ATTEND HOMECOMING DANCE

THE EGYPTIAN

VOLUME XXI.

CARBONDALE, ILLINOIS, FRIDAY, OCTOBER 20, 1939.

NUMBER 5.

HOMECOMING BEGINS TODAY

CAMPUS WILL SEE 'ROOM SERVICE' TONIGHT IN BROADWAY ATMOSPHERE; FAST MOVING PLAY KEPT NEW YORKERS IN STITCHES FOR TWO YEARS

Gene Samuels, Sophomore, Holds Lead as Gordon Miller, Shoestring Producer of Broadway Plays; Garrison, Little Theatre Technician, Designs Setting

Following closely on the heels of such recent Homecoming successes as "First Lady" and "Night of January 15" comes "Room Service," Broadway's smash, laugh hit to be presented at this evening at 8 o'clock as Little Theatre's annual Fall play.

GENE SAMUELS.

The story centers around Gordon Miller (Gene Samuels) shoestring producer of Broadway plays, who has gotten hold of a new script, "Room Service," and collected his actors. He and his associates, not to mention the actors, are all living at the White Way hotel on the finest credit. Having failed to find a backer, (and with his credit at the breaking point) he faces arrest and his last instant escape.

Fred Meyer, Donald Bryant, recently elected president and vice-president of the Student Council, posing nonchalantly for the camera.

Homecoming Is Highly Advertised Event This Year

Homecoming has been highly advertised this year under the direction of the Homecoming publicity committee. An all-time record Homecoming attendance is expected. The radio has been playing an important part in the advertising. Frequent broadcasts of Vincent Lopez's orchestra have been featured, and last Wednesday the college presented a special Homecoming program over WFRQ. Records made by Vincent Lopez are also being played on nickelodeons throughout southern Illinois.

Billboards have been used to tell the motorists of the event, and other posters have been put up advertising the play, football game, and general Homecoming activities. Most of the newspapers of southern Illinois have cooperated wholeheartedly by running stories helping to publicize Homecoming.

As another publicity stunt, a six-man football game will precede the main game of the day. The six-man football contest in which Valler and Seaver will participate is a fast game and is expected to be interesting. To interest the students still more, a chapel program was held Thursday in which the football team and band participated.

PULLIAM SPEAKS AT INSTITUTE. President Roscoe Pulliam was guest speaker at the Iroquois County Teachers' Institute at Watska October 12.

BONFIRE AND PEP RALLY WILL BE HELD AT SEVEN O'CLOCK TONIGHT ON OLD FOOTBALL FIELD. The annual mammoth bonfire on the old football field will be lighted tonight shortly before 7:00 by W. B. Westbrock of Hartshurg, president of the Alumnae Association. The bonfire, to be over thirty feet in height, will be fed by wood gathered by the Southern Knights. The pep activities will start off with a cheer in honor of Coach Martin and the football team. Following this will be songs, both new and old, cheers, yells, and more songs. All led by Vell Queen, Merle Pullerton and Charles Parker, Jr., Royal Duke of the Northern Knights.

PEP ACTIVITIES BEGIN AT NOON TODAY

Parade Starts From Flagpole in Front of Main Building

Pep activities for the annual Homecoming begin today with a parade at noon starting from the flagpole in front of Main, in which all students are urged to participate. Arrangements have been made for two large open cars to carry last year's queen of the Homecoming, Guinna Cotter, this year's football team, captain, and the newly chosen queen and her escorts. The five girls receiving the highest number of votes in the recent student poll will ride together in the second car. The identity of the queen will remain a secret until her coronation at the Homecoming dance Saturday night.

Following the first two cars will be all the cars available from among the students and faculty carrying all those possible. Those who are not able to find a car will follow in the parade in a snake dance.

Course of Parade. Through the flagpole, the parade will proceed down Normal on to Walnut street, thence east on Walnut to Illinois, north on Illinois to Jackson. (Continued on page 3)

Recipe For "Homecoming a la WOV"

Hungry for a thrilling Homecoming? Then just try this tempting recipe. Mix one part of exciting pep parades with abundant snake dances, warm with loyalty at a bonfire ceremony, thicken with a delectable play, whip with a spirited football game, and serve topped with a smooth dance.

INSTITUTE WILL OPEN HERE NEXT WEEK

Dr. Singer, Frances Perkins, Dr. Miller Will Speak on Campus

The Institute on Human Relations which is to be held next week at Carbondale, will feature three very distinguished speakers. First is Dr. Jacob Singer, nationally recognized authority on general and Jewish music, known widely as a rabbi and lecturer, and serving as spiritual leader of Mizpah, Chicago, since 1918. Dr. Singer received his A. B. from the University of Chicago in 1907. He graduated a rabbi from the Hebrew Union College in 1908. His academic training includes studies at Johns Hopkins, Readdy Conservatory, and University of Nebraska from which he received his Ph. D. He is the author of "Talmud in Hebrew Scriptures," "Jewish Music Historically Considered," and several musical compositions. He will lecture at Shoyko Auditorium Tuesday night on "What 'Talmud' Means to America."

Perkins Speaks Wednesday. Frances Perkins, Secretary of Labor and the first woman to ever hold a position in a president's cabinet, will give an address "Labor and the Modern State" Wednesday night.

She is the author of several books, among them "Life Hazards from Fire in New York Factories," 1912; "Women as Employers," 1919; and "People at Work," 1934. She was awarded a medal "to encourage achievement by the American Women's Association in 1933 and was voted the most outstanding speaker in the president's cabinet by the well-known columnists Pearson and Allen. She has consistently refused to be intimidated by the wild cries of super-organizationists as the Director of the Women's Association in 1933 and was voted the most outstanding speaker in the president's cabinet by the well-known columnists Pearson and Allen. She has consistently refused to be intimidated by the wild cries of super-organizationists as the Director of the Women's Association in 1933 and was voted the most outstanding speaker in the president's cabinet by the well-known columnists Pearson and Allen.

Miller Speaks Thursday. Public Relations Chairman, the Student and Valler Knox. It is the function of the public relations department to see that the activities of the council are conveyed to the student body. Books: Kate Bunting, chairman; Graham Critchton and Noah Taylor.

FESTIVITIES BEGIN TODAY AT NOON WITH PARADE DOWN-TOWN; CROWNING EVENT OF DAY WILL BE "ROOM SERVICE," LITTLE THEATRE PLAY

Major Events Tomorrow Are Football Game and Dance at 9; Identity of Queen Will Be Revealed at Time of Dance

Candidates for this year's Homecoming crown. From left to right: Eva Jane Milligan, Bernice Burnett, Claire Patterson, Kate Gentry, and Dorothy Lee Mitchell. The identity of the queen will be revealed at the Homecoming dance.

COUNCILS ORGANIZED FOR SPECIAL WORK

Meyer, Bryant, and Bynum Make Selections

The Student Council completed its organization yesterday by dividing the group into specialized committees. Fred Meyer, chairman, Donald Bryant, and Mattie Bynum were chosen to select committees to work independently of the rest of the council. Those who were chosen are as follows: Budget: Walter Heinz, chairman; Betty Gann and Marian Bryant. It is the duty of this group to apply the funds available to the student council for different activities.

CHANGES MADE IN PLANS FOR FAUST

Some few changes have been made in the much talked about opera "Faust" which will be presented as a club enterprise at Shoyko Auditorium, November 16. The changes are as follows: Don Kepfinger, Menophistophiles, Mrs. R. D. Rowden, Margarita St. Floyd Wakefield, Paul Charles Stief, Valentine William Gantz Wagner, William Beck Stetel, Kate Mary Ayres, Martha M. D. S. McIntosh will direct the S. I. T. C. orchestra, the players, and the MacDowell chorus. Miss Dorothy Magnus is the dramatic coach, and stage director. Mr. Summers Van Chace will organize the S. I. T. C. orchestra. Mrs. Fred Barnes will direct the Junior Woman's club dancers. Mrs. J. M. MacFabe will assist in the coaching.

Major Events Tomorrow Are Football Game and Dance at 9

IDENTITY OF QUEEN WILL BE REVEALED AT TIME OF DANCE

Homecoming begins at noon today with the students parade starting on East street and down to the main building. The parade will be an open car. On the corner of Main and Illinois the annual pep rally will be held. Tonight freshmen will own their great ribbons in the Snaford and the President will administer the Blyden Oath of Loyalty to them. The crowning event of the day, the Little Theatre's production of "Room Service," will begin at 8 o'clock.

Major events tomorrow include a football game, a snaford band concert, a basketball game with the Western Illinois State Teachers College, a pep rally, a dance, and a Homecoming dance. The Homecoming dance, climaxed by the crowning of the queen.

The successful candidates for the queen's court will be presented to S. I. T. C. students and alumni at the addition stage before the pep rally. The pep rally will be a snaford band concert, a basketball game with the Western Illinois State Teachers College, a pep rally, a dance, and a Homecoming dance. The Homecoming dance, climaxed by the crowning of the queen.

ENTSMINGER AND WARREN WILL BROADCAST

MacDowell Club and Male Chorus Will Sing

Announcement was made that the weekly broadcast from the S. I. T. C. will be broadcast on Friday, October 20, 1939, for next Wednesday, October 25, will be given over to observance of the 10th anniversary of the establishment of the first teachers college and "Education Week." Miss Mary Kwaninger will speak on "The Teachers' College Centennial" and Mr. F. G. Warren, head of the education department, will speak on "Cooperation in Education." The second half of the program, which begins at 2:15 o'clock will be devoted to music by the MacDowell Club under the direction of Mr. D. S. McIntosh, and by the male chorus. The selections to be presented are: MacDowell Club 1. All Through the Night 2. Welsh Madrigal-Musette 3. Good Old Along With Me-Sueller (from Robert Browning's Rabbi Ben Ezra) 4. Male Chorus 1. Hey Robin, Jolly Robin-Century Show (from "Twelfth Night") 2. Vexa Langavoxa Nostra-Antonio Ratti.

BUREAU OF CHILD GUIDANCE CONDUCTS CLINIC OCT. 25-27 FOR MALADJUSTED CHILDREN

Purpose is to Acquaint Students With Nature of Clinical Work

The fifteenth quarterly Child Guidance Clinic of the College will open on Wednesday, October 25, and will continue throughout Friday. Working in conjunction with the professional staff of the Chicago Institute for Juvenile Research, members of the college committee will study cases of psychologically maladjusted children brought here from all parts of Southern Illinois. No cases can be studied, however, except those for which previous arrangements have been made. The purpose of the clinic are to acquaint college students and practicing teachers with the nature of clinical work and with the diagnosis of individual cases. This is being done in two ways. First, in all of the introductory classes in psychology, a member of the Bureau of Child Guidance presents a discussion on the subject. (Continued on page 3)

Mrs. Dorwin Wright Tells of Life in Brussels and Paris

By PEGGY DEAN. "We didn't visit any of the universities in France, but we went by car in Brussels many times in our year and a half in that beautiful old city," said Mrs. Dorwin Wright, daughter of Mr. E. G. Lentz, dean of men at S. I. N. U., who returned from France three weeks ago.

Mrs. Wright lived in Brussels and France for four years with her three children and her husband, who is working for the International Harvester company in Paris now.

She went on to tell of football in Belgium. "It's certainly queer how much they enjoy football the way they play it. The players run around in what look like white baseball suits, without any padding, at all; they play the game very much like soccer. Most of their teams are professionals."

Baby Speaks French. Mrs. Wright's little blond curly-haired son, Denis, who is two and a half years old, was delighting in pushing a chair around. His mother spoke to him in English, telling him to sit in the chair. He got up into the chair, and then his mother spoke to him in French and he answered in French that would shame any first year French student at S. I. N. U.

"When we lived in Paris near the Bois de Boulogne, one of the most famous parks in the world, we could take the children over there to play. The park is full of amusements for children, such as playgrounds, small boats for them to ride in, and a zoo. I was often amazed to see teachers with their classes walking through the park. The children did not run or kick; they stayed in line." She looked at Denis and continued, "The children are very reserved. They will sit for hours in your presence without being heard. When they leave they will shake hands with everyone."

Sidewalks Must Be Scrubbed. Mr. Lentz's daughter went on to tell of the cleanliness of Brussels, Belgium, where there is a law that each front sidewalk must be scrubbed. The maids have the job of doing this and of washing the front of the houses with the hose.

The houses are built right on the street. There is a "Grand Place" in Brussels which is a big square where the ancient buildings of the fourteenth century are preserved for historical reasons. Here the town hall and the old guild houses are found. There is a law forbidding the tearing down of the fronts of these beautiful old buildings.

"It took me a year to learn to understand the French language," confessed Mrs. Wright. "But after two years I could speak it fairly well, about overlooking my mistakes that were the Belgians."

Nancy Catherine, Mrs. Wright's daughter had all her subjects in French, she has perfect control of the language.

WAR To Be Symposium Study of American Student Union

By BERNHARD STERN. The American Student Union in chapters of Southern Illinois University will hold a symposium on one of the most significant and vital problems facing the people of the United States. The subject will be "War." The topic will be discussed by a cross section of Carbondale society. Among the people who will be in the program are: a minister, Dr. Sharpe of First Presbyterian church, active in progressive affairs and a graduate of Princeton University; an educator, Mr. J. C. Penn, principal of the Attucks school and a member of Alpha Psi Alpha, national Greek social fraternity; a student, Jerry Fucate, sociology major who has had military training at Jefferson Park, and a member of the D. A. R., Mrs. Winnie King, a graduate of S. I. N. U. Mr. John Wright, member of the faculty, will describe war as it is—its horrors, privations, dirt, and morals shattering effects. Mr. Gibbs, a business man, will also speak.

The meeting will be held at the First Presbyterian church on the corner of Normal and Elm at 7:30 o'clock Monday evening, October 23. The objective of the American Student Union is to acquaint people with the true nature of war and to try to analyze its causes and effects. All students and townspeople are invited to attend. The Mat Towel Club will sing.

Lopez Gives Interview Up to Last Minute Before Broadcast After Parade Last Week

By HAROLD HORNBOSTLE. Vincent Lopez, currently presenting his suave swing at Club Caprice of the luxurious Hotel Commodore in St. Louis, seems to have time for everybody and everything. After the Velvet Prophet parade last Friday, although he had a broadcast scheduled in his honor, he found time to leave the bandstand at Club Caprice to give an interview in the Grand Lobby up to the last minute before his broadcast.

Vincent, in white tie and tails, knits in his pockets, and rocking in an easy chair, immediately puts out a case. He hummed through the Alma Mater he was given by his interviewer, die time with his hand as he went along, and said he would make an arrangement of it to be played for the wedding of the queen bee, as he asked for a copy of the lyrics, some which he wished to arrange and play for the Homecoming dance.

When asked to go into more detail concerning his suave swing music, he said: "It expresses the feeling of the heart. You can dance to it very easily, and at the same time it does not sacrifice the melody for the rhythm. In short, it puts romance into the song."

When the "Star Spangled Banner" came into the conversation, he continued, "My revision of the 'Star Spangled Banner,' which I started singing, has been recognized by Congress. Copies of it have been bought and placed on sale. All the proceeds go to the daughters of the American Revolution."

Vincent's parents, whom you might think were active in the musical field, but who were actually in the jewelry business, started him on the piano at the age of six.

Lopez can tickle the ivories to the tune of 2200 notes a minute; he is Former Zoology Major Accepts Position at Purdue. J. Roy Levey, 1936, a former zoology major, is now professor of education and sociology in Purdue University. Before he accepted his position at Purdue, he was principal of the high school at Westfield, Illinois. Work for his doctorate degree was completed last spring at the University of Indiana.

AMERICAN STUDENT UNION WILL DISCUSS WAR POSSIBILITIES

Dr. Charles Sharpe Will Be One of Speakers at Symposium Monday

Dr. Charles Sharpe, minister of the Presbyterian church, will be one of the principal speakers at the symposium of the American Student Union at its meeting at the church on the corner of Elm and Normal at 7:30 p. m. October 23. He will be the topic under discussion. Others who will speak are Jerry Fucate, Mrs. Winnie King, member of the D. A. R. John Wright, Mr. Joseph C. Penn, principal of Attucks school, and Mr. Herbert Gibbs. The student club will sing during the course of the evening.

The symposium is sponsored by president, Carlton Husehartz, vice president, Leonard Stern, secretary, Wilbur Rice, and treasurer, Helen Davis, and by Miss Julia M. Bailey, Dr. H. D. Bowden, and Mr. D. S. McIntosh, faculty members.

Martin, Team, and Cast of Play Broadcast

A preview of the Homecoming activities taking place this weekend was presented over station WSBQ on Wednesday, October 18. This program originated in Shoyack Auditorium and reached Harrisburg by long-distance telephone.

The first half of the program was given in interview with Coach Al Martin and members of the football team, to advertisement of the Homecoming dance, through recordings of Vincent Lopez's "Suave Swing Dance" and to final announcements about the further presenting of the play, the reception following the football game, and miscellaneous bits of information.

This broadcast was the fourth in a series to be released from the S. I. N. U. studios.

State Archaeological Society Field Trip Held Oct. 14-15

The Illinois State Archaeological Society held their first ever field trip to the Pleasant Valley October 14-15 in the Southern Illinois districts. Prominent archaeologists from Missouri, Kentucky, Indiana, Wisconsin, and Minnesota were present on the tour. The society carried the financial responsibility for the trip.

The Paul T. Robinson of St. Louis spoke to the group on the archaeology of the Cahokia mounds at Cahokia Saturday October 14. Photographs of archaeological sites in Southern Illinois were shown to the group at their stop here, where several unusual features were also shown.

Faculty Members Are Leaders. Several faculty members of Southern Illinois State University are leaders in the society. Thomas P. Harlan, head of the geography department, is a vice president of the organization. Dr. Bruce Merwin, plant anatomy department, and Irvin Peltman of the state farm are directors. Rescue Pulliam, president of S. I. N. U., is on the advisory committee.

RESEARCH WORK OF DR. W. M. GERSBACHER CITED IN BOOK

Dr. W. M. Gersbacher, head of the zoology department, has recently received the honor of having his research referred to in a newly published book, Bio Ecology. Dr. Gersbacher, while working on his doctor's degree at the University of Illinois in 1922, indulged in extensive research in the development of stream bottom communities in central Illinois. Since this study enabled him to take an authoritative stand on this certain kind of animal life, his work has been a source of material that helped make up the book, Bio Ecology.

The following quotation is found in the book: "Gersbacher has found that artificial pools are populated by species living in the natural pools of a stream that has been named, all the usual conditions being present. It is one of the few references to Gersbacher's work, one is a full page, but showing development of the bottom community in still water. Dr. Gersbacher's name is also included in the bibliography at the front of the text."

Pl Batar Kapper is the name of the mock honorary fraternity at West Virginia University.

Mervyn Maxwell, who is the new director of division of archeology of the S. I. N. U. museum. Mr. Maxwell has been doing work this past season 1938 when he was at the U. of Arizona. While in Arizona, he lived with the Apache Indians during the winter of 1935. During the summer Mr. Maxwell directed the work at Cave Hollow. He is from Schenectady, New York, and graduated from the University of Chicago this year.

Students Recall Last Year's Homecoming Play

Students will recall that the Homecoming play, "First Lady," was a great success. Nadine Eudemann, feature writer for the Egyptian last year, commented on the performance as follows in the Homecoming edition of the paper: "The Homecoming play this year proved an excellent fitting for the occasion. It had dignity and humor all in all it was 'tops' in dramatic entertainment."

All the players were excellent in their roles, but it seems only fair to give special credit here to the outstanding performance of Miss Eva Jane Milligan as Lucy, the silly, yet ambitious young wife of the Secretary of State Stephen Wayne. Miss Milligan's role was not an easy one to portray, but seeing her as the part of that remarkable lady of this world as if she had lived in Washington all her life. Alva Matherly was adorable as the lovely Emmy. Fred Meyer was completely as it were his life profession.

"Motion, too, must be made of the remarkable scenery. The applause of the audience for these scenes was proof enough that they were outstanding. The plot in the first part of the play seemed rather slow, but after seeing the entire production, one could easily note the dignity which surrounded the entire play. The excellence of the acting and making the most of the humorous touches helped to make "First Lady" dramatic, colorful, and exciting—a homecoming play which will not soon be forgotten."

Dr. Gellerman Speaks at Institute

In Galls W. Gellerman a member of the college psychology and education department, addressed the Whitehouse county Teachers' Institute at Monroeville, Ill. Thursday, October 19. Appearing before the group Tuesday the day, Dr. Gellerman spoke on the subjects: "The Improvement of Personality in the Classroom" and "Education for Wholesome Living."

Twenty-One Bands Will Participate In Festivities

Twenty-one bands will participate in the annual Homecoming parade and band demonstration before the football game Saturday afternoon, October 22. Wendell Margrave, director of the S. I. N. U. band, announced recently.

In addition to the bands from Southern Illinois, the Western Illinois Teachers' College plans to send a band, and the University of Illinois will send a band to take part in the events of the afternoon.

The custom of having high school bands to Homecoming was inaugurated three years ago. Towns to be represented this year are Carbondale, Carterville, Marysville, Pleasantville, De Quia, Edwards, Paducah, Cairo, Christopher, Bonanza, Chester, University Hill, Benton, Elkville, Marietta, Valley, and Zionsville. The bands of the Carbondale city schools and the Attucks school will march in the parade, but will not take part in the other events. Parade Starts at 1 O'Clock. The parade will start at 1 o'clock in the downtown area, proceeding to the stadium where, for twenty minutes before the football game at 2 o'clock a concert will be given by the bands as individual units.

During the half of the game three more band formations will be executed, two of which will be waltz formations. Also during the half a waltz exhibition by the drum majors of the represented bands will be given by Roger Lee of Carbondale, one of the drum majors of the S. I. N. U. band. Edwin Thirkill of Carbondale will lead the parade.

Kern Will Lead College Band. Vernon Kern of Benton will lead the college band.

SIGMA BETA MU HOLDS DINNER FOR PLEDGES

Dr. Leo Brown Is Guest Speaker

On Wednesday, October 12, Sigma Beta Mu, social fraternity, gave a dinner party in honor of the new pledges. The guest speaker was Dr. Leo Brown, an honorary member of the fraternity.

The pledges who were formally taken in were: Russell Giese, Col. Hussible; Robert Newton, Freeport; James Thomas, Mendon; "Pete" Gardner, West Frankfort; Ralph Bishop, Westport; Thomas Clark, New York City; Roy Rylander, New York City; Gerald Elliot, Cairo; Harry Wiseman, Granite City.

GARRETT ELECTED PRESIDENT OF SIGMA GAMMA RHO

The Aurora Club pledges to the Sigma Gamma Rho sorority met last Thursday evening at the Chapter House. Officers for the year are Corrine Garrett, president; Lenell North, vice president; Ingeborg Harris, secretary-treasurer; Louise Smith, secretary of the pledge club. The Sigma Gamma Rho initiation will be held Saturday morning at the Chapter House. The following will be initiated: Miesse Zola Young, of Woodlawn and Nellie Wright, of Cairo.

CHI DELTA CHI ALUMNI BULLETIN

EDITED BY PAUL GREEN, CECIL HOLLIS, GENE ROGERS, AND LEO EASON.

Chi Delta Chi Represented in Major Homecoming Events Today and Tomorrow

In the Homecoming play, "Room Service," Chi Delta Chi will be represented by two men. Carl Metzger of Grand Chain and John Hunt of McLeansboro, both of whom have proved their ability on the stage in previous college productions.

Howard Moorman, Chi Delta alumnus, sends his Valter High school against the Senior. High representative in a six-man football game at 12:15 Saturday. The parade made of both the Macomb Teachers and Southern lands and some nineteen high school units will march on the field immediately following this game.

George Holliday is sharing the captaincy of Southern's eleven this year with Elbert Smith, an independent from Carbondale.

Two Banquets, One Athletic Event, Make Up Chi Delts' Program for Week-end

To give a bit more fraternal color to Homecoming, several Chi Delta activities will be held as usual. The first will be a meeting of the alumni Association at Saturday noon. John Swiford, president of the association, reports cards have been sent to all members concerning the gathering.

At 7 o'clock tomorrow evening the annual Alumni banquet will be held at the Methodist church.

Last year a new activity was introduced and met with enthusiasm. This warrants a return engagement. As a result the active chapter challenges the Alumni Association to appear for a football battle Sunday afternoon, Oct. 22.

Both James Wallace (captain of McLeansboro) and Dave Hartman of Carbondale are attending the University of Illinois, the former having played Phi Delta Theta.

Harold Carl, president of the active chapter last year, is doing post-graduate work in chemistry at the University of Illinois.

Chi Delts Seek Recognition in Southern's Athletics

Cocaptain George "Ski-foot" Holliday, Elkhart Senior, leads the organization of Chi Delta football candidates. Ski-foot, a former lineman, is playing fullback on Coach Glenn "Abe" Martin's first college team. Other aspirants are Bill Brown, West Frankfort Junior, Paul Green, Chris together Junior, and Walter Holliday, who is a junior and a brother to Ski-foot. Brown and Green are reserve quarterbacks and young Holliday is a center.

Max Davis, Ziegler, a senior, is the only Chi Delta letterman on the varsity team. Pledge Don Webb, husky wrestler from West Frankfort, is out for the team. However, and is expected to show promise this year.

Tom Easterly, Carbondale sophomore, succeeded Clark Davis as athletic manager. Easterly is also Southern's leading golfer and is trying to establish the sport here permanently as a major field of activities.

Seven Men Pledged in Fall Term Class

Of the fall term pledged to Chi Delta are: Paul Green, West Frankfort, September 15.

Included in the new class are Leo Mason, Bellefonte, May Fly, West Frankfort; Roger Lee Centralia; Bill Smith, Brown; Wally Ben Chastain; Marion; Dave H. Weston, Chaptal; and Don Webb, West Frankfort.

Twelve special students have been selected to take every course offered at Carbondale University. It will take each one six years to complete the work.

Financial Outlook for the Coming Year Is Bright

The financial outlook of the beginning of the fall term was bright with a cash balance of about \$190. The present balance is \$207.11 with about \$50 in bills to be paid. The balance in the savings account amounts to \$228.71. We have also purchased an additional "Baby" bond which brings the total up to two. All in all it begins to look as if we will have a pretty good year for this coming year.

Edward Mitchell of Carbondale is doing extra work in speech this year at the University of Iowa, Iowa City.

Douglas Batteley of Pinhookville has not returned this year, but he has secured a teaching position in the elementary schools in his home town.

Benjamin Baldwin of East St. Louis is a member of this year's Homecoming committee.

Professor Herz has been chosen drum major for Southern's marching band.

Alumnus Jack Edmondson has announced his marriage to Miss Anna Edmond of Carbondale, and he has lived up to the tradition of presenting cards to all members of the fraternity.

The post-office department this year will issue a special one-cent stamp honoring Harvard's famous footballer, Charles Elliot.

HARWOOD HALL IS IN ITS SECOND YEAR

Those who live at Harwood Hall, boys' cooperative houses, are invited to Homecoming visitors to visit the hall this weekend.

The school year 1939-40 marks the second year of operation for the cooperative house. For it was started in the fall of 1938 under the direction of Dean E. G. Lentz in an effort to reduce living costs for students, completed a very successful year in 1938-39.

The house was open for the fall term under the presidency of the boys' cooperative house, and although it has not met of an alumni list to boast of, all Homecoming visitors are invited to drop in to the hall.

Improved Accommodations of the House a Great Deal

This year the house opened for the fall term with a full faculty of seventeen boys. Elections were held soon after the term started and the officers chosen are as follows: Walter Heinz, president; Wesley Reynolds, vice president; Robert Hays, secretary; Woodrow Conroy, treasurer; and Noah Tapley, sergeant-at-large.

The boys are looking forward to the most successful year and although it has not met of an alumni list to boast of, all Homecoming visitors are invited to drop in to the hall.

Date of Thanksgiving Holiday Changed

The newspapers have announced that Governor Horner will follow the lead of President Roosevelt in setting Thanksgiving at a week earlier than has been customary hitherto. Therefore, the Thanksgiving holiday will begin Thursday, November 23, instead of a week later at the end of the term as planned.

The Friday after Thanksgiving will be a holiday as it would have been had the date not been changed. School will be resumed on Monday of the following week, final examinations will be held on Wednesday, Thursday, and Friday, November 29 and 30, and December 1.

Registration for the winter term will begin on the following Monday.

Dean of Women's Office Moved

The Dean of Women's office is now located in the room just past the Dean of Men's office on the first floor of the Main Building, 7th floor. It has been made as a part of the room program for securing more classrooms on the campus.

The former Dean's office is now being used as a home economy class room. That department has been relocated this year. The post office was formerly the post office which is now located in a small room nearby.

The school telephone is still in the latter's office in its new location.

W. P. A. Art Exhibition Is On Display

A group of W.P.A. paintings, selected by this school, is on exhibition in the auditorium of the second floor of the Main Building. Later, some work of this school will be on display with these paintings. This exhibit will be replaced by the "Big Ten Travelling Art Exhibition" which will come here the 15th of December and remain until the end of January. The "Big Ten Travelling Art Exhibition" includes the work of ten great midwestern universities.

MRS. FRANZEN WILL SPEAK ON OCTOBER 26

Mrs. Franzen, wife of the new German and sociology instructor, will deliver an address in German on Oct. 26. Everyone who is interested in hearing her is invited to attend the meeting which will be held at 7:30 p. m. The place will be announced next week.

Fulkerson Leads Students in Pep Rally For Team

At 12:45 Friday, October 13, about three hundred students gathered in front of the gymnasium to give the football team an enthusiastic send-off. The group, under the leadership of Bill Queen, Bill Fulkerson, and the team several of the school's post-graduate boys, Coach Abe Martin, at the repeated demands of the six girls, gave a short talk before leaving. Among his sentiments in the team to make a good showing for the school. As the bus drove away the crowd sang the school's loyalty song.

BUNTING NAMED PRESIDENT COUNTY GROUP, TUESDAY

My Seal's county group met in the old society building Tuesday to elect officers. Kate Hays was elected president and Charles Jones was elected alumni chairman.

BANANA SPLIT MILK SHAKE

BORGER'S

TO ALL STUDENTS:

The Egyptian believes that thrifty students can save money if they will patronize the firms who advertise in the Egyptian. Few students at Southern can afford to refuse recognition of Advertising for what it is—vital force in shaping and improving buying habits—in enabling them to get more for their money.

Our students have to know where their money goes. Their limited funds compel them to get a dollar value for every dollar they spend. Egyptian Advertisers have realized this and the merchants pride themselves in their integrity . . . on their selections . . . on their ability to serve. Study the ads in this issue. They'll help you to buy more wisely. Thrifty students have always used the Egyptian as their shopping guide.

Sincerely,
BUSINESS MANAGER
THE EGYPTIAN.

Reporter Reviews List of Outstanding Personalities Who Entertained Students Since Homecoming Last Fall

Southern Illinois Normal University has added to the list of outstanding personalities who entertained students through the year by bringing to the campus outstanding lecturers and personalities in various fields.

Many of the artists were brought here by the Carbondale Cooperative Association through the S. I. N. U. lecture course.

Among the first persons on the entertainment course since the 1938 Homecoming was Donald Grant, prominent lecturer. He spoke in chapel November 15, discussing the modern European situation. Mr. Grant attended the World Disarmament Conference while he was in Geneva.

Alfred Edwards, member of the House of Commons in British Parliament and labor leader, spoke in Carbondale Nov. 1 of last year. Mr. Edwards was at one time, work superintendent and later managing director of Harrison Brothers Ltd. of Middlesbrough, England. He pleaded for international peace.

Canadian Educator Dr. Wilfrid Sappell, on-time president of the Junior College in British Columbia, spoke in chapel at the college auditorium November 11, 1938.

The Prairie Farmer WLS field staff entertained the college students in Shyrack Auditorium November 22. Ted Rowshaw, of WLS, acted as master of ceremonies.

Governor Phil La Follette appeared as a speaker on the S. I. N. U. entertainment course December 7. La Follette, well known Wisconsin leader, became governor of Wisconsin in 1939 and served three consecutive terms.

Professor John A. Morrison, an eminent geographer from the University of Chicago, presented an interesting speech on Soviet Russia in December.

Richard Bonelli, leading baritone of Metropolitan, sang in chapel auditorium, December 9, 1938. He is the outstanding baritone from the Metropolitan Opera Association, New York City.

Mr. Bonelli presented a program of light music which was most enthusiastically greeted by the large audience of 1200 people.

Dr. Vivian Weedon, curriculum consultant, National Safety Council, Chicago, addressed the students at Southern February 15, 1939.

Lawyer and actor Earl Stern appeared on the campus March 15. He has studied under the world famous Professor Max Reinhardt.

Anna Louise Strong, borned in current events in the world in Chicago, February 27.

A violin, cello, piano instrumental concert was presented by the King's-Alden Turner musical trio, February 13. This trio was organized in the campus by popular request.

Kitty Page, famed Phi Beta Kappa, the debut author, and lecturer spoke to the college students, April 19 and the Tony Sarg, March 20, of the famous New York company, were here May 10, sponsored by the A. A. P. W. The Phi. Thrasos Island was one of Tony Sarg's outstanding features.

Dr. H. M. Gray, assistant dean of the Graduate School at the University of Illinois and professor of economics, Paris, addressed the annual dinner on May of the Alpha Xi Association at University Professor May 12.

Dr. Charles Clayton Morrison de-

livered the baccalaureate address for the class of '39.

Educators Speak Before Summer Audience.

Messrs. N. L. Bagelhardt and W. C. Bagley, both of the Teachers' College of Columbia University, were the principal speakers on the summer educational conference held here June 22 and 23.

Mr. Kenneth N. Bendie, director of the Education Division, National Conservation Bureau, New York City, visited the campus June 29. He spoke in chapel on the subject of modern European situation. Mr. Bendie attended the World Disarmament Conference while he was in Geneva.

Among other outstanding lecturers and personalities during the summer term were: Julius Mark, speaker on Judaism; C. W. Sorenson, lecturer on propaganda; John G. Neuhard, celebrated author of prose and poetry; Winslow and Fitz-Simons, distinguished members of the International Astronomical Union; H. Harding, chairman of the astronomy and mathematics departments of the University of Arkansas.

The Russian Cathedral musical appeared here July 10. This group, also directed by Arthur M. Harding, gave a concert in the college auditorium November 11, 1938.

St. Hubert Wilkins, noted Australian explorer, appeared in the auditorium last Monday.

W. A. A. Chooses Pemberton, Cooper As Conv. Delegates

Walter A. A. and Betty Pemberton, respectively, were chosen to represent the S. I. N. U. Women's Athletic Association in a weekend camping trip at East Bay camp of Lake Monongahela from Friday, October 20, until Sunday, October 22.

The purpose of the outing is to give the delegates opportunity to plan for the North Central district convention of the Athletic Federation of College Women which is to be held at Normal University in Bloomington on April 11, 12, and 13.

The Normal Outing club is taking charge of all expenses except those of transportation to and from Bloomington.

Harrison Named President of Madison County Group

The Madison county group meeting was held during the third hour, Tuesday, in room 107 of the Main Building. Harrison was elected president. Andrew Wiersman of Granite City was elected secretary.

Homecomers Welcome Back

Make COX'S Your Headquarters

JITNEY PLAYERS WILL APPEAR HERE OCT. 30

The college entertainment comes brings to the campus on October 30 the nationally famous JITNEY Players, America's oldest touring theatre. With an outstanding cast featuring Ethel Barrymore, Cole Douglas, Rowland, Bettina, Carl, and Harry Greenham, they have been booked for a matinee performance at 3:00 p. m. of George M. Cohan's "Seven Keys to Baldpate" and an evening performance at 8:00 p. m. of N. Behrman's "End of Summer."

"Seven Keys to Baldpate" is a play of mystery, farce, and intrigue, one of the most thrilling plays of recent times. It is an especially fine example of American mystery play.

"End of Summer" is witty, it is wholly captivating. This country is a treasure-house of good will. Brooks Atkinson—"The Times." The story is of a romance in which a rich young man spurns a rich young girl in order to do something about this unbridled world.

Ethel Barrymore, the greatest actress and manager of the JITNEY Players, is the daughter of the noted Ethel Barrymore, but she has to be better content to rest on her family's well won laurels.

The JITNEY Players' original purpose, that of presenting the JITNEY players wherever they could assemble an audience, is still paramount in this unique American theatre organization.

MAROONS WILL BE POINTING FOR TENTH HOMECOMING VICTORY TOMORROW AGAINST WESTERN

Records Show Nine Wins, Six Defeats, One Tie Since 1923

While the Maroons are battling Macomb tomorrow afternoon in an attempt to round out a better program of annual celebration, they will be aiming for their tenth Homecoming victory. Through the idea of Homecoming was suggested to the college administration in 1921 by Captain William McAndrew, athletic director. It was not until the season of 1923 that football was genuinely established as a vital part of the institution.

In the sixteen games that have been played annually since then, Southwestern has finished on top in nine instances, has lost six encounters, and tied one. The Maroons enjoyed the most success beginning with the 1924 season when they humbled Cape Girardeau, 7-0, and went on to defeat Homecoming opponents for the next five years.

At present a victory would go well toward ending the pain inflicted upon enthusiastic fans who have watched the representatives of Alma Mater go down to defeat for the past two years. Macomb, incidentally, spoiled the festivities in 1937, winning by a 16-0 score.

Results of Southern's main annual sports events since 1923 are as follows:

1923-Cape 12, Southern 12—Lost.
1924-Cape 9, Southern 23—Won.
1925-Charleston 7, Southern 0—Lost.
1926-Charleston 0, Southern 23—Won.
1927-Cape 6, Southern 6—Tie.
1928-Charleston 18, Southern 0—Lost.
1929-Cape 0, Southern 7—Won.
1930-State Normal 0, Southern 39—Won.
1931-DeKalb 8, Southern 7—Won.
1932-Charleston 0, Southern 25—Won.
1934-Charleston 6, Southern 13—Won.
1935-DeKalb 28, Southern 0—Lost.
1936-McKendree 0, Southern 13—Won.
1937-Macomb 16, Southern 0—Lost.
1938-State Normal 6, Southern 0—Lost.

FANS WILL HAVE CHANCE TO SEE SIX MAN GAME ON FOOTBALL PROGRAM

By HARRY E. BOVD.

The initial portion of the Saturday afternoon Homecoming activities will be a six-man football game between Harold "Bully" Moorman's Valler Blue Birds and Herbert "Bucky" Donovan's Sasser Red Devils. The game time is 12.

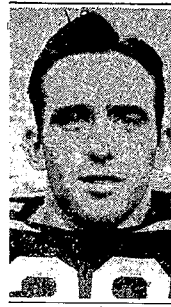

The students and alumni are expected to turn out en masse to witness the exhibition of this phenomenal phase of rugged activity. The positions of the players are left end, center, right end, a quarterback, a fullback, and one halfback. The game is played with thrilling action and the scoring usually very high. As a safeguard there is a rule which states that if any team scores as many as 50 points in the first half, the game is automatically ended. This rule is usually passed from three to six times in the course of one play, including both lateral and forward passes.

Since their first game which ended in a scoreless tie, the Bluebirds have won and the Red Devils are bound to their respective records. Coach Moorman and Donovan have put their teams through three weeks of intensive training especially for this game.

The lineups are as follows:

Sasser	
Coach—Donovan.	
Players	No. Wgt.
L. E. Shelton	105 107
L. Hurvath	134 187
E. Zilinski	114 149
R. E. Boyd	116 150
H. B. Boyd	150 188
Q. B. Forner	2 153
E. G. Guley	17 145
C. LaVant	18 146
R. E. Kelley	12 135
F. B. McElroy	8 170
C. Taylor	11 149
H. H. Hateman	6 178
L. E. Piper	3 185

Valler	
Players	No. Wgt.
L. E. Wilson	12 148

U. B. Higginson	2 111
L. E. Paloda	8 165

CO-CAPT. HOLLIDAY LEADING SOUTHERN TENNISERS

HAMILTON BIDS FOR HONORS WITH NO-HIT PITCHING

The fall intramural baseball league has progressed to its next to the last week of play, with the Spirits of '76 still leading the pack. Undeated in four contests played, the Spirits are followed by K. P. K. Tiger Cats, Unknowns, R. A. B., and University High. Forfeiting a game which was scheduled for last week, the Cardinals were dropped from the league.

The highlight of three games played since Wednesday, October 11, to the present writing (Wednesday morning) and even one of the bright spots of all games played this season, was the over-enthusiastic no-hit pitching triumph of Hart Hamilton of the Unknowns against University High, October 11. The game, lasting only four and one-half innings, was a 11-0 score for the Unknowns. This also happened to be the winners' first successful contest of the fall season. Fifteen men faced Hamilton, fourteen going down swinging, all consecutively. C. High's only run was scored on an error and three passed balls. The Unknowns gathered a total of seven safeties off the combined pitching of Dillow and Mantle. Three of the seven hits went for extra bases. This no-hit performance of Freshman Hamilton was the first since Cliff Adair pitched for Kappa pitcher, turned the trick during the 1938 season.

Tuesday afternoon of this week, the Unknowns checked out their second straight win as they downed the Tiger Cats, 11-0. Hart "No-hit" Hamilton came within two hits of leading another no-hit game, but a home run by Charles Morgan, preceded by a timely single spotted Hamilton's chances of being a second Valler Blue Bird. The winner collected two RBIs, but they capitalized on six Tiger Cats' errors. Hamilton led his team in hitting by getting a four-bagger.

Kappa Phi Kappa came out on a long-end of a 4-3 win over the R. A. B. (tentative), Monday afternoon. The feat repeated the scoring in its initial frame by scoring twice. R. A. B. scored once in the first and third innings to tie up the battle. Two runs in the fourth showed the Kappa Phi's in the lead which they never relinquished as the Unknowns could do was to gather in one run in the fifth. Henz and Henz of the losers each collected two hits in three trips to the plate.

Last Thursday, the Cardinals dropped out of league competition, as they forfeited their scheduled game with the R. A. B.

C. Purrell	11	194
R. E. Green	9	170
F. B. Fatten	8	185
H. B. Miley	1	149
H. B. Baldwin	4	135
L. E. Parlar	16	140

The acting captains for the two teams will be appointed by the coaches at game time.

All sport fans connected with this game offer assurance that it will be packed with thrills and spills from start to finish. The cheering departments of both schools will be on the job and all those in attendance are urged to take part in this inspiring spectacle which makes amateur football what it is.

The third president of Portland University was a cousin of President Roosevelt, mother of President Roosevelt.

CLUB ORGANIZED BY TABLE TENNIS DEVOTEES HERE

Charles Morgan Elected President at Meeting Monday

A table tennis club was organized last Monday afternoon in the men's gym by a group of S. I. N. U. devotees to that sport. Charles Morgan, former member of the Times-Parade for the singles championship and doubles champ club, is president of the organization. John Coffman as vice-president, and John May, secretary-treasurer, round out the list of officers. Leiland P. Lingle, of the physical education department, is being sought as a sponsor for the club. Objectives of the table tennis club are as follows: 1. To conduct a tournament each term in a fair and proper manner; 2. To obtain better playing facilities for members of the club; 3. To invite other schools and organizations; 4. To promote table tennis at S. I. N. U. Last year a team of players from school, living in Macomb and Herrin and called the Herrin Tigercats, went up to St. Louis and played a tournament with the Finners A. C. Though losing, the visitors made a good showing. Club Plans Tentative Schedule.

Cape Girardeau, a municipal team of St. Martin, a high school team of Hannibal, perhaps some WPA centers in surrounding town, and as a climax, Illinois University, are on the list of prospective opponents. Any team interested in a match should address a letter to the president, Charles Morgan, at 110 South 14th street, in Herrin. Players who have not signed up for the club and who are interested may attend the next meeting Monday afternoon, the ninth hour, in room 201 of the men's gym.

PAUL STEWART

PROSPECTS LOOK BRIGHT FOR BASKETBALL

Strong Schedule Is Announced For 1939-'40 Season

Advance indications are that Southern's hardwood representatives for the forthcoming basketball season will be able to take fairly good care of themselves against almost any type of opposition. However, coming at this early date the above statement is subject to alteration due to negligence, illness, accident, or any other of a dozen different things, which can wreck even the best basketball team.

Nevertheless, there are a few facts which when studied, bid trouble for Southern's opponents. Seven of last year's nine returnees should be available for duty when the Arkansas State five open Southern's 1939-'40 basketball season on the S. I. N. U. floor Friday, December 1. A letterman of three years ago, Pete Girard, is back in school working on his degree and in early practice sessions has shown that he still has a leg for the basket. Several promising freshmen are participating in the early practices and if they continue the more they're set for themselves. Coach McAndrew is going to have material to give his veterans a battle for starting berths.

Following is a partial list of men who will undoubtedly receive careful consideration before the starting line is announced: Captain Bill Wolfgram, Carterville; George Weldon and Bob Correll, Centralia; Marlin Morrean, Kentucky; Bob Hunter, Here.

Exactly 250 college and university men are participating in the pilot training program of the Great Aerobics Authority.

ETHERIDGE NEW STATE CHAIRMAN ATHLETIC COMM.

Miss Etheridge of the Women's Athletic department has been asked to serve as chairman of the state committee of the Women's Division of National Amateur Athletic Federation. This board is the only one of its type in Illinois.

The purpose of the association is to promote suitable athletics for women and girls. The committee meets once or twice a year. It is planning a meeting for the near future.

Kicking Attraction in This League

Southern California girls have organized Powderpuff Football League. They wear softball shoes and chest protectors and play 12-minute quarters. Bubbles Bressie, above, is triple threat, quarterback of Hollywood Stars.

W. A. A. TO HOLD ALUMNAE BREAKFAST TOMORROW MORNING

W. A. A. board members will hold a breakfast for the alumnae at Hank's at 8:30 tomorrow morning. The honor of being toastmistress goes to the president of the W. A. A. Marian Byrum.

From 9:15 to 10:15 in the morning the alumnae members of the Women's Athletic Association will meet.

Following the meeting at 10:30, a hockey game, Alumnae versus Varsity, will be staged on the Girls' Hockey Field. Varsity players are chosen from members of the Hockey Club, which meets on Monday and Wednesday nights.

Thursday Marks Close of Dancing Class Meetings

Thursday marked the close of a series of classes in social dancing for beginners. For the past three weeks Miss Josephine Smith of the physical education department has been giving instruction to more than two hundred boys and girls. The purpose of the classes was to help those who wished to attend the school dances, particularly the Homecoming dance, and who had never danced before.

Sessions were for one hour and a half; the first half hour was devoted to teaching the steps to the waltz; the next half hour was given to instructing the boys and girls in the last half hour was used for entire group activity in which the boys and girls danced together under the supervision of Miss Davies.

The physical education department is considering the possibility of offering a course in social dancing during the winter term, if there is demand enough for such a course.

SOUTHERN BOWS IN SECOND TILTS BY 7-0 SCORE

Playing before a gay Arkansas Homecoming crowd last week, the Southern Maroons bowed before a vengeance bent Arkansas State eleven by a 7-0 count, evening their last two years' record at one win each.

Early in the second half Arkansas started a drive which carried them more than sixty yards to Southern's goal line. The Jonesboro boys advanced past the fifty yard line into Southern territory on a pass. Power plays and passes pushed the ball to Carbondale's eight yard line, where the Maroons held for two downs, showing Arkansas back seven yards to the fifteen. Again the Jonesboro drove took to the air with Greer's shooting a flat pass over two yards, who was downed two yards from the goal. Settleman then batted center for the only touchdown of the game. After Co-Captain Elbert Smith of Southern had broken through and blocked the kick for the point, Callahan grabbed the ball and chased across the goal line for Arkansas' seventh point.

Charlie Pyle of the Maroons, opened the game with a booming kick to thirty opponents, five yard line which Settleman snaked back for a twenty-five yard return. Play sea-sawed back and forth the first quarter and a running duel ensued. Then a running offensive by Southern placed Arkansas on the defensive for the rest of the first half although the Maroons made no definite scoring. Harold Musgrave, fresh quarterback from Fairfield, looked flashy on some end runs and defensively. He stomped stood out like the sore thumb in bow sport.

After the third quarter touchdown, tactics again reverted to the gattern set by the first half. The remainder of the game was of a defensive nature with Arkansas' wing blown and Joseph Southern at bay. Though penalized frequently, Arkansas did not suffer too much because of the advantage gained by having the wind to their backs. The Maroons attempted kick as many passes as they could, but as many as Arkansas for no appreciable gain.

Southern connected for two out of eight, while Arkansas State clicked on six out of sixteen attempts.

W. A. A. PLANS HOCKEY GAME

The Women's Athletic Association planned an extensive program for this week-end.

A breakfast in honor of W. A. A. Alumnae will be held at Hank's Monday morning. At 10:20 o'clock a Varsity Alumnae hockey game will be played. This game has become a tradition of the club.

Many of the Alumnae have written their acceptance of the W. A. A. invitation to give were sent out some time ago. Those who have thus attended Marian Byrum, president of the Women's Athletic Association, of their coming are as follows:

Ruth Elton, Simpson, Florence, Virginia Hines, Henrietta Pitts, Bett Jones, Kathleen Deiberbauer, Janette Spalding, Elsie Keller, Helen Bates, Wilma J. Loudon (Mrs.).

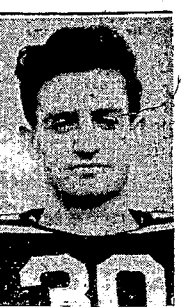

NOTICE!

Within recent weeks person driving automobiles have been negligent enough to drive near one of the athletic fields. Naturally this causes unevenness in the playing surface which might easily be the cause of a sprained ankle or other leg injury to an athlete.

Athletic director William McAndrew requests that persons who drive automobiles keep them off the athletic fields.

The Evangelical club will hold a tea at Miss Krause's residence, 505 West 29th street, after the game Saturday, October 21.

HOMECOMING GRID CLASSIC SEES SOUTHERN OPEN HOME SEASON AGAINST WESTERN OF MACOMB

Stewart Returns As Triple Threat Back For Leathernecks

CO-CAPT. SMITH SOUTHERN TENNISERS

PROBABLE STARTING LINEUP AND WEIGHS SOUTHERN

Southern	Pos.	Macomb
Ellis (160)	L. E.	(175) Harri
Smayth (188)	L. T.	(175) Yuckl
Traband (165)	L. G.	(180) Lockbar
Hill (181)	C.	(165) Nelson
Stamm (167)	R. G.	(165) Moore
Smith (179)	R. T.	(175) Brown
Groves (163)	R. E.	(160) Olson
Cox (166)	Q. B.	(150) Atwood
Musgrave (154)	H. B.	(170) Stetter
Preuborg (150)	H. B.	(150) Miller
Holliday (195)	F. B.	(170) Mene-

Team averages:

Southern: Line, 177; backfield, 166; Western: Line, 165; backfield, 152. Both Coach Glen "Alb" Martin and the Southern eleven will make their debut before local fans tomorrow afternoon at 2 o'clock when the "Matrons" kick off to Western Teachers of Macomb in the annual Homecoming grid classic. Martin is in his first year as head mentor of football and his two previous successors this season have been on "Jovian" fields.

Stewart Returns As Triple Threat Back For Leathernecks. Invading the campus reports from final practices late this week are that Southern's representatives are set to do their part in celebrating the annual event in true fashion, at the same time being ready for their initial conference battle.

One heartening note is the return of Veteran Sam Hill to his regular post at center. Major injuries forced him to take caution in recent workouts, but Coach Martin asserted the weary lineman will be ready for action tomorrow. J. T. English, junior stalwart at left end, and Ed Miguelice, hefty freshman tackle, remain on the list of questionables. Both of them have been compelled to "soft" their bodies during a heavy, though Homecoming's most likely will have considerable opportunity to see the Maroons' all-conference prospects in action.

Shifting Southern's lineup to face the strongest possible combination of Coach Martin has been replaced by Co-Captain Elbert Smith back to his post at right tackle where the latter won no small amount of honors last season. Bill Groves, as a result, will take over permanent possession of the center position.

Satisfied with the showing of Velder Cox, Harold Musgrave, Bill Preuborg and Co-Captain George Holliday in the backfield, "Alb" has announced his intentions of naming that quarterback Stewart as starter. Though a steady drilling in past practices, Stewart's brilliant play has been the Maroons' according to rumors that have drifted downstate from the vicinity of Macomb. In Captain Paul Stewart Coach Ray Hanson of Western has one of the outstanding passers of the conference, not to speak of the former's prowess as a punter and a broken field runner. Eldon Atwood, too, merits consideration in speaking of athletic stunts. With Jay Olson and Jack Hara talented receiver, at right and left end, respectively, Western will present a strong test for Southern's defense.

"Though lacking the Maroons' equal in weight, Coach Hanson has groomed a line that Macomb's critics have "criticized" out on the limb" to acclaim as being foolproof. Steve Carlandino ranks its front wall as one of its strongest in recent years, the Homecoming classic should live up to all expectations.

For Southern Musgrave, freshman from Fairfield, will handle most of the kicking assignments, though he will share the duties with Bob Newton. Another strong back, is in the game. Holliday will present the front of the short punning drives to compete against Western's Jose Mincey.

As has been announced the six man game between Valler Blue Birds and Sasser High school will precede the main game at 12:15.

W. A. A. PLANS HOCKEY GAME

The Women's Athletic Association planned an extensive program for this week-end.

A breakfast in honor of W. A. A. Alumnae will be held at Hank's Monday morning. At 10:20 o'clock a Varsity Alumnae hockey game will be played. This game has become a tradition of the club.

Many of the Alumnae have written their acceptance of the W. A. A. invitation to give were sent out some time ago. Those who have thus attended Marian Byrum, president of the Women's Athletic Association, of their coming are as follows:

Ruth Elton, Simpson, Florence, Virginia Hines, Henrietta Pitts, Bett Jones, Kathleen Deiberbauer, Janette Spalding, Elsie Keller, Helen Bates, Wilma J. Loudon (Mrs.).

The Temple University school of medicine had 2,000 applications for 110 vacancies in its freshman class of the opening of the European war.

CAMPUS BULLETIN

S. I. N. U. Campus Organizations:
 In order to balance a revised plan of expenditures and at the same time present Southern's organizations in a more formal style, in keeping with the theme of the forthcoming yearbook, the Obelisk staff respectfully requests that you file in the Egyptian office the name of your organization and the names of your three primary officers or outstanding membership leaders as soon as possible. The three you select will necessarily represent a year's activity regardless of possible tri-annual elections.

The staff will sincerely appreciate your cooperation in making your section of the 1940 Obelisk a success.

Any student having envelopes suitable for use in the Obelisk will be paid 25 cents for each sheet used. Film pictures with Frank Holloway or Frances Kaul.

Freshmen please report to Grindie Studs for Obelisk pictures October 23-November 3.

BOX SOCIAL
HALLOWEEN NIGHT

Library Releases
Film List For Week of Oct. 23

Following is a list of films available during the week of October 23, 1939, from the S. I. N. U. Film Library and Film Projection Service.

This list is in the library and all sound films especially produced for classroom use. Descriptive matter may be obtained about any of these films from the Film Library office, Room 102, Parkinson Building.

Faculty members must be photographed as soon as possible to be included in 1940 OBELISK.

Members of the Egyptian staff will be present at the Halloween party to be held Oct. 30 should sign the list in the office. A small charge may be made.

 The following films will be onampus from the University of Illinois during the week of October 23, 1939.

Sand and Clay—silent. Will be shipped Oct. 18. For use Oct. 15. To be returned Oct. 19.
Limestone and Marble—silent. Oct. 8; Oct. 18; Oct. 19.
Paris—sound. Oct. 16; Oct. 18; Oct. 19.
Man Against Microbe—silent. Oct. 6; Oct. 18; Oct. 19.
Mexico—silent. Oct. 16; Oct. 18; Oct. 19.
Making a Book—silent. Oct. 16; Oct. 18; Oct. 19.
Little Brother and Sister—silent. Oct. 18; Oct. 20; Oct. 21.
Energy and Its Transformations—sound. Oct. 18; Oct. 20; Oct. 21.
Man and Oil—sound. Oct. 20; Oct. 23; Oct. 24.
Weather Forecasting—silent. Oct. 13; Oct. 25; Oct. 26.
Sinews From the Soil—sound. Oct. 13; Oct. 25; Oct. 26.
Formation of Soil—silent. Oct. 23; Oct. 25; Oct. 26.
Atmospheric Pressure—silent. Oct. 3; Oct. 25; Oct. 26.
 It is often possible to use films during the first periods of the day if it is to be returned.

St. Mary's University, Texas, owns a bus for athletic trips that holds 25 passengers.

The College of the City of New York has the largest N. O. T. C. voluntary unit in the nation.

FINAL INSTRUCTIONS.
 Coach Ray Hanson, Army Western, hands out advice to Warren Soule, veteran Johnback, who may share some of the visitors' backfield duties with fullback Mincemeyer.

FOTOS CLUB HOLDS OUTING AT GIANT CITY

Members of Fotos, camera club, spent last Sunday afternoon at Giant City park. About twenty-four members and guests assembled at the park in the early afternoon to take pictures of the park and its surroundings. Every kind of camera imaginable was used, from tiny rangefinders to a Super DeLuxe Graflex.

The Fotos club was organized by Mr. J. C. Davis of the faculty for the furthering of the interest of photography.

The program committee is planning to have a series of illustrated lectures read from the Eastman Kodak Co. Other events on the program include showing of colored movies taken by Mr. Davis on his campus and in Mexico. The club is also planning to make portrait studies under flood lights.

At the election early in the term the officers chosen were as follows: Frank Holloway, president; Sidney Ayers, vice-president; Mary Esther Ayers, secretary; and Walter Heinz, treasurer.

Meetings are held every other Wednesday in the Zoology room at 7:00 p. m. Everyone wishing to join is welcome to come. Dues are 25c per term. Each paid-up member is given a membership card which is a specially photographed card bearing the insignia of the club. Any prospective members are urged to attend the next meeting and contact the treasurer.

COMMERCE CLUB HEARS ADDRESS ON CONDITIONS IN CHINA

At the Commerce Club meeting, last night, the entertainment consisted of a piano solo by Dave Richman and an address, "Importance of China With Emphasis on Economic Conditions," by Miss J. Minnie Barber. Miss Barber taught at the Glendale College in Nanjing for two years. Since her return to America, she has kept in close contact with her interests there. She has taught at Monticello College and is at present a member of the faculty at S. I. N. U. and the faculty head of Anthony Hall.

Tickets for Breakfast are on Sale. Tickets are on sale for the Commerce club breakfast to be held at 7:30 tomorrow at the First Baptist church. The price is 25 cents. All members of the club and all Homecoming members are invited.

In the Miami University chemistry laboratory there is a special shower for use when students' clothes catch fire during experiments.

Snake Dance Introduced By Southern Knights

October 9, the Southern Knights introduced to the people on and near the campus a snake dance, per activity which may soon become tradition in the rise of bigger and better Southern spirit.

The Knights adjourned from their regular meeting, after library hours, forming a weaving snake-like chain in lockstep, chanting S-S-SINU, S-S-SINU. The rowing chain of chanters "stormed" Anthony Hall, drawing an end of favorable "Ohs" and "Ahs" from the residents. The group of over forty men then "raided" Carter, drawing the dance music with the rhythm.

The snake dance is expected to be very much in evidence from now on when Southern exhibits the loyalty and spirit that it has.

Fifty per cent each of the Washington and Jefferson College students are taking one or more courses in chemistry.

Dr. Marie Hinrichs Speaks to Y. W. C. A. Tuesday Evening

Dr. Marie Hinrichs gave a talk Tuesday evening at the weekly meeting of the Young Women's Christian Association. She discussed a woman physician's place in the world and how the profession affects her philosophy of life.

"There are two types of woman physicians," Dr. Hinrichs explained. "The first type is the woman who is very masculine; the second type is the woman who remains feminine." Continuing she said, "There are good chances for women in medicine. In many phases of the work men are far better than women, but there are also phases in which women are better." She mentioned the fields of obstetrics and pediatrics as particularly fine for women, as women often have more patience than men. Moreover, they understand children better than men do—an essential factor in the work of pediatrics.

doctor may become successful. Dr. Hinrichs stated, are skin specialists and eye, nose, throat specialists.

"Many women have no idea of practicing medicine, but go through medical school because the work interests them. Later they may use their knowledge in laboratory work or dietetics.

Others may teach school or become school principals. The latter is an open field, and few schools refuse to accept women doctors."

"Becoming a doctor," Dr. Hinrichs concluded, "will either bring out the best or the worst in you. Medicine is a field which develops you and your personality and puts something in you never present before. Not only that, it is a profession in which you can get to the very soul of a person."

"You must choose, though, between a life of sacrifice and a life of easy living," she warned. "Don't get into medicine with the idea of making money. If, however, you are interested in becoming a doctor don't let anything stop you; you can do anything if you really want to."

Anthony Hall Girls Choose House Colors

Anthony Hall girls recently chose green and gold as their house colors. These colors are being used to help carry out the theme of the Hall's Homecoming decorations.

Dr. Steagall Will Address Zoology Seminar

The Zoology Seminar will meet on Tuesday, October 24, at 7:00 in the Zoology lecture room. At this time Dr. Mary Steagall will address the group on the following topic: "A Zoologist Reviews Her World Trip." Her talk will center around her visits to three foreign snake houses. The snake houses which she will visit are those of Dancock, Simu, Iowana, South Africa, and Elizabeth, South Africa.

In connection with this topic, Dr. Steagall will explain the possibilities of research in South Africa.

Beck Is President Marion County Group

Marion county group elected Bill Beck president at a meeting Tuesday, October 10, in room 203 of Parkerson Laboratory. Mr. Davis of Salem was appointed alumni chairman.

Hill Is New Jackson County Group Chairman

Max Hill was elected chairman of the Jackson county group which met October 19 in the auditorium. Lester Inman was elected alumni chairman.

MAKE YOUR HOME-COMING APPOINTMENT EARLY

Southern Illinois School of Beauty, Charm and Culture

KAPPA PHI KAPPA WILL GIVE BANQUET TOMORROW NIGHT

The annual Kappa Phi Kappa Homecoming banquet will be given at the North Hall Saturday night at 6:00. About sixty alumni, faculty, and students are expected.

Kappa Phi Kappa can look back on the past year with much pride, the most notable events being the election of its sponsor, Mr. Bruce Merwin, to the office of national president of the organization last spring at the meeting in Cleveland. The local chapter has made many gains along membership and activity lines.

The regional conference, which is being organized by Mr. Merwin, will be in Chicago on November 5 following the professional interfraternity conference. Delegates from nine chapters in four states will be present at the meeting. The local chapter will be well represented with the national president, several alumni, and four or five student members.

The officers of Kappa Phi Kappa for the year 1939-40 are: Virgil Holt, president; Donald Bryant, vice president; Fred Bues, secretary; and Harlan Hall, treasurer.

Kappa Phi Kappa is a professional educational fraternity organized in 1922. Alpha Upsilon, the local chapter, was established on the campus in 1923 and has grown to a membership of alumni and students of over 800. These include many prominent educators in Southern Illinois. Kappa Phi Kappa each term pledges a number of male students on the basis of high scholastic average and high scholastic standing in education courses.

STAFF MEMBER OF STUDY LOCAL PROBLEMS

C. L. Cushman, staff member of the Commission on Teacher Education, will be here during the latter part of October to consider problems of the college. Mr. Cushman was formerly director of curriculum in the University of Chicago.

The reports of the various committees of this conference have revealed certain areas and aspects of teacher education in which problems are especially numerous. Child development, the American culture, the arts, foreign languages, and evaluation seem to be such areas and aspects of teacher training.

Dr. Harris Speaks Before Club On Debating, Thursday.

Dr. J. W. Harris of the S. I. N. U. English department discussed "Debate and Public Speaking" before the Debate club Thursday afternoon. Dr. Harris led an informal discussion forum in discussing debaters and speakers' problems.

The National Association and Phi Kappa Delta question was announced this week. It is stated: "Resolved: That the United States should follow a policy of strict economic and military isolation toward all nations outside the Western Hemisphere engaged in armed international or civil conflict."

The state debate tournament will be held at the University of Illinois on March 16-17.

A tentative schedule is being arranged which will probably include an afternoon and evening debate with Arkansas State College here during the week of December 5.

Plans are also being made to arrange for debates with Cape Girardeau and Paducah Junior College before the first tournament, which will be held in Bloomington, Illinois, after the Christmas holidays.

The Debate club meets every Thursday afternoon at 2:30 in Room 101 of the Main building.

Delta Sigma Will Hold Open House

The Alpha Delta Chapter of the Delta Sigma Epsilon sorority will hold open house Friday night, Oct. 20, at 10:30 p. m., immediately after the Homecoming play.

DR. HINRICH SPEAKS TO ZOOLOGY SEMINAR

Dr. Marie Hinrichs spoke at the last Zoology Seminar meeting. She discussed the topic, "Marine Animals: Friends and How We Learn to Know Them." She also told about the latest experiments at the research laboratory at Woods Hole, Massachusetts. Her talk was illustrated by pictures and slides which she took.

After the address by Dr. Hinrichs, the nominal nominated candidates for the various offices: President - Louis Calatrera, Bernard Stern. Vice president - Colan Hill, Arthur Hwang. Secretary-treasurer - Laura Lee, George The. Nearinghaus, Martha Stallings.

Mr. Mcintosh Speaks to Herrin Woman's Club

Mr. David S. Mcintosh spoke to the Herrin Woman's club on "Folk Songs" on Wednesday, October 18. Mr. Mcintosh has a rich collection of knowledge of the color, depth, and beauty of our Southern Illinois folk songs. He presented a number of songs which are something that should be imparted to S. I. N. U. students who are interested.

Fotos Club Holds Outing

The Fotos club held its fall term outing at Giant City park on Sunday, October 15. The group left from the flagpole early in the afternoon.

Baptist Union Will Hold Homecoming Party

The Baptist Student Union will hold a homecoming party in the church basement Saturday evening at 7 o'clock for all present and past members of the organizations.

All young men are urged to attend the Brotherhood meeting at the Baptist Foundation, Thursday evening, 7:00.

The Young Women's Association will meet at Mrs. Erberson's home, Thursday evening at 7:00.

The officers wish to remind students that subscriptions to the Baptist Student are 75c per year or 25c per term.

OLD AS THE NILE

By ED HENRY.

"I Quit" and "Author Unknown" win the tickets today.

Blow 'em Jennings was heard to say, "You really think I'm handsome, don't you Boehsch?"

Prof. is cupid's blind hitting 1000? Geo.: Aviation-themed Gene Long (even more so after last week) says there's nothing like taking a girl on an airplane ride over the lights of St. Louis. Gene says love has bitten him, but Wings thinks it's only infatuation.

Klave of Henri Fred Dreyer, not to be outdone, is enraptured by a Washington U. co-ed whose lovely voice has not only panned her comradely playing on the air, but also made his heart set a new record for consecutive loops.

Of course, we can't forget Carlyle Schmitt as he clings to the apron strings of a Miss Mannie and makes sheep eyes at same party.

Wings' own "Johnnie's" hour strings are really tearing for the one, Anona Metz. And this has been going on ever since school started. Kinds long for you, Jimmy, say.

But to top it off, Jack Winthrop claims all the bases by hitting a home run, imagine one guy with three girls all at once, as was witnessed by Carter's patrons Monday night. And I do mean everyone of those three was escorted home by Jack—where.

Have you noticed that cute Margie Smith (the name's not distinctive, but then eyes sure are) and her coterie of swains? Anyhow, she seems to have a great preference for the Grand Avenue fraternity (KDA) and is doing all right in keeping the boys guessing one guy with three girls has all but one of the boys guessing, so as to leave her something to work on, but really, she has all of them guessing. (L'Envoie: Margie's being a Tri-Sig may account for her preference in fraternities, although then KDA's do get around a heck of a lot).

"Author Unknown."

P. E. Instructors Give Demonstrations At Chester, Oct. 12

Mr. McAndrew, Mr. DiGiovanni, Miss MacLans, and Mrs. Muzzey conducted demonstrations on methods of instruction in group games, rhythmic, and other activities. A demonstration and teacher training methods in Physical Education at the Randolph county institute at Chester on Thursday, October 12, directed by Tom Cash Stason, state director of physical education, was given. Mr. Muzzey and Miss MacLans gave talks and demonstrations on rhythmic and low organized games. Mr. DiGiovanni gave a talk and demonstrations of recreative sports.

Green Elected President Franklin County Group

Franklin county held a meeting in the south auditorium classroom Tuesday, Oct. 10, after chapel. The group elected the following officers: President, Paul Green, Christopher; vice president, Lorain Smith, Christopher; secretary, James Smith, West Franklin.

Mr. Van Cleave Organizes String Quartet for Students

Mr. Emerson Van Cleave has organized at S. I. N. U. a string ensemble consisting of a few advanced players who are desirous of becoming familiar with the standard string quartets, quintets, and chamber music. These students are an opportunity to learn valuable information about intricate parts of chamber music. As yet there has not been any scheduled public performances, but such music should be on every Music Appreciation student's list.

The students asking this course are: Ivan Anner, Yelena, Anita Bedford, Kate Danfing, Forest Mills Burton, Genevieve Daniel, Annamae Fisher, Willam Galt, Charles Helwig, Verne Meredith, and Paul Towhee. Credit is given to these students for participating in this course.

Fotos Club Holds Outing

Johnson county group members held a meeting Tuesday, Oct. 10, during the third hour in the Main building. At this time officers for the term were elected as follows: president, Quentin Pile of Cypress; secretary, Marjory Moore of Vianca.

HOME-COMING FESTIVITIES BEGIN TODAY

(Continued from page 1)

Heading the cast is Gene Samuels. Others who hold leading parts are Bill Holder, James Chandler, Carl McClintre, Woodrow Cordray, Eva Jean Milligan, Roy Stallings, and John Blamont. The settings were designed and executed by John Johnston, Little Theatre head technician, assisted by a capable staff.

Tomorrow, deviating somewhat from the plans of the past number of years in having three main Homecoming attractions, football, football games, and dance, an additional entertainment will be provided. Arrangements have been completed to have the Valler and Sesser High school football teams meet in a six-man tilt, a feature of the sport which they introduced to Southern Illinois two weeks ago at Christopher. Following this innovation, the regular football game will be played at 2 o'clock with the Maroons meeting the Merchants.

Dance Will climax Week-end.

Climaxing the Homecoming activities is the dance at 9 o'clock tomorrow evening. Vincent Lopez's orchestra playing and the crowning of the Homecoming queen. The two made of honor elected from the lower classes will not be announced until they are introduced to Southern Illinois when the entire queen's court will be presented.

Many club meetings will supplement this program of events. Following is the Homecoming calendar:

12:00 p. m.—Pop parade and rally.

7:00 p. m.—Homecoming rally, Athletic Field.

8:00 p. m.—"Room Service," Little Theatre play, Shryock Auditorium.

10:30 p. m.—Open House, Delta Sigma Epsilon.

Open House, Sigma Sigma Sigma.

8:30 a. m.—Commerce Club Breakfast, First Baptist church annex.

W. A. A. Alumni Breakfast, Hank's cafe.

9:00 a. m.—Socratic Literary society, Alumni program, Little Theatre.

9:30 a. m.—Zoology Seminar, Hertz Hall, Little Theatre.

9:45 a. m.—W. A. A. Alumni meeting, Women's gym.

10:30 a. m.—W. A. A. Hockey game Athletic Field.

11:00 a. m.—Phi Tau Phi Banquet, Hank's cafe.

12:00 p. m.—Chester Luncheon, Roberts' hotel.

Antioch Sphinx Get-together, Roberts' hotel.

Zeta Sigma Phi luncheon, Hank's cafe.

Chi Delta Chi Alumni Assn. Luncheon, First M. E. church.

12:15 p. m.—Sixman Football Game, Sesser vs. Valler, Athletic Field.

1:30 p. m.—Gamma Theta Upsilon Luncheon, Roberts' hotel.

2:00 p. m.—FOOTBALL GAME, Southern vs. Macomb.

4:30 p. m.—Parity Reception, Little Theatre.

Socratic Literary society Tea, Anthony Hall.

Evangelical club Tea, 505 West Mill street.

6:00 p. m.—Delta Sigma Epsilon Banquet.

Sigma Sigma Sigma Banquet, S. O. R. 1111 House.

Kappa Phi Kappa dinner, Roberts' hotel.

6:00 p. m.—Kappa Delta Alpha dinner, Hank's Cafe.

7:00 p. m.—Chi Delta Chi Annual Dinner, First M. E. church.

9:00 p. m.—DANCE, Vincent Lopez and orchestra. Aeneas gymnasium.

11:00 p. m.—Closing of Homecoming Queen.

Homecoming Festivities

Homecoming Festivities began today with the opening of the Homecoming Queen contest. The contest was held at the Little Theatre and was presided over by the Homecoming Queen, Miss Mary Smith. The contest was a success and the Homecoming Queen, Miss Mary Smith, was crowned. The Homecoming Queen will be crowned at the Homecoming dance on Tuesday night.

Homecoming Festivities

Homecoming Festivities continued today with the opening of the Homecoming Queen contest. The contest was held at the Little Theatre and was presided over by the Homecoming Queen, Miss Mary Smith. The contest was a success and the Homecoming Queen, Miss Mary Smith, was crowned. The Homecoming Queen will be crowned at the Homecoming dance on Tuesday night.

Prominent Figures Will Address Institute

The meeting of the Southern Illinois Institute of Human Relations will be held here next week on October 24-25-26. It will feature speeches by such prominent persons as Secretary of Labor Frances Perkins, Rabbi Jacob Singer, and Dr. Clyde Miller.

Miss Perkins will be present at a dinner in her honor at Anthony Hall on Wednesday, October 25, and will speak in the evening at Shryock Auditorium. Rabbi Singer, who is president of the Chicago Rabbinical Society, will speak on October 24. Dr. Miller, noted analyst of propaganda at Columbia University, will be here on Oct. 26. Both Singer and Miller will speak in the Little Theatre auditorium in the afternoon and in Shryock Auditorium in the evening.

Sir Hubert Wilkins Speaks To Student Body Monday

Sir Hubert Wilkins, world renowned explorer of the Antipodes, spoke last Monday night at Shryock Auditorium on some of his work and described some of his expeditions with the aid of motion pictures. Sir Hubert, a descendent of a long line of scientists, is famous among other things, for his explorations of the Arctic ice sheet by means of the submarine Nautilus borrowed from the United States Navy expedition under the one in James Verne's well known book, "Twenty Thousand Leagues Under the Sea."

"Contrary to popular belief," said Sir Hubert, "the idea of exploring the ice sheet by means of a submarine was not taken by me from Arthur Conan Doyle. On the contrary, he got it from a distant ancestor of mine, Sir John Wilkins, who published a book in 1623, entitled "Mathematical Magic," which contained several chapters on weather and dealt with the possibility of the torus acting as a submarine for polar observations taken from a submarine craft."

This statement was verified by a grandson of the great ancestor on the occasion of the christening of Sir Hubert's submarine a few years ago. This grandson brought with him a picture of the christening of John Verne's autobiography, in which the author indicated the source of some of his ideas. In this work he credited Sir John Wilkins with the idea that proposed to him the inspiration for his famous tale of immortality.

Sir Hubert however, got his idea for the use of a submarine from his old friend, Sir George Stephenson, one of the earliest of the Arctic explorers. Sir Wilkins got his first experience as an Arctic explorer on the expedition and later on the expedition to the north and south poles. In the only man to ever have successfully led an expedition to examine both top and bottom of the northern pole.

While it was not the first to explore either of the poles, he has perhaps seen more of both regions than any other living man, being only with Rear Admiral Byrd for that distinction. Making clear that he was not a competitor of Byrd, he stated that while they were both engaged on the same type of work they were approaching the task from different points of view.

Partly at home in the air as well as under water, Sir Wilkins has many "strange" flights over the polar regions in search of strange situations on the setting up of intercontinental relations in the observation of aurora. He stated further in order that you see parts at the west it may be worth of their attention.

It is his conviction that such stations were set up in the regions where storms start, the world could be warned of their approach and in some measure prepared for them if continued studies. Long term weather forecasting by observation of polar conditions would help many producers farmers and mariners to know what to produce and how much, thus saving many millions of dollars every year, as well as preventing the hardships of lean years when weather conditions prevent the production of sufficient quantities of various foods.

We are all interested in the weather, whether we realize it or not. It is a vital problem that concerns us all. The observations at both the north pole and those taken at the south pole must be taken each in terms of the other. In order that a true picture may be obtained.

Sir Wilkins is planning another trip to the north pole by submarine, as soon as world conditions will permit.

Foster Named President of Hardin County Group

Students from Hardin county met October 10 and elected officers for their county organization. Those elected were Raymond Foster, president; Jack Flinn, publicity agent; and Marlan Birch, secretary and treasurer.

Trinity College has a history class conducted by a blind instructor.

TWENTY-SIX MEN IN GYM TEAM WORKOUT MONDAY

Veterans Backed Up By A Large Squad of Freshmen

Coach Joe DiGiovanna greeted twenty-six new gym candidates at opening practice on Monday. Among these were twenty-one freshmen: Mel Ford, Blackwell, Charles Scott, Fred Denim, Frank Bowler, Joe Hancock, Don Webb, Leo Cox, Stanley Hill, Ralph Brown, Don Howell, Henry Washington, James Clinton, Joe Dougherty, Bob Cowley, Bruce Richmond, Malcolm Doney, Carl Pearce, Ray Wood, Ellis Neal, Howard Cole, and Kenneth Langford. Upperclass men who are trying out for the first time are Blanchard Dixon, Bob Elliott, Wilton Webb, James Thomas, and George Langdon.

This year's team will be centered around Ralph Hishon, assistant coach, and Frank Scanlon, captain, and members from last year's squad, including Loy Covington, Max Davis, Charles Thon, Tony Zack, Arthur Washington, and Orvel Zink. Herbert Dunn, a freshman, who was a member of the Pinesville State school gym team last year, and Roy Rylander, a sophomore, who hails from New York, are expected to be outstanding.

A homecoming dinner for the gym team is to be held Saturday at 12:30 at the Roberts Hotel. Southern Alumni will wear some of the guest gymnasts of our school will be entertained. New candidates will be given the opportunity of meeting and talking with them.

Frosty county group met Tuesday, October 16, in room 302, Main building. Officers were elected as follows: President, Gene Rogers, 1938. Quail.

SURPRISES FEATURE WEEK-END OF I. L. A. C. FOOTBALL GAMES

DeKalb, Eastern in Top Position of Loop Standings

Upsets were conducive to another bad week-end for I. L. A. C. teams. Perhaps the most stunning one being the tie game between State Normal and Macomb. Pre-game "dope agents" had figured Normal to attain strength in winning by a touchdown; however, Macomb completely bottled up the Red Birds' offense, forcing a 0 to 0 tie.

The other upset was the 7 to 0 defeat suffered by Southern at the hands of a surprisingly strong Arkansas Teachers' eleven.

DeKalb jumped over Wheaton by a 19 to 7 score to the joy of home-comers. The Northerners ripped off yardage at will although the losers scored on the second team. Earle absorbed their third successive defeat, 12 to 0, this being administered by Aurora. Eastern Teachers got past Milliken, 6 to 0, with halfback Paul Henry providing the offensive spark.

Embraters' attack on Illinois College was repulsed into a 13 to 0 shock. In the last game, Carle College invaded Parsons, leaving a 19 to 0 defeat.

Conference standings to date are as follows:

Teams	W.	L.	T.
Northern	1	0	0
Eastern	1	0	0
Southern	0	0	0
Western	0	0	0
State Normal	0	1	0
Carle	0	1	0
Eureka	0	0	0
Elmhurst	0	0	0

Members of the Macomb county group met in room 213, Main building, Tuesday, October 10, to elect officers for the term. Ray Kuntz was elected president and Richard Bolatti was elected vice president.

LYNX LORE

The Week at University High School

ALUMNI PRESENTS PROGRAM WEDNESDAY

Several former students of University High school who took the trip to the New York World's Fair last past summer presented a program of pictures and talks to the high school chapel Wednesday morning, Oct. 11. Thirteen high school seniors, accompanied by Mr. Hall, Mr. Chas. Peterson, and Mr. and Mrs. Rockwell McCreight, made the trip to New York City last June. The group traveled in three cars, and returning trip brought them through Washington, D. C.

They exhibited a deep interest in the local cooperative movement and visited numerous factories on grand welfare plans in the A. D. region.

Many interesting tales of Mr. Wilkins' adventures as well as intimate details of his personality were disclosed to the lads of Harvard and here.

CLASS TRAVELS TO ANNA

The thirty-five members of the English American Democratic class, a course in sociology, traveled to Anna Wednesday, Oct. 11, and visited the state hospital for insane Miss Smith, the instructor of the class, and two private teachers with the group.

Coach Rockwell McCreight is attempting to schedule a basketball game with the Maysboro High Red Devils for the coming season. Whether or not the game can be arranged is yet uncertain. However, the prospects are favorable, said the coach.

A game with the University High school of the University of Illinois in Urbana is also being arranged. Last season the High Lynx traveled to Urbana and were beaten by a score of 25-22. The Lynx team will visit Carbondale this year. The game is expected to be one of the best of the season.

UNIFORMS FOR THE BAND

Mr. Chas. Peterson announces that thirty-three uniforms have been ordered for the U. High band. These uniforms will be hand-trimmed in white. On the left shoulder will be placed a black shoulder cord and a black sash emblem. The buttons and a Sam Brown belt will complete the uniform.

HERST BISH WINNS TOURNAMENT SATURDAY

Hurst-Bush took honors by winning first in tennis singles and first in softball in the tournament of the southern conference on Saturday on the college athletic field. U. High made a good showing by winning the tennis doubles, and by playing in the semi-finals of the softball games.

In the softball tournament the Lynx took first place from Clay Orchard with a score of 11-2. Each in the game Anderson knocked the ball into left field for a home run with two men on. James also hit a home run, but he failed to touch second base and was called out.

Reynolds and Davidson advanced to the tennis doubles from the post from Hurst-Bush. Reynolds and Davidson advanced to the tennis doubles from the post from Hurst-Bush by a score of 7-3.

CLASS ACTIVITIES

The senior class is planning a Halloween party and top-of-waist contest on Lake Ridgeway, as has been suggested by the class motto, "Keep something do something and be something" has been chosen.

The junior class is making plans for a combined winter roast and hay ride.

As a substitute for a Halloween party which has been called off, the sophomore class has suggested that they attend the skating rink at Maysboro Thursday evening was chosen because girls are admitted free on that day.

Sir Hubert Wilkins Is Dinner Guest of Harwood Hall Monday

Sir Hubert Wilkins, eminent British explorer, was the informal dinner guest of Harwood Hall Monday evening, October 16. The renowned

Traveler exhibited a deep interest in the local cooperative movement and visited numerous factories on grand welfare plans in the A. D. region.

Many interesting tales of Mr. Wilkins' adventures as well as intimate details of his personality were disclosed to the lads of Harvard and here.

Three Sons of Mr. Petersen, of Alumni, Return Here

Mr. L. C. Petersen of the Industrial Arts Department looks forward to the homecoming with great expectations because his three sons, William, Gordon, and Robert, will return here this weekend.

William is a third class student at the United States Naval Academy at Annapolis, Md. Gordon is connected with the Stewart-Warner Radio Co. of Chicago in the capacity of electrical engineer, and Robert is an industrial arts teacher at the University of Illinois in Urbana.

The boys are all tennis players. William being a star at Park Peak, Montana, before he came to U. High. He is also an alumnus of S. I. N. U.

He is a "What Tomorrow Means to America" speaker.

INSTITUTE WILL OPEN HERE NEXT WEEK

HOMECOMING ACTIVITIES PREVIEWED ON RADIO BROADCAST WEDNESDAY

S. I. N. U. put on another educational and entertaining radio program over station WBEQ, Harwood Hall Wednesday from 2:30 to 3:30 p. m.

The first half of the program was given in interviews with Coach Asa Martin and members of the football team, to advertisement of the Homecoming game which took place through recordings of Vincent Lopez's "Swing Swing Dance Orchestra," and "Survive Ammonia" about the bonfire preceding the play, the reception following the football game, and miscellaneous bits of information. The remainder of the time was devoted to excerpts from the Homecoming play "Room Service," with the original cast at the microphone.

BUREAU OF CHILD GUIDANCE CONDUCTS CLINIC

(Continued from page 11)

History and development of child guidance clinics, their purpose, and their relation to the clinic here. In this discussion, students are also made acquainted with the necessary books which are used for gathering the information which the staff must impart to teachers to write up case histories on the diagnosis of a child.

Workers Study Individual Cases

A second general function of the clinic will be to make a detailed study of individual cases, some of which are from the various school units in Carbondale and others which come from different towns in Southern Illinois. Physical examinations, as given by the family physician or by the college physicians, are made previous to the date the child is brought to the clinic and are prepared by the school, and a very extensive social history is secured by the social worker or school nurse. This material is made available on the occasion of the clinic.

While this is a session, personal interviews are made with the child, the teacher, and the parents. At the time of the interview, members of the professional staff, which comes here from the Chicago Institute for Juvenile Research, members of the staff of the University of Chicago, and the staff of the Chicago Institute for Juvenile Research, are present. The staffings of these cases are progressively kept confidential, as that is only fair to the parents and to the child.

On Wednesday afternoon at 4 o'clock, Dr. M. A. Kaplan will give a general lecture on "The Mental Hygiene Point of View." This lecture and program, which is to be held in Shryock auditorium will be open to students, faculty, and the public.

Two Seminars Meet Thursday

The two seminars, which will be held on Thursday, October 20, will be two seminars. The seminar on the practice teachers and critics of the U. High, and the Bureau of Child Guidance, will be held in the Allen school auditorium. The seminar for the practice teachers and critics of the U. High, and the Bureau of Child Guidance, will be held in the Allen school auditorium.
