Southern Schools Possibilities of Television Channel

Southern Illinois University, in keeping with its objective of furnishing a wide service is, at the present time, exploring the possibilities of having a high frequency television channel allocated to the Carbondale area for educational television. Miss Diane Ferguson, assistant professor of education and director of radio, has every prospect of being one of the greatest mass education mediums of all time.

IN LINE WITH THESE OBJECTIVES, last week, the university filed with the Federal Communications Commission an extensive testimony and exhibits. It will be some time, probably the first of the year, before the university will know whether its application has been allocated.

Wilson emphasized, however, that at this stage, educational television at SIU is merely in an exploratory stage. The university has not applied for construction permit which would give it a right to build the station. It has asked only for the assignment of a channel.

Even though a channel is allocated, the university feels that it will be necessary to find means to operate the station and subsequently make application for construction of a station.

Salukis Meet Normal In Second ILIAC Game

Illinois Normal will be hosts to the Salukis tomorrow afternoon when Southern's football squad will play their second conference game of the season.

Through the years, the two teams have met 20 times, Southern has won six of the 20, and tied one. The tie came in a 14-14 contest played during Homecoming Week and last year, when the Redbirds took first in the conference with an unbeaten season.

Coach Bill Wailer said he would probably start the same team he used against Central Michigan last weekend. Grickle was replacing Reid Martin at left-half. Grickle is now sidelined with a bruised knee, but may be in shape for tomorrow's game.

Bob Kendrick, freshman fullback from Johnston City, is also on the injured list with a wounded ankle. However, he, too, may be ready for action against the Redbirds.

Normal is the more experienced team of the two, having 10 returning letterwinners from the 1957 championship team. The Redbirds also opened their 1951 schedule last week, scoring a 27-7 victory over Indiana State.
