma Epsilon, Phi Kappa Sigma, and Sigma Sigma Sigma societies.

As nominees for the most valuable frat man, each Greek men's house selected three members, which were judged last night by Drs. Charles Tenney, William Schneider, and John R. Brown, judges of the contest.

There will be three judges for the singing, one a member of the S.I.N.U. music department, one a person prominent in Carbondale musical circles, and one out of town person. The winner, which last year was Sigma Beta Mu, will be awarded a travel cup, to be retained by the organization to whom it is awarded for three consecutive years. As yet, no house has held the cup permanently.

Last year's most valuable frat man was Carl McIntire of Chi Delta Chi.

HOLLOWAY GETS ASSISTANTSHIP AT OHIO STATE U.

Makes Ninth Award For S.I.N.U. Students This Year

Frank Holloway of Carbondale, a graduating senior at Southern Illinois Normal University, was recently awarded an assistantship in chemistry to Ohio State University. In addition to exemption from tuition and fees, Mr. Holloway will receive a \$450 stipend.

Mr. Holloway is quite prominent in the extra-curricular activities of the college. He is a member of Chemeketa, honorary chemistry fraternity; Kappa Delta Pi, national honorary education fraternity; Phi Delta Epsilon, national honorary journalistic fraternity; and the Sphinx Club, activity honorary of the college.

Ninth Scholarship Awarded

Mr. Holloway's scholarship is the ninth to be awarded to an S. I. N. U. senior this year. Within the past few years, the number of S. I. N. U. students receiving assistantships has steadily increased so that last year's graduates eleven are working toward their Master's degrees on assistantships or scholarships. The high quality of work done by these scholarship students has aided in giving Southern a prominent scholarship rating among the larger universities of the nation.

Three other Southern students are doing graduate work at Ohio State University. Howard Yowell, a graduate of 1931; Theodore Tom, a graduate of 1936; and Max Hill, a graduate of 1941, are attending Ohio State at the present time.

TUESDAY SESSION PUTS ABSENCES AT DISCRETION OF INSTRUCTOR

Last Tuesday afternoon at the weekly meeting of the Council of Administration, a unanimous decision was made, namely to abolish the cut system as it had been in-service here at Southern.

SIGMA PI RHO WILL CONVENE HERE THIS WEEK

The national convention of Sigma Pi Rho, national honorary Latin fraternity, opened on the campus of Southern Illinois Normal University today with delegates from various chapters throughout the country in attendance. Clark Kuebler, a member of the Department of Classics at Northwestern University, is the featured speaker of the two-day session.

Program Will Feature Speakers, Tours, Banquets, and Business

Delegates from chapters located in Virginia, West Virginia, Georgia, Ohio, Indiana, Kentucky, Arkansas, and Wisconsin arrived through the city and were greeted by local members, members of the college faculty, and alumni of the fraternity. The events of the two-day convention will consist of group discussions; the annual business meeting at which time officers for the coming year will be elected; sight-seeing tours to interesting spots in Southern Illinois; and the banquet at Midland Hills Country Club. At this time Mr. Kuebler will address the delegates on the subject, "More Enduring Than Bronze."

Kate is National Vice-President

Last year Marjorie Tuttle, a senior at S.I.N.U., was elected national vice-president of the organization at the national convention which was held in Natchitoches, Louisiana. She is serving in her official capacity during this convention. The officers of the S.I.N.U. Alpha chapter of Sigma Pi Rho, which includes national and local officers, are: President, Louis Bismuth; vice-president, Evelyn Patterson; secretary, are acting as official hosts at the meeting. Miss Helen A. Baldwin, of the S.I.N.U. foreign language department, is faculty sponsor of the chapter and is in charge of supervising preparations for the convention.

Hard to Maintain Interest in Classics

Miss Baldwin and other members of the foreign language department of the college emphasized the fact that during times of national crisis, such as the people of today are facing, it is difficult to maintain interest in the classics. It is just such times as these that the greatest care should be exercised to preserve and promote the study of the classics and to encourage civic education. Despite the diverting influence of the war upon cultural pursuits, it is the aim of this convention to keep interest in the classics alive.

APPLICATIONS TO BE ACCEPTED FOR A.A.U.W. SCHOLARSHIP LOAN FUND

Loans Available For Post-Graduate, Under-Graduate Work

The Carbondale branch of the American Association of University Women is accepting applications for a graduate student who wishes to do graduate work, or to a senior girl who needs money to complete her degree at S.I.N.U. Applications for this loan may be made by college junior women who will be seniors or college senior women who want to do post-graduate work next year.

The applicant's qualifications are based on academic rating, personal integrity and promise to make good use of the education.

The total sum of the loan amounts to \$150. That is, \$50 a term for three terms, obtainable to the undergraduate and \$300 to the post-graduate. There is no interest charged on the loan. A scholarship loan fund made but a moderate interest fee is made the second year and continued until the loan is repaid.

For further information and application blanks, persons interested should see Miss J. Blanche Barber, chairman of the loan committee, at Anthony Hall.

Nominations for a new Student Council will take place next Friday with each class except the senior class voting to select five boy and five girl candidates.

On the same day the Egyptian will carry a copy of the proposed new revised constitution which is to be submitted to a general vote of the student body on the following Friday, May 15, when final election for Council members will be held.

FOOD FOR ATTITUDES

Last Tuesday in Chapel, President Pulliam gave us some of the best advice for those defeatist attitudes prevailing around here...

THEY DESERVE IT!

Next Tuesday the secret will be out. After weeks of latent breath and nervous anticipation the student body will be allowed to know which lucky Juniors have been chosen to carry on the great traditional honor of the Sphinx Club.

WE WONDER TOO?

Three hundred and sixty-three students asked the Student Council Monday to sponsor a mass political rally on the eve of the spring elections.

THE NEW SYSTEM

The Council of Administration has decided that the new system shall include American and European.

RUMORS?

Ugly rumors are being heard that the curriculum committee is launching a sinister plot that will make students take physical education every term that they are in school.

POSITIVE DISCRIMINATION

Various attempts are now being made by many campus groups to further Negro representation on the Student Council.

The Problem Again Discussed

At the last meeting of the Student Council a delegation of negroes was present. Their intention was to ask the Student Council to make a special place for them at that august body.

Student Council Minutes

The meeting was called to order by the president, Bob Catts. The minutes of the last meeting were read and approved.

WE WONDER TOO?

Three hundred and sixty-three students asked the Student Council Monday to sponsor a mass political rally on the eve of the spring elections.

THE NEW SYSTEM

The Council of Administration has decided that the new system shall include American and European.

RUMORS?

Ugly rumors are being heard that the curriculum committee is launching a sinister plot that will make students take physical education every term that they are in school.

HERE IT IS BY KEN MEDLEY and ALLAN WATSON

For the past four weeks we have compiled with the request of the Student Government, by staying away from its meetings.

The four closed meetings are passed. We acknowledge this fact reluctantly: blonds are fun; Chochos are delicious; looking for millonaires is exercise.

The Student Council met in room 107, Old Main. Thirteen members were present. Attending the closed meeting was a delegation consisting of J. Alan Gardner and Wallace Price.

The Council listened to the request and debated the issue. A member said the Germans, Italians, and the Jews were not represented.

Another major problem the Council was to have considered was the selection of an editor for the 1942-43 Obelisk. No editor was selected.

Someone has asked us how an editor is elected. We do not pose as an expert on this subject, however, we have investigated, and here is the dope.

His or her name is placed in nomination at a closed meeting of the Student Council by the retiring editor of such publication.

LETTERS TO THE EDITOR

All letters to the editor must not be longer than ten lines except in cases when the issue involved necessitates a longer appeal.

Being a regular subscriber to the Egyptian, I have noticed the somewhat noticeable trend of its editorial policy as the column 'Have it'

Recently an editor for the Egyptian was elected. In that election the winner received eight votes, opposed by six.

The authors of this column have interviewed several alleged politicians, and reported to the Egyptian. We spent a recent evening interviewing Councilman Mary Edleman.

YOUR COLLEGE CAN NOW HELP YOU BECOME A NAVAL OFFICER

Freshmen, Sophomores, 17 thru 19. Enlist now! Stay in college! You may qualify for a Naval Commission on the sea or in the air.

Freshmen, Sophomores. Here's a challenge—and an opportunity! Your Navy needs trained men. Trained men to become Naval Officers!

Aviation Officers. If you qualify by this test, you may volunteer to become a Naval Aviation Officer. In that case, you will be permitted to finish the second calendar year of college work.

Form for Naval Officer training plan, including fields for Name, Street, City & State, and checkboxes for student status.

The great American paradox is our loud and avowed love for and faith in democracy, while all of us fear the voice of the majority.

Dear Editor: Mr. Polan spoke for himself last week on the subject of having a colored representative on the Student Council.

S.I.N.U. Students Organizing Squadron Of Navy Flyers Called "Flying Egyptians"; Need Fifteen Members

By MARY LOU HAMPTON. Plans to form a FLYING EGYPTIANS squadron, under the Navy V-5 program, are making rapid progress. It was announced yesterday...

Physical training and ground work period at the University of Iowa. At the end of that time, they will be sent to one of the three large training bases—Pensacola, Florida; Corpus Christi, Texas; or Jacksonville, Florida.

Men enlisting for service in the FLYING EGYPTIANS squadron will receive \$16 a month while they are in training, and \$200.00 allowances after they are commissioned.

A minimum of fifteen men is needed to complete the personnel of the FLYING EGYPTIANS, and more than that number are urged to join if they are interested.

The training procedure for this squadron will be essentially the same as that of all Navy flyers. The men will leave in June for a three month...

ENSIGN GENE LONG APPOINTED TO PATROL PLANE COMMANDERSHIP

Ensign Gene Long of Du Quoin, a former student of S.I.N.U., is now first patrol plane commander with the first Squadron, flying patrol over Pearl Harbor, Hawaii. He has completed more than 1,000 hours of solo work...

By PAT MERCER. Every week the pile of mail gets deeper. Instead of five or six letters, which constituted the mail for the first week, returns for the last seven days tell the large number of Weekly Gift Club members...

Private Roscoe McBride tells us that: "I really mean to be happy to be remembered by a group from S.I.N.U. and know you are still interested in us..."

Written from North Carolina comes word from J. R. Aklin: "I am glad to hear you have certainly hit upon a timely and appropriate way of bringing some of 'back home' to the boys who are fortunate enough to be on your mailing list. In deep appreciation, I ask our Father to bless and prosper you all..."

In written conclusion, a letter from Miss Baker, who also left this year for the army: "I was very proud to receive your gift and Egyptian. I had just about lost out on the news of the college since I had been in the army. Since I am about 180 miles from the Gulf of Mexico and about 610 miles south of Carbondale, the news doesn't get around quite as fast as it did. Some day I hope I can personally thank you for this gift."

BOOKS IN REVIEW

By DELBERT HAMILTON

Historical Fiction. Here's an item that will probably astonish those rabid readers who can't stand any historical favoring in their fiction: American librarians, booksellers and others in the know say that the American historical novel has been the most popular type of book during the past decade and will probably continue to be...

Another great woman of history lives again in the pages of THE GAY GALLIARD by Margaret Irwin (Harvard, Bruce, \$3.00). In this one it's Mary Queen of Scots, who falls for Bothwell, the "glorious Gay Galliard." The jacket blurb says this one has Catherine de Medici, John Knox and Queen Elizabeth as well as a sinister mystery story.

We've read most of Burke Bayle's THE PERILOUS NIGHT (Viking, \$2.75). It's a long-winded tale of the American Revolution in the Hudson River Highlands. There are enough Tories to keep the self-appointed Bebe Gestepe busy, enough Rebels to keep the Redcoats busy, and you're reading it just enough story to keep you reading on, though you do get sleepy. Stay away from this one if you don't like pulchritudine dialogue.

S.I.N.U. Orchestra, R. Hayes Choir Present Concert

In observance of national music week, the college orchestra under the direction of Mr. Emerson S. Van Cleave, and the Roland Hayes choir, under the baton of William Gay, will give a concert in the Student Auditorium Tuesday, May 5, at 8:00 p.m. The music that the orchestra will play are: Allegro spiritoso (Symphony No. 2, D Major) - Joseph Haydn; Ballet Music from Faust - Ludwig van Beethoven; The Golden Core - Guyton; (1) Entrance of the Nubian Slaves; (2) Entrance of the Trojan Maids; (3) Dance of the Trojan Maids; Legend (a tone poem) Merle Isaacson; Wedding March (Midsummer Night's Dream) - Mendelssohn; The Harmonica Player (Chamber Music from the South) - Guyton; Between the programs of the orchestra and the Roland Hayes choir, there will be a community sing led by Dr. David S. McIntosh, head of the music department.

There will be an admission charge to the concert. Both the students of the college and the people of Carbondale are invited to attend this recognition of music week.

Ma Tau Pi Conference Opens Today; Bruce Blossat As Main Speaker

(Continued from page 1)

the awards to the winning schools.

The judging classifications are: Class A, printed newspapers from schools with enrollment of over 500; Class B, printed newspapers from schools with enrollment under 500;

Class C, mimeographed newspapers; and Class D, school papers printed in town papers. In addition, there will be judging of yearbooks.

Unique Features

The conference is especially adapted by Ma Tau Pi to meet the needs of journalists in Southern Illinois. It has these distinctive features which make it unique:

(1) It is the only journalistic conference for high school students by

college students; (2) it is held in the spring of the year when new newspaper and year-book staffs are usually selected, thus giving the advantage of a training session before their duties begin; (3) the students who conduct this conference are in most cases graduates of the high schools represented and hence understand the school's level, problems, and (4) it is the only conference conducted in Southern Illinois where there is judging of high school publications.

Cape Girardeau Teachers Over Southern Here Last Tuesday by 89 to 39 Score

(Continued from page 1)

for a second. The broad jump would be almost entirely the other two schools, with this point again an opportunity for Southern to speak in a first. Western would dominate the javelin toss, and the discus would give Southern a good chance for three places. The shot put would

The long-awaited and much postponed Fotos Salon will be on exhibit during the week of May 4-9 in the Student Lounge. Already many prizes have been submitted, and it is not too late to enter more. Prizes should be at least 5 by 7 inches in size, mounted on white cardboard, and should be turned along with a 3-cent fee for each picture, to the Photography Department of S.I.N.U. by 3 o'clock Friday afternoon, May 1. Prizes will be awarded to the best pictures in each class.

Fotos club is planning to finish the year's activity with a camera outing sometime this month. Watch for further announcements.

BOWDEN APPOINTED CHAIRMAN OF ILLINOIS PUBLIC AID COMMISSION

Dr. R. D. Bowden, head of the sociology department at Southern Illinois Normal University, was recently appointed chairman of the Illinois Public Aid Commission of Jackson county. Other members of the commission include Ralph Taylor of Carbondale; R. Q. Kimmel and J. G. McCall of Murphysboro; and Virgil

Rogardale of Eikville.

be another event in which the "Sincers" should score heavily, for the best of the other two schools could only produce a tag of some 41 feet. Since the lesser places decide a meet as nearly equal as this one would be, a prediction as to the final outcome is very difficult to make. Southern should be able to give either of the two teams a tough fight. The Lighthelmets will meet Macomb on the home track on the 11th of May and journey to Normal for a duel on the 18th, after which all the teams of the conference will be thrown together in the annual round-up of track and field skill and power which will take place at Carbondale on the 22nd and 23rd of that month.

LETTERS TO EDITOR

(Continued from page two)

statements that he did then, I'll let him speak for me, too.

If S.I.N.U. is to afford free and equal opportunity for all students, then the Council must include representatives of all student groups. Last Tuesday's assembly exercise program was a good example of what the colored students are doing for S.I.N.U., and according to the speakers the general student body apparently appreciated the efforts of the Roland Hayes club. One way in which we can make something out of our appreciation for the distinguished work being done by several members of the colored group will be to make it possible for them to be represented on the governing body of the college.

What are we going to do about it, students? DITZLER.

Homemakers Will Attend Festival With Agric. Club

The Southern Homemakers will meet next Wednesday at 7:30 P.M. The evening's program will be given by a guest speaker.

Members of the club have been officially invited by the Agricultural Club to be guests at the annual strawberry festival to be held in May. This invitation followed a joint meeting of the A.Z. club and the Southern Homemakers last Thursday, featuring an original play entitled "Take Your Choice" on good grooming and the etiquette of dating. Members of the two clubs presented the proper and improper ways to telephone, the girl friend and take her out to dinner.

Moving pictures were taken both at the play and the social hour held afterwards by Mrs. Dorothy Kellar Cary, sponsor of the Homemakers. Refreshments of punch and cookies were served, and Lucille Trovillion, president of the Homemakers, served as hostess.

The play cast included Paul Helms, Vera Corbin, Marilyn Martin, Betty Qualls, Walter Monke, and James Browning. The technical staff was Helen Garrison, Eugene Woods, and Lucille Trovillion. Committee chairman who planned the social hour and arrangements were Lucille Ellis, Jean Webster, Ethel May Layman, and John Brush.

SET THE STYLE PACE FOR SPRING

Jarman's famous two-tone styles are fast becoming the favorite type of shoe for the Spring season among America's well dressed men. Dual beauty, dual style, dual quality—you'll find all in the new "Dual-Tones."

J. V. WALKER & SONS

STYLES OF THE HOUR FOR THE MAN OF THE HOUR

SPORT in the News!

IN THE SPORT - SPOTLIGHT

By DAVE KENNEY

In the spotlight this week is the gym team, because of the party they gave last Thursday in the gymnasium for Coach Joe Di Giovanni. The celebration was thrown for the purpose of giving the muscle men a chance to express their gratitude to their mentor for all the work and time which he has put in making better gymnasts of them. The members of the team presented Coach Di Giovanni with a trophy, the figure of a gym man doing a hand stand upon a metal bar. Captain Roy Ryan made the presentation speech and then "Doc" said a few words in appreciation of the graduating seniors. The team gets the spotlight for what this department considers a very sincere gesture of thanks and Coach Di Giovanni comes in for his share because of the work that he has done with them.

Present at last Tuesday's meet with Cape Girardeau were Charles Morgan and Charles Street, former member of the "Fay" team. "Doc" Liggett, the manager, who graduated last spring, captained the squad for two years and turned in some excellent performances over the 220 and 440 yard runs. He was seldom beaten in his favorite event, the 440, and out his time down close to 50 seconds flat on several occasions. Morgan is teaching and coaching at the Hervis High school at the present. Street is a West Frankfort graduate and graduated from there in 1925. He held the school record for the 440, having covered the distance in 49.3, and in conjunction with Eugene Peyton, another star of the past, owns a mark of 21.4 seconds over the 220 distance. Peyton graduated in 1925, after four years on the team which he captained during his senior season.

Weights seldom attained were cleared at the meet with Cape Girardeau this week when the two "baring Missouri-men", Roy Spurluck and Herb Mulkey, broke records in the pole vault and high jump. Spurluck, holder of the Missouri intercollegiate championship, pulled himself over the bar at 13 feet 2 inches, while Mulkey high jumped 6 feet 5 inches and a little over for another new meet mark.

When the team met Macomb last Tuesday and Illinois Wesleyan Wednesday, they will be striving to keep perfect a record of not having been beaten in a dual match in the boundaries of Illinois for over two years. After a perfect season in which they dropped only a single match last year, and that to the University of Washington at St. Louis. Three of the five men making the trip, Captain Verdie Cox, Scott Gill, and Everett Goddard, were members of the Carthage Community High school team of 1938, which very narrowly missed winning the state championship and were finally accepted with second place.

There has been a change in the air among unofficial circles of making men's P. E. a four-year requirement. This spotlighter would like to go on record as being very much in favor of such a move. It is his belief that such a physical program might result in a more healthy mental and physical national frame of mind if it were extensively employed. Those who cry loud against compulsory physical education are in almost every case the ones who need it most.

Dr. Gellerman to Speak at Commerce Club Meeting

Dr. Louis E. Gellerman of the psychology department will speak at the Commerce Club meeting, Thursday night, April 30, in the main hall. Also there will be a discussion of the Commerce Club tour to St. Louis, Friday, May 8th. The tour is open to all students. Persons planning on taking the trip, should register on the board in room 30952.

TENNIS TEAM TO LEAVE MONDAY ON TWO-DAY TRIP; WILL SEE ACTION AGAINST MACOMB AND WESLEYAN

Cox, Goddard, Schroeder, Norman, and Gill to Make Trip, Team Trying to Maintain Perfect Record

After a seemingly dead period during the month of April, dead as far as tennis matches are concerned, the SINU racket team will return to action next week when they journey northward to engage the Western State Teachers of Macomb and Illinois Wesleyan College on Tuesday and Wednesday. Five members of the squad will make the three day trip, leaving on Monday evening and returning late Wednesday.

With two straight victories under their belt, against Cape Girardeau, the Macomb racket swingers should bring back with them two additional copies to make it four straight for the season thus far. The tennis schedule is particularly heavy throughout the month of May, and is climaxed with the conference meet here on the 22d and 23d. Three men of the five making the trip will be from Carbondale, as recently elected Captain Cox, Everett Goddard and Scott Gill are all former students from Carbondale Community High school. Incidentally, they made up half of the team that swept the high school district meet, and went on to win second in the state meet in 1938. Cox will be playing in the number one position, Goddard in the number two and Gill in the number five. The other two members of the team making the trip are Merv Schroeder of Flora playing in the third position, and Jimmy Norman of Murphysboro, playing in the number four spot. The first doubles will be played by Cox and Norman, and in the second position will be Schroeder and Goddard.

The five players making the trip are all conservative newcomers with the exception of Cox, although both Goddard and Schroeder won letters last year. Minus the services of the veterans of last year, nevertheless these five men show promise of carrying on the Southern tradition of the tennis team, and give assurance of actually regaining the state championship meet; they will be under double strain of being the defending champions. Whether or not they will be able to retain the conference crown again this year is a matter of conjecture. One of the "Teacher" colleges boast good teams, notably Normal, who is always strong, and this year seems to be no exception.

WOMEN'S TENNIS TEAM TO COMPETE MAY 8-9 IN DECATUR TOURNAMENT

The women's tennis team of S.I.N.U. has been invited to attend a tennis meet at the University of Decatur, Ill., on May 8-9. In order to make the trip there must be a team of eight girls who will be able to compete with teams of other universities. At the present time Miss Virginia Congrove, tennis instructor, states that Southern does not have a team worthy to compete. Only nine girls have reported for tennis practice and several of them are beginners who need a lot of instruction before entering any matches. Westwood and Mercer are the only veterans that have appeared at the practice sessions. Ivancek and Borgmiller are both freshmen who have a lot of ability. Other girls who have reported for practice are Perry, G. Kopp and Mercer. If enough girls will come out to practice and work hard, it might be possible to put together a good team in the remaining three weeks before the trip," said Miss Congrove.

HERB MULKEY OF CAPE GIRARDEAU

Herb Mulkey, Cape hurdler and high jumper, clearing a low hurdle ahead of the rest of the pack in the 220 event last Tuesday. The other man in the picture is Southern's freshman Jack Hayse, who placed third. In addition to winning both hurdle races, Mulkey set a new record in the high jump with a leap of 6 feet 5 inches.

AMONG THE INTRAMURALS

With Fechner

Owing to the defeat handed out to them by the Inter-Cooperatives, the Sigma Beta Mu squad joined the ranks of the one-defeated teams this week. The Spirits of '76 still maintain their terrific pace keeping time with the Inter-Coops.

The game of the week was played last Wednesday afternoon as two previously undefeated teams, the Inter-Cooperatives and the Sigma Beta Mu, met each other on the lower field. The Inter-Coops took an early lead when Edgar Martin reached first on Nick Milosevich's failure to pick up a slow relay. Martin took second on a passed ball, stole third, and came home on Calafuto's lone drive to Bill O'Brien in center.

The Sigma Beta Mu came back with two in their first half of second, to take the lead away from the Coops. W. Matinsky reached first by use of a fielder's choice, Milosevich being forced at second. Mitchell doubled, scoring Bill with the tying run. Roy followed with a single and Mitchell pumped across the plate with the run that put the Sigma Beta ahead. But the power of the Inter-Coops was only temporarily suppressed.

In the last half of the third, the Inter-Coops knocked the score at two all. In the fourth and fifth, the Inter-Cooperatives came across with two runs for each inning. That put the score at 6 to 2. After two were out in the last half of the sixth, Calafuto started the rally for the Inter-Coops with a tremendous drive over the centerfielder's head for a home run. Two more runs were scored before the inning ended.

The Sigma Beta put up a brave but useless stand in their half of the inning, as they were out before they used their two hits, one a triple by Dean, with an error on the part of Edgar Martin, to push across one of their two runs, the final score being 9 to 4.

The Spirits again found little opposition this week and crushed their opponents with little effort. The KDA's went down 13 to 1 and the Chi Delta Chi went down 7 to 0. The Spirits used three pitchers against the Chi Deltas. McCright, who was done by a line drive down the field and their first hit. The hit was done by a line drive down the field into the bleachers, allowed not one man to reach first base, and struck out seven of the nine. Manager Carter removed him to give Filgor a chance to display his pitching prowess.

Filgor could not quite equal the second of McCright and allowed one man to get on base for the Chi Delta. This was the initial drive of the game for the Chi Delta out of the infield and their first hit. The hit was done by a line drive down the field into the bleachers, allowed not one man to reach first base, and struck out seven of the nine. Manager Carter removed him to give Filgor a chance to display his pitching prowess.

CAPE GIRARDEAU TEACHERS OVER SOUTHERN HERE LAST TUESDAY BY 89 TO 39 SCORE

Missourians Win First in All Boy One Event in Decisive Victory; Break Four Southern-Cape Meet Records

Southern's track and field team suffered the full might of an Indian invasion last Tuesday afternoon when the Cape Girardeau Teachers came over the river and up to Carbondale to hang an 87 to 39 defeat on them.

The Missourians made it two in a row by the victory, for they had turned back Coach Liggett's team by a similar score the previous week. Four meet records fell during the course of the afternoon before the Indians' vicious attacks on time and height. The first was recorded when the first mile was stamped off a beautiful 8:50 in the last time of 2 minutes and 1-10th of a second to smash the record formerly held by White of Cape Girardeau, 2:01.8. Roy Spurluck of Mt. Vernon, who holds the Missouri intercollegiate record in the 100 yard dash, was the first to height seldom seen on the Southern field to win the event at 15" 2" and set a new meet mark.

Last week in the Southern-Cape clash down at the river town Herb Mulkey, veteran track man who comes from Cypress, Illinois, broke the old record in the high jump with a leap of 6' 4 1/2". Then when he came up here, just so he wouldn't get to the limit, he cleared an inch more, to smash his own week-old mark. In addition to this bit of high jumping he won first in the 100 yard dash, and was being pressed. The Cape mile relay team, running without the benefit of competition to push them on, turned in a beautiful performance and broke the old record of 3:27.7 for the distance by a second and a tenth. The man who made the difference was Jackson, who earlier in the meet had won the quarter mile event. Reed, who had run a 2 minute half mile, Hunter, credited with seconds in the broad jump, pole vault, and javelin, and Captain Clinton Allison, earlier winner in the 100 and 220 yard dashes.

NORMAL, MACOMB TRACK SQUADS FAIRLY STRONG

Southern should be able to hold own with either. Southern was credited with only one first for the meet, but carried off a majority of the seconds as her speed and muscle men accounted for nine of the 14 runner up positions. Bill Guiney gained the Engineers' 200 yard dash, while the former athlete out 12". Guiney has been a consistent winner all spring, and has tallied a first in every meet.

Louie Pechinich ran two seconds in the mile and in the half, giving an indication that he would soon be showing his class on about six inches. Ed Copeland, high hurdler, edged out the man who beat him last week to take second in his specialty, while in the other branch of the hurdling department Charles Beatty duplicated his performance in taking second in the jaws. Arnold Wondt, Southern dash man, fought his way through to a second in the 220 yard dash, while Merle Bright, stumped in a second behind Mulkey's prodigious effort in the high jump.

Though the meet was decisively in Cape Girardeau's favor, it should be kept in mind that they are credited with having one of the best teams in the middle-west and that a defeat to them is nothing for a team to hang its head about.

The results: 100 yds. A. first: Pechinich, S. second; Leo, C. third; time, 4:25. 440 yard dash: Jackson, C. first; Heinrich, S. second; St. James, S. third; time, 5:41. 100 yard dash: Allison, C. first; Beatty, S. second; Radcliffe, C. third; time, 10.7. 120 yard hurdles: Mulkey, C. first; Copeland, S. second; Gobson, C. third; time, 16.1. 880 yard run: Reed, C. first; Pechinich, S. second; Leo, C. third; time, 2:00.1. (new record).

220 yard dash: Allison, C. first; Wondt, S. second; Lowery, C. third; time, 2:27.7. Two mile: Pittman, C. first; Mitchell, S. second; Talbert, S. third; time, 12:50. 720 yard hurdles: Mulkey, C. first; Beatty, S. second; Hayes, S. third; time, 26.2. Shot put: Wolfe, C. first; Guiney, S. second; Baker, S. third; distance, 45'. Javelin: Anderson, C. first; Hunter, C. second; Millanough, S. third; distance, 168' 3". Discus: Guiney, S. first; Wolfe, C. second; Mulosevich, S. third; distance, 115'. Pole vault: Spurluck, C. first; Hunter, C. second; Charsack, C. third; height, 13' 2". (new record). High jump: Mulkey, C. first; Bright, S. second; Hayes, S. third; height, 6' 5 1/2". (new record). 100 yds. A. first: Beatty, C. second; Radcliffe, C. third; distance, 22' 1". Relay: Cape Girardeau, first; Jackson, Reed, Hunter, Allison; time, 3:26.6. (new record).

Former Student Marries

Miss Gladys Hanson, former S.I.N.U. student, married Mr. Kurt Schlessinger, University of Illinois '39. Mr. Schlessinger is an instructor at Chanute Field at the present time.

BLI, GUINEY

John Scott of Normal, who will be remembered as the "bounding boy" of the basketball court," turned in a fine second quarter, and was credited with the high jump at 5' 10". Gerfen of Normal won the broad jump with a leap of 22" the hundred yard dash in 10.7 and took second in a not too fast 220. Scott came back after his previous runner, and jumped 22' 2" in the 100 and won the half mile in 2:56. 880 yard run: Reed, C. first; Pechinich, S. second; Leo, C. third; time, 2:00.1. (new record).

About The Greeks

SIGMA GAMMA RHO

Following the "Fledge Week" ceremony of the week of April 20, the Sigma Gamma Rho sorority, National Negro sorority on the campus, initiated Clara Kirk, Daisy Sykes, Arlie Cole, Irene Scott, Otis Mikeson, and Naomi Haywood into the sorority Saturday, April 25. For the final initiation ceremony was performed at 501 S. Hill in Marion, Ill., and was followed by a formal dinner. Immediately following the dinner, a shower party was given in honor of the new members of the sorority.

The Sorors participating in the initiation ceremony were: Lula Bell Dix, president; Viola Gilm, Ruth Green, Orela Campbell, and Russell Duncan. Plans were discussed concerning the tri-Greek invitational formal to be given in the Old Science gymnasium, May 23.

NU EPSILON ALPHA

Thursday evening, April 23, Nu Epsilon Alpha fraternity was given a blanket party by their sponsors, Dr. Louis W. Gollerman and Dr. M. S. Harvey.

A group of sixty-six hiked to the city reservoir where everyone joined in the games and contests and the picnic supper. Following the supper the pledges built a large bonfire and everyone sat around the fire in Indian fashion and sang old familiar songs.

Members of Chi Delta Chi last week elected officers of the organization for the coming year. The officers chosen were: Jack Helgeson, president; Everett Goddard, vice president; David Kenney, secretary; Gene Traxel, treasurer; John Hunter, house manager; Bob Gann, chancellor; Edwin Copeland, first sentinel; Harold Messberg, second sentinel; and Kenneth Hedges, parliamentarian. Representatives chosen for the Interfraternity Council were David Kenney, senator member, and Bob Gann, junior member.

SIGMA SIGMA SIGMA

The annual Sigma Sigma Sigma spring tea will be held at the chapter house on Sunday, May 13, from 2:00 until 6:00 P. M. The alumnae of the chapter will pour. From 5:00 until 7:00 P. M. a clean up dance will be held at the house with the fraternities as special guests.

Notice: Graduating Seniors may secure their engraved announcements at the bookstore beginning next Monday, May 4. These should be secured before Friday, May 16, as on that date the uncalled for invitations will be placed on sale.

Reading tests in all languages will be given the eleventh week. Students who are not taking any language, and who wish to take a test in one of them, should see a member of the Foreign Language Department before May 20.

Obelisk Editor Election Results in Deadlock

Ballot for the editor of the 1942-'43 Obelisk resulted in a deadlock at the last meeting of the Student Council after six ballots failed to produce a required majority of nine votes for either of the two candidates, Clifford Spevy, sophomore, and Mary Mathison, freshman. The Council will continue its balloting at the next meeting.

Three members of the Council were absent from the meeting at which the deadlocked voting occurred. They are: An Abernathy Sandy Post, and Sam Hancock.

Orders for class jewelry for next year's graduating class will be taken next fall instead of this spring.

There will be an important meeting of the Southern Kaulks on next Monday night at 9:00 o'clock, during which time final plans will be made for a picnic, which takes the place of the Knights' annual Spring dance.

The French department of S.I.N.U. will present the famous French movie, "Dr. Knock", starring Louis Jouvet, May 11, in the Auditorium at 8:00 p.m. Admission is only 15 cents, tax included.

CAMPUS BULLETINS

Orders for class jewelry for next year's graduating class will be taken next fall instead of this spring.

SINU Radio Programs

"Half Hour On the Campus", the regular Monday program originating on the campus of Southern Illinois Normal University and heard over station WJFF in Herrin at 1:30 p.m., will feature Dr. Charles Penney, member of the English department, next week. Dr. Tenney, also tennis coach of S.I.N.U., will discuss the inter-collegiate tennis meet which is to be held on the campus soon, and will also give an informal discussion on "Track Stars of the Past". Dr. C. H. Cramer of the History department, will make his initial appearance as the new announcer of the program. In addition to Charles Hamilton, the regular vocalist, Miss Jane Ferguson, contralto, will be heard as guest artist. Tommy Williams will be heard in his regular capacity as commentator.

NOW FOR COLLEGE MEN A NEW OFFICERS' TRAINING PLAN

★ New Deferred Service Plan Allows You to Continue Your Education ★

In the skies over America the mightiest air fleet in the history of the world is mobilizing for victory!

So fast it is growing that there is a place here — an *urgent need* here — for every college man in America who can qualify for Officer's Training.

The U. S. Army Air Forces need Flying Officers and Ground Crew Officers. And many of them must come from the ranks of today's college students — men who make their plans now for the necessary Aviation Cadet training.

Thanks to a newly created Air Force Reserve plan, men of all classes — aged 18 to 26, inclusive — can enlist for immediate service or continue the scholastic work required for graduation before being called to active duty.

You must meet the requirements for physical fitness, of course. In addition, you take a new simplified test to determine your ability to grasp the training. A college man should pass it easily.

\$75 A MONTH DURING TRAINING

These accepted who wish immediate duty will go into training as rapidly as facilities permit. As an Aviation Cadet, you are paid \$75 a month, with subsistence, quarters, medical care, uniforms, equipment.

In 8 months you can win an officer's commission as a bombardier, navigator or pilot — and be well started on your way to serve America and advance yourself in aviation.

Three Enlistment Plans for College Men

- Junior-Sophomores—Freshmen May Continue Their Education
1. A new plan allows Junior, Sophomores and Freshmen, aged 18 to 26, inclusive, to enlist in the Air Force Enlisted Reserve and continue their schooling, provided they maintain satisfactory scholastic standing.
 2. All college students may enlist as privates in the Army Air Forces (unassigned) and serve three until their turns come for Aviation Cadet training.
 3. All college students may enlist in the Air Force Enlisted Reserve and wait until ordered to report for Aviation Cadet training.
- Upon graduation or withdrawal from college, men will be assigned to active duty at a training center as facilities become available.
- If the necessity of war demands, the deferred status in the Army Reserve may be terminated at any time by the Secretary of War.

The new Army Air Force Enlisted Reserve Plan is part of an overall Army Enlisted Reserve Program shortly to be announced. This program will provide opportunities for college men to enlist in either branch of the Army on a deferred basis and to continue their education through graduation. If a satisfactory student of work is maintained, in case of necessity the Secretary of War shall determine when they may be called to active duty.

It is understood that men so enlisted will have the opportunity of competing for vacancies in officer's candidate schools.

This plan has been approved in the belief that continuation of education will develop capacities for leadership. Reserve enlistment will not affect regularities regarding established R.O.T.C. plans.

MANY BRANCHES OF SERVICE

There are also commissions awarded in ground crew service. College men particularly will be interested in the requirements for Armaments, Communications, Engineering, Meteorology, Photography. If you have engineering experience your chances of getting a commission are excellent.

As a Second Lieutenant on active duty with the Army Air Forces, your pay ranges from \$183 to \$245 a month.

ACT AT ONCE

If you want to fight for America, this is where your blows will count.

If you want the best training in the world, and years of solid achievement in aviation—the great career field of the future—this is where you belong. Your place is here—in the Army Air Forces.

If you plan to enlist immediately, start getting your necessary papers ready for the Aviation Cadet Examining Board when it meets in your locality. For complete information, see your Faculty Air Force Advisor. You can take your mental and physical examinations the same day you apply. Get further information now.

NOTE: If you wish to enlist and are under 21, you will need your parent's or guardian's consent. Both certificates and three letters of recommendation will be required of all applicants. Obtain the forms and send them home today—you can then complete your enlistment before any Aviation Cadet Examining Board.
