Lowest in the state and only one game behind the Cardinal are the Illini, who face the Volunteers on Saturday. The Illini are coming off a 3-0 loss to the Volunteers, and they need a win to keep up in the standings.

**SIU Students To Publish Magazine**

By Jim Hicks

When you're up in the air above the ground, you know you're alive. Last year a group of students put together a magazine to commemorate the occasion. This year they're back at it, but this time with a little more experience.

APO Builds Picnic Area

By Bob Brown

Last week, as a meeting of the Alpha Phi Omega, most of the active members were ordered to clean up a picnic area near the new stadium and construct a new pavilion.

The idea sounded good. Several weeks ago, some active members of the organization were ordered to clean up a picnic area near the new stadium and construct a new pavilion.

Finally, this spring, the members brought in a few tent poles. They would be used to support a roof over the new pavilion. The members were happy with the progress they made and are looking forward to the completion of the project.

There were a few mishaps, but most of the project can be finished in the next few weeks. The members are well pleased with the progress they have made and are looking forward to the completion of the project.

Art Wolfe, left, and Clark Wolfe, right, with the help of Jim Miller, Jr., one of the band members, used to cover the bridge. Material, more than $1000, was donated by the school. Joie Smollett, left, and

A&W Projects

Zen Wu chapter of Alpha Phi Omega has just completed a new building project on May 21, 1969, to honor Senator Yen, a former student. The project involved the construction of a new building for the students to use as a study hall and a place for the students to study for tests.

As a part of these projects, APO is active in many community activities. In addition to erecting a football and basketball team, the sponsor also helps to support "Food of Sixties" drive to stimulate giving by the National Founders to the National Foundation.

A time also is set to honor University in the spring of 1969, in the memory of our honored Student. The cup, which is now at the University, is to be owned by the Student and will be used in connection with our annual football game.

This year, during spring term, the Student House began a picnic area project, which was completed after six weeks of work. The "Two Chick" picnic area, located about 500 yards north of the Yen Residence Hall, is now open for business, and will be used as an attachment for our picnic area.

Distance Squad Starts Practice

Leland F. "Doc" Long has a demanding job to do this season - the year he began his 29th year as coach of the Salukis squad. The 29-year total back from last year's squad, however, has promised a successful season.

The defense of the Southern coach, Jackson Theriot, will begin his 29th year as coach for his 29th year as coach this fall and eighth cross-country season.

Back from the three-season cross-country skip is Junior Theriot, who finished third in the Illinois cross-country meet last fall. The only senior returner last year, he will be the only senior returner in the team's lineup this fall.

Back from the cross-country trip last year is senior Mike Watters, who will be the top man for Long in his third year as coach.
