Passage Of Bond Issue Almost Sure

More than half of the Illinois citizens who voted in the presidential election voted "yes" on the \$15 million Universities Bond Issue, unofficial returns indicate.

The Alumni Office reported Wednesday that an unofficial tally shows 2,625,373 "yes" votes for the bond issue. State officials reported 4,792,000 votes in the presidential election.

One more vote than the total ballots cast for the General Assembly is required to pass the bond issue.

Harold Gibson, state chairman of the bond issue, said the legislative vote usually is about five per cent less than the presidential vote. Half the presidential vote would be about 2,371,000, which gives the "yes" votes—officially—about a 250,000 edge.

Cook County came through with the big chunk—1,653,881 affirmatives. The figure is about 7,000 more than the original unofficial number released after the Nov. 8 election.

Alumni Assn. officials said they are silently confident of the bill's passage, but official passage will not be announced until later because of a Cook County tie-up. Republican state officials have demanded a recount of votes, charging fraudulent balloting.

The bond issue passage will probably not be made official until the fraud claims are examined.

Textbook Sale Next Week

Used textbooks will go on sale at premium prices Monday and Tuesday in Morris Library, according to the textbook service.

Several thousand texts no longer used in classes or showing excessive wear will be liquidated both days from 7:45 a.m. to 11:45 a.m. The books will be available on the second floor at the top of the center stairway by the circulation desk. All sales are cash only.

Santa Season On Campus

Yuletide Events Begin Tonight With Annual Carol Singing

Even Santa Claus would have to work overtime to attend all the Christmas Week activities that begin on campus tonight and continue through next Thursday.

A host of Yuletide activities from concerts to window painting are on tap for the annual campus celebration, themed this year "Christmas Fantasy."

Rita Moll, chairman, said the week will get under way tonight when carolers assemble on University School lawn for the carol singing.

Carrying lighted candles, about 100 campus organizations will sing first a group song, then blend their voices in a traditional carol. Following the singing, the scene will shift to the Student Union at 9 p. m. where students are invited to help decorate the building and a super fir tree inside.

The occasion is the annual "Deck the Halls" party. Popcorn, mistletoe, paint and tinsel will be supplied by the Union.

"Pudding-light" will be the main source of illumination at the "Flaming Pudding" party, also held in the Union at 9 p. m. For a small fee, students can buy the incendiary treat. Sponsor is Off-Campus President's Council.

Santa Claus Appears An estimated 600 persons are expected to attend the free "Christmas Carouse" dance at Lantz Hall from 8 p. m. to midnight tomorrow. Santa Claus will make an appearance and entertain with an imitation of comedian Shelly Berman by Ken Reschel.

The Christmas oratorio concert will be from 3 to 5 p. m. Sunday in Shryock Auditorium. It will be repeated at 10 a. m. Monday. Both concerts are good for convocation credit.

Free hot doughnuts and cold apple cider will be served at the Student Union from 9:30 to 11 p. m. Tuesday morning. The occasion is the annual "Deck the Halls" party.

Tuesday morning, the occasion is President and Mrs. Morris' doughnut hour.

Finals of the week will be the school Christmas assembly at 10 a. m. Thursday in Shryock Auditorium. A standing-room only crowd is expected.

The program includes reading of the Christmas story by President Morris and seasonal music by the University Symphony and the precision voices of the AF-ROTC department's Singing Squadron.

Steering committee heads are: Jackie Hughson and Rick Keen, Christmas sing; Jean Olsen and Dick Schally, Christmas dance; Mary Phillips and Neil Maxwell, program chairman; Mark Walker and Marcy Lorenz, Christmas assembly.

Mary Phillips and Ken Orsted, camp decorations; Judy Barker and Dop Karug, house decorations; Sue Easterday and Gerry Cummings, program chairman; Wood and Barbara Weber, publicity and Joyce Vier, secretary.

Three films are on tap for moviegoers this weekend, co-sponsored by the Student Union, sociology and zoology departments.

TONIGHT THE PERFECT FURLOUGH, hilarious Army comedy in which a corporal with a reputation as a Casanova wins a "perfect furlough" in Paris with the movie queen of his choice. But romantic complications ensue when a female Army psychologist goes along as chaperone. The color film stars Janet Leigh, Tony Curtis, Keenan Wynn and Linda Cristal. Not Spies

Patrol Cleared Of Rumors

The Mustoe Committee has cleared the Saluki Patrol of spy rumors.

Marie Turnipseed, Southern's National Student Assn. coordinator, said Wednesday rumors regarding the utilization of the Saluki Patrol in plain clothes to enforce University regulations are unfounded.

"He is no longer on the payroll because he is no longer needed. His duties were checking on cars which might be illegally possessed. The guy was hired, he was used, he was paid and then he was released when his work was done. It was as simple as that."

Farmer CIC Man Ragsdale said the student was a former intelligence man in the U. S. Army.

The committee's report also stated: "In conversations with Dean Davis (Director of Student Affairs I, Clark Davis) and Mr. Leffler (Security Officer Thomas Leffler) it was stated that the Security Office is charged with the responsibility to enforce the Motor Vehicle regulations and this method of enforcement is not inconsistent with University policies."

Miss Turnipseed said the committee has not found an event or activity which would substantiate rumors regarding checks of apartments and parties. She said it was found that information regarding such activities reached the University Police through official complaints by neighbors.

Bowyer Bonnie Bounces Boy Behind Boards

A petite member of the opposite sex last week showed that all women are neither shy or scared when they awake in the wee hours and find a man in their room.

A female student ran a man out of an adjoining Boyer Hall room about 4 a.m. Nov. 23.

She woke to catch an early morning train home for the Thanksgiving vacation and spotted a man peering at her over the top of a partition separating the rooms in Boyer.

She went into the room and found the man, attired only in sneakers and a trench coat, crouching with his hands over his head. She tapped him on the head and at first he didn't respond.

He fled after the girl belted him a bit harder on the cranium.

Security officers are searching for the early morning intruder and have two persons who might fit the girl's description. The girls who occupied the room where the man was hiding were at home already enjoying Thanksgiving vacation.

Sunday Christmas Oratorio Expected To Fill Shryock

A standing-room only crowd is expected Sunday when the 250 voice Southern Illinois Oratorio Chorus, the University Choir and an antiphonal choir of selected high school singers perform Bach's "Christmas Oratorio" here.

The Christmas oratorio, a fixture at Southern for more than a decade, will be at 3 p. m. in Shryock Auditorium. The program will be repeated at 10 a.m. Monday for those who miss the first performance.

Featured soloists will be Leslie Chabay, operatic and concert tenor, from St. Louis; Carolyn Hackman, St. Louis contralto; Carol Cook MacClintock, soprano from the SIU voice faculty and baritone Charles Kelley, also of the music faculty.

Composed in 1734, the J. S. Bach oratorio celebrates the Festival of Christmas as formerly solemnized by the Reformed Church of North Germany. One of the composer's greatest works.

Harmony Show Tryouts Set Next Week

Tryouts for a Harmony Show to be sponsored by the Student Union late in January will be held Dec. 6-8.

Any group with three to eight people may enter the contest featuring barbershop and other campy singing must be a capella without dialog, props and chit-lit.

Initial tryouts are from 7-11 p.m. Tuesday and Wednesday in Room 115 of Altgeld Hall. Final tryouts are slated for Shryock Auditorium 7:30 Thursday night.

Sally Newman, 102 Small Group Housing, Glenview 7-4574, can supply further information.

Mother Dies In Holiday Auto Tragedy

A trip to Carbondale to return a son from Thanksgiving vacation resulted in tragedy Sunday. Two deaths were recorded.

Mrs. Martha Lorene Brown, mother of sophomore Lowell Brown, died in Franklin Hospital, Benton, following a two-car collision 10 miles east of Benton Sunday afternoon.

The student's father, Wayne, and an 11-year-old brother, Charles, were hospitalized in serious condition. The Browns had brought their son back to Southern after the Thanksgiving vacation and were en route to their home in Gett.

A 17-year-old Benton High School athlete driving the other car, Marvin Lloyd Reed, was also killed and 16-year-old Sharon Hall of Benton, a passenger, was critically injured.

Typical Of Area

100 Tons Of Rocks--\$5,000 Worth--Dot SIU Landscape

Although most boulders which now dot parts of the campus were originally located to keep students on the paved paths and from cutting across the green. Loneragan said he didn't realize they'd have such an "interesting and consistent use."

The architect referred to the use many couples make of them—as seats.

Short Cuts Blocked Rocks were also "planted" in several strategic spots to keep service trucks from taking short cuts. Loneragan said they were placed at three locations

PEDESTRIANS ONLY

CONSISTENT SPELLER

Somebody on this campus besides students can't spell. Not long ago it was discovered that the word "University" on faculty decals was spelled "Universty." Now somebody (more than likely not the same person) has planted a warning note to careless bicycle riders on all the campus walks. The wild spell, however, said "pedestrians only." Such is an education.

Schools, State Seek Employees

Representatives from the following organizations are on campus today to interview students for jobs.

State Department of Personnel, seeking interviews with seniors and graduate students interested in career opportunities in Illinois government.

Arlington Heights elementary schools, elementary and junior high school candidates for all grade levels and departmental areas from kindergarten through the eighth grade.

Patients at the Health Service are being soothed by fidelity music these days.

A combination radio-phonograph worth \$200 has been recently purchased. Personnel said the music is for the comfort of patients and students who have to wait in the lobby.

The Health Service, under the direction of Dr. Richard Lee, is located at the south end of Washington Street.

Players Raise Curtain On Mystery Drama Here Tonight

One of the great mystery plays of recent years will be open at 8 to tonight on the Southern Playhouse stage for an eight-night run. The production is the Players' version of Vera Casper and George Sliar's "Laura."

The campus opening will follow road trip through 28 southern Illinois communities which included a sensational reception at Menard State Prison, Chester.

Charles Zoelcker, associate professor of theater and director of the campus production, estimates the Players' interpretation was seen by 45,000 to 50,000 people.

Plot Synopsis The three-act play is the story of a detective who falls in love with the image of a woman whose death he is investigating. When she reappears, alive, his conflicts mount as all evidence points to her as the murderer of the real victim.

Playing the lead role of Laura will be Jennifer West of Anna Paul Brady, Downers Grove plays the love-smitten detective, MacPherson, and Neil Newlon, Cameroun, plays Danny Dorgan, one of Laura's three suspected lovers.

Rennie Cook, East St. Louis and Alan Rothman, St. Louis, play Shelby Carpenter and Waldo Lydecker, the other two men in Laura's past. Julie Brady, Lincoln, who plays Paul Brady's wife "Laura."

All members of the cast are theatre majors and are students in a "theatre practicum" class. Most performers fulfilled a department requirement by participating in the play and going on tour with it.

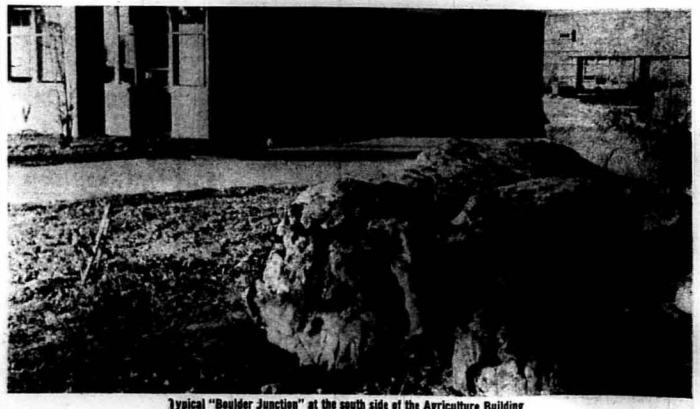

Juniors and seniors in theatre are expected to go on tour with at least one play before graduation.

Curtain time for each of the eight performances is 8 p.m. Tickets are on sale at the Southern Playhouse box office weekdays 10-11 a.m. and from 3-4 p.m. Tickets are available before each performance from 7-8 p.m. Reservations may be made by calling Extension 350. Price of admission is \$1.

Editor's Opinions

Policy On Names

A letter to the editor last week brought attention to the fact that some stories concerning disciplinary action do not include the names of students involved.

Students who become involved in a campus involvement can hardly be compared to a person who has been charged by police with a civil misdemeanor.

The Egyptian will print the names of students who are charged by local police because the record is open to the public.

A student who has been charged by police and who is subject to disciplinary action by the University at the same time will be named.

The philosophy behind this policy is that many students become involved in minor scrapes during the formative years.

Disciplinary action taken by the University is meted out more as a learning method than as a punishment.

We ask ourselves this question: What can be gained by printing the name of a person involved in a minor campus disturbance? If identity does not

add something to the story, it is senseless to persecute a person by publishing his name.

For example, more than 50 students early this quarter were placed on disciplinary probation for falsifying identification cards.

The purpose of a newspaper is not to satisfy the vulture curiosity of the masses.

But the publication of names for no significant reason can sometimes only add spice to idle gossip.

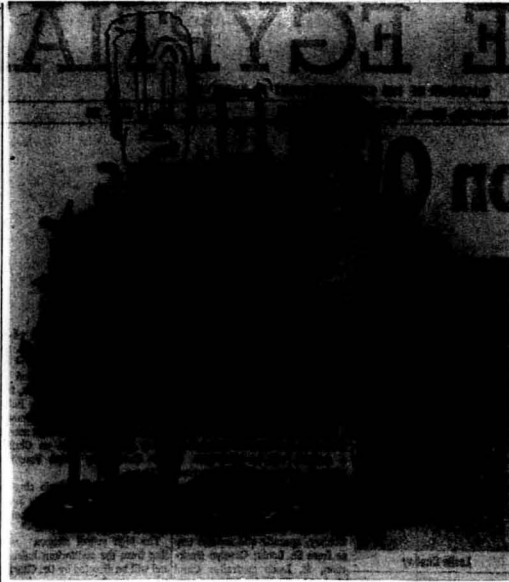

Gus sees his girl had more freedom at home than she has at Southern.

Gus watched the election returns and decided those high-powered machines would make a better president than the candidates.

Gus followed the arrow on the sign at the corner of Harwood and Illinois, but see he didn't see any student affairs.

Gus sees the torch marathon would have been much easier if students had cars to drive to Chicago.

"I've got a feeling the Saluki Patrol is on the prowl again."

Films Fete Faculty Club Tonight At 7:30

Illustrated talks concerning Pakistan and Belgium will be given at 7:30 this evening in the Faculty Club.

Mrs. Safia Jamil will show a film depicting the women and folk music of Pakistan and Armenia.

Refreshments will be served club members and guests for 25-cents.

Thought for the day: Nothing is easier than watching another man do a job.

We generally refuse to print letters to the editor which aren't signed by the brave few.

"With all the rules around this place governing student conduct, you'd think that there would be one to cover my problem, but there isn't."

"I am a strong champion of the rights of man and one of my rights has been infringed upon.

foot down. "Recently as I was passing WSU, the door opened and two people burst forth, one male and the other female.

Then I did a doubletake, for the girl was smoking the cigar, not the guy.

"Since when did women start smoking cigars? Shouldn't there be a rule against such infringement upon the pleasures of men?"

And to think that students in other colleges are warring about war!

Resident Fellow Applications Now Available

Applications for about 40 resident fellow positions for 1961-62 may now be obtained from the Housing Office.

Both male and female, undergraduate and graduate students will be considered.

The position offers room and board plus a commission. General responsibilities include living with a small group of students in residence halls.

Jan. 6 Deadline For NSF Fellow Awards For 1961

Students interested in National Science Foundation Graduate Fellowships for the next academic year have until Jan. 6 to file applications.

Offered in three categories—first year, intermediate and terminal year—the fellowships provide stipends of \$1,800, \$2,000 and \$2,300, respectively.

Fellows will be expected to devote full time to study and/or research. The foundation deems teaching experience valuable and allows institutions to require this of the students so long as it does not constitute a major part of the academic program.

Awards are for the natural sciences, the social sciences and for interdisciplinary fields.

Married fellows are provided with additional funds for each dependent.

Applications may be obtained from the president of the university, from the dean's office or from individual departmental offices.

Counseling Service Available For Those 'Personal Problems'

By Judi Shulmintras
 Staff Reporter

Students with personal problems have access to a special University service to help them overcome their difficulties. Located in the Office of Student Affairs, the staff of the Counseling Service is available for interviews with any student.

"In personal counseling we try to set an atmosphere in which students can grow psychologically," said Dr. Jack W. Graham, coordinator.

The service is staffed by three fulltime counselors, two parttime staff members and two fulltime members of the testing faculty. A counselor is on duty daily from 8 a. m. to 5 p. m. for general consultation. Students wishing to see counselors of their choice must make an appointment with the receptionist in the OSA.

According to Dr. Graham, "The Counseling Service tries to provide a setting in which students can talk freely about anything they want to." This includes academic problems, difficulties in social adjustment, conflicts with parents and assistance in finding a life goal.

Most students who utilize this service come "on their own." However, some students may be referred by grade advisors, resident counselors or faculty members.

The average length of consultation is three visits, although some students may find it helpful to receive counseling over longer periods. In some cases students are referred to other University services for more specific aid.

There is no fee to students for the counseling.

Any freshman interested in having his entrance test scores evaluated is invited to make an appointment for this purpose.

Students may arrange appointments by calling the Counseling and Testing Center at Extension 4211.

Teacher Exam Deadline Near

Future teachers wishing to take the National Teacher Examinations Feb. 11 must file applications by Jan. 13.

Administered at 160 testing centers in the United States, the test spends an entire day taking the Common Examinations including tests on professional information, general culture, English expression and non-verbal reasoning—and two or three optional exams in selected fields.

Information and application forms may be obtained from the Educational Testing Service, 20 Nassau Street, Princeton, N.J.

Convo Credit Available For Five Activities

Freshmen may obtain convocation credit at five more campus activities this quarter. A total of 10 credits are required of freshmen each quarter of their first year.

Remaining events are:
 Sunday - oratorio concert, 3 p. m., Shryock Auditorium.
 Monday - oratorio concert, 10 a. m., Shryock Auditorium.
 Thursday - Freshman Convocation, 10 a. m., Shryock Auditorium.
 Thursday - speech department reading, 8 p. m., Morris Library Auditorium.

Girls Change Story Of Knife Threat

Two students charged by teenage girls with brandishing knives and offering drugs have been cleared by city police.

The two 15-year-old girls originally told police that two Southern male students held them at knife-point and offered them "something that looked like narcotics" Saturday night.

The girls in court changed their story, however, and said the boys did not have knives and possibly the "offering" was not narcotics.

A police magistrate released the boys after hearing the girls' stories.

Hartzog's Harriers Harness National Title With Ease

Salukis Set Meet Marks

A Saluki grand slam in cross country circles was completed last week when Coach Lew Hartzog's harriers copped the NAAU national championship at Omaha, Neb. in record breaking style.

Coupled with the SIU Invitational, State and IAC conference crowns, Southern's Saluki runners posted an unbeaten season.

Freshman Joe Thomas captured first place in the hilly four-mile chase with a record busting time of 20:30. Thomas' time erased the former meet record held jointly by Central Michigan's Ed Vanderhuel and Tom O'Riordan of Idaho State College. The old mark was 20:55.6.

South Team Mark
Southern's team point total of 37 breaks the old all-time low winning mark of 45 set by Howard Payne of Brownsville, Tex., in 1957. SIU ran seven boys in the race and even the last five finishers would have won the title to the Salukis.

Earl Detrick of Graeceland College, Lamoni, Iowa, took second 100 yards behind SIU's Thomas.

John Flamer of Southern took third place honors with a time of 21:03.

Other Saluki finishers were Alan Gelsco, eighth in 21:18; Gary

Coffman, 21:36; edged teammate Don Trowbridge by one second for 18th; Don Hequembourg finished 24th in 22:12 and Fred Arnold was 28th in 22:19.

Southern's victory margin was an overwhelming 66 points. The Salukis, with a total of 37, easily topped second place Graeceland with 103 points. Howard Payne, the meet favorite, ran third with 105.

Hartzog, in his first year as head coach, was practically speechless as he said, "There's nothing I can say to add to Thomas' showing, and Flamer was capable of that fine race. Gelsco, Coffman and Trowbridge ran their best race of the year. Alan (Gelsco) finished only one second behind Northern Illinois' heralded Dave Stern—what a team effort!"

Other team scores: Mankato 117, Kearney (Neb.) Teachers 125, South Dakota State 130, Northern Illinois University 168, Kansas State Teachers (Emporia) 176 Wayne (Neb.) Teachers 232, North Dakota State 244 and Wisconsin State of Platteville 270.

Eighty-nine runners started the grueling four-mile grind over the toughest cross country course in the nation and 88 harriers crossed the finish line. The course, just one hill after another, has no flat spots. Many boys walked up some of the terrain.

Gym, Pool Not Available

The gymnasium will not be available for co-recreational purposes today, Glenn "Abe" Martin announced.

Martin pointed out that the swimming pool would not be available for co-recreational use to narrow because of the varsity swimming meet with Indiana University at 4 p.m.

Salukis Reject Bowl Bid

Southern's football Salukis received a bid to the Great Southwest Bowl but had to reject the offer because of NCAA rules.

The game—to be played in Grand Prairie, Texas, near Dallas, Dec. 31—is nicknamed the "Little Cotton Bowl." Southern's opponent would have been Texas A & I winner of last year's NAAU Holiday Bowl in St. Petersburg, Fla.

Athletic Director Donald N. Boydston learned from NCAA secretary Walter Byars that the particular bowl game had not been approved by the NCAA.

'Pacho' Loses In National Quarterfinals

Francisco "Pacho" Castillo, Larry Ohlin and Jerry Podesek, Southern's fabulous freshmen, failed in their bids to capture a title at the National Boys and Juniors Indoor Tennis Championships last week in St. Louis.

The trio, part of a package deal made by tennis coach Dick LeFevre which brought four high school team mates from Hamlet, N.C. to Southern, weren't able to get past the quarterfinals.

Castillo, rated the best of the foursome, was seeded fourth in the singles competition. "Pacho" was eliminated in the quarterfinal round by Billy Higgins of Lawton, Okla., 6-4, 6-3. The Saluki racketman defeated Granite City's David Moss 6-0, 6-1 in the first round and Claude Bakewell of St. Louis 6-2, 6-3 in the second round.

Podesek and Ohlin were beaten in the first round of play. Larry lost to Karl Hedrick of Freeport, N. Y., by scores of 6-1, 6-2. Jerry bowed to Larry Kast of St. Louis 6-4, 6-2.

Castillo, former national boys division champion, teamed with Fritz Schuck of Rice in the doubles play. The duet, seeded second in the juniors division, lost in the quarterfinals. They dropped sets of 6-2, 3-6, 6-3 to Brown and Hedrick of New York.

BLOCK AND BRIDLE MEETING IN CHICAGO

Daryl Reid, Sparta, president of the Block and Bridle Club, and R. D. Bruce, Wayne City, represented the SIU chapter at the National Block and Bridle meeting Monday in Chicago.

The meeting was held in conjunction with the International Livestock Show.

Saluki Gymnasts Rate Best Bet To Dethrone The Mighty Illini

Gymnasts from eight states are converging upon Chicago's Midwest Open tomorrow. Co-favorites for this year's showdown are the University of Illinois and Southern's Salukis.

SIU's squad, coached by Bill Meade and led by Olympian Fred Orlofsky, are rated as the only team which can dethrone the mighty Illini. Illinois has won the coveted title for the last four years.

Meade has listed 11 men on his roster but only 10 can make up a team, the 11 men re-coopators: Bob Kies and Ed Buffum, Orlofsky, Fred Tijerina, Len Kalikian, Bill Simms, Ed Foster, Hugh Blaney, Bruno Kalus, Jon Shlier and John Taylor.

Pleased over the pre-season showing of his squad in an intra-squad meet Nov. 22, Meade has decided to enter a group of independents in the AAU meet. The Saluki mentor intends to enter four Saluki freshmen, Tim Phillips and another entry to be named from the 11 gymnasts listed above.

The four freshmen Meade has tagged for competition are Rusty Mitchell, Tom Geocariss, Chuck Woertz and Bob Schoepke. Mitchell is by far the most talented of the foursome. Geocariss, pegged by his coach as future all-around man, did exceptionally well on the still rings in the intrasquad meet. Woertz's tumbling and Schoepke's consistency also brought favorable comment from

the Saluki coach. Other teams expected to compete in the Midwest Open are all the Big Ten squads, all the IAC teams, the Swiss Turners, many independents, other area schools and possibly NCAA champion Penn State.

This is the first outing of the year for all of the teams. The year's schedule includes five dual encounters with Big Ten Conference schools. The card has Meades Salukis visiting Minnesota, Michigan State and Michigan while Iowa invades SIU. The featured attraction of the year, outside of the NCAA and AAU national championships, is a home-and-away series with the University of Illinois.

Southern's complete 1960-61 schedule follows:
Dec. 3 Midwest Open; Dec. 10 Central Michigan, home; Dec. 26-30, National Gymnastic Clinic at Sarasota, Fla.; Jan. 14, Illinois, away; Jan. 21, Iowa, home; Jan. 28, Minnesota, away; Feb. 4, Ball State College, home; Feb. 11, Illinois State and Eastern Illinois, home.

Feb. 13, Michigan, away; Feb. 14, Michigan State, away; Feb. 17, Western Illinois, away; Feb. 18, U. of I. (Chicago Branch) and Illinois at Chicago; Feb. 25, Illinois, home; March 2-4, IAC at Charleston; April 6-7-8, National Collegiates at Champaign; May 56, National AAU at Dallas, Texas.

Prrson Gym Meet Deadlocked

Bill Meade, Southern's assistant coach, was all smiles Nov. 28 as his freshman sophomore squad came from behind to tie the junior-senior team 96-96.

Some 500 Saluki fans braved a rainy night to witness the sneak preview of the 1960-61 Salukis, gymnastic style, in the Men's Gym.

The meet was described as a pre-season warmup for the season opener—the Midwest Open—tomorrow in Chicago.

"He's the first one I've had that I felt I couldn't beat," declared Meade after watching freshman Rusty Mitchell go through his tumbling routine. Meade was a star tumbler at Penn State University. Mitchell Sparks Comeback
Trailing 49-47 going into the fifth event of the evening, the freshman sophomores took first, fourth and fifth in tumbling to tally nine points for the tie. Mitchell at his best brought the crowd to its feet with each trip to the mats. The freshman sensation received a 97 rating for his near-perfect performance. Scoring was based on a possible

100 points. Rusty also copped first in free exercise.
Fred Orlofsky, SIU's Olympic team member, was the only athlete to capture two firsts as he took the side horse and still ring events. Fred finished second on the parallel bars and in free exercise.

"This is more than I expected," said Meade in describing the team's performance so early in the season.

Mitchell, greeted with applause after each trip to the mat, finds himself in the same position that Orlofsky was in a year ago. Rusty, despite his skill, will not compete in varsity meets this year because of his freshman classification. Orlofsky, a member of the United States Olympic squad, will be participating in his first varsity meet this season. Fred will be held out of competition last year as a first year man.

Competing for the freshman-sophomores were Orlofsky, Mitchell, Chuck Woertz, Bob Schoepke and Tim Phillips.

Making up the junior-senior squad were co-captains Bob Kies and Ed Buffum, Bill Simms, Ed

Poster, John Taylor, Hugh Blaney, Len Kalikian, Jon Shlier and Fred Tijerina.

The results of the intrasquad meet follow:
Free exercise—Mitchell 92, Orlofsky 90, Simms 85, Kalikian 84, Klaus 83.5.

Trampoline—Blaney 91, Shlier 86.5 Woertz 86.5, Kalikian 86, Schoepke 81.

Side horse—Orlofsky 92, Simms 91.5, Kies 87, Klaus 85, Taylor 86.5.

High bar—Klaus 90, Simms, 87.5, Phillips 87.5, Taylor 85, Geocariss 82.5.

Parallel bars—Tijerina 95, Orlofsky 91, Klaus 90, Simms 89, Taylor 85.

Still rings—Orlofsky 93.5, Foster 92.5, Simms 87.5, Tijerina 86.5, Klaus 85.

Tumbling—Mitchell 97, Kalikian 97, Blaney 86.5, Woertz 84, Schoepke 76.

Cagers Battle Toledo

Harry Gallatin's running Salukis face another group of speed merchants tomorrow night when they meet the Toledo Rockets in Toledo, Ohio.

Toledo, rated as the team to beat in the Mid American Conference basketball race, has an extremely aggressive and fast breaking ball club.

The Rockets will be the Salukis' second opponent on their opening swing through the East. Last night Southern met North Carolina State's Wolfpack in Raleigh, N.C.

Gallatin's team is operating without the services of last year's scoring leader, Charlie Vaughn, who averaged 26.5 points a game. Vaughn, scholastically ineligibly, hopes to rejoin the Salukis in January when the winter quarter opens.

The Salukis will go with four regulars from last year's team that compiled a 20-9 record.

Starting at the center post for the Salukis will be 6-6 Tom McGreal. Capt. Don Hepler, second leading scorer last season, and Randy McClary will man the forward positions and Jim Gualdoni teams with Harold "Sonny"

Bardo at the guards. Bardo, a reserve last season, is noted for his defensive prowess.

Ed Spila figures to get Gallatin's nod as the sixth man and he can spell either Hepler or McClary at the forward position. Dave Henauq is the next reserve to get the call to action if either Gualdoni or Bardo falter at the guard posts.

Sophomore Frank Lentfer (6-8) is Gallatin's replacement for McGreal. Frank, taller than Tom, may jump center for the Salukis against taller opponents.

"It's got to be a supreme team effort," declared the SIU mentor in describing the entire season. Fully aware of the scoring punch he hopes to see at least four Salukis in the double figures of scoring for each game.

"Our defense is greatly improved, so this will cut down the demand on our offensive punch," continued Gallatin. "We'll look for the fast break but we'll be more of a pattern ball club this year."

The Salukis open on what has been called a "S-T-O-P" day night.

Five Salukis Gain IAC Team Berths

Five Salukis have been selected as members of the All-IAC conference football squad. The announcement made Wednesday showed a Saluki trio in the offensive backfield and one Southern.

Houston Antwine, was picked by the conference coaches on both defensive and offensive clubs.

Pat Winter, Southern's able field general, edged Northern's Tom Beck at the quarterback reins. Capt. Tom Bruna and Amos Bullocks completed the Saluki-studded backfield. Paul Brostrom, captain-elect for next year's campaign, was named to the defensive squad and Salukis Dennis Harmon and Garry Secker received honorable mention.

Antwine on Both Teams

Antwine, four-year regular at SIU and this year's MVP was the only player to receive berth on both the offensive and defensive units. Antwine, Al Eck and Bob Solits of Northern, Wayne Lunak of Western and Leonard Ruzicky of Illinois State are the only repeaters on the all-conference squad.

The Salukis claimed the IAC grid crown for the first time this fall with a perfect 6-0 mark and came within 13 yards of setting a new team rushing record for the season.

Western's Leroy Jackson, the league's scoring champion with 100 points, completed the backfield.

Each school in the seven-member conference was represented at Central and Eastern Michigan each placed four players on the squad while Illinois State representatives received three berths and Eastern Illinois one.

The selections follow:

OFFENSIVE TEAM

Grapplers Meet Nation's Best

Coach Jim Wilkinson's grapplers must face two of the nation's top wrestling squads this season.

The Saluki wrestlers play host to the Oklahoma State Cowboys, to the fifth-ranking team in last year's NCAA meet, Feb. 13, before traveling to Norman, Okla., Feb. 23, for a dual match with the defending NCAA champion, California Sooners.

Southern wrestled against the Cowboys last year in Stillwater, Okla. The meet attracted some 5,000 avid wrestling fans to the nation's grappling capital. The Salukis were soundly beaten by State and that ended their 31-meet winning streak.

Wilkinson's highly-regarded Salukis compete tomorrow in the Illinois Invitational at Champaign before opening the dual meet season here next Saturday against Central Michigan's Chippewas.

Other highlights on Southern's schedule are meets at N. J. State, Mich., Golden Colo., and Corvallis, Oregon.

The complete schedule follows:

Dec. 3, Illinois Invitational at Champaign; Dec. 10, Central Michigan, home; Jan. 14, Northern Illinois, away; Jan. 21, Rittenour Y.M.C.A., home; Jan. 27, Mankato State, away; Jan. 28, Wisconsin State, away; Feb. 4, Eastern Illinois, home; Feb. 11, Illinois State, away; Feb. 13, Oklahoma State, home; Feb. 23, Oklahoma, away; March 4, IAC at Mt. Pleasant, Mich.; March 16-18, NAIA at Golden Colo.; and March 27-29, NCAA at Corvallis, Ore.

Southern's Swimmers Open Against Power-Laden Indiana

Heading Southern's list of returnees are Larry Assmusen, Ron Ballatore, Ron Deady, John Fischbeck, Jim Fountain, Bill Jensen, Ray Padovan, Walt Rodgers and Bob Steele.

In Saturday's meet Fischbeck, Jensen, Padovan and Bruce Roman of the Springs will represent SIU in the preliminary while Fountain, Warren Dick and Guy Edwards will compete in the distance events. Ballatore and Steele are Southern's backstroke specialists and Assmusen the Saluki's breaststroke ace.

Rodgers will head a trio, which also includes Mike Ainsley and Gary Lutker, in the butterfly events while Ernie Gonzales, Charles Mitchell and Jeff Wandell will compete in diving events.

Following the season opener with the Hoosiers, Casey's team will host at the Southern Illinois Invitational Dec. 11. Next comes the Saluki schedule this year here, North Carolina State, at Raleigh Jan. 13; University of North Carolina, away, Jan. 14; and at the University of Cincinnati Jan. 21.

Other dual meets are: North Central College, here Jan. 20; Eastern Illinois, there Feb. 4; Illinois State, here Feb. 11; University of Kansas, away Feb. 18; and the Conference, NAIA, NCAA and NAAU Championships.

SIU's Frosh Open Against Aces Tomorrow

Southern's freshman basketball team opens its 1966-67 season tomorrow night at Evansville College. It travels to McKendree College Monday night for hardwood action.

Larry "Bumpy" Nixon, expected to be the mainstay of the SIU frosh, has run into scholastic difficulties and has been told to devote his time to studies in order to maintain his eligibility for the winter quarter.

Freshman coach George Iubell has named Curt Reed and Danny Corbin at forwards, Gary Howe at center and Ed Bigham and Randy Roberts guards for the opening game.

Iubell's freshmen were impressive in their first game Wednesday afternoon. The Salukis demonstrated some uncanny shooting accuracy with Ed Bigham looking sharp from the guard slot.

The freshmen figure to be tough offensively, but defensively the Salukis will leave something to be desired.

Sporting three former all-state stars in the starting lineup, the freshmen have plenty of scoring ability. Two all-stars, Bigham and Roberts, led their high school squads to lead the Foxes to the regional finals. Reed finished behind Sloan in scoring, but was a good man off the boards.

Iubell's second five will consist of two lightning fast guards, Eddie Blythe and Jim Wells. As forwards will be Mel Patton-Belleville's all-around ace—and Mike Pratt while the pivot position will be manned by Dave Needham.

If there is one thing which is a terrific asset to the SIU frosh it is the squad's depth. Iubell can interchange any five men and is almost assured of as good job, if not better, than the starting five.

The Salukis will be trying to improve on last year's 11-4 record in Iubell's first year at the helm.

"HOME SWEET HOMECOMING"

A great number of people have been asking me lately, "What is Homecoming?" Well, I have been so busy trying to find out why my new sports car leaks that I haven't had time to answer. I am now pleased to report that I finally discovered why my sports car leaks—I have been driving it upside down—and so I am ready today to turn my attention to Homecoming.

Let's begin with definitions. Homecoming is a weekend when old grads return to their alma maters to watch a football game, visit old classrooms and dormitories and inspect each other's bald spots.

The weekend is marked by the singing of old songs, the slapping of old backs and the frequent exchange of such greetings as "Harry, you old polecat!" or "Harry, you old porcupine!" or "Harry, you old rooster!" or "Harry, you old wombat!" As you can see, all old grads are named Harry.

It is not just old grads who behave with such liveliness during Homecoming; the faculty also comports itself with unaccustomed animation. Teachers laugh and smile and pound backs and keep shouting "Harry, you old Airedale!" This unscholarly behavior is carried on in the hope that old grads, in a transport of bookishness will endow a new geology building.

The old grads, however, are seldom seduced. By game time on Saturday their backs are so sore, their eyeballs so eroded, their extremities so frayed, that it is impossible to get a kind word out of them, much less a new geology building.

"Harry, you old Airedale!"

Even the football game does not improve their tempers.

"Hmph!" they snort as the home team completes a 101-yard march to a touchdown. "Do you call that football? Why, back in my day, they'd have been over on the first down!" By George, football was football in those days—not this namby-pamby girls' game that passes for football today! Take a look at that bench—50 substitutes sitting there. Why, in my day, there were 11 men on a team and that was it. When you broke a leg, they slapped a piece of tape on it and you went right back in. Why, I remember the big game against State. Harry Sigafos, our star quarterback, was killed in the third quarter. I mean, he was pronounced dead. But did that stop old Harry? Not on your tippy! Back in he went and kicked the winning drop kick in the last four seconds of play, dead as he was. Back in my day, they played football, by George!

Everything, say the old grads, was better back in their day—everything except one. Even the most unconstructed of the old grads has to admit that back in his day they never had a smoke like Marlboro—never a cigarette with such a lot to like—never a filter so eye-drawing, a favor so mild yet hearty, so abundant, so bountiful—never a choice of flip-top box or soft pack.

So old grads, young grads, and undergrads, why don't you settle back and have a full-flavored smoke? Try Marlboro, the filtered cigarette with the unfiltered taste, and Homecoming will be a happy occasion and the sun will shine and the air will be filled with the murmur of wings and no man's hand will be raised against you.

© 1966 Max Simban

At Homecoming time—or any time—try Marlboro's unfiltered companion cigarette—mild, flavorful Philip Morris... Regular size or king size Commander—a brand new and happy experience in smoking! Have a Commander—welcome aboard!
