FIVE SENIORS NAMED TO SPHINX

USI Proposal Brings Fire from Many Sides; Some to Demand Probe

SOUTHERN ILLINOIS IS NOW READY FOR DISTRIBUTION

As developments pointed to an early drawing of battle lines in the fight to push the U. S. I. bills through both houses of the reconvened legislature, representatives and senators from throughout Illinois this week were receiving copies of the current issue of the Southern Illinois which is devoted to a presentation of the "Case for U. S. I." Publication Addressed to Governor.

Desire Probe

As the time for showdown on the U. S. I. issue grew nearer, the University of Illinois Alumni Association came forth Tuesday with a proposal for the appointment of an independent and impartial commission to appraise the need for a University of Southern Illinois.

Measles Epidemic Rages On Campus; Many Stricken

By LIL GODDARD

For those of you who haven't heard, or haven't caught it from your roommate, there's an epidemic of German measles "tearing" around the campus. Whoever said, "share and share alike" wasn't kidding, because we've taken it literally here at Southern. One case was all it took to send this seven-day-rest-cure from house to house; a bon fire couldn't have caught and spread any faster.

Claron Robertson has shown outstanding ability in many fields since he has been in high school. He will graduate this spring with 22 high school credits. Are Chosen For Unselfish Service Here

James Clinton, Hubie Dunn, Bill Holder, Betty Mercer, and Bill Reynolds have been honored this week by their election to the Sphinx club, highest non-scholastic award a student at Southern may achieve. These five seniors complete the list of twenty new club members selected each year for their distinction as outstanding leaders on the campus. They are elected from among the upper class of the college, and membership is based upon the slogan of "Unselfish Service to Southern".

In order to withhold any hint as to the final ranking of the new members, the candidates and their activities on the campus follow in alphabetical order. Preferential voting was used in balloting.

All Have Been Active

James T. Clinton, a senior from Ina, has a major in Agriculture, with minors in sociology. Recently Clinton was selected as one of the students of Southern to be listed in Who's Who Among College and University Students. During his four years at the college he has been active in Kappa Phi Kappa, Alpha Gamma Mu, Kappa Delta Phi, and a member of the Epworth League. He is also president of the Student Council.

Hubie Dunn

Hubie Dunn, Plokesville, is a physical education major, with minors in physiology and mathematics. He is an "all around" man on Southern's gym team, and is serving as captain of the squad at present. Dunn is also president of the "H" club, and a member of the Newman Club.

Betty Mercer

Betty Mercer, Heroic, is a master major. For the past year he has been Student Director of the Roland Hayes Chorus. Other activities during her four years include membership in the Sorority Society, MacDowell club, Madrigal Singers, and the Egyptian.

Bill Holder

Bill Holder, Carbondale, had been very active in the Little Theatre. He has had roles in Ross Service, Our Town, Julius Caesar, High Tor, and The Man Who Came to Dinner. Other activities include the Debate team, Delta Delta Chi, MacDowell club, Orchestra, and Band. Last year he was selected the most valuable fraternity man for 1941-42.

Bill Reynolds

Bill Reynolds, Yreka, is a government major. He has been Editor of the Obelisk until his call into the armed services last week. During his four years his other activities included membership in Kappa Delta Phi, Phi Tau Phi, Hayward Hall, and Sigma Tau Delta. Reynolds has also done work on the Egyptian as a reporter, feature writer, news editor, and recently acted as an editorial advisor. On January 28 he was inducted into the Marines.

Other Active Members

The active members who selected the five seniors by preferential voting are: Charles Hamilton, Patricia Lill, Rosemary Oshel, Graham Oricthon, Elizabeth Fairbank, Sarah Lou Cooper, Waido McDonald, William Freerberg, Mary Lou Goss, John Percichio, Dr. Barton, and President Paul Jam.

Annual Masque Ball at Milwaukee State

Dipping into a dream whirl, Art students have chosen unrealistic dreams as the theme for their annual masque ball. Gas and coffee are rationed, butter is scarce, and tires are priceless. Not to be daunted IIT now presents the "Ration Raffle". This unique dance, celebrating the end of a grueling semester, will take place next Friday night.

THIS WORLD OF MUSIC

The following is the text of an address made by Serge Koussevitzky at a symposium held at Town Hall in New York several weeks ago on "They Shall Have Music Wherever They Go!" In this discussion of music for our armed forces, Mr. Koussevitzky's topic was "Music in Our Civilization."

"Music is a dominant need of our time. It is a great stimulus for our fighting forces and a great hope for future."

To realize the full significance of music amid the profound calamity of the present war we must glance back into the history of the past.

The effects of wars and revolutions upon the fine arts, and culture in general, have been twofold. Either the arts succumb to extreme materialism, demoralization and decay, or, to the contrary, they herald an epoch of cultural and spiritual rebirth, a release of new thought, new creative forces and a new age in history.

Within our generation and memory we have witnessed a period of excessive materialism and of a marked decadence in art as an after-effect of the first World War. Today with the advent of our second World War, we are living through a vigorous upswing of cultural forces and consciousness.

Such periods in history are periods of transition and of regeneration through human sufferings and sacrifice; of reconstruction through a moral and spiritual rebirth and through the collapse of a decaying order of civilization.

Hours of untold torments have attacked, invaded, and lacerated our life. As never before do we realize that art and culture and the strong hold against the aggressor and his devastating, demoralizing forces.

As we know, this is a war of the people as much as of the armies, of the artists as much as of the soldiers.

Every atom of artistic effort must be mobilized and thrown into action. Of all the arts, music is a powerful medium against evil and destruction. It has the power to comfort and to inspire. In these stormy, perilous days it is the mission of art to protect the fundamental values for which our armies are fighting, to shelter the ennobling, exalting treasures of art, to maintain the high standard of moral and cultural life.

Music is a living and active force which is essential for preserving the burning spirit and the besting aspirations and ideals.

We have to fulfill the great and pressing task of carrying the torch of courage and inspiration to the battle-front.

Millions of men-at-arms need our music. We can not afford to waste time. The war goes on at a terrifying pace. Not for a day, not for an hour does bloodshed stop.

We have before us the maturing example of Russia, where art is a

FELLOWSHIP GROUP ATTEMPTS TO ALLEVIATE RACIAL PREJUDICE

By CLARA PICKLEY

Quite often, people are prone to discuss the evils of a certain problem until it becomes old as an object of conversation, and yet put forth no actual effort to remedy the evil. To a large extent, this could be applied to the problem of racial prejudice here at Southern. However, there have been some very definite efforts to alleviate the problem. One of the most successful is the Fellowship to Abolish Racial Prejudice.

Group Composed of Students

The group is composed of college students, both colored and white. Rev. and Mrs. Davis of the First Baptist church and Mr. Jones of Murphyboro are members and recently the group has included Rev. and Mrs. McCaw, the new Student Christian Foundation director. Meetings are held every Saturday evening from 6:30 to 10:00. The group usually includes about fifteen people.

Concert Band to Play for Chapel Tuesday

The concert band of Southern Illinois Normal University will appear at chapel exercises February 2 under the baton of Albert H. Bone. The program will include National Anthem, a concert march by Orladadi, the overture to The Barber of Seville, by Rossini, and Ciribiribin, a novelty concert march by Pestalozzi.

Real Effect Not Known

As with all organizations, the effect that Fellowship has is not easily reckoned. Perhaps old members, who have left the campus will start similar groups. Or perhaps, the interest in the cause, they may accomplish much for racial understanding. But certainly it will make them more tolerant for the other races, because they have been associated with the students here at Southern.

VIEWING THE Intramurals

Highlights of Week's Play

Thursday night the Dodgers took over sole leadership in intramural play by upsetting the former leader, Sigma Beta Mu.

Steve Burt regained the lead in intramural basketball by winning Monday night's game from the House of 810 (Forfeit) while the Dodgers met defeat at the hands of Chi Delta Chi.

The Sigma Beta Mu strengthened their lead by defeating Parkview on Tuesday night.

A new recruit leader has arisen in the person of Louis Macchi, Harvard Hall forward, who has accounted for 34 points in 7 contests.

Roger Schieper, White Kid forward, set this season's individual scoring record by garnering 21 points in his team's 63-9 conquest of the Gym Team.

Thursday Night's Games

Dodgers 21, Sigma Beta Mu 19

This game showed good playing with bad playing, good and bad sportsmanship, cool-headed players and angry players, and a very close victory in Sigma Beta Mu defeat. A referee, said to be prejudicial in favor of one of the teams, was ejected from the game. The scorekeeper was besieged throughout the latter part of the important contest. There were no fouls and a bit of ill-fitting in a tight ball game. Bob Fox led the Dodgers with 13 points while Carlisle Michel topped the Betas with 10.

Jerks 44, Chi Delta Chi 27

The Jerks were a powerful offensive team in this game in which they led throughout. Hendricks with 19 points led the Jerks and Jack Adams with 7 led Chi Delta Chi.

Harwood Hall 36, Nu Epsilon Alpha 21

Harwood Hall, led by Louis Macchi's 20 points, won their first game of the season after 4 straight set backs. Nu Epsilon Alpha was paced by Kelley's 9 points.

Kappa Delta Alpha 30, Spirits 23

An interesting game to watch in view of the closeness of the contest. Iml Butler led Kappa Delta Alpha with 13 markers, and Rockwell McHeigh led the Spirits with 6 points.

House of 810 28, Dunbars 28

Counting from behind, the 810 team defeated the Aces. The latter Dunbars couldn't hold a 16-10 halftime lead and thus lost the game. Tony Mallory's 12 points paced the winners and John Mischaewski's 14 paced the losers.

Moody's Whiz Kids 68, Gym Team 9

Roger Schieper, White Kid forward, contributed 21 points to lead in their onslaught of the hapless gymnasium.

Monday Night's Games

Chi Delta Chi 29, Dodgers 28

After taking over the lead by their victory over Sigma Beta Mu Thursday night, the Dodgers saw Chi Delta Chi win away as they lost to the Chi Delta Chi. Everett Goddard dumped 20 markers through the strings for the Deltas and Jack Rose scored 9 of his team's points.

Harwood Hall 22, Kappa Delta Alpha 21

Harwood Hall stretched their winning streak to two straight victories and knocked off the powerful Kappa Delta Alpha. Louis Macchi continued his star performance of late by garnering 23 points to pace Harwood, while Bremer's 15 paced the Kappa Delta Alpha.

Sigma Beta Mu 22, House of 810 0 (Forfeit)

Sigma Beta Mu took over the lead once again.

SEBASTIAN STILL LEADS

S. I. N. U. IN SCORING

Sebastian	145
Mitlough	120
Sheffer	74
Echols	68
Enrietta	48
Regiside	28

Sebastian has scored 145 points in 11 games for a 13.2 average per game.

520 points in 11 games for an average of 47.3 per game.

Southern has scored a total of 520 points in 11 games. Opponents have scored 340 points for an average of 49.1 per game.

SOUTHERN BOWS 61-47 TO WESTERN, THEN BEATS LEATHERNECKS 58-47

By HAL BUTLER

Traveling with only eight men, the Maroons played at Macomb last Friday night and suffered a decisive beating. This victory by the Leathernecks was nullified Wednesday night on the local hardwood, when the boys from Egypt outplayed their former victors, and maintained the Conference lead with a 58-47 triumph.

First Game

At Macomb, the Leathernecks on their home floor, and with an ample amount of reserves, turned on the heat and humbled the Southern Illinois boys by a 14 point margin. Although Macomb had been having a great deal of trouble finding the basket, they seemed to click for nearly 50 percent of their shots. Page, Leatherneck center, could connect from anywhere on the floor, and amassed a total of 23 points, almost as much as he had scored all season.

Sebastian and Enrietta fouled out, but their absence had no bearing on the outcome of the game, as Southern was behind throughout the contest. Moody and Sebastian carried the brunt of the Southern attack with 15 and 13 points, respectively, and Enrietta played a splendid defensive game, although he fouled out.

Second Game

Macomb came to Southern with aspirations of knocking the Maroons' out of the Conference race, but they went back home a decidedly gloomier, but wiser bunch of men. When the Maroons are at full stride they are practically invincible, and they seemed to be hitting their stride.

Mitlough Hat

Bill Mitlough was "blistering hot" in the second game. He had 15 points and an overtime thriller saw the Dunbars drop another close contest. They have lost 4 of 5 games by 12 points. The team's best players were led by Paul Waltherus who scored 14 points. John Hickman paced the Aces with 12 points.

Spirits 41, Gym Team 28

The "Tyn" Tenn's best offensive game of the season, but it fell 13 points short of the Spirits' total. Leonard Keeffe, University High coach, led the Spirits with 17 markers. John Hosner countered with 8 points to lead the Aces.

Jerks 34, White Kids 15

The Jerks had their own way throughout the game and won handily. Hendricks with 8 points led the winners and Schieper with 4 led the losers.

Tuesday Night's Games

Sigma Beta Mu 46, Parkview 30

The Betas won their seventh game as against only one defeat to strengthen their lead over Sigma Beta Mu. Steve Burt with 15 points and Jerry Kerr scored 12 points to pace Parkview.

Chi Delta Chi 39, House of 810 25

The Chi Delta Chi led for second place in the standings by winning this one. Jack Rodgers led the scoring with 11 points. Niskler also scored 11 points for 810.

Kappa Delta Alpha 34, Nu Epsilon Alpha 32

A hard fought, close contest in which the K.D.A.'s managed to force a tie. Bremer with 15 points and top scorer, led his team to a 34-32 victory over the K. D. A. scoring, while Walter McDonald was big man for N.E.A. with 14.

Harwood Hall 47, Gym Team 13

Another victory for the red hot Harwood five and another defeat, though Steve Burt with 15 markers led the team. Louis Macchi led the Hall with 11 points. Ed Rogers led the Gymnasts with 9.

Jerks 29, Spirits 25 (overtime)

A very exciting encounter which was well-played and interesting to watch. Rodgers led the winners by garnering 19 of the Jerks' points. Champion led the Spirits with 10.

Moody's Whiz Kids 35, Dodgers 25

An upset victory for the White Kids who surprised many people, especially of the Dodge family. Also, Sigma Beta Mu were punished with the outcome of this game. The Dodge team would have been only a half game.

REPORTER ON THE RAMPAGE WHITES DEFEAT MAROONS IN SQUAD MEET

By BOB EATON

Every once in a while I get disgusted. You know what I mean? Disgusted with everything in general—people, routine, life, and other flimsy platitudes that have to be endured regardless. In the throes of such a black mood I have the same platitude to go to religion—that which soothes all worldly irritation!

To church? Well, hardly. Though in a liberal sense, yes. At the "Maroon" in mention religious principles are "PROPHESY" as Moses urged, though they are not piously, loudly intoned and discussed on Sunday morning. There one recognizes TRUE evil much more readily and clearly than from a front pen or even a "choir" seat. These are the words of the "Maroon" as they are uttered in the TRUE Virtue born of clarity of thought and humble sincerity! There Right and Wrong becomes easily distinguishable and the resulting learning is like an old friend.

It is one of those last outposts of "little business, where Fellowship, Brotherhood, Good Will, etc." as the public would put it—22¢ a gallon for gasoline, modestly and with a "loyalty" loss by proprietor and proprietress from 1.50 a m. to 30 a m. daily, Monday THROUGH Sunday.

It is a country grocery situated by the side of the highway on an 11 acre parcel, six-to-seven-day basis by an elderly couple.

But perhaps I should confess. I am prejudiced—that is probably certain—perhaps my own "clarity of vision and understanding" suffer as a result of that prejudice. There in addition I am young, I am immature, ill-informed, unstable, NEVERTHLESS.

The elderly couple are rather close to me. I used to call them Grandpa and Grandma. I do yet! For example, on a recent visit Grandpa presented me with one of his Pablers for Modern Man, an old friend of mine. He derives an intense enjoyment from them. Original or not, they are good.

"One day a bear was killed by an arrow from the bow of a hunter. The man swelled with pride and said, 'I have killed a bear!'"

"The bow looked up angrily. 'I killed that bear!'"

"The arrow was beside itself with rage. What are you stuffed shits blowing about? It was I who killed that bear!"

OBELISK NOTICE!

There will be an important meeting of all members of the staff of the OBSERVATOR on next Tuesday, February 2. The meeting will be held in the Obelisk office in the basement of Parkinson Laboratory at 4:00 p. m. All members of the Obelisk staff are urged to be present.

Victory Wednesday Night Gives Undisputed Top Ranking

The S. I. N. U. Maroons during the past week dropped into a three way tie for the I. I. A. C. leadership by losing to Macomb last Friday night. But with their victory, Wednesday night, over Macomb, Southern once more gains the top spot with three victories and one setback.

John Sebastian is still the conference scoring leader with 26 total goals, 11 free throws, to make 67 points in four games.

Last night, Western traveled to Eastern in an important game to both of them and to Southern as well. If Eastern wins, they will tie Southern for the Illinois Interscholastic Athletic Conference leadership. But if Western defeats Charleston, then Macomb will gain second place behind Southern and Eastern will drop to third.

The standing of the I. I. A. C. teams is as follows:

Team	Win	Loss	Pts.	Opp.	
Southern	3	1	759	211	186
Eastern	2	1	567	93	116
Western	2	2	569	201	174
Northern	1	2	323	133	153
Normal	1	3	250	111	162

MAROONS WILL ATTEMPT THIRD CHASTISEMENT OF CAPE TUESDAY

Southern will not suffer their third defeat in the offensive department late in the year over the Cape. Carl Bohlen, center, and Hildred M. Smith, forward, are the Eastern team's stars.

The Maroons beat Cape three times in a 4-2 overtime thriller. The following night the two teams met in Carbondale with a 34-22 victory for Southern.

The Cape Indians should prove to be a worthy opponent for they have been winning regularly of late. They are undefeated in the Missouri Interscholastic Athletic Association Conference with four straight victories. Also the Indians hold a 44-42 victory over Murray Ky. while Southern was defeated by the Kentucky outfit, 51-27.

Cape has retained Team Coach C. P. Harris has an experienced staff, well balanced team this season featuring Jack Klosterman, a member of Central High school's "Wonder Team" in 1941, at forward. Student Council Minutes

January 15, 1942.
The meeting of the Student Council was called to order by the president, James Clinton.
Present: James Clinton, James Wilson, Graham Crickton, Sarah Lou Cooper, Dean Isbell, Julius Swayne, Nancy Lee Freeman, Elaine Steinheimer, Nick Milosevich, Henry Hukley, Dea Haynes, Helen Marberry, Don Reynolds, Dea Karaker, and Dorothy Rush.

The minutes of the previous meeting were read and approved.
The following people were selected to serve on the committee to select students to go to Springfield to promote the U.S.I. bill: Dr. Schneider, chairman, Dr. McDonough, Dr. Turner, James Clinton, James Wilson, and Nancy Lee Freeman.
The following criteria were established by which to select the students: interest, industry, initiative, representation of both races, representation from various regions of the state, and personal acquaintance with representatives.
Elaine Steinheimer moved that the negro delegates be chosen by the committee in the same

manner as the others are chosen. The motion was seconded by Julius Swayne. The vote was as follows:
Yea: James Clinton, James Wilson, Graham Crickton, Sarah Lou Cooper, Dean Isbell, Julius Swayne, Elaine Steinheimer, Nick Milosevich, Henry Hukley, Dea Haynes, Helen Marberry, Don Reynolds, Dorothy Rush.
Nays: Dea Karaker.
Dean Isbell reported that there is a total of \$60 in the Council's U.S.I. fund; \$30 from the dance and \$30 from contributions. He submitted the idea of having all organizations on the campus take part in a general carnival, ending with a dance, all for the U.S.I. fund. Elaine Steinheimer was appointed to take the place of Julius Swayne on the Council's U.S.I. committee, while Julius Swayne is not in school.
Sarah Lou Cooper reported that the only open dates on the schedule this term when it would be possible to have a Student Council dance were February 3 and February 12. At the next meeting she will report the definite date for the dance. The meeting was adjourned.

U.S.I. PROPOSAL BRINGS FIRE FROM MANY SIDES; SOME TO DEMAND PROBE

ment of the new university.
So, Illinois Didn't Like It!
Public controversy over the U. S. I. issue reached a climax this week, also, as southern Illinois and advocates of educational expansion in this area, generally, took exception to a statement by the president of the University of Illinois Board of Trustees, Karl A. Meyer, that 'southern Illinoisans would stay down there and die of dry rot if they establish the University of Southern Illinois.'

Viewing the Intramurals

behind if they had won. Rogers led Moody's team with 11 points, and Jack Rose led the Dodgers with 12 markers.
The race for the intramural lead has lightened considerably with the results of last week's contests tabulated. At least 6 of the 13 teams entered are capable of coming out on top when the season ends.
A better brand of basketball is being played now than in earlier contests and better games are the result. Fine, competitive spirit has developed making each game an important as well as an interesting one.
