TENTATIVE PLAN FOR CURRICULUM TO BE ADOPTED

First Two Years Work Nearly Completed By Committee

MORE FLEXIBLE AND GENERAL

Quarter-Hours Needed For Graduation To Be Reduced

Meeting last Tuesday morning with President Roscoe Pulliam, members of the curriculum committee completed a tentative form for the first two years of the college curriculum. The plan as it now stands is but a reconnaissance to the president whose approval of the form must be obtained before it will be authentic. Although it is quite certain that the present curriculum will be adopted, it would be impossible to approximate at the present time or year when it can be put into effect.

"The idea on which the committee is now working," said Mr. Warren, committee chairman, explained, "is that the first two years of a college course should guarantee a general education and should be flexible enough to enable a student to also work on his majors and minors during these first two years." Operating on this principle, the committee has reduced the number of quarter-hours required for graduation from the four-year course from 120 to 100 quarter-hours, and to 180. Consequently, if this plan is adopted, the student at the end of his sophomore year will be required to have completed 90 quarter-hours of work instead of the 96 now required.

Of this total sum of required quarter hours, not less than 67 nor more than 69 may be compulsory, while the remaining 21 to 33 quarter-hours will be elective.

To accomplish the division of the total number of quarter-hours among the departments, these departments have been divided into five major divisions which, with the addition of the Professional Studies division, is known as the new administrative organization as the Instructional Service. These major divisions, which are the Division of Social Sciences, the Humanities, the Biological and Physical Sciences, the Physical Arts and Crafts, will be allotted a certain number of quarter-hours to be distributed among themselves as they wish. To the Division of Social Sciences, twenty-four quarter-hours, the Division of History, Economics, Political Science, and Sociology, has been given 16 quarter-hours, to be distributed as the division sees fit.

The Humanities group, composed of the English, Foreign Languages, Music, and Art departments, has been apportioned 15 to 24 quarter hours which has been redistributed among the departments in this manner: 12 quarter-hours to the English department, three quarter-hours to Music, Art and Art appreciation, and zero to the quarter-hours of Foreign Languages. The English department plans to eliminate the present 12 quarter-hour requirement of foreign languages, their exemption again being based on their knowledge of one of the foreign languages.

The Biological and Earth Sciences group will receive 14 quarter-hours, which will be required for Health Education, with the remainder being divided among the Geography, Botany, and Zoology departments.

The Physical Sciences and Mathematics division, which is composed of the Physics, Chemistry, and Mathematics, will distribute the required 16 quarter-hours among the departments.

(Continued on page four)

Commencement Week Ushers Chosen; 14 Selected

Officers for Commencement week activities have been selected. Fourteen girls, chosen on the basis of scholarship only, will be in charge of seating arrangements at Commencement and Baccalaureate exercises.

Those who will usher are: Mrs. A. Sarah E. Alford, Mary S. Bancett, Alice Crabtree, Roberta Eaton, Alice Hoff, Margaret Mae Lewis, Mary Ann Miller, Anita Hendrix, Betty E. Ross, Kathryn L. Rush, Helen Sorell, Elizabeth Zimmerman and Mary Lou Zimmerman.

STADIUM OFFICE MAILED OUT 9000 POSTAL CARDS TO ALUMNI

Cards to Graduates For Commencement Information

ALUMNI BANQUET TO BE STRESSED

Thirty-One Counties Formulate Plans For Organization

More than 9,000 postal cards are being mailed out this week to alumni on their complete program for Commencement Week, including the annual dinner the evening of May 29, are being sent to all those former students whose whereabouts are known. This does not include residents of Carbondale, who will be kept informed on the Commencement activities by the local newspaper.

The total number of live alumni addresses now on file at the stadium office is 9228, which is a rather large percentage of the total number enrolled here since the founding of the school.

Thirty-seven counties of the thirty-one included in the S. I. T. C. territory have been contacted, either by letter or in person, by the local stadium office. Of these, thirty-one have formulated some sort of organization for the purpose of soliciting and canvassing. Twenty-four of these organizations are in the form of committees.

While several counties have single alumni in charge of their committees, thirty-seven counties, committees have expressed the belief that the closing of school would handicap their collecting efforts. It is considered likely that these counties will be permitted to close their campaigns next fall.

Among the contributions this week was a \$5 check from Emil Wiggins, Maroon athlete of two years ago. Mr. Wiggins, who is now coaching and coaching chronicles at Kirkwood, Wisconsin High School, writes in the spirit typical of most of the letters received here. Part of the letter read as follows:

"Enclosed you will find a check for the stadium fund. It isn't much, but all that I can give at this time. I hope that it will go through. It will mean a lot to Southern Illinois."

LITTLE THEATRE HAS DINNER FOR JULIA JONAH

The Little Theatre Strut and Fret gave a dinner, partly in honor of Miss Julia Jonah, their sponsor, last Wednesday night at the Roberts' Hotel. Other guests at the dinner were Robert D. Fauser, Martha Scott, and Charles Needy.

Following out the idea of a melodrama, the table decorations were arranged in three acts. At the beginning of each act, members of the technical staff lit the candles and raised a window shade to indicate the action. Eddie Mitchell, acting as host, read the list of characters for each act. The play was Gasaway Down, Kate Burkhardt, Eddie Mitchell, and Sue Crain.

At the conclusion of the dinner, the Little Theatre presented Miss Jonah

OBELISK STAFF APPROVED BY SCHOOL COUNCIL

Bruce Doty Will Be Associate Editor Of 1937 Book

LANGENFELD TO BE SOPH. EDITOR

Art Work Will Be Directed By Bob Chamness

At a meeting of the school council Monday afternoon, the staff for the 1937 Obelisk was appointed as follows:

Associate editor..... Bruce Doty
Senior editor..... Kathryn Rush
Junior editor..... Martha Jean Langenfeld
Men's athletic editor..... Vernon Hicks
Women's athletic editor..... Sue Crain
Faculty editor..... Anthony Venegoni
Organizations editor..... Georgina Lorkie
Art editor..... Robert Chamness
Cartoons..... Edward Mitchell
Photograph editor..... Harry Tichenor
Poetry editor..... Margaret Crane
Ann Langdon was elected to be the Obelisk at a meeting held two weeks ago.

Bruce Doty has done excellent work as a member of the Egyptian staff the past year. He is a freshman from Flora and was one of the five students who were recently pledged to Mu Tau Pi, Journalists' fraternity.

Kathryn Rush has served two years on the Obelisk staff on which she is the organizations editor for this year. She was pledged to the organization to Mu Tau Pi for her outstanding work on the yearbook Miss Rush, who is from Carbondale, is president of Sigma Sigma Sigma society for next year.

Kate Burkhardt, a sophomore from Maroon, has been an outstanding member of Little Theatre this past year having major parts in "Here We Are," "The Bishop Misbehaves," "The Drunkard," Miss Burkhardt is a member of Delta Sigma Epsilon society. She is also very active in the McDowell club and the Zetetic Literary Society.

Martha Jean Langenfeld served as assistant editor of the 1936 Obelisk. She is a sophomore from Carbondale and is a member of Sigma Sigma Sigma society.

Vernon Hicks, a sophomore from Harveysburg, is a member of the S. I. T. C. gym team, the Sororite Literary Society, and Kappa Delta Alpha. Miss Langenfeld is a leading member of the school newspaper, the Carbondale, has been an active participant in women's athletics and won a sportsmanship award in the state tennis meet last year. Miss Crain is an active member of the Zetetic Literary society and of Delta Sigma Epsilon, of which she was recently elected treasurer.

Anthony Venegoni has done outstanding work for the Egyptian the past two years. Mr. Venegoni is a sophomore from Herrin.

Georgina Lorkie has been a member of the Egyptian staff for two years and was recently appointed associate editor of the Obelisk. She is a sophomore from Carterville, was society editor of the Egyptian (Continued on page four)

Hinrichs to Speak This Evening At Zetetic Meeting

Dr. Marie Hinrichs will give a talk entitled "Light and Life" at the regular meeting of the Zetetic Literary Society tonight at 7:30 in the auditorium of the Albert Building. This will be a discussion of the ultra-violet ray and its relation to health.

Other numbers on the program will be a dramatic reading by Mary Ann Miller and songs by a trio consisting of June Vick, Elizabeth Scott, and Frances Tanquary.

Plans will be discussed for a party to be held within the week. A boat excursion is being considered.

Annual Alumni Dinner Will Be In Anthony Hall, May 30th

The following announcement has been made by the Egyptian office for publication:

The annual dinner of the Alumni Association of the Southern Illinois State Teachers College will be at Anthony Hall May 30th at six o'clock p. m.

It is hoped that every alumnus will make a special effort to be present at this, the first banquet under President Pulliam's administration. It will give him great pleasure to greet as many of the former graduates as possible.

Come and renew old acquaintances and help boost our college. There will be reception and an interesting program.

A fee of seventy-five cents per plate will be charged. For reservations notify the secretary, Grace L. Bouslet, 604 S. Illinois Avenue, Carbondale, not later than May twenty-eighth.

COOP CONCERT MEMBERSHIP TOTALS 488

Attractions For Next Year Chosen By Committee

BARRERE, LITTLE SYMPHONY HERE

Tocha, Seidel And Hackett-Davis Also On Program

With the close of the spring campaign of the Cooperative Concert Association and membership totaling 488, the annual meeting and concert will be held Saturday evening and close next year's attractions. They will include the famous Barrere Little Symphony, the Hackett-Davis Trio, and the joint appearance of opera's most popular singers, Charles Hackett and Agnes Davis.

S. I. T. C. will again cooperate in order that students may be admitted to these concerts by their activities tickets.

The program this season will be very different from that of last. It includes both a man and woman singer, a violinist, and an ensemble. That of last year consisted of the Koppel Allen-Turner ensemble, Ralph Kriebel, the pianist, the Russian Singers and Concha Goya, Spanish interpreter. The association is endeavoring to keep its program as varied as possible to present in Carbondale great numbers of people from time to time. In next year's program the association is very obviously living up to the purpose for which it was created—to present in Carbondale great numbers of people from time to time.

The Hackett-Davis combination should be a delightful treat since they will sing sketches from Opera House, in costume. Mr. Hackett is a leading Metropolitan Opera tenor and is considered the world's best interpreter of Romeo. Miss Davis, Atwater-Radio Contest winner, is a popular soprano of the Philadelphia opera company. She has been a soloist with and has appeared as soloist with the New York Philharmonic Symphony, the Minneapolis Symphony, and the Philadelphia Symphony Orchestra.

The Barrere-Little Symphony Orchestra is one of the finest orchestras of its kind. Numbering thirteen musicians, each of whom is a virtuoso, it boasts eleven different musical instruments. The conductor, George Barrere, is regarded as one of the best artists in the world.

A student of Leopold Auer, Toscha Seidel, is considered one of the finest of violinists. He appeared on the Cape Girardeau Cooperative Concert Association series last year.

CRAVER, WELCH SPEAK AT CHEM. SEMINAR

Reuben Craver speaks on "Reactions to Liquid Ammonia," and George Welch on "Synthetic Rubber," at the meeting of the Chemistry Seminar last Tuesday evening.

FIVE DIVISIONS MADE IN COLLEGE ADMINISTRATION

Council Appointed to Secure Better Administration

SIX DIVISIONS IN CURRICULUM

Miles, Shank, Merwin, Nolen, Woody, Lentz, Wham On Committee

Rearranging the college administrative organization, President Roscoe Pulliam and the faculty last week divided the administration of the college into five main divisions, headed by the Instructional Service, the Personnel Service, the Business Management, the Records and Admissions, and the Extension Service.

A President's Council of Administration, composed of George B. Wham, dean of the college, G. H. Lentz, dean of men, Lucy K. Woods, dean of women, Edward V. Miles, business agent and manager, Marjorie Shank, registrar, Dr. Bruce Merwin, director of career training, and Russell M. Nolen, director of extension service, was formed.

The Instructional Service was formed primarily to solve the problems and difficulties which will arise from the reorganization of the curriculum, and to facilitate the collection of the total number of quarter hours among the departments. To be supervised by Dean Wham, it is subdivided according to related curriculum subjects into the divisions of the Division of Social Sciences, the Humanities, the Biological and Earth Sciences, the Physical Sciences and Mathematics, the Practical Arts and Crafts, and the Professional Studies.

A chairman of the division of Social Sciences, Russell M. Nolen, head of the Economics department, will direct this division which embraces the subjects of History, Economics, Political Science, and Sociology.

The last group, Music Instruction, will supervise the activities of the Humanities group, which includes the departments of English, Foreign Languages, Music, and Art.

The division of Biological and Earth Sciences, composed of the departments of Botany, Zoology, and Geology, has elected Dr. Marjorie Shank, head of the Zoology department, chairman.

The departments of Physics, Chemistry, and Metallurgy, have been placed under the supervision of the Physical Sciences and Mathematics, to be supervised by Prof. S. F. Boomer of the Physics department.

The last group, the Ancient Languages, composed of the departments of Practical Arts and Crafts under which are grouped Agriculture, Household Arts, Manual Arts, Business Training, and Physical Education.

The last group, composed of the Professional Studies, Education and Practice Teaching, will be headed by Dean Wham.

Under the general direction of Dean Lentz and Dean Woody, will be the second major department, Administration. Listed under this administration are the freshman groups, student housing, Anthony Hall, student unions, F. S. A. Administration, student employment, Student Council, club organizations, athletics, chapel attendance and programs, student health service, cumulative personal records, and social activities of the college.

The last group, the Extension Service, the third principal division, to be supervised by Mr. Miles, will include such phases of the business administration of the college as management of the budget, the second maintenance of inventory of properties, supervision of campus, janitor and police forces, Egyptian and Obelisk.

Commerce Club To Have Picnic at Giant City Tomorrow

The Commerce Club picnic, which was held last week, will be held tomorrow at 4 o'clock at Giant City, CCC park. The picnic was postponed because of the rain.

Tickets for the picnic will be twenty-five cents and may be purchased from any member of the board of directors. These are: Blake Broadway, Roberta Farmer, Jane Vich, Marcell Loy, Robert Miller, Harold L. Budge, and Eula Mae Williams.

POSSIBLE NEW SCHOOL SONG TO BE HEARD

Inter-Fraternity Sing Tomorrow Night At 7:00

CHI DELTA CHI TO BE SPONSOR

Performance To Be On Front Steps of Auditorium

A proposed new school song will be sung by the combined Greek letter organizations of this campus at the First Annual Inter-Fraternity Sing tomorrow night. The song is "Hall Alma Mater" by Grover Morgan, S. I. T. C. alumnus. Mr. Morgan was prominent in musical events of this college two years ago when he wrote the first annual Inter-Fraternity Sing annual Homecoming musical performance. He was also a member of the McDowell club, the Sororite Literary Society and Chi Delta Chi fraternity. He is now in St. Louis, Missouri.

The singing tomorrow night will be sponsored by Chi Delta Chi and will be entered by that fraternity and Kappa Delta Alpha, local sorority. Delta Sigma Epsilon and Sigma Sigma Sigma, national sororities, each group will sing two of the songs and will unite with the others in the "Hall Alma Mater."

The performance tomorrow night will be on the front steps of Shroyck Auditorium, unless bad weather causes withdrawal into the auditorium. Admission will be free and Harold Green, chairman of the committee in charge of arrangements, has extended an invitation to all students, faculty, and townspeople to be present. The Sing will begin at 7 o'clock.

A cup will be given to the Greek letter organization adjudged to be the best rendition of its selections. This will be the property of that house until next spring. The judging will be done by the following: David S. McIntosh, and Mrs. Helen Mathies of the S. I. T. C. music department.

B. S. U. Will Install Officers For Next Year Tomorrow

Tomorrow night the installation of officers of B. S. U. for the coming year will be in collaboration with the officers of the Missionary Baptist Church at 7:00 o'clock.

The theme of the entire occasion will be "Light." The guest speaker, Rev. E. M. Miller, Eldorado, Illinois, will have as his subject, "The Light of the World." Howard Greenhaw, district president, will act as toastmaster. Margaret Sloan will give a vocal solo. After this the "Search Light"—reflections of B. S. U. members—will be read by Virginia Dadds. There will also be special music by the boys' quartet and Paul Reeder, after which the installation will take place.

The banquet tables will be decorated with miniature light houses forming center pieces. The color scheme will be white and white. Preparations are being made to accommodate at least 100 people.

The Noonday Prayer group have been discussing "The Stumbling Block in Christian Living" for the past week. This group was organized by Rev. Dr. S. E. Boomer at their last Friday on "The Stumbling Block in Christian Living."

COLLEGE TO GET PAINTINGS FROM EXHIBIT HERE

Watercolor Work And Charcoals Shown Here

WERE PRODUCTS OF WPA PROJECT

Illinois Director Of Art In Charge Of Exhibit

From the exhibit of paintings done by artists employed under the Federal Art Project which was held at the Southern Illinois Teachers College this week, the college authorities selected several watercolor paintings which will become the college property as soon as they have been exhibited elsewhere. The paintings were shown in Urbana last weekend and will go next to Chicago, where the letter open will be sent on to Washington.

The exhibit this week included primarily charcoal and watercolor drawings. Photographs of other types of work being done by two artists such as sculpturing, woodcarving, and pottery-making, were also shown.

In the United States there are 6500 formerly unemployed artists working on the Federal Art Project, which is a branch of Federal Project No. 1, sponsored by the Works Progress Administration, Federal Project No. 1 includes art, writing, theatre, and music.

When the Works Progress Administration was created it was found that there were many unemployed artists in the country who were sought in which these people could be put to work on projects especially adapted to their abilities. The plan whereby these artists could work at the beautification of public buildings as selected under the present system the government pays the salaries of the workers while institutions assisting the work pay for the cost of the materials involved. The people paying for the materials are called "cooperating sponsors."

There are 334 artists employed in (Continued on page three)

KELLOGG, TENNY, NEELY WILL BE CONTEST JUDGES

Mu Tau Pi, Egyptian Contests Will Close May 29

Dr. Thelma Louise Kellogg, Dr. Charles Tenny, and Charles Neely, members of the English department, will comprise the committee judging the entries in the Mu Tau Pi Egyptian literary contests which these organizations are now sponsoring. Following the close of the contest May 29, the committee will select the best book review and feature story probably June 1 and announcement of the winners will be published in the June 3 issue of the Egyptian.

Rules governing the contests which began May 13, are as follows:

1. All entries must be submitted by Friday noon, May 29.
2. Each entry in either contest must not contain less than 300 nor more than 500 words.
3. A cash prize of two dollars will be awarded by Mu Tau Pi to the writer of the best book review and by the Egyptian to the contributor of the best feature story.
4. Any book may be reviewed, but review of books published since 1920 will be preferred. The reviews will be judged on their clearness of style and grasp of subject matter of the book.
5. Feature stories, which will be judged on their journalistic worth, timeliness, and interest to S. I. T. C. students, may be written as humorous or serious articles or as interviews.
6. A committee, consisting of Dr. Kellogg, Dr. Tenny, and Mr. Neely, will judge the entries, and winners will be announced in the June 3 issue of the Egyptian.

750 ATTEND CHEM SHOW AT S.I.T.C. LAST THURSDAY

Forty-Five Lectures and Demonstrations On Varied Program

CHEMEKA-GIVEN SHOW A SUCCESS

Prize Demonstration Is That of Light Without Heat

Approximately 750 people, including students from out-of-town schools, attended the chemistry show sponsored by the chemistry fraternity, Chemeka, at the college Thursday afternoon.

Featured at the show were lectures and demonstrations on forty-five different subjects and reactions of special interest, including blue-printing, demonstrations, cosmetic manufacture, talks, magic fountain, chemical gardens, color-changing content, the change of color of water, the change of color of a diseased of the human body composition, and the cold light experiment.

Chemical gardens were the result of pouring various colored powders into crystals into graduate cylinders filled with water. Beautifully varied, stalagmite-looking formations of brilliantly colored materials were formed.

The magic fountain was simply an arrangement whereby water was poured into a glass through a tube which it did not completely fill. Gas was run through the remaining pipe and set on fire at the end of the tube. The result was seemingly a fire burning in the air without fuel.

The prize demonstration of the afternoon, though, was the "cold light" experiment in which light is produced without heat. This experiment is very low and was recently put on by University of Illinois chemists at the Illinois Academy of Science meeting. The light is produced by a reaction which occurs when several chemical solutions are mixed together.

The setup of the experiment is this: The light is darkest when the reactant pours a hydrogen peroxide solution, that a potassium ferrioxalate solution into a mixture of sodium hydroxide and camphorquinone. When the components are stirred together a brilliant blue light, which is a brilliant blue light. The color continues to glow in the darkness. The experiment photographs beautifully and has been shown in several science fairs.

Southern Baptist Convention Held At St. Louis

One of the outstanding events of the year for the B. S. U. is the Southern Baptist convention. This year it was held Friday and Saturday in the Municipal Auditorium at St. Louis, Missouri. Helen Cannon, student worker, and Elford Sloan were the two Union representatives.

CAMERA CLUB TO MARK TWAIN'S

Several members of the Camera Club secured excellent pictures on the various parts of the convention at Quincy and also at Hannibal when visiting Mark Twain's old home.

College Art Majors and Curious Students View Art Exhibit; Some Approve, Others-Well?

BY AN ARTISTIC REPORTER.

The college's art majors found themselves automatically possessed with innumerable satellites when they appeared at the WPA art exhibition held on the campus last Wednesday.

In a final effort to have their cherished opinions and judgments verified by an authority, the young hopefuls eagerly attached themselves to the levels of the exhibition and perusal painters who were intelligently planned with many varying questions.

Occasionally small bands of outcasts, average students, lacking the necessary knowledge of art, but attracted to the booth with nervous curiosity, would flock to inform them of the opportunity they could miss, and a mass of human, invaded the hall.

Occasionally small bands of outcasts, average students, lacking the necessary knowledge of art, but attracted to the booth with nervous curiosity, would flock to inform them of the opportunity they could miss, and a mass of human, invaded the hall.

COMMITTEES FOR SOCRATIC PLAY DESIGNATED

Elнора Baumgardner to Design Setting; Only One to Be Used

HELEN SCHILLA "PROP" CHAIRMAN

Wendell Mathis To Be Business Manager, Publicity Agent

With the date for presentation set for the evening of June 4, the executive committee which will have charge of production of the Socratic spring play, "Kind Lady," were chosen last week.

Elnor Baumgardner, senior art major from Carbondale, will design the setting which the play requires. The scene will represent an interior of the heroine's home where all the action of the play takes place.

An accomplished and experienced artist, Mrs. Baumgardner has been member of the stage crews which provided the settings for the 1934 Socratic spring play, "A Murder Has Been Arranged"; the 1935 Homecoming play, "Here We Are," and the 1935 Little Theater production, "The Bishop Misbehaves." She is a member of the Little Theater technical staff.

As chairman of the properties committee, Helen Schilla, freshman from Carbondale, will work with J. C. Johnson and Hobart Tanner in assembling the stage requisites.

Wendell Mathis, Socratic society treasurer, will serve as business manager and publicity agent. Incidents will be handled by Gladys Healy and Leda Pennington, who, desiring experience as a play coach, is assisting Miss Julia Johnson, director.

CHILD PRODIGIES DON'T KEEP UP BRILLIANCE

EVANSTON, ILL.—(ACP)—Child prodigies grow duller as they grow older...

In most cases prodigies grew up into a conventional pattern with no qualifications or desire for leadership...

Points in their favor were: that educational attainments continued higher than of their fellows...

Despite these facts, Prof. Witly told a convention of psychologists...

Homes and schools that are too standardized are at fault, he said.

AG. CLUB PLANS STRAWBERRY SOCIAL SOON

Strickland, Thorpe and Segraves Address Last Meeting

Approximately forty-five attended last Thursday's Agriculture club meeting...

Myrl Strickland spoke on the practice of organization of chickens...

Richard Hamblen, an alumnus who is now teaching in Belleville, visited the chapter last Friday night...

Francis Bowman, alumnus from Grayville, returned to Carbondale for the annual spring formal dance which was held by the fraternity...

Harvard Students Likely To Receive Punishment

CAMBRIDGE, MASS.—(ACP)—Harvard students who sent a fake bomb to Gov. Curley of Massachusetts, and pinned a red flag, complete with hammer and sickle, on the flagpole of the Supreme Court building in Washington may be severely disciplined by the college...

Although it was thought likely that Leonard Farmer, freshman, who sent a bomb made of paper, excelsior and an alarm clock to Massachusetts' chief executive, would get off lightly...

Severity of the disciplinary measures taken against them, it was said, would depend upon the protests of Federal authorities in Washington.

Cole Will Not Go To Memphis A.A.U. Meet; Specialty Dropped
The entry of Kenneth Cole, Maroon pole, step, and jump Olympic prospect, in the Memphis A. A. U. track and field meet last Friday was cancelled when it was learned by telegraphic report from the Tennessee city that there was no hop, step, and jump (the event in which Cole had been entered) on the program of the meet.

THREE SOUTHERN NETMEN QUALIFY FOR STATE MEET
Schwartz, Fulkerson Qualify in Singles By Victories
DEFEAT ILLINOIS FIRST TWO MEN
Jasinsky and Schwartz Will Compete In Doubles Finals

CHI DELTS MEET U. HIGH THIS AFTERNOON
Ramblers Will Play Pat's Indians In Other Contest

LINGLEMEN TO GO TO LITTLE 19 MEET SATURDAY
Southerners May Be Contenders For Loop Title
PAYTON AND HILL LIKELY WINNERS
Seven Winners Will Return; Several Players Back

Great planning seven of the four team events, and winning thirteen firsts, eleven seconds and ten thirds, the Linglemen smothered the McKendree Olympians 109-17 in a dual meet on the home field last Friday afternoon.

Representing S. I. T. C. in the women's tennis matches held annually at James Millikin University for the Illinois State Teachers' Colleges, Mary Frances Moore, senior, and Sue Crain, sophomore, will compete at the contest next Friday and Saturday.

Thirty members of Coach Vincent Bliogian's gym team performed before one thousand enthusiastic spectators in their gymnasium last Tuesday night. The program, which lasted for an hour and a half, was the first of its kind to be given on the campus. The size of the crowd and the manner in which the performance was received, show the probability of its becoming an annual affair.

Cole will enter in the annual Illinois Intercollegiate Athletic Conference high jump event at Bloomington Friday and Saturday, and will likely go to Chicago on Sunday to compete in the Olympic trials there, in connection with the annual National Intercollegiate track and field meet.

The S. I. T. C. tennis squad came through on Friday to qualify three for the Little Nineteen Finals. Southern will be represented by two singles men, Bob Schwartz and Glen Fulkerson, and by one doubles team, Schwartz and Wally Jasinsky.

The eighth-place Chi Delta club plays the University High nine in this afternoon's Intramural baseball League game on the East field. University High with the third and three record will be fighting to retain supremacy over the Chi Delta club, who have won only two of such six games. This game should break up the tie for fifth place existing among U. High, Purple Raiders and the Ramblets.

With seven individual winners from S.I.T.C. scheduled to return to competition this week, the next annual Illinois Intercollegiate Athletic Conference outdoor track and field meet will attract members of the S. I. T. C. track team to the Old Normal track at Bloomington Friday and Saturday.

Sampson, North Dakota Indian, scored the Barclays only first, winning over Heidsieck and Barron of Southern in the 440 yard run in a 57 second heat. Other Wallflowers to place were Lane, and Paul Weller in the mile, Norris in the pole vault, and Sanders in the 220 yard hurdler.

Also on the all-star list should be placed Captain Robert McCall, Vernon Hicks, Glenn Brown, Harold Black, James Giffney, Tom North, and Ray J. Edwards. These men were outstanding for their work in the various specialties and represented the cream of the Southern gym team.

The lead injury was the worst he received. The motorcycle was almost downhilled.

A group picture of the 1236 edition of the S. I. T. C. varsity track squad taken by C. Cliff Grading, photographer, this afternoon at 4 o'clock.

Nineteen outdoor track struggles to be held Friday and Saturday in Bloomington, on the Normal field, in which the again first place battle will be between squads representing the Teachers' Colleges of the Southern States.

Edward V. Miles, Jr., business agent of the college, will be an S. I. T. C. entrant in the faculty golf tournament of the Illinois Intercollegiate Athletic Conference Friday and Saturday.

Finals will begin at 1:30 Saturday afternoon. It is possible that only one high jumper will be entered, but that one of the wrestling out will be among the weight men. Should Doner be selected, it would mean that he could enter both shot and discus.

PAYTON COUNTS SIXTEEN POINTS
Hill Scores Eleven; Sampson Wins Only McKendree First

Faculty Downs Ramblers, 12-4, in Good Game
Other Games Fought Out By Rodeo And Weather

Harry Davis Of Goreville Injured on Way To School Here
