Boatman, Hamilton, Lill Receive Top Sphinx Honors

TO THE STUDENT BODY

TODAY DEMOCRACY AS A PRACTICAL IDEOLOGY FOR THIS CAMPUS WILL BE TESTED WHEN EITHER A MAJORITY OR A MINORITY OF THE STUDENT BODY VOTES IN THE PRIMARY STUDENT COUNCIL ELECTION. INTERESTINGLY ENOUGH, IT IS IN THE HANDS OF YOU, THE STUDENT BODY, WHETHER OR NOT YOU WILL HAVE TRUE SELF-GOVERNMENT HERE AT SOUTHERN. IF ANY FACTOR OR GROUP OF POLITICALLY AMBITIOUS STUDENTS IS ALLOWED TO DOMINATE CAMPUS ACTIVITIES AGAINST THE WILL OF THE MAJORITY—THAT ALSO IS YOUR FAULT. FOR IF YOU VOTE TODAY NO FACTOR CAN SECURE AN EFFECTIVE STRANGLEHOLD ON YOUR GOVERNMENT.

PAST ELECTIONS HAVE BEEN A DISGRACE TO ANY PROGRESSIVE STUDENT BODY. THE ALL-TIME LOW WAS REACHED WHEN A LITTLE OVER 1 PERCENT OF A CERTAIN CLASS VENTURED TO THE POLLS. OTHER ELECTION RECORDS HAVE BEEN SIMILARLY HOPELESS DURING THE PAST FEW MONTHS. THIS ENTIRE INDIFFERENCE CANNOT BE BLAMED UPON THE UNDER-CLASSMEN AS THE JUNIORS AND SENIORS HAVE ALSO MADE SOME MISERABLE SHOWINGS AS FAR AS VOTING RESPONSIBILITIES ARE CONCERNED.

INDIFFERENCE AND DEMOCRACY CANNOT EXIST SIDE BY SIDE. HOWEVER, IF YOU DESIRE MAJORITY RULE, IT'S UP TO YOU TO GET OUT AND VOTE.

TRI SIGS WIN ANNUAL SING

Holder Voted Most Valuable Frat Man

Last night Sigma Sigma Sigma national social society wore the seventh annual Interfraternity Sing sponsored by Chi Delta Chi fraternity. The Tri Sigs who sang a series of three numbers, their sorority song, "Tri Sigma Beloved," "Sleep Kentucky Babe" and "Love Come Back to Me" were presented the cup by Jack Hodges, president of Chi Delta Chi.

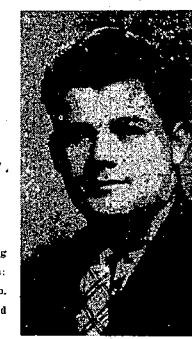

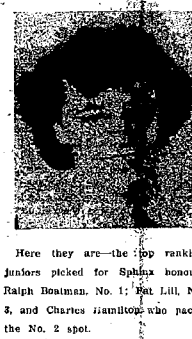

Delta Sigma Epsilon came in second in the Sing trophy by singing sorority song of Delta Sigma Epsilon, "In My Garden," and a medley of "Anchors Aweigh," "Swanee Song" and the "Marine Hymn."

The various leaders for the Greek singers were: Kappa Delta Alpha, Herbert Townes, Delta Sigma Epsilon, Helen Mathew, Sigma Sigma Sigma, Esther May Ayers, Sigma Beta Mu, Russell Stephens, Delta Delta Chi, Bill Holder, Pi Kappa Sigma, Mary Alice Smith, and Chi Delta Chi, John Whitesides.

Judges for the contest were: Dr. McIntosh, David Akin and Mrs. C. Gill.

PROGRAM FOR COMMENCEMENT EVENTS

- Commencement Events, previously known as Senior Week, are scheduled to be held May 11-29. The program will consist of the following:
- May 11, 8:00 P. M.—Formal Reception for seniors and faculty at the home of President and Mrs. Rose Cooper Pulliam.
- May 21, 4:00 P. M.—A. A. U. V. Tea at the home of Miss Hilda Stein.
- May 24—Baccalaureate, 6:00 P. M., at Bryncre Auditorium. Address, "Hopeful Aspects of the Present World Situation," given by Dr. Joseph C. Robbins.
- May 25—Informal faculty reception dance at 8:45 P. M. given by the Little Theatre.
- May 27—Senior outing at Midland Hills Country Club.
- May 28—Band Concert on the campus lawn at 5:00 P. M.
- May 28—Annual Annual Banquet at Anthony Hall at 7:00 P. M. Social dancing from 9:00 to 1:00 P. M. in parlor of Anthony Hall.
- May 29—Commencement Exercises at 9:30 A. M. Address by Honorable Governor Dwight L. Green of the State of Illinois.
- May 29—Reception for parents of graduates and faculty at 11:00 A. M.

Here they are—the top ranking Juniors picked for Sphinx honors: Ralph Boatman, No. 1; Pat Lill, No. 2, and Charles Hamilton who placed the No. 2 spot.

Council Names Bill Reynolds to Edit 1943 Obelisk

Picked by Student Council After Casting 29 Ballots in Grueling 2½ Hour Session

Bill Reynolds, a Junior from Vienna, was elected by the Student Council this week to edit the 1942-43 Obelisk. Reynolds, who served as obelisk editor of the Obelisk last year, succeeded Norma Jean Morton as editor of the college yearbook.

In addition to his work on the Obelisk, Reynolds has done a great deal of work on the Egyptian, as a reporter, feature writer and news editor. He is a member of Sigma Tau Delta, national honorary English fraternity, and was associate editor of the Star's last year.

He is also a member of Southern Knights, honorary courtesy service fraternity.

A government major and a scholarship student, Reynolds is one of the members of the junior class recently extended a bid to Kappa Delta Pi national honorary scholastic fraternity in recognition of his outstanding scholastic achievement. His membership, and baccalaureate service because of his high scholastic will also serve as marshal at commencement.

FAMOUS FRENCH MOVIE TO BE PRESENTED MAY 11

"Dr. Knock," a sizzling satire on certain commercial aspects of the medical profession, starring the famous French character actor, Louis Jouvet, will be presented in Bryncre Auditorium on Monday, May 11, at 8 P. M.

Written by the popular French playwright and novelist, Jules Romains, "Dr. Knock" is a hilarious story of a morally unscrupulous doctor, whose main assets are a charming and dignified "bedside manner" and a high sounding terminology on non-existent diseases. He purchases a modest practice from an honest doctor in a small French town, and then goes on to convince the entire population of healthy peasants and bachelors that they are ill with strange maladies. The contrast of the extreme "knock" as to opposed to the poverty of the honest practitioners are displayed in strong shadings. Of great interest to everyone, are the typical conclusions portrayed, which are, in reality, commentaries on medicine in our social environment.

This unusual and outstanding film has been a great success wherever it has played, and has caused much comment in literary, art, and intellectual circles.

The admission to this extraordinary French film, which will be presented at 8 p. m. Monday, is 15c, tax included.

125 STUDENTS ATTEND NINTH ANNUAL MU TAU PI CONFERENCE LAST FRIDAY

Granite City, Benton, Du Quoin, Ziegler Receive Highest Honors

Approximately 125 students, representing 12 Southern Illinois High schools, attended the ninth annual press conference sponsored by Mu Tau Pi local honorary journalistic fraternity.

The morning session of the conference opened at 10 o'clock Friday morning with the various members of Mu Tau Pi leading the discussion groups. These sections included talks on sports, features, editorial, straight news, and year books. In these sessions, the students told their problems to the leaders and answers to their questions were offered to the embryonic journalists.

The afternoon session began at 1:30 with William Guetz, president of Mu Tau Pi, extending the welcome to the schools. The musical numbers on the program included selections by the piano team of Bob Seisler and Gene Ulrich.

The main speaker of the program was Bruce Blosser, United Press correspondent for Southern Illinois. Blosser was formerly a reporter in Chicago and he also spent a year in Springfield, where he covered the legislative news of the Illinois general assembly. Mr. Blosser gave many interesting accounts of journalistic work with the large news syndicates and explained how students might secure positions with these companies.

Following Mr. Blosser's talk, the students again attended discussion groups. These meetings were the same as the morning meetings. The conference was climaxed with a banquet, which was held at the First Methodist church. The musical portion of the banquet was furnished by the Roland Hayes quartet and Peggy Ferguson. At the banquet the results of the judging were announced. Granite City and Benton were awarded highest honors in class A. Ziegler received highest honors in class B.

FALL CLASS SCHEDULE

The daily schedule of classes for next fall term will be completely changed from the schedule for past years according to last Monday's bulletin. There are to be ten periods, the first beginning at 8:00. Each will be fifty minutes long, and there will be ten minutes between classes. Four periods are scheduled before noon and six after noon, the last ending at 6:50. General assembly will be held second hour on Tuesdays, that is, from 9 o'clock until 9:50.

Flying Egyptians Squadron Formed At S.I.N.U. Friday

Gene Abney Will Serve as Commander; First Twenty-five May Be Called in July

Final arrangements in the formation of the FLYING EGYPTIANS squadron, under the Navy V-5 program, were made on the campus of Southern Illinois Normal University last Friday. As a "meeting" attended by over thirty-five prospective members of the squadron, Gene Abney of Hercul was elected squadron commander and L. E. Sims, Jr. of Centralia, executive officer.

Lieutenant Payton T. Tallent, in charge of the formation of the squadron, announced Saturday that because of the number of men who indicated their desire to join the squadron, there would probably be ten wings, or units, of the FLYING EGYPTIANS.

Sixteen men are already actually enlisted under the Navy V-5 program and are awaiting call. They are Gene Abney and L. E. Sims, Jr., James Stephens, Hanker Hill, Robert Berry, Carbondale, Ralph Boatman, Carlinville, Arthur L. Clark, Marion, Ralph Dannerstein, J. Sparte, Joe Dougherty, M. Campbell, Charles Holmes, Marion, Wilbur C. McCormick, Herrin, Wilton Webb, Al Vernon, Jan Langford, Edward Condit, Carbon Dale, William Hayes, Jesse Lewis, Marion, and Paul Mannitz, MacLeansboro.

Will Be Called Soon

Probably the first FLYING EGYPTIANS squadron to be called to duty will be made up of about 25 men who will probably be called to go into service about July 1. For the first part of their training period, they will be at the University of Iowa, taking physical training and ground work instruction. At the end of that period, they will be sent to one of the three basic training bases—Corpus Christi, Pensacola, or Jacksonville—for flight training. All during the training period, and after they are commissioned, the FLYING EGYPTIANS will stay together.

At the meeting Friday, it was decided that men enlisted from Southern Illinois will automatically become members of the FLYING EGYPTIANS squadron, whether or not they have attended S.I.N.U. This will mean they will stay together, place they are now eligible under the provisions of the Navy V-5 plan.

12 Other Outstanding Juniors Are Presented Invitations During Chapel

Ralph Boatman of Carlinville was awarded the highest non-scholastic honor possible at S.I.N.U. Tuesday, when President Pulliam announced at college assembly that he had received the highest number of votes among the candidates for Sphinx, activities honorary which has annually for five years selected fifteen members of the junior class and recognizes their outstanding extracurricular work by offering them bids to the organization. Charles Hamilton, a local man, received second place in the voting, and Patricia Lill of Mascoutah, third.

PEMBERTON-NEW PRESIDENT OF SIGMA PI RHO

Elected at Convention Held on Campus Last Week-end

Miss Betty Pemberton of S.I.N.U. was elected president of Sigma Pi Rho, national honorary Latin fraternity, at the close of the convention May 2, at which the college played host to visiting delegates from Virginia, West Virginia, Ohio, Wisconsin, Indiana, and Arkansas.

Have Formal Banquet

The highlighting event of the week-end convention was a formal banquet at the Midland Hills Country Club Saturday evening with Dr. Clark G. Kuebler of the department of classics at Northwestern University as principal speaker. Dr. Kuebler has spent several years of intensive study and research in Germany, Italy, and Greece, and had attended the University of Munich during the last few years before the rise of Hitler.

Kuebler Speaks

Dr. Kuebler's address, entitled "More Enduring than Bronze," stressed the need of making a lasting peace after the war, based on a return to fundamental ideals of civilization which we owe to the Greeks, Romans and Hebrews via the medium of England. The only lasting things, according to Dr. Kuebler, are the intangibles that have carried forward the torch of civilization. Dr. Kuebler emphasized the need for well-rounded and far-sighted human beings and went on to explain that no one might consider himself well educated unless he had at least an acquaintance with the works and thoughts of the great men of times past as well as present. Dr. Kuebler stated in his address that there is a very marked increase in the classes, as well as in the other humanities, among students all over the United States and gave Northwestern for an example, where enrollment in the classics is heavier than it has been for twenty years.

Seven states were represented at the convention as well as several counties of Illinois. Dr. Edgar A. Menk congratulated the local chapter on having very successfully extended one of the largest conventions in the history of the organization. Next year's meeting will be held at Bowling Green State University, Bowling Green, Ohio.

Miss Pemberton's presidency will continue through the meeting at Bowling Green.

The Carbondale Park Board has announced a tennis tournament to be held on the city courts (near the Baptist church) within the next two weeks. All S.I.N.U. students are invited to participate. Entries for both singles and doubles should be sent to Frank Bridge, Carbondale, by post card, or the student should see Verdie Cox personally. Entries must be in by Monday, May 11.

Invitations Extended

According to the usual procedure, invitations were extended to the other twelve Juniors, in alphabetical order with the last three names being read in the reverse order of the number of votes they received. The twelve were Gene Abney, Sara Lou Cooper, Graham Crichton, Elizabeth Fairbairn, Scott Gill, Mary Lou Hampton, Isabel Marshall, Waldo McDonald, Norma Jean Morton, Bonnie Nywald, Economy Oshel, and Gladys Westwood.

Frank Holloway, who was second in the list of last year's candidates, presided at the ceremony. President Pulliam, before he made the top three awards, spoke briefly on the history of Sphinx to the college, making the statement that the fifteen people who were about to be honored were among that group of citizens who make things happen.

Boatman Active

During his three year career at Southern Illinois Normal University, the Student Council, was president of his class during his sophomore year, and president of S.I.N.U. has held several other offices in the Southern Knights, including that of Royal Duke, and has served on various committees.

Charles Hamilton also had a full record of activities. He was on the MacDowell Club, had the Medical group, and for some time has occupied the position of vocalist on the S.I.N.U. Glee group, "High Noon on the Campus." He has served as president of both the Little Theatre and Kappa Delta Alpha social fraternity.

Pat Lill includes on her list of membership on the Student Council, Student Christian Union, Egyptian and Obelisk staffs, Y.W.C.A., and Girls' Rally committee. She was elected as this year's Prom Princess.

The Initiation

Formal initiation was held last night at S.I.N.U. at 9 o'clock. The banquet was followed by a secret meeting at which toasts were proposed by old and new members. The candidates for membership were then blindfolded and taken to remain silent in an unknown destination. At a candlelight ceremony at the stroke of midnight, the initiates took the sacred oath of Sphinx and signed the ancient scroll.

After initiation the whole group prepared to Carter's Cafe for a "wild" dinner, lunch, and part of the evening which has become a tradition. Sphinx which is similar to organizations on other college campuses throughout the country, was organized several years ago by Dr. Louis W. Gelpman, Dr. Thomas F. Barton, and Dr. C. H. Craner. President Pulliam is an active voting member. A feature peculiar to the organization is that voting is absolutely impartial and no candidate can be unethical.

Other students at S.I.N.U. who have received top honors in past years are Charles Mayfield, Mrs. Anna Margaret Whaley, 40, Henry Munnell, 41, and Mary Ellen Evans, 42.

Nominations for the student council members for the 1942-43 school year are now in progress. Students be sure and VOTE!

BOOKS IN REVIEW

By DELBERT HAMILTON

BOOK CLUB SELECTIONS

The final selection for the Book of the Month Club for June combines Franz Werfel's new novel "Song of Bernadette" with Major Alexander P. de Seversky's "Victory Through Air Power," both costing three dollars.

"The Song of Bernadette" is a novel of France in the days of Napoleon III. In "Victory Through Air Power," Major Seversky uses a lot of paper to enlarge what he's been expounding in numerous magazines the past few months; we must attack the army with land based planes and our air force must be separate. A new edition of Tolstoy's "War and Peace" is the book division.

The Literary Guild is offering "Flood of Spring" by Henry Bellman. If this novel is no better than the author's first, "Kings Row," we wouldn't want it.

MEMORANDUM

Another Egyptian columnist got away with some cracks about Omni book magazine with no immediate or disastrous effects so we'd like to have our say about this 56c magazine of book assignments. Omni-

book is just the berris for the following people: those who don't care about the literature itself but want to say "Sure, I read that," and those who don't care if or won't take time to read a complete book.

It is true that Omnibook has done some good jobs on condensing some books. A good many books could stand to have about 200 pages cut away. But the magazine has hashed up a number of good books. However, in instance, can you condense a long anthology like "Reading I've Liked" into thirty or forty magazine pages and still have anything left that Clifton Fadiman liked?

We'd rather read one complete book than five Omnibook versions.

MOVIE DEPT.

For those who haven't seen "To the Shores of Tripoli" our advice is, if you like Marine uniforms, see it. It hasn't any more story than Virginia Woolf's last novel, but then there's Technicolor, Marlene O'Hara, "The Marine Hymn" in several forms and plenty of flag waving. It's all

WRITER ENJOYS MUD ON CAMPUS AFTER RAIN, OR READ IT YOURSELF

By Staff Writer

As I was swimming over toward the library Wednesday morning, whom should I meet but Donald Duck. He was splashing about merrily and having a great time.

"Good morning," said he, with an occasional "I am" inserted to describe. "Fine weather for ducks like ourselves, isn't it?"

"Since I am not a very good swimmer and was having difficulty keeping myself afloat, I happily greeted him. Besides, it is difficult to think of a clever remark when one's mouth is full of water."

"I love rainy days," he continued, ignoring my glare. "I get awfully tired of swimming in Old Lake Ridge-way. When it rains they let me swim over here by the Old Lake. It's almost as deep as Lake Ridge-way, and much nicer company."

All this he said in so pliffant a tone that I was beginning to feel sorry for the poor bird, when suddenly he grabbed my shoulder, thinking perhaps that it was something to eat, and yanked with such force that my head went under water. My sympathy vanished immediately, and I glared at Donald Duck with such fierceness as soon as I got my head above water—that he had a heart-rending sigh and waddled off in the general direction of Lake Ridge-way.

Later in the morning I had occasion to stroll along the north side of the campus, just west of the entrance. A very touching sight greeted my eyes. On the sidewalk was half the clay in Jackson county, washed down by the rain. In the midst of it sat one of my favorite professors, beaming with childish joy.

"Mad," he bubbled happily. "Real honest-to-goodness mud." It takes me back to the days of my childhood. Ah, me!

As I looked down into his merry face I noticed that he had arranged himself in neat symmetrical rows, a number of mud pies, so carefully fashioned that they would have a credit to any first-grader. For a moment I was tempted to join him in his wholesome pastime, but reluctantly I remembered my rhetoric class and started back toward Old Main, stepping carefully so as not to disturb the beautiful mud pies. Then suddenly, without warning, my foot slipped in the wet clay and I went crashing up the ground spitting three mud pies.

The end

Trails of disappointment sprang to his eyes at the sight of this wanton (careless destruction but with a request not often found in college professors) he said not a word. Instead, he picked up the remains of the precious mud pies and sady rode off on his tricycle.

As I wended my way back toward Old Main, thoughts of the sorrow I had caused by my careless action were soon banished by the consoling touch of Mother Nature. As I gazed on the trees, the grass, and the birds, my heart was filled with joy. Isn't our campus beautiful after a rain?

THE HUMANITIES ROOM

Rapidly taking shape in the heights of Old Main is the Humanities Room under the auspices of Sigma Tau Delta, honorary English fraternity. We present this view of the room as a "before" for Southern's first sanctuary for humanities students.

By PAT MERCER

My Day (with apologies to Mrs. T. in service do not find "L" outdoors of home. Frequent trunks often lead to such incidents as C. H. "Boop" Kraus writes:

"As a result of my transfer, a very uncomfortable thing has occurred, me to the fact that there are now two divisions on this post, we have been placed in tents. Believe me this is an experience. In the first place, the weather here is such a variable thing to wear like Louisiana, you never quite know how to arrange your tent. You'll arrive in the morning to find a beautiful Southern sun, convinced that the day is destined to be a perfect one, you roll up the sides of the tent. (Colonel's orders: you know, it must be done.) And guess well for several hours—three, suggesting clouds appear from nowhere. Still you aren't convinced. "Certainly it won't rain," you tell yourself re-assuringly. You still statement is made to the accompaniment of gobs of H2O which are rhythmically beating a tattoo on your enlarged, unsheltered nose. By the time you reach the tent area, the fury of the gods has descended upon you. You encounter this deluge and finally manage to climb down the sides of the tent. Cursing vociferously, you enter the tent and seat yourself on a nice, comfortable, aseptic, foolproof. Water "spatters" in your shoes, and you're freshly laundered in spurious uniforms is artfully draped about your saturated torso. Ten minutes later the rain ceases—your instructors roll up the sides again: End of perfect day number one.

"Boop" Kraus, who has been at Camp Polk, Louisiana, since last June, has recently been given a coveted promotion to the Medical Administrative Corp of the Army. He will soon enter officers' training in Pennsylvania and after the completion of his courses there, receive a commission.

Thanks With Naval Casework Lieutenant Francis J. Grisko, now

lended the meeting, including several members of the Franklin County Bar Association, and a number of the faculty members of S.I.N.U., as well as students and townspeople. Plans were discussed concerning the annual meeting of the Society which will be held late in June.

Homey Gals Moore tells us: "Those of you who were my instructors will remember that I was not a serious student, but I should like you to know that you could not believe your eyes if you were to see us in our present school classes now. What we get here is vital to us and we work! Our classes 15 days a week! begin at six and end at five. They are good to us, however, they allow us 55 minutes for lunch! I am enjoying my training here and find it most exciting. There are about ten of us here from S.I.N.U., and we hold many "bull sessions" about the good times we had there."

Grateful to Dr. Barton Pennington, especially I am thankful for the foundation in Weather and Climate. The Aeology office provides the equipment and Florida provides the weather, which at this time is very nice. The beaches here were crowded since Easter Sunday and already the one who has a sun tan is an outcast from society."

Ground Work

Homey Gals Moore tells us: "Those of you who were my instructors will remember that I was not a serious student, but I should like you to know that you could not believe your eyes if you were to see us in our present school classes now. What we get here is vital to us and we work! Our classes 15 days a week! begin at six and end at five. They are good to us, however, they allow us 55 minutes for lunch! I am enjoying my training here and find it most exciting. There are about ten of us here from S.I.N.U., and we hold many "bull sessions" about the good times we had there."

Under the original V-1 plan a student who for any reason failed to remain in college for two years or who failed to pass the V-1 classification examination with a sufficiently high grade was immediately put into active service as a V-1 Apprentice Aviation Officer. The physical examination will consist primarily of an intelligence test, which in the future will be given to all candidates for flight training. It now becomes possible for these students to become

lended the meeting, including several members of the Franklin County Bar Association, and a number of the faculty members of S.I.N.U., as well as students and townspeople. Plans were discussed concerning the annual meeting of the Society which will be held late in June.

Rural Life Club Will Present Play Monday

A play, "The Great Transition" will be given at the regular meeting of the Rural Life club Monday evening in the Little Theatre. "The Great Transition" is a play about country life and its advantages. It was written, directed, and produced by Dr. Emerson Hall's Education 355 class. It is the result of a unit worked out democratically by the students, and serves a useful purpose. It is thought that if the members of the class part in it as a unit themselves, they might be better prepared to direct such a unit of work when they get out into the teaching profession?

HUMANITIES ROOM FOR STUDENTS NEARS COMPLETION— WILL BE LOCATED IN TOWER OF OLD MAIN

"B" NATURAL

By BEETHOVEN.

I recently wrote about the New Manhattan Quartet which enlisted in the army in order not to be separated. Well, the quartet has lost one of its members after all. The army said it would try to keep them in the same camp if they enlisted together, but it could not guarantee that they would not be separated. Because he could not get a definite guarantee, William Ehrenkranz, the second violinist, decided not to enlist with his colleagues, since he preferred the Air Corps to the Regular Army. But they got a substitute, Herbert Sorokin, who had played with them at Juillard and who was willing to enlist on the chance that they'd be kept together. So far, all is well. All four are at Fort Dix and last Monday they returned in uniform to play as members of the orchestra at the servicemen's concert at the Metropolitan Opera House. They hope to be sent to Pine Camp to play in the band there.

The Soviet embassy in Washington has received the following account of a Moscow performance of Shostakovich's Seventh symphony in the Hall of Columns in Trade Union House by the Bolshoi theatre orchestra under Samouil.

The audience was listening to the fourth movement with the intense attention of a whole people whose feeling have somehow been expressed by a composer who has become their voice. A man in military uniform—an air raid warden—appeared in the orchestra. He tried to catch the attention of the conductor. Samouil undoubtedly saw him, but he went on conducting. No one in the audience stirred. The warden's position became embarrassing. The position of the conductor was equally uncomfortable. He tried to catch the attention of the audience. He tried to catch the attention of the audience. He tried to catch the attention of the audience.

The English fraternity will have records of the Humanities Room subject to the supervision of the faculty members of the Humanities division.

Officers Installed at Pi Delta Banquet Wed.; Ruth Mann President

Mrs. Ruth Mann was elected president of Pi Delta Epistolian journalistic fraternity, as officers were installed for the coming year last Wednesday at the annual spring banquet at the Roberts Hotel.

Dr. Howard Bosney of the department of education was the principal speaker of the evening. His topic centered around the challenge to young journalists in the field of education. Short talks were also made by Dr. Wm. Schindler, sponsor of Pi Delta Epistolian, and Madeline M. Smith, sponsor of the Southern Alumnus. Graduating seniors made the annual farewell addresses.

The officers were installed by Wayne Mann, toastmaster. Besides Mrs. Mann, the following were elected: Gladys Westwood, vice president; Evelyn Markross, secretary.

Pratt Holloway took charge of the initiation of pledges to the organization.

The senior members decided to adopt the plan of writing a round robin letter at least once yearly, the first one left being instructed to collect all the letters and submit them personally to the files of Pi Delta Epistolian at S.I.N.U.

The meeting adjourned with the singing of Auld Lang Syne.

commissioned officers rather than apprentice seamen.

A number of college students are ineligible for enlistment in Class V-1 because they are over twenty years of age and are ineligible for Class V-1 because they had not reached junior status before April 15, 1942. Such students will be permitted to enlist in Class V-1 when they attain junior status.

DEADLINE FOR ENLISTMENT IN CLASS V-1 NAVAL RESERVE ENDS THIS JUNE

The opportunity for present sophomores to enlist in Class V-1, U. S. Naval Reserve, will be closed at the end of the present term. Sophomores who enlist before May 25, 1942, will remain in college for another academic year. The comprehensive examination will be given for the students who enlist before the end of (this term) March 15, 1942. After that date, in addition, they will be eligible for transfer to Class V-6 or V-7.

A student at the time of his enlistment in Class V-1 will indicate his choice for either V-6 or V-7. However, the student may change his choice later if he so desires. Students who indicate their desire for future V-6 status will thereby become eligible to take Civilian Pilot Training during the freshman or sophomore year.

New Plan

Under the original V-1 plan a student who for any reason failed to remain in college for two years or who failed to pass the V-1 classification examination with a sufficiently high grade was immediately put into active service as a V-1 Apprentice Aviation Officer. The physical examination will consist primarily of an intelligence test, which in the future will be given to all candidates for flight training. It now becomes possible for these students to become

lended the meeting, including several members of the Franklin County Bar Association, and a number of the faculty members of S.I.N.U., as well as students and townspeople. Plans were discussed concerning the annual meeting of the Society which will be held late in June.

Beyer Re-elected President of History Society

At the annual Spring dinner meeting of the Southern Illinois Historical Society in Benton last Thursday night, Dr. Richard L. Beyer, head of the S.I.N.U. department of history, was re-elected president of the Society. Two other members of the department, John I. Wright and E. G. Lent, were re-elected archivist and secretary, respectively.

Featured on the program were talks by Dr. Beyer and Catherine Standaard, Miss Standaard, a senior history major at S.I.N.U., read a paper on "Locating Southern Illinois Normal University" which she wrote in a history seminar course last term. Dr. Beyer's discussion was on the topic "The Role of the Historical Society in Wartime."

More than one hundred people at

OFFICERS INSTALLED AT PI DELTA BANQUET WED.; RUTH MANN PRESIDENT

The officers were installed by Wayne Mann, toastmaster. Besides Mrs. Mann, the following were elected: Gladys Westwood, vice president; Evelyn Markross, secretary.

Pratt Holloway took charge of the initiation of pledges to the organization.

The senior members decided to adopt the plan of writing a round robin letter at least once yearly, the first one left being instructed to collect all the letters and submit them personally to the files of Pi Delta Epistolian at S.I.N.U.

The meeting adjourned with the singing of Auld Lang Syne.

commissioned officers rather than apprentice seamen.

A number of college students are ineligible for enlistment in Class V-1 because they are over twenty years of age and are ineligible for Class V-1 because they had not reached junior status before April 15, 1942. Such students will be permitted to enlist in Class V-1 when they attain junior status.

lended the meeting, including several members of the Franklin County Bar Association, and a number of the faculty members of S.I.N.U., as well as students and townspeople. Plans were discussed concerning the annual meeting of the Society which will be held late in June.

Rural Life Club Will Present Play Monday

A play, "The Great Transition" will be given at the regular meeting of the Rural Life club Monday evening in the Little Theatre. "The Great Transition" is a play about country life and its advantages. It was written, directed, and produced by Dr. Emerson Hall's Education 355 class. It is the result of a unit worked out democratically by the students, and serves a useful purpose. It is thought that if the members of the class part in it as a unit themselves, they might be better prepared to direct such a unit of work when they get out into the teaching profession?

About The Greeks

DELTA DELTA CHI

The annual Spring Rush dinner of the Delta Delta Chi social fraternity was held Thursday evening in the dining room of Hank's Cafe. In addition to the active members and the present pledges of the fraternity, ten prospective pledges were present. After the dinner an informal smoker was held, during which the rushers were entertained by the members of the fraternity.

The pledges of Delta Delta Chi entertained the active members last Tuesday night with a wicker tea.

ALPHA PHI ALPHA

Following a hectic week of subscription known as Hell's Week, Carlton Brown, Theodore Taylor, Earl Ehrlich, Frank Owens, Henry Jones, Henry Washington, and John Aiger will be conducted into the Alpha Phi Alpha fraternity Friday, May 8. The Alpha Phi Alpha is a national negro fraternity and Charles Jones is president of this local branch.

held at Grant City state park. After refreshments were served, the participants danced at the Grant City lodge.

Lawson Presents Ten Commandments For Teachers at Meeting of Illinois Supervisors, Directors Saturday

"There are ten commandments of teaching to which teachers should adhere if children are taught to do just themselves properly to a democratic way of life," stated Dr. Louis W. Lawson, of the S. I. N. U. education department, in his address before the meeting of the Illinois Association of Supervisors and Directors last Saturday at the campus. Dr. Lawson advocated that every teacher should be respectful of all views to the rights and needs of others. They should have an understanding of the general nature of the most significant present-day social, civic and political institutions of the country in which they are to teach. He stressed that the teacher's tendency to assume responsibility in the school, home, and neighborhood should be commensurate with his or her talents and understanding.

Social Settlement Important

Dr. Lawson went on to point out that the teacher should associate himself with groups organized for the purpose of social settlement in one form or another, and of all times should be actively interested in those issues concerning the general welfare of the community. He explained that a teacher could not help the students to understand democracy as a way of life unless they themselves had true comprehension of the ideals of tolerance and appreciation for which it stands. "Every teacher," he said, "should assume voluntarily a share of responsibility for preserving, explaining and transmitting the ideas and attitudes which he believes essential to the social welfare."

Teachers Should Realize Political Duties

Teachers should have a true picture of the functions and machinery of our form of government and the cooperation both locally and nationally, and should participate in all political activities of a citizen. He further emphasized that teachers should be willing to assume leadership in the various social situations which in diverse social welfare of individual rights are endangered by lack of leadership. Lastly all teachers should have an essential optimism with a vision of a better world and a better

that the democratic processes of government can in time bring to humanity a happier way of life and a larger abundance of happiness, security, and equality of opportunity for all members of the human race, with the essential assurance that some day man shall live in peace and honor without fear of dictatorships and without prejudice to race, creed, or political status.

Have Faith in Democracy

In conclusion Dr. Lawson said, "We are justified in having faith in arguments of democracy to win war against dictatorship, but one must realize that there is an equally important world with peace and happiness as its goal. There will be no real gain from war unless we teach in such a way as to make democracy a way of life rather than a political slogan."

Dorothy Doty and John Wm. Lewis Married Sunday

Dorothy Doty, 41, and John Wm. Lewis, 42, both of Ewing, were married Sunday, April 26, at the First Methodist church in Carbondale. Dr. M. S. Harvey officiated at the ceremony.

Mrs. Lewis, who graduated with honors last year, now has a position in the city schools of Ewing. White at S. I. N. U. she majored in history and was a member of Kappa Delta Pi and the Future Teachers of America chapter.

Writes Article

Mrs. Josephine Wendell Andrews, a graduate of the law school who is an instructor in the state school for the deaf in Providence, R. I., had an article called "Libraries in Schools" in the *Book in the Library Journal* on April 2, 1942.

Forps Club Innoculates Two-New Honorary Members

After many years of dreaming, planning, and hard work, the Forps Club has become a reality.

This organization is unique in that it is the only organization in the world that is based on humor and aims to be a campus organization, but may include anyone who is interested in the Forps.

Between the meetings, members collect various articles of humor and prepare a report. These reports are then presented at the next meeting, and most of the members usually "get their kicks."

There are twelve charter members of Forps: Sontney, Whitehead, Green, Baker, Wilkinson, Martin, Choiser, Ventrace, Lewis, Major, More, and Dapsinger. New members must have the unanimous approval of the group.

Honorary members of the club are Miss Otis Thomas of the English department and Dr. Louis W. Gellermann of the education department. The motto of the club is "Swing of the Compasses," doubletalk meaning—"Rotasize of the Sliding Drew."

Faier of English Dept.

Recently Inducted In Army

Mr. Robert Dana Faier recently became the third S. I. N. U. faculty member to join the nation's armed forces when he was inducted and sent to Scott Field on April 12. He has not yet been permanently assigned, however.

Mr. Faier was associate professor of English. He joined the faculty of Southern in 1936 and has his A. B. and M. A. degrees as well as having completed the residence requirements for the Ph.D. at the University of Pennsylvania.

Dr. J. W. Harris, who had been granted a leave of absence to fulfill a contract to collaborate on a new English textbook, has returned to take over Mr. Faier's classes.

Five Attended B. S. U.

Conference at Decatur

Marie W. Carpenter, Orval McBride, Patricia Greathouse, Mayme Nell Story and Zidania Ogden, S. I. N. U. students, attended the statewide Illinois Student Youth Congress in Decatur April 25-27.

The conference was unique in that it afforded an actual project situation which was divided into four parts: The Purpose of the Victory, presented by Dean Charles Kikley of the University of Chicago; The Plan of the Victory, presented by Dr. George W. Wise, Executive Secretary of the Kansas State State Council; and The Pledge to the Victory, presented by Dr. Jesse R. Wilson, Home Secretary, American Baptist Foreign Mission Society.

The keynote of the whole conference was the opportunity to meet various leaders from every position in life and other young people with ideas and ideals similar.

AGGIES TO GIVE DENIM-GINGHAM HOP

Attention, all persons interested in a "cure for spring fever!" The Agriculture Club will sponsor the Denim-Gingham Hop tonight, in the old gymnasium, 9 o'clock. The music will be furnished by Joe Check and his "Checker Board Five."

The evening's entertainment will begin with a hay ride through the streets of Carbondale. All persons interested in the hay ride meet in front of the Old Science building at 8 o'clock.

Men, dig into your old clothes box and get a pair of overalls and a blue shirt; girls, hunt up those flashy gingham dresses that you have been hoarding for a long time and come out to the Denim-Gingham Hop for an evening of fun and frolic. The price of admission is only fifty cents per couple.

BARTON, COX, VAN RIPER, HILL and WELCH TO APPEAR AT STATE ACADEMY

Fleming Cox, Thomas K. Barton, Joseph Van Riper, Collar Hill and Walter B. Welch are scheduled to appear before the Illinois State Academy of Science meeting, Friday and Saturday, May 8 and 9, at the University of Illinois.

Papers will be read by Mr. Cox and Mr. Barton before the geography section of the meeting. Also, Mr. Van Riper is the chairman of this section. Collar Hill will read a paper on "A Southern Illinois Herstory" and Walter Welch will speak on "A Study of the Phytogeography of Crab Orchard Lake."

The academy will open its thirty-fifth annual meeting Friday morning, May 8, with a general session. Following the official welcome to the campus by Dr. A. C. Willard, president of the academy, Dr. J. P. Brown, chief of the Illinois Natural History Survey and president of the academy, will deliver the annual presidential address.

SHRYOCK TO DISPLAY WORKS IN ART MUSEUMS OF NEW YORK, WASH.

Mr. Burnett Shryock of the college art department will be represented in a collection of color slides at the Metropolitan Museum of Art in New York and the Library of Congress in Washington.

Last year Mr. Shryock was asked to submit paintings for color slides to the American Library of Color Slides in New York. His paintings, now reproduced in color slides, are "Exam Time," "Wedding in Color," "Adele," and "Gaspe." The ones which will represent him in the Metropolitan and Library of Congress collections will probably be "Exam Time" and a new addition to the American Library collection, "Four Nuns on Macaroni."

The American Library of Color Slides is an organization which tries to make high quality color slides for sale or rental to universities, museums, and colleges. It is also preparing the collections to be given to the Metropolitan Museum and the Library of Congress. Collections are made up almost entirely of contemporary American paintings.

Among the other American color painters represented with Mr. Shryock in the collections are Aaron Bohrod, Grant Wood, John Marin, and Thomas Hart Benton.

Kindergarten Primary Banquet Held Friday; Club Activities Shown

The Southern Kindergarten Primary Association held its annual banquet Friday evening at Anthony Hall. The program represented a busy trip, taking the guests on an imaginary trip through the past, present and future activities of the club. The program was in charge of Adna Young, president of the organization. Mary Lee Williams took of the past accomplishments, and Mrs. Devoe of the present activities of the club. The main speaker of the evening was President Pulliam, who sketched briefly the history of nursery schools and the needs for nursery schools in Southern Illinois, especially in defense areas.

Other faculty members who have aided this organization in their activities, and who spoke on the program are: Dr. Sina Mott, Mr. Howard and Bealey, Mr. V. C. Conner, Miss Florence Denny, Dr. Marie Hirsch and Miss Dorothy Magnus. A very enjoyable feature of the program was a dramatization presented by the kindergarten children, under the direction of Ann Figg.

Dr. Robbins Will Address Grads at Baccalaureate

Rev. J. C. Robbins

Dr. Joseph C. Robbins will speak to approximately two hundred fifty graduating seniors at the sixtieth annual baccalaureate exercises at Southern Illinois Normal University on Sunday evening, May 24, on the topic, "Hopeful Aspects of the Present World Situation."

Dr. Robbins is a member of the faculty of Andover-Norton Seminary at Newton Center, Mass. For several years he served as Foreign Missions Secretary of the American Baptist Mission Society, supervising the work of Baptist missionaries in India and Burma.

OVER HUNDRED ATTEND ANNUAL B. S. U. BANQUET

More than one hundred students attended the annual Baptist Student Union formal dinner which was held Thursday evening at the First Methodist church. The theme of the banquet was "A Flower Garden."

The guest speaker for the evening was Lory Hildreth, pastor of the Granite City Baptist church. The following B. S. U. Council members were elected for next year: president, Evelyn Frakes; first vice-president, Ray Walker; second vice-president, Verline Wichee; third vice-president, Loretta Parker; secretary, Virginia Plummer; treasurer, Virginia McKee; publicity chairman, Ruth Jackson; Y. W. A. president, Magdalene Milfin; noon-day prayer meeting president, Donald Rethel; Sunday school representative, Bob Edwards; Band Training Union representative, Charles Beatty; magazine representative, Bernard Williams; chorister, Eugene Quinn; pianist, William Dean Benedict; extension director, Glenn Yarborough.

H. C. Marmaduke of I. C. Railroad Speaks to Economics Classes

H. C. Marmaduke, manager of the Employee Suggestion System of the Illinois Central railroad, spoke Wednesday to the college economics classes on the subject "Enriching Employee Interest."

Mr. Marmaduke has been in the service of the I. C. railroad for over forty years. Since March, 1932, he has been manager of the company's Employees' Suggestion System, an employer-employee relations project.

He also is an experienced speaker on such subjects as adult education, safety, and transportation.

SPECIAL CERTIFICATES NOT VALID FOR EMPLOYMENT FOR 1942-43

In the employment of teachers for the coming year, special certificates will not be recognized by either the state department, the University of Illinois, or by the North Central Association as meeting the standards set up for the minimum preparation of teachers in accredited high schools.

Exceptions may be allowed only after the board of education has exhausted the possibilities for getting teachers who have at least the bachelor's degree. So special certificates are not to be considered at present for the school year of 1942-43. After school begins next fall it can then be shown that vacancies cannot be filled by degree teachers, no doubt the above mentioned, standardized agencies will permit the employment of teachers with special certificates.

Students who expected to teach in high schools the coming year on special certificates, in many instances, will be able to meet all requirements for the full elementary certificate which is valid for teaching in the first ten grades. Students interested should check their records in the Registrar's office at once.

PULLIAM ADDRESSES SCHOOL MASTER'S CONFERENCE IN IOWA

President Roscoe Pulliam of Southern Illinois Normal University addressed the tenth annual Schoolmasters' Conference at Cornell College, Mt. Vernon, Iowa, Saturday, April 18. Speaking on the topic, "Are We Going to Have Local or Federal Control of Vocational and Industrial Education in the United States?" Mr. Pulliam was the principal speaker of the afternoon session.

During the morning session, Mr. Pulliam participated in a panel discussion following the discussion of Dr. Eugene Younert, principal of the Oak Park, Illinois, School, on "What Kind of a Curriculum Best Prepares Our Youth for Effective Living in the Post-War World of the 1940's, 1950's and 1960's?"

Recognized as one of the leading educators of the day, Mr. Pulliam is called on to speak before many local, state and national meetings. In February, he spoke before the national meetings of school administrators in San Francisco, California.

FIVE MEMBERS OF 1942 DEPT. ATTEND SESSION HELD IN MEMPHIS, TENN.

During the week beginning April 17 the five members of the chemistry department, Dr. Neckers, Dr. Van Lente, Dr. Abbott, Dr. Scott, and Mr. McCollahan, attended the annual meeting of the American Chemical Society held at Memphis, Tenn.

These were over 25,000 chemists enrolled from all over the country. On Monday afternoon a large general meeting was held, after which the group broke up into divisions. Over 300 papers were given.

Chief interest centered on synthetic rubber. The consensus was that it would be 1944 before we have a plentiful supply for war and peace.

Other high points of interest was the work being done on high octane gasoline, a very important item in giving us air superiority and in winning the war, and on the industrial manufacture of alcohol from cellulose and sugar.

One of the matters discussed was the danger of a shortage of technicians. The demand for technicians is already great and will increase.

Kappa Phi Kappa Holds Jamboree Saturday night

Last Monday evening final plans were completed for the Kappa Phi Kappa All-Night Jamboree, an annual event, to be held Saturday, May 16, at Crab Orchard lake. At that time, six new members, now being through pledge week, will undergo initiation. They are: James Wilson, Victor Hickley, Bill Neal, Charles Moore, Joe Koenig, and Lloyd Phlips, agriculture instructor in University High school.

TRACK MEET WITH WESTERN WASHINGTON U. HERE TOMORROW

AMONG THE INTRAMURALS

With Foehner

As the Inter-Cooperatives and the Spirits of '76 continued their unblemished records, the Sigma Beta Mu squad was losing its second game of the season to fall into a tie for third place with the Alpha Gamma Mu club.

The Inter-Coops found themselves discouragingly close to defeat as they peared the end of their game with the Kappa Delta Alphas last Monday. The pitching of Attebury and the timely hitting of the squad of KDA's put the score at 3 to 2 in favor of the Inter-Cooperatives as they went to bat in their half of the last inning. The Inter-Coops had scored their three runs in the second and third innings.

A double play of Glodich's head in left field on the part of Bill Miller brought in a run on a hard caught ball. For the first run of the ball game Bill later scored as he stole third and came home on a wild pitch. Edgar Martin scored in the first half of the third when he singled, went all the way to home plate and scored the only sacrifice and crossed the plate as Calcutt reached first on Attebury's error.

The KDA's scored their two runs in the last of the fourth when Link led off with a single. Glodich walked. Both runners advanced a base on Charlie Pigg's error. Then Norman Campbell singled, scoring the second run. Link's error, which looked rather sloppy for the KDA cause when rather stepped up to the plate with only one man out and still trying runs on base. But Glodich was caught napping at third and Campbell's run was one short as he came home on a passed ball.

However, the big guns of the Inter-Cooperatives were no longer silent when they came up to the plate in the first half of the fifth. Lawrence Calcutt, similarly to the game with the Sigma Betas, slapped out a double to start the frame, which counted for five runs and which saw every man in the lineup at the plate. The KDA's beaten into submission, failed to score in their half of the fifth and the final score was 8 to 2.

The Chi Delta came up with the surprise victory of the week as to the tune of 3 to 1. A scoreless game until the fifth when the Chi Deltas staged a two run rally to go ahead 2 to 0. After Nick Mischler had struck out Babe Garrison to start the inning, Spear doubled and came home as Chelover lifted a Texas leaguer single to left. Ella, then doubled to beat Chelover across the plate with the second run of the inning. Maasberg grounded out to Mileserich, who tossed the ball to Mileserich to catch Ellis coming into third. "Chief" Travelsatz then struck out to end the inning.

The Sigma Betas came up with their lone run in the last half of the fifth. O'Brien reached second on Travelsatz's error. Clark took first as Maasberg dropped the ball. O'Brien scored as Nichel came through with a single. Clark stopping at second. Sebastian grounded out to second. Both runner advancing though was called out by Mileserich and the rally.

Johnny Whitehead led off the last rally of the game as he reached second on Link's error. Nick Mileserich, on the other hand, was the meritorious grounder to Tommy Clark at second, and scored as Garren singled. In the last half of the sixth the Sigma Betas got one man on third, but it was a wild pitch which saw Nick Mileserich doubled, took third on Dean Roy's grounded to Maasberg, and Roger Spear at third. The topic of discussion then was Smith grounded out to the day was the superb pitching on the part of both hurlers.

The Spirits of '76 met no competition this week and continue to remain in second place. Just a half game out of first.

TENNIS SQUAD WINS MATCHES FROM MACOMB TEACHERS AND WESLEYAN ON TWO DAY TOUR

Loose Only One Match in Winning Meets 6-0 and 5-1; Captain Cox, Goddard, Schroeder, Norman, and Gill Shine

The SINU tennis team returned early Thursday morning after a highly successful 600 mile trip through the central part of Illinois, defeating Western State Teachers of Macomb 6-0 and Illinois Wesleyan 5-1. Both meets were walkovers for the Southerners, as they swept all the matches at Macomb, and all but one at Wesleyan. Toughest match of the trip was encountered by Cox, playing No. 1 singles, at Macomb, when he eked out a three set victory over Gibson of Macomb. Both matches were played under the most adverse weather conditions, cold and windy, and for awhile it was doubtful that the match with Wesleyan would be played for a heavy rain Tuesday evening precluded the use of the Wesleyan clay courts and the site of the engagement was transferred to the all-weather asphalt courts in the Bloomington park.

These were the first meets for the Maroons in almost a month as the first match was with Cape Girardeau Teachers here. The double victory ran their consecutive string of victories to seven as they have yet to get a defeat straight from the root with three straight from last year to make their total of seven.

The Southern squad, all but one of which is a comparative newcomer to the squad, Captain Cox being the exception, performed as expected on the updated and kept the Southern record for good tennis unblemished in the Central Illinois area. The No. 1 spot was held down every day by Captains Cox, who won both his singles matches and then teamed with Norman on Tuesday and with Gill on Wednesday's assist in the doubles matches for credit for four victories. Goddard played in the second spot; Schroeder in the third, and Norman and Gill alternated in the fourth spot. Gill played at Macomb and Norman at Wesleyan.

MACOMB:
Cox def'd Gibson 6:1, 6:4
Goddard def'd Buzz 6:3, 6:4
Schroeder def'd Brock 7:3, 6:4
Goddard def'd Freeman 6:2, 6:7
Cox-Kirkman def'd Gibson 6:1, 6:4
WESLEYAN:
Cox def'd Parsons 6:1, 6:2
Goddard def'd Fulton 6:2, 6:4
Schroeder def'd Clark 6:1, 6:2
Norman def'd Humphrey 6:7, 6:2
Goddard or Schroeder def'd by Parsons and Latzyne 6:1, 6:2
Cox-Gill def'd Black-Thayer 6:2, 6:2

Varsity Tennis Squad Re-ranked

Tennis rankings went up last Friday with the completion of the second week of ladder turnney play. They list Captain Cox in the number one position, with Everett Goddard, Meryl Schroeder, and Jim Norman in the following spots in the first group.

- Group one:
- 1. Everett Goddard 4 2
- 2. Meryl Schroeder 3 4
- 3. Jim Norman 2 4
- Group two:
- 1. Scott Gill 6 1
- 2. Ralph Ligon 5 3
- 3. Roy Leitch 3 2
- 4. Joe Puley 2 2
- Group three:
- 1. Elmer Ziegler 2 1
- 10. Q. D. Mischler 2 1
- 11. Sammy Glodich 1 3

IN THE SPORT - SPOTLIGHT

By DAVE KENNY
THE CONFERENCE SITUATION AT A GLANCE
DeKalt has established herself as the team to watch in track. She has experience, speed, power, and high morale due to a large extent to the intensive indoor season which her men wear through. Grouped right behind the Northern school are State Normal, Macomb and Southern. Their strength is apparently about equal. Several weeks ago Macomb edged out her sister school by several points. As Southern has met neither of the other two, her rating on a par with them is based upon comparative performances. The program will be cleaned up considerably with the meeting of Coach Linglie's and Macomb here next Monday. Has settled more so after the smoke has cleared and the store has been filled up after the Southern-Normans next Saturday. The Eastern members of Charleston are definitely rated as the under dogs in this season's under picture.

THE CAMPUS SPORTS SCOPE IN BRIEF:
The tennis squad preserved its record of not having been defeated in thirty-two consecutive starts on Illinois soil this week by thumping down both Macomb and Wesleyan for a five victory ride last Tuesday and Wednesday. Only one match of the 22 which took up two weeks was lost by the Tenney-men, and that was by the doubles combination of Everett Goddard and Meryl Schroeder, to the number one Wesleyan doubles outfit. Schroeder, a junior from Florida, returned coaching Wesleyan in his tening his two singles matches of the trip. The squad will next see action tomorrow afternoon against Washington.

A busy weekend is up for the track team with a meet against Washington on Saturday and one against Macomb on Monday. According to Cooper, both contests should be close enough to make very interesting watching. "You better come out and see for yourself."

PREDICTIONS DEPARTMENT:
Your spotlighter believes that the final scores of both the Washington and Macomb meets will be within two points of each other. Of the two he picks Macomb by a few points, say, around three to five. Missouri, he says, "victory" over Washington and frankly looks puzzled, which is his most natural look these days) after a session with the dope about the Leathernecks of Macomb.

EDDLEMAN, MERCER ATTEND STATE STUDENT COUNCIL CONFERENCE
Mary Eddleman, freshman council member, and Patricia Mercer, senior member of the council, left early this morning for a weekend meet of the Illinois Federation of Student Leaders at Macomb, Illinois.

Miss Mercer will be one of two people leading a discussion on "Student Council vs. Student Body". The convention will include student government leadership from all states. The group will take part in numerous panel discussions to exchange ideas for more efficient and more smoothly functioning student councils.

Washington Net Men Here Tomorrow

Tomorrow afternoon the Washington University tennis team will meet itself upon the Southern courts as competition for Coach Charlene Tenney's series group.

The Southern squad is fresh from an opposite trip which resulted in wins over Macomb and Wesleyan without a setback, and is determined to keep alive its record which hasn't been hurt by the previous four matches.

Washington will be remembered as the only team which handled Coach Tenney's great 1941 squad its only defeat, and incidentally, its first twenty-eight starts. While little is known about the Bear personnel, they are credited with having an strong conference title safety record away from home.

Three Way Fight
However, the fight for second place is going to be an entirely different affair. Three teams, State Normal, Macomb, and Southern, appear to be very close in the standings and should put up a real dogfight for the runner-up honor. Normal was edged out by the Western outfit by a bare 50 to 62 score earlier in the season, and although Southern has as yet met none of its opponents, her record and the performances her men have turned in place her on a par with them. A look in at something a good deal more definite in the prediction line will be offered Southern fans next Tuesday, when the Macomb squad will visit the Lincolns here at Carbondale for a dual meet.

MISSOURIANS TO BRING FAIRLY STRONG SQUAD TO CARBONDALE--MEET WILL BEGIN AT 1 O'CLOCK

Southern Rated Strongest in Weight Events With Others Toss Up; Distances and Sprints May Decide Meet

Tomorrow afternoon the Bears of St. Louis University will invade the Southern camp at 1 o'clock to take on Coach Linglie's track and field team in a fight to the finish. Track events will begin at 1:30, with the shot put half an hour earlier.

The Southerners, after two consecutive setbacks at the hands of the powerful Cape Girardeau Indians, are due and ready for a win. They have eleven days' rest since their last encounter and are in fine shape. Some excellent times and distances should be their contribution to tomorrow afternoon's entertainment.

CONFERENCE MEET TO BE HELD HERE MAY 22-23

Track, Golf, and Tennis Teams to See Action in Meet

The big weekend for sport fans in this part of the state is just around the corner with the approach of the 22nd and 23rd of May, the two days set for the Illinois Intercollegiate Conference's annual athletic meet.

The two-day program will feature competition in track, tennis and golf and will bring together athletes from the five teachers' colleges of the state. In addition to collegiate competition, the goals of the five schools involved will get a chance to perform as tennis and golf tournaments will be held to determine which of them has best learned how to team up a certain amount of brains and skill with the brains which they all possess.

The annual business meeting of the conference will be held here in Carbondale at the same time. Final action will be taken on the withdrawal from the circuit of Parkville, which presented its intention of dropping out of the loop last year.

The DeKalb Huskies, last year's loop under champs, are reportedly strong again this season and at the present are the team picked to win the track title. They have shown a great deal of strength already this spring in both indoor and outdoor competition. Some of the performances which they have recorded are very good: such as a 4:37 mile, a 1:42 hundred, 1:57 for the 120 yard high hurdles, a two mile in 10:57, 45 feet in both indoor and outdoor, and 11 feet 6 inches in the pole vault. It's fairly safe to say that when the powder smoke and flame dust clear away on the evening of the 22nd, the Huskies of Northern will be handicapped with another conference title safety record away from home.

Three Way Fight
However, the fight for second place is going to be an entirely different affair. Three teams, State Normal, Macomb, and Southern, appear to be very close in the standings and should put up a real dogfight for the runner-up honor. Normal was edged out by the Western outfit by a bare 50 to 62 score earlier in the season, and although Southern has as yet met none of its opponents, her record and the performances her men have turned in place her on a par with them. A look in at something a good deal more definite in the prediction line will be offered Southern fans next Tuesday, when the Macomb squad will visit the Lincolns here at Carbondale for a dual meet.

Bringing up the tail of the conference kite as far as the under spot is concerned is Charleston, who gave in to Southern by an overwhelming margin in mid-April. The Panthers will very probably find themselves in a class by themselves, well to the rear of the other four teams, when the final scores have been tallied.

Van Riper Called to Military Intelligence Division of War Dept.

Dr. Joseph Van Riper, member of the geography department of Southern Illinois Normal University, is leaving Thursday, May 7, for Washington, D. C., to begin his duties in the military intelligence section of the Military Intelligence Division. Dr. Van Riper volunteered his services recently to the United States War Department.

Dr. Van Riper came to the campus of S.I.N.U. in 1936 and is looking forward to returning after the completion of his war duties. A large number of younger professional geographers are at the present being called into the specialist corps to accept positions similar to that of Dr. Van Riper. Dr. Van Riper is the fifth faculty member of Southern Illinois Normal University to enter into active service to further the war effort.

Sale of waste paper is providing funds that will purchase uniforms for elevator men at Hunter college.

RODGERS THEATRE CARBONDALE

Continuous Saturday and Sunday from 2:30 p. m.

ATTENTION! GIRLS

There are several openings for girls to work for their room and board this summer. Anyone who is interested should call at the Student Employment Office, for further information.

NVA STUDENTS!

Timecards for the payroll month of April 15-May 10 are due at the Student Employment office no later than noon Saturday, May 9. Those who go home for the weekend should turn in their cards by 4 p.m. Friday.

Norma Sparks has lost a 1939 scholarship pin somewhere.

If anyone finds such a pin it would be appreciated if they would turn it in at The Egyptian office.

LOST: A tan suit coat.

Last seen in room 107, Main building, May 5. Please call 597-Y.

Conference Meet To Be Held Here May 22-23

(Continued from page 5)

once tennis title in Southern. She walked off with it last year and isn't expected to have a great deal of trouble in repeating. DeKalb seems to have a strong outfit, having registered victories over both Macomb and Normal in 54 and 51 contests. Ace of the Etahle racket swingers, Howard Stein, was conference singles champion last season.

In the golf department, which just isn't here at S.I.N.U., little advance information has trickled through. However, it is known that Normal won conclusively from DeKalb 10 days ago and that Charleston is fairly strong, as she is credited with a win over Milliken University and recently put up a stiff fight before going down under the attack of Indiana State.

Whatever the final results of the week-end may be, some excellent competition and performances in every branch of sports scheduled are assured. The meet is one for which tennis and golf fans from all over Egypt to look forward to with a good deal of anticipation.

LETTERS TO THE EDITOR

(Continued from page 2)

The whole argument is that someone who will be induced to aggravated if recognition is given to any particular group; such an action would be entirely contrary to the basic principles of democracy.

CAMPUS BULLETINS

All certificating and graduating students who secured a position for next year are requested to go to the Placement Office and fill out the "Position Security" card for the official record. This applies to other positions than teaching as well. Quite a number of students have already reported. Please do not delay.

ATTENTION! GIRLS

RECENT PLACEMENTS

Veron Tomlinson of Carbondale, coach and commerce, Valmeyer High school at Cedar Point.

Vernon Speed of Arma, now teaching mathematics and physics at the Marissa High school.

D'Mar Barnes of Raleigh, rural school at Cedar Point.

Wilma Louisa Rains of West Frankfort, home economics and physical education for girls at Lombard.

Genevieve Emery of Cartralia, commerce in the High school at Equality.

Phyllis Beinhof of Okaville, rural school in Washington county.

Naomi Fields of Enfield, Upper grades at Springfield.

Ruby Foley of Enfield, primary grades at Springfield.

Virdell Kiewlaphug of Venedy Carson school in Washington county.

Normaogene McDaniel of Carbondale, Oak Ridge school near Murphysboro.

Marjory Niehuwege of Valmeyer, Monroe city school in Monroe county.

Norma Jean Puffer of Steeplechase school in Randolph county.

Bernice L. Sheffer of Ziegler, 4th grade in the Ziegler public schools.

Cagle Granted Extended Leave to Complete Work on Degree at U. of Michigan

Mr. Fred R. Cagle, director of the S.I.N.U. museum, has been awarded a Horace H. Rackham Predoctoral Fellowship for the school year 1942-43, and has been granted an extension of one year on his leave of absence in order to complete work on his doctor's degree in zoology at the University of Michigan.

Having completed his doctorate examinations and research work for his doctor's thesis, Mr. Cagle will spend the next year in further to study and in the writing of his paper. He expects to receive his degree next January.

At present there are 40 members of the S.I.N.U. faculty who hold doctor's degrees. Like Mr. Cagle, many of the faculty are now working on higher degrees either through the summer months or on leave of absence.

Rural Training Schools Held Graduation May 6

About four hundred rural training school patrons and friends attended the eighth grade commencement exercises which were held in the Shryock Auditorium Wednesday evening, May 6th, at 8 o'clock. It consisted of solos, quartets and a chorus, all of the music being based on the flower theme. Some of the songs were of the present war situation.

The diplomas were presented by Mrs. E. D. McCullie, who has been president of the association of rural training school board members for the last two years. Music for the processional and recessional was furnished by Mr. William Gaetz, violin, and Miss Dorothy Coffin, piano, both S.I.N.U. students. The entire program was under the direction of Mrs. Elizabeth Meehan, supervisor of rural school music.

SINU Radio Programs

"Half Hour on the Campus", the regular Monday program originating on the campus of Southern Illinois Normal University and heard over station WFFF in Herrin, will be heard up 1:25 p.m. for the remainder of the year.

Next week's program will feature the S.I.N.U. band under the direction of Allan H. Bone. Also heard on the program will be a discussion—"Student Teams and Personalities at Southern". Thomas F. Williams will be heard in his regular capacity as commentator. Dr. C. H. Cramer of the history department of the college is announcer and director for the program.

We Need Every College Man In Officers' Training

"We Shall Pay Them Back With Compound Interest" - F.B.I.

★ To Man the Mightiest Air Army in the World ★

Make Your Choice This Week For Present or Future Officers' Training

If your blood boils at the very thought of an enslaved world... If Jap treachery and Nazi savagery make you see red and itch for a gun—calm yourself with the promise that we shall pay them back with compound interest!

We shall—and you as a college man now have the opportunity of serving as a Flying Officer—a Bombardier, Navigator or Pilot—with that payback in *person*—the U. S. Army Air Forces!

Under the new Army Air Force Reserve Plan—if you are a Senior or wish to leave school—apply now for your Aviation Cadet training.

You and your friends can share together the work and fun of flight training, and after approximately 8 months—earn the right to be flying officers in the U. S. Army Air Forces!

On the other hand, if you are a Freshman, Sophomore or Junior—you can, if you like, continue your studies under the Deferred Service Plan of the Army Air Forces—and become better prepared for Officers' Training later.

New Simplified Requirements
To qualify you must be 18 to 26 (inclusive), physically fit—and pass a new, simplified mental test which college men find easy.
When you are ready—and facilities are ready—you begin as an

THREE ENLISTMENT PLANS FOR COLLEGE MEN

1. A new plan allows Juniors, Sophomores and Freshmen, aged 18 to 26, inclusive, to enlist in the Air Force Enlisted Reserve and continue their schooling, provided they maintain satisfactory scholastic standing.
 2. All college students may enlist as privates in the Army Air Forces (unassigned) and serve three units their turns come for Aviation Cadet training.
 3. All college students may enlist in the Air Force Enlisted Reserve and wait until ordered to report for Aviation Cadet training.
- Upon graduation or withdrawal from college, men will be assigned to active duty at a training center as facilities become available.
- If the necessity of war demands, the deferred status in the Army Reserve may be terminated at any time by the Secretary of War.

The new Army Air Force Enlisted Reserve Plan is part of an overall Army Enlisted Reserve Corps program which will provide opportunities for college men to enlist in other branches of the Army on a deferred basis and to continue their education through graduation if a satisfactory standard of work is maintained. To get the details, the Secretary of War shall determine when they may be called to active duty. It is understood that men so enlisted will have the opportunity of competing for vacancies in officer's candidate schools.

This plan has been approved in the belief that confidence of education will develop confidence of service (and vice versa) and will set other precedents regarding enlistment. D. O. T. C. 105-1

Aviation Cadet at \$75 a month, with expenses paid.

If you have majored in science or engineering you can try for a commission in the ground crew—in Artillery, Communications, Engineering, Meteorology, Photography.

As a Second Lieutenant on active duty, your pay ranges from \$183 to \$245 a month.

80% Have Won Commissions
Due to thorough training—about four out of every five Aviation Cadets this past year received Second Lieutenant's commissions—of which 67% are now flying officers.

The tremendous expansion of the Air Forces should assure rapid advancement in all branches. And after the war—you'll be ready for the ever-growing opportunities in aviation.

Settle Your Service Now
The years ahead are war-years—and every college man should make his plans accordingly.

To make America supreme in the air we need every college man who can qualify for active or deferred service.

So take advantage now of this option. You may never again have such opportunities.

See your Faculty Air Force Advisor for information and help with details. Join the thousands of America's college men who are enlisting this week!

NOTE: If you are under 21, you will need your parents' or guardian's consent. Six recommendations and three letters of recommendation will be required of non-applicants. Obtain the forms and send them home today.
