Western Highlights 'Two-Bit Flick'

A western, a psychological drama and a Japanese export are on tap for moviegoers the first weekend of spring quarter.

TONIGHT THE COBWEB, a study of the inner workings of a psychiatric institution where the doctors are only a few steps ahead of their patients.

TOMORROW GUN FOR A COWARD, concerns a cattleman's struggles for existence which are complicated by the restlessness of two younger brothers.

SUNDAY GOLDEN DEMON, a top-grade Japanese film about the impact of commercialism on older ways of life.

Admission to each of the movies is 25-cents for students with activity cards, 40-cents for others.

PLANT SCIENCE SEMINAR

Dr. Frits Went, director of the Missouri Botanical Gardens, has been a visiting professor at SIU to conduct a spring term seminar in plant science.

The seminar, offered jointly on campus by the Departments of Botany and Plant Science, will be open to interested townspersons as well as graduate students.

The activities Development Center by Friday, April 8.

Shelley Berman Show Leads First Big Spring Weekend

Shelley Berman . . . From TV to Shyrock

Hundreds Of Reserved Seats Still Available For Both Shows

By Ron Jacober Managing Editor His name is Shelley Berman. He looks as if he might be a salesman. He is. But instead of neckties or women's wear, he seeks his own antea way of looking at things.

Berman, with his troupe, will present two shows tomorrow night in Shyrock Auditorium. Delta Chi fraternity, sponsor of the show, announced Wednesday that there were still several hundred good reserved seats left for both the 7:30 and 9:30 shows.

Berman is one of the most exciting comedians to come along in many years. He is currently on a tour of Midwestern universities.

When Shelley entertains, there is, first of all, a very real personal tie between him and his audience. A little guy with an almost sad, pensive air about him, he perches himself atop a tall, black stool (that audiences applaud before he even hits the stage) and begins conversing with an unseen . . .

Berman currently has two "bits" on the market and some reports have it that he is cutting another one. His albums are appropriately named "Inside Shelley Berman" and "Outside Shelley Berman."

Several years ago as a young Chicagoan, Shelley decided to become a serious actor. After some studying at the Goodman Theatre he did some stock and then crashed the television world but was immediately type-cast as a villain.

Fires Tiny Bullets

Installation Of Nuclear Machine Proposed

By Roger Masarang News Editor

A machine to fire tiny nuclear bullets against the binding forces of atoms has been proposed for installation here, it was learned last week.

The 24-feet high, 12-feet wide accelerator is used to produce controllable quantities of high-energy electrons, positive ions and neutrons.

The combined cost of the building and accelerator will be \$900,000. Annual operating costs are estimated at \$100,000.

Anthony Hall Shakes -- But Still Stands

There's dirty work afoot in Anthony Hall--woodwork, that is.

According to Vice President Charles Tenney, plaster fell Monday night from the ceiling in the Area Services Division office.

GROUP REPORTS AUDIO-VISUAL BOOSTS

Educational audio-visual programs have been given new impetus by increased federal aid and improvement of equipment.

WSIU Carries CBS Presentation On Sundays

WSIU will carry a CBS radio network presentation beginning Sunday at 7 p.m.

SIU Health Service Operates On Appointment

Because of soaring student enrollment, the Health Service will continue to operate on an appointment rather than an "first come, first served" basis.

Make Advisement Appointments

Students may make appointments for summer and fall term advisement in Old Main, ground floor, Tuesday through Friday from 8-12 a. m. and 1-3 p. m.

RIFLE CLUB THIS SATURDAY

The Student Rifle Club will be in operation this Saturday in Old Main's Rifle range.

CAUGHT YA! Spring hit Southern's campus for a few days and Sandy Keller, sophomore education major from Witt, headed for Crab Lake, Egyptian photograph.

Beer Blast Litters Beach Spring Is Here

Students from three fraternities celebrated the springlike weather in a big way Monday night at Crab Orchard Lake's Hogan Beach.

The result: a defaced recreation area, thanks to more than 100 beer cans, cartons and bottles left after a beer party.

Officials there said the Refuge has a staff adequate to clean up all the rubbish left in the vast lake area, which in addition to being an eyesore causes more than 300 injuries each year.

Applications for group leader positions during New Student Week, fall term, are available at the Student Union desk.

Council Asks Merchants To 'Open Doors'

Carbondale establishments have been requested to open their doors to all races by the SIU Student Council.

The Council approved a nine-point resolution at the last meeting before final exams last month.

The action resolved that the council--acting in behalf of the student body--would carry out the following procedures to help improve "the situation."

(1) Send a letter to all Carbondale businessmen who own businesses which could be classified as public establishments.

(2) Send a letter to community organizations which could be classified as public establishments.

(3) The first two steps would be followed with small signs in windows of those businesses which refused favorably to the request.

(4) A letter containing thoughts of the Council and published in the Egyptian and published to inform students of what is being done.

(5) The Southern Illinois University is contacted and requested to assist the law firm in a brochure and editorial page.

(6) The Housing Office would be asked to send out a questionnaire, in conjunction with the survey.

GROUP LEADERS Applications for group leader positions during New Student Week, fall term, are available at the Student Union desk.

They intend to prosecute "to the limit of the law" those engaged in "the selfish despoliation of public property" at Crab Orchard Lake.

However, he said, such action "reflects badly on all students of the University, not just the few who are involved."

Survey of housing, to attempt to take in any person--regardless of race, color or creed--so long as the person maintained certain requirements.

(7) The COCDA and Householders Assn. would be invited to work with the Council in setting up a standard which must be maintained by all, on a block by block basis.

(8) The Student Affairs Commission will gather information on any reported cases of discrimination, to be forwarded to the Human Relations Commission in Chicago, if the students cannot effectively solve the problem.

(9) A program will be worked out through the Educational Affairs Commission to train persons to meet with living units and serve as an information agency during discussions.

Signed By Hardwick The letter which was sent to Carbondale merchants, signed by Student Body President Bob Hardwick and Vice President Marshall Van Cleave, follows:

"During the past month, the Student Council, in conjunction with several other concerned groups, has been confronted with reviewing areas of discrimination in Carbondale. These groups are seriously considering a number of ways to come to a clearer understanding of this situation in order to establish better relations between all people.

"On our search for a better understanding we contacted the Human Relations Commission of the State of Illinois. Miss Aimee Isgrig, executive director, came to us informing us of what the laws are regarding discrimination in public businesses. Miss Isgrig felt that the law can be a very good

Honest Look At Advertising? Wednesday!

An "Honest Look at Advertising" will be the topic of an open forum Wednesday at 8 p. m. in the Agriculture seminar room.

Sponsored by the SIU Advertising Club, the forum will seek an objective view of advertising and its influence on today's life.

Four University professors from various fields will be featured. Each will present his views on the subject and answer questions from those present.

Editors' Opinions

Our Decree To You

When any new administration takes office, many new changes are planned; some go through some do not; some are good, some not so good.

One person said this week, "You know, when a new staff takes over, they throw everything the outgoing staff has done out the window!" We, the 1968-69 staff of the Egyptian, hope we are not guilty of this. True, there are some changes planned. Some are evident in today's paper. Others will come along in the future, some evident, others hidden.

The new staff, as has all staffs in the past, hopes to bring to the student body, faculty and staff a good newspaper; a paper filled with accurate, interesting and non-slanded news and features. There is some concern on the staff in addition to some new blood.

We would like to see the ban on autos lifted for seniors, and will work toward this goal. This is only one of several projects

planned for the next year.

The Spring quarter—possibly the most enjoyable three months of the year—is upon us, and with it comes a host of social activities. The Egyptian will attempt to cover these events, with both advance and follow-up stories.

But we can go only so far. We must have the aid of students to help gain the most in campus coverage. We promise that your letters and telephone calls will be handled with the utmost in courtesy and consideration.

And we would like to hear your opinions on all phases of our world through your letters to the editor and original writings for our "Culture Corner." The things please limit your letters to 200 words and the letters must be signed.

We hope you like our revitalized Egyptian. We would appreciate your criticism in order to give you a bigger, better, and more accurate account of Southern news.

April Fool's Day

A lot of people might be playing tricks today in commemoration of April Fool's Day, but how many actually know the history of the day for practical jokes?

According to Collins Encyclopedia, the tradition was carried down from an old custom in France of paying formal calls April 1, one week after New Year's Day, which was March 25 according to the Julian calendar. When the old calendar was replaced by the Gregorian calendar in 1562, people still made mock calls on April 1 as a joke.

Chamber's Encyclopedia states that a travesty of sending the Savior from Annas to Caiaphas and from Pilate to Herod is one reason for the reputation of April 1. It is considered the relic of some heathen Celtic festival and tricks on April 1 are universal throughout Europe.

England and Germany derived the tradition from France. A victim of a French practical joke is called an "April fish." In England, he is known as an "April fool" and in Scotland as "gawk." Also known as All Fool's Day, April 1 is explained by Encyclopedia Britannica as "in some way a relic of those once universal festivities held at the vernal equinox, which began New Year's Day—March 25—and ended April 1."

April was the second month in the Roman calendar before 153 B.C. The Romans called it Aprilis—meaning "to open"—because April is the season when the buds begin to open.

So any practical jokes pulled today will be in keeping with one of the oldest customs of the world.

Gus sez every Tuesday might not be so "blue" for AFROTC cadets in the near future.

Southern became a four-year degree-granting institution in 1967.

The first U. S. flag containing 50 stars will be unveiled July 4.

The Peeping Tom

By Joe Dill

Greetings from the hallowed walls of the Egyptian editorial office. We're here... the new, starry-eyed staff which you must face twice a week for the next year... unless the Journalism Council sees differently.

Several changes are planned; some will undoubtedly materialize, while others will fall by the wayside; some will be good, others less so. But the manner in which our readers accept the paper is what counts. We'll try to give you an interesting, attractive, accurate account of Southern exposure.

As to the merits of this column, we plan to throw a few shovels (and we hope news) items your way. We also plan to investigate the background of such things as campus regulations, the history of such things as Leap Year and try and give sidelights to campus happenings. You might be interested in the accompanying article concerning April Fool's Day.

Then too, we have the irresistible Gus Bode with us yet. It seems that the guy will never graduate. Nobody knows what he looks like, how big he is or just how smart he is. But he sure does turn in some barbed comments.

The most current event is the

Shelley Berman show tomorrow night. This guy has literally torn audiences apart on the nightclub circuit and on TV. He's appeared a couple of times on Jack Paar's moonlight show and has recorded two albums. Tickets are still on sale for the two shows, and Berman should be more than entertaining.

When spring springs in southern Illinois, it doesn't foot around. After a long, dreary winter, climaxed by more snow than one could shake a shovel at, spring came flying in Saturday. The spring quarter began Monday amid clear, blue skies and warm weather. Students returning from Florida with one-week sun tans were greeted by pale, but short-chaled students.

And with spring comes the proverbial young man's thoughts turning to romance? Speaking of romance, a professor at Southern said that college is the greatest matrimonial agency in the world. And the long list of pairings, engagements and marriages which the Egyptian carries semi-weekly seems to prove such a statement.

Enough nonsense for this trip. Have a nice weekend and we'll see you at the Berman show tomorrow night.

Campus Calendar

Berman Show Heads Weekend

Two shows by comedian Shelley Berman, the Ugly Man Dance and a Sunday concert highlight activities for the first weekend of spring quarter, April 1-2. Here is the Student Activities Development Center's calendar of events for the three days:

TODAY
GED testing: 8 a.m., Morris Library Auditorium.
Noonday Chapel: 12:30 p.m., Baptist Foundation.
Campus recreation: 1 p.m., Men's Gym.
Pi Lambda Theta: 3:30 p.m., Morris Library lounge.
Student Union bowling: 6:30 p.m., Congress Lanes.
Zeta Phi Eta party: 7 p.m., The Eaves.
Bridge night: 7 p.m., Student Union.
Movie, "The Cobweb": 6:30 p.m. and 8:30 p.m., Furr Auditorium.
Educational Affairs Commission of Student Government, lecture and discussion: 7:30 p.m., Agriculture 209.
Psychology colloquium: 8 p.m., Morris Library Auditorium.

TOMORROW
GED testing, 8 a.m., Morris Library Auditorium.
Freshman test battery make up: 8:30 a.m., Muckelroy Auditorium.

Campus recreation: 1 p.m., Men's Gym.
Coke dance: 2 p.m., Student Union.
WAA volleyball: 4 p.m., Women's Gym.
Movie, "Gun For a Coward": 6:30 and 8:30 p.m., Furr Auditorium.
Shelley Berman show: 7:30 and 9:30 p.m., Shryock Auditorium.
APO Ugly Man Dance: 8:30 p.m., Lentz Hall.

SUNDAY
Music listening and coffee hour: 2 p.m., Student Union.
Movie, "Golden Demon": 2 and 8:30 p.m., Morris Library Auditorium.
Kappa Phi Meeting: 2:45 p.m., Wesley Foundation.
Sunday concert, Presser Foundation Scholarship winners: 4 p.m., Shryock Auditorium.
Vesper: 8 p.m., Student Christian Foundation.
Unitarian Student Fellowship: 6 p.m., Unitarian Church.
Coffee hour prior to film showing: 7:30 p.m., Student Union.
Bridge playing: 8 p.m., Student Union.
"Listening in Jazz": 8 p.m., Agriculture Seminar room.

EGYPTIAN CLASSIFIED ADS

CLASSIFIED RATES
Minimum insertion 50c; allowing 15 words. Each additional word 3c, 10% discount on three insertions if cash sale. Special rates for commercial advertisers.

FOR SALE: Nice new modern 5-room house. Full basement, gas heat, 7 closets, plentiful cabinet space, Jackson Club Road, William Waller, Rt. 2, Murphysboro, Ill.

FOR RENT: Rooms for boys at the Green Barn, 3 blocks from campus at 603 1/2 S. Washington St. New house with reasonable rates, with or without meals. Phone 7-7842.

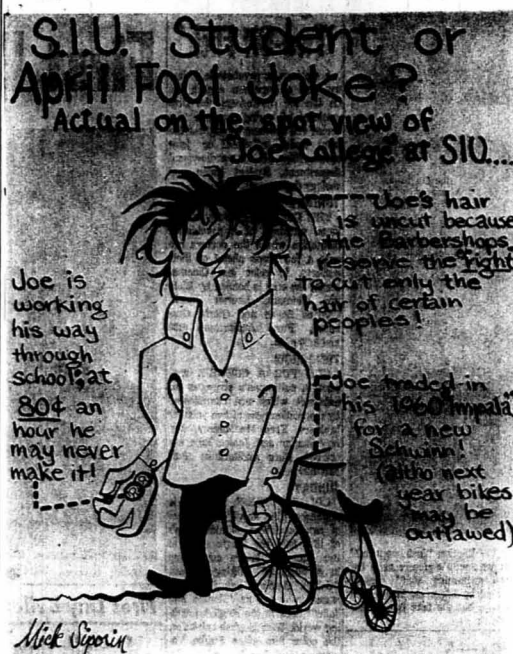

FOR RENT: Two vacancies for boys. Room and board, two blocks from compls. TV privileges, etc. Contact Miller Garrison at 7-4960.

FOR SALE: 1952 Sparanette tandem 30 foot trailer. New interior and very clean with new cover. Contact: Phone 7-2264, at 600 E. College.

WANTED: TEACHERS needed for all elementary grades. Also need high school teachers for Spanish, Math, Science, Music, English, Home Ec. Salaries \$4400 to \$7000. Positions in various Rocky Mountain and Pacific Coast States. Teachers Specialist Bureau, Boulder, Colorado.

Need Extra Money? Sure You Do— and You Can Get It By Selling Those Unused Items thru THE EGYPTIAN CLASSIFIED SECTION

Typical Student Grips

Gus thinks he pulled one on the Registrars office. It seems he thinks he's enrolled in "Beach 405" for the fourth year in a row.

Gus sez some organizations are pretty messy at their beach parties.

Gus sez some of the sun-tans which came back from Florida might not be able to get a haircut.

Gus sez he is different—his thoughts started turning to romance last week!

Gus thinks the next big name singer to be brought to campus should be Julie London.

Gus sez he could sure tell he was back in Southern Illinois this week—it rained.

Ten Recitals On Tap Next Week

Ten student musicians and composers are slated to appear in a series of recitals of their work here next week.

Winners of 1960 Presser Foundation Music Scholarships will present the first recital Sunday at 4 p.m. in Shryock Auditorium.

Donna Kratzer, Centralia, will play Mozart's "Sonata in F Major." Soprano Jane Crusius, E Paso, accompanied by Sara Al Jen of Benton, will sing selections by Mozart, Verdi, Faure, Carpentier and Beethoven.

Pianist Susan Caldwell, Carbon dale, will play Beethoven's "Sonata Opus 31 No. 32." Pianist Beverly Holmes of Sparta will perform Hindemith's "Sonata No. 2."

Six Original Works
Six original works by four graduate students of music composition will be presented Wednesday at 8:15 p.m. in the Aligned Hall choir room.

Composers and their works are Paul Narveson, Moorhead, Minn "Theme and Variations for Piano and "Figure No. 2" for two pianos.

Published semi weekly during school year excepting holidays and exam weeks by students of Southern Illinois University, Carbondale, Ill. Entered as second class matter at the Carbondale Post office under the Act of March 1979.

Policy of the Egyptian are the responsibility of student editors appointed by the Campus Journalism Council. Statements published here do not necessarily reflect the opinion of the administration or any department of the University.

Lucky Strike's Dr. Frood reveals

A Foolproof Method for Rating Your College

Dear Dr. Frood: Do you believe in the theories that Shakespeare was actually either Marlowe or Bacon?
English Major

Dear English: All rot. I have done considerable research on the subject and can prove that Marlowe was actually Bacon, and that Bacon (who was a bit of a ham) was, in reality, Marlowe, and that Shakespeare, an itinerant grape squeezer who could neither read nor write, was, in fact, Queen Elizabeth!

Dear Dr. Frood: Whenever I am with girls, I stutter. Frankly, I think it is because my parents never told me about the birds and the bees. What can I do?
A. W. Sticks

Dear Dr. Frood: Whenever I put r Lucky down, my roommate picks it up and finishes it. How can I stop him?
Pur Up

Dear Pur: Light both ends.

Dear Dr. Frood: I am just a little worried about exams. I have not attended any classes this semester. I have done any reading, either. I must be Aiken for the polo matches until the before exams and, of course, will be unable to study. Any suggestions?
Buz

Dear Dr. Frood: I have a very serious personal problem. I am secretly engaged to three students here. Just between you and me, however, they are all fools. I really love a certain Professor Bowdley, who is married. What should I do? Needless to say, this letter is not for publication.
Millicent Tweedley

Dear A. W.: You had better read some books on the subject. I especially recommend Mildred Twiddle's "The Bees Are Your Friends," and Agnes Moffet's "Songs in the Trestle."

Dear Dr. Frood: Is there any accepted method for determining the academic ratings of American universities and colleges?
I. V. Leeger

Dear I. V.: Of course. Simply take the total number of graduates and divide by money.

Dear Buzzy: Do you think professors hearts are made of stone? Just tell the what you told me. I am sure they understand, and if they don't excuse y altogether from exams, they certainly will arrange some nice little oral quiz y c take at your leisure later on in the summer.

COLLEGE STUDENTS SMOKE MORE LUCKIES THAN ANY OTHER REGULAR!

When it comes to choosing their regular smoke, college students head right for fine tobacco. Result: Lucky Strike tops every other regular sold. Lucky's taste beats all the rest because L.S./M.F.T.—Lucky Strike means fine tobacco.

SIU Press Wins Awards

Five books published by the SIU Press won awards in the Chicago Regional Book Show last week.

Receiving awards from a field of over 300 entries from about 50 publishers were: "Benjamin West and the Taste of His Times" by Grosse Evans; "The Ordeal of Southern Illinois University" by George Kimball Plochmann; "University Portraits: Nine Paintings by Carolyn Gassan Plochmann"; "A James Joyce Miscellany" edited by Marvin Magalaner; "Walt Whitman: An 1855-56 Whitman Notebook" with contributing notes

AHMAD JAMAL
The pulsating rhythms of Ahmad Jamal and his jazz trio will fill Shroyck Auditorium April 30 in the concluding event of Greek Week. Jamal skyrocketed to popularity as the nation's best selling jazz pianist with such albums as "But Not For Me," "Count 'Em," "Music Music Music" and others.

by Harek V. Blodgett, William White and Charles E. Feinburg. Vernon Sternberg, director of the University Press, said the criteria used in determining winners was techniques of design and production, rather than book content.

Illinois harbors handle more water-borne traffic annually than the Panama Canal.

With Events

Spring Term Loaded

Opening one of the busiest terms of the year, spring quarter is about a whirlwind of activities for students and staff. The next three months are filled with everything from appearances by Shelley Berman and Ahmad Jamal to the second annual Outdoor Living Show and the Miss Southern Contest. Here is a rundown of some of the term's highlights:

SHELLY-BERMAN SHOW

Comedian Shelley Berman will appear tomorrow night for two laugh-packed shows in Shroyck Auditorium. Sponsored by Delta Chi fraternity, Berman has delighted audiences with his special brand of humor in relating the more humorous aspects of life.

NICHOLAS SLOMINSKY

"A Thing or Two About Music" by Nicholas Slonimsky at Freshman Convocation April 7. Slonimsky has the knack of communicating his musical ideas in an entertaining manner at and away from the piano keyboard.

THE SILVER WHISTLE

The Southern Players will present

Robert McEnroe's comedy of the year, "A vagrant who enters an old folks home under false pretenses April 8-10 and 12-16. Charles W. Zoedler will direct the play, which has a cast of 20 including five double castings.

PAN AMERICAN FESTIVAL

The seventh annual Pan American Festival will discuss Ecuador April 10-16. Sponsored by the Latin American Institute, the event's functions will include lectures by visiting professors and exhibits depicting the people, music, arts and crafts of Ecuador.

GREEK WEEK

Greek men and women will celebrate the 12th annual Greek Week April 23-30. Activities for the week include the Greek Sing, serenade, beer garden, chariot race, track meet, dance, picnic and stage show.

OUTDOOR LIVING SHOW

The second annual Outdoor Living Show will be held on campus June 3-4. Featured will be exhibits golf, boating, camping and other things used in "Outdoor living."

RAMON HERNANDEZ

Master guitarist Ramon Hernandez will give a performance of the three guitar styles—classical, Flamenco and folk music—at Freshman Convocation April 29 in Shroyck Auditorium. Hernandez has done much to establish the guitar as a beautiful musical instrument rather than just a lone-some cowboy's prop.

SCHOLASTIC HONORS DAY

The high grade point finally has its day! Students outstanding scholastically will be honored on Thursday, May 19.

Three Chemists Awarded Grants

Three analytical chemists at SIU were awarded grants last month.

Drs. Robert Van Atta and Douglas Sellers received a \$11,400 National Science Foundation grant to study amine reactions, a field that so far has been mostly theoretical.

Asst. Prof. Boris Musulin was awarded \$6,000 from the Petroleum Research Fund for a year-study of "Binary Solutions Containing a Nitroparaffin."

'Academic'

Although studies made by Van Atta and Sellers will be mainly "academic," a practical value will be in arriving at definite constants for some compounds that decompose rapidly in use. Some of these are used in industry and medical research.

During the two-year study, Van Atta and Sellers hope to develop ways of identifying and measuring some 48 different compounds formed in the chemical reactions between amines and various aldehydes or ketones.

"The study may also upset previous theories about the mechanism of the reaction itself," Van Atta said.

Musulin, recipient of the American Chemical Society's Petroleum Research Fund, has pursued other studies involving chemical bonds, aluminum isopropylate and electrochemical measurement under grants from the Chattanooga Medical Co., the Research Corp., and SIU's Special Research budget.

Tomorrow Night

Ugliest 'Monster' Named

The "ugliest man on the campus" will be revealed tomorrow night at the first UMOG dance, held at Lentz Hall.

Glen Daum and his orchestra will supply music for what he contest chairman promised will be "one of the craziest, best dances the campus will ever see." Starting time is 9:00 p. m.

"He" (or "It") will be presented a trophy during the evening at a special ceremony.

Fanny-A-Val's voting to determine the winning monster resumed Monday at the Student Union and the Point and will continue through today. Votes are pennies and stuffing the ballot jars is perfectly legal, since contest proceeds will be given to the winner's favorite charity at the dance.

Photos of the seven finalists are on display at the Student Union. They are noted for bulbous eyes, fiendish countenances, scars and other appalling features. A "werewolf" was eliminated earlier.

Alpha Phi Omega, sponsoring fraternity, said the seven finalists and charities are: Jim Conaway, Muscular Dystrophy; Clarence Deuty, March of Dimes; Bob Lorinskas, Cancer; Richard Reagan, Campus Chest; Ed Withers, Muscular Dystrophy and Seeing Eye Dog; Val Biggers, C.R.O.P.; and John Bigando, Campus Chest.

Admission to the UMOG dance is \$1.25 a couple.

WSIU ACCEPTING STAFF APPLICATIONS

Radio Station WSIU is now accepting auditions for staff announcers.

Persons interested in applying should contact Phil Hubbard at the Radio-TV department and make an appointment.

Applications for graduation should be turned in by May 25. Graduate students should complete two forms, one for the Graduate School and one for the Registrar. The forms are available at both the Graduate School and the Registrar's Office. The \$17 graduation fee does not apply to students attending under the State Military Scholarship or Public Law 894.

Candidates for the Master of Science in Education degree must submit a research paper in lieu of a thesis. It must be turned in to the Graduate Office by June 1, but it is recommended that the paper be submitted earlier in case changes must be made. Footnotes and bibliography should follow the procedure outlined in the Turabian Manual unless permission to do otherwise is obtained.

All other degree candidates (M. A. M.F.A. and M.S.) should hand in two finished, approved copies of their thesis to the Graduate School by June 1. The thesis should be presented unbound in a stationery box. Non-smear carbon paper should be used. The original copy should be typed on twenty pound thesis paper and the carbon copy on sixteen pound thesis paper.

Students should order their caps and gowns at the University Store when applying for graduation. Those who are not now on campus may write to the store giving their height, weight, head size, and the name of the degree to be conferred. Caps and gowns can be picked up Monday through commencement day and must be returned following the program. Attendance is compulsory except for those who receive advance approval by the Graduate Dean to be graduated in absentia.

'Gay Nineties' Set As Festival Theme

The "Gay Nineties" will be reproduced during the 1960 Spring Festival, set for May 13-15.

Events slated for the biggest weekend of the spring term include the Miss Southern Contest, Midway, a play "Die Fledermaus" in the Spring Festival Dance, Mother's Day Picnic and a band concert.

Presentation of an award to the most popular faculty member at Freshman Convocation May 12 will start the activities.

Awards to the winner and finalists in the Miss Southern Contest will be presented by President Morris on Woody Hall patio Saturday night. The "Cooney Island" theme of the Midway will be carried out in game booths, short plays and rides.

The Bob Sisco band will furnish music for the Spring Festival Dance May 14 in Lentz Hall.

Mother's Day activities at Campus Lake May 15 will feature a band concert from a floating platform, picnic and recreation.

This year three prizes will be awarded in each of three divisions—shows, game booths and displays. Trophies will be given to first and second place winners in each division and plaques to third place winners.

A 25-inch "grand champion" trophy, the winner of which will be ineligible for other awards, will be awarded prior to judging for the other trophies.

Judy Hunsaker is chairman of this year's Festival and Dave Lockrose is vice chairman.

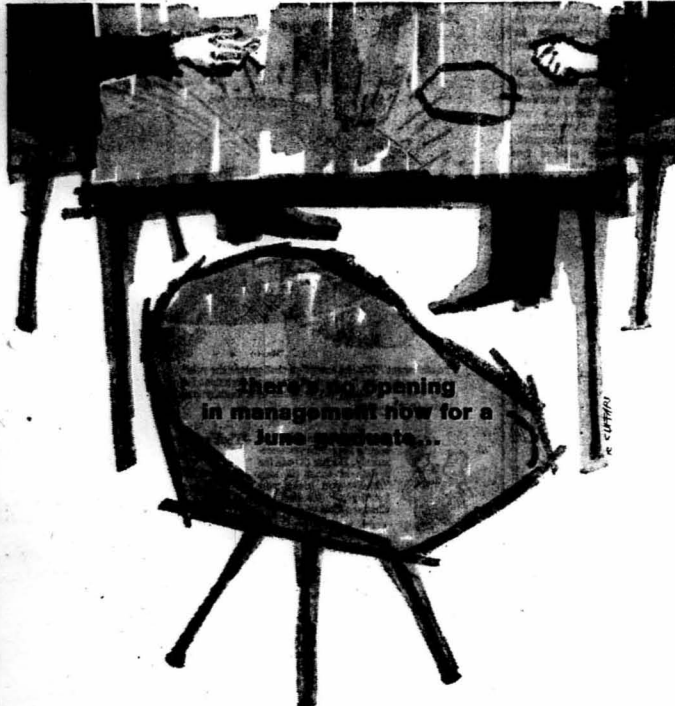

SPRING LEADERSHIP CAMP

Top SIU students gather together on the weekend of May 6-7 to discuss problems and programs on the campus. The campus leaders will attempt to find ways of improving student life.

SPRING FESTIVAL

With a theme of "Gay Nineties" the 1960 Spring Festival is set for the weekend of May 13-15. Highlighted are the annual Miss Southern contest, Midway, a play "Die Fledermaus," Spring Festival Dance, Mother's Day Picnic and band concert.

Saluki Gymnasts Take IAC Title; Finish Seventh At NCAA Meet

By Joe Gagie
Sports Editor

Southern's gymnasts succeed in defending the IAC title March 12, and repeated as seventh place finishers in the NCAA gymnastic championships, March 19.

Coach Bill Meade's squad took all nine firsts and seven seconds as seven of the Salukis guarded their 1959 IAC crowns. Three of Southern's gymnasts were individual champions in more than one event.

Len Kalakian won the free exercise and trampoline titles, while Ed Foster took the flying rings and still rings, and Taylor capped the high bar and all-around awards.

SJU scored 233 points to second place Western Illinois' distant 109 points. The next four places, with total points, went to Eastern Illinois 66, host Central Michigan 54.5, Illinois State Normal 51.5, and Eastern Michigan 8. Northern Illinois did not enter the meet.

Western's Orville Thompson and Ron Anderson captured the first and second places in the trampoline and side horse respectively to spoil Southern's first and second place dominance.

Other first place winners for the Salukis were Bob Kies on the side horse, Fred Tijerina on the parallel bars, and Jack Wiley in the tumbling competition. Kalakian was the defending champion in tumbling.

"I was quite pleased with the way my boys performed," stated Meade when referring to SJU's seventh place finish in the NCAA championships at University Park, Pa., the home of the 1959 and 1960 champs Penn State.

Southern's seventh place finish duplicated last year's performance. Meade pointed out that Southern California, who finished second, and UCLA, who trailed the Salukis by one half point were not eligible due to the NCAA football ban. This indicates an improvement over last year because Southern held their position in the final standings.

Bob Kies, Saluki side horse specialist, slipped during his performance.

IAC 1st Team

Vaughn MVP Record Setter; Hepler To Captain '60 Team

Charlie Vaughn, Southern's basketball star, has been voted the most valuable player award for the Salukis and for the Interstate Conference for the 1959-60 season.

The IAC selection was made by the head basketball coaches at the seven member universities. Vaughn succeeds Grady McColum of Western Illinois as the conference choice for MVP.

Members of Coach Harry Galatin's varsity basketball squad made Charlie their choice for MVP and Dan Hepler the next year's captain.

Hepler, a 6-4 forward, was named to the All-Interstate Conference first team along with Vaughn.

Hepler finished second to Vaughn in SJU scoring and rebounding, 271 rebounds.

Hepler succeeds Dick Ruggles as team leader. Ruggles, a senior from Quincy, Miss.

Charlie set nine records himself and was named to seven all-star teams (besides winning the IAC and SIU MVP award and the Sportsmanship Award at the All-American Tournament at Owensboro, Ky.) to help Southern compile a 20-9 record, share the Interstate Conference title with Western Illinois at the NAIA national tournament in Kansas City.

Vaughn's efforts also triggered the Salukis to establish eight new team marks over the course of the year.

Single game records broken by Vaughn this season were: Field Goals Attempted: 38 vs. Tennessee A. & I. Old record 30 by Vaughn vs. Ft. Leonard Wood, 1958-59.

Free Throws Attempted: 18 vs. Belmont Abbey, Old Record 16 by Vaughn vs. Indiana State, 1958-59.

Free Throws Scored: 15 vs. Belmont Abbey. Old record 14 by Seymour Bryson vs. Northern Illinois, 1958-59.

Most Points: 43 vs. Tennessee A&I. Old record 40 by Seymour Bryson vs. Rockhurst, 1958-59.

New season records chalked up by Charlie were:

Field Goals Attempted: 706. Old record 522 by Vaughn, 1958-59.

Field Goals Scored: 301. Old record 259 by Vaughn, 1958-59.

Free Throws Attempted: 245. Old record 219 by Seymour Bryson, 1958-59.

Free Throws Scored: 177. Old record 153 by Seymour Bryson, 1958-59.

Most Points: 779. Old record 620 by Vaughn, 1958-59.

All-star selections that included Vaughn are: All-IAC, first team; All-NAIA District 20 (Illinois) first team; UPI All-American, honorable mention; UPI Little All-American, second team; All-Tourney, Quincy Holiday Tournament, first team; All-Tourney, All-American City Tournament, Owensboro, Ky., first team, and "Who's Who in Small College Basketball for 1959-60" all-star selections.

Besides leading the Salukis in scoring, Vaughn's 779 points also placed him in the NAIA District 20, and he led the IAC with 309 points in 12 games for a 28.8 average. His overall season average for 29 games was 26.9. His two-year total of 1,389 points is only 136 away from Seymour Bryson's four-year record of 1,525.

All in all it was an outstanding year for the 19-year-old Vaughn, and it was crowned with the selection as most valuable by his teammates.

Members of Coach Harry Galatin's varsity basketball squad made Charlie their choice for MVP and Dan Hepler the next year's captain.

Hepler, a 6-4 forward, was named to the All-Interstate Conference first team along with Vaughn.

Hepler finished second to Vaughn in SJU scoring and rebounding, 271 rebounds.

Hepler succeeds Dick Ruggles as team leader. Ruggles, a senior from Quincy, Miss.

Charlie set nine records himself and was named to seven all-star teams (besides winning the IAC and SIU MVP award and the Sportsmanship Award at the All-American Tournament at Owensboro, Ky.) to help Southern compile a 20-9 record, share the Interstate Conference title with Western Illinois at the NAIA national tournament in Kansas City.

Vaughn's efforts also triggered the Salukis to establish eight new team marks over the course of the year.

Single game records broken by Vaughn this season were: Field Goals Attempted: 38 vs. Tennessee A. & I. Old record 30 by Vaughn vs. Ft. Leonard Wood, 1958-59.

Free Throws Attempted: 18 vs. Belmont Abbey, Old Record 16 by Vaughn vs. Indiana State, 1958-59.

Free Throws Scored: 15 vs. Belmont Abbey. Old record 14 by Seymour Bryson vs. Northern Illinois, 1958-59.

Most Points: 43 vs. Tennessee A&I. Old record 40 by Seymour Bryson vs. Rockhurst, 1958-59.

New season records chalked up by Charlie were:

Field Goals Attempted: 706. Old record 522 by Vaughn, 1958-59.

Field Goals Scored: 301. Old record 259 by Vaughn, 1958-59.

Free Throws Attempted: 245. Old record 219 by Seymour Bryson, 1958-59.

Free Throws Scored: 177. Old record 153 by Seymour Bryson, 1958-59.

Most Points: 779. Old record 620 by Vaughn, 1958-59.

All-star selections that included Vaughn are: All-IAC, first team; All-NAIA District 20 (Illinois) first team; UPI All-American, honorable mention; UPI Little All-American, second team; All-Tourney, Quincy Holiday Tournament, first team; All-Tourney, All-American City Tournament, Owensboro, Ky., first team, and "Who's Who in Small College Basketball for 1959-60" all-star selections.

Besides leading the Salukis in scoring, Vaughn's 779 points also placed him in the NAIA District 20, and he led the IAC with 309 points in 12 games for a 28.8 average. His overall season average for 29 games was 26.9. His two-year total of 1,389 points is only 136 away from Seymour Bryson's four-year record of 1,525.

All in all it was an outstanding year for the 19-year-old Vaughn, and it was crowned with the selection as most valuable by his teammates.

TEAMMATES?

Charlie Vaughn, Southern's sensational sophomore, left, is shown here talking to Marshall's George Wilson, 6-

7 center, was the main reason for the Chicago team's two high school state titles in 1958 and this year.

Netters Open Today At Vanderbilt

Coach Dick LeFevre's tennis squad open regular season play today against Vanderbilt University at Nashville, Tenn. The Salukis will be attempting to duplicate last year's 5-4 win over Vanderbilt, when the No. 1 and No. 2 singles matches were lost to a tough VU squad.

While most of SIU's students were complaining about the recent 'snow', the Salukis were preparing for the impending season. They were "warming-up" in the Men's gym from 5:30 a.m. to 8:00 a.m.

Playing outdoors for the first time this year, Southern's netters blanked the University of Alabama 9-0 in their first match on the spring practice tour of the South. They finished the tour with an overall mark of six wins and two losses.

"Florida has three nationally ranked sophomores who are fine players; we just had an off-day against Florida State," said LeFevre. He asked about the 2-7 loss to Florida and the 4-5 loss to Florida State.

Victories over Alabama, Pensacola Naval Air Station, Minnesota,

TOMORROW
Baseball—at Southeast Missouri
Golf—Quincy College at W. Frankfort Country Club 8:00 a.m.

Swimming—at National AAU Meet, Yale University.

Mississippi Southern, Georgia and Tennessee improved the 4-3 mark of last year's southern tour. Among the six wins was a 6-3 victory over Georgia, which avenged last season's setback.

On the tour, Capt. Ron Underwood turned in the most impressive individual performance for the Salukis with 7-1 mark against opposition.

Southern was strongest in doubles competition, with three undefeated combinations going undefeated; Dick King-Domenech won seven, Budzek-B. Sprengelmeyer took six matches, and Domenech-B. Sprengelmeyer notched two wins. Roy Sprengelmeyer-Underwood lost only two of eight matches.

Wilkinson's Wrestlers 2nd At NAIA; Bledsoe Scores In NCAA

Jim Bledsoe, 123 pound junior wrestler, scored the only Saluki points in the NCAA meet at Coliseum Park, Md. March 24-26, as he won three matches for three points.

He lost in the semi-finals to Dave Auble of Cornell 2-3 who went on to win the outstanding wrestler of the meet. Auble is a top Olympic prospect.

Bledsoe defeated Bob Bingham of Utah University, Roy Gates of the University of Iowa and Tom Tison of Colorado Mines University. Bingham beat Bledsoe last year.

Jim lost only three of 20 matches this year and the matches he lost were to boys who finished first, second, and fourth in the NCAA title.

After losing in the national meet, he was to wrestle down and Bledsoe dropped a 2-2 decision to Tony Macias of Colorado University.

Bledsoe's finish was the farthest any SIU wrestler had gone in the meet since 1954 when Bob Whelan went the same distance.

Southern finished second in the NAIA meet at Lock Haven, Pa. for the second straight year. Bloomsburg State College finished with 77 points compared to the Salukis' 73 points.

Bloomsburg took two firsts, two seconds, five thirds and one fourth compared to Jim Wilkinson's

grapplers three firsts, three seconds and one third.

Ken Moore, Houston Antwine and Bledsoe captured the firsts for SIU while Jack Crider, Ed Lewis and Ken Houston took second places and Roger Clapp finished third.

Coach Wilkinson's wrestlers finished first in the Wheaton Invitational and the IAC meet. Southern had 11 place winners in the Illinois Invitational. The grapplers finished the season with six wins, one loss and one tie. The only loss was to NCAA wrestling champion Oklahoma State University and the draw was to Northwestern University.

Wilkinson was real proud of Moore and Houston because of their high finish in the NAIA because they are only freshmen. He believes both boys are potential NCAA champs. Both boys were high school state wrestling champions.

REPORTERS WANTED
The Egyptian still needs at least three additional reporters to fill vacancies created by the loss of staff members. Any student, regardless of major field or past experience, may become a staff reporter. Application should be made at the Egyptian office in the journalism barracks.

Campus Lake Opens

Campus Lake will open Monday for fishing and boating, according to an announcement by the Office of Student Affairs.

Ten canoes and five rowboats will be available to students for 50-cents an hour. The cost to faculty and staff members will be \$1 an hour.

Boating hours are 3-5 p.m. weekdays, except Thursday, which is 4-6 p.m. Saturday hours are 10 a.m. to noon and 1-5 p.m. Sunday hours are 1-5 p.m.

The lake has been stocked with bass and fishing will be open to students, faculty and staff members. Children may fish or use other facilities when accompanied by parents. All persons over 16 years of age must have a state fishing license.

Numerous tables for picnic use are scattered through the recreation area and may be used at any time. Five special picnic areas must first be reserved through the Activities Office.

GOLDE'S STORE FOR MEN

Casey's Swimmers Swamp NAlA Meet; Rumpel Places In NCAA; On To AAU

SIU, competing for the first time since 1967, walked off with the fourth annual NAlA National Swimming and Diving Championship held at Ball State College March 17-18.

Coached by Ralph Casey, Southern won both relays, nine of 14 individual events and established a record of 1 new records in final events. The Salukis had balance-plus, scoring two men in the top six in 12 of the 14 individual events, including three men in four events.

Southern piled up a total of 150 1/2 points, far out in front of North Central College's 87 1/2, defending champion East Carolina's 55 and Detroit Institute of Technology's 44.

Other scores in the meet were: Slippery Rock State Teachers College 13 1/2; Ball State 12; Kent State 12; Tennessee A&I 5; Kansas State of Emporia 4; Wisconsin State of LaCrosse 4; Gustavus Adolphus 3; Morehouse College 3; Kansas State of Pittsburg 2; and Augustana 1. Earlham College and Howard University failed to score, and Hamlin University altered the meet but did not appear.

All in all, there were 50 NAlA and all State pool records re-established during the two-day meet, most of them "shattering" variety. Included in the 50 were tanks set in preliminaries.

Southern swam four swimmers who scored doubles in the meet, and all four men accounted for new meet and pool records. Walt Rodgers, 18-year-old sophomore from Landover Hills, Md., won the 1500 meter free style and the 200-yard individual medley in times of 18:16.5 and 1:41.1.

Bert Rumpel, 26-year-old junior from Schweinfurt, Germany led captain of the squad, easily won the 100 and 200-yard breaststroke events; Ray Padovan, 18, freshman from North Miami, Fla., won the 50 and 100-yard freestyles; and Ron Ballatore, 19, sophomore from Chicago, Ill.,

copped the 200- and 100-yard backstroke races.

Rodgers, in addition to his victories, placed third in the 400 yard freestyle while the other three men were members of winning and record - setting relay foursomes. Rumpel and Ballatore swam on the 400-yard medley relay team while Padovan was anchorman on the 400-yard freestyle relay quartet.

Paul Wachendorfer, another Saluki, won and set a record in the 100-yard butterfly. Wachendorfer is 22 and a junior from Rome, Italy.

Only three men managed to wrest titles away from the powerful Southern swimmers. Richard Blick, North Carolina, and Bob Kinney, East Carolina, did it and scored doubles. Ernie Altz, also of North Central, won a single event.

Blick eased to victories in the 200- and 400-yard freestyles, events he won in 1959, but he was forced to take second to Padovan in the 100, another event Blick had won last year.

Kinney easily outclassed a good field of divers in the one and three meter competition. He scored 322.5 points in the one meter and then soared to 420 in three meter diving. His three meter total exceeds what had previously been the high score in the event 404.3, but it is not considered a record.

Altz, who won two events last year, finished on top only in the 200-yard butterfly this trip. His 2:14.6 timing was a new record, however, bettering his own former mark of 2:18.9.

It was Southern's first trip to the NAlA swimming championships in four years; the last SIU competed, the event was held here, East Carolina won the meet and the Salukis were seen today and tomorrow, Coach Casey's swimmers vie for national honors at the National AAU championships at Yale University.

Concerning The Outdoors

By Larry Mayr

Perhaps the first catch of fish at Campus Lake since the calendar beginning of spring was made Monday afternoon. Mike Pfaff was still flinging a small Abu-Reflex spinning lure as a trio of us left the lake Monday afternoon without getting a strike. Pfaff had caught and released six small bass during the period while he casted from the shoreline.

The water in Campus Lake is a bit murky yet, but should become clearer as the term progresses. A veteran angler from the Thompson Point area reports the lake's water temperature is about 50, which is several degrees below what the experts consider ideal for catching largemouth bass.

Lures and Spoons Bright-colored lures and shiny spoons and spinners will likely produce the most bass if fished deep. Generally, the deeper one fishes, the more in the season, the more chance he has to catch big ones. An exception to this rule may occur during the hottest time of the day when big bass often seek the warmer shallows.

One mistake many anglers make during early spring is to fish at the wrong times of the day. They fish early in the morning and late in the evening—the times which are usually the most productive during the hot summer months. During cooler weather, however, the time when fish are more active is an exact reverse of the summer season. You'll have more chance hitting the best time—when fish are feeding—if during cooler weather, you're fishing when the mercury soars to its highest point.

Most fishermen will agree that using underwater lures is not an easy method to learn. Even several of the better fishermen in an area catch a small percentage of fish on underwater artificials. Retrieving an underwater lure is not nearly as simple as cranking in a surface plug like Fred Arbogast's famous Jitterbug or one of the imitation frog and mouse lures. A surface bait allows the angler to see where it is and how it is performing in addition to watching the fish strike; and these are tremendous advantages.

Volleyball, Softball Rosters Due

Intramural volleyball starts April 6; rosters are due on April 4. The minimum amount of players per roster is eight. All managers are to meet at 7:30 p.m. April 4, in the intramural office.

Rosters, minimum of 12 players, for intramural softball will be due April 7 at 7:30 p.m. Softball play starts April 11.

SIU is now the second largest institution of higher education in the state and ranks 41st in the nation in terms of full-time student enrollment.

Between February, 1958, and January, 1960, the SIU faculty sent flowers and memorials to 39 funerals, at a total cost of \$1,223.95.

Baseball Team Needs Winning Combination

Southern opens its 1960 regular baseball season tomorrow at Cape Girardeau, Mo., against Southeast Missouri, after winning only twice in eight games on its Spring tour. Baseball coach Glenn "Abe" Martin named Larry Tucker as his starting pitcher for the non-conference game.

The Salukis handed Southeastern Louisiana University two set backs 8-2 and 10-2. Southern lost to Loyola University three times, Nicholls State twice and Louisiana once.

Bob Hardcastle, Rich Jones and Paul Capalonne, all infielders, each had two hits for the Salukis, who had no extra base hits among their 10 singles in their 8-2 assault.

Duke Sutton turned in a creditable pitching performance as he gave up only two hits in five scoreless innings and issued no base on balls or strikeouts. Gary Williams pitched the last four frames, allowing two runs, four hits. He fanned five and walked two.

Jerry Marting led the 10-2 Saluki win collecting three hits in five trips to the plate including a double and home run.

Southern collected 14 base knocks to account for the 10 runs. Bob Martin, Ichy Jones, Duke Sutton and Rocky Bridges had two hits each.

Roger McKnight started for Martin's team and gave up five hits in five innings. Jim Woods and allowed only two hits and no scores. Larry Harris and Larry Tucker.

Martin is hoping for some more sunshine so he can find out how much hitting power the Salukis will have compared to last year's hard-hitting nine.

MARTIN MEN

Southern opens its baseball season tomorrow at South-east Missouri. Coach Glenn "Abe" Martin, left, pins his hopes for a good season on his

veteran pitchers, left to right front row, Charles "Duke" Sutton, and Harry Gurley; back row, Jim Woods, Roger McKnight, and Larry Tucker. The

five hurlers accounted for 26 of SIU's 27 wins last year and were tagged for seven of the nine losses. (Information Service Photo)

Patton shared the catching duties. The veteran Saluki coach named the following starting lineup for tomorrow's contest: second base — Rich Jones; left field — Burda; shortstop, Marling; third base, Bob Hardcastle; left field, Captain "Rocky" Bridges; right field, Dave Leonard; first base, Ron Schaeffer; catcher Larry Harris or Larry Patton and pitcher, Tucker.

Martin is hoping for some more sunshine so he can find out how much hitting power the Salukis will have compared to last year's hard-hitting nine.

Jerry Thomas a junior from Springfield. Freshmen Roy Lee Gish and Eugene Carello from Paducah, Ky. and West Frankfort respectively are also being counted on by Holder for help in the 1960 campaign.

An addition to the 1960 schedule is a match with Cape Girardeau tentatively scheduled for the second week in May.

Today's match is at the West Frankfort Country Club, starting at 1:00 p.m. Tomorrow's play starts at eight o'clock in the morning.

Ecuador To Be Featured

Ecuador—land of petroleum, Andes, steaming jungles, coffee, Jacaro and Panama hats—will be the country featured in the seventh annual Pan American Festival here April 11-16.

Sponsored by the Latin American Institute, the events will include lectures, movies, discussions recorded Peruvian music and exhibits depicting the life, art and crafts of Ecuador.

An illustrated lecture on the Andean countries by Dr. G. Carl Wiegand will start the week-long festival on April 11.

Key discussions will be led by visiting lecturer in anthropology Pedro Armillas, University of Michigan, and Dr. R. E. Crist, department of geography, University of Florida. Armillas will also address freshmen at convocation April 14 on "Ecuador: The Land and the People."

Each year a different Latin American country is selected for discussion by the Institute to further the belief that "better under-

standing of our national problems and aspirations" can best be achieved "through better knowledge among neighbors."

In recent years Brazil, Venezuela, Peru and Mexico were given individual emphasis.

All functions during the week will be open to the public without charge.

NIGHT COURSES FOR TRUCKING FIRMS

Two non-credit adult night courses designed for owners, employees and employees of motor fleets, industries with trucking facilities and traffic employees have been announced by SIU's Division of Technical and Adult Education.

The courses will be held at Southern Branch in cooperation with the Motor Fleet Training Committee.

Though so thick that it resembles armor plated, a rhinoceros' hide will bleed when slightly scratched.

MAVERICK ON WHEELS

SIU bicycle riders (and the few owners of autos left) will have to be on their guard against this new "machine" of the

Campus Police. The Police now have two cars and this motorcycle to cover the ever-growing campus.

Long Romance

Love Conquers All

By Byung Inn Lee
Of 235 foreign students from 41 countries now enrolled at SIU, only 14 are married.
Mr. and Mrs. Kim Young Gul, from Seoul, Korea, are the most recently married couple among the foreign students on campus. Why are so few of the foreign students married? Mrs. Kim, in recalling some of their early marriage difficulties, thinks she may have the answer.

"It was a romance that lasted 10 years," Mrs. Kim smiled, "before we came to marriage."

They began to date in junior high school. But:

"Our dating then was as difficult as crossing a slightly frozen river," she said.

At the height of their courtship, Kim had to leave his girl to begin three years of study in Manila, Philippines. Then one summer they met again and decided to come to America together after Kim's graduation. They met again in the United States last spring—after five years of separation.

But even though they were in

the same country at last, it wasn't easy for them to be together. For one thing, Kim was going to SIU—and she was attending school in Texas.

Well, there seemed only one thing to do—one of them would have to transfer. Mrs. Kim did, and now they both attend SIU.

Still there were problems. Neither friends or faculty encouraged the marriage. That marriage might interrupt their studies was a common reason offered to postpone the match. Their unstable financial status was another.

"I was afraid of marriage at first, too," Mrs. Kim confessed. Finally Mr. and Mrs. Kim decided their love for each other

was more important than any argument—and more powerful than any obstacle. They were married during the past Christmas vacation.

"How much you love each other is the key" to successful marriage, Mrs. Kim emphasized.

How did marriage affect their studies and finances?
Not only did Kim's studying time increase, but laundry and other expenses decreased.

Solving their difficulties at last, "We are really enjoying our stay at Southern now—as students, and as a happily married couple," Mrs. Kim said.

She is a junior home economics major. Kim, 24, is a graduate student in economics.

Science Fair Opens Tomorrow

Close to 300 exhibits, ranging from aeronautics to zoology, are expected at the annual Southern District Science Fair here tomorrow. An estimated 500 southern Illinois high school students will display home and classroom-made scientific exhibits.

The exposition is a preliminary for the Illinois Junior Academy of Science meeting in Urbana, May 7-8. Last year, 51 exhibits from a total of 250 projects went on from the SIU fair to the state meeting.

Exhibits will be set up and judged in the University School gym and will be open to the public from noon to 4 p. m.

Entertainment will include a 30-minute concert by the Angeliars and two films: "Experimental Study of Emotional Responses of Monkeys Under Different Patterns of Mothering," and Walt Disney's "Beaver Valley."

Awards will be made at 3:30 p. m. in Furr Auditorium.

LEFFLER TAKES FBI COURSE WITH 50 OTHERS

Thomas L. Leffler, SIU security officer, is among 50 men from throughout the nation selected to participate in an intensive course at the Federal Bureau of Investigation National Academy, Department of Justice, Washington, D. C.

The three-month course began March 21 and covers all phases of police and investigative work, including training in the operation of police schools.

Formerly a sergeant with the State Police, District 13, Leffler joined the staff a year ago January. He was recommended for FBI school by President Morris and was accepted after meeting rigid requirements.

Greek Week Slated For April 24-30

The "Golden Week of the Greeks" will be celebrated on campus April 24-30. The seven days will feature a fraternity track meet, chariot races, Greek Sing, beer garden party, picnic, stage show and selection of the outstanding Greek man and woman of the year.

Purposes of Greek Week, said publicity chairman Ken Reichel, are to improve public relations, gain cooperation among groups by having something in common to work for, achieve social goals, and have lots of fun.

Activities will begin April 24 with the Greek Sing, held in Shryock Auditorium. Fraternities and sororities will compete for first and second place trophies. Last year's winners were Tri Sigs and Phi Sigs.

April 28 will feature a beer garden and pizza supper on the street around small group housing.

Friday's biggest event will be the picnic at Little Grassy Lake, for which transportation will be provided for those not having access to cars. Games will include

Losing Weight No Problem For Calorie Counters

A party dinner menu for the weight loser, counting only 300 calories, was prepared and served by a weight-control class at SIU.

"Good, nutritious and satisfying" was the verdict of the calory-conscious student.

The 12 women in the class, all SIU, were referred by their physicians, counted their calories each day during the eight-week non-credit course taught by Dr. Jan Harper, associate professor of home economics, and conducted by the University Technical and Adult Education Division.

Each lost substantially on the 1,000-calory daily intake while preparing meals which also provided adequate and appetizing for their families.

"Throughout the program, they concentrated on meeting balanced nutritive requirements," Dr. Harper stressed

egg throwing contests, softball swimming, three-legged sack races and other contests.

Saturday activities will feature chariot races, a dance at Peltis Hall and two concerts in Shryock Auditorium by pianist Ahmad Jamal and his jazz trio.

McClintock Work Gets In Journal

An article by Dr. Carol McClintock of the SIU music department appeared in the January issue of "Musica Disciplina," an international musicological journal published by the American Institute of Musicology in Rome.

The article, which is entitled "Medieval Music and Medieval Rhetoric," deals with rhetorical techniques used by Jean Molinet, the 15th Century poet and chronicler, in the numerous poems where musical subjects and musical terms are introduced.

Many of the passages under consideration have long been considered obscure or confused; Dr. McClintock has shown that what has appeared as confusion to modern writers is on the contrary perfectly logical when the medieval technical poetic device is understood and appreciated.

Cost of producing a movie spectacular today is about \$6 million. A similar film classic could be made in the 1950's for \$245,000.

New Student Guidance Tests Given Tomorrow

A series of guidance tests to help classify new students will open here tomorrow.

All entering freshmen are expected to take the test prior to registration. Transfer student should take the tests unless the scores forwarded from their former schools. VTI students entering the two-year associate degree should plan to take the test but those working for a one-year certificate in welding, cosmetology and practical nursing are excused if not in the lower quartile of their high school class.

Test results are used in general academic advisement and to place students in the appropriate sections of English, mathematics and chemistry. Test results also are used in general counseling, as basis for awarding certain scholarships and for placing student on student jobs.

Tests will be given in Mucke Roy Auditorium Saturday and Monday from 8:30 a.m. to noon on April 11 and 12.

WHO WENT TO THE PROM—AND WHY

"Hello," said the voice on the telephone. "This is Werther Sigfooa. I sit next to you in psych. I'm kind of dumpy and I always wear a sweat shirt."

"I'm afraid I don't remember you," said Anna Livia Phunbelle.

"I'm the one whose lecture notes you've been borrowing for two years," said Werther.

"Oh, yes!" said Anna Livia. "What do you wish, Walter?"

"Werther," said Werther. "What I wish is to take you to the Junior Prom next April."

"But this is November 27, Westor," said Anna Livia.

"Werther," said Werther. "Yes, I know, but you are so round and beautiful that I was afraid you might have a date already."

"As a matter of fact I do, Wingate," said Anna Livia.

"Werther," said Werther. "Oh, drat!"

Anna Livia did not really have a date, but she was expecting to be asked by Stewart Stalwart, athletic and BMOG, handsome as Apollo, smooth as ivory, wearer of faultless tweeds, smoker of Marlboro cigarettes which even without his other achievements would stamp him as a man with know-how and a pleasure-oriented palate. If you think flavor went out when flavor came in, try a Marlboro. This one brings with itself and sip and the good, mild taste so dear to those who smoke for the pure joy of it. Get yourself a pack of Marlboros and listen to your friends say, "There, by George, goes a smoker who knows a hawk from a handaw."

But I digress. Anna Livia waited and waited for Stewart Stalwart to ask her, but two days before the Prom, to everybody's amazement, he asked Rose-of-Sharon Schwafsa, a non-descript girl with pavement-colored hair and a brieftcase.

I have decided to accept your invitation—

Anna Livia immediately phoned Werther Sigfooa. "My Prom date has come down with a dread virus," she said, "and I have decided to accept your invitation, Waldrop."

"Werther," said Werther. "Oh, goodly gaudens!"

The next day Anna Livia received a phone call from Stewart Stalwart. "My Prom date has come down with a dread virus," he said. "Will you go with me?"

"Certainly," she said and promptly phoned Werther and said, "I have come down with a dread virus and cannot go to the Prom with you, Whipsittich."

"Werther," said Werther. "Oh, mice and rats!"

So Anna Livia went to the Prom with Stewart and who do you think they ran into? Rose-of-Sharon with Werther, that's who!

Stewart had felt obliged to ask Rose-of-Sharon because she always did his homework, but she had wussed out because she really wanted to go with Werther with whom she felt a great closeness because they were both so dumpy. He fell wildly in love with her at the Prom, and today they are married and run a very successful five-minute auto wash in New Born, N. C.

Anna Livia and Stewart are happy, too. They are still single and have not missed a prom in sixteen years. © 1959 Mac Shaban

We hope you'll be smoking Marlboros at your prom—or if you like mildness but you don't like Albers—Philip Morris—from the same smokers.

'Place To Relax'

Faculty Center Opens

A new campus center for faculty members opened at 9 a. m. today, the first ever to operate here. Open to all dues-paying faculty and administrative personnel, the Faculty Center is a former residence at 1530 S. Thompson St. The two-story stucco structure contains general lounges, a card room, kitchen, dining rooms and men's and women's lounges on the upper floor. A spacious back porch may be glassed in later and converted into a year-round dining room. Purpose of the new Center is to provide "a place for faculty members to relax between classes," says Ralph Bedwell, chairman of the Faculty Center Board. So far, 60 members are enrolled. Membership deposit is \$35 for as long as members remain enrolled. It is payable as a lump sum or on an installment basis.

The deposit goes into a fund and may be withdrawn if the member leaves. An "associate membership" is also being installed. Such members will have use of all facilities, but may not vote. Dues in this case are paid on a monthly basis. Bedwell said the Center will be operated mainly as an informal "relaxation center" for members until newly-elected directors set up permanent plans. He said club hours and food services will be extended as membership increases. Various social activities will be held throughout the year. The Center was first mentioned as a project about eight years ago, but since then top priority for available space has been given to classrooms and offices. The site is being purchased by the SIU Foundation and will be leased to the Faculty Center Board.

FACULTY RETREAT

Shown above is a living room in the new two-floor Faculty Center which opened today. Located in a former residence at

1530 S. Thompson St., the club is open to dues-paying faculty and staff members. It will be operated mainly as an informal "relaxation center" until newly-elected directors set up permanent plans. (Staff Photo)

Business Grad Test Deadline Set March 19

Admission Test for Graduate Study in Business will be given by the SIU Educational Testing Center April 2 from 9 a. m. to 12:30 p. m. Deadline for registration is March 19.

Students who are interested in doing graduate study in business should check with the graduate schools to which they are applying to see if this examination is part of the admission procedure. Since the ATGSSB is not designed to test specific knowledge in specialized academic subjects, normal undergraduate training should provide sufficient general knowledge to deal adequately with the test questions. Registration for the test must be made with the Testing Service by March 19. Examination fee is \$10. Application blanks and bulletins of information may be obtained from the Office of Student Affairs.

SIU Leads In PTA Awards

More Illinois PTA Golden Jubilee Scholarship holders are attending Southern than any of the other five state-supported universities, according to Mrs. Martin H. Seifert, scholarship chairman for the Illinois Congress of Parents and Teachers. Currently, there are 88 recipients attending the six schools, and 21 of these are at SIU. Each of the 33 PTA districts in Illinois awards a scholarship to a high school senior every year. The four-year scholarship is valued normal undergraduate training should provide sufficient general knowledge to deal adequately with the test questions. Students attending SIU who hold the scholarship are Jim Anderson, Betty Brenningmeyer, Sharon Cherpilak, Sue Bradley Dillard, Hazel Dwyler, Charlotte Michel, Foster, Janet Richardson Gill, Jean Marie Green, Barbara Hise, Judith Hunsaker and Marilyn Joyce Hutson. David Kammer, Marlene Lage-

Another SIU First

Grinnell, Malone Travel To Viet-Nam For Survey

There are approximately 200 campus organizations at Southern. Over 212,000 cubic feet of water passes over Niagara Falls each second.

Southern will mark up another first this month when Vice President John E. Grinnell and Director of Admissions Willis E. Malone travel to Viet-Nam for pre-contract survey work. The two University officials will investigate rural elementary educational facilities and needs of Viet-Nam. The trip, made under auspices of the International Co-operative Assn. and the U. S. State Department, may lead to a three-year government contract, under which Southern would provide teams to carry out lengthy supervising. Dr. Grinnell, vice president of operations here, said "We'll be surveying details of such a contract for a team which would be sent there later to supervise two normal schools being built and the preparation of teachers for Viet-Nam's elementary rural schools."

The two officials, who will be in Asia two weeks, will stop in Hong Kong to determine if necessary household equipment for the team could be purchased there. The government expense-paid trip could lead to an arrangement under which Southern would provide members of a team to work in Viet-Nam. The team would be comprised of persons who already are members of the SIU staff and others who would be added to the faculty for such a purpose. "Such programs," Dr. Grinnell said, "have been carried on for years between leading American universities and the ICA."

It would be Southern's first trip outside the states for this purpose, although last year the University contracted with the government for the International Teacher Development program. Viet-Nam itself has one of the largest ICA technical aid programs in the world, and specialists from within the country would work with the team to "improve rural life through improving rural education," Grinnell said. Specialists would come from such fields as agriculture, handicrafts, mathematics, music, curriculum, administration and supervision. Grinnell has been corresponding with members of the ICA Viet-Nam mission for several years about the possibilities of SIU's participation. The ICA, Grinnell said, foresees many new demands on American universities to aid foreign countries in many fields and, he pointed out, these already having such contracts would be the first called upon for these added services. He said the ICA particularly points to the new republics in Africa as needing help soon.

Skin Problems Solved By TV

Skin problems, which seem to be most prevalent in the late winter months, are being given special attention in the "Reflections of Beauty" adult education course that is currently being offered by SIU. The course is shown each Saturday from 11:30 until 12 noon over WSL-TV, Channel 3, Harrisburg.

Instructor for the televised lessons is Miss Eleanor Mathis of SIU's Vocational Technical Institute. In recent weeks she has given special help to those with oily or especially dry skin quality. Coming lessons will cover normal skin and skin with imperfections such as freckles.

Information given over the telecast can be obtained in pamphlet form by writing to Beauty, Vocational Technical Institute, SIU.

More Job Interviews Scheduled

Representatives of several school systems will be on campus today and next week to interview seniors in connection with the Placement Service.

TODAY Lee Roy Williams, Pontiac Elementary School, Belleville, will be here to talk with elementary education majors. Mr. Robert Spink of Arlington Heights and Glenn Westlake of Lombard will interview students interested in elementary education and junior high school.

MONDAY Margaret Elam, representing St. Louis schools, will talk with seniors interested in teaching kindergarten through eighth grades, speech correction, high school mathematics, chemistry, physics, general science, biology, English, social studies, machine shop, business education and girl's physical education.

W. W. Knecht, Kankakee, will talk with seniors regarding teaching positions in elementary education, speech correction, junior high library, social studies and girl's physical education. J. E. Crum, superintendent of Streator schools, will interview prospective graduates interested in elementary education and junior high school.

Robert Thorne, U. S. Gypsum Co., Chicago, will be here to talk with seniors graduating with accounting degrees. TUESDAY Virgil Wheatley, Pana, will be here Tuesday to discuss teaching positions in kindergarten, fourth grade, junior high school English and social studies. Elden Bond, Milwaukee, will talk with seniors regarding teaching positions in elementary education, high school girl's physical education, home economics, in-

COMMENCEMENT The 84th day has arrived. JZone 15 is the date. McAndrew Stadium is the place. After countless hours of books, boring lectures, dates, blasts, finals and grades, graduation finally arrives for the biggest graduating class in Southern's history.

Union Bridge Club Formed

The Student Union Duplicate Bridge Club has formed on campus, and the first tourney will be conducted at 7:30 tonight at the University Cafeteria.

The tourneys, which will be held each Friday night, are open to students, faculty, staff and guests. The local club is franchised by the American Contract Bridge League, and it joins more than 5,000 other franchised clubs in the world.

Sponsored by the Activities Development Center of the Student Union, the tourneys will be directed by Maj. Raymond Wiley of the AFROTC department. A fee of 25-cents will be charged per student and 50-cents for all other persons.

Both fractional and master fractional points will be awarded each night. One Friday night each month will be set aside as a master point game, while the other nights will be set for fractional master points. Points will be awarded in keeping with regulations of the league. The points must be registered with national headquarters of the league in order for the winner to achieve national recognition. Registration of points will be explained at the tourneys.

The annual membership fee for the league is \$2. Southern's club will be a member of the St. Louis unit, along with nearby Herra and Benton.

Maj. Wiley said that although the games are not meant for beginners, any person with bridge experience can learn to play duplicate bridge in a short time.

W. W. Knecht, Kankakee, will talk with seniors regarding teaching positions in elementary education, speech correction, junior high library, social studies and girl's physical education.

B. D. Middleton, superintendent of Columbia schools, will talk with prospective graduates interested in teaching kindergarten, first and second grades, girl's physical education and seventh and eighth grades combined.

C. J. Kane, Travelers Insurance Co., St. Louis, will be here to interview graduates interested in becoming sales-executive trainees.

Footo Addresses Zoologists

Dr. Florence Footo, SIU research associate, is one of four U. S. scientists invited to address the American Society of Zoologists during a day-long "refreshment course" at Oklahoma State University in August. The session will be part of the annual meeting of the American Institute of Biological Sciences meeting there.

Mrs. Footo will speak on "Metamorphosis in Invertebrates." As her contribution to the meeting, whose overall topic will be metamorphic developments in animals. Dr. Footo and her husband, Charles Footo of the SIU zoology department form a research team which for the past several years has been exploring sex differentiation and endocrine changes effected with laboratory-grown tissues.

Sound travels faster in water than in air, and faster still in iron or steel.

The highest temperature recorded in Illinois was 117 degrees, recorded at E. St. Louis in 1864.

Club Notes

NIKKI ALLEN PRESIDENT OF STUDENT NURSES

Nikki Allen has been selected to serve as president of the Student Nurse Assn. The members chose Karla Meyer as vice president. Rosie Simmons will act as secretary and Ladonna Harrington is the new treasurer. Joan Seidler and Rachel McCallen will head the nominating committee. Carmin Jimison is the new faculty advisor. The Fiscal Advisor for the group is Mrs. Mary Wyatt. All of the new officers are members of the freshman class.

BISHOP VISITS NEWMAN CLUB

Bishop Zubrow, from Belleville, will speak to an estimated 300 Newmanites Sunday. Breakfast will be served at the Elks Club following 11 o'clock mass. Tickets may be obtained for \$1.25 from Newman club officers.

APD TO PRESENT VARIETY SHOW

The Alpha Phi Omega service fraternity will present a variety show at the Marion Veterans Hospital Wednesday evening. The show is sponsored by the local chapter of the American Red Cross.

FOREIGN STUDENTS EXCHANGE BANQUET

An exchange banquet for foreign students, their husbands and wives will be held at the Unitarian Church, 301 W. Elm, at 5:30 p. m. Sunday.

BSU ENTERTAINS HIGH SCHOOL STUDENTS

The Baptist Student Union at SIU will sponsor a variety of activities for area high school students this weekend.

Beginning with registration this afternoon, the program will include a picnic, tour of the campus and a talent program featuring high school and university students. Sunday worship services in Carbondale Baptist Churches will conclude the event.

Registration fee is \$1. Housing for the students will be provided.

DAMES CLUB SELLS CLOTHES AND CAKE

Members of the Dames Club will be busy with rummage sales and bake sales tomorrow morning. The rummage sale will be held at City Hall beginning at 7 a. m. Articles to be sold should be turned in at the City Hall today.

The bake sale will take place at 10 a. m. at Hewitt's Drug Store located on South Illinois Avenue.

13 Study Science And Teaching

Under an \$11,740 grant from the National Science Foundation, 13 SIU students are serving in a nationwide experiment to see if student - teacher research cooperation can improve science education.

Under the direction of Dr. Isaac L. Schechmeister, the students work hand - in - hand with faculty researchers. Schechmeister explains that by elevating the student - teacher research cooperation can improve science education.

Since the program began last July, some of the students have carried on their work in SIU laboratories while others have taken extensive field trips. One student participant, Woodson Fuller, accompanied zoologist John Downey on a 12,000 mile summer collecting trip through Mexico, parts of the U. S. and Canada.

The geographic center of Illinois is Logan, 28 miles northeast of Springfield.

LITTLE MAN ON CAMPUS

"IF YOU EXPECT TO TEACH FRESHMAN COURSES PROFESSOR NEWBLOOD - YOU'LL HAVE TO LEARN TO EXPECT STUPID ANSWERS"

SIU Students Study Fashion In Europe

Seventeen persons have signed up for a six-week study tour of Europe offered by the School of 1969 Summer Session.

Dr. Adeline M. Hoffman, professor of home economics and chairman of the department of clothing and textiles who will accompany the group, said this leaves only eight more spots open to the class in "Fashions and Textiles."

The group leaves by plane from New York June 29, returns August 14. The study tour carries eight quarter hours of graduate credit, and will include visits to the salons of leading designers to

see fall fashion collections and to mills, factories and showrooms in the centers of the textile industry in nine countries.

In addition to the study of the fashion and textiles industry, visits to many points of interest in the civic and cultural life of the countries are planned.

Cost of the European Study Tour is \$225 covering travel to Europe and return, travel in Europe hotels and meals. University fees and the cost of travel to and from New York are in addition to the cost of the tour.

Moore Writes For Two Books

Two newly published books whose reading audiences are like yours to be poles apart have one similarity - both include contributions by English professor Harry T. Moore.

Moore wrote the introduction to "Anglia Rediviva," a new edition of Joshua Sprigge's mid-17th century "History of Cromwell's Army," and is also the author of "Drama on Records," a section of the New American Library's latest edition of "Good Reading."

"Good Reading" is a popular paperback volume which has sold in the millions since first printing. "Angelia Rediviva" is the latest publication of Scholars Facsimiles, a firm which prints old literary classics in original form.

Pierce Named Acres Queen

Marilyn Pierce, brown-eyed cosmology student from Charleston, was named the fifth Miss Southern Acres at a coronation dinner in Lentz Hall March 11.

Connie McGinnis, retiring queen, presented the crown to the new queen and donated the proceeds to an impressive ceremony.

Miss Pierce was chosen from six finalists by a panel of judges at a Feb. 27 dinner at the Gardens Restaurant. "Personality and character," as well as good looks, were the basis of their selection. The new queen's name was not revealed until the dance.

Hangover Haven sponsored Miss Pierce, who will represent Southern Acres in the university-wide Miss Southern contest during the Spring Festival.

Miss Pierce won her title over 47 original entries, 20 semi-finalists and six finalists. Other finalists were Georgia Meagher of West Frankfort, Sue Plannic of Johnston City, Sandra Terry of Mt. Carmel, Jane Crusius of El Paso and Kathleen Richardson of Ottawa.

Final selection was made by students Cecil Hill, Myrna Jackson and Austin Jones; and VPI faculty members Jean Darlington, Paul J. Lougeay and William Miller.

The second annual Family Outdoor Living Show will be held June 4-5 in McAndrew Stadium.

Southern Alumni To Renew Acquaintances At Reunions

SIU alumni from six counties and the Springfield area will be getting together to renew old acquaintances during April Alumni Reunions at the Charleston Country Club and the Perry County Alumni Chapter attended a luncheon last Friday.

Former SIU students now living in Jefferson County will get together at a dinner meeting at the L&N Cafe in Mt. Vernon, Tuesday, April 12. President Delyte W. Morris will speak about present and future plans for Southern. Lewis Hilliard is chairman of the event.

The spring meeting of the Springfield Area Alumni Chapter will be held at the Southern Aire, 2045 Clear Lake Avenue, in Springfield, tomorrow. A social hour will begin at 6 p. m., and dinner will be served at 7 p. m. Dr. Charles Tenney will speak to the group and a film will be shown which shows a boy's life as a student for a year at Southern.

Randolph County Chapter

The date has been set and the program is planned for the alumni chapter in Randolph County. A dinner meeting will be given for alumni Thursday, April 21, at 6:30 p. m. at the Belvedere Club located just west of Steeleville. Dr. Ralph Micklen, chairman of the speech department, will speak after the dinner. Chairman for the meeting is Holly Marchildon.

The spring meeting for the SIU alumni in St. Clair County has been set for Friday, April 22. A dinner meeting will be held at 7:30 a. m. at Augustine's Restaurant in Belleville. President Morris will be the guest speaker, reports chairman George Carmack.

A Smorgasbord dinner will be served to alumni in Franklin County Saturday, April 23 at 7 p. m. The meeting will be held at the West Frankfort Country Club in West Frankfort. Aubrey Holmes, a past president of the SIU Alumni Association, will speak. Chairman of the meeting is Willard Zimbleman.

Williamson County

Chairman James Bleyer announced the spring meeting for Williamson County alumni. The alumni will gather at the Herrin Coffee House Tuesday, April 22 at 7 p. m. Bob Walker, station manager for WJPF in Herrin, will give a talk on the aims and responsibilities of radio. He will also do some vocal numbers as a part of his program. A trio from the university who made their first appearance in "Most Happy Felo" will also have a part in the program.

The alumni of SIU in Saline County are invited to attend an informal meeting next Friday at 7:30 p. m. The group will meet chapter in Randolph County. A dinner meeting will be given for alumni Thursday, April 21, at 6:30 p. m. at the Belvedere Club located just west of Steeleville. Dr. Ralph Micklen, chairman of the speech department, will speak after the dinner. Chairman for the meeting is Holly Marchildon.

The spring meeting for the SIU alumni in St. Clair County has been set for Friday, April 22. A dinner meeting will be held at 7:30 a. m. at Augustine's Restaurant in

A Glance At The Greeks

By Mickey Sparks Society Editor

The final days of Winter term found the members of Alpha Gamma Delta searching the basement of their chapter house for unclaimed items. The Alpha Gammas sold these worthless items at an auction and donated the proceeds to the Easter Seal Association.

Two of the sisters were married the weekend of March 19 and 20. Marilyn West was married to Richard Frassato, Phi Kappa Tau, on March 19. Lynn Richardson, Sharon Neilson, a Delta Charlotte Hunyady, sorority sisters of the bride, were members of the wedding party. Many women of the sorority attended the Collinsville ceremony.

July Siries became the bride in a wedding ceremony for Jim Massey, Delta Chi, March 20. Sharon Neilson was in the wedding.

Three Alpha Gammas were on the road during Spring break. Charlotte Hunyady travelled to New York, Rosie Odum visited friends in Wichita, Lena McCrone, Lue Ellen Moore, Norma Morris, and Beverly Smith. Beverly received honors as the pledge with the highest grade average at the initiation dinner.

Several vacant offices have been filled. Josephine Johnson will serve the sorority as treasurer. Beverly Smith is in charge of social events. Lena McCrone and Lue Ellen Moore are the new reporters for AKA.

Alpha Kappa Alpha placed second in the WAA Greek basketball contest. Dora Brown, Josephine Johnson, Janet May, Lue Ellen Moore, Beverly Smith and Kay Taylor were members of the winning team.
