## **XVI International Botanical Congress**

The XVI International Botanical Congress will be held in St. Louis, MO, USA 1-7 August 1999, organized by the North American botanical community, including botanical, mycological and ecological societies, universities, research institutions and others. It will provide a forum for presentation and discussion of the latest advances in plant sciences. Barbara J. Kitrel, XVI IBC Administrative Assistant has sent this information and would like to get the message out to as many people as possible.

The XVI IBC's website can be found at <http://www.ibc99.org>.
