One objective of the retreat is to increase understanding and association among the three campuses as much as possible.

### Father Hentschel Discusses 'Divine Faith' in Lecture

By Larry Mayer  
Staff Reporter

"Every intellectual development motivated by the science of divine faith can only advance what is noble, true, and good for God, for society, and for yourself," stated Father Cletus Hentschel in his talk Wednesday night at the Newman Library Auditorium in connection with Southern's Religion in Life Week.

Father Hentschel, a Roman Catholic priest who is director of the Newman Foundation at SIU, explained that education without the science of divine faith "becomes analytical, statistical, and categorical."

"Some people have made the human mind the basis of truth. Do they not realize the finest things in life cannot be rationalized?"

A mother's love for her son who committed a crime cannot be rationalized, he pointed out. But isn't her love more real, he

The Four Lads... Here Saturday

## Four Lads Sing Here Saturday

Take a tenor, an elaborate, serene tenor like Jimmie Arnold, and add the pranks of a little Italian baritone like Frank Busseri and you've got one-half of 90-minutes of great entertainment.

Sprinkle in the lead tenor voice of Bernie Toorish, and the antics of bass Corrado Codarini and you've got one of the top vocal groups in the country—the Four Lads.

The Lads, a smash hit a year ago, make an encore appearance in Shyroek Saturday night. Two 90-minute shows are on the docket beginning at 7 and 9 p.m.

The concert is being sponsored by Sigma Delta Chi, national honor society for professional journalists.

Hundreds of good reserved seats are still on sale in the Student Union ticket office. Ticket prices are \$1, \$1.50 and \$2.

The Four Lads biggest claim to fame, however, is their records. The group has cut five "million" sellers, "Who Needs You," "No Not Much," "Standing On the Corner," "My Little Angel" and "Moments to Remember." They have also cut sides with Johnnie Ray, Frankie Laine, Doris Day, Jill Corey and Tommy

## Legislator At Convo Thursday

Charles W. Gabagah, businessman and legislator, will appear in Shyroek Auditorium for freshman convocation Thursday. He will present a film titled "Arctic Holidays."

Marta Becket, presenter of dance-minus, will appear Monday. Miss Becket has toured with her one-woman show through the Northwest, Middle West, Eastern and Southeastern states at numerous colleges, universities and clubs.

She will present 190 characterizations as well as an old Turkish fairy tale "The Mirror, the Carpet and the Lemon."

Miss Becket has also illustrated two books on dancing and has designed sets used in ballets which were presented in Japan and the Far East.

## Mendelson Discusses Racial Riot

Men thinking of their "blood intestines and skin color" will be in South Africa last summer, Rev. Jack Mendelson told Southern Students Thursday at freshman convocation.

"To abstain from racial prejudice as an abstract is easy, but real test of one's religion comes when the problem is at home, the theologian declared.

He said it is impossible to follow the teachings of Jesus and hold racial prejudices at the same time.

He cited an African housewife, who observed that "when white man came to Africa, he had the Bible and we had the land. Now we have the Bible and he has the land."

Rev. Mendelson, a Unitarian minister who studied at Boston University, the University of Chicago, and Harvard, spent several weeks in eight South African countries last summer. Rev. Mendelson was the keynote speaker for Religion in Life Week.

With freedom pointed out as the most important symbol in Africa today, arrogance of the whites (or Europeans) was cited as the racial problem of the present and the past.

## 'Seventh Seal' Tomorrow

A disillusioned knight who wants to have done one significant act before he dies is the subject of a film to be shown at 7 and 9 p.m. tomorrow in Furr Auditorium, sponsored by the Southern Film Society.

"The Seventh Seal," Swedish film with English subtitles written and directed by Ingmar Bergman, is set in the middle of the 14th century when the "Black Death" scourged Europe.

The knight is returning from a crusade to the Holy Land, tormented by doubt that there is God. Suddenly confronted by Death, he begs for a respite and proposes a game of chess.

Admission to the film, which stars Bibi Anderson, Nils Poppe, Max Von Sydow and Bengt Ekero, is 25-cents for students with activity cards and 40-cents for others.

## VOKAK NAMED DIRECTOR FOR ALPHA KAPPA PSI

Robert B. Vokak, assistant director of the Placement Service, has been named a district director for Illinois for Alpha Kappa Psi.

During his undergraduate career at the University of Michigan, he was president of that school's chapter.

Funeral services were held yesterday in New Jersey for SIU instructor at Vocational-Technical Institute, who died. Frederick R. Lloyd, Sr., 54, assistant supervisor and acting coordinator of wood technology, was pronounced dead on arrival here in a hospital late Thursday after he apparently lost consciousness while driving his auto.

## Finish 2nd Debaters Shine At Normal

Southern debaters won 38 of 54 debates at the annual Illinois State Normal University tournament Jan. 6-7. SIU won second place in the first division with 11 wins and one loss.

Undefeated in the winning unit was the affirmative team of Dick Fulkerson and Mike Morris, both of Carbondale. They were awarded one of a handful of "superior" certificates given for high individual speaker ratings.

The negative team of Karen Hanagan of Benton and John Brunette of Chicago had five wins and one loss.

SIU also received three certificates of superiority in individual events. In the extemporaneous speaking contest with 120 participants, Phillip Wander of Bloomington, with 25 points, was awarded one of 30 superior certificates. The highest rated speaker had 29 points.

## Biologists Awarded Grant

National Science Foundation grants totaling \$39,000 have been awarded to SIU biologists Carl Lindgreen and Margaret Kaesler.

Lindgreen, head of SIU's Biological Research Laboratory, was awarded \$25,000 for a two-year study of the zymoglyph, related to yeast cell research which he has conducted for several years.

Miss Kaesler, associate professor of botany, was awarded \$14,000 for a two-year project titled "Proportions of Anatomical Components in Plant Structures."

## Bus Runs To Murdale

Student shoppers can now ride the bus on Saturday to downtown Carbondale or the Murdale Shopping Center on the west side of town for the regular cost of 10-cents.

Express runs will depart from Court Housing at 1:30 p.m., "Thompson Point at 1:35 p.m., and Woody Hall at 1:40 p.m. each Saturday.

## Marines Here Jan. 23-26

SIU men interested in commissions in the US Marine Corps may discuss such matters with Capt. Charles H. Black, USMC, Jan. 23-26 in the Student Union.

Men accepted by the corps attend two six-week training periods between academic years and are given second lieutenant's commissions upon graduation.

Aviation officers have a four and a half year obligation; ground officers serve three years.

USMC officials point out that no on-campus training is required for the commission.

## No Policy Change

"It is not the intent of this group to come and ask for a change that would be considered a policy change of SIU," said Bill George of the Sherry Insurance and Realty Inc., and spokesman of the merchants' fact finding committee.

George told Dean I. Clark Davis and Asst. Dean Joseph Zaleski who were representing the University, that there had been several rumors circulating that the merchants were going to make all sorts of demands. "This thing has gone out of proportion," said George.

George explained the committee's reasons for requesting the meeting and said the questionnaire facing area merchants is "would area business improve if the car picture was different?"

Dean Davis then explained, as he has several times in the past,

## 'Trial' Bus System On Last Leg; Fare Changed To 10c

Unless at least 600 persons ride the student bus each school day, the program may be discontinued at the end of this month.

So Suzanne Puntney, student body vice president, told the Student Council at its Thursday night meeting. "Although we need a bus we might have to take it off," she said.

Through Wednesday noon, only 563 riders had utilized the Student Bus Program this term, Miss Puntney pointed out. She said the 8 a. m. run was most popular.

## Council To Publicize

To combat the rapidly dimming hopes that Southern will keep its bus program, the Council is thinking on a concentrated plan to publicize the service, especially the new rate of 10-cents a ride.

Originally students could ride the bus—there is only one—for a week for \$1.50. In the past there was no provision for individual riders.

## Car Discussion Quiet

By Ron Jacobson  
Managing Editor

Quiet discussion was the theme of a fruitless meeting between a merchant fact-finding committee and University officials Saturday morning in the President's office.

The highly publicized meeting was called upon request of the area merchants to discuss the SIU car ban.

Student hopes of a relaxing of the car ban were aroused early last week when area businessmen met to discuss the area's stagnant economic condition. Many area merchants expressed opinions that the ban had something to do with the decline in area sales.

"It is not the intent of this group to come and ask for a change that would be considered a policy change of SIU," said Bill George of the Sherry Insurance and Realty Inc., and spokesman of the merchants' fact finding committee.

The possibility of chartering a plane to Europe this summer for low-cost student trips was presented by Richard Childers, commissioner of internal affairs.

Council members agreed to give more thought to Childers' idea, which included these points:

- A round-trip fare of from \$200 to \$450 per student would be possible if at least 50 persons were interested.
- Expenses could be greatly cut while in Europe by staying at student hostels.
- There are enough overseas students on campus to provide European contracts.
- "Something like this," said Childers, "would probably offer a chance to go to Europe at the lowest price possible."

In other business, Gail Miller, Carbondale junior, was named chairman of this year's New Student Week. Miss Miller is also chairman of the University Center dedication committee.

# The Civil War 100 Years Later

The Civil War began in 1861. One-hundred years later, the results are still a bit hazy: who actually won the War Between the States?

Is the Negro free? We of the North say yes, but those of the South are still saying no—and in no uncertain terms. In our democratic form of society—in our world of freedom, our form of equal rights for all—the Negro is far from free.

What can visitors and immigrants from other countries think of the United States? Many have left their homes to find peace in America. Instead, they find a nation which battles its own people.

Are the vestiges of the Civil War so bitter that 100 years later the South is still hating, fighting and attempting to control the Negro? How can a people be so narrow-minded to deny a person of equal intelligence, of equal morals and of equal freedom the right to attend an institution of higher education?

A bitter, bloody war of 100 years ago still stains the relations between the Negro and the white. The scars are so deep that state governments are verbally fighting the federal government to keep Negroes segregated.

Historians have noted that after the war the Southerners sought ways to continue their superiority over the Negro. Segregation turned out to be the

best answer. In this way the South could say: "You're not good enough for us, black man. Stay in your own pen."

It is a pity indeed that so many great minds of the South are so firmly entrenched with the fear of being equal to the Negro that he insists on fighting progress and in effect denies

the freedoms for which his country stands.

Did the North win the war? Statistically, yes. But is the Negro completely free in the South, or is he still inferior to the whites, still a slave?

One-hundred years ago, brother faced brother in a swash-buckling battle over the concept of freedom. Today the fight continues, but this time it involves throwing rocks at Negro children, burning homes and threatening Negroes until they are afraid to leave their homes.

One-hundred years after, we wonder whether all those battle field deaths were needed. In many cases, the Negro is still a slave.

Thought for the day: No two people are alike and both of them are glad of it.

A letter arrived recently from a former Southern student who is now attending the University of Illinois.

Don King, a long-time acquaintance, receives the Egyptian by subscription and he noted a picture of the Angel Flight pledges.

Don, who appeared in several Southern Player productions and in an Opera Workshop, has this to say:

"The photo once again prompts a much repeated statement that I—and others—have made. When it comes to beautiful women, Southern takes a back seat to nobody."

John McCormick, well-known disc jockey of the midnight show on WMMX, St. Louis, mentioned the shows several times last week and described the group as "the Four Lads are fine Lads...they're tremendous showmen."

It happened in a dream, at least. This ardent admirer of Mr. Kennedy dreamed that she somehow ended up in the rear chamber of an auto with the president-elect, while Jackie chauffeur'd.

The dream included Mr. Kennedy telling the worshipping coed to "just call me Jack!" Talk about a far-fetched dream!

Choice tickets are still on sale for the Saturday night concert featuring the Four Lads, Columbia recording artists. Duets are being sold for \$1, \$1.50 and \$2 with all seats reserved.

The Lads, who appeared here last February as a replacement for Johnny Mathis, are scheduled to present two hour and a half shows.

## Students Should Pick Bus System

The student body has been given the choice between an inadequate transportation system and no transportation system at all. This choice might never have had to be made if there had been a large-scale survey of the student body to find the transportation system that it most generally felt was needed or if the students had been allowed the freedom to provide their own transportation system.

The present system of payment has certain disadvantages and inequalities. To begin with, the use of the transportation system and its need during bad weather has never been disputed, yet the cost of maintaining this system in good weather has been placed on the group of students who need the system to get to school or those who utilize its somewhat inconvenient service to go shopping.

# Charlie Vaughn Smashes Southern's Cage Career Mark

## Saluki Great Breaks Bryson's Scoring Record Of 1,535 Points

Southern whipped Illinois State, Vaughn had just eclipsed the old Saluki standard of 1,535 points set by Bryson from 1955-59.

Seymour then presented Charlie with the game ball. It took Seymour, a former all-state prep star at Quincy and now a graduate student at Southern, four years to achieve his feat. And now every body's Little All-American candidate, former Tamm, Ill. prep star Vaughn, had erased his mark in less than two and one-half years.

**Missed Six Games**  
Vaughn collected 630 and 779 points respectively in his first two seasons with the Salukis. Charlie's greatest Seymour Bryson mark of 1,535 points was set this season due to scholastic difficulties.

## Saluki Track Club Scores Well In Chicagoland Open Indoor

Chicago track fans once again witnessed the power of the Saluki Track Club last weekend as a group of SIU athletes, competing unattached, did well in the Chicagoland Open indoor meet.

The local club, comprised of Saluki trackmen and future SIU runners, performed last month in the Windy City. At that time, Southern was recognized as an up-and-coming track power.

No team scores were kept but once again it was Dave and Don Styron who turned in record-breaking times.

Results for SIU performers were:

- 60 yard dash—Dave Styron of SIU won in 6.2 seconds to tie the record. Jimmy Douglas of SIU was fifth.
- 60-yard high hurdles—Don Styron of SIU won in 7.3 seconds. Old record was 7.5 seconds.
- 200-yard dash—Douglas of SIU third.
- 440-yard dash—Sonny Hocker of SIU third.
- Three miles—Joe Thomas of SIU second, Phil Coleman of Chicago Track club third. Gar Williams of Chicago won in 14:30.9.
- 3,000 meter steeplechase—Thomas second, Allen Gelsco of SIU second.
- Shot put—Mike Mosher of SIU third.
- Broad jump—Evans of SIU fifth.

## Iubelt's Frosh Hand Panthers First Loss

By Nels Lawrence Sports Reporter

Eastern Illinois' Frosh Panthers were overpowered Friday night, as the Saluki yearlings snapped their unbeaten record, 96-81.

The Panthers headed the Southern freshmen 1-0 in the first minutes of play and were tied 22 seconds later. From that point on the Panthers could not withstand the SIU running offense.

With seven minutes left in the first half SIU's coach George Iubelt had five guards on the floor, while the Salukis, led by Mike Pratte and Eddie Blythe, a 5-7 flash, skipped to a 48-37 lead.

The Salukis scored on long-range hooks and jump shots as the Panthers scrambled under the goal and raced up and down the hardwood only to have the ball land in Saluki hands.

Blythe and Daye Needham, a 6-4 forward, took the initiative at the outset of the second half of play and the Salukis shot ahead to a comfortable 56-46 margin.

SIU's Needham took scoring honors for Southern with 26 points on 11 field goals and four free throws. Close on Needham's heels was "crowd pleaser" Blythe with 10 buckets and four free throws for 24 points. Pratte popped in 16 points while Curt Reed made 13 and Eldon Bigham contributed 10.

## Illini Gymnasts Whip Salukis

Competing without Olympian Fred Orloffsky, Southern's gymnastic team bowled to the University of Illinois Saturday afternoon in Champaign's George Huff Gym, 67.5-47.5. The meet followed the Michigan-Illinois basketball game and attracted over 4,000 fans.

Illini Ray Hadley was the individual star of the afternoon with firsts in free exercise, parallel bars, horizontal bars and the still rings as the U. of I. swept all seven first places.

Orloffsky, Saluki mainstay, was at Penn State University competing with the U. S. Olympic squad against the Russian gymnasts in an international meet.

SIU Coach Bill Meade was especially pleased with the consistent performance of Saluki Bruno Klaus who finished a surprising third on the still rings. Southern seconds were scored by Len Kalkanian, Fred Tjerina, Hugh Blaney and Bill Simms.

The Salukis will host the Illini on Feb. 25 when teammate Orloffsky will be present for SIU and Illinois will be without National Collegiate tumbling champion Al Barasch and NCAA still rings runnerup Pat Bird, who will graduate next week.

The results:

Free exercise—Hadley 1, Kalkanian 5, Klaus 5.

Side horse — Aufrecht 1, Walker 1, Kies 5, Sims 5, Hadley 1, Klaus 5.

Parallel bars—Hadley 1, Tjerina 5, Sims 5, Schmessing 1, Klaus 5, Howarth 1.

Tumbling — Holmes 1, Barasch 1, Kalkanian 5, Glomb 1, Blaney 5.

Trampoline — Barasch 1, Kirby 5, Glomb 1 and Shidler 5, tied for third, Kalkanian 5, Blaney 5.

Horizontal bars — Hadley 1, Sims 5, Tie for third by Klaus 5, and Buffum 5.

Still rings — Hadley 1, Bird 1, Klaus 5, Foster 5, Sims 5.

## Co-Captains Spark Saluki Tank Wins

Led by co-captains Walt Rodgers and Ray Padovan, Southern's Saluki mermen posted two dual meet victories over the University of North Carolina and North Carolina State University.

SIU swimmers defeated the North Carolina State Wolfpack, 58-37, Friday afternoon in Raleigh, N.C. Then on Saturday, the Tarheels of the University of North Carolina succumbed to Coach Ralph Casey's Salukis, 53-42.

**Loss To IU**  
The two wins boosted the SIU dual meet record to 2-1 for the season with the lone defeat being to the powerful Indiana University mermen.

In Friday's meet with State, Southern's Padovan won the 100-yard freestyle with a time of :48.6 which equals the national collegiate mark. SIU's medley relay team also turned in an excellent performance as they won the event with a time of 3:51.1.

Southern needed the seven points for the final relay Saturday to stave off the Tarheel men from Chapel Hill, N.C.

**Padovan Smashes School Mark**  
Once again it was Padovan who led the Salukis as he took firsts in the 100-yard and 200-yard freestyle events. His time of 2:08.1 in latter event eclipsed the SIU school mark by a full seven seconds. Ray's time in the 100-yard freestyle was :48.7.

Southern's next dual meet is SIU's Rodgers took firsts in the 200-yard individual medley and

## Orloffsky Leads Americans In Losing Cause

Fred Orloffsky, lone collegian on the U. S. Olympic gymnastic team, led his fellow Americans in a losing cause Saturday afternoon as their Russian counterparts won the international gym meet, 285-281.

The meet was played at Penn State University before 10,000 avid fans. The match was also televised over closed-circuit TV.

Orloffsky, Saluki sophomore, finished sixth in the all-around competition to lead the Americans. Amanda Vega's first place finish in free exercise was the lone U.S. first in the meet.

Meanwhile Orloffsky's SIU teammates were losing to the University of Illinois, 67.5-47.5.

## Salukis Increase IIAC Lead; Trounce Illinois State, Western

By Joe Gaggis Sports Editor

Employing a lightning-fast offense and an air-tight defense, Southern's basketball Salukis spanked Illinois State's Redbirds, 95-64, Friday night in the SIU Men's Gym.

Using the same tactics, the following night, Coach Harry Gallatin's Salukis strangled Western's Leathernecks, 95-72. The two wins upped SIU's conference record to a comfortable 6-0 as the Salukis completed their first look at the entire loop.

Friday night's victory was overshadowed by Charlie Vaughn's record-breaking performance. SIU's Vaughn set a new school career scoring mark of 1,548 points. The old standard, 1,535 held by Seymour Bryson, was set 1955-59.

**Field Goal Mark Tied**  
The Salukis also tied a team mark Friday night when they hit 42 shots from the field. The mark ties the record that was set against Illinois State two years ago and equaled last season against North Central College.

Coach Jim Collie's Redbirds from Illinois State, who last year fell victim to Southern's finest display of defense this season. State was only able to muster 17 points in their first half.

Collie's charges finished the game with 54 points and a poor 27.5 shooting per centage. Redbird Buzz Shaw, who made last year's second team all-IIAC, was held to four points. Center John Swart, who has sparked State's successes this year, took team scoring honors with 10 markers.

Salkin Hill 53.

SIU's Vaughn took game scoring honors with 24 points. Saluki center Tom McGreal added 15 and Capt. Don Hepler contributed

ed 14 points. Southern shot a nifty 51.9 from the field.

Coach Lenoy "Six" Morley's Leathernecks from Western Illinois outscored the Salukis in Saturday night's contest but couldn't find the range. Western may have set a record for shots attempted, 110, but it didn't win any honors for the 20 goals it hit from the field.

Southern never trailed the Leathernecks as it jumped to a commanding lead. The Salukis displayed one of their best first half offenses of the campaign.

The Salukis were led by McGreal's 23 points. Hepler tossed in 20 and Vaughn added 15 points. Charlie made many assists as he showed his playmaking talents to the Salukis fans.

Gallatin's cagers played Western Michigan's quietest last night in Kalamazoo. Results of the game were not known at press time.

NIU was given five points when SIU's heavyweight champ Houston Antwine stayed in Carbondale with a back injury.

## SIU Queens

## Students Get A Sneak Peek Of Fashions For The Military Ball

Cocktail dresses and evening gowns were modeled by past and reigning SIU queens at the Military Ball Fashion Show held Sunday in the Library Lounge.

Sandy Newbrough, Miss Thompson Point 1960, was the first model to be presented by moderator Kathy Whitlock. Miss Newbrough wore a street-length formal with frosted white lace over deerskin sang taffeta. The tight bodice and barrel-shaped skirt were accented by a narrow velvet belt.

Miss Southern 1959, Barry Jo Wood, was just right for the Ball in a white nylon organza gown. The skirt featured an apron of tiny double ruffles. Denny Burd served as Miss Wood's escort.

Connie McGinnis, the reigning Military Ball Queen, was perfectly dressed for the winter and spring terms at SIU. He will teach forest management and be in charge of SIU's spring term forestry camp.

Sandoz, a native of Trail, Ore., is a 1940 graduating lecturer in forestry at the Oregon State College at Corvallis. Since then he has been employed in Oregon forest industries. Most of the time he has been with the Booth-Kelly timber firm, serving successively as a forester, land manager, and vice-president in charge of land and logging management.

Blonde Sandy Keller, 1960 Homecoming Queen, was striking in a black taffeta cocktail dress. The gown, a Cassini Original, featured a semi-bouffant skirt with a scalloped hemline. The queen's escort was Ken Noyes.

The women each modeled a cocktail dress and evening gown. The ten gowns were from Myron's dress shop in Carbondale. The ten gowns were from Myron's dress shop in Carbondale. The ten gowns were from Myron's dress shop in Carbondale.

## HOW SMALL CAN YOU GET?

Today let us address ourselves to a question that has long rocked and roiled the academic world: Is a student better off at a small college than at a large college?

To answer this question it is necessary first to define terms. What, exactly, do we mean by a small college? Well, sir, some say that in order to be called truly small, a college should have an enrollment of not more than four students.

I certainly have no quarrel with this statement; a four-student college must unquestionably be called small. Indeed, one could even call it *tiny* if one knew what *tiny* meant. But I submit there is such a thing as being too small. Take, for instance, a recent unfortunate occurrence at Crimscott A and M. Crimscott A and M, situated in a pleasant valley nestled between Denver and Baltimore, was founded by A. and M. Crimscott, two brothers who left Ireland in 1706 to escape the potato famine of 1841. As a result of their foresight, the Crimscott brothers never went without potatoes for one single day of their lives—and mightily grateful they were! One night, full of gratitude after a hearty meal of French fried potato fries, hash browns, and a gratin, they decided to show their appreciation to this bountiful land of potatoes by endowing a college. They stipulated that enrollment should never exceed four students because they felt that only by keeping the college this small

could each student be assured of the personalized attention, the camaraderie, the feeling of belonging, that is all too often lacking in higher education.

Well sir, things went along swimmingly until one Saturday a few years ago. On this day Crimscott had a football game, scheduled against Minnesota, its traditional rival. Football was, of course, something of a problem at Crimscott, what with only four students enrolled in the entire college. It was easy enough to muster a backfield, but finding a good line—or even a bad line—baffled the most resourceful coaching minds in the country.

Well sir, on the morning of the big game against Minnesota, his traditional rival, a capricious destiny dealt Crimscott a cruel blow—in fact, four cruel blows. Signals, the quarterback, woke up that morning with the measles fever. Richards, the slotback, was unable to start his motorcycle. Bestbottom-Tree, the wingback-tailback, got his necktie caught in his espresso machine. Langerhans, the fullback, was stolen by gypsies.

Consequently, alas, none of the Crimscott team showed up at the game, and Minnesota, its traditional rival, was able to score almost at will. Crimscott was so out of sorts that they immediately broke off football relations with Minnesota, its traditional rival. This later became known as the Dred Scott Decision. So you can see how only four students might be too small an enrollment. The number I personally favor is twenty. How come? Because when you have twenty students and one of them opens a pack of Marlboro Cigarettes, there are enough to go around for everybody, and no one has to be deprived of Marlboro's fine, mild flavor, of Marlboro's easy-drawing filter, of Marlboro's joy and zest and steadfast companionship, and as a result you have a student body that is filled with sweet content and amity and harmony and concord and togetherness and soft pack and flip-top box.

That's how come.

You will also find twenty cigarettes—twenty incomparable unfiltered King-size cigarettes—in each pack of Marlboro's new partner in pleasure—the Philip Morris Commander. Welcome aboard!
