From the Editor:

Welcome to the Fall/Winter issue of The Online Journal for Workforce and Development, volume 1, number 2. This issue will conclude our first year of publication. Starting with this coming year, and continuing in the future we plan 3 issues per year. Our upcoming spring issue has the theme of Curriculum and Instruction in Workforce Education, and should be online in May of this year. Issues should follow with the summer issue on-line in August, and the fall/winter issue online in January. We welcome suggestions and volunteers for future theme issues.

We sincerely wish to thank the members of the Editorial Board who took the time and effort to review our first issue and reply to our online survey. We have noted their suggestions and intend to implement all of them; a big THANK YOU to Keith Waugh, Rey Martinez, Fred Isbrenner, Michaela Stock, and Maria Kraska. Also a big THANK YOU to the professionals, in addition to editorial board members, who acted as reviewers for manuscripts for issues 1 and 2 of the Journal. Without their efforts, the journal would not be possible. In no particular order, and not including editorial board members, they are: James Stapleton, Jason Curry, Julia Shaw, Yun Shi, Lianbin Cui, Faith Miller, Doug Schneiderheinze, Jason Tanner, Priscilla Gitimu, Mark McKnight Lance Hogan Dennis Nasco, Dennis Bowman, Randy Greenwell, Pat Pulley and Sandra Collins.
