King Tut Is Name For SIU's Saluki

Among the most distinguished of the many new faces on the southern campus this fall is none other than King Tut.

Tut isn't the ancient Egyptian King of great fame, but is actually the new mascot of all SIU athletic teams.

He is a pedigreed Saluki dog, symbol for Southern's nickname, the Salukis.

The dog, King Tut, by Dr. Lingle, arrived on the campus just one week ago, last Monday from Farmington, Illinois. It stands 25 inches in height, is 36 inches long and has a reddish color much like that of an Irish Setter.

There are only about 500 such dogs in the United States today.

KING, will most probably make his first appearance before S.U.I. fans at Saturday night's home game against I-I.

According to Walter Mazurek, the athletic department, who is also present to help Tut train the dog, "King Tut is very excitable, Skittish, not used to many people, and may take as long as six months to train before he becomes friendly."

Student Council Holds Nominations For Replacements

Tuesday has been designated by the Student Council as nomination day when juniors and seniors may nominate one boy from each of the two classes to fill vacancies on the Student Council.

The senior vacancy was made when Jim Parker left for the service and the junior vacancy was made when Bob Cooper transferred away from Southern.

Polls for the nominations will be located by the main gate in front of Old Main and will be open from 8 a.m. until 4 p.m. in case of rain. All ballots will be returned to the cross halls of Old Main.

ELECTION for the two replacement representatives will be held one day from the day of nominations. In order to be eligible to be placed upon the ballot as a candidate for replacement, a student must receive a minimum of ten nominations and must have a minimum of 70 hour credit and a minimum of 117 hours and a maximum of 170 hours of attendance.

Present Student Council members will man the polls during both the nominations and election.

Enrollment Figures Still Incomplete

Full-time enrollment at Southern for fall term had reached 2,664 by Thursday, Sept. 30, with 90 percent of all divisions still incomplete.

So far, a total of 1,356 have registered in the division extension, and 150 in the vocational-teclnical institute. No figures are obtainable for the Belleville residence center enrollment, which totalled 56 last year.

AFROTC Program Launched With 620 Students Enrolled, Staff of Nine

Southern's new AFROTC program is now in full swing with 620 students enrolled for the fall term. Air Science I, for the academic year 1951-52 consists of 60 hours devoted to World political geography and 30 hours of leadership, drill and exercise of command.

AIR SCIENCE III, and administation and logistics course consists of 20 hours of equipment training and 90 hours of officer career training.

Students also receive one hour per week of physical education, and special period has been allowed to be held tomorrow morning at 8 a.m.

Uniforms have not as yet arrived, but are on requisition and are expected soon.

AM P. Vickery, of S.U.I. ROTC staff, said he thought the spirit was excellent here, and believes a fine organization will result.

The following Air Force personnel are connected with the university's ROTC program: Col. Oliver Haldeman, director, Air Science I and Tacticals; Major G. B. Vickerly, assistant professor, Air Science and Tacticals; Capt. W. F. Gordon, replacement instructor; Capt. W. C. Osborne, director; Capt. W. C. Osborne, assistant instructor, Capt. W. C. Osborne, assistant instructor.

Activities for the day will begin at 3 p.m. with campus tours. At 4:00 slighters have been invited to assemble in Shryock auditorium for welcoming by S.U.I. President Oliver Haldeman. Dr. Haldeman, chairman of the speech department, will deliver the address.

The program will be followed by an open house immediately following.

At 8 p.m. the S.U.I. Salukis will meet, Central Michigan for the opening football game of the season.

Activities will be followed by the game to the price of one plus taxes. Parents' tickets will go on sale at 5 p.m. Saturday at the ticket office. Parents will be able to sit with their sons or daugh-

TOMORROW HAS also been designated as Scout Day and scouts from all over Southern Illinois will take part in the game. A march-

ing demonstration will be performed by the scouts preceding the game. Plans is for the scouts to be judged at that time according to number in the troops, general appearance and marching ability. Awards to the groups will be mailed at a later date.

Half-time ceremonies will consist of special Indian dances performed by students and by the Saluki, a puppet for which the puppeteers will be open on weekends and holidays.

Students of Southern Illinois high schools will be the guests of the university on October 6 for the annual High School Guest Day.

Letters have been sent to the principals of senior high schools in 35 counties in lower Illinois inviting the juniors and seniors to the High School Guest Day.

The high school students will be entertained by an open house held at the Student Center and by attending the football game that night, to mention a few of the activities.

More complete plans will be announced at a later date.

Present Exhibit

At Du Quoin Fair

Featuring demonstrations in various agricultural exhibits, the Southern Illinois University Extension Service will hold its annual Farm-Market Fair at the Du Quoin State Fairgrounds March 10. The fair will be open to the public from 10 a.m. to 10 p.m. daily. The fair is sponsored by the Southern Illinois Area Agricultural Extension Service and the University of Illinois Extension Service.

The fair will feature exhibits of farm animals, home示cience, horticulture, forestry, and other agricultural fields. There will also be displays of farm equipment, farm products, and other agricultural items. The fair is open to the public and admission is free.

Included in the fair are various exhibits related to agriculture, including livestock, poultry, and other farm animals. There will also be displays of farm equipment, such as tractors, combines, and other machinery. Additionally, there will be exhibits of farm products, such as grains, fruits, and vegetables. The fair will also feature demonstrations of various agricultural techniques, such as seed planting and crop management.

Students interested in participating in the fair should contact their local extension office for more information. The fair is open to the public and admission is free. It is a great opportunity for students to learn more about agriculture and to see the latest developments in the field. Students should come prepared to learn and to share their knowledge with others.

Salukis Face Central Michigan in Grid Opener

Southern's Salukis will be hosts of Central Michigan tomorrow night in the first I.A.C. game of the 1951 football season.

Central, a team picked by many experts in the Interstate Intereollegiate Athletic Conference, may prove to be the toughest opponent which the Salukis will have to face in their eight game schedule.

Bob McDaniel, second in passing among the small colleges last season, will again capture the Michigan team from his quarterback position. McDaniel's accuracy plus the capability or inability of Southern's pass defense may prove to be the deciding factors in the contest.

The Salukis pass defense, often pitifully erratic last year, has visibly improved in practice sessions thus far. But, as in everything, time will tell if the time will be when the Michigan auburn sets his sights on his receivers.

The Salukis will run their offensive line-up, according to Coach Bill Wangelin, about the same as last year. The probable starting offensive line-up, according to coach Bill Wangelin, is W. A. A. will have Trail Hike Tuesday.

The annual trail hike of the Women's Athletic Association will be held Tuesday, Sept. 25, and will begin at the gymnasium at 4 p.m. Tickets, 25 cents each, are on sale in the W. A. A. room at Southern.-

The W. A. A. now offers tennis, hockey and modern dance for women students at Southern. Including tennis and hockey are played Monday through Thursday, 7 to 9 p.m. Modern dance is held every Tuesday and Thursday from 7 to 9 o'clock.

Jayvees to Play 6 Game Schedule This Fall

Southern's junior varsity football team will play a six game schedule. Coach Jim Wilkinson reported today.

The first game will be played Sept. 29 at McAndrew stadium against Cape Girardeau. Other games.

Oct. 5 - Scott Field, here.
Oct. 18 - Cape Girardeau, here.
Nov. 5 - Washington U., here.
Nov. 15 - Scott Field, here.

freshman talent for his reserve strength. Thus, this opener against one of the tougher opponents in the conference will prove to be a preview of what can be expected of Southern football in the games to come.

Baseball Team Drops Opener to Fairfield

Southern's baseball team opened its fall season Saturday by dropping a 9-2 game to the Fairfield Hounds.

Tom Milikin pitched all nine innings and gave up 13 hits. Fairfield's Bluche Wave limited Southern to five singles and fanned nine batters. The game was played at

Despite the score Coach Glenn (Abe) Martin was not displeased with the team's showing. He cited the strength of his outfield and catching.

Martin played a different team Wednesday night when Southern fielded the Capahap at Cape Girardeau. Purpose of his fall program is to season his squad for the regular season.

The Salukis scored both their runs in the fifth inning, on singles by Bud Ripplemeyer and Wilbur Miller, a walk and an error.

Southern's lineup: Milikin, pitch- er; Miller and Nick Davis, catchers; Pete Lowe, first base; Ed Coleman, second base; Jerry West, third base; Charles Vaile, shortstop; Charles Dickinson, left field and third base; Fred Harries, left field; Jim Schmubach, center field; and Ripplemeyer, right field.
