## Director Selects Winter Play Cast

Falling scenery, living scenery, fishing lights, and anything out of the ordinary go to make-up the structure of the 1952 winter term play, "The Skin of Our Teeth," for which a cast was recently selected by director Dr. Archibald McLeod.

Carole Krusen, Ken Basinski, Jan Petree, and Bob Lupello will star here in Thornton Wilder's Pulitzer Prize winning play of 1935. It was Wilder's third Pulitzer Prize. All except Miss Krusen are graduate students.

"It is one of the most extraordinary plays we have planned to present," Dr. McLeod said. The play is expressionistic, picturing the evolution of mankind and his battle for existence. Wilder tries to show that man has barely survived the ice age, the wars, pestilence, and the floods that have swept the earth during man's inabundance of the planet.

THE ACTION revolves around the life of Mrs. George Antrobus, their two children, and their general utility maid, Lily Sabina. George (Ken Rucinski)—John Q. Public. Mr. Average American, or any other apt cliché—is the personification of the good, the honorable side of man as he struggles for existence.

Henry (Bob Lupello) represents Cain, the evil, the dark side of man, all that has caused man's regression, all his mistakes and blunders.

Mrs. Antrobus (Jan Petree) is woman as she struggled to keep the family together, as she represents all the virtuous qualities of woman.

SABINA (Carole Krusen) the other woman man seeks out to provide the force to drive him on to greater heights and at the same time threatens his family.

These two women represent the two aspects of woman's influence on the destinies of man on earth.

The play will run for three nights, January 29, 30, 31, 1953 in Shrook auditorium. Dr. McLeod announced that four

toes had not been filled as yet. Any one wishing to try out for the parts—two male and one female—may do so, he went on to say.

Other members of the cast are: Announer, David Brookbank; M. Fitzpatrick, Leonard Gecke; Dinah, Phyllis Owen; Mammoh, Duvain; Pate, Telephone boy; Charles Wood; Gladys; Carolyn Reed; Patti Lamont; Professor, Ned; Neil; Doctor, David Alverson; Judge, Roger Turner; Miss E. Mugs; Mary Jane Ball; Miss T. Mugs; Loretti Mondoni.

Miss M. Mugs; Roberta Krusen; Usher, Bob Chasness; Usher, Bill Parker; Drom—Aljoriettes, Sue Smith and Nancy Yast; Fortune Teller, Bobbie Grimes; Convener, Darwin Payne; David Alverson, Bill Parker, and Jere Milcare; Ivy, Barbara Wheelan; Fred Baily; Bob Chasness; Defeated Candidate, Roger Turner; and Broadcast official, David Brookbank.

## Students To See University Movie

"Fascinating, haunting... like an impressionistic ballet by the great peoples and the elements of nature," said the New York Herald Tribune of the movie "Daughter of the Sands" which is to be shown here Monday, Dec. 8 in the University shrook auditorium at 7 and 8:30 p. m.

The story, an unusual folk tale written by Jean Cocteau, appears on the screen entirely acted in pantomime with no spoken dialogue—only a narrative in English. The picture was filmed in the Atlas Mountains and Sahara Desert near French Morocco. Andre Zowback is the director, aided by Denise Cardy, and Larzi Tognes, and music is by George Aurie.

"Daughters of the Sands" is being sponsored by the Social Service and Audio-Visual Aids department. University students may be admitted on their activity tickets, and a 25 cent admission fee will be charged to anyone else who wishes to attend.

## Four Soloists To Sing In Annual SIU Messiah

Four artists in their fields have been stated to appear as soloists in the annual SIU production of "The Messiah" to be given at 7:30 p. m. on Dec. 14 in Shrook auditorium.

With the same soloists and orchestra but with the chorus made up of Mt. Vernon people, Dr. Mauris Kesnar, director of the oratorio, will present "The Messiah" in Mt. Vernon on Dec. 15. It will be sponsored by the Mt. Vernon Chamber of Commerce.

Soprano soloist will be Kay Fuller, whose record album, "Le Petit Cerise" was selected by record critic Owen Callin as album of the month in January, 1951. Miss Fuller studied with Stanley Decson in the Kansas City Conservatory of Music and with Eduardo Sacerdote and Adelaide Gescheidt.

A FACULTY MEMBER of the University of Illinois, Dorothy Clark, contralto soloist, is from Chicago. She studied in New York City and in Europe, principally in Paris and Leige. Miss Clark has sung radio programs, oratorio, recital, and opera in and near New York City and in the southwest.

She sang the American premier of "The Temptation of St. Anthony." Her work for contralto and string quartet by Werner Egge. She has made appearances in various operas and soloed with the Oklahoma state and Chicago symphony orchestras.

Appearing in oratorios and recitals in the area, McCool has sung at Northern Illinois State Teachers College, University of Chicago, Monmouth College, and in the music groups in Gray, Ind., and Elgin, Ill.

James McEneaney, bass-baritone, is making his second appearance in the SIU "Messiah." A native of Chicago, McEneaney has sung with the Chicago Symphony Orchestra at Concordia Teachers College, Augustana College, and other universities and oratorio groups in the mid-west and Canada.

## Anita Early, SIU Student, Victim Of Holiday Wreck

Anita Early, 21-year-old SIU sophomore, was killed in a head-on collision which occurred one-half mile east of Terre Haute, Indiana, Nov. 26. Anita was traveling to Indianapolis with George Ziesgel, a graduate assistant in the speech department, and Mrs. Bowen, from Carbondale. Both Anita and Mrs. Bowen died instantly.

ANITA, a member of Pi Kappa Sigma sorority, was active in campus activities. She was treasurer of the Newman Club and secretary of the Women's House Council.

Funeral services were held at St. Joseph's Church in Dayton at 9 a. m. Monday. Solon Reimig High Mass was offered by Reverend Henry J. Langhals who was assisted by Rev. Robert Huch, as Deacon of the Mass, and by Rev. Russell Friedrichson as Sub-Deacon of the Mass. Brother Lawrence Convery was Master of Ceremonies. Mass was sung by St. Joseph's grade school choir. The funeral sermon was preached by Father Langhals.

## SIU Basketball Seat Tickets Are Now Available

Basketball reserved seat tickets are available for SIU students today. The Alpha Eta has planned a number of projects in conjunction with the Christmas Week activities. Their contribution to Christmas Week will be the presentation of a decorated Christmas tree. In the way of civic projects they are making efforts to be placed on the trays for the patients at the hospital, filling baskets for needy families, and wrapping packages for customers at a busy downtown store some Saturday.

University students may interchange reserved seat-tickets among themselves.

The entire east side of the gymnasium will be reserved for students. Students, faculty, and faculty assistants may present both their activity ticket and their reserved seat ticket at the door when entering.

Our Opinions

Just One Line Left

This is the fifth day of the term and likewise the fifth day of classes this term — thanks to the new registration system. Yep, we got gipped out of one more day of freedom (registration day) before classes resumed after our Thanksgiving vacation, but it wasn't so bad considering that the registration procedure itself was greatly simplified.

Friday, Dec. 5—Military Ball, Army, 8 p. m. Saturday, Dec. 6—Basketball game, Evansville College. Pi Sigma Sigma dance, 10 p. m., women's gym. Sunday, Dec. 7—Christmas concert, 4 p. m., Room 202 Old Science. Monday, Dec. 8—Pi Lambda meeting, 8 p. m., Student Center. Tuesday, Dec. 9—Sigma Sigma Sigma spaghetti supper, 5:30 p. m., chapter house. Girls' rally, 7 p. m., Student Center. Journalism party, 7:30 p. m., Student Center. FTA Christmas party, play room, University school.

tered upon our return Monday morning. We liked that there was no maddening registration rush in the men's gym as had been in the case in previous terms and that since all registration was taken care of by each student at his own free will, there were no tremendously elongated lines to wait in — that is for the exception of one — it was a comfort to know that everything was all taken care of and that we were properly regis-

to please everyone. However, it seems to us that one thing could be improved in future registrations and that is the method of getting books. These were not time set aside for getting books and as a result it was extremely difficult for some students. Lines at the bookstore were longer than ever, and all day long the Monday, the line reached to the end of the line in Parkington and at several times it was doubled back again. It took from two to three hours for a student to go through the line. An example of the long line can be seen in the picture at left which was taken Monday.

Although the bookstore was open Monday night, it was still hard for some students to get books because of night working hours, classes, or organization meetings. If a student was unlucky enough to never have a two or three hour stretch free during the day and if he had to work or attend a meeting Monday night, it was practically impossible for him to get his books until another day.

Of course, it wasn't a case of die or die to get the books the first day, but some instructors do expect it and it helps to get started off in a course on the right foot by following the text assignments from the beginning.

We're up a tree as to what to suggest as a method of getting the books that would be easier for all concerned, but we do think it is something to think about along the lines of improvement for registration next term. This time we had only one long line during registration procedures, and let's hope it won't be long before there are no lines.

It Soon Will Happen

RADIO ROUNDUP

By RALPH BECKER  
In this electronic age, tape recording is becoming as common as the ordinary radio. Professional tape recording is being used extensively by radio stations in the production of transcribed programs. However, tape recording is not just limited to radio broadcasting. It is now widely used in business, educational, entertainment and professional fields.

Magnetic recording of sound is not a recent invention. The first wire recorder, an earlier method of longer needed, it is simply erased magnetic record and the tape is ready to be used again. Erasure is automatic. All pre-recorded sound is removed during the process of recording a new one.

Good records are now moderately priced and within the reach of most entertainment and social gatherings as well as having an educational value. She sang "Piera, Signore" by Stradella, "Lusighe Piu Care" by Handel, "Widmung" and "Dulcino" by Schubert, "The Rose Tree" by Schumann, "O Wass' Ich Doch Den Weg Zueh' by Brahms, "Die Nacht" and "Alleswellen" by Strauss. A native of Cleveland, Ohio, Miss Griffith received her Master's degree in voice in 1951 from Indiana University and taught in the Cleveland public schools last year. In addition to giving instruction in voice, she is also a member of the University chorus and musical societies. She also is a cellist in the faculty string quartet and the Southern Illinois symphony orchestra.

Art Department To Sell Pottery

Just at the right time to solve many Christmas gift problems is the first annual sale of pottery to be held tomorrow afternoon in the auditorium of the Allyn art building. The sale, which is being sponsored by the art department, will start off at 1 p. m. and will continue until 5 p. m.

Over 1000 pots that have been made by pottery students and instructors during the past year will be up for sale. According to Carlton Ball, pottery instructor, these pots will be sold to make way for the production of the coming year and to pay for materials used in previous work.

INTERNATIONAL

The Communist purge is on. Three trade and industry officials in the Soviet Ukraine face death by firing squad as "enemies of the people." A special military court convicted the charge of "counter-revolutionary sabotage in the field of trade and trade turnover" and sentenced to die. Chief among their crimes were selling merchandise on the side and making illegal purchases of gold with the profits.

In the recent weeks purges have carried on in scores of the satellite countries behind the Iron Curtain; now these have spread to Russia proper. Wednesday three former Czechoslovak Reds were executed because of infidelity to the Communist cause. Pinpoint Hill was the scene of fighting as South Korean troops pushed stubborn Chinese from the heights lost to the Reds a few hours earlier.

The Chinese slammed up the icy slopes just before dawn in their heaviest assault on the hill since Nov. 14. Bitter hand-to-hand fighting forced the South Koreans to retreat down the treacherous slopes. Later in near zero weather the South Koreans began their counter attack and won back practically all the ground they had lost.

Fighting elsewhere on the frigid 155-mile battlefield was light. India's proposal for bringing peace — doomed to promised rejection by the Chinese and North Korean Reds — heads for final approval by the full U. N. General Assembly. The Assembly was expected to give the measure the same overwhelming approval it received over Soviet bloc opposition in the Political committee.

Fighting was also raging in the French battle for Indochina. Hordes of screaming, shrieking Communist-led Vietminh rebels threw themselves at the encircled airstrip town of Na San. French officials said the black-clad Vietminh thus far had succeeded in holding any outposts ringing the key defense point, 117 miles northwest of Hanoi.

An emergency board to halt a CIO steelworkers strike at the plant of the American Cyanamid Co. has been created by President Truman. The Dunlop, N. Y., plant produces materials used in the atomic energy program. The President signed an executive order providing for a board of inquiry under the Taft-Hartley Act, which he has used on only rare occasions.

The White House noted that workers at two other plants of the company are also on strike, but said the order concerns only the Dunlop plant. Under the executive order, the personnel already will name a board to inquire into the issues involved in the dispute.

allocation of steel be greatly relaxed on Jan. 1 and that controlled allotments of the metal to civilian industries be ended April 1.

It appears that Walter P. Reuther won't get the CIO presidency without a fight in the convention. Forces opposing Reuther pledged never against giving up without a battle.

Reuther seemed assured of sufficient votes to win any open convention showdown, but the group of CIO unions backing Allan S. Haywood, now the CIO's executive vice-president, refused to quit.

The scramble for the presidency was touched off by the death of Philip Murray Nov. 9.

Boxing fans will get a treat in January. "The American Broadcasting Company" will start televising fights every Saturday night. A scramble for boxing talent is on among the promoters. With the closing of this deal live bouts will be beamed to homes every Monday, Wednesday, Friday, and Saturday nights. The Saturday night bout will be held in such cities as Washington, Philadelphia, Baltimore, and Pittsburgh. None of the shows is planned for New York.

A cigar company will sponsor the bouts. Carl Snavely, who coached his North Carolina Tarheels to bowl games in 1946, 1948, and 1949, is now a job.

Snavely centered around two former Tar Heel players — Jim Tatum and George Barclay. Snavely resigned Tuesday night, effective Jan. 1. The University Athletic Council said he would be assigned to other duties in the athletic or physical education departments, probably teaching. The white-haired, 54-year-old Snavely had guided the Tar Heels for 10 seasons. His resignation came after North Carolina ended the most disastrous season in its history. They

The last meeting of the Student Council was held Tuesday, Dec. 2 and was opened by President Jerry Feil. Roll was taken and members present were: Beale, Bernhart, Borzath, Davis, Durling, Feil, Hoover, Meyers, Schumacher, Talley, Von Behren, Wilson, Evans, McCree, Anderson, and Walker.

Representatives of the International Relations Club were present on Tuesday evening for the purpose of attending their Mid-West conference at Nazareth, Michigan. Discussion of the appropriation of funds followed. A committee was set up to recommend expenditures of the Student Council funds to various organizations. Jim Schumacher was appointed chairman of the committee with Mary Meyers and Louis Wilson as members. The IRC re-

quest was then turned over to this committee for consideration. Talley requested \$50 for the regional ISA convention to be held at the University of Illinois Dec. 4-5. Anderson moved that we grant the motion "that we give the ISA \$50 which is to be taken as a part of an original appropriation of \$100 to the ISA made earlier by the Council." The motion passed.

Doning moved that the meeting be adjourned and the motion was seconded by Borzath. Registrar Releases Instructions For Winter Quarter Program Changes

For the benefit of those students who do not know how to make official changes in their schedules for the winter quarter, the Egyptian is again printing the official rules which have been released by the Registrar's office. Beginning last Monday, changes in program forms could be made with the aid of the student's adviser, but only after all student fees had been made. If a student withdraws from school, the same form may be used together with a check-out slip obtained at the Student Affairs office. A student who withdraws before Dec. 15 may secure a full refund of fees. Blanks will be provided in the Registrar's office for this purpose.

The B schedule card is the student's official authorization to attend classes as scheduled. It must be presented when a student is making any program changes. A class card for each class scheduled on the B card has been issued to the instructor in the student's name for use in class rolls and reporting grades and credits at the end of the quarter. Attendance in a class not authorized on this card or a program change card will disqualify the student for credit in the course. A change in schedule must be

The creator is Kenneth Boerner, Milwaukee. One of the first students to study under SIU's new graduate program, which was inaugurated last year, O'Connell was awarded a degree in jewelry design.

Requirements provide that the candidate must construct his own display units without help. Boerner built an arbo-type unit lined in light for his pottery show case.

The team will examine the effectiveness of the SIU teacher education program. Dr. Woodson Fishback, associate professor of education, is the contact.

The AACTE is the approved accrediting agency for teacher education institutions. One of the major purposes of the visitation will be to determine Southern's continued eligibility for accreditation as a teaching or training institution.

Evaluation materials are being collected and summarized through a general planning committee in the College of Education. All work is being co-ordinated through the office of Douglas E. Lawson, dean of the College of Education.

"Although the College of Education is assuming the responsibility of preparing the evaluation schedules, the cooperation of all faculty members of the university will be necessary to supply a complete evaluation report on teacher education on campus." Dr. Fishback, chairman of the planning committee, declared.

After the report of the group has been submitted, members of the College of Education will follow-up with discussions of the recommendations made to determine how the SIU program could be improved.

# SIU Cagers Open Season Here Tomorrow Night

## Regulars Beat Reserves 78-65 In Warm-up Intersquad Play

Coach Lynn Holder's Salukis will initiate the 1952-53 basketball season here tomorrow night when they entertain Evansville college. Coach Asad McCutchan's Purple Aces will take to the floor at 8:15 p. m., with a crew including 11 lettermen from last season's squad.

The Hoosiers finished the 1951-52 season with a record of 7 wins and 20 losses. Coach McCutchan termed the season as one of building.

With the exception of Tom Millikin, all of the starting lineup that won 13 and lost 11 for Southern is back this season. An important addition to the squad is John Cherry, senior transfer student from Alabama U. Cherry will probably start as one of the guard spots.

Holder said his tentative starting lineup will have Cherry and Harvey Welch as guards, Bob Nickolaus and Ray Rippenmeyer at forwards and Captain Chuck Thate at center.

Other lettermen back from last season's squad are guard Jack Theriot and Gib Kurtz, who has switched to forward after playing as a guard last year.

**REGULARS WIN**

Ray Rippenmeyer, Valmeier sophomore, scored 20 points to lead the Southern first string cagers to their 78-65 victory over the varsity reserves Tuesday night at the SIU gym.

Playing center in place of Captain Chuck Thate, Rippenmeyer dropped in five field goals and 10 free throws to pace the regulars. Thate missed the game because of an infected foot, but should be ready for action in the season's opener tomorrow night.

Other top scorers for the winners were John Cherry, with 18 points and Harvey Welch with 17.

Best individual scoring effort turned in by the maroon-clad reserves was center Jim Loomis' 14 points. Loomis, a Potosi, Mo., junior, is a transfer student from the University of Missouri. Because of the transfer ruling, he is ineligible for intercollegiate competition this season.

Gene Baggett, diminutive Marion freshman holding down a guard spot in the reserve lineup, was next in scoring for the losers with 13 points.

**FOUL TROUBLE**

Although three of the regulars fouled out in the second half, Coach Lynn Holder kept them in the lineup for the remainder of the game. All of the regulars fouled heavily. Jack Theriot and Ray Rippenmeyer ran up six each; Bob Nickolaus had five.

The reserves, coached by graduate student Charlie Valter, matched points with the regulars in the first and third quarters when each team got 19 rallies. The regulars gained their lead when they piled up a 19-9 edge in the second quarter, and a 21-18 margin in the fourth.

Holder considered the game as an excellent chance to simulate actual game conditions in preparation for the opener with Evansville. He seemed pleased with the performance, considering the fact that it was a pre-season contest.

Students may obtain their tickets for tomorrow night's contest by presenting their activity tickets at the ticket office in the men's gym. The tickets will be distributed on a first-come, first-serve basis, starting at 9 a. m. today.

**LYNN HOLDER**, who will be starting his seventh year as basketball coach, talks over his prospects with his captain, Center Charles Thate of Chicago (Hirsch). Thate will lead the Salukis against their first opponent, Evansville, Ind., College, at Carter bondade Dec. 6.

## IIAC Cage Race Hard to Predict

Southern's cagers are expected to improve on their record of last season but they will face stiff competition in doing it.

Two "big name" schools on the 1952-53 schedule, Evansville and Siena, are not listed this year, but other strong foes have taken their place.

Evansville, Ind., for example, will open the season for SI here tomorrow. The Purple Aces have 11 lettermen back, led by Center Jack Nash, who measures 6'9". They will face the Salukis again on their home floor Jan. 29.

Big name addition to the schedule is DePaul University of Chicago. The Demons entertain Southern Dec. 22. Coach Ray Meyer has six lettermen back from a club that won 19 and lost eight last season.

Another newcomer to the schedule is Northeast Missouri of Kirksville. Southern has played Kirksville twice in the past and won both games.

## 'Vandy' Wins SIU Football Award

John Vanderplum is the latest addition to Southern's list of "most valuable" players.

The Harrisburg senior recently was voted by his football teammates as the most valuable man on the squad during the past grid season. Halfback Vanderplum led the Salukis in rushing for conference games. He had lettered two previous years.

Vanderplum became the eighth man to win the "most valuable" award in football.

partition, allowing opponents to rack up a 240 yard average per conference.

In individual performances, the Chips didn't fare as well. Verne Havens finished fourth in total offense and first in rushing. Chuck Miller led in individual scoring with 42 points, six points above second place Bob King of the Salukis. No Chippewa names were found among the top five in passing, pass receiving, or punting.

## Central Michigan Takes Grid Title

Central Michigan's Chippewas won their first football title in the two year old Interstate Intercollegiate Athletic Conference. The Chips finished the season with a perfect conference record of six wins and no losses, scoring 240 points while holding their opponents to just 33.

Besides winning the conference title, the Chips topped the other five conference teams in total offense (averaging 381.3 yards per game), rushing (129.5 per cent), and scoring with 35 touchdowns, 28 points after touchdowns for a 240-point total. Western Illinois, second in the conference and also second in scoring, totaled 124 points.

The Chips were also tops in every defensive department. Against the rugged Chippewa defense, conference opponents managed to average just 189 yards per game. Eastern Illinois was second in that department.

Here's the way the conference battle went last year:

1. Eastern Illinois (12-0)
2. Illinois Normal (9-3)
3. Southern (6-5)
4. Michigan Normal (5-5)
5. Central Michigan (4-8)
6. Western Illinois (4-8)
7. Northern Illinois (1-11)

## Holder Starts Seventh Year as SIU Cage Coach

Lynn C. Holder will be starting his seventh term as Southern's basketball coach tomorrow when the sport was started here in 1913. The first one, the late William J. Shuklis, coached from 1913 until 1943 and compiled a record of 307 wins and 201 losses. Glenn "Abe" Martin took over in 1943 and until 1946. His teams won 41 and 101 victories and 55 losses.

A native of Carbondale, Holder was a football and cage star at Southern. He coached high school teams at Equival and Lawrenceville and served in the Navy during the war.

Since then his teams have won 1947-48: won 22, lost 10; 1948-49: won 13, lost 11; 1949-50: won 21, lost six; 1950-51: won 13, lost 15; 1951-52: won 15, lost 11.

## For the Women

**By Gwen Applegate**

From books to lots in three lessons might be the slogan of Gloria Bonali, Herrin senior, who is the only All-American softball player on SIU's campus.

Gloria, who plays second base, shortstop, and pitcher with equal dexterity, is a member of the Diesels, a woman's softball team composed of girls who work at the Caterpillar plant in Peoria. All home games are played on a field at the plant which is patrolled after Wrigley Field in Chicago and the best amateur field in Illinois.

Gloria began her softball career with the West Frankfort All-Stars. In the summer of 1949, the All-Stars played the Diesels in the final game of the state tournament at Havana, Ill. At this time, Gloria met Charles L. DeCord, manager of the Diesels, who asked Gloria to travel with the team to the regional tournament at Watertown, Wis. and then to the national tournament at Portland, Oregon. She has been with the team ever since.

Since playing with the Diesels, Gloria has played ball in such places as Evansville, Ind., Louisville, Ky., Phoenix, Los Angeles, Fresno, San Antonio, Detroit, and Toronto, Ontario, Canada.

**WHEN ASKED** her most interesting experiences, Gloria came up with two which are well worth mentioning. One was the 17th inning game in which Gloria played shortstop at San Antonio, Texas, in 1950. This game set a record for the most innings played in a national tournament. In this game, the Diesels were defeated in the 17th inning, 4-0. The most amazing factor in this game is that both pitchers went all 17 innings, and the Diesels pitcher was a

## Intramural Basketball Teams Meet Tuesday

An organizational meeting for the 1952-53 intramural basketball tournament will be held Tuesday, Dec. 9 at 4 p. m., room 201 in the men's gym. According to intramural Director Jim Wilkinson, all teams planning to enter the tournament should send a representative to this meeting.

Wilkinson said that the men's gym will be open for evening practice sessions beginning Monday, Dec. 8. Individual teams may have the use of the gym by contacting the IIAC title three times (1947, either Wilkison or Wayne Nash) or the N.A.A.U. district playoffs twice (1947 and 1949).

Holder is the third head basketball coach Southern has had since the sport was started here in 1913.

## AND NOW - CHESTERFIELD FIRST TO GIVE YOU SCIENTIFIC FACTS IN SUPPORT OF SMOKING

A responsible consulting organization reports a study by a competent medical specialist and staff on the effects of smoking Chesterfield. For six months a group of men and women smoked only Chesterfield—10 to 40 a day—their normal amount. 45 percent of the group have smoked Chesterfields from one to thirty years for an average of ten years each.

At the beginning and end of the six-months, each smoker was given a thorough examination including X-rays, and covering the sinuses, nose, ears and throat. After these examinations, the medical specialist stated . . .

"It is my opinion that the ears, nose, throat and accessory organs of all participating subjects examined by me were not adversely affected in the six-months period by smoking the cigarettes provided."
