We Employ Student Drivers

This is the fourth student-faculty directory published by the Y. M. C. A. for the benefit of the student body of Southern Illinois Normal University. It is the hope of those who worked in compiling the material in this directory that it will perform its silent task in such a manner that the Y. M. C. A. Directory will be of invaluable service to each student and faculty member for the next two terms.

The directory has been financed through the co-operation of the businesses that specialize in supplying student needs. You will find them listed in the Students' Buyers' Guide in the back of this book.

The editor wishes to thank the following people for their able assistance in the production of this book: Carroll Hubble, Asst. Editor; Merle Stieg, Asst.; Martha Freeman, typist; Floyd Ramsey, Wilbur Ragland.

LOYD COX, Editor-in Chief.

IMPORTANCE OF SOUTHERN ILLINOIS NORMAL UNIVERSITY TO THE DISTRICT

Southern Illinois State Normal University occupies a unique place in its field. While other sections of the State have a great many privately endowed colleges, there is no such school within 100 miles of Carbondale. The result of this is that Southern Illinois State Normal University is called upon to serve, not only as a teachers' college, but as a general center of cultural and educational leadership in a region which is as large as many of the smaller states. Because of the relative poverty of the region which Southern Illinois State Normal University serves it has always nourished a strong democratic tradition, so that students of very small means can come from the homes of farmers and laboring people and secure the education that is necessary to prepare them to enter the professions or the graduate schools without feeling any social or other discrimination because of the meager amount of money they can afford to spend.

Aim to Produce Leaders for Southern Illinois

It is the policy of the present administration to prepare the coming generation of leaders in Southern Illinois to meet the problems of a changing world with intelligence and courage, to maintain the fine democratic traditions of the college, to extend its services to all the people of Southern Illinois in every legitimate way, and to try to improve the citizenship of the State of Illinois through the work and the influence of the men and women who go out as graduates of the school.

S. I. N. U. LOYALTY SONG

Sing the glory of our native land,
And of storied Illinois.
Hail the heroes of each faithful band,
Who answered the country's call.
Alma Mater, of thy glory too,
Of thy victories past and still to be,
Sing we all, dear S. I. N. U.,
With pride and love for thee.

S. I. N. U., we are all loyal and true,
Alma Mater thee me hail—
Steadfast we stand here in Egypt's sunny land
Giving honor to thee, all Hail!
Year by year, thrilled we hear
All thy sons and daughters cheer
When the White and Maroon they view,
Comes an echo on the breeze,
And its joyous tones are these:
Hail, S. I. N. U.
