WHY... I smoke Chesterfield

(FROM A SERIES OF STATEMENTS BY PROMINENT TOBACCO FARMERS) "I think Chesterfield is the best cigarette on the market. Foe smoked them for about 20 years. It's mild and it's got more real tobacco taste.

"Liggett & Myers buy the middle leaves...it's the best leaf...it's mellow...it's got to be ripe. They consistently pay above the average to get the tobacco they want."
