SIU Players To Give Final Performance Here

Southern students will at last have a chance to see "The Late Christopher Bean," presented by the Southern Players. May 22 and 23 the Players will perform on the stage of Shrock auditorium under the direction of Dr. Archibald McLeod, professor of theatre.

The players are a group of students enrolled in a special 12-hour course for the purpose of presenting well-known plays to area audiences. They have been touring Southern Illinois towns and cities for the last two months, and are climaxed the season with the presentation of "The Late Christopher Bean" on campus.

The Carbondale production of the play is under the sponsorship of the Kiwanis Club. Proceeds will go to Children's Day and other causes such as the Sptic Fund for spastic and paralytic children. The Kiwanis is also contributing along with other Kiwanis Clubs in Boy Scout development in the area.

Tickets for the play will be available in advance at the Bursar's Office and will sell for 50 cents, tax included.

The cast will include: Darwin, Pat Babin, Jan Petex, Nanette and acting in university theatres. Dr. McLeod in 1932 played with the Elizabeth N. J. Community Nilligan, and Carol Krusen.

All-School Picnic To Be Held At Giant City Park

An All-School Picnic is being planned for May 19 under the joint sponsorship of Social Senate and the Student Union Board. The picnic will be held at Giant City State Park in the area near the deer pens. Buses will leave campus at 4 p. m., 4:30, and 5:00, and students may drive their own cars if they wish.

Notice

Sophomores at all colleges are required to take the English Proficiency Tests which are being given today in the University school auditorium. Any sophomores who have not yet taken the tests should report to the Office of Student Affairs tomorrow and May 23, according to Dr. Jack Graham, Supervisor of Testing.

Students will be informed of their results on these tests. They will be able to compare their progress with other sophomore students across the nation in such areas as reading, English, grammar, literature, Taylor, Jack Trail, Ann VanLente, Barbara Ames Von Behren, and Mary Watt.

Students will pay a nominal price for the picnic. Balance of the expenses will be paid by the Social Senate and the Student Union.

Tickets may be purchased at the Student Union desks from beginning of the picnic to 10:00 a. m. Tuesday. All tickets must be purchased by noon, Tuesday, so that ample food will be provided. A picnic supper will be served at 5:30.

Recreation will consist of badminton, volleyball, softball, basketball, and other games. Equipment will be furnished. The picnic will be concluded with campfire singing and square dancing.

Work and plans for the picnic are being directed by the Student Union Board. Board members include: Paul Morris, president; Freda Gorum, program chairman; Thelma Walker, publicity chairman; Oma Dorris and Helen Gurley, food chairman; Lola Crum, recreation chairman; and Mary Ann Narrows, house chairman.

Training School To Have Special Summer Classes

Special classes for retarded children in the Carbondale area will be conducted for the first time this summer at Southern Illinois University.

Classes are to be free and are intended as the beginning of a permanent program for children unable to succeed in regular classroom situations. Aim of the classes will be to provide these children with satisfying, social, personal, and educational experiences.

The program is being set up by the Department of Guidance and Special Education under Dr. Marshall Hixley in cooperation with the University school. Two groups are planned for the summer term: A primary class for children from seven to 10 years of age and an intermediate class for 11 to 14-year-olds.

Registration Deadline Set

Students who haven't registered for the fall are urged to register until May 23 to complete their registration. Any student who wishes to go summer term but who fails to register for the summer term by May 23 will have to register on the first day of the summer term, and a late registration fee of two dollars will be assessed.

Fees for summer term to avoid a late payment fine. Fee payment cards will be mailed out to students after July 1. Instructions for payment will be included with the cards.

Although all students who plan to complete their registration before May 23, registrations may be accepted from July 6 through July 17.

At 4 p. m. Tuesday, 695 students had registered for the summer term, and 1066 had registered for next fall term.

BOB ROBERTSON, Chi Delta Chi fraternity director for Greek Sing, receives the winners' trophy on behalf of his group.

JUDY GURLEY, Sigma Sigma sorority director, is congratulated by Floyd V. Wakefield, Southern's choral director.

Belleville TV Station Starts From Scratch

(Editor's Note: This is the second of a series of two features on WTVI, the new ultra high frequency television station at Belleville.)
By Ralph Becker
Bernard Wilson had the idea for the new television station at Belleville, but he had no money, or staff. No one had thought of the channel allocated to Belleville and to avoid keen competition he had to keep secret his idea. Last May he approached John L. Hyatt and Ted Westcott—two good friends and long-experienced radio and TV men. The trio, led by John E. Heflinger, a consulting engineer from Kansas City, in their plan. Heflinger worked out the technical details. The men had made a good start, but still no money. They continued to work out plans for the station while looking for prospective backers. In order to keep their secret, they spoke only in general terms for fear someone else would file an application for channel 54. June, July, and August came and went. Finally on September 17, they made it.

Wilson, Westcott, and Hyatt had an appointment with two St. Louis investment banking partners, Paul E. Polson and Harry Tenenbaum. The five men talked the proposition over for two hours. Finally, the plans began to move faster now. An agreement was drawn up, Wilson was made president and general manager, Westcott, vice-president in

charge of programming; and Hyatt, vice-president in charge of sales. Each to have 10 per cent of the stock. Polson became treasurer and Tenenbaum assistant secretary-treasurer. Each with 33.75 per cent of the stock. His lawyer and secretary, H. M. Stollar, was allotted 2.5 per cent. The Signal Hill Teleshooting Corporation was formally incorporated on November 20. The FCC granted the construction permit. The next problem was equipment. The Signal Hill men went to New York to talk to some of the largest manufacturers of television transmitting gear. Their goal was a 220,000-watt UHF transmitter. Only low-power transmitters were available from RCA and General Electric. Finally they decided to try General Electric Company—national distributor for Federal Television Laboratories. Graybar was contracted for the transmitter, cameras, tape to New York and Chicago. Delivery in less than a week after the FCC had issued the construction permit. Network affiliation was another major problem. This meant more trips to New York and Chicago. December and January were months of hard work and fast talking. Finally, in February, WTVI signed with the

Dear Editor,
The apathy toward campus elections and campaigns has caused me no little concern. But I'm not well enough versed in the political sciences to say why it exists. It bothers me because I had hoped that college graduates would take the lead in alleviating the low percentage of voters in our civil elections.

WTVI has signed a \$250,000 contract with motion pictures for Television Line for feature pictures and serials. You'll see such Hollywood stars as Gary Cooper, John Wayne, John Parker, Humphrey Bogart, Vivien Leigh, Paulette Goddard, Ray Milland, Herbert Marshall, Boris Karloff, June Lockhart, and many others.
Last month a contract was signed with the Falstaff Brewing Corporation to televise 30 to 50 of the St. Louis Browns home games. WTVI will begin telecasting the Browns game on May 25.
As yet no contract has been signed with the Falstaff Brewing Corporation to televise 30 to 50 of the St. Louis Browns home games. WTVI will begin telecasting the Browns game on May 25.

Beimfohr Discusses Lack Of Industry In Southern Illinois

(Editor's note: This is the second in a series of articles by Dr. Oliver W. Beimfohr on the Industrial Potential of Southern Illinois.)

Released by Bill Lyons of The Information Service.

Lack of industrial experience and an apparent lag in emphasis on the value of higher education as a basis for training in industrial development of problems affecting the types and numbers of manufacturing plants in Southern Illinois, said Dr. Oliver W. Beimfohr, Southern Illinois University geographer, in a study, "The Industrial Potential of Southern Illinois."

Until a greater proportion of employed persons have gained industrial experience and there has been a longer period of emphasis on higher educational training, industries in Southern Illinois must continue to shoulder the entire burden of a training period for their employees and hire larger number of semiskilled and unskilled labor. This inevitably means a wage below the national average and a difficult problem of profitable operation of the industry in a highly competitive market for its finished products, Beimfohr says.

Nominations for officers are president, Ross Shawhan and Don Vetter, vice-president, Ray Davis, John Blum, Sam Bournce, Dennis Coleman, and Don Bace, secretary, Dick Cernex and George Bean, treasurer, Jack Simchein and Don Gravis, and reporter, Alden Miller and Bill Campbell.

AG CLUB TO ELECT OFFICERS TUESDAY

Nominations for officers are president, Ross Shawhan and Don Vetter, vice-president, Ray Davis, John Blum, Sam Bournce, Dennis Coleman, and Don Bace, secretary, Dick Cernex and George Bean, treasurer, Jack Simchein and Don Gravis, and reporter, Alden Miller and Bill Campbell.

SPEECH CLINIC HELPS CHILDREN

A five-year-old boy who came to the speech clinic at Southern Illinois University, last November had a vocabulary of only a few words. All of his other vocal expressions needed interpretation by his mother. Speech therapist who examined him decided the boy, though he was of school age, had the speech level of an 18-month-old child.

In the weeks that followed, the boy was encouraged at the clinic to utter sounds whenever he made such simple movements as picking up a toy or taking off his coat. At first the sounds were like the babbling of an infant but gradually, and with prompting from his speech teachers, the boy refined his sounds into words.

Meanwhile, his parents were instructed how this might help him at home.

In five months, according to Dr. I. P. Brackett of the SIU speech correction staff, the boy has made excellent progress toward acquiring normal speech. With continued training, he will be talking like normal youngsters of his age.

Parents of other children are getting the same kind of encouragement through diagnosis, counseling and therapy at Southern's clinic.

When the girls slipped out after hours and sang at her window in honor of her birthday. Afterwards, the group gathered in the lounge and for a party and presented Mrs. Carlow with a gift.

Did you know that drowning is more prevalent among college-age students in many states. Evidently not. That drowning is the principal non-motor cause of deaths among people from 4 to 44 years old. Or that these deaths include not only swimming accidents but also falls into water while working or playing near it and accidents involving boats?

While manufacturing ranks first in labor force employed in Illinois, the second highest is found in Southern Illinois, using 12 percent of the labor force. Manufacturing uses 10 percent of the working man and 21 percent of the working woman in Southern Illinois.

Grandcolas Huris First No-Hitter

Second No-Hit Ballgame In Southern's History

Arkansas Indians Meet Defeat At Hands Of Salukis

Home collars are used by horses when they play. That's what Wayne Grandcolas used to give Arkansas State under 9-0 in the first game of a double header Tuesday.

The ace lefty from Belleville set the Indians down with his first three walks and two hit batsmen. Nine errors by Arkansas aided the Saluki cause.

COME FROM BEHIND
With Larry Burns blasting a double with two on in the ninth to tie the score, Grandcolas came from behind to beat the Indians in the second half of the twin bill, 4-3. Relief Jerry Engle was credited with the victory. Engle delivered firmness to the boys from the mound in the eighth inning.

INDIANS LOOKED BAD
In the first game the Indians from Jonesboro looked as if they had contracted a good case of the dropsy as they booted the ball all over the field.

The Salukis had only one error as they gave Grandcolas great support, especially by Roger Wells as short stop and Wayne Williams at third.

ARKANSAS COMES BACK
In the second game with a revitalized line-up, Arkansas played good baseball and had the Salukis in the same narrow lead in the Land of Opportunity were in the first game.

CRUCIAL MOMENT
Burns then smacked a double down the left field line to tie the score. After some maneuvering by both coaches, John Horner came in to walk Wells. More strategy brought Grandcolas in the game at

opposite wall and struck there, faintly resembling a growth of Spanish moss on an ancient tree.

More Troubles For Willie
By Don Primas
Willie McGoo crouched at the starting block, his head eyes fixed on the first hurdle and his pointed ears listening intently for the crack of the starter's gun. It came, and Willie was off like a turpentine rat.

His arms flailed like an entomologist chasing butterflies and his head bobbed like the back half of a duck going down a ladder. Willie approached the first hurdle with all the gracefulness of an elephant running on roller skates and with tremendous effort, he leaped. All Willie cleared the hurdle with inches to spare; all of him, that is, except his right foot.

Tennismen Try For Sixth Straight Win Tomorrow

After mutilating their last five opponents, Coach Jim Wilkinson's racket squad is slated to try for their sixth straight win at Cape Girardeau tomorrow. The Salukis have already beaten Cape once this season.

An informal match this afternoon against two of the top players in Southern Illinois will serve as a warm-up for the meet. George Johnson, who played for the University of Illinois in his collegiate days, and George Brown will offer competition in both singles and doubles. The match will start at 2 p.m.

Western Illinois and Carthage were the latest victims in SRU's string, coming on May 6 and May 7. Western went down, 3-1, and Carthage bit the dust, 6-1. Previous to their battle with Southern, Carthage had won seven out of eight meets including a win over St. Ambrose, victors over the powerful Iowa squad.

Against Western, SIU won all of the singles and one of the two doubles. Charles Pisoni defeated Ted Dossader, 6-3 and 6-1; Gene Flota beat Tom Johnson, 6-3, 4-6, 7-5; Gene Haile won on Bill Peplage, 6-2, 1-6, 6-3; and Don Fly tromped Don Cox, 6-1 and 6-2.

Pisoni and Bruce Lape lost their doubles to Johnson and Dossader, 6-2 and 6-1; but Fly and Haile beat Cox and Peplage, 6-4 and 6-3.

Against Carthage, Southern swept all the matches except Ernie Flota's loss to Bob Sorenson, 6-2, 2-6, 6-2. Pisoni beat Duane Tuttle, 6-3 and 6-4; Haile came from behind to defeat Phil Olson, 6-8, 6-4, 6-2; Fly defeated Jim Turner, 6-3 and 6-3; and Lape, downed Ludlum, 6-3 and 7-5. The combination of Pisoni and Lape beat Tuttle and Sorenson in the doubles, 6-2 and 6-4; and the other doubles team was victorious over Olson and Turner, 5-7, 6-3, 7-5.

Saluki Trackmen Meet Washington Saturday

By Jim Kahmann
Many of the old timers around Southern are really looking forward to Saturday's dual track meet here with Washington University of St. Louis. For, back in 1950, as the saying goes, the Salukis really fastened up on the Bears from the hillsides. After that meet, the headlines read, "Four New Records Established as Trackmen Rout Washington."

Of course, that's nothing new with Doc Lingie's track team. It seems every time they go to the post they remember the saying, "Records were made to be broken." That's how May afternoon in 1950, they really went at it:

Bob Neighbors set a school pole vault record at 127'; Joe

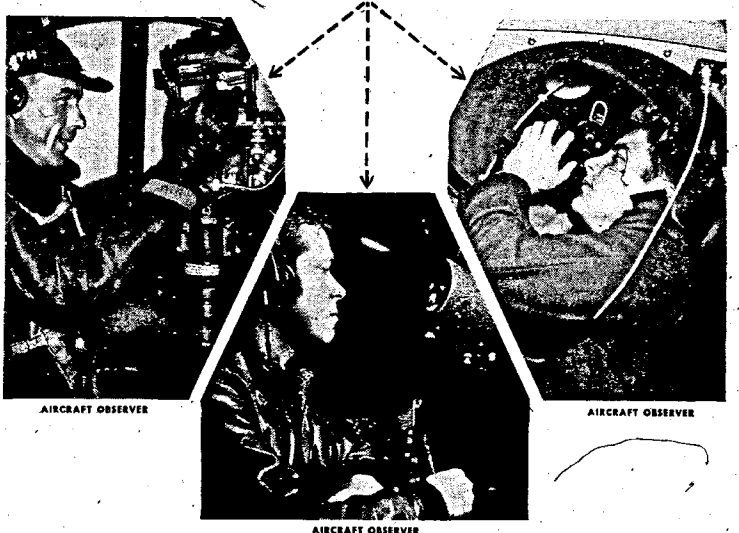

ment you use this year, you have to admit that this 1953 track team is a beauty!

Vernon Sprehe hasn't lost a race all year; Bobby Moore hasn't been beaten in the pole vault; Leo Wilson has dominated both hurdle events; Bob Niekolas has only been defeated once in the high jump, and last but not least, is Dashin' Dick Gregory, who is the hottest thing to hit the distance since McLafferty and Coleman were breaking each other's records a couple of years ago.

And look at the records that have fallen this year: Sprehe broke a 100 yard dash record that stood since 1936, and that's away back. Leo Wilson broke a 120 yard high hurdle mark that was set in 1939. And said Gregory broke McLafferty's 880 mark, set in 1950. In fact, the little young man has broken it twice this year. As of now, Greg's 880 record stands at 1:57.4.

Sprehe's own 100 mark probably isn't in much danger this Saturday, but the other two records might easily fall. Gregory will probably break that 880 mark a couple more times this year, and Saturday would be a great time to do it—against one of the best Washington U. Leo Wilson could easily pick his mark if he has a good day. And let's not by-pass the rest of Southern's track team in bubbling over the stars. It's the boys that come in second and third, consistently, who help make this 1953 team a strong one. Guys like Markel, Starnum, Shuppert, Budde, McClellan, Wagner, Dean, Glynn, and others. Then we have two strong men in the javelin, Schneiderheime and Carlisle, who have been first and second, second and first, all year long. And Zamil Bavel, who won four straight meets before injuring his ankle in the broad jump. Bavel should be about ready to top the event this Saturday; and get going about conference meet time.

TRIPLE THREAT MAN!

The Brains of the Team

Teamwork can work miracles. In a football game the man who spots the miracles is the quarterback. He's the man who calls the signals. There's a man who calls the signals for an Air Force flying team, too! They call him an Aircraft Observer.

Do you have what it takes to become an Aircraft Observer? It isn't easy. It's tough. You have to be a MAN to qualify as an Aircraft Observer. But when you are one, brother, you're SOMEBODY! The success or failure of a mission involving over a million dollars worth of flight equipment depends on you.

THE AIRCRAFT OBSERVER IS THE SOMEBODY WHO:
As Bomber Observer, is number one man on a bombing run, the man who controls the plane in the target area!
As Navigator Officer, is the pilot's guiding hand on every flight!
As Radar Officer, is master of a new science and operator of the device that sees beyond human sight!
As Aircraft Performance Engineer Officer, is the one who "keeps the plane flying", the man who knows his plane in-

side and out, who keeps it fit for the skies and sees that it stays there!

If you can accept a challenge like this, you'll take your place beside the best—you'll find your future in the clouds!

To be qualified you must be single, a citizen, between 19 and 26 1/2 years old, have had at least 2 years of college and be in tip top physical shape. If this describes you, then YOU, too, can qualify. Today!

HERE'S WHAT YOU'LL GET! The world's best training. Good food and plenty of it. Uniforms, flight clothes, equipment. Medical and dental care. Free insurance. Flight training in Uncle Sam's greatest aircraft.

AND THEN, AFTER GRADUATION, you'll win your silver wings, and earn more than \$5000 a year as an Air Force Lieutenant. You'll enjoy an adventurous, exciting career with a hand-picked crew of real men. You'll be THE BRAINS OF THE TEAM, A TRIPLE THREAT MAN... as a Bomber Observer Officer, as a Navigator Officer, as a Radar Officer, as an Aircraft Performance Engineer.

Golf Team Whips Millikin Linkmen On Home Course

Southern's golfers knocked off strong Millikin team Tuesday to settle for a twin defeat at the hands of Millikin at Deatur over the weekend. The Salukis took Millikin 6 1/2-5 1/2 only by shooting their best team scores of the season. Chuck Newkirk paced the Salukis, defeating Jim Finley of Millikin 74-76 and collecting 2 points. Wayne Heard out shot B. C. Corring on 78-80 to collect 3 points for the Holdermen. Ed Kuny of Millikin edged Jim Wilson 75-76, and Al Myers got by Bo Henley on the last round 81-82.

Coach Holder's boys keep showing the way they did in Tuesday's match, the IAC meet should be a breeze. With a team average of 77, Southern will be hard to beat in any competition.

The Salukis dropped two matches to Millikin, 7-5 and 8 1/2-7 1/2, and tied Normal 8-8 Friday and Saturday. The scores for Friday's match: Jim Finley (36-38-74) over Bob Henley (43-43-86), 234-173; Chuck Newkirk (79-36-75) defeated Bob Corrington (81-82-76), 2-1; Jim Wilson (41-42-83) lost to Ed Kuny (38-39-77), 234-173; and Wayman Heard (38-43-81) downed Bill Hawkins (40-43-83), 234-173.

On the other angle of the bestial triangle, however, Henley, 81, and Wilson, 78, bested Hawkins and Kuny, 83 and 81, but Finley and Corrington, 75 and 77, won over Newkirk and Heard, 82 and 80, to give Millikin the edge.

Twenty-five per cent of all drivers involved in fatal auto accidents in the U. S. last year were under 25 years old.
