Freshman Class To Sponsor Leap Year Dance Here Feb. 29

For the first time in the history of Southern, the freshman class, aided by the Social Senate, will sponsor an all-school "girls drag" dance. "Chick's Chance" is the title of this dance which is to be held on Leap Year Day, Feb. 29, in the Women's gymnasium from 8 to 11 p.m. Dexter Peak, SIU freshman, and his orchestra have been contracted to play for the dance.

In typical leap-year fashion, the girls will call for and escort the boys to and from the dance. Also they are supposed to present corsages to the boys. These corsages are not to be made of flowers, however. A prize will be awarded for the most original and most clever corsage.

UNIDENTIFIED notices have been printed in previous issues of the Egyptian in order to prepare Southern's coeds for the event.

Harry Evers, Mounds City, president of the freshman class, is general chairman of the dance committee. Individual committee co-chairmen include the following: publicity, Paul Meuth and Anita Early; decorations, Doreen Bray and Ron Kohler; concessions, Carol Lingle and Louise Van Matre; and program, Esther Andres and Ann Gilbert.

22 Acts Try Out For Variety Show

As of yesterday, 22 acts had tried out for the annual Theta Xi Variety show which is to be held Feb. 27 in Shryock auditorium. Approximately six additional acts are expected to try out this week, according to Joe Harding, publicity chairman.

Of the total number of acts trying out, only about 20 will be selected to appear in the final Variety Show. Also to be featured at the Variety Show will be the presentation of the Service to Southern awards.

Since all acts have not as yet been tried out, the definite line-up for the show cannot be announced as yet, according to Harding.

HOWEVER, SOME of the acts which have already appeared for try-outs are as follows: "Legend of the Old Crow," by Sigma Sigma Sigma sorority; "Here Comes the Showboat," by Delta Sigma Epsilon sorority; "Pretty Bubbles in the Air," by Pi Kappa Sigma sorority; a satire on Communism, by Tau Kappa Epsilon fraternity.

"Boogie Woogie," by Sigma Pi fraternity; comedy tumbling, by Raymond Seville and Emil Kass; tenor solo, by Harold White; an act titled "A Couple of Swells," and two piano duets.

Joe Harding has been selected to act as Master of Ceremonies for the Variety Show. Harding was selected after tryouts were held among Theta Xi fraternity members.

Education Barracks, K-1.

Dr. Dorothy Davies, Dr. Ted Ragsdale, and Mr. Ernest Simon will participate in the discussion.

All students are invited to attend.

Organized houses, sororities, fraternities, and other organizations are invited to have speakers come to their meetings and give discussions on brotherhood as it pertains to their particular groups or organizations.

THE SIU RADIO department has produced a program entitled "A B C's of Brotherhood" which has been sent out to local radio stations.

Books that place emphasis on brotherhood are now on display at the library.

The speech department is sending a panel discussion group composed of students Betty Bettis, Norman McGeff, and Joe Keller to the Anna-Jonesboro high school. The panel will discuss inter-faith problems.

Brotherhood Week

(Editor's note: The following editorial was written by Irving Dilliard, Editor of the editorial page of the St. Louis Post Dispatch, for the National Conference of Christians and Jews, Inc., sponsors of Brotherhood Week, Feb. 17-24.)

It may sound futile to talk about brotherhood when half the world is doing its best to deny the meaning of the word. On the contrary, this is precisely the time to begin talking about brotherhood. That is, if we hope to retain a decent sanity in this country and later to serve as an effective healing agent for Europe.

The National Conference of Christians and Jews, founded by Charles Evans Hughes among others, is now engaged in the celebration of Brotherhood Week. It is an annual observance, built around Washington's birthday. Surely it is more meaningful this year than ever before.

The avowed purpose of the National Conference, which looks after religious, racial and cultural relationships among Protestants, Catholics and Jews, is to "make America safe for differences." Is it overstressing the importance of Brotherhood Week to say that America will be safe for democracy not one moment longer than it remains safe for differences?

1952 Marks Fifth Year For KDA Variety Show

by Teresa White

"Abolish Compulsory Student Assembly," was a headline which appeared in a 1947 issue of the *Egyptian*, thus giving birth to a series of all-school Variety Shows sponsored by the KDA (now Theta Xi) fraternity.

The reason for the abolishing of the student assembly was the fact that Southern had become a university, and therefore, had more students than could be reached at one time. This halted the practice of giving students the opportunity to perform, but gave vent to the annual Variety Show, which will celebrate its fifth anniversary Feb. 28, 1952.

The first Variety Show was presented Feb. 23, 1948. The performance consisted of quartette

singing, impersonations, dancing, trick cartoons, and tumbling. John Mulkin, now a graduate student here at SIU was in charge of the first show.

The Service to Southern award was initiated at the first Variety Show. Many honors were being passed around, such as to the most valuable sorority woman and fraternity man, and scholarship awards to students with high grades, so it was decided to give a all-around award to the man and woman student who had contributed the most service to Southern—thus the Service to Southern award.

Winter term was chosen as the season for the Variety Show in order to fill the big gap in social activities since no major event is held during this term. It was decided that all the proceeds were to go to Southern.

The Theta Xi Variety Show has come a long way since 1948. In 1949 there were fifteen acts in it, and in 1951 "twenty-one of the best acts on Southern's campus" were presented. And now this year an award will be presented to the best act in the show.

One could go so far as to say that the Variety Show itself is truly a service to Southern.

Teachers Needed In Hawaiian Isles

by Otis Weeks

Does \$2700 a year sound like an attractive starting salary to future teachers? If so, it is time to pack your bag and start to the much-written-about Islands of Hawaii where 130 elementary teachers will be needed in the 1952-53 school year.

These 130 teachers are needed primarily in the kindergarten and grades 1 and 2 but a limited number of teachers are needed for the higher elementary grades.

Teachers having Bachelor's degrees start at \$2,700 a year and may reach the maximum pay of \$3,660 in a few years. Preference in selection of applicants is given to teachers having their Master's degree of one year's preparation above the Bachelor's degree. Teachers are appointed for one year.

HAWAII HAS NO special season, but has a climate like 12 months of April. In the land where the temperature rarely goes below 60 and above 85, the school year lasts from September to June with adequate time between for vacationing.

If a teacher in Hawaii lived in a teacher's cottage, the average monthly rent, clothes, recreation, etc., would be about \$65 a month—a rate which can hardly be duplicated anywhere on the United States mainland.

Teachers are granted 10 days sick leave and 20 half-days, with pay per year. The ten days are cumulative up to a total of 40 days.

THE RETIREMENT system is adequate on the Islands. All teachers in the Island join the Employee's Retirement system. About 5 1/2 percent of the month's salary is withheld, and placed to the credit of the teacher in the system. The Territory matches the employee's contribution. Under present statutes, a teacher upon termination of service can withdraw his contributions and receive four per cent interest on it. Retirement is optional at 55 years of age, compulsory at 65.

Still interested? If so, contact Royce Bryant at the Placements Service for further information and you may be on your way to Hawaii, The Islands of Paradise.

Answer to this week's closeup will be found on page 4.

Two SIU Debate Teams Attend DePauw Meet

Two teams of Southern debaters attended the fifth annual invitational debate meet at DePauw university, Greencastle, Ind., this last weekend.

Four SIU debaters attended the meet, in which approximately 30 schools from seven states participated. Southern's men's team, consisting of Jim Gibbons and Lloyd Bitzer, won three out of four debates. Their one loss was to Ohio State university.

The women's team from here won one debate and lost three. Juanita Nowers and Sue Alice Martin made up this team. Albert Croft of the speech department accompanied the teams to the meet.

The question debated at the meet was "Resolved that the national government should adopt a permanent program of wage and price controls."

SIU Stumbles Behind Normal In IIAC Race

The ball bounced the wrong way for Southern Saturday night and Illinois State Normal walked off with an easy 72-57 victory. The loss ranked with their first defeat to Eastern as the worst the Salukis have suffered this season.

Matmen Lose To Navy Air Station

An invading Memphis Navy mat team spilled Southern's grapplers 20-11 in a match held in the SIU gymnasium last Saturday night. The loss was the second this year for Coach Jim Wilkinson's boys to Memphis, but it came only after the Navy had come from behind to score victories in each of the final three bouts.

The match followed closely the pattern set by the two teams in their earlier meeting when the Memphis boys also came from behind to win the final four tussles. The score in the January meeting was once 14-0 in favor of Southern before Memphis made its move; last Saturday Southern's lead once stood at 11-7, but once again, Memphis finished on top.

THERE WERE THREE pins scored in Saturday's match—all by the Navy. The only three victories scored by Southern came with the efforts of Halbert, Schweineburg, and captain Jack Stoudt. In the 157 pound class, Art Hargis settled for a draw with his Memphis foe. The final results showed:

- 123 lbs.—McAdoo (M) pinned Cutrell (S), 5-0.
- 130 lbs.—Halbert (S) decisioned Willis (M), 3-0.
- 137 lbs.—Schweineburg (S) decisioned LeBlanc (M) 3-0.
- 147 lbs.—Stoudt (S) decisioned Kuindlog (M), 3-0.
- 157 lbs.—Hargis (S) and Olson (M) drew, 2-2.
- 167 lbs.—Perrine (M) decisioned Williams (S) 3-0.
- 177 lbs.—Black (M) pinned Birta (S) 5-0.
- Hvywt.—Wilson (M) pinned Sivilo (S) 5-0.
- Totals—Navy 20, Southern 11.

The defeat wiped out Southern's hopes for a second place finish in the IIAC race. Normal now is in second with a record of seven wins and three losses. The Salukis are third with a 6-5 mark.

All Southern can hope for now is a tie for second. The Salukis still have a make-up game with Michigan Normal. If they can win that one and if Normal loses its remaining two games, the teams will be tied. The Redbirds play at Western tomorrow night and at Northern Saturday. Normal could be upset in either of them. In their first game with Western, the Redbirds won by a close 72-67 score. Earlier they had beaten Northern only 76-73.

PERHAPS THE SALUKIS suffered an emotional letdown after their game with Eastern the previous week, but at any rate the Normal contest was, in the words of Captain Stan Horst, "our worst of the year." The Salukis, off on their shooting and rebounding, never got close to the Redbirds. And a game that had been figured a toss up, after Normal's two-point victory here Feb. 2, turned into a rout.

Bob Nickolaus carried most of the scoring load for Southern. He got 24 points, his highest single game total this season. Ray Ripplemeyer, who usually scores an average of 10 points a game, managed to get only three free throws. Both Ripplemeyer and Chuck Thate fouled out early in the fourth quarter.

Normal Captain Glen Honsbruch, who had been reported injured and unable to play, showed up after all and paced the Redbirds with 28 points. Southern's Harvey Welch, still nursing an injured finger, appeared briefly in the last quarter and made one basket.

The Salukis now have a record of 12 wins and nine defeats. They'll try to improve it tomorrow night against Washington U.

WOMEN'S P.E. PROFESSIONAL CLUB TO MEET WEDNESDAY

The women's Physical Education Professional club will meet Feb. 20. At the meeting five delegates will be chosen to attend the Midwest Association of Health, Physical Education and Recreation Convention at Cincinnati, Ohio on March 17, 18, 19. Salukis Battle Bears Here Tomorrow Night

by Jack Nettland

Southern Illinois' Salukis defend their home court tomorrow night against the Bears of Washington University. Though the foe are from nearby St. Louis, it will be only the sixth meeting between the two in an intermittent series that started back in 1915.

That's right, 1915. The two teams met twice during that season, and then they parted ways until the next match in 1939. Since then there has been one game played in 1947 and one more just last year. The standings in those five contests show SIU leading three games to two, and shows their possession of a three-game winning streak since Washington won the two openers in 1915.

TO INDICATE HOW modern-day basketball stresses a potent offense one can compare the 1915 scores of 28-18 and 29-13 with last year's 60-58 struggle. In 1915 they scored about one point per minute combined; last year they scored somewhere around two and one-half points per minute.

Though Southern does have the edge in the win column, Washington has the point edge in cumulative scores, 181-176. That's an average Washington win of 36-35. Southern's only convincing triumph in the three came in 1939, 38-23

Salukis, if they can beat out Illinois Normal for second place in the IIAC, stand a chance of being picked.

Members of the selection committee, besides Martin, are Jack Horenberger, Illinois Wesleyan; Ralph Allen, Millikin; Charles Lantz, Eastern; Ray Hanson, Western; Paul LaVinn, Eureka and Robert Woll, Monmouth.

The 20 member schools of the NAIB in Illinois are: IIAC: Southern, Eastern, Western, Normal, Northern.

LITTLE NINE: Augustana, Carthage, Illinois College of Jacksonville; Elmhurst, Wesleyan, Millikin, Lake Forest, North Central of Naperville and Wheaton.

PIONEER: Eureka, McKendree of Lebanon and Shurtleff of Alton. **INDEPENDENT:** Aurora, Monmouth and Quincy.

TOMORROW NIGHT'S game will be Southern's 22nd of the 24-game schedule. After Washington, the Salukis play at Beloit, Wis., Feb. 23, and at Siena in Albany, New York, March 1. The game at Siena will be the last for Captain Stanley Horst and Charles Valier, graduating seniors.

As yet, a postponed game with Michigan Normal has not been rescheduled. Athletic Director Glenn (Abe) Martin reported.
