FUNERAL FOR W. A. FURR HELD THIS MORNING

TENTATIVE S. I. T. C. GRADUATION LIST LESS THAN 1934

REV. MR. SAMUEL BURGESS TO GIVE BACCALAUREATE ADDRESS SUNDAY, JUNE 2

S. I. T. C. will confer degrees and certificates upon approximately one hundred and sixty students from the two and four year courses at the Commencement exercises June 7. Of this list, one hundred and four students will have completed the four year course, while the remaining fifty-eight will be graduated from the two year course. With the completion of the summer term in August, sixty additional students from both courses will receive degrees or certificates.

The Reverend Mr. Samuel J. Burgess, pastor of the local Christian church, will deliver the Baccalaureate address at the Shryock Auditorium, June 2. Musical numbers by the college orchestra and MacDowell club will complete the Baccalaureate program.

Following the activities of Senior week, the Commencement exercises will take place in the auditorium on Friday. The program, to be conducted in the simple manner which characterized last year's exercises, will consist for the most part of orchestral selections. The only address of the morning will be a short talk by J. D. Dill, member of the Normal School Board. Then the diplomas will be awarded.

A comparison with the figures of last year shows that about seventy more degrees and certificates were granted in 1934 than will be granted this session. Two hundred and ninety students were graduated at the 1934 exercises.

Joe Dillinger, a freshman, Joseph Sharkans, a sophomore, Hermann Bretsch, James Slichticky, and Oliver Karkkare, juniors, will serve as marshals. The five marshals are chosen from students having the highest averages above a 4.75 for the fall and winter terms of the college year.

Modern Problems Club to Hold Annual Banquet Next Week

Marking the close of activities of the Modern Problems club this year is the annual banquet which will be held next Tuesday at the Anna Hotel. Members who plan to attend are asked to purchase tickets from Virginia Spiller or J. Ward Barnes this week. The members will assemble in front of the Main Building at seven o'clock Tuesday evening. Arrangements are being completed this week for the program and speaker of the evening.

At the meeting last Thursday Dr. C. H. Cramer talked on the general topic of armaments, discussing both the Nye investigating committee and also the English investigating committee, which he said would be very ineffective because it cannot take testimony under oath.

In discussing the prominent figures in the munitions market he characterized Sir Basil Zaharoff as a super-salesman of death who once called the "sixth great power of the world", the others being England, Germany, France, Italy, and the United States. He is now a doddering old man who raises orchids in southern France, and who has, strangely enough, established a hospital for wounded soldiers in France.

Dr. Cramer described Krupp as an eccentric gentleman who wore wooden shoes, had a bathroom in his parlor, but who was a good armament maker. After discussing the different proposals to take the profits out of war, he closed with this statement, "The only way to cut excess profits successfully is to stay out of war."

MINTURN, STAGE VETERAN, AMUSED BY IMPROMPTU FURNITURE MISHAP

At the close of the first act of "Whistling in the Dark" Harry Minturn, veteran actor, leaned over a chair trying to fasten it together so that the arm wouldn't come off again as it had in the first act. "We've been tearing up your furniture," he mumbled in a deep and almost unintelligible voice. "It seems inclined to break down under strain, like some of the rest of us do at times."

Having finished his job, Mr. Minturn stood up, folded his arms, slowly closed one eye and without waiting for questions said, "I was born in Richmond, Virginia. I left the university to go to the theatre. I don't come from a theatre family, either—Just a stray as it were."

In answer to a question regarding his loss of the Golden Hayes and Tallulah Bankhead he replied, "I played with Hayes in 'Colonial Lady,' with Bankhead in 'Sleeping Partners.' Suggestive title, isn't it? Very clever little French farce."

Mr. Minturn has been in the Theatre League for only three weeks, but expects to remain at least until next fall.

81 STUDENTS WILL GET SCHOLASTIC HONOR LETTERS

Captain William McAndrew, chairman of the "Letters" committee, announces that eighty-one students will receive recognition for scholastic attainments this year. Departing from the usual custom, the committee will present awards only to those who have met the grade requirement and will leave the activity recognition in the hands of the organization.

These awards will be presented to students who have maintained an average of 4.5 or better during the fall and winter terms, and will consist of a small pin instead of the letter. The pin has a red bronze background with the white I and red S symbol. F. E. R. A. students, who carried only three subjects and attained the required average, will not be honored.

In addition to Captain McAndrew, are the following faculty members: Mr. F. G. Warren, Miss Frances D. Etheridge, Mrs. Julia Scott, Dr. Richard L. Beyer, Miss Mary Crawford, and Miss Julia Jones.

Following the usual custom the awards will be presented on the auditorium stage as a part of the commencement week activities.

The freshmen head the list with 27 receiving awards. The other classes follow with 21 seniors, 17 sophomores and 16 juniors on the list.

The names of those receiving awards, arranged by classes, are as follows:

Seniors: Anna Bauman, Margaret Ann Cummings, Gilbert Doolen, Mildred Foe, Jessie Gardner, Nedra Goggin, Allen Graves, Rodney Higgins, Virginia Hueting, Robert Jacobs, Allene McCord, Marie Louise Mollman, Frances Noel, Wendell Otey, Marianne Richards, Pauline Sheppard, Virginia Spiller, Esther Trandler, Elizabeth Ann West, Harry Wilson, Janet Wilson.

Juniors: Elnora Baumgardner, Herman Bretsch, Mary Isabelle Campbell, Edna Fivesch, Carol Fugate, Glenn Gregory, Clyde Henson, Oliver Karkkare, Florence Krughoff, Hoyr Lemons, Winifred Noonan, Lenora Kold, James Slichticky, Leaver Trapp, Robert Walker, Della Mae Williams.

Sophomores: Sarah Alwood, Mary Breckenridge, Pauline Fisher, Ruby Kimzey, Erna Knobloch, Lucille Lenhardt, Neva McClelland, Margaret Nelson, Hulda Rickenberg, Kathryn Rush, Jean Saba, Elnora Scarrino, Jo Sharkans, Winifred Stone, Ruth Tweddy, Jerome Weber, Mary Zimmerman.

Freshmen: Farns Block, Glen Brock, Margaret Cline, Irene

EIGHT COLLEGES SEND DELEGATES TO I.C.P.A. MEET

EGYPTIAN GAINS CONTEST HONORS IN THIRTEENTH ANNUAL CONFERENCE

Delegates from eight college publications of the Illinois College Press Association attended the thirteenth annual convention of the Association, held on this campus on Friday and Saturday. The colleges sending representatives were, in addition to Southern, Charleston, DeKalb, Augustana, Bradley, St. Victor, McMurray College for Women, and Illinois Wesleyan.

The eight firsts, three second, one third, and two honorable mentions were won by members of the Egyptian staff in the newspaper contest division of the conference. There were sixteen contest sections, and the S. I. T. C. paper was an entrant in fifteen of these sections.

Individual winners from the Egyptian staff were: Alexander Anne West, best interview; Robert Boyle, best humor column; Frances Noel, best play review. The Egyptian was also adjudged to have the best news department, the most improved editorial column, most improved business administration, and to have performed the most constructive service.

E. I. News Adjudged Best Paper of the Year. Two awards were won by the Charleston Teachers News for best newspaper of schools with more than 400 students; the College Greetings of McMurray College for best newspaper of schools with less than 400 students; Sam Bjorkman of Augustana, best sports story; Helen Smith of Old Normal, Summer Charter story; Alexander Summers, Charleston Teachers, best editorial; Bradley Tech, best editorial page; Webster Muck, Wheaton, best original advertisement; and Gib Swanson, Augustana, best general column.

The award of certificates for contest winners was made by R. R. Barlow, associate professor in the School of Journalism at the University of Illinois, as a luncheon served in Anthony hall Saturday noon. The reports of the resolutions and nominating committees were also made at the luncheon.

1936 Conference to Charleston. The convention next spring will be held at Eastern Illinois Teachers College. New officers for the Association will be: Alexander Summers, Charleston, president; Vernon Crane, Carbondale, vice president; and Vincent Kelly, Charleston, secretary-treasurer. The resolutions committee adopted the following resolution: "We believe in the ultimate educational benefits that accrue from the recognition of the right of college editors to publish constructive criticisms. We do not encourage purposeless and malicious comment."

No action was taken on the matter of forming a new national journalistic fraternity. A motion was made and carried for the creating a section at the 1936 meeting where representatives of existing fraternities may discuss common problems and exchange ideas. The convention was opened at 9 o'clock Friday morning with the general session led by Frances Noel, president of the association.

Bishop Addresses Delegates. Daniel Bishop, cartoonist for the St. Louis Star-Times, addressed the afternoon assembly on the subject, "The Development of the Cartoon in the Egyptian Times Through to the American Revolution." Mr. Bishop described the attempts at caricaturing in the Egyptian and Greek periods, during the Middle Ages and concluded with a summary of the pre-revolutionary period.

A. A. U. W. HOLDS MAY BREAKFAST. The A. A. U. W. had its annual May breakfast Sunday morning at the Delta Sigma sorority house. The members held a business session and elected officers for the coming year.

Notes By Fellow Faculty Members Tribute to Furr

Dr. Bruce Merwin, Supervisor of Student Teaching, in the death of Mr. Furr our college and more especially the Practice Department have experienced a great loss. He was very active in improving the practice work and in carrying on the business of the Southern Division of the State Teachers Association. His helpful and kindly contacts with fellow teachers, student teachers, and even the youngest pupils, made us all feel that he was our friend. We shall miss him.

Mary E. Entaminger, Critic of the School—Not only have I lost a close personal friend, but one whose advice and support has at all times been a source of inspiration. Mr. Furr always had the greatest confidence in the judgment of his teachers, and his cooperation has been beautiful. His interest and confidence was spontaneous, and his sympathy was an outstanding characteristic. The children as well as the teachers consider him a great loss.

Mr. Furr's contribution to the educational field has been a valuable one, and his place is one which will not be easily filled. By one of the training school teachers who has enjoyed the privilege of working with him for many happy years—in the passing of Mr. Furr the training school has lost a real friend; one who had high ideals for the school; one who loved the work from the least detail to the finished product; one who cared for the youngest child in the primary to the oldest one in the high school. He had helpful suggestion, cheery word, and a smile for everyone. We feel that our loss is indeed great.

Mr. W. O. Brown—I first became acquainted with Mr. Furr by correspondence regarding teachers' institute work while I was county superintendent of schools. At that time he ranked among the best institute instructors in Illinois and his services were eagerly sought. He was then superintendent of schools of the Allyn building. I was never able to secure his services, because his available time was always taken up. We became intimately acquainted soon after I came to Carbondale in 1914. It is there in one word which better described him than any other, I would say it is sincerity. No one ever accused him of anything bordering on inconsistency or deceit. If he ever entertained an unworthy or indecent thought, I never heard of its expression. "As a man thinketh, so is he." Mr. Furr's thoughts as expressed in his speech and behavior were ever on the purest and highest plane.

Indeed something has gone from the sunlight when I cannot go to his office in the Allyn building and engage in a mentally helpful and sympathetic discussion of his problems and mine.

W. C. Cline, superintendent of Brush School, the Teachers' College has lost a great friend. We will miss his inspiring presence and his optimistic leadership. Personally, I owe him a great debt of gratitude for his whole hearted friendship and his kindly counsel during my service with him at the Allyn building.

S. I. T. C. FACULTY MEMBERS REELECTED AS SECTIONAL CHAIRMEN AT SCIENCE MEET

At the Illinois State Academy of Science, held at Bloomington May 3 and 4, F. W. Cox of the Geography Department and Dr. O. B. Young of the Physics Department of S. I. T. C. were reelected as chairmen of their respective sections for the ensuing year.

ALLYN TRAINING SCHOOL HEAD DIES MONDAY MORNING

VICTIM OF PNEUMONIA; HAD BEEN ILL LESS THAN WEEK

Funeral services for the late William A. Furr, Superintendent of Allyn Training School, who died at his home Monday morning, were held at 10 o'clock this morning at the Presbyterian church. The Reverend Mr. C. N. Sharpe delivered the sermon. Interment was in Oakland cemetery.

Mr. Furr, who was seventy-one years old, was the victim of pneumonia, which set in last Wednesday following a slight cold.

Funeral services at the funeral were Captain William McAndrew, Ted R. Ragsdale, F. G. Warren, R. E. Muckleroy, S. E. Boomer, and W. C. Cline, all members of the S. I. T. C. faculty.

Members of the Junior High teaching staff and Mrs. Ted Ragsdale were flower bearers.

The deceased is survived by his widow, Mrs. Lucy Furr, of his home, and by five children, Betty Furr, of Harrisburg; Mrs. Leland P. Lingle, Carbondale; Mrs. Dan L. Clark, Ashland; Homer Furr, Oskaloosa, Iowa; and Paul Furr, Delkai. Also surviving are two half brothers, Ira and Frank Furr, and a half sister, Mrs. Thomas Rayburn, all of Attica, Indiana.

Oxygen Tent Fails. Although Mr. Furr had suffered last week from a cold, his condition was not considered serious, and he continued his duties until Wednesday when he was forced to his bed. Pneumonia developed, but he held his own until the crisis Sunday night, which he failed to withstand. Dr. J. W. Barrow, of Carbondale, attending physicians, used an oxygen tent on the patient during the night, but the veteran educator weakened and quietly succumbed at 8:20 Monday morning.

All college classes and activities were suspended for the day.

Born On Indiana Farm. William A. Furr was born October 2, 1864, on a farm near Mellott, Indiana. His education was obtained in the local country schools, and at the Indiana State Normal and Indiana University. He received his A. B. and A. M. degrees from the latter institution.

For a period of over forty years, Mr. Furr taught in various schools in Indiana and Illinois. After his graduation he taught for a few years in country schools, and then accepted a position as superintendent of schools at Veversburg, Indiana, where he served four years. His next position was a six-year superintendency of the schools at Ottawa, after which he served for eight years as superintendent of the Jacksonville schools. He then returned two years at Illinois College.

In 1913 Mr. Furr became superintendent of the Allyn Training School and was serving his twenty-second year in that capacity. During his many years here Mr. Furr contributed many valuable educational improvements in the training school. He created a new course for the training of student teachers and added additional courses of study to the curriculum. He was the author of a text-book, "Methods in Language and Grammar," and at the time of his death was preparing another book on the methods of teaching history. During the last two years, he took an active part in the Southern Illinois Teachers' Association and was chairman of that organization.

IN MEMORIAM

Four weeks ago the late Mr. Furr paid tribute in the Egyptian to President Shryock, using the following quotation of Mr. Shryock's to illustrate his great tolerance and faith, "Whatever plans you have, Mr. Furr, you carry out to the minutest detail, and I shall stand by you in every case."

And together they had stood, shoulder to shoulder, facing the problems of their work. After twenty-two years' death separated them. After four weeks, death reunited them.

Together again they now stand, those great men and able educators, the lieutenant gone to join his general.

As had Mr. Shryock, the kindly Allyn School superintendent had devoted his life to educational work. His sincere interest had been in the educational uplift of American youth. His part in the scheme was capably handled, as a workman, his life is to be praised, and his work is to be remembered.

We sincerely express to the bereaved family the sympathy of the Egyptian and of the entire college.

LET'S IMPROVE TENNIS FACILITIES

The game of tennis is fast becoming one of the most popular spring sports on the campus. In the absence of varsity baseball, it vies with track as the major sport. This year some forty aspirants for the varsity team reported to Dr. C. E. Tenney, and the squad selected from this group has won its first matches handily. Interest in the game seems greater than ever before—every afternoon the courts are crowded. This is all very gratifying.

Unfortunately there is an incongruity in the set-up. The school is lacking sadly in quality and quantity of equipment. The present courts are becoming much worn. During the match with Cape, the varsity players expressed dissatisfaction with the condition of the courts, and our own players admitted frankly that they were in poor shape. Until the meet with Cape, the nets in use were very inferior. Furthermore, there are not enough courts to meet the demands of the increasing number of players.

We are told that dissatisfaction with his lot has been the cause of man's progress. Perhaps expressed opinion with the status of the present tennis equipment will attract attention and lead to action in the matter. The school furnishes the best equipment for the other major sports—let's boost for more and better tennis courts.

THE SHRYOCK MEMORIAL

Noteworthy interest has already been aroused in the erection of a permanent memorial to the late beloved president, Henry W. Shryock. Doubtless you have heard it mentioned about the campus. By this time it has been brought up in the School Council meeting by different members of the faculty. Townspeople have suggested at various times a memorial of some sort. The senior class has made definite plans for the presentation of a plaque to the institution. This is not enough, however; there might well be another tribute, conferred by both the school and the town, paid the honorable man who devoted his life to them.

It is entirely fitting that this should be done. President Shryock was a part of the school, a vital part that will not be easily replaced. The school was his life, and under his capable direction, S. I. T. C. gained the greater part of her size and efficiency. During his presidency, she underwent an unprecedented rise in scholarship, ranking, and enrollment. And he was a faithful and devoted servant to the last. President Shryock was greatly respected and admired by all who knew him. His friendly concern, his amazing foresight, and his magnanimity were the delight of everyone. Surely a personality as great as his could not be properly honored with only the ordinary; it is worthy of the finest we can offer.

Several subjects for the memorial have been suggested and have had desultory boosting. These include a reading room or recreation hall, a memorial tower or student retreat, the proposed stadium, a more elaborate student dining cafeteria, and a new fountain. Whatever the ultimate edifice may be, and it need not be one of these, it should be a worthy reminder of the man whose name it bears.

The idea itself is still in a premature period of growth, and it will require a great deal of backing to reach the desired goal. However, we are sure, that every member of the college, and everyone who reads this will be wholeheartedly in favor of the plan. Therefore, a uniform movement in the right direction should achieve the desired results.

Fortune smiles these days on Berdena Faner: She seems to be in full possession of a big butter and egg man from Christopher, and she has had an offer to sing in a radio station . . . not a big station to be sure, but a station. Her sister Elsie is accounted by to be especially favored in having the attentions of the inimitable Tex Crowe—as to that, dear readers, you may form your own opinions.

Wilfred Brown, ladies and gentlemen, has been there and back. Whilst out driving in the park behind a CCC camp in the company of a girl, his cousin, and his cousin's girl, his car got mired up and it took the whole company of CCC boys to pull them out. That's his story and he was stuck with it . . .

An exciting battle is being waged on Normal these days with the faculty members placing bets pro and con. . . The thing is that Dr. V. L. Peacock is losing weight steadily, much to her pleasant surprise and Miss Smith's chagrin. Miss Smith is deathly afraid that Miss Peacock will be down with her if this keeps up. . . odds are said to be slightly in Dr. Peacock's favor. . .

Carnival Flashes—Zenith Sitter saying, "Shucks, those hoed dancers aren't so hot. . . I could do better than that!" Maxine Winters whining to Stonewall, "Aw, honey, don't take all my fluffy stuff."

The alarm clock bells, they shout and nag,
 I don't know how I stand 'em.
 The first hour bells too early ring;
 I should really reprimand 'em.
 The lunch bells never ring too soon,
 (I'm always starving long fore noon),
 But when they ring their merry tune,
 Praise I always hand 'em.
 —Gesundheit.

Buck Franks and Helen Hays seem to be going for each other, as a matter of fact, it's been going on for some time, but I haven't mentioned it because I could scarcely believe my own eyes. . . there doesn't seem to be much doubt about it now, though. . . And Mabel Silkwood, I'll confess, puzzles me. . . I can't for the life of me see whether she and the split up, are going to split up, never will split up, or what. . . I do know she's been dating Jim Gray from Zeigler once in a while and went to hear Ted Weems with him. . .

I honestly hate to drag Joe Cruise into this again; he's getting more publicity now than he deserves, but he cornered me in the Cafe the other day and attempted to set me straight on the Vivian Knight business. . . he said that I was all wet, Vivian's boy friend was all wet, Eagleback was all wet, Genevieve Douglas was all wet, and he could go with Vivian any time he wanted to, but she was all wet. . . and for proof of his being able to go with her he showed me her class ring which she had given him.

Faculty News

Robert D. Faner talked to the Carbondale Woman's club Monday on "Intelligibility in Contemporary Literature."
 Dean Lucy K. Woody and Miss Elizabeth Cox motored to St. Louis Saturday to see the Abbey Theatre Players at the American theatre.
 Miss Gladys Williams attended the exhibition of Artists' Guild in St. Louis last week-end.
 Mrs. Dorothy Muzey will be unable to teach her physical education classes the remainder of this term because of an operation last Tuesday.
 Miss Emma L. Bowyer and Miss Martha Scott entertained seven members of the faculty Monday afternoon at a theatre party.
 Edward V. Miles, Jr. was confined to his home several days last week because of illness.

COMMITTEE WILL CONSIDER S.I.T.C. PRESIDENT CHOICE

NORMAL BOARD WILL PROBABLY APPOINT GROUP IN TODAY'S MEETING

At a meeting of the Normal School Board today in Springfield, a committee will, in all probability, be appointed to study the applications for the position of president of S. I. T. C. At some future date the committee will present its recommendations to the Board. It is considered unlikely that any further action will be taken at today's meeting.

Nearly seventy-five candidates have filed applications with J. D. Hill, local board member, for the post made vacant by the death of H. W. Shryock.

Tonight the budget committee of the Board will go before the State Legislature Appropriations Committee to make a report on the Normal School Budget. Mr. Hill is chairman of the budget committee.

Dean G. D. Wham, acting head of S. I. T. C., Edward V. Miles, Jr., business manager, and Mr. Hill are attending the Springfield meeting. Presidents and business administrators of other state-supported schools are also in attendance.

College operating expenses for S. I. T. C. will be presented in the budget tonight.

WITH THE GREEKS

DELTA SIGMA EPSILON
 Eloise Wright, Georgette McCormick, Betty Vick, Mary Eleanor Wright, and Mabel Silkwood spent the weekend visiting friends in Champaign. During their stay, the girls attended the Sigma Mu, Delta Chi, and Delta Delta Delta formal.

SIGMA SIGMA SIGMA
 Founders' Day was observed by the Tri Sigma sorority at a banquet given at the Roberts Hotel Friday evening. The mothers were entertained at this annual affair. Under the banquet, the Alumnae Club gave a dance at the Midland Hills Country Club.

Jane Kirsch of Benton and Miss Mildred Smith of West Frankfort re-entered college mid-spring term and are living at the house.

Jane Federer was installed as sorority president for the coming year Sunday evening. Other officers are Mary Lawrence, vice-president; Vivian Fawcett, secretary; Eula Mae Williams, corresponding secretary; Barbara Jane Scott, treasurer.

CHI DELTA CHI

Members of the Chi Delta Chi fraternity will give an informal sports dance Friday evening to take the place of the customary spring formal. The music will be furnished by Vincent Genovaese and his orchestra of sophomores. Plans for the dance are under the direction of the dance committee consisting of chairman, Harold Green; Stan Layman; and Everett Mitchell.

KAPPA DELTA ALPHA

Kappa Delta Alpha formally initiated eight pledges into the organization Thursday night. The members are Ernest Brashear, Harrisburg; Paul Tickey, Carbondale; Thomas Dikey, Fairfield; Dale Hill, Fairfield; J. Fred Crouch, Sesser; Owen Beckmeyer, Irvington; Henry Firebaugh, Mt. Vernon; George Lund, Sparta.

Jasper Crow of Carbondale was formally pledged Monday night.

Anthony Hall

Fifty couples attended the annual formal given at Anthony Hall last Friday evening. The Coleman and Little orchestra played.

At the intermission a floor show featuring the dancing of Pat Travis and Martha Jane Chapman of Herrin, and Eddie Gene and Patty Jo Watson of Carbondale was given.

Chaperons for the dance were Dr. and Mrs. C. H. Cramer and Mr. and Mrs. Ted Ragsdale. Miss Sara Baker, head of Anthony Hall, acted as hostess.

Miss Theresa Boyd played a program of violin solos before the Lions' club of Carbondale at its meeting last Friday.

REFLECTIONS

BY F. S.

I've at last Figured out,
 To the dot,
 Without a doubt,
 Why that walk,
 Along the hill,
 The hill that
 Runs from Grand
 To Mill
 Is always
 On the bum.
 On the bum.

For when the gals
 For home do run,
 "Sigma Sigs" and
 "Epsilon,"
 At 9:30 by the
 Clock,
 To grasp
 That door before:
 "Is locked?"
 Do they ever
 Know that walk
 Just as though
 It were made
 Of chalk,
 Of chalk,
 Poor walk!

"What is the A.A.U.W.?"
 "Why, I thought they
 Stopped the
 Relief!"

From the way
 Historians and
 Others portray our
 Forefathers
 Plodding through
 Mud and mire
 For miles and
 Miles.

In order that
 They could attend

Freshman-Junior Debate to Decide Forensic Title

In the second round of the debate tournament held yesterday afternoon in Zetetic hall, Lucille Hiller and Charles Mathews, sophomores, upheld the affirmative against Evelyn Miller and John Stansfield, the junior representatives, who attacked the question of federal aid to College students.

The final debate of the forensic event will be held next Monday night in Zetetic hall. The juniors, Miss Miller and Mr. Stansfield, will clash with the crack negative freshman team composed of Edward Kelsey and Allen Buchanan. This debate will determine the winning class.

Last week the freshmen won over the sophomores by a 2-1 decision. The affirmative team maintained that students are deserving of the federal aid, while the negative attacked the proposition. The judges who rendered the decisions were: Miss Aileen Carpenter, Miss Frances Barbour, and Dr. O. B. Young.

Socratic Society to See One-Act Play At Meeting Tonight

"The Quiet Family", a one-act play directed by Musette Cary will be presented to the Socratic Society tonight. The characters are Barn Bibbs, John Straub; Ben Bibbs, John Hagley; Mrs. Barn Bibbs, Vada Taylor; Mrs. Ben Bibbs, Lorraine Jenke; Peter Bil, Roscoe Peithman; Grumpy, Vernon Hicks, Snarley, Elva Peithman; Selina, Oma Lee Plaster.

Other numbers consist of a reading by Jane Anderson, a duet by Jane Burns and Jerry Morgan, and a talk by Bernadine Christner.

Last week W. L. Randall gave an interesting talk on the C. C. C. camps located at Pamona and Alto Pass. Paul Reeder presented several ensemble numbers, featuring Ruth Hicks, soprano soloist.

WHISTLING IN THE DARK WELL LIKED BY FAIR AUDIENCE

A capable road show cast played "Whistling in the Dark," a three act comedy drama, by Laurence Grass and Edward Childs Carpenter to an enthusiastic audience of 500 Monday night in Shryock Auditorium. "Whistling in the Dark," was brought to S. I. T. C. by the local branch of A. A. U. W.

The production was delayed some thirty or forty minutes from the announced curtain time 8 o'clock because the scenery trucks were mired in Tennessee mud and didn't arrive in Carbondale until 7 o'clock.

Harry Minturn, Broadway veteran, carried the lead role of Jacob Dillon, gang leader seeking vengeance on a high authority, while Robert Pollard, also with extensive big time experience, played the part of the crime novelist, who is forced to construct a workable plot, with his life and that of his fiancee as the price of failure. Gullyn Hickman, as Toby Van Buren, practical daughter of wealth, supplied the romantic interest.

Others in the cast were Earl Jamison, M. Jay Romano, Don Carlos, Albert Lawrence, Arthur Ott, Charles Ellis, and Cleone Harber.

When the play finally started, the spectators forgot their restlessness in following the unfolding of the hilarious plot. Laughs were numerous throughout, and the ingenuousness of the dramatic structure caused favorable comment from observers.

Faner to Address Zetetic Society

Robert D. Faner, faculty sponsor of the Zetetic society, will speak at the meeting tonight on the subject, "Intelligibility in Contemporary Literature." Other numbers on the program will be a vocal solo by Berdena Faner and a piano duet by Louise Waddell and Jean Rose Felts.

At the first meeting Jasper Cross, John Mings and Dick Baggett were voted into the society. On the program were Martha Howells, who gave a reading, and John Stansfield, who spoke on the fallacies of several solutions to current economic problems. A list of names to be placed on the Zetetic honor roll was submitted by the committee.

TEN YEARS AGO AT S. I. T. C.

Dr. Caldwell opened the observance of Health Week with an address in Zetetic hall.

The Y. W. C. A. held a winter roast at Midway Park.

The Zetetic society was rehearsing "Icebound", the Pulitzer prize play for 1921, for presentation as its spring play. Miss Trovillion was director.

Epsilon Beta gave a very successful dance. The chaperons were Miss Winter, Miss Herron, and Mr. McAndrew.

Marvin Owen was elected president of the Illinois College Press Association. Burtis Trees was elected secretary-treasurer.

SOUTHERN TO SEEK STATE TEACHERS TITLE SATURDAY

IN EIGHTH ANNUAL MEET, LINGLEMEN AFTER CROWN, LAST YEAR

The Southern track and field team, whose reign of five years as champions of the Teachers College meet was ruined last year by Old Normal, will attempt to regain its lost laurels in the eighth annual Teachers College meet which is to be held at Old Normal, Saturday.

Last year, due mostly to Southern's weakness in the runs, the upstate Normal thirdeater won with Southern's second, DeKalb third, Macomb fourth, and Charleston fifth.

Going mostly on the showings made by the Teachers Colleges in the Little Nineteen indoor meet, Old Normal seems to have the edge and should repeat with another championship this spring. In the list of individual champions returning to the meet, Old Normal leads with Gores, double winner of the 100 and 220, Carr, who set a new Teachers meet record in the pole vault last spring with a vault of 12 feet, Barton, 120 high hurdles champion, and Forbes, half mile title holder.

In the 100 yard dash, Gores, the defending champion, will have his hands full in defeating Payton of Southern, and Trakas and Nori of DeKalb. All four of these sprinters are capable of running the century around ten flat which should mean a blanket finish among these contestants Saturday.

Coming from Macomb, Coach Hansen will bring along a halfway, a rough 440 man in any conference, Conklin, a pole vaulter, Coon, a two miler, and Waters, a javelin thrower. Galloway finished third in the quarter last year and Conklin tied for third in the pole vault. Coon and Waters garnered fourth in each of their events.

DeKalb will bring Nori, Hein, Trakas, Cowan, Beals, and Bursaw, who all placed last year in their events.

Charleston, which scored only nine points last year, may not do much better Saturday, as the Eastern outfit is not strong this spring.

The only Panther athlete expected to star is Holmes, a high jumper. He leaped higher than six feet in high school last year.

Coach Leland Lingle of Southern will take along the same group of Maroons that have been competing all spring. Payton, Hill, Heiderscheid, Trapp, Buckner, Odum, Parsons, Grisko, Kuehn, Piper, Newton, Crisp, and Parednis will probably make the trip to compete in the cinder events. In the field contests, S. I. T. C. will be represented by Bauder, North, Tullis, Lawson, Chenoweth, Emery, Aiken, Reeves, Geage, and Kerley, in addition to some of the above named who double in track and field work.

Meddlers Overcome I Tappa Keg Nine, 3-2 On Hit By Torrens

The feature baseball game of last week between the I Tappa Kegs and the Meddlers ended 3-2 with the Meddlers on top. The scoring was opened in the last half of the first with runs by Tweedy and Hinkley. The Kegs tied the score if their half of the second when Geiger followed Mills across the plate. From there on the two teams played tight baseball until Westwood came home on a two-bagger in the eighth.

The other games in the College Baseball league were won by rather lopsided scores, the score of 8-4 in the Rambler-Flashes contest in which the Ramblers were victorious, being the closest. Buckner, pitching for the winners was a feature of the game. He had eleven strikeouts. Another game which was distinctive was the one between the Flyers and the Flyers.

The Monkeys played around with the University High and came out on the long end of a 1-1 score. Arbieter, the star Monkeys pitcher, yielding only four hits.

VALUE OF CRISP AND PAYTON SHOWN BY RESULTS OF TWO SOUTHERN-CAPE DUAL MEETS

Comparative scores for the two 1938 track meetings between the Cape Indians of Abe Stuber and the S. I. T. C. Maroons of Leland Lingle show pointedly the great value to the latter's team of John "Twister" Crisp and Eugene Payton. The two dusky flashies did not compete at Cape Girardeau, where Southern dropped its second dual meet in seven years, 44 1-26 1-2. Last Tuesday it was a different story. Between them, Payton and Crisp accounted for twenty points.

Chi Delts-Monkeys K. D. A.'s Ramblers Meet Tomorrow

Feature games in the College Baseball League will be played tomorrow with the Kappa-Delta Tappers and the Ramblers battling and the Chi Delts pitted against the Monkeys.

The Kappa Delts have defeated the Hunky Doris and Ethernott Tigers while the Ramblers boosted their stock by defeating the Flashes after having previously lost two games. The Kappa Delts pin most of their hopes on the slugging of Louie Bertoni and the pitching of Gene Hall and Bob McCloskey, while the Ramblers are banking on Buckner, who struck out twelve men in their defeat of the Flashes.

The Monkeys are the leading team in the league with four wins. They have great hitting power in their attack, which is led by Dallas Young and Welby Shafer. Arbieter, Monkeys pitcher, has struck out twenty-five batsmen in three contests and has never been in trouble this season. The Chi Delts are led in batting by Guiney, while their pitching duties are divided by Guiney and Jim Gray.

The I Tappa Kegs-Wet City Flashes contest will bring together the two lowest standing members of the league in a struggle for undisputed equal possession. The Y. M. C. A.-U. High battle matches teams of equal record and should be a toss-up.

THIS WEEK'S SCHEDULE

Wednesday, Old Field, Y. M. C. A. vs. University High; New Field, Wet City Flashes vs. I Tappa Kegs. Thursday, Old Field, Kappa Delta Alpha vs. Ramblers; New Field, Chi Delts Chi vs. Monkeys.

ELEVEN SCHOOLS IN SIXTH ANNUAL S.I.T.C. PLAY-DAY

Eleven high schools of Southern Illinois sent groups of eight girls and sponsors to the sixth annual Play-Day held here Saturday. In spite of the inclement weather, which necessitated holding the events in the gymnasium, the enthusiasm of those attending and the skillful handling of all the aspects of the program by the general chairman, Mary Frances Moore, and the various committees, made the affair a success.

Towns represented were Valer, Zeigler, Herrin, Harrisburg, Elkville, Elizabethtown, Centralia, Murphysboro, West Frankfort, McLeansboro, and Carbondale.

MCKENDREE DROPS RAINY DUAL MEET TO S. I. T. C., 27-99

MARoons WIN EVERY FIRST PLACE AND SCORE SLAMS IN FIVE EVENTS

In a downpour of rain that made the track look like a sea, the Southern track and field thirdeater outswam and outplashed the McKendree tracksters here Saturday afternoon by the score of 99-27.

The marks made in each event were considered good, even though the rain came down in torrents during the evening meet. Southern jumped into the lead at the very beginning and never relinquished the advantage. The Maroons were so superior that the Bearcats were unable to win a first place. Grand slams were scored by the Linglemen in the pole vault, javelin, two mile run, 880 yard dash, and broad jump.

The results are as follows: Javelin—Aiken, S.; Kerley, S.; Tullis, S. Distance, 151 feet. Discus—Bauder, S.; Gruchalla, McK.; Emery, S. Distance, 123 feet 5 1-2 inches. Shot put—Bauder, S.; Daniels, McK.; Gruchalla, McK. Distance, 40 feet, 1-2 inch.

Pole vault—Lawson, S.; Tullis, S. and Chenoweth, S., tied for first. Height, 10 feet.

Broad jump—Hill, S.; Crisp, S., and Payton, S., tied for first. Distance, 22 feet, 2 inches.

High jump—Reeves, S.; Aiken, S., and Bise, McK., tied for second. Height, 5 feet, 4 inches.

100 yard dash—Payton, S.; Manwaring, McK.; Hill, S. Time 10.4.

220 yard dash—Payton, S.; Manwaring, McK.; Tripp, S. Time, 22.9.

440 yard dash—Heiderscheid, S.; Sampson, McK.; Odum, S. Time, 54.6.

880 yard dash—Parsons, S.; Piper, S.; Kuehn, S. Time, 2:10.7.

1 mile run—Figer, S.; Carothers, McK.; Grisko, S. Time, 4:47.7.

Two mile run—Warford, S.; Newton, S.; Franks, S. Time, 11:11.

120 yard high hurdles—Crisp, S.; Sanders, McK.; Parednis, S. Time, 16.7.

Track Personalities

MORRIS HEIDERSCHIED

Football letterman and veteran 440 yard runner, Morris Heiderscheid has proved a valuable asset to the track squad this year, by virtue of his consistent scoring. He also fills the position of anchor man on the mile relay quartet. The Jerseyville star stands two inches over six feet and weighs 182 pounds. Heiderscheid scored 20 1/2 points last year and had an unusual mark of 50.6 seconds in placing third in his quarter mile heat at the Little Nineteen meet last year. The mark, had it been made on a winning run, would have broken the college record.

Southern Sweeps Broad Jump Event To Beat Cape 67-64

In one of the closest meets in years, the Southern track and field team defeated Cape Girardeau on the S. I. T. C. athletic field last Tuesday afternoon, by the narrow margin of three points. The final score was 67-64.

By virtue of this victory the Maroons kept their record clean 0-0 not having lost a dual meet at home in the last seven years.

Both the Maroons and the Indians got off to a fast start in the number of points scored and before the last two events, the broad jump and mile relay, the Lingle men were only a few points ahead. The Maroons won the meet when they placed one, two, and three in the broad jump. The Indians, usually strong in this event, were weakened because Bona and Nieman, both good jumpers, were unable to compete.

Payton was high point man of the meet with 12 points. Twister Crisp broke his own dual meet record in the 120 high hurdles when he ran the barriers in 16.0.

The results of the meet: 100—Payton, S.; Mastellar, C.; Hill, S. Time, 10.3.

220—Payton, S.; Grisko, S.; Ferguson, C. Time, 4:42.3.

Shot—Bauder, S.; North, S.; Edmundson, S. Distance, 41 ft. 1 in.

120 high hurdles—Crisp, S.; Kinn, C. Time, 22.7.

120 high hurdles—Crisp, S.; McLane, C.; Hubbard, C. (new record) Time, 15.6.

Pole vault—Obersmuller, C.; Hardcastle, C. and Schumaker, C., tied for second and third. Height 11 ft. 7 in.

440 yard—Kinn, C.; Heiderscheid, S.; Hall, C. Time, 51.1.

Discus—Bauder, S.; Hubbard, C.; North, S. Distance, 123 ft. 11 in.

Two mile—Ferguson, C.; Newton, S.; Warford, S. Time, 10:28.7.

Javelin—Aiken, S.; Kerley, S.; Tullis, S. Distance 162 ft., 7 in.

220 low hurdles—McLane, C.; Mastellar, C.; Payton, S. Time, 24.6 (new record.)

SOUTHERN TENNIS TEAM TO ENTER DISTRICT MEET

ENGLAND, FAVREAU WILL PLAY SINGLES AT JACKSONVILLE MEET

The annual Little Nineteen district tennis meet will be held at Illinois College, Jacksonville on Saturday, May 11. Carbondale McKendree, Shurtieff, Illinois College, and Carthage are the five colleges eligible for competition. However, Illinois College and Carbondale were the solo contenders last year, Carbondale qualifying one doubles team and one singles player for the State tournament.

The entries from any one college are limited to two doubles teams and two singles men. England and Favreau, with Spear as an alternate, will be the S. I. T. C. singles representatives, while the two doubles combinations will be chosen from the following six men: England, Favreau, Fulkerson, Lucas, Spear and Hall.

The winner and the runner up of each section go to the State tournament which will be held at Bradley Tech, Peoria, Saturday May 18. The Illinois College racket swingers are the only team that give coach Tenney's men much concern, and unless they have a much improved personnel over their 1934 aggregation, the Maroon court squad should place entries in both divisions of the state meet.

The next match for the Southern Teachers will probably be an engagement with the Herrin city tennis team. No date has been announced.

880 yard—White, C.; Parsons, S.; McDonald, C. Time, 2:04.3.

High jump—Goddard, C.; Reeves, S. and Ard, C., tied for second. Height 5 ft. 9 3/4 in.

Broad jump—Hill, S.; Crisp, S.; Payton, S. Distance, 22 ft. 5 1/2 in.

Relay—Cape (Dalton, White, McDonald, Kinn.)

Ingenious Walking Doll Latest Invention of Louis C. Peterson

One of the latest creations in the Industrial Arts department is a unique toy invented by Mr. L. C. Peterson. He calls this new toy a "shimmy walker" because of its waddling, waddling, skipping, shimmying walk while moving down a slightly inclined plane. It is made almost entirely of wood, with only a few brads, a small metal pin, and a bright finish. The name "shimmy walker" is not to be confused with that of "Jimmy Walker," ex-mayor of New York, although the analogy is in their dress as well as in the sound

of their names. The "shimmy walker" is a dapper fellow in long topcoat and he carries himself on his warped shoes of ample size in a well balanced and stable manner. The strutting gait of the ingenious "shimmy walker" give him the air of a leisurely gentleman of the late Victorian era. The secret of the life-like manner in which he walks depends upon the precision of shaping the warped plane that forms the sole of his shoe. Mr. Peterson has added the plans for this new toy to his already large compilation of original plans.

Latest Mid-Spring Term Enrollments Total 250 Students

Sixteen hundred and thirteen students are now enrolled in S. I. T. C. Monday noon, the mid-spring registration totaled two hundred and fifty. This is an increase of fifteen over last year's enrollment, which was 235, and an increase of eighteen over the 1933 enrollment.

Dean G. D. Wham, acting president of the school declared that enrollment for full time college work would be ended Monday, May 6, and those wishing to enter school later would only be allowed to carry one course.

Four teachers will take up their duties at S. I. T. C. tomorrow in the mid-spring term classes.

These teachers are now stationed in rural district schools as supervisory teachers under the direction of W. O. Brown. Their rural schools will be dismissed for the summer vacation today and they will start teaching on the campus immediately.

The new teachers will be placed in history, geography, and economics classes. They are Troy L. Stearns, Miss Gladys Smith, Emerson Hall, and Ward Dillow.

STRUT AND FRET MEMBERS ATTEND MONDAY MATINEE

Miss Julia Jonah entertained the members of Strut and Fret at a theatre party Monday afternoon. They saw the matinee performance of the company brought here under the auspices of the A. A. U. W.

The Little Theatre presented "The Pot-Boiler" and "He, She, and It" before the Illinois College Press Association Saturday morning. The characters for "He, She, and It", a one-act comedy, were Marjorie Brown and Henry Hitt. The cast for the "Pot-Boiler" consisted of Henry Hitt, Ernest Brashear, Katherine Seibert, Lois Keller, Wesley Bovinet, Edward Mitchell, and Arnold Thomas. These plays were previously presented before the A. A. U. W. and Cartersville High School in the winter term.

Elmore Matinee Pleases Audience

After convincing her audience in a musical prelude that "weather doesn't matter," Lucille Elmore, featured matinee artist of the Players League, began an hour and a quarter of sparkling, colorful matinee entertainment last Monday beginning at 3 o'clock. Miss Elmore was accompanied on the piano and assisted in her numbers by David Hartley.

S. I. T. C. audiences have not often watched a program so varied, so broad in its scope, and so his well-known "Is everybody happy-Elmore's versatile talents presented an imitation of Ted Lewis with py" along with a song and venerated-popular Childhood School triologist skit illustrative of the Gross and Edward Childs Carpenter, a violin imitation of a melodian, and dance routine portraying Grandmother's Days. Also Miss Elmore gave a humorous depiction of the Gay Nineties by the means of song and dance, a swift variation into a popular modern pastime, and a caricature of a Deacon's Sermon, not to mention a colorful trip around the world.

The last attraction involved a visit to Holland, China, Ireland, Mexico, and back to the United States, with Mr. Hartley at the piano playing "Sailing," "Dance of the Wooden Shoes," "China Town" and other familiar selections as a background for Miss Elmore's interpretations. The costumes Miss Elmore wore throughout the entire review were cleverly and unusually attractive.

EIGHT COLLEGES SEND DELEGATES TO I. C. P. A.

(Continued From Page One)

one of the faculty advisers of the Egyptian, opened the Saturday morning session. Dr. Beyer told of the early attempts at college journalism in Southern Illinois, going as far back as the first McKendree College paper of 1817. Following the morning session of the various groups, the journalists were entertained by two Strut and Fret Little Theatre plays. "He, She, and It" was presented by Henry Hitt and Marjorie Brown. The other one-act presentation, "The Pot-Boiler," had as the cast, Henry Hitt, Edward Mitchell, Ernest Brashear, Lois Keller, Arnold Ray Thomas, and Katherine Seibert.

A social feature of the conference program was the dinner-dance at the Irvin Cobb hotel in Paducah, Kentucky, Friday night. Fifty-two journalists made the trip.

A new advisers' organization was formed and will be known as the Association of Illinois Journalism Advisers. The association will be operated for the purpose of promoting better college journalism in Illinois. Miss Ruth Taylor, DeKalb, will be president; Robert Doan, Bradley Tech, vice-president; C. E. Andrews, Charleston, secretary; and Miss Esther M. Power, Carbondale, treasurer. Mr. Bellow will be a member of the executive committee.

It was decided to provide a section in the 1936 convention for year book staffs. This will add two votes allowed to the number allowed each delegation, which is two at present.
