Unconfidential Information

If you've ever had a weekend you particularly read your hometown newspaper. While browsing through the local titles, you might notice a particular church publications that are among some of the most interesting. Our church publication is the "Poet's Corner," which contains various pieces about poetry and the arts.

The main article this week is a poem called "The Many," by Arnold. In it, the poet describes the many moods of a person's life and how they can change so quickly.

Unconfidential Information

Most authors agree that the mood of a person can be divided into different categories. Some people are "optimistic," while others are "pessimistic." In contrast, the mood of a person in the world can be categorized as "happy," "sad," or "neutral." This is often determined by the person's current circumstances.

One of the best ways to understand a person's mood is to look at their facial expressions. If a person is smiling, it is likely that they are happy. If a person is frowning, it is likely that they are sad. If a person is neutral, it is likely that they are neither happy nor sad.

Of course, there are many other ways to understand a person's mood. For example, you can look at their language or their body language. You can also look at their clothing or their hairstyle. All of these things can give you clues about a person's mood.

Unconfidential Information

The mood of a person can be influenced by many different things. Some of these things are the person's current circumstances, such as their job or their family. Other things are the person's personality, such as their optimism or their pessimism. Still other things are the person's culture, such as their religion or their politics.

MORRIS AND FAMILY ARRIVE AT ANNOTH HALL

Annot Hall, an annual tradition, is being observed this year with special attention paid to the Morris family. William W. Morris, President of Annot Hall, and his family are visiting the college on this occasion.

President Morris is scheduled to speak at a meeting of the faculty and students on Thursday evening. He will discuss the role of the college in modern society and the importance of education.

NORMAN'S FOOTBALL SQUAD WINS

Norman's Football Squad defeated State High School 12-0 to win the championship of the State High School Football League.

The game was held at the State High School Stadium, with a large crowd in attendance.

Coach Norman, who has been coaching the team for five years, said, "It's been an honor to coach these boys. They've worked hard and played well."
A new honor has been created for Prof. Els Gilbert Lentz, for his many years of the Northern family.

At the request of President Els W. Morris, the State Teachers College Board, to which Southern is responsible, approved Prof. Lentz's appointment as "University Professor," effective Nov. 1 of this year.

President Morris immediately congratulated Mr. Lentz, appointing him to the "University Professor" position, to correspond to that of the University of Illinois, and the State Teachers College Board, on the recommendation of the faculty of that institution.

Mr. Lentz has been a member of the faculty of the State Teachers College since 1892, and for the past nine years has been the principal of the Institute of Higher Education.

He is the third professor in the history of the State Teachers College, and the first to be given the title of "University Professor." He is also the second to be associated with the school for the past ten years.

The rank of University Professor is a new one, created by the faculty of the institute, which is a recognition of the work and services of Mr. Lentz for the past thirty-two years.

At the jubilee held on the University of Illinois for the 75th anniversary of its founding, Mr. Lentz was one of the honored guests.

"Fellowes, Mr. Lentz has many friends in Southern, and we all wish him many friends in the future," said President Morris.

Mr. Lentz has been a life-long teacher, and his influence is felt in every department of the State Teachers College.

He is a native of Southern, and was graduated from the State Teachers College in 1890.

His work at the college has been marked by a high standard of excellence, and he has been a valuable member of the faculty for many years.

The appointment of Mr. Lentz as University Professor was the result of the unanimous recommendation of the faculty of the State Teachers College.

The field of football players has been home to three herders from the same school. All three of them have been the best three herders in the nation for the past three years. If you want to see the best herd, head over to the Oklahoma Sooners. They have won the last two Intercollegiate Championships.
