WORK FOR THE S. I. T. C. CARBONDALE, ILLINOIS

NAT'L YOUTH CONFERENCE HERE HELEN JEPSON WELL RECEIVED

Navy Relief Show Draws Large Crowd; Dance Well Attended

Last Tuesday was the night of the first Navy Relief benefit show and dance. If the enthusiastic reception of the show by the townspeople and the students is any indication, it shows promise of being an annual affair.

As the audience gathered they were greeted by the music of our S.I.N.U. band under the direction of Mr. Allan Bone. The band played what was the program to begin with. The custom of all public gatherings, Mr. Bone directed the band and audience in the 'Star Spangled Banner'.

Attired in a pink sequined gown, Miss Helen Jepson sang to a capacity audience of concert goers, last night, Thursday, Nov. 5, in Shryock Auditorium.

Singing in a clear voice, Miss Jepson of Metropolitan Opera fame, amazed music lovers with her exceptionally beautiful head-tones, although flatness was denoted occasionally on the high notes.

Her accompanist, Mr. Stephen Barrett, also added to the general enjoyment of the entire program by playing three numbers. Mr. Barrett presented two encore numbers, also.

The program which included every type of music from operatic to the modern classic 'Summertime' by George Gershwin, is as follows:

First Half of the Program Four arias from Gounod's Faust. Mignon by Massenet.

Four German lieder, representing Brahms, Schumann, Schubert and Richard Strauss.

Last Half of the Program This was composed mostly of songs by French and American composers including a number by Rachmaninoff.

After leaving Southern last night, Miss Jepson will make a quick flight to New York, returning to the midwest for a concert engagement in St. Louis next week.

According to what was previously anticipated, Miss Jepson did capture the heart of Southern. This glamorous soprano who has been renowned for singing the "bosom" into opera, did it again with her engaging smile and flashing blue eyes.

Miss Jepson's voice was filled with vigor and fire during the presentation of her more dashing numbers. Her tones were fresh and clear, with unusual resources of power; her interpretation of all the pieces that she rendered showed careful mastery.

Miss Jepson has no less than six engagements to fill before a short period of relaxation can be enjoyed next spring. These engagements consist of both concert and operatic appearances.

This is the first of a series of cooperative concerts scheduled for Southern Illinois Normal University entertainment. Reginald Stewart, noted pianist, composer and conductor, is slated to appear in Shryock Auditorium December 15.

DEAN THOMPSON MAKES SURVEY OF THIS AREA FOR RUBBER PLANT SITE

S. ILLINOIS IS IDEAL FOR SUCH A LOCATION, THOMPSON

An event of some importance for the economically deprived southern Illinois area, is the current investigation by Dean Charles M. Thompson of the University of Illinois, on whether southern Illinois is the place for the location of the new synthetic rubber industry.

Dean Thompson, of the State Council of Defense, told the business men of Murphysboro Tuesday, November 3, that this region meets the needs required to locate a rubber plant. Mr. Thompson has been delegated by Governor Green to present to the regional rubber administrator the assets of Illinois for the location of such a plant.

"My job at the present is to present the case of Illinois," said Dean Thompson, "and we are going to have a very complete survey of the state."

"Until you make a study of it, few people have any realization of the vast empire we have right here in Illinois. Our statistics on population, railroad mileage, petroleum, coal, grain, paved roads, and other assets are amazing. We believe we can prove beyond any reasonable doubt that Illinois is the logical site for this synthetic rubber industry," said Dean Thompson.

He went on to say, "It is not my place to select the particular spots in Illinois where these should be located, but I don't mind telling you, gentlemen, that I believe that this region has a very excellent case. You have all the essential requirements. If that were not the case, I would tell you, for you would be simply wasting your time. But you do have what will be needed and my advice to you is to prepare a complete survey of the region giving the facts about what you have to offer."

A survey has already been prepared by Mayor Combs and the Murphysboro planning commission. This will be revised and enlarged to cover some of the suggestions of Mr. Thompson and it will be filed with the Defense Council at an early date.

24 Student Chairmen Chosen For U. S. I. Bill Committees

A new committee of twenty-four student chairmen has been chosen to assist the policy committee working with Dr. W. B. Schieder to promote the University of Southern Illinois project. The committee members are: Patricia McSherry, Art Barnard, Lucille Buehner, James Clifton, Grahame Crichton, Leroy Duckworth, Nancy Freeman, Liz Fairbairn, Everett Goddard, Dave Hartstein, Ida Mae Jones, David Karaker, Jo Lips, Connie Larson, Robert Leathers, Roy Leitch, Waide McDonald, Rosemary Obel, Helen Pellock, Morris Polan, Marjorie Parks, Arthur Smith, Jean Strubinger, and Bob Stiff. Other students, no doubt, will be added to the list as the need for various types of assistance arises.

The general function of this group will be to cooperate in every way with the Policy Committee. They will inform the people of the nature of the bill, its importance, and its effect upon Southern Illinois. It will be also their job to approach legislators, business men, Rotary and Kiwanis members, women's clubs, in their community. Some of the specific functions are: assisting the Committee on Facts and Figures by research work, supplying occasional voluntary stenographer services, providing speakers from Southern Illinois, and bring in suggestions for improving the program to the Policy Committee.

The students can play a large part in promoting this bill. The student committee is anxious and needs every student's cooperation to make its work successful. S.I.N.U. needs the support of every student who is willing to cooperate, for the success of this bill will be dependent to a large extent upon the students' enthusiasm.

Under the auspices of the entertainment committee and the campus Y. M. C. A., S. I. N. U. will be honored by having Dr. Sherwood Eddy, noted author, lecturer, and world traveler on the campus Thursday, November 12. According to the 1942 edition of 'Who's Who in America', Dr. Eddy worked for fifteen years in India as Y. M. C. A. secretary and labored for years among students of Japan, Korea, China, the Near East, and Russia as an honorary worker without salary. By request he has addressed Chinese parliaments, boards of trade, various government institutions, etc. He served with both the British army and the American army during the World War I. He is noted for his many books, some of which we have in Southern's library. He has appeared on practically every college campus in the United States.

Bohrod Wins \$200 For Painting 'Dark Sunday'

At the annual water color exhibition at the Pennsylvania Academy of Fine Arts in Philadelphia, Mr. Aaron Bohrod, S.I.U.'s artist in residence, won first award of \$200 in cash for his water color painting, "Dark Sunday."

The painting was done with gouache, a form of water color. Mr. Bohrod described it as an "amalgam of thick white tempera and water color." Instead of the transparent effect of ordinary water color, a painting in gouache has a darker tone, resembling somewhat an oil painting without the usual ridges left by the brush.

The painting itself portrayed a white wooden church in Wisconsin against a dark, overcast sky. People are just emerging from the church. The main feature of the picture is the contrast between the white church and the dark sky.

Mr. Bohrod said that the award had come as a surprise to him as he had not been aware that the picture had been entered. It had been sent to the Academy by the gallery where it had been on exhibition.

1899 Grad of S.I.N.U. Dies in California

Dr. J. Frank Daniel, a graduate of S.I.N.U. in the class of 1899, died November 3, Dr. Daniel was one of the first teachers ever sent to the Philippines. He has written several books, the best known of which is "Animal Life of Malaysia." At the time of his death Dr. Daniel was head of the department of zoology at the University of California.

High Spot Of Annual Youth Conference Is Reached Today

100 Delegates From 19 States Take Part

The high spot of the annual conference of the Youth Section of the American Country Life Association will be reached with today's program. This morning group and panel discussions meet to consider topics of the conference theme, "Rural Youth's Responsibility Today and Tomorrow."

At the noon luncheon held in the Christian church the S.I.N.U. Marginal staffers will be taken to the conference will hear an address by Howard Y. McClusky on "Youth's Opportunity for a Better Tomorrow." Mr. McClusky is assistant to the vice president of the University of Michigan and a nationally known educator.

"Community Night", at which skills, students, and musical numbers will be presented by various groups, is scheduled for the Shryock Auditorium at 8 p.m. Following this feature a social session will be held in the Old Science gym.

During the afternoon the usual business meeting will be conducted to elect officers for the next year, and a group picture will be taken. More Than 100 Delegates Take Part

The conference has included more than a hundred delegates from nineteen states. Opening on Wednesday with a luncheon at which President Roscoe Pulliam spoke, the delegates have listened to speakers and participated in discussions which revolved around the problems which youth must face during the war and the reconstruction period which will follow it. Between serious discussions a number of social occasions were planned, and one feature was an address by John W. Allen of the S.I.N.U. museum on "Southern Illinois Heritage from Pioneer Days."

George Bracewell, director of rural education at S.I.N.U., has supervised joint arrangements for the meeting. The program was directed by Dr. Ellis L. Kirkpatrick of the American Youth Commission in Washington, D. C., and planned with the aid of various young leaders in colleges throughout the country.

Reynolds Says Pictures of Men in Various Reserve Programs to Be Taken Tues.

Bill Reynolds, editor of the 1933 Obelisk, announced this week that pictures of the V-7, V-8, and V-1 men will be taken next Tuesday afternoon at 4:00 on the north steps of Old Main. Members of the Marine Reserve and Army Reserve, Unassigned, will be snapped at the same time and place.

These pictures will appear in a special section of the Obelisk devoted to the war activities of S.I.N.U. An interesting feature of this section will be several pages of informal shots of Southern men in service. He now has any pictures of our men in uniform please take them to the Obelisk office. Reynolds says that it will be impossible to use formal portraits, however. Any print that is so marked will be returned.

Notwithstanding the greatly reduced budget of this year's book, most of the pages in the '43 Obelisk will be done in two colors of ink, probably red and black.

Two Courses in Philosophy To Be Offered Next Term, 200, 355 Are on List

Philosophy 200, Ideas in America, will be given for the first time for the winter term. It will survey the chief ideas and ideas that are influencing the American people in their attitudes today, and will draw not only upon American philosophers but also upon scientists, artists, statesmen, educators, and other leaders for materials. The course is open to second or third term sophomores and to senior college students. Credit, three hours.

Philosophy 355, Philosophy of Education, four hours credit, is a review of the ideas, progressive and reactionary, which underlie teaching methods, curriculum making, and administrative policies in schools and colleges today. These ideas will be traced back to their sources in philosophy, religion, and history, but the chief emphasis will be upon encouraging the student to form a consistent philosophy of education for his own use as a prospective teacher and counsellor. Through the cooperation of the Education Department, this course can be counted towards the education requirement of the college (Education 355).

ELECTION NOTICE!

Next Friday, the Junior class will have an election for the nomination of a member of that class to fill the vacancy on the Student Council. The vacancy was caused by the enlistment of the junior council member in the U. S. Signal Corps.

SOUTHERN LOSES THREE STUDENTS TO ARMED FORCES IN PAST MONTH

S.I.N.U. gave up two prominent students and one prominent graduate to the armed forces of the United States during the month of October. The two students were Bill Holder, a senior from Carbondale, and Dave Kenney, a junior from Carbondale. Wesley Reynolds of Vienna was the graduate.

Bill Holder, holding his three years at S.I.N.U., made quite a name for himself in the Little Theatre and in musical organization of the college. He took part in six plays produced by the Little Theatre. They were "Room Service", "Our Town", "Julius Caesar", "High Tor", "The Man Who Came to Dinner", and "Arsenic and Old Lace". He was a member of the MacDowell Club, the orchestra, and the band. He was a member of Delta Delta Chi fraternity, the Obelisk, and the Southern Alumnae staff. Kenney was a member of Mu Tau Pi, Honorary Journalistic Society, and of Chi Delta Chi. He was also a member of the Student Council and the Interfraternity Council.

Dave Kenney was very active on the staff of the S.I.N.U. publication, "The Sun." He was on the staff for four years. He was also a member of the Sphinx Club, Kappa Phi Kappa, Future Teachers of America, Southern Knights, and the Student Council. Reynolds has gone to the coast coast to join the Coast Guard.

Wesley Reynolds of the class of 1942 was a member of Kappa Delta Pi, official honor society of the college, and was on the Egyptian staff for four years. He was also a member of the Sphinx Club, Kappa Phi Kappa, Future Teachers of America, Southern Knights, and the Student Council. Reynolds has gone to the coast coast to join the Coast Guard.

These three were only a small portion of the ninety-four men from S.I.N.U. who joined the Army, Navy, Marines, Air Force, and the Coast Guard during October. Let's wish all of them lots of luck!

Why America Fights

The Meaning of the Present Crisis. Can Religion Build a New World? Has Religion Failed? Can We Build a New World? The War in the Pacific. The World We Want to Live In. Celebrities I Have Seen and Their Significance.

Following the assembly there will be an open forum in which all students who wish may take part. Because of Dr. Eddy's extraordinary ability and experience in working with young people, it has been arranged to have individual or small group conferences in between the hours of 3:00 p.m. and 4:45 p.m. Plans are being made for a luncheon, open to all students, where Dr. Eddy will again speak.

All Prophet—No Loss

It Happened Before And It Can Happen Again

Once more America is to be faced with the crucial question of prohibition... It is not a case of arguing for sin or trying to vindicate alcohol; it is a case of choosing between two evils: bathtub stills, mob rule and the similar havoc that reigned through the twenties, or a recognized evil, take it or leave it.

THE BATTLE WE'RE LOSING!

It would be much easier to view the present Allied successes in Egypt and elsewhere as profoundly meaningful if our cause had not suffered some major disaster at the polls last Tuesday. As it is, we may now be on the road to winning the war but we are even more surely on the road to losing the peace.

"Rural Youth's Responsibility Today and Tomorrow"

The foremost organization of rural youth in the United States—the Youth Section of the American Country Life Association—is convening this week at the campus of S.I.N.U. We are hosts to more than a hundred delegates from nineteen states, come together for the purpose of discussing timely topics along the theme: "Rural Youth's Responsibility Today and Tomorrow."

THIS WORLD OF MUSIC

By BEETHOVEN

A wizened old lady who bore her 92 years with grace died a few days ago in a North Carolina plantation house overlooking the red tobacco lands of Caswell County.

In and around Danville, Va., where Delius spent several months of his life, there are still a few who recall him dimly, but Mrs. Phifer 'mothered' the young Englishman during a distraught period and her husband, the late Robert S. Phifer, was an influence in his life because he encouraged Delius in his determination to devote himself to music.

Mrs. Phifer's recollection of Delius was extraordinarily clear up to the time of her death and she combed a fertile memory for stories in his life, seated in the music room at 'Burlingh', where she treasured her husband's batons, his music library, and the grand piano which had known the touch of Delius before he made his world mark.

Charmed His Hears

Mrs. Phifer insists that he arrived in Danville one day in 1884 penniless with his violin case under his arm. His funds had been exhausted in his effort to reach New York.

Mr. Phifer took Delius into his home and obtained for him a position as music teacher in a Baptist girls' college where flamboyant festivities were staged about the arrival of 'Professor Delius'.

Means to An End
The Danville experience was but the means to an end. There he accumulated enough money to reach New York, but not before Dr. Phifer had written to his adulate father at Bradford and earnestly represented that his son had the mark of genius.

The program heard over Station WJFP in Herrin at 1 o'clock each Tuesday afternoon is featuring this week, November 10, Mr. Pardee of the S.I.N.U. History Department, who will speak on Visual Education.

The Wednesday afternoon program heard over Station WBEQ in Harrisburg will feature Dr. Richard Beyer of the History department, who will speak on the sale of war bonds on the campus.

Something TO DO GO **BOWLING** CONGRESS BOWLING LANES

THREE blue tones are harmonized in the jacket dress modeled by Ann Sheridan, left. The slim skirt and body of the jacket are of the darkest shade, while the sleeves and yoke are of powder blue. The pale blue collar and bow of the blouse are worn outside the collarless jacket. The trim black broadcloth suit worn by Joan Leslie, right, is designed by Orry-Kelly. Its shorter jacket and pencil-slim skirt are within WPB-restriction bounds, and a narrow band of black, white and gold braided points up the jacket's lines. The pompadour hat is decorated with loops of black velvet ribbon.

By LORRAINE DITZLER

Sons of S.I.N.U. carry on in varied fields of military endeavor, as is made evident by the letters received from the Air Corps, the Navy, the Medical Corps, the Coast Artillery—from the desert, from the cities, from the various camps. This week some of the students who made history while in school here tell of the ways in which they make history today.

Steve Krisfalussy, chemist-journalist who will receive his commission as Ensign on November 14 in that familiar edifice, "Tower Hall", in Chicago, views the situation thus: "When I leave Chicago, it will mean leaving behind me some very fine fellows of the Navy as well as some very pleasant moments. The dread and dislike I first entertained for this life has passed, and I can only hope that my career as a warrior cannot be much worse than this. I fully realize that there will be difficult days ahead for all of us, but I've come to feel that our difficulties will be overcome in large measure by our attitude toward them—and that means we must all share the burden of bringing this war to an end. The prospects for tomorrow are not very bright, but the American people are famed for their sense of humor, and I think that humor will carry them through even in the darkest days."

Steve plans to visit S.I.N.U. upon receiving his commission.

Staff Sergeant Isaac Schaefer writes that he is on his way to Officers' Candidate School. In the future he will be addressed as Officer Candidate Isaac W. Schaefer, Quartermaster O.C.S., Class 14, Camp Lee, Virginia.

From the deserts come letters from Arthur Gilliam and Edward Barrett. Arthur writes from "Fort 'P'", 41th C.A.A.A., A.A.T.C., "Fort Bliss, Texas; "You said that I was missed, but I cannot be missed half so much as I miss S.I.N.U. I am in the Coast Artillery anti-aircraft corps and for the last week I have been on the range "roughing it", sleeping in pup-tents among the cactus, rocks, and rattlers, and eating out of mess kits. . . . Men in this branch of service were chosen after taking an IQ test to qualify for this branch of service. There is a great shortage of men who qualify, consequently, those who do qualify are rushed through their training in the least possible time. I have only been here one month now and I have only one more week of basic training. I expect to be in active service by the first of the year. . . . I would like to hear especially from some of the B.S.U. students."

Ed Barrett, a voice from the wilds near Blythe Field, California, says: "This desert life isn't so bad except for the frequent dust, and sand storms. However, there are some days when the sand stays 'put'. . . . I shall do all I am capable of in this great movement with which we hope to find ultimate peace and happiness. My appreciation is aptly spoken and I appreciate that of many recipients of gifts: "It was with boundless pleasure that I received your letter and package. . . . I wish I could be there to thank each of you personally for you cannot know how happy it makes this soldier to know that he has not been completely 'buried in the sand'."

Stanley Thomas is now serving with the band in Regiment 18, Battalion 26, Company B781, Camp Robert Small, Great Lakes, Illinois. His rating is musician second class. Pvt. George Roger Cuntis, science student, is stationed at the Sixth Service Command Laboratory, Ft. Sherman, Illinois.

Sergeant Charles Woodbridge, General Mess, Scott Field, Illinois, expresses his regrets at not being able to attend Homecoming. He encloses the address of Staff Sergeant George E. Thomas, also General Mess, Scott Field.

FAIRBAIN, SENTENEY ATTEND I.C.P.A. MEETING AT DeKALB SATURDAY

LEO LERNER IS MAIN SPEAKER

Miss Elizabeth Fairbairn, editor of the Egyptian, and George Senteney, business manager of the Egyptian, attended the Illinois Collegiate Press Conference at DeKalb, Illinois, Saturday, October 31. Miss Marian Harms, senior at DeKalb and president of the I.C.P.A., presided at the conference.

The program began at 9:00 with registration and examination of the exhibits. At 10:45 the general session took place, during which time a spot newsreel contest was held. Immediately following this there was a luncheon in the College Tea Room.

Leo Lerner, former editor of the Daily Northwestern and now editor of the Belmont Reporter, spoke on the relationship of the Civil War to the present World War. He commented on the number of books that have been written on the Civil War since the outbreak of World War II and attributed this to the relationship found in the two wars. He said they were comparable in that the Civil War was a battle of production for the North and this war was a battle to see which faction could become superior by the number of airplanes, tanks, guns, and equipment they could turn out. He also commented on the dissolution in both wars and said that it was ten times greater than now. Mr. Lerner believed that success can be done in the war through the newspaper, by using the newspaper as a medium, a large part of the discussion can be eliminated, making the morale of the people a great deal better.

Professor E. R. Johnson of the Illinois State Normal University was in charge of a newsreel session at 1:30. The main features for discussion at this were news stories, feature stories, interviews and general news department development. Following this meeting, there was a business office session at which Charles E. Flynn, associate in the school of Journalism at the University of Illinois, explained advertising, selling, and copy writing; aids for the business office and staff organization. An editorial session over which Dr. Forrest O'Dell, from Western Illinois State Teachers' College, presided, was also included. It discussed editorial writing, campaigns, policy, and general editorial page improvement. At 2:30 Charles E. Flynn from the University of Illinois gave many valuable pointers on photography and discussed taking pictures, news value, developing and printing. Next came a typographic session at which John Paul Jones, Jr., instructor in the School of Journalism, University of Illinois, discussed front and inside page makeup, type harmony, headlines, and lead cutting. There was a sportswriter's session at 3:30 and Paul Street, instructor in the English department at Northern Illinois State Teachers' College explained sportswriting, sports columns, and policy. The last event of the day was the Tea and Advisory Board meeting at 4:30 in the Social Club room.

Hampton Marries Sgt. James V. Goar Friday, October 30

The wedding of Mary Lou Hampton and Sgt. James V. Goar was solemnized in the Presbyterian Mause at Frankfort, Indiana, last Friday afternoon at 4:30. The single ring ceremony was read by the Rev. Dr. Harry L. Crain in the presence of the immediate families.

The bride was attended by Mrs. Clement Stanford of Indianapolis, Ind., sister of the bridegroom; Morton J. Keedy of Frankfort, Ind., brother-in-law of the bridegroom, was best man.

Mrs. Goar was attired in a two-piece ensemble of aubine blue crepe with a shoulder corsage of red roses. Mrs. Stanford wore a beige gabardine suit with a pastel corsage.

Mrs. Goar, a senior from Grayville, has served as publicity director of the college for the past two years. This year she was elected a maid of honor to the Homecoming Queen. In addition to her work, she is a member of Mu Tau Pi honorary journalism fraternity; and Sphinx, activities honorary. During her three and a half years' attendance at S.I.N.U., Mrs. Goar has maintained a 4.5 average.

Prior to his enlistment in the armed forces in December, 1941, Sgt. Goar was a student at Earlham College in Richmond, Ind. There he was director of publicity and editor of the school paper, the Earlham post. At the present time, Sgt. Goar is stationed at Orlando Air Base, Orlando, Florida.

MAROONS TO MEET CHARLESTON PANTHERS TOMORROW

DE KALB HUSKIES DEAL SOUTHERN 4TH STRAIGHT DEFEAT SATURDAY

With a roster of 18 returning lettermen, and a 200 pound line, DeKalb was able to trounce the Maroons in a game that was much better than the score indicated. The Maroons were undoubtedly out-manned and badly outweighted, but never out-fought.

The Huskies punched over two touchdowns in the opening frame to gain momentum in trouncing our Maroons 34-7 last Saturday. Hemmigan, fleet DeKalb back, passed to three touchdowns, and plunged two yards for another. Ulrich, Northern end, also scored by gathering up a blocked punt and running 30 yards for a touchdown. All four extra points compiled were accounted for by Woodruff.

The Maroons scored their lone tally on the first play of the fourth period. Malinsky passed to Zebrow, who snatched it from the arms of two would-be interceptors, and scampered over for the touchdown. Milosevich's conversion attempt was successful.

Many Injuries

The game was a rough affair all the way. (This can be verified by looking at our boys). Penalties were multitudinous on both sides, and played several times only after a liberal amount of protest. The half-time score was 27-0, but the undaunted Maroons came back to outplay the much-harassed Huskies. This is concrete evidence that the Maroons never give up. When they follow the size of John Larrick will fight opposing line-men who are almost an entire game, he has to have more than ability. Almost every play was either inside or outside "Big Jim" Hodges, but the stack by his post although knocked out by tactics (fast or otherwise) three times during the game. Bill O'Brien, star-halfback, was in only one play of the game, but on this play he gained 20 yards and then left because of a badly twisted knee. The recurrence of this knee injury will deprive the team of O'Brien's services for the remainder of the season. Although he saw little action during the game, O'Brien is still considered one of the most dangerous broken field runners in the conference.

Charleston Next foe
Prospects of winning the last two titles are very bright, because Old Normal beat Charleston 32-0 and were very lucky to tie out a 7-7. With over the Maroons Coach Hancock said he had been trying to work the forward pass with a double lateral for four years, and the first time it ever worked was unfortunately against Southern. Charleston has an inexperienced eleven with little or no play, and a great deal of speed. However, their passing has always been potent and the Maroon men aren't taking them too lightly. Milikin crushed the Panthers 56-8 last Saturday with ease. If the Maroons play half as good a game against Charleston as they did against DeKalb, they will have won their first game, and the boys promise to play even a better brand of ball.

GEORGIA HAILED FOR GREAT VICTORY OVER ALABAMA

Six Previously Unbeaten Teams Knocked Out in Weeks Contest

NEW YORK—Georgia's Bulldogs were hailed as the team of the week after a spirited rally allowed them to trim cros Alabama's Crimson Tide and remain in the blinding ranks of the nation's undefeated and untied college football teams.

Only four major teams, Boston College, Georgia, Georgia Tech and California Poly-Plight, have spotless records. Wisconsin, upset conqueror of Ohio State by a 17-7 count, has its record marred only by a tie with Notre Dame, Marquette upset Detroit, 16-6. Georgia earned the glory when, led by All-America Frankie Sinkwich, it scored all its points in the last period to come from behind and top Alabama 31-10 in a battle of the undefeated Titans. Georgia Tech, the South's other undefeated and untied club, smashed Duke, 26-7. As Georgia took the Southeastern conference lead with four victories, other circuit clashes saw Mississippi State shade Auburn, 50- Tennessee beat L. S. U., 24-0 and Tulane nose out Vanderbilt, 28-21.

Texas Christian was knocked out of the undefeated class by Baylor, 10-7 pushing the Bears into the Southwest conference lead with Texas. The Longhorns topped S. M. U., 27-0 while the Tennessees walloped Arkansas, 41-0. In other southern games, North Carolina upset North Carolina upon North Carolina, 21-14, and Wake Forest defeated Clemson, 19-6.

Wisconsin triumphed in its win over the Bulldogs, grabbed the Western conference lead by a 17-7 score. Purdue 18-7; Michigan defeated Illinois, 23-14, and Minnesota manhandled Northwestern, 19-7. Notre Dame had a surprisingly difficult time before downing Navy, 9-0 while Great Lakes thumped Missouri's favored eleven, 15-0 and Iowa Pre-Flight, 20-0. Indiana, 26-6 in the Big Six; Nebraska stepped in front with a 14-7 win over Kansas as Oklahoma topped Iowa State, 4-7.

Houston College continued to roll in the East by trouncing Georgetown, 41-0. Pennsylvania took command of the Ivy League by spiking Army's guns for the first time, 19-0, as Yale beat Brown, 27-0; Harvard upset favored Princeton, 19-14, and Columbia snooted out Cornell, 14-13. Meanwhile, Colgate and Holy Cross played a 6-6 deadlock; North Carolina Pre-Flight 15-0; Syracuse's unbeaten hopes, 9-0; Pitt defeated Carnegie Tech, 19-0; West Virginia humbled Penn State, 24-0. Intersectional games saw Fordham blank St. Mary's, 7-0; Temple tie Michigan State, 7-7, and William and Mary down Dartmouth, 25-14.

Coach conference news: The Pacific Coast conference opens with 19-0 and over Stanford; California killed Oregon, 20-7; Washington knocked off Oregon State, 13-0, and Idaho triumphed Montana, 20-9. In the Big Seven, Colorado held the pace with a win over Wyoming and Utah defeated Colorado State, 23-14.

The schedule which will involve the standings below Champion Norman. Coach Tenney can now determine the candidates for spring varsity tennis. Any of the players who played a sufficient number of matches and showed promise will be listed as a candidate for spring practice.

Many Good Intersectional Games Featured in This Week's Schedule

Michigan-Harvard, L. S. U.-Fordham, Duquesne-St. Mary's, Ohio State-Pittsburgh, Mich. State-Wash. State, Are Main Attractions

The intersectional contests scheduled for the coming week-end. First choice for the spectators is slated for New York City where the Irish of St. John's and the Cadets of West Point clash in the outstanding tilt of the day. Army will put up a good fight, but cannot be favored on the performance to date.

Michigan's contest with Harvard is apt to be one sided in favor of the Wolverines. L. S. U. invades the east for a crack at the Fordham Rams, who look too tough for a one-to-one southern outfit. Manhattan goes west to tackle Marquette, beaten only by undefeated Wisconsin, and looks like the Jaspera, can't possibly win this one.

Ohio State should have little trouble getting back on a scoring spree with Pittsburgh as its victim. From east to west go the Spartans of Michigan State who travel to Washington State for what appears to be a defeat. St. Mary's should get revenge on Duquesne for last year's beating.

Some spirited action is looked for in the Southwest. Arkansas and Rice appear in a contest that is almost a toss-up. Texas A&M seems to be kicking again so they are picked over Southern Methodist, which is not doing too well this year. Baylor will consider its season perfect, if it can knock off Texas, but it won't.

Texas Tech is traveling in good company this year and is putting up a good fight, although a losing one, and should fall to T. C. U. Tulsa keeps on rolling and no opponent can score on her, not even Oklahoma A&M this year.

MAROONS IN QUEST OF FIRST VICTORY; INVADE CHARLESTON

Playing Without Services of Three Lettermen

Coach Abe Martin heads toward Charleston today with a determined bunch of 22 players in quest of their first triumph of the year. Added to the already appalling list of injured was the name of Bill Malinsky, star half-back and passer. Bill O'Brien and Jeff Mitchell are the other two lettermen who will miss Saturday's encounter.

The team will leave with only two lettermen on the squad, Captain and Fullback "Dago" Caluffetti and Right Halfback Nick Milosevich. To fill the vacancies left by injuries, Martin has shifted Bill Green from quarterback to left half, Pigg from third string quarterback to second string, and Braden, a freshman from Christopher, to second strong fullback. If Malinsky misses the game, Bob Kemper will take over the kicking duties on the team and Captain Caluffetti will have to bear most of the passing burden.

ROY RYLANDER VISITS SOUTHERN CAMPUS; IS STATIONED AT SAN DIEGO

Urbis Roy Rylander, outstanding gymnast and captain and assistant coach of Southern's 1942 team, visited the campus last week on his way back to his army station at San Diego, California. Mr. Rylander was granted leave to attend the funeral of Miss Gladys Westwood, popular Southern student, who passed away October 21.

While here, Rylander worked out before the gym team, demonstrating difficult feats for new recruits as well as old trainees. During three years of collegiate competition he achieved an outstanding record of successes which included having defeated many Big Ten and Big Six gymnasts. Last year he won the plaque presented to the best all-around gymnast in the St. Louis International Gymnastic Tournament. In this tournament Rylander won first on the rings and horse, led first on the parallel bars, and placed second on the horizontal bar.

In the National A.A.U. Gymnastic championship competition held at Cleveland, Ohio in which he competed against the top gymnasts of all the United States, Rylander placed high on both side horse and rings. He also won the championship in the 145 pound division in wrestling last year.

In addition to his athletic activities, he was a member of Kappa Phi Kappa, honorary education fraternity, Sigma Beta Mu, social fraternity, and the "I" Club, and was voted one of the outstanding students on the campus.

Last summer, after enlisting in the army, Rylander was assigned to Camp Canby, Battery B, 57 Tng. B., San Diego, California. He is now undergoing his last training there preparatory to going into Officers' Training School.

BIG FAMILY TO CHEER

MILWAUKEE, Wis.—Probably no player on the Marquette University football team has a larger and more enthusiastic cheering section than Captain Bob Fritz. He's the idol of the youngsters at Milwaukee's famous St. Ambrose's orphanage, where he was raised until adopted by a local family.

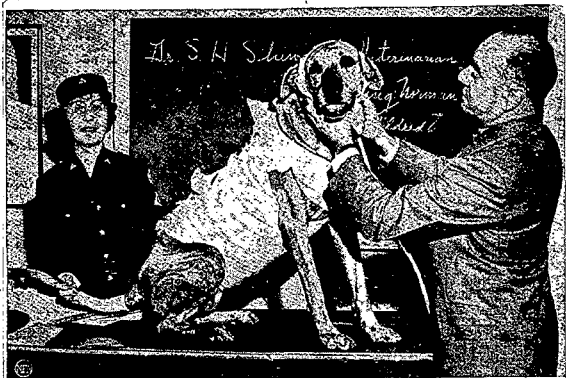

Hard-Simmons 34, Arizona 26
TUCSON, Ariz.—One-man mob Doc Muckley was the margin of the 34 to 26 victory for Hard-Simmons over the University of Arizona Wildcats. The free scoring contest less Hard-Simmons meant Texas Tech later this season to settle the Border Conference title race.

NEEDS NO REST
Gene Haas, 6 foot 2 inches, 210-pound center for the Gettysburg College grid team, is well on his way to setting an endurance record for steady playing this year. In three games played to date, Haas has had a total of 95 seconds rest.

Barlow to Conduct N. Y. Philharmonic
Howard Barlow, conductor of the Columbia Broadcasting Symphony, joins the roster of distinguished musicians who conduct the New York Philharmonic-Symphony Sunday concerts when he leads the century-old ensemble on the Sunday afternoon broadcasts of November 8 and 15 at 5 o'clock EWT.

Barlow, who recently celebrated his 15th anniversary with CBS, has conducted the Philharmonic-Symphony several times before at Lewiston Stadium, but this is his first assignment as director of the orchestra during the Winter season.

Others to be heard as conductors of the Philharmonic during the coming season include Fritz Walter, Dr. Arthur Rodzinski, Fritz Reiner, Dimitri Mitropoulos and John Barbirolli.

New Comedy Series Makes CBS Debut
A new comedy series entitled "Today at the Donaghy" makes its debut over Columbia network Monday, Nov. 2. The program is to be heard Mondays, Wednesdays and Fridays at 6:15 p.m. EWT.

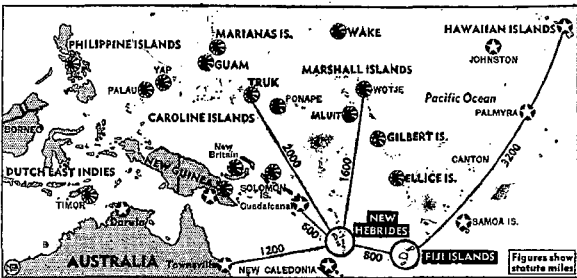

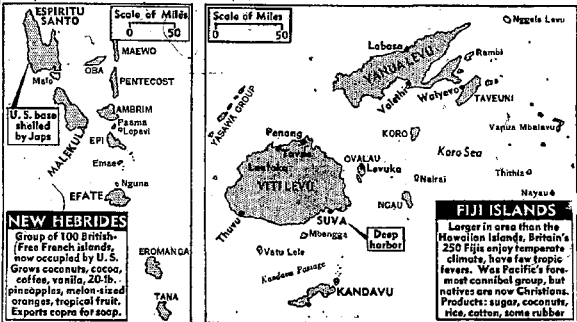

The center of the program's confusion is 16-year-old Dinky Duncan who can think up more stunts than a high-pressure salesman. He and his un-predictable papa keep Mother Duncan in a constant whirl on the new series.

The Fall of Monty Woolley
For the benefit of Monty Woolley fans, the popular bearded showman did not actually fall downstage on a recent CBS broadcast of the "Radio Reader's Digest." What listeners heard actually was a man falling downstairs—but not Woolley. It was the sound effects man.

Columbia's sound men are sticklers for realism in radio backgrounds. Thus on the same show, when Woolley tumbled off a bicycle as per script, the audience heard the jangling noise of an actual bicycle. The sound effects man had brought a bicycle into the studio and thrown it to the floor on cue.

FIO RITO TRIPLE THREAT OF MUSIC

Here is a "triple threat" man who doesn't run, pass or kick. Ted Fio Rito, who Thursday night will direct his orchestra on "The Victory Parade of Spotlight Bands" at 9:30, EWT, over the Blue Network, is a "triple threat" but in a musical way. He gained the title because he can play, compose, and conduct. Quite a bit to do at that.

Ted has been playing the piano since childhood, having made his professional debut in a nightclub in his home town, Newark, N. J. He was 16 years old. He joined the

ranks of the composers at the age of 17, when he sold two songs. At the time he was one of the youngest members of the American Society of Composers, Authors, and Publishers.

Following the first world war, Ted added to his accomplishments when he organized an orchestra. He followed the Greeley theory and immediately took his outfit West. He still makes his home in California, satisfied that old Horace had something in his suggestion of where to settle.

Flyer Always Needed
Ted Fio Rito, who will bring his orchestra to "The Victory Parade of Spotlight Bands" Thursday night at 9:30, EWT, over the Blue Network, is one of the most prolific composers in the nation. He always has at least three tunes on hand waiting lyrics.
