'Winter Wonderland' Theme For Xmas Dance

Christmas activities at Southern will be highlighted by "Winter Wonderland," the annual holiday dance scheduled for tomorrow night.

The semi-formal affair, to begin in the Men's gym at 9 p. m., will feature the music of Walter Smith's Orchestra.

Christmas activities get underway with a "Deck the Halls Party" in the Student Union tonight following the Midwestern basketball game.

A tea will be sponsored by the Women's House Council Sunday from 2 to 4 p. m. at Woody Hall.

The traditional "Messiah" presented by the Southern Illinois

Chorus and Orchestra, is scheduled for 7 p. m. Sunday in Shryock Auditorium.

Students participating in Monday evening's Christmas Caroling will be served refreshments in the home of President and Mrs. D. W. Morris.

Several house parties are planned for Tuesday evening, including a Pi Kappa Sigma open house.

Dr. and Mrs. Morris will extend personal Christmas greetings to students from 9:30 to 11 a. m. Wednesday in the Student Union.

An old fashioned Christmas party will begin in the Union at 7 p. m.

The annual all-school Christmas Assembly, scheduled for 10 a. m. Thursday in Shryock Auditorium, will include group singing, a reading, "The Week Before Christmas," the Madrigal Singers, a modern dance group and a Christmas story to be read by Dr. Morris.

A Charity Dance, sponsored by the Alpha Phi Omega service fraternity, will end the Christmas Week program. Proceeds will go to the needy families of Carbondale.

Headline Christmas Week committees are publicity, Roger Aydt, prefects, Carole Schoenman and Ruthann Fagan; finance, Cynthia Kuehn; program, Lois Kalla; campus decorations, Carl Anderson; and Jerry Dumas; semi-formal dances, Jane Curry; caroling, Marilyn Whitmore; assembly, Pat Priest; charity dance, James Miller.

was donated to SIU by the Curtis Candy Co.

'Messiah' To Be Presented In Shryock Sunday

The Southern Illinois Oratorio Society will present "The Messiah" by George Frederick Handel in Shryock Auditorium at 7:30 p. m. Sunday.

Dr. Mauris Kesar, will conduct the Oratorio Chorus and the Southern Illinois Symphony Orchestra in the presentation.

Soloists are Clara Mae Enright, soprano; Maurine Pazybok, contralto; Carlon Eldridge, tenor; and Lehard Boske, baritone-bass.

The work is divided into three parts: "The Prophets and the Fulfillment," "The Passion" and "The Triumph." An intermission will follow Part I.

Handel composed "The Messiah" in 24 days in 1741 and personally conducted its first performance in 1742, according to Dr. Kesar.

Prize Cow Donated To SIU Herd

Sultana, one of the Queen Mothers of the Jersey-cow, Kingdon, has joined the SIU livestock herd.

The 14-year-old champion cow whose family has distinguished itself in many competitions was given to the university by the Curtis Candy Company farms at Carbondale, through Curtis President Robert Channing.

Sultana, herself the senior grand champion female at the Illinois, Wisconsin and Minnesota State Fairs in successive years, has become even more honored through her offspring.

Born on the Island of Jersey on July 26, 1940, she was imported to this country in 1949 by the Curtis Candy Company and became the foundation Jersey female for their valuable herd. In addition to her reproductive success, Sultana has consistently produced 500 pounds of butterfat a year.

IRC Officers Make Plans For National Meet

Three officers of the SIU International Relations Club are helping to advance plans for the national IRC meeting in St. Louis in April.

Melvyn Lianis, vice-president; Alfred Grieman, secretary-treasurer; and Joe DeLmann, corresponding secretary, attended a planning meeting of students from 100 colleges in St. Louis last week.

Lianis is in New York this week attending a national planning meeting of the Foreign Policy Association, sponsor of the April student meet.

IRC also is planning to send representatives to a meeting of the Collegiate Council for the United Nations in Chicago Dec. 28-30 at which UN experts will speak on their work in that organization.

Next Woodwind Quintet Recital Jan. 17

The Southern Illinois University Woodwind Quintet will present its next recital in Shryock Auditorium at 8 p. m. Jan. 17 and Feb. 10.

Members of the quintet are Philip Eigenman, flute; Robert Fern, oboe; Robert Resnick, clarinet; Stephanie Sulch, bassoon; Phillip Olson, French horn; and Robert Mueller, piano accompanist.

Deep Sea Film Assembly Topic

Mrs. Lucie Palmer, deep sea diver for the last 15 years, narrated a film on underwater life, "Our Last Frontier," at the freshman convocation yesterday in Shryock Auditorium.

Her husband, O. S. Palmer, has been diving 26 years in his business of salvaging wrecked ships.

Adams To Speak At AAUP Guest Night

The American Association of University Professors will have their traditional Christmas guest night tonight at six in the University Cafeteria.

Dr. Harry B. Adams of the First Christian Church will speak. Special music will be provided by the flute trio directed by Robert Resnick. Anyone may attend.

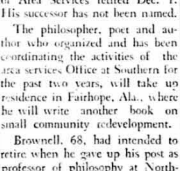

Successor Has Not Been Named

Baker Brownell, SIU director of Area Services, retired Dec. 1. His successor has not been named.

The philosopher, poet and author who organized and has been coordinating the activities of the area services office at Southern for the past two years, will take up residence in Earthquake, Ala., where he will write another book on small community development.

Brownell, 68, had intended to retire when he gave up his post as professor of philosophy at Northwestern University in 1950, but instead redoubled his efforts for revitalizing rural areas in Arkansas and Southern Illinois.

A former Chicago newspaperman who had studied philosophy under George Santayana and William James, Brownell became interested in the "human values of the small community" while teaching at Northwestern in the 1940's. It is in the uncluttered and uncomplicated little places, he

Baker Brownell

said, where knowledge can best be integrated to a rich, full life.

On the other hand, he argued, the metropolitan areas are afflicted by waste, regimentation and corruption.

This theme ran through a half-dozen books like "The New United," "Earth is Enough," "Philosopher in Chaos," and "The Human Community" which Brownell authored. He edited about 20 other volumes attempting to relate agriculture, economics and other subjects to modern living.

In 1944, he was named by the Rockefeller Foundation to direct the Montana Study, an experiment in reducing small town residents their duties and responsibilities as citizens in a democracy.

The Area Services Office Brownell headed at Southern includes the Alumni, Placement and Information Services and the Department of Community Development.

La the 20's Brownell was an editorial writer for the Chicago Daily News and the Chicago Tribune, and frequently contributed poetry to such magazines as New Republic, Literary Digest and Poetry.

'Crucible' In Third Night

'Hansel and Gretel' Next Children's Play

The Southern Players' winter children's play will be "Hansel and Gretel." It is tentatively scheduled for Jan. 25-28 in the Southern Playhouse.

The cast will be chosen the week before Christmas vacation, according to Dr. Archibald McLeod.

The children's plays are sponsored by the Carbondale branch of the American Association of University Women. "Heidi" was performed last quarter. The spring offering probably will be "Rumpelstiltskin."

A children's play — probably "Hansel and Gretel" — and one adult play will go on a six-week spring tour of 25 or 30 Southern Illinois towns, according to Dr. Raymond H. Dev, dean of the Division of University Extension. The schedule probably will be announced about Jan. 1.

CAROLE POOS and Bob Guinness do some heavy emoting in a scene from "The Crucible." This fall's play, Poos plays the role of Abigail, the young girl who spitefully accuses several persons of being

Witch Hunt Drama Will End Tomorrow Evening

The Southern Players' production of "The Crucible" enters the third night of a four-night run at the Southern Playhouse tonight at 8.

The latest play by Arthur Miller, author of "Death of a Salesman" and "All My Sons," "The Crucible" is a drama about the Puritan purge of witchcraft in old Salem, Mass. The story, according to John Chapman, New York Daily News drama critic, tells how small lies — children's lies build until a whole town is around and 19 men and women go to the gallows for being possessed of the Devil.

The story focuses upon a young farmer, his wife, and a young servant-girl who maliciously causes the wife's arrest for witchcraft. The farmer brings the girl to court to admit the lie.

"It is a thrilling, bloodcurdling, terrifying scene as the trial depicts the monstrous course of bigotry and deceit. The farmer, instead of saving his wife, finds himself, also, accused, imprisoned and condemned," wrote Chapman.

In the Southern Players' production, Bob Chamness plays the farmer, Carole Poos the servant-girl and Helen Collins the wife.

Other male members in the cast are Ralph Fred, Don Wolfe, Jim Walmark, Darwin Payne, Nelson Heisner, Dave Turner, B. K. Dillinger, Dave Brookbank and Richard Riske.

Other female cast members are Pat Carter, Loreta Mondoni, Lois Barner, Nancy Vot, Breta O'Brien, Lina Murrish and Margie Zimmer.

Dr. Archibald McLeod directed, and Lawrence Voss is technical director. Darwin Payne designed the set.

Ernest Shult composed original incidental music, which was recorded by Zimir Bayel, Mark Hughes, Phyllis Foster and Betty Williams for the production.

New Education Fraternity Being Formed Here

A chapter of Phi Delta Kappa, professional education fraternity, is being formed on campus, according to Dr. Clarence Samford of the steering committee.

The committee's petition for permission to form the chapter was granted unanimously at the fraternity's national convention in August, Dr. Samford said.

The fraternity's chief purpose is to promote free public education as essential to development of a democracy through the ideals of research, service and leadership, according to Dr. Samford.

The Alpha chapter, formed at Indiana in 1905, is the oldest of the 84 in the U. S. The youngest is Gamma Delta of San Francisco State College, formed early this year.

Some 40 members of these various chapters are on campus here and 6 others live in Southern Illinois and will probably transfer their membership to the local chapter when it is formed.

Seniors and graduate students in the College of Education are being investigated and those best qualified will be asked to become charter members.

With Dr. Samford on the steering committee are Charles Neal and Dr. J. H. Hill, Dr. R. J. Bowman, Dr. Claude Dykhouse and Dr. Roy Bevan are on the membership committee and Dr. W. L. Thalman, Dr. Clarence Stephens and Mr. Robert Etheridge on the Social Committee.

Blind Tenor To Sing In 'Messiah'

A blind singer who has appeared in more than 700 concerts in the United States and Canada will have the leading tenor role in the annual presentation of "The Messiah" at SIU Sunday.

Ernest Shult of Springfield, Ill., has also had 150 college and university recitals and has sung the "Messiah" more than 50 times. He is currently in charge of vocal work at Springfield Junior College.

Eldridge uses musical scores prepared by himself in inconspicuous Braille. He has sung over NBC and with the Chicago Symphony Orchestra.

The Southern Illinois Symphony Orchestra and chorus will combine for the fifth consecutive year to present Handel's work in Shryock Auditorium at 7:30 p. m. Dr. Mauris Kesar directs the orchestra and chorus which are composed of Southern Illinois area musicians and SIU students.

Totenberg Ensemble Opens Community Concert Series

The Roman Totenberg Ensemble opened the 1954-55 Carbondale Community Concert series in Shryock Auditorium Monday night with a program ranging from such familiar works as "Rexy," "Tringene" to a concerto by the little-known French composer Chausson.

Composed of strings, piano and clarinet, the group featured Totenberg himself as violinist.

After opening with "Concerto in F Minor" by Beethoven, continued with three Debussy pieces — "Ballad," "The Little Shepherd" and "Golfiwog's Cakewalk" — and Chausson's "Concerto in A Minor" for violin, piano and strings, Totenberg with Totenberg in the last was pianist Alice Shapiro.

"Tringene" which followed the intermission, was followed in turn by a Tchaikovsky concerto (the second movement of his "Violin Concerto in D"), "Variations on a Theme" by Paganini and "Romanian Dances" by Bartok.

Totenberg, a pupil of George Enesco and Carl Flesch, is on the faculty of the Aspen Institute in Colorado. A native of Lodz, Poland, he is now an American citizen.

Winter Assemblies Offer Wide Variety

An Invitation

President and Mrs. Morris will extend "Christmas Greetings" to all University students at a doughnut hour in the Student Union on Wednesday from 9:30 to 11 a. m. This is an invitation for students to stop in for a glass of cider and doughnuts.

Publisher To Speak Tuesday

Edward Lindsay, Debut, editor of the Lindsay-Schaub Newspapers and publisher of the Southern Illinois newspaper, will speak at a "Jobs in Journalism" meeting in the Playhouse at Southern Illinois University at 7:30 p. m. Tuesday.

Lindsay will discuss opportunities in journalism at the third in a new series of seminars sponsored by the journalism department and the Journalism Students Association.

The Southern Illinois area daily published in Carbondale, is one of the 100 schools group which also includes daily newspapers at Decatur, Urbana and East St. Louis. Lindsay is a former vice president of the Associated Press. He also serves on the American Council on Education for the Southern Illinois area representative of the American Newspaper Publishers Association.

This Could Be A Sanctuary

Nestled between Altgeld and Shrook in one of the few quiet corners on campus is the small vacant building pictured above.

Throughout its history it has had many uses ranging from a private library to a home for hunters. But now the building is empty.

Why couldn't this building be used as a sanctuary for students who want to get away from the hustle and bustle of college life for a few minutes or hours?

This is the suggestion of Dr. Paul Hunsinger of the speech

department. He informed the Egyptian that the administration has no specific use for the building at present and is willing to cooperate with students by making the building available for an informal sanctuary or chapel.

There is not one small, quiet spot on campus where a student can relax and meditate.

Dr. Hunsinger suggested using the building as a chapel for services by a small group or holding weddings for students who want a small ceremony in a secluded spot.

If some campus group or

groups are interested in spearheading the development of the building for this use they should contact the administration and outline their plans.

However the Egyptian would stand against any group taking over the building for its own religious services and members and closing it off to other students.

SIU needs a place where students may get away from their worries and meditate a while. Asylums are filled with people who did not rest aside some time for contemplative thought and relaxation.

MAIL BOX

To the Editor: Everyone attending Freshman Convocation from week to week must be ashamed of the bad manners of a small number of people. The performance of these people at the recital of the University of Texas String Quartet was shocking, but it was unfortunately, a repetition of performances given when other guests have appeared for convocation in Shroyer Auditorium.

Few people need to be told to be courteous to guests, including those of the University, whether or not we like what they say or do. But there are some who need to be told and told emphatically. Let the men and women of the Freshman class tell the noisy few among them to behave themselves — if for only 30 minutes.

Sincerely yours,
W. E. SIMONE

Guidance Members Give Screening Tests At Carmi

The Department of Guidance and Special Education will do screening tests in the schools at Carmi, today, working in cooperation with Harold Robbins, director of guidance and counseling in the Carmi schools.

The screenings in vision and hearing will be done by Dr. Ivan Busch and Eugene D. Fitzpatrick, staff members of the Department of Guidance and Special Education, and Faye Niebrugge and Allan McCabe, graduate assistants.

Connell Named Purchasing Agent

William W. Connell, an accountant, cost engineer and industrial buyer, has been named SIU purchasing agent it was announced recently.

At the same time, University Business Manager Edward W. Miles outlined a program for increased volume buying in connection with Southern's expanding service departments.

Among Connell's duties will be the conducting of studies toward equipment standardization in University agencies. He will also consult with managers of service departments and auxiliary enterprises of the University so that commodities used by more than one agency may be economically purchased in quantity.

WUC TO SPONSOR TEA FOR FACULTY WOMEN

The Women's University Council will sponsor a Christmas tea for women faculty members from 2 to 4 p. m. Sunday in Section "B" lounge of Woody Hall. Rheta Ogden and Jane Curry are in charge.

IRC Discusses 'New Europe'

A panel of foreign students discussed "Building a New Europe" at the International Relations Club meeting last night.

The discussion, which centered on the proposed Western European Union to replace the EDC, included SIU students Hans Gruninger, Switzerland, moderator; Robert Drysdale, England; Monique Goussery, France; and Rina Romaneli, Italy.

The club discussed plans to attend the Collegiate Conference for United Nations in Chicago Dec. 28-30.

Academic World Upset By Debate Topic

The following is an excerpt from an editorial appearing in the Eastern State News. We are happy that SIU's administration has taken a more intelligent view on the subject than have some universities mentioned in the editorial.

The topic for American college debate teams has created quite a stir among many administrators and uninformed people this year.

The topic which has been chosen concerns whether or not the United States should extend diplomatic recognition to the Communist government of China.

This topic was chosen because debate coaches all over the nation agreed that it was a controversial question that merited debating. These coaches seek their choice of a debate topic from the Speech Association of America, who in turn selected a committee to write these ideas, choose and make a

list of the five that appeared most frequently.

Members of this committee were chosen for the ranks of four national honorary speech fraternities. The topics were carefully checked and the five leading ones were sent back to the debate coaches who were asked to rank them in the order of their importance.

What more democratic way could be found to choose a debate topic that would be suitable for the many college debate teams? None! Yet, some people who should be more democratic in their judgement, have banned this controversial issue from being debated by their college squads.

Administrators at four Nebraska state supported teachers colleges have banned the national topic from being used by their student debaters. West Point and Annapolis have also had quite an issue over the same subject.

The whole upset in the academic world started when little Kearney (Nebraska) State Teachers college objected. President of the college the Nebraska State Normal board said he was opposed to the topics on grounds that it "showed a desire to indoctrinate the Student."

The decision to ban the topic by service academies is on different grounds. Academy heads say that since the United States has taken a stand against recognition of Red China it was improper for cadets to debate it.

Why all the controversy and dictatorial edicts from people who are supposed to be educated and have a democratic attitude pass on to their college students?

This question has been debated in congress, and is currently one of the nation's leading questions. If, by chance, the results of these college debates were to be used to decide the issue, then the "shunlike down" attitude of these dissenting schools might be understandable, but these results will have little bearing on the government's final decision concerning recognition of Red China.

TRYING TO PICK path through a sea of mud in front of the Pflurhouse is Rutherford Fagon, fishman. Don't worry—the mud isn't sink. The mud is the

result of the tearing away of a section of Thompson St. In a few months the area will be covered with grass, we hope.

The exciting new idea behind the motoramic Chevrolet

The Bel Air 4-Door Sedan—one of 14 new Fisher Body beauties in three new series

Maybe once in a car-buying lifetime, you come across something that breaks all the old patterns and establishes new ones. This is that kind of car. This is the true story of how Chevrolet and General Motors shaped a new idea in steel.

Power Beyond Compare!
You also feel the new idea quickly . . . quick power like a panther's paw with the new "Turbo-Fire" V8* (162 h.p.) and two new "Blue-Flame" 6's. And sparking this performance is a 12-volt electrical system giving you better ignition, faster starting, greater electrical reserve for any of the power assists you might desire. You have a transmission choice of economical Overdrive and improved, automatic Powerglide (optional at extra cost) or standard shift.

Even Air Conditioning!
And if you desire the convenience of power assists (optional at extra cost) . . . you'll find new power-steering and improved power brakes on all models. Power-controlled windows and powershift seats are available on the Bel Air and "Two-Ton" models, while air conditioning may be added on V8 models.

Won't You Try It?
Here, we can only tell you how successfully the Motoramic Chevrolet expresses its new belief in it. But the new belief is yours. Come in for a demonstration drive, won't you, first chance you get.

Real Show-Car Styling!
Your eye tells you the Motoramic Chevrolet is no styling "patchwork" job. A rakish, low profile . . . soft luxuriance from its sleek rear fenders . . . new outlook for motorizing. And that outlook doesn't change when you slip inside . . . exciting fabrics and trim are harmonized with the whole car.

A Sensational Ride!
You live the new idea instantly . . . you glide . . . actually glide because spherical joints* "roll" with the punch* of the road in Chevrolet's new Glide-Ride front suspension. And outrigger rear springs mean new balance in turns . . . turns made so effortless by new ball-race steering. And when you stop suddenly, new Anti-Dive braking control checks that nosing down in front . . . you get "heads up" stopping. Tubeless tires mean much greater protection against blow-outs. And with new high-level ventilation there's fresher air.

Drive with care . . . EVERYWHERE! Make December 15 and every day SAFE-DRIVING DAY!

70 Counties Increase Student Representation At Southern

Seventy of Illinois' 102 counties have increased representation among the record number of students at SIU this year.

Eight other counties have the same number of students at SIU as in the fall of 1953, and only 16 counties in the state failed to have at least one student on the enrollment lists.

APO Initiates Officers, Pickers, Delegates

Alpha Phi Omega initiated new officers, chose five delegates to the national APO convention and made final plans for its Dec. 16 Charity Dance last night.

The officers, elected Nov. 18, are: Tom Mery, president; Paul Mudd, first vice-president; Joe Smokey, second vice-president; Wilbur Stover, recording secretary; Ed Kuntziger, treasurer; Ben Pemberton, corresponding secretary; Jack Turner, area secretary; Wallace Duaper, historian; Dr. Robert Mueller, parliamentarian; Tyler Hess, sergeant at arms.

The national convention will be in Milwaukee during Christmas vacation. Delegates from here will be: Steve, Don Mery, Jim Miller, Paul Morris and Wayne Regue. The Charity Dance, scheduled in the Student Union after the Illinois Normal basketball game, will be the service fraternity's contribution to Christmas Week festivities. All proceeds will go to needy Carbondale families.

SIU Insurance Underwriters Program Offered

The division of technical and adult education will begin a special 20-week, four-year course that will qualify insurance men as chartered life underwriters Jan. 8.

Teaching the course will be G. L. Rigg, Centralia, a chartered life underwriter who has 20 years of experience in the insurance business. Serving as advisers with Harry B. Bauerfend, assistant dean of adult education, in planning the course are James Feirich and Harry R. Coles, Carbondale insurance men.

Participants who successfully complete the four terms of the course and pass examinations covering each of the four parts will be awarded chartered life underwriters certificates, the top qualification for insurance underwriters.

Benziger Picked Poetry Judge

James Benziger of the SIU English Department will serve as judge in the annual spring poetry contest of the Wells-Davies Club at a St. Louis literary group. Also on the panel of judges will be May Sarton, nationally known poet and past poet in residence at Southern.

This is the second time an SIU professor has been invited to judge poetry contests which come from within a 25-mile radius of St. Louis. In 1951 Robert Lauer of the English department was a judge.

SIU Students Maintain Good Health Record

SIU students maintain a better health record than most U. S. college students, "on the basis of national averages showing hospital days per student and number of hospitalized students," according to Dr. Anthony J. Raso, SIU Health Service director.

During the past year an average of only one-out-of-every-seven SIU students spent one day hospitalized, while the national average stands at one out of every four. Dr. Raso says Southern has maintained this high record during the past few years since comparative records have been kept.

500 students healthy are Dr. Raso, Dr. Katherine Kalinsky, associate University physician, and five nurses who compose the Health Service which operates as an outpatient clinic for a daily average of 100 student patients.

Dr. Raso points to SIU's active disease prevention methods, as possible clues to students requiring so little hospitalization. He says each student is given a thorough physical examination upon, or soon after, entering the University.

On a voluntary basis, students receive immunizations against small pox, tetanus, typhoid—and Rocky Mountain spotted fever if they are to take part in SIU's camp activities.

A QUICK check-up on 111 student illnesses contracted on camp—or at home—is made to prevent the spread of contagion. The Health Service also keeps a vigilant eye open for any environmental conditions that could jeopardize the welfare of students.

George Gallup Slams Text, Lecture Method

(AP) — The enemy of learning at the university level is the textbook, the classroom lecture and the course system, declares Dr. George Gallup, director, American Institute of Public Opinion. "As a one-time college professor, and as an observer of universities both here and abroad, I have come to regret, but inevitably to the conclusion," he adds.

"IN CONTRAST to European universities, we lean heavily on textbooks which consist for the most part of bits and pieces of knowledge cannibalized from other textbooks. Two often the professor, in his classroom lecture, merely repeats the material covered by the textbook. And the student, once he has memorized and then regurgitated the textbook material in a true-life quiz, can promptly forget the whole dull business."

"IS THERE any wonder that so many students stop reading books and stop trying to broaden their intellectual horizons when they leave college? For that is what happens. We have found persons who have not read a single book since they left school. On the occasion of its twenty-fifth anniversary, an alumni group of one of our best known universities sent a questionnaire to all members of the class. Half of all those replying admitted that they had not read any book in recent months. And that to me is at least one measure of how bad an education our country is giving."

GIrls' Rally Makes Constitution Change And Chooses Pin

GIrls' Rally met in Main 207 and made a change in the constitution to the effect that only officers and project chairmen will attend council meetings.

A pin was decided on at the last meeting and actives were told to get their orders in immediately.

GIrls' Rally will contribute \$100 to the orphanage in Hurst. GIrls were reminded that they must sign their hours by the noon preceding each meeting or they will be counted and they must wear arm bands.

Saluks Drop First Two Contests

Doss Shines At Pivot But State Stalls To Win

The height of the Salukis failed to net them a victory over Mississippi State Tuesday night as the "Of Miss" boys, sparked by a 5 ft. 11 in. guard, ran off with a 72-69 verdict.

Ashmore, State sophomore, ran amuck to dunk 25 points through the hoop and stall off the clamoring Salukis in the closing seconds. Duncan, his closest assistant, added 15 counters to the cause. Etheridge tallied 11, Houston a n d Ritchey had 8 apiece, and Cherry added 5 for the 72 total.

Gus Doss pin-pointed the Salukis attack with his hook shots and tip-ins to tally 26 markers. Capt. Gib Kurtz came up with 18, while Morgan added 14, and Whitlock was good for 100. Hold er added 1 point to total 69.

SLOW START
Both teams started slow and picked up the tempo together, keeping so close that the Salukis held hands 13 times and was tied 10 times.

About 4 minutes into the game, Southern, led by Jack Morgan, built up the biggest lead it was to have, 9-4, but the State boys gathered forces to knot it 15-15 at the ten minute mark.

Moving towards the end of the first half, Kurtz dumped through 2 nice shots as Doss added 4 four pointers. Then just before the end of it Whitlock came through with two quickies. But the state boys, with Duncan and Houston shining, poured in markers to hold a 34-29 half-time advantage.

SECOND HALF SHOW
Doss led the Salukis through the second half with some magnificent tip-ins, but a stellar performance was the defensive rebounding of Larry Whitlock. The State was set to come, however, as Ashmore scored 15 of his 25 total in the final 9 minutes and then put on a scorching exhibition to stall the final minute while the Salukis gave Jack Morgan.

This leaves the Salukis still looking for the first win as they host Midwestern College of Texas tomorrow.

Intramurals

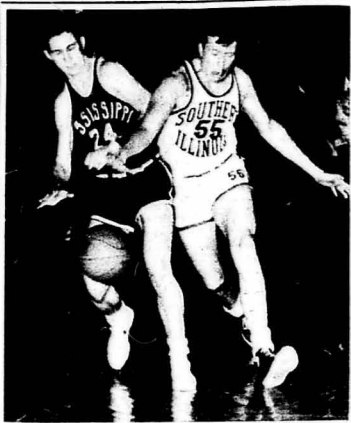

As of Monday morning there were 52 teams listed to play in the four intramural basketball leagues. However, more were expected later on Monday afternoon, which was the deadline.

In the Fraternity league nine teams were entered, but since several of the teams were from the same fraternity, more teams were expected in this league. In the Independent League 17 teams were turned in, and Intramural Director Abe Martin said Monday night that he expected at least twenty teams in this league. The Men's Residence Halls League has eight teams turned in, with the same number of teams in the Organized House League.

Play was started this week on Tuesday. Wednesday and Thursday evenings are starting at 7:00. Two games will be played at once by playing cross court and a total of six games will be played each night.

After the holidays, games will be played Wednesday and Thursday at the Armory. Games played at the Armory can be started earlier so that students can be back to the campus at the time the games at the gym would ordinarily be over.

Twenty-eight students took the Basketball Officials test but only about ten will be added to staff. Others will be added as needed.

Fighting for the ball are Ritchey of Mississippi State and Zebos of Southern in this action shot of the second half of the Tuesday night game. State won, 72-69.

Stags Take Lead In Indee League

The Stag club quintet forged into the SIU Independents Students bowling league last week by rapping Duke Dormitory for the full count. Bob Abbrono led the cannoning with 478 followed by Ken Davis' 465 and Dick Hoover's 462.

The Bloopers upset the erstwhile league leading Chautauqua five in two games, dropping them a few percentage points back of the lead. For the Bloopers, John Ewald rolled a 503 and Victor Benz and 495. Darrell Thompson engineered a 544 effort followed by Ed Langen's 539 set for Chautauqua.

H.O.H.N. quintet zoomed to a new season's high team game and series this season with 898 and 2540, respectively, while white-washing the Five Aces. Eldred Mueller's 540 and Don Sorger's 500 sets the big notes for the record-breakers.

Brown Jug closed the agenda with a 3-1 licking of Woody Hall mainly on John Meckles' 502 series.

IIAC Play About To Open; Eastern Favored

The 1954-55 season is now underway with some tilts having been concluded. Play between IIAC members, however, will not start until Dec. 1.

Veteran players are scarce this year on the Illinois Normal quintet, and Coach Jim Goff will be experimenting considerably for a starting five. One sure starter, however, is Fred Marberry of Peoria, who notched 305 points last season.

Jim Skala of Michigan Normal is one of three new mentors this season, the others being Bill Kelly at Central Michigan and Bill Healey at Northern. Healey, however, cannot be considered new to the IIAC, as he formerly coached at Eastern, and Kelly is the Chips football coach.

Skala had the honor of taking over the circuit's only foreign leg when he opened against Canada's Western Ontario. Last year's sixth-place Hurons are taller this season, and four of the first five are returning.

NORTHERN IS DARK HORSE
Northern already has several contests under its belt. The Huskies looked good on rebounding, and veteran forward John Olson, Chicago, along with another Chicagoan who prepped at DuSable, Bobby Jackson, had shown well.

Coach LeRoy Morley of Western Illinois, whose Leathernecks opened against Kirksville State, has a strong grip returning this year at Kansas City.

WESTERN HAS VETERANS
Morley is expected to start Talbot of DePue and high-scoring Mr. Small Stoner of Henry are probable forwards, while another Talbot brother, Gene, and Lupe Rios, also of DePue, vie for the guard spots. The center position is a toss-up between veteran Jim Thornton of Springfield, and Charles Schramm, a 6-7 newcomer from Highland Park.

Coach Bill Kelly and second-place Central Michigan have nine returns, including four regulars.—Dick Kackmeister, Bob VanderWerf, Don Ellis and Glenn Stuart. VanderWerf and Stuart had from Grand Rapids, while Ellis played at Lansing and Kackmeister prepped at Signaw.

At Southern, Coach Lynn Holder, had seven monogram winners back from last year's team which tied Central for second in the IIAC.

Captain Gib Kurtz of East St. Louis, and Jack Morgan of Carbondale head the returnees. Others are Dick Blythe of Gary, Ind., Gordon Lambert of Marion, Wayman Holder of Carbondale, Bill Woods from Lawrenceville, Gene Tabuchi of Auburn, and Pete Baggett, another Marion boy.

EASTERN MAN HURT
Defending champion, Eastern, was struck a blow recently when Bill Parmentier of Gillespie, a top guard candidate, was hospitalized after an appendicitis operation. Coach Bob Carey expects the 6-0 junior will be out almost a month. Carey will do a great deal of shifting. He has four returning regulars and some promising reserves, as the Eastern players seek their seventh consecutive conference title.

Millikin Cops Opener, 82-62

The Salukis dropped their opening game of the season to Millikin last Saturday night 82-62. Lochlin led the scoring for Millikin with 22 points. Larry Whitlock, freshman from Mt. Vernon, tied the Salukis with 19 points. Captain Gib Kurtz was handicapped by an injured nose, but scored 6 points.

Millikin took an early lead, and succeeded in holding it the whole game. The score was 38-29 at the half and as the second period got under way, the Salukis made their bid and brought the score up to 38-33. Millikin again got rolling and by the ten minute mark had a 13 point lead, 61-48. Millikin coasted through the last minutes to a 82-62 victory.

Although Southern didn't win, Coach Holder got a chance to experiment, and try out most of his boys. Jack Morgan, a veteran of last year's first five, scored 15 points, and Blythe, who played a good game at guard, scored 10. Marion Rushing, promising looking freshman from Pinckneyville, scored 5 points, and Gordon Lambert, sophomore, scored 3. Joe Johnson, and Wayman Holder, each scored 2 points.

Two boys who may be varsity bound are Zebos, and Gus Daves, both of them played in the J. V. inter-squad game, and looked good.

Driving in and having the ball up is Capt. Gib Kurtz in the Mississippi State-Southern game. Right behind him in case he misses are Houston of State and Whitlock of Southern. Kurtz scored 18, Whitlock, 10, and Houston, 8 in the game and take tussle Tuesday night.
