Letters to the Editor

To the Editor:

Dear Sirs:

There were several additional equations in the paper. Two have been corrected as noted above (in part), while the third still needs correction.

First, the Independent Student Organization, Inc. has an equation that affects students. The equation:

\[ \sum_{i=1}^{n} x_i = 0 \]

is incorrect. It should be:

\[ \sum_{i=1}^{n} x_i = 0 \]

Second, the Independent Student Organization, Inc. has an equation that affects students. The equation:

\[ \sum_{i=1}^{n} x_i = 0 \]

is incorrect. It should be:

\[ \sum_{i=1}^{n} x_i = 0 \]

Third, the Independent Student Organization, Inc. has an equation that affects students. The equation:

\[ \sum_{i=1}^{n} x_i = 0 \]

is incorrect. It should be:

\[ \sum_{i=1}^{n} x_i = 0 \]

Thank you for your consideration.

To Which We Answer

By JAYE LARDY and GERRY SIMMOND

Our faith in American men will not allow us to believe that the ordinary American man and woman are incapable of producing any more inequalities than the ordinary American man and woman are capable of producing any more inequalities. Our faith in American men and women is not a blind faith, for it is founded on the belief that they can do anything that they set their minds to do. Our faith in American men and women is not a blind faith, for it is founded on the belief that they can do anything that they set their minds to do.

We believe in the American man and woman, and we believe that they can do anything that they set their minds to do. We believe in the American man and woman, and we believe that they can do anything that they set their minds to do.

Southern in Quest of First IIAC Victory at Normal; Red Birds 1945 Champs

By JOHN B. HENDERSON

With two wins and one loss, the Maroons and Red Birds made the last leg of their season trip to Normal, Ill., for the IIAC tournament.

Southern took the field with a win over Rock Island, 41-7, and tied Wisconsin, 20-20. The Red Birds opened the season with a 10-7 win over Illinois, 31-20, and afterward, as their third game, they took the field against Northwestern State Normal and lost 10-1. Last Saturday was the last day of the Illini season with a 20-10 win over Minnesota.

The Red Birds took the championship last year, although they suffered a defeat at the hands of Southern, 21-6, the only time they have lost an IIAC game. The Southern team, under the guidance of Coach Glenn St. Louis, will be a strong contender for both championships.

Maroons Drop 20-13 Tilt to Cape Southern

Ed D. McDOWELL

Southern's Maroons went down to defeat before the powerful Illinois State Maroons last Saturday at McAllister Field. The game ended with a score of 20-13 in favor of the Illinois State Maroons.

Cape's ground defense was too strong for the Maroons, and the game was all but over by halftime. Cape, however, showed good defense before they had a chance to break it up. By Coach McDowell's tactics, the game was played to Southern's liking. The Maroons completely dominated the game and only the Illinois State Maroons were able to find a way to stop them.

In the second half, the game continued to be played with only a few changes. The Illinois State Maroons were able to score a touchdown, but the Southern team was quick to respond with another.

The final score of the game was 20-13 in favor of the Illinois State Maroons. It was an exciting game, and the team played well together.

The Illinois State Maroons will now move on to their next game, while the Southern team will be looking forward to their next match.
