This Article is brought to you for free and open access by the Daily Egyptian 1948 at OpenSIUC. It has been accepted for inclusion in April 1948 by an authorized administrator of OpenSIUC. For more information, please contact [opensiuc@lib.siu.edu](mailto:opensiuc@lib.siu.edu).

**Cecil M. Bolton To Present  
Piano Recital on April 5**

Cecil Bolton, instructor in music at Southern Illinois University, will present a piano concert in Shroyck Auditorium Monday evening, April 5, at 8 p. m. Dr. Mauris Kesar, chairman of the music department, has announced.

Bolton joined the University faculty last fall, coming from Murray State Teachers College, Murray, Ky.

Shroyck's acclaimed young pianist and organist, Mr. Bolton has given concerts throughout the southern and midwestern states.

**C. M. BOLTON, A.G.O.**

and has played at Carnegie Hall in New York City, the University of Chicago, Baylor University, and the University of Oklahoma. He has twice served as soloist with the Jacksonville (Fla.) Philharmonic Orchestra, and has performed as organist in Jacksonville, at the Calvary Baptist Church, Jackson, and at the Snyder Memorial Methodist Church.

Mr. Bolton graduated from the University of Mississippi, obtained the master's degree from the American Conservatory of Music in Chicago, and has studied under Marcel Dupre, noted French teacher in high authority, and under Allen Spencer.

His concert here April 5 will be open to the public, without charge.

**Graduate Students  
To Register  
For Profile Tests**

Graduate students and faculty members who are working on doctorates should register immediately for the Graduate Profile Test. Registration for the test must be made in the Dean of Men's Office by April 17.

The exam will be administered at Southern and other designated places in the U. S. on May 3 and 4. Results of this test are required upon application for entrance into many graduate schools throughout the U. S.

Additional information may be obtained in the Dean of Men's Office.

**Mary Agnes Starr  
Presents Recital  
In Little Theatre**

Mrs. Mary Agnes Starr of Cairo, interpreter of French-Canadian Folk Songs, presented a lecture-recital, "The Voyageurs in Song and Story," in the Little Theatre last night.

She appeared in traditional costume and sang with auto-harp accompaniment. Her program was divided into three sections. The first section was an introductory legendary ballad of the 16th century arranged by Healey Willan. The second section consisted of seven different songs of the Voyageurs. The third section was made up of French-Canadian sketches.

Mrs. Starr appeared before the music and drama departments throughout the day.

**REGISTRATION  
FIGURE SET AT 2537**

Figures released by the Registrar's office show 2537 students have enrolled for the spring quarter. This total figure shows that there are 60 more students enrolled at Southern this spring than were registered here last spring.

Miss Marjorie Shank, University Registrar, predicts an increase in the number of non-vocational students and a proportional decrease in veteran enrollment when final break-down figures are tabulated.

**STUDENT COUNCIL  
ASKS FOR ACTIVITY  
FEE INCREASE**

The student council of Southern has recently requested that this school's activity fee be raised from \$5.00 to \$8.00, it was announced this week.

This request was made after a careful consideration of the uses made of the activity fund, the excessive student activities, the actual benefits that could be realized by other schools, and the cost of providing sufficient fee to provide adequate student activities on Southern's campus.

Therefore, they have requested President Chester F. Lay to ask the state board at its next meeting to raise the activity of the institution from \$5.00 to \$8.00 per school term.

**UNIVERSITY HIGH  
DISPLAYS WINNING  
SPEECH BANNERS**

University High School at Southern Illinois University currently has on display two large white banners and two gold medals which its speech delegation won at the recent sectional speech meet at Greenville, according to Mrs. Eleanor Young.

One of the banners was awarded to U. High as high-point school in the sectional meet in B Class, the other was awarded to U. High in dramatics, B Class, having presented the play, "Trifles." Virna Sill from U. High won first place in comedy reading, B Class, and second place in the entire sectional meet in this event. She will go to the State finale at Champaign April 16-17.

Milton Ewert took first place in original oratory, B Class. Both Ewert and Miss Sill won gold medals. Members of the B Class winning play cast were Russell Fehman, Herbert Rieck, Charles Tucker, Dorothy Patterson, and Virna Sill.

Speech activities in University High School are taught and directed by Mrs. Eleanor Young.

**SOUTHERN'S BAND  
TO PARTICIPATE IN  
PINKNEYVILLE PARADE**  
Thursday, April 8, Southern Illinois University band will participate in a parade at Pinkneyville during the bi-centennial convention being held there.

**To Judge Baby Contest**

Shown above are the three faculty members appointed to judge the Egyptian-sponsored all-student baby contest. They are: Coach Leland P. Lingle, athletic department; Dr. Sina M. Mott, kindergarten department; and Dr. Louis E. Petroff, sociology department. Final decisions will be reached by the judges next week when the winning awards of first, second, and third places in the contest will be announced at an unannounced date.

**AUDIOMETER TESTS  
GIVEN TO MEMBERS  
OF HEALTH CLASSES**

After centuries of use, the ear has had little "I can't hear" a thing, "can no longer be offered except by means of failing or poor grades at the Southern campus.

Hearing tests were recently given to all members of the health education classes by instructors Frances Phillips, Frank Bridges, and Pauline Potts, a faculty assistant. These tests served, not one, but three useful purposes.

First, to make each student aware of his own individual hearing acuity and aware of any loss of hearing acuity. Secondly to make the health education program more functional and educational by relating members of the health education class. Thirdly, to fulfill the requirement in the graduate course, Physical Diagnosis and Clinical Laboratory Methods and Technics, taught by Dr. Marie Hinrichs, in respect to some specific, physical findings of students.

The individual audiometer is the most accurate means of testing hearing; that has ever been devised, but as any other hearing test, it is only a screaming device. The machine is electric. Only one ear is tested at a given time by having the individual hold an ear phone to that specific ear. The operator of the machine controls the volume or frequency and the pitch or the tone by two small knobs. For an accurate test, there are five frequencies used while the pitch is expressed in decibels—minus ten to ten considered normal. Any hearing handicap is expressed as a combined loss of hearing acuity represented by a specific percentage. To prevent errors of judgment, there is a tone interrupter to determine for the operator whether the individual taking the test actually hears the tone or imagines he hears it!

**Baby Pictures Soon  
To Be Judged in  
Egyptian Baby Contest.**

The Egyptian's Baby Contest, now in its fifth week, soon will be over.

Pictures will soon go to the judges for their final verdict. The judges are: Dr. Sina Mott, the kindergarten, Dr. Louis Petroff of the sociology department, and Leland P. "Doc" Lingle of the athletic department.

Approximately 40 pictures have been entered, according to Oliver Verner, campus photographer.

Winning of the contest will give an \$8.00 oil colored photograph, with the second and third place winners being awarded a \$7.00 of the same type.

Watch the Egyptian for the contest winner!

**MUSICAL GROUPS  
TO GIVE CONCERT**

Three Southern Illinois musical units will perform before the district convention of Rotary Clubs at Pinkneyville April 7-8, according to Dr. Mauris Kesar, musical department chairman.

**BAPTIST STUDENTS  
SPEND EVENING  
AT GIANT CITY**

The Chapel Singers, a choral group at the Baptist Foundation, enjoyed an evening at Giant City Park last Monday. Forty students and faculty members journeyed to the Park at four thirty in a car caravan. The boys played softball, while the girls went hiking and prepared the picnic supper.

After the supper of fried chicken and trimming the group sang some choruses, and then Prof. A. Donald Bell entertained the Singers with his harmonica. The director of the choir, Prof. Eugene F. Quinn, was honored with the gift of a daylight desklight as a token of the appreciation of the Chapel Singers for his work with them.

Among the activities that the Chapel Singers are planning for the Spring are a song-sermon at Walnut Street Baptist Church on Friday, April 2; trips to Metropolis on April 14 and to Marion on April 28; and the presentation of a short cantata at the Commencement exercises of the Baptist Foundation on or about June 8.

**NEW PROFESSIONAL  
DEGREE OFFERED TO  
MUSIC GRADUATES**

The seal of approval of the American Association of University Women has been given to the new bachelor of music degree at Southern Illinois University, according to the latest A.A.U.W. Journal.

The new degree, recently approved by the American Association of Schools of Music, is a professional degree, established to train students for professional careers in music.

**TEN THOUSAND  
GRANTED SOUTHERN  
FOR RESEARCH**

The U. S. Public Health Service has doubled its former assistance in support of research work being carried on by Dr. Carl C. Lindgren, director of the new biological science research laboratory at Southern Illinois University, University President Chester F. Lay has announced.

The federal agency, on recommendation of the National Academy of Cancer Council, has issued a grant of \$10,000 to Southern in support of Dr. Lindgren's investigations. Last year the U. S. Public Health Service contributed \$5,000 to support Dr. Lindgren's work at Washington University in St. Louis.

Recently Dr. Lindgren, who has carried on basic research into the nature of cells by studying yeast, discovered a variety of red yeast which lost its color but which could have its color restored by proper mating.

This color loss, or "depletion mutation," Dr. Lindgren believes, may indicate a single gene concept.

**UNIQUE SUMMER  
PROGRAM POSTED**

Posted on the north bulletin board of the entrance to Shroyck Auditorium is an announcement of a unique summer program of study at the University of London, primarily of interest to teachers and graduate students of English literature, but also of general cultural interest.

Courses of lectures are to be offered by the leading professors of the university, most of them scholars of international reputation. The program includes a brief devotional message and a word of prayer.

There will also be well-planned excursions to acquaint students with the historical and cultural features of London, Oxford, Cambridge, Canterbury, Winchester, Windsor, Stratford, and Bath.

**FOUR PERSONNEL  
WORKERS ATTEND  
CHICAGO MEETING**

Four Southern Illinois University student personnel workers are attending the meeting of the American College Personnel Association convening simultaneously with the National Council of Guidance and Personnel Associations, in Chicago March 29-April 1.

Those attending are Dr. Marshall S. Hickey, dean of men; Miss Alice Rector, instructor and assistant to the student life dean; Leonard Biehoff, instructor and assistant to the dean of men; and Miss Maxine Vogel, director of the Anthony Hall, girls' dormitory.

**Lingle, Davies to Serve  
As the Faculty Chairmen;  
Committees Are Chosen**

Robert J. "Bud" Williams, sophomore from Carini, was chosen as student chairman for Spring Carnival at a joint meeting of the Student Council and representatives of all organized houses in Old Main last Tuesday evening. Faculty chairmen for the carnival will be Dr. Leland P. Lingle and Dr. Dorothy Davies, both of the physical education department, according to Dr. Chester F. Lay, president of the university.

**GYM TO RE-OPEN**

During the past three week end the new gym has not been open for recreational purposes, but will be open each week end for the remainder of the current term.

**THREE TEACHERS  
ARE APPOINTED  
FOR SUMMER TERM**

Appointment of three new persons to the summer term faculty at Southern Illinois University has been announced by University President Chester F. Lay.

Dr. Kenneth W. Wegner has been appointed associate professor of mathematics. He holds the bachelor's, master's and doctor's degrees from the University of Wisconsin, and has taught at Wisconsin, Whitworth College, the University of Minnesota, and Carleton College.

Harry F. Jackson has been named associate professor of history. Mr. Jackson, who holds the bachelor's degree from Marshall College and the master's degree from West Virginia University, is completing his work on the doctor of philosophy degree at the University of Chicago this spring.

Miss Mabel Carney has been appointed professor of education, to direct summer workshops. Miss Carney has had a distinguished career in rural education. She received her training at Columbia University and taught at both Western Illinois State College and at Illinois State Normal University before going to Columbia where she was professor of education until her retirement.

Resignation of Arthur Halfar, recorder in the Office of the Registrar, also announced. Mr. Halfar, whose resignation will be effective at the end of the current school year, plans to devote his time to completing work on his master's degree.

**University Band  
To Give Concert  
Tuesday, April 13**

Southern Illinois University band, under the direction of Harold C. Hines, will present a spring concert Tuesday, April 13.

Two soloists are to be featured in the concert. Gene Moore will give a clarinet concerto by Weber, and Roy Barth will present a vibraphone solo, variations on "Blue Bell of Scotland," by Fryor. Another feature of the concert will be an original composition by Dr. Louis Rodabaugh of the mathematics department. The composition has been arranged for concert band by Mr. Hines.

Admission to the concert will be by ticket only. Tickets may be obtained, at no charge, from the members of the band or from the music department.

**SOUTHERN'S CALENDAR OF EVENTS**

- April 1—District Illinois High School Music Contest
- April 5—State Health Education Committee Meeting
- April 12-14—Mrs. Honore Overstreet, post-psychologist
- April 13—Band Concert by University Band
- April 16-17—Southern Illinois Editorial Association
- April 16-17—Little Theatre goes to Giant City
- April 22-24—Hospitality Weekend

**It Soon Will Happen!**

THE EGYPTIAN

Published weekly during the school year... Editor: Fred Senter... Business Manager: Dick Woods...

"A" is For Activity

The age-old problem of whether or not a "straight A" student has a fuller life than one with a mediocre report card has popped up again. Esther Dimchevsky, assistant director of counseling at the University of Denver, believes that an "A" average is merely a cover-up for a heterogeneous assortment of emotional repressions.

OUTSIDE AND INSIDE

From a poll recently taken among the girls at Stephens college, it was found that university men prefer the look described as "casually feminine"...

"I didn't raise my daughter to be fiddled with," said the cat as she rescued her offspring from the violin factory.

In an interview with one of Carbondale's taxi drivers, we asked him if he enjoyed his work. He replied, "It's not just the work I enjoy, it's the people I run into."

POEM OF THE WEEK: He kissed her in the garden It was a moonlight night She was a marble statue He was a little tight. —Auburn

QUOTATION OF THE WEEK: Men are dumb enough to think they can fool women; and women are smart enough to let them think it.—P. S. She trusted my arm.

As an artist, I have designed a new air-mail stamp that does away with the airplane. I draw Gypsy Rose Lee's picture on the stamp and the letters take off by themselves.

I know a guy who's taking 20 hours this term. Says he'll get out of school quicker that way. I guess it is easier to flunk 20 hours than 12. It looks better on the record anyway... He's the one who is very particular about the girls he dates.

THE CORN CRIB

Edited by Wallace Peebles

Teacher: Elmer, would you please run up the shades? Elmer: Heck, what'd you think I am? "Name a Greek tragedy." "I never knock other fraternities."

Professor: Why are you late for school? Pupil: It was late when I started from home. Professor: Then why didn't you start early? Pupil: It was too late to start early.

There was an old man from Calcutta, Who coated his tomatils with butta. Thus converting his moore From a thunderous roar To a soft, oleagnous mulla.

"Whaddaysay we get our wives to gether tonight and have a big evening?" "Good idea. Where'll we leave 'em?" He: "Darling, I've lost all my money; haven't got a penny in the world."

A psychiatrist was interviewing an elderly lady who had come to him for treatment. Patient: "Doctor, my friends think I'm crazy because I like waffles." Doctor: "Why, that's nothing. I like waffles myself."

Blonde: "My boy friend is a gangster in an underwear factory." Brunette: "A gangster in an underwear factory?" Blonde: "Yes, he is boss of the underwear."

"A fellow saw a friend smoking one cigarette after another and asked, "Are you a chain smoker?" His friend answered, "Yes."

A burlesque show is a place where attendance falls off when nothing else does. Faster than a nudist who just spilled a cup of hot coffee in his lap.

Nights are so cool on the Pacific coast that everyone in California sleeps under one blanket. Crowded, isn't it?

If you look in a mirror You're conceited.

If you don't You're messy.

If you have dates You're a flirt;

If you don't You're a drip.

If you get up early, You're crazy;

If you get up late You're lazy.

If you answer questions You're showing off;

If you just listen, You're a stupe.

If you're curious You're nosy.

If you're not, You just don't care.

If you study You're a grind,

If you don't You flunk.

If you're pleasant to all, You're putting on;

If you're not, You're impolite.

If you push new ideas, You want publicity;

If you don't You haven't school spirit.

People, poor things, don't know what they want!

—Stolen from the W. W. Collegian, who lifted it from the Golden Eagle, who borrowed it from the Burlington.

PERSONALITY SPOTLIGHT

By Mary Boston

Some people warble like Frankie or Bing; other people trip the light fantastic like Fred Astaire; some compete with Frankie Castle; Bill Plater just draws. In fact, Bill plans to be a commercial artist and a writer.

BILL PLATER

While in the navy, he was a cartoonist entertainer with the Naval Entertainment Unit, a branch of the USO. He drew over one thousand portraits in naval hospitals.

Spoils of War

War is always destructive. It takes away more than it leaves. But there are always some things we are able to salvage after the guns have ceased to roar. The memories which we carry with us out of war are one of the most precious of these spoils.

Digging the Disc

The last appearance of this column, the credit for writing the article was erroneously given to Glen Brown. Brown wrote the column during the Fall term, but Dave Richmond is the present writer.

CLASSICAL

Schubert's Ninth Symphony (Arturo Toscanini). Good, easy listening. This recording is loaded with themes which songwriters will attempt to turn into popular ballads.

Rossini Operatic Arias (Jeanette Tourel). Excerpts from many well-known operas. Miss Tourel, a mezzo-soprano, sings the suite well. She is the only soprano at the Met for whom Rossini need not be transcribed into an easier range.

East Coast Blues (Harry James). More lively was than "The Hot" had recorded since he has become a family man. Interesting is Zilky Elmer's trombone solo.

Deep Purple (Charlie Barnett). It seems that no matter how many times Barnett re-organizes the always easy up with good records. This side has excellent solos.

Red Top (Lloyd Hampton). For once two-beat intro with trumpets playing pop figures.

VERNER ATTENDES PHOTOGRAPHERS MEET IN SPRINGFIELD

Oliver Verner, Egyptian staff photographer, attended the Bill Posters Photographers Association at the Abraham Lincoln hotel in Springfield during the Spring vacation. Verner submitted three prints and had one accepted and exhibited.

THE VETS' CORNER

By Ralph Greenmeyer

The new law passed by the 80th Congress which increases Veterans' subsistence payments is known as Public Law 411. This new law increases public law 346 by 50% and becomes effective April 1, 1948.

Additional Dependent Claims

If you desire to claim an additional dependent (limited to 12) under the new law, you must submit satisfactory proof of such dependent to the VA on or before July 1, 1948.

Establishing Evidence

If you are claiming a minor child as an additional dependent, you must submit: 1) Certified copy of the public record of birth of certified copy of the record of baptism of your child, and 2) certified copy of public or church record of marriage, if not already on record with the VA, or in case of adoption, a certified copy of the court record of adoption.

Special courses are being offered on the campus in which students are given training along the line of clinical psychology and those are offered throughout the year.

Two Seminars Conducted

In addition to the study of the individual, two seminars will be conducted. The topic for discussion at the Wednesday afternoon seminars is "Some Factors in Personality Development," and completely filled out.

Down on the Farm

Shown above is one of the buildings on the University farm located south of the campus on U. S. Route 51. The University farm is used for experimentation and for agricultural instruction purposes.

Aerial Map of University Farm To Be Used in Planning Project

Every farm is noted for having at least a few chickens, geese, and hares, but few own an aerial photograph of their entire farm. The University Experimental Farm will soon receive an aerial view of the farm which will help in planning the proper usage of the land.

NEXT QUARTERLY CHILD GUIDANCE CLINIC IS SCHEDULED FOR APRIL 7-8

The next quarterly child guidance clinic of the University will be conducted on this campus on Wednesday and Thursday, April 7 and 8. Cases will be brought here from various communities and will be studied by members of the staff and by staff members who come here from the Illinois Institute for Juvenile Research.

Notified Will Be Brought

Only those who have already been notified will be brought to the clinic. Others who are interested should contact the Director of the clinic and a later date will be set for the study of such cases.

303 Attended Winter Clinic

During the Winter clinic more than 300 students and instructor teachers attended the seminars and staffings and a large attendance is likewise expected for the Spring clinic. The total number of students who have attended during the year has been more than 1500.

Special courses are being offered on the campus in which students are given training along the line of clinical psychology and those are offered throughout the year.

Two Seminars Conducted

In addition to the study of the individual, two seminars will be conducted. The topic for discussion at the Wednesday afternoon seminars is "Some Factors in Personality Development," and completely filled out.

will be under the direction of Dr. Harry Segenreich, psychiatrist. The problem for the Thursday afternoon seminar is "Factors in Personality Development As They Relate To Working with People."

Tells How To Be Campus Big-Wig

In a recent issue of Look magazine an article on college publications appeared. In this article were listed seven campus groups from the University of Wisconsin, telling all males how they could become BMOUC's Big Men on the Campus.

Write a letter to Egyptian, then write an answer to the letter using a strange name, then answer the answer using your own name.

1. Write a letter to Egyptian, then write an answer to the letter using a strange name, then answer the answer using your own name.

2. Make up cute nicknames for everybody on campus and they'll make up a name for you.

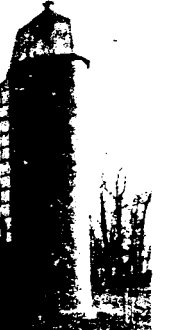

3. Join any organization on campus. After you're on the inside, find out all you can about the purposes and finances, and since most of the campus organizations have either no purpose or finances, expose them in the student paper.

4. Throw away your razor! This will do wonders to establish you as one of the boys. As no check can be made, you will be immediately accepted as someone of importance.

5. Find a girl, take her to the canteen, see her in a corner booth and then go around and talk with everyone you have ever seen before. This will have two results: first, you will be terrifically popular by your popularity; and all the people you talk to will wonder who you are and will make it a point to find out your name.

6. Learn all the words to the Whiffenpoof Song, and when in the course of an evening's hearing, the lyrics falter—your voice will ring loud and clear.

# SOUTHERN SOCIETY

Edited by Donna McCardell

**KDA** March 26, Chuck Williams pinned Donna McCardell.

**NU EPSILON ALPHA**  
The following men have been formally initiated into active membership in Nu Epsilon Alpha: Don Gibbons, Dick Hemmings, Dave Jordan, Joe Lattinore, Carl Morris, Romolo Rossi, Paul Turley, and Charles Witzensberg.

**DELTA DELTA CHI**  
At the regular fraternity meeting held last Monday evening the following two officers were elected: pledge captain, Bill Sheffield; and corresponding secretary, Steve Hancock.

The pledges of the Winter term went through hell week and in formal initiation this week. Next Monday night at seven o'clock formal initiation will be held at the Methodist-Episcopal Church in Carbondale.

Tuesday evening, March 30, the formal dinner and ribbon pledging for the pledges of the Spring term was held.

Next week at the all-school dance held at Anthony Hall the Delta Chi drawing will take place. The lucky winner will be presented with a new Royal Deluxe portable typewriter.

On March 25-27 Lewis Hancock attended the speech meet at Coq College, Cedar Rapids, Iowa. He participated in debate and extemporaneous speaking.

President Harold Stanley was one of three Southern students who participated in the National Inter-collegiate United Nations Assembly held in Chicago on March 24-26.

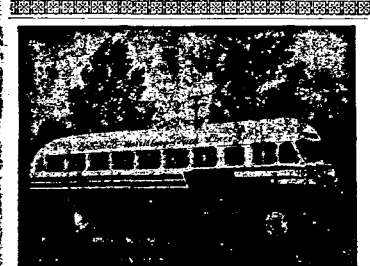

Jack Gray has dropped out of Kappa and is now in business in Murphysboro.

**Overseas of Poppy Turley** Day was held Tuesday, March 23rd. The day was a success and all pledges had a wonderful time doing and saying things they had been refrained from doing and saying for twelve long weeks. The day ended with a party given for the actives by the pledges.

**CHI DELTA CHI**  
President Dan Cox, 24, of West Frankfort was married on March 20 to Miss Norma Drake, 25, of Shawstowntown. Dan is a senior in the College of Education, majoring in social studies. Norma is a Sigma Sigma Sigma pledge, and a Freshman in the College of Education, majoring in foreign languages. They spent their honeymoon in St. Louis and returned to school Monday.

Oral Telford, Lieutenant USNR, returned to school Monday following a fourteen day cruise on active duty at the Lakehurst, New Jersey, Naval Air Station. Telford has 8500 hours as a blimp pilot.

In the regular Monday night meeting, March 23, Frederick G. Cholera was elected secretary, the position vacated by Bill Johnson last week.

Wills McGary spent the vacation at his home in Washington, D. C. This item was unintentionally omitted last week.

**OCTOPUS**  
The girls at the Octopus held a 10:30 party Tuesday night in honor of Jacqueline Carter, who celebrated her birthday. Jacqueline was pleasantly surprised when the girls presented her with several lovely gifts. Those present were Gloria Maze, Jessie Guffey, Cleo Anderson, Gregory Wilson, Doris Leger, Eva Mae Sims, Mrs. A. Rednour, the housemother, and the honored guest, Jacqueline Carter. Refreshments of cake, ice cream, and coffee were served.

Miss Juanita Scott of Frankfort is staying at the Octopus this term. Bontia Johnson, of Anna, did not return to school this term. Mrs. Cox is the secretary and partner with the Anna strawberry nurse. Mrs. Louise Morrow, former member of the Octopus, called on Mrs. A. G. Rednour last Friday afternoon and has returned to school here at Southern.

**PI KAPPA SIGMA**  
Installation of Pi Kappa Sigma officers took place on March 28. The new president, Dorothy Sager, replacing Velma McCormick, received a gardenia corsage from the KDA Fraternity at the time of installation.

Pi Kaps had a rush party Tuesday, March 30. The theme was a balloon carnival.

The trophy for 1st place sorority bowling team in the inter-fraternity-sorority bowl was awarded to Pi Kaps.

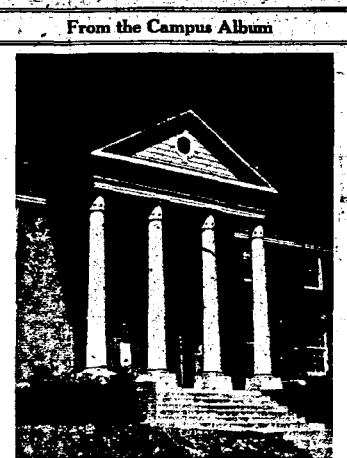

Hell week began Wed., March 31. Initiation for Martha Henderson, Joan Inge, Jeanette Hauser, Lynn Wandling, and Joyce Wise will take place Saturday, April 2.

**THE NORMANDY ORGANIZES**  
On Tuesday night, March 30, fourteen students, staying at 711 South University Avenue, assembled to establish an organized house and to elect officers. The following boys were elected officers of the Normandy, the name which the boys voted to retain for the newly organized house.

President, Monte Coleman, sophomore from Harrisburg; vice-president, Paul Murrie, senior from Vienna; secretary-treasurer, Charles Koch, senior from Oakdale; reporter, Gene Rhine, senior from Eldorado; ISU representative, Harold Gray, junior from Vienna.

Athletic chairman is James Hancock, sophomore from Harrisburg. As a newly organized house, the Normandy looks forward to full participation in the activities of Southern and, under the able leadership of Monte Coleman, the Normandy is assured of fulfilling its purpose.

Refreshments were served to the group by Mr. and Mrs. F. M. Norman.

The Baptist Foundation Building shown above is one of Southern's most ornamental buildings. The structure houses a cafeteria, dormitories, religious class rooms, a library, and a chapel.

Those elected were president, Pearl Stallings; vice-president, Florence Hinkle; secretary-treasurer, Helen Fildis; and reporter, Bonnie Cogman. The outgoing officers were president, Lee Fagotti, vice-president, Pearl Stallings, and reporter, Faye Oleheim. Lillian Beasley and Faye Oleheim left Johnson's Co-Op at the end of the winter term while Alice Dillon, a sophomore from Danville, transferred from Miliken and moved into their house-hold.

The announcement of the appointment of Cecelia Luckington from Martins to Ivan Mow from Christopher was made Sunday, March 28, at Paul's home in Christopher.

The spring picnic of Johnson's Co-Op was held at the Grand State Park, Monday evening, March 29. Guests and members believed it to be one of the most successful ones ever held.

**STUDENT CHRISTIAN FOUNDATION**

An April Fool's party is scheduled to be held at the foundation tonight at 7:30 p. m. An interesting program has been planned by the entertainment committee composed of Fernanda Inskip, Faye Smith, Ruth Yaurtee, Wilma Meyer, and Bob Hrubaker. The foundation extends an invitation to everyone to come.

"Power of Re-urrection" was the theme of the year's annual service held Tuesday, Wednesday, and Thursday of holy week at the foundation. The meditations were given by Rev. Glenn P. Spatz, pastor of Grace Methodist Church, who spoke Tuesday on "Power Amongst First Christians"; Charles J. Fairde, of the history department at Southern, who spoke Wednesday on "Power Through History"; and Rev. Douglas Mac Naughton, foundation director, who spoke Thursday morning on "Power Today."

Special music was furnished by the girls' trio, composed of Ruth Halketman, Carbondale; Edith Todd, Mr. Vernon; and Geraldine Rushing, Milledale, and a violin solo by Betty June McHenry of Vienna. The services were in charge of the worship committee, composed of Ruth McClure, chair-

### Southern Student Wins Recognition In Music Group

Here is something about a freshman on the campus who has gained national fame in an all-girl orchestra. This Negro student is Doris Lee Nickleson of Piney Wood, Miss.

She has played from the deep South to the Apollo Theatre in New York. Doris began at the

DORIS LEE NICKLESON

age of 16 as a vocalist with the Piney Wood All-Girl Orchestra in Piney Wood, Miss. A year or two later she took up the trombone and started with the International Rays of Rhythm and later changed to the Sweethearts of Rhythm, another All-girl organization which toured the European theatre during the war.

We asked Doris if the road (traveling with an orchestra) is an hard for a woman as it is for a man?

She looked up without saying anything for a short while. Then she said, "There were times I would rather have been shaving over a hot stove in some hash 'joint," but really after doing nothing but this type of work, there isn't anything I would take for that experience."

"Nick," as we call her (a short for Nickleson) isn't a type of show girl "hip" as the musician calls the girls, nor does she wear head clothes or extreme styles, but

#### STUDENT HEAVES ON BORROWED TIME

Late working hours and an eight o'clock class were among strange methods. Working until 11 p. m., one student usually gets to bed between 12 and one a. m., provided he doesn't study, and he always drops out—even with an alarm clock in his room.

He never misses a class, but on the other hand he never experiences the full 60 minutes. At the beginning of terms the teacher mapped him absent each week call only to change the mark when he came in. Now she leaves the space by his name blank.

He begins his class, and hopes he'll keep his perfect attendance record.

#### TWENTY-FIVE STUDENTS ATTEND METHODIST MEET

Twenty-five people attended the Methodist Student Conference, held from Feb. 27-29 at the Wesley foundation on the University of Illinois campus. One hundred delegates, representing approximately 12 Illinois colleges, were present. Mike Katayama, of McKendree college, Lebanon, was elected president of the 1948 Executive Committee. Byrl Sims, of Southern was elected to serve on this committee.

Those who attended from Southern, via chartered bus, were Kathryn Kristoff, Makanda; William Mitchell, Herrin; Mary Lou Whiteside, Chester; Jean Tottleben, Carterville; Betty J. Lockman, West Frankfort; William Arnsman, Metropolis; Mary Ruth Coffey, Cairo; Edna C. Miller, and Mrs. Harold Blank, Murphysboro, Vivian Lupardus, Granite City; Edith Todd, Mt. Vernon; Byrl L. Sims, Marion; Jack Tawistand, Carter Mills; Patricia Ann Minor, Mt. Vernon; Calvin Bremer, Metropolis; Ruth McClure, Golconda; Bertha Patey, West Salem; Geraldine Bushing, Makanda; LaDonne June Rhymer, Rosebud; Bertha Kristoff, Makanda; Ruth Haugher, Eldorado; Sue Williams, Carterville; Mrs. C. E. and Mrs. Douglas MacNaughton, Carbondale.

only a quiet and congenial person.

One night a dance was given on the campus in the Little Theatre. This was a chance for the students to hear Doris sing. She was stepped down and asked her to "chirp" a number. Doris took the house. Not only had she won the crowd but she had a job with a local orchestra on the campus. The S.L.L. Sextet on Doris being a music major intends to teach when she finishes school. However during the summer she will travel with the orchestra out on the West Coast.

### Southern To Become Focal Point of Visual Education

Films on almost every subject taught in elementary schools, high schools, and even colleges soon will make up Southern's film library.

The film library which is a branch of the University extension division in audio-visual aids, now contains about 260 films on different subjects and is in the last stages of buying additional films. By fall term it is hoped that the library will contain 700 or 800 films, about 300 of which will be on different subjects. The remainder of these will be reprints.

The University film library is now making a catalogue to be sent out the first of May to all the school officials in the 34 southern counties of Illinois. It is hoped that by fall term the library will be ready to rent films to all of the elementary and high schools in these counties. This will make Southern Illinois University the focal point of visual education in Southern Illinois.

A course in audio-visual aids taught by Donald A. Ingh, director of audio-visual education department, will be offered here at Southern beginning spring term.

The term audio-visual aids includes field trips, blackboards, motion picture, bulletin board displays, and many types of projectors, including the opaque projector which projects any type of printed material.

It has been proven by research in educational institutions and in the armed forces that facts learned in motion pictures and other visual aids is retained longer than facts learned in other ways. It stimulates the poor reader, increases vocabulary, and helps to mold attitudes and opinions of all students.

During the summer term, four-one-day conferences will be held in different cities in the area. There will be at these conferences displays of equipment, demonstrations of the correct use of audio-visual aids, lists of films to be available for rent at Southern, and talks given by experienced workers in visual education.

### Universal Training for Students Is Not New on Southern's Campus

As the male students of Southern were asked the possibility of universal military training, they are no different from students of other colleges. The military training program was approved. Captain Spencer was assigned to Southern and was authorized to recruit a cadet corp. This group was known as the Douglas Corp, and used the fourth floor of Old Main to store their equipment.

In 1879, Capt. Thomas J. Spencer of the U S Army was asked to make a recommendation concerning military training in this school. Because of this favorable report, the plan was approved. Captain Spencer was assigned to Southern and was authorized to recruit a cadet corp. This group was known as the Douglas Corp, and used the fourth floor of Old Main to store their equipment.

At first, the training was purely voluntary and was received by the students. Gradually, it became less popular and Capt. Spencer had difficulty recruiting enough students to fill the quota. Therefore, he asked that training be made compulsory. After much discussion, the matter was referred to Robert Mason, president of the university at that time. Authority for compulsory military training was given.

After two years, Capt. Spencer was succeeded by H. Reed. In 1887, Second Lt. J. F. Bell of the Seventh Cavalry was assigned to this school. Later, he gained renown in his army career and was Major General. Finally, because of its lack of popularity, military training completely disappeared from the curriculum of the university.

Major obstacle in the task of harnessing atomic power still is the destructive effects of radiation upon men and materials.

Illinois is the most level state in the Union with the exception of Louisiana and Delaware.

Carbondale, Illinois is situated at an altitude of 416 ft.

### A message to you from the Chief of Staff

"April 6 is Army Day. It is a day which will have a special meaning for college men. More than half of you are veterans of the last war. Many of you are members of the Organized Reserve. Many others belong to the R.O.T.C. or National Guard.

"All of you are making a vital contribution toward World Peace and the security of this nation.

"The U. S. Army is the finest army in the world and the only one of its kind among the major powers. It is 100% volunteer. It is composed entirely of civilian soldiers. . . . men like yourselves who realize that a strong America is a peaceful America, and that the responsibility of making America strong rests in the hands of every American citizen.

"The U. S. Army is not a large army, as armies go. It is shouldering tasks far greater than any other army of like size has ever attempted.

"To you, on Army Day, I believe I speak for millions of Americans in offering commendation for the fine job you are doing."

Our occupation force in Japan is the smallest per capita of any modern occupation army. Our force in Europe is the smallest of the three major powers.

"But behind this Army stand you men of the Organized Reserve and the R.O.T.C. I have known many of you personally. I have been with many of you in action. I know the fine type of men you are and the realism that leads you to equip yourselves with military training.

"Further, I know the valuable service you can render the nation in time of emergency. A great deal of the success of fast mobilization and the actual winning of the war was due to the 106,000 trained Reserve Officers and the top-notch National Guard units which were available for quick action.

"To you, on Army Day, I believe I speak for millions of Americans in offering commendation for the fine job you are doing."

Recordings, which will supply the music, will be furnished by the two sponsoring houses. Dancers will notice an improvement of the dance floor this week for the floors have been waxed for the occasion.

Refreshments, consisting of cakes, candy bars, and potato chips will be sold. There will be no admission charge and all students are invited to attend.

**AUDIOMETER TESTS GIVEN TO HEALTH CLASSES**  
(continued from page 1)  
anville, Indiana. Sixty-one had had a group-audiometer test, forty-four had had a watch-tick test, and thirty-one had had a whisper test. However, nineteen had never had any kind of hearing test previous to the one given at Southern.

Perhaps one objection to the individual audiometer is the amount of time required for each student tested. About twenty-five clock hours were used for the testing of these 13 students.

You can get full details about the opportunities open to you in the Army's complete military training program at any U. S. Army and U. S. Air Force Recruiting Station.

Baptist Students Attend Revivals

Members of the Baptist Student Union were not inactive during spring vacation. Ninety-four students from the BSC went on Youth Revivals to 24 churches throughout Southern Illinois. Each team consisted of four members and included a preacher, spiritual leader, song leader, and conference leader.

A total of 570 decisions were made as a result of the week's work. There were 168 new converts, 101 baptisms, 275 rededications, 35 who dedicated their lives for special service, and two who joined the church on the promise of a letter from some other church.

The Baptist Student Union is now planning for a youth revival on Southern's campus.

Robert English Has Magazine Article Published

H. SCHOOL MUSIC CONTEST COMING TO SOUTHERN

More than 400 soloists and ensembles will be entered in the District Music Contest of the Illinois High School Association on April 3 here on the Southern Illinois University campus, according to John Mees, University High School principal.

Benningson Boon's Wash Basin Still Exists on Southern's Campus

Library Possesses 84,148 Books

A total of 84,148 books, catalogued documents, and bound periodicals are now owned by the various university libraries. The curriculum library also has 8,597 work books, college bulletins, and courses of study.

Education, English literature, and economics rank first, second, and third respectively in the number of books owned by the libraries.

The university library receives 812 magazines, 102 of which are complimentary. One hundred eighty newspapers are received, five of which are in the microfilm edition.

Approximately a hundred years ago Benningson Boon washed his hands in a stone wash basin. Today it's on our campus. It has been there for sixty years.

Where is it? Who was Benningson Boon? Well, the wash basin has been before our eyes every time we hustle by the southeast side of Old Main. Maybe we've never seen it and wondered why anyone allowed such a thing to lie around a campus.

One reason might be that none of us have ever developed our muscles sufficiently to lift it. But the real reason is that it has a history. An interesting history.

Mr. Boon was supposedly the first white baby born in Jackson county, having been born near present day Cors in 1806. He grew up at Sand Ridge and later became a deputy county sheriff, an office he held for many years. On February 5, 1858, he was given the position of post master at Grand Tower, the first to hold this office. And he served until May 31, 1867.

The exact time is not known but he made his home on the east side of Fountain Bluff, which is about one and a half miles south of Grand Tower and now called Hig Hill. About half way down the bluff was a spring. It was beside this spring that Mr. Boon's wash basin stood.

After his death, his son, Cyrus Boon, urged that the basin be sent to Southern. We know not why but a guess would be to serve his present purpose—an historical center.

NEW COURSE IN PHOTOGRAPHY OFFERED

A new course in photography has been opened at Southern Illinois University this spring, and has attracted an enrollment of 12 students. The course is taught by Robert A. Steffes acting chairman of the Journalism department, who reports that the 12 students constitute a full enrollment in view of the nature of the course and the equipment available.

Super planes for aircraft carriers have been perfected by U.S. Navy. Using jet propulsion to attain speeds in excess of 500 miles per hour, the new ship-board fighters are claimed to equal the performance of latest land based aircraft.

Wisely Florist

STUDENT CENTER IS OPENED IN GERMANY

The first International Student Rest Center in Germany has recently been opened in Muggenheim in the French zone, the World Student Service Fund Committee announced here today. Located in a former hotel in Muggenheim, the Rest Center has a capacity of forty, and is open to university students of any nation.

The Rest Center will not treat students who are seriously ill, but will care for students who are undernourished, or are likely to become seriously ill if not treated. All patients will receive at least two weeks' treatment and supplementary feeding.

General Program A general educational and cultural program will be given at the Center for students who are anxious to continue their work while under treatment. World Student Relief, International Student Service of Geneva, and the Education

Branch of the French Occupation Forces will cooperate in providing materials and personnel for the education program.

Muggenheim is the present of several Rest Centers for students supported by the World Student Service Fund. Others are Combloux, in France, Leopoldsdorf in Austria, Mona Pandeli in Greece, and Bocca di Papa in Italy.

CARE packages may be sent to students abroad through the World Student Service Fund. CARE and WSSSF cooperate in the distribution of food packages to individual students abroad, and can guarantee that each donation sent to the WSSSF and earmarked for CARE will benefit a needy student.

Extensive Files The WSSSF has more extensive files on student needs abroad than CARE and can distribute CARE packages directly through its own organization when CARE funds are sent through the WSSSF offices. A donation sent to CARE, without being routed through the WSSSF or without a specified receipt, does not necessarily go to a student. Funds earmarked for CARE and

The Egyptian

Thursday, April 1, 1948

routed through the WSSSF are not considered part of WSSSF general funds, and no administrative overhead charge is made for this service. Donations made in this manner are however credited to the WSSSF total contribution from the college making the gift.

The Campus WSSSF Committee urges this arrangement only in cases where students particularly want to send food packages to individuals abroad, pointing out that funds sent directly to the WSSSF benefit the greatest number of students abroad by permitting bulk buying of food for student canteens and messes. In cases where students or groups on the campus want to help one individual student abroad, however, and do not have a particular design of their own, a CARE donation sent through the WSSSF is the most direct and efficient method of raising the gift.

The State of Illinois ranks third in bituminous coal production.

HIGH SCHOOL AG TEACHER TO ATTEND CHICAGO MEET Alex Reed, assistant professor of vocational agriculture in University High School at Southern Illinois University here, will attend the meeting of the Illinois Vocational Association in Chicago April 1-2. Other Southern Illinois vocational agriculture instructors who will attend include Harold Korman of Du Quoin, George Cochran of Sesser and Russell Weger of Denton, Mr. Reed said.

Model CLEANERS & DYERS PHONE 79 203 West Walnut St. Carbondale, Ill.

JEFFERSON'S ROUGH DRAFT OF THE DECLARATION OF INDEPENDENCE

A Declaration by the Representatives of the UNITED STATES OF AMERICA in General Congress assembled When in the course of human events it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, separate and equal station to which the laws of nature and of nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation. We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness. That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, that whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles, and organizing its powers in such form, as to them shall

Part of the original manuscript of the Declaration of Independence, written by Thomas Jefferson. It is now on display aboard the "Freedom Train". The revision shown here included in the document finally presented to the Continental Congress.

# Trackmen Delayed in Warmup for Western

Bad weather has put a snag in early spring workouts of the S.I.U. track squad, but the 80 candidates, including 14 lettermen, are hoping for fair weather next week when they can get in condition for their track schedule which opens here April 10 in a dual meet with Western.

The weather during the past two weeks has been so inclement that the cinder men have had only three days of good practice. Despite the weather, Southern coaches have looked fairly good in their workouts and several observers say that Southern has an excellent chance to capture the I.L.A.C. track crown which they last won in 1946.

Coach Leland P. (Doc) Lingle, who is beginning his twenty-second year as track coach at Southern, is also displeased with the weather, but feels confident that a couple weeks of good weather will compensate for the time lost during the past few days.

To go along with the 14 returning lettermen, Coach Lingle will have many newcomers, including several promising freshmen who should be valuable additions to this year's squad.

Joe McLafferty and Buddy Miller are Colorado freshmen who came to Southern with impressive records. Miller and McLafferty have already established a name for themselves in college cross-country. In addition, McLafferty last year in the high school state meet copped second place in the mile run with a time of 4:27.

Four other respected freshmen, Joe Ruddle, rsmpts; James Prineas, rsmpts; Ray Palmer, distance runner; and Bill Brown, middle distance have come from last year's highly-regarded Belleville track squad.

Three new hurdlers have been added to the already powerful hurdle department. They include: Joe Hughes of West Frankfort, who was outstanding in football and basketball at Southern this year, Andy Anderson, who has won two letters from McKendree, and Jack Neal of Sparta, Ken McBride of Gonzales entered Southern at the beginning of this term and should give the squad added strength in the high jump department.

Many other good, but less publicized, track men are now going through the daily drills and may prove to be valuable to this year's cinder team.

Heading the list of returning lettermen is Captain George Belts of Marion, track middle distance runner. Helts, 21-year-old junior, specializing in the mile, 800, and 140. Leonard Burdett of Herrin is another returning letterman who has turned in good times in middle distance runs.

Three of the lettermen, Truman Hill of Benton, Quentin Stinson and Charles Mathew of Eldorado have good records in the shot put and discus.

Other lettermen and their main events are Adrian Stoeppelhor of Salem, broad jump, discus, 800, and the mile; Bob Neighbors of Belleville, pole vault; Richard Neighbors of Farm City, 440, 800, and mile; Bob Lustow of Cicero, 440, low hurdles, and broad jump; Mike Soral of Zeigler, 440; Carl Binkley of Pinhookville, 220, discus, and 100; Jim Cole of Norris City, high jump, broad jump, shot, and discus; Bill Hayes of Benton, high hurdles, broad jump, and low hurdles; and Norris Gardner of Clay City, pole vault.

Seven dual meets, in addition to the I.L.A.C. conference meet, have been scheduled for the spring season. The complete schedule, which included six home meets is as follows:

April 10—Western, here.  
April 14—Cape Girardeau, here.  
April 17—St. Louis, here.  
April 20—St. Louis, here.  
May 1—Eastern, there.  
May 7—Cape Girardeau, there.  
May 14—Washington, here.  
May 21—22—Conference meet, here.

Wednesday night the games played were Anthony Hall II vs. Tri Sigs; Tamarack vs. Delta Sigs. The outcome of these games was not known when we went to press.

Tonight Anthony Hall I will play Pi Kapp at 4:00. The tournament matches will also be staged Thursday afternoon. The trophy is a prize award and fought for by all the Houses every year, and this year will be no exception. Everyone is welcome to watch and boost his favorite team.

Spring sports will begin on April 5 with King Bop and with Hets Greaham and Miniature Bowling directed by Wilma Billington. Everyone interested in these sports may sign up on the bulletin board by the end of the week.

# Stinson and Eddie Placed on IAC GINGERSNAPS

Four members of the Southern Illinois University's IAC championship basketball team placed on the first two teams of the all-conference selections of the Illinois Intercollegiate Athletic Conference. The members of the conference and compiled by Fred Young, sports editor of a Bloomington newspaper.

Athletic Director Glenn "Abner" Martin announced earlier this week that the scoring was conducted on the "most points won, the higher the man placed on the list in order to win. Monday, however, they engaged a group of all-stars from West Frankfort, composed of players from that city who are enrolled at other universities, hoping to give a spring vacation. They were the Collegians from Beloit, Northwestern, Oklahoma A. & M. Southern, and St. Louis U. M. Carmel gave a good showing for Shoaff and certain Hughes and Eddie were not accompanied at the spirit and number that turned out to see them in their home city. The players' mouths scored at will and displayed growth floor play, defense, and sharp shooting, not witnessed before in Frankfort in a game such as this. The most frequent phrase heard by those who witnessed the fray was, "show 'em they are the King City!" Our school is, if they had been relaxed as they were Monday night, not even Louisville could have stopped them.

Preacher McBride is now enrolled here and his talents in football and track will most certainly be welcomed by the college department. His presence on the cage squad is where his value will show up. He is an excellent rebounder, a sharp shot and his ball handling will help make up for the loss of Stinson and Shoaff. He is a student of Coach A. L. "King Arthur" Trout of Centralia.

Kentucky and the Phillips 66 Oilers are favored to be in the finals in the Olympic playoffs in New York. Adolph Rupp said, after Kentucky had romped Louisville last year, that the Oilers would show the best team from Kentucky is by now, (he knew all the time), especially those in Bowling Green." (the home of Western Kentucky).

# Highlights of Prep Sports

Track is beginning to grab the prep sport spotlight, but its arch rival, basketball, still gives the cinder sport plenty of competition.

During the past few years high schools have been continually faced with the problem of whether to try to sandwich both sports into the short spring season.

All schools are forced to make a stand on the issue. A few schools, several schools in this area, have decided to not have track at all and to devote spring and fall to football.

Many small schools and several larger schools such as Harrisonville, are concentrating on track and do not have spring grid practice. Most schools, such as Benton, West Frankfort, Centralia, Murphysboro, Sikeston, and Mt. Vernon try to do both at the same time. Success varies greatly.

There is little doubt that Southern Illinois has neglected track. One of the reasons behind this neglect is the fact that many schools have either no or poor track facilities.

Money is another major reason. Since admission is charged only at the larger schools, most of the schools do not have money on track. A lack of crowd interest is another important item.

Good reasons or bad reasons, the fact remains that Southern Illinois has neglected track. This year Pinckneyville and Marion did a good job representing Southern Illinois at the state cage tournament, but at the state track meet this year, neither of the meet will probably make more points than all the schools in Southern Illinois combined.

We have talked to several coaches during the week on the subject of spring football and surprisingly enough, most of them are against it.

The South Six conference, long noted for its potent football and basketball squads, recently made a favorable move toward track (and baseball) when they decided to abolish spring football after this year. Perhaps their action will pave the way for other conferences to make similar moves in helping the Southern Illinois high schools to properly emphasize track and field events.

A few schools will open their seasons this week while many other schools will begin competition next week. The first couple of weeks will consist almost solely of dual, tripartite, and quadrangular classes. The first large meet being the Mineral Area annual track and field meet to be held at Hurst-Bush Saturday, April 17.

Baseball is also being practiced in a few high schools. Baseball-like track is not very prominent in nearby high schools, but several schools, such as Mt. Vernon, Du Quoin, Harrisburg, Marion, and Johnston City, are trying hard to gain support for America's most popular sport.

# OILERS DEFEAT KENTUCKY IN N. Y. PRE-OLYMPIC FINAL

The Phillips 66 Oilers, AAU champion of the United States, defeated the Kentucky Wildcats 63 to 49 in Madison Square Garden last night in a close game all day, in which the Oilers were sure of winning till the last ten seconds of play. Alex Groza and Ralph Beard played their most brilliant games of their careers. A win which the Oilers were sure of winning till the last ten seconds of play. Alex Groza and Ralph Beard played their most brilliant games of their careers. A win which the Oilers were sure of winning till the last ten seconds of play. Alex Groza and Ralph Beard played their most brilliant games of their careers.

The center jump will be used for the World basketball event and Bob Karlson's 7 foot frame can be put to perfection to cop the only true American sport.

Kentucky won 29 games while losing two. It had won 9 consecutive tournament games. This was the first time in 10 years that it ever accomplished by a college basketball squad, and can be proud of the fact it almost knocked off a team that is next to being professional.

# Bits and Chips

In the spring a young man's fancy turns towards love. It was love, tennis racket and clay courts—or mumble pum. Spring is the time for being out-of-doors and in athletic gear. It is true as in hand-in-hand hikes of young lovers.

The call of fresh air is as lifting and exciting to the athlete as it is to the previously mentioned romantic. The athlete's wardrobe should be in hand-in-hand hikes of young lovers. The call of fresh air is as lifting and exciting to the athlete as it is to the previously mentioned romantic.

The athletes who limber up in March are of almost innumerable variety. They run and jump and throw, swing, hit, stroke, and glide and fall. The activities vary in way. Their contortions can provide visual entertainment for everyone no matter how unaccustomed the critics' tastes may be to the type of event or game he prefers.

Before us we have the statistical pleasure of the 400 hitters, or maybe even one who has a good year creature, a 400 hitter. We also have 10 second men, 395 fielders, par-shooters, six-love net winners, and the dream of a surmountable mile. The statistics factors which play so important a part in our sport pages and sport talk are standards. They are high standards, standards which many talented athletes never reach, but they mark a star performance. And of course we are interested in the star. So to determine a star, we figure his average. It is good how well he has fulfilled the total of his own potentiality, we judge him by how well he has measured up to the standards of the best athletes. It is good or bad that athletes should be judged by the ability of the best men in their particular fields? Certainly, it is in keeping with the practice in all other fields of American life where competition demands that numerical standards be used to judge persons.

But we feel that a more healthy situation in athletics is that of individuals by their own capabilities rather than that of others. It is probably true that people thrive on competition, but we think it better if they were in competition with themselves than with other people. Under such a system, there undoubtedly would be many more persons who would win than there are of sports than at present because many persons refrain from athletic competition with others since they are sure of being beaten.

Women soldiers are not slaves from medical viewpoint. Army surgeons in this war have had hospitalization among Wacs was only slightly higher than among male personnel, not counting battle cases.

The overall picture of the team's scoring:

Individual Scoring	Pls.	Pts Per Game
Colborn	21	11.92
Eddie	27	11.29
Shoaff	263	10.52
Stinson	259	9.919
Hughes	107	4.07
Long	83	4.15
J. Goss	72	2.70

Team Scoring	Pts	Pts Per Game
Mérons	1702	65.46
Opponents	1834	51.30

Free Throws	Att.	Made	
Eddie	68	52	76.47
Shoaff	26	18	69.23
Colborn	134	82	61.19
Stinson	133	79	59.39
C. Goss	65	31	47.69
Hughes	104	57	54.8
J. Goss	92	32	34.78

Team Scoring	Pts	Pts Per Game
Mérons	1702	65.46
Opponents	1834	51.30

# Maroon Diamond Crew To Engage Arkansas Aggies At Jonesboro Sat.

Glenn "Abner" Martin Athletic Director and baseball coach, will lead the Maroon nine to Jonesboro, Ark., Saturday, to engage the Arkansas Aggies at Jonesboro Sat. The team, expected to be available this year, is Bill Blyler, Carterville. On the season's first Southern nine as they leave Benton, Blyler takes the blasting bulldog from the postside for an average well over the .400 mark. Other lettermen back are Charlie "Bull" Durham, West Frankfort, Blyler takes the blasting bulldog from the postside for an average well over the .400 mark. Other lettermen back are Charlie "Bull" Durham, West Frankfort, Blyler takes the blasting bulldog from the postside for an average well over the .400 mark.

Five lettermen are back in the stride, but the absence of four veterans of last year's campaign has knocked a great hole in the team.

Three of the Maroon-nine missing four are Vernon "Scott" Martin, Dupre, Fred Brenzel, Staunton; and George "Bonehead" Sawyer, Wood River. These boys have all had one year of experience in college clubs and are now training with them in Georgia, Arkansas and Missouri respectively; Martin with the Cards, Brenzel the Trojans and Sawyer the Yankees.

# Sports Profiles

By John Dolanorad. Almost everyone who ever has hung around the golf links to any great extent has heard of Sammy Sneed, Byron Nelson and Ben Hogan. Sam Sneed is the one who Southern is interested in this year. He holds some rather good duffers, but of course they do not compare with the Link's Big Three, but they still do okay for the caddy they are in.

The Maroon fairway boys have a candidate that has been published a great deal this season and has the honor to Ollie Shoaff, but this column is concerned with some of the fellows in the state not quite so popular.

In the conference meet last year like he went the greatest the Maroon could do nothing better than a fourth place. Still and all, that was considered reasonably well because the nervousness of the match between the Maroon and the Yankees of Bloomington won the match with a lad called Fike taking the individual scoring with a one up lead. For 30 holes, a good shot for any team. The victory marked Fike's second consecutive win in conference play. If Fife comes back again this year, and he should, he will be a good bet for the Maroon to win the state title.

The Maroon schedule for this season:

Apr. 3 Arkansas State (there).  
Apr. 10 Normal (here).  
Apr. 16-17 Western (here).  
Apr. 23 Arkansas State (here).  
May 7 Normal (there).  
May 8 Shurtleff (there).  
May 14-15 Northern (there).  
May 21 Shurtleff (here).  
May 22 Eastern (there).  
May 29 Eastern (there).  
May 31 Louisiana Tech (there).

Hampton of Northern captured second place behind Fike with a 154. The Maroon's record for college play, but Fife seems to be the one to stop, if that is possible in the five schools that will be competing. In addition, the conference activities will be held on Southern campus this year, the first time since 1942. The date is around May 22.

# Sawyer To Play Pro-Baseball

George Sawyer, captain of the Southern Maroon nine, will report to the New York Yankees farm club April 4, at Joplin, Mo. Sawyer, a Wood River boy, was expected to play a great part in this year's campaign nine. Hitting well over the .400 mark last year, Sawyer will be greatly missed in the outfield and at the plate.

In choosing pro-baseball, Sawyer forfeits his college athletic eligibility. Noted for his fine fielding during the Maroon football eleven last year, he will be hard to replace this coming season.
