For 10 day in Morris Library
ization will be covered in the
Auditorium.

program changes, Robert A. McGrath, registrar, said.
McGrath said it is impor-
tant that these numbers be
reduced because the present
registration and advisement
system is based upon con-
tinuing student preregistra-
tion, so that the first day of
a quarter can be devoted to
registering new students and
making necessary program
changes.

A large number of con-
tinuing students attempting
to register and the large number of
unnecessary program changes are helping create an
increasingly difficult situation
during the first week of a
quarter, he said.

The first step to speeding up
registration is being taken by the Sectioning Center. Ef-
fective immediately and
through Feb. 19, students will
be urged to leave their cards
at the center to be sectioned
latterly rather than have the
student remain at school
while his schedule is
prepared.

The procedure followed by
the student will be the same
in either case up to reporting
to the Sectioning Center, The student electing to leave his
cards must present written
confirmation for request to have
some hours free of
classes for a work block.

A student who clears
his fees under Code 88 (Athletic
Scholarship) or 99 (Miscel-
lanous Scholarships) will
need to present written clear-
ance showing his entitlement
to use these codes. He will
also be asked to leave an
admission ticket, if there may be

Meeting Is Set
For Probationers
The Academic Advising
Center has planned meetings
for students on probation, at
10 a.m. and 2 p.m. Wednes-
day in Morris Library
Auditorium.

The meetings are for stu-
dents who went on probation
after the fall quarter, who entered this term on
probation. Attendance will be
checked at the meetings.

Such matters as study hints,
note taking, and time organ-
ization will be covered in the
meetings.

Gus Bode

Gus hopes that the work
on Grand Avenue will be fin-
ished in time for spring quar-
ter drag races.

Remember When . . .

Mercy Dips to Record Low for Sunday;
Snowfall Hampers Traffic in Entire State
The unpredictable thermom-
eter cooled to a record-
setting low for Carbondale
Sunday, dropping to a minus
five degrees.

Previsously, the record low
for the date was minus three
degrees in 1936. On the
cheerful side, on Jan. 31, 1917,
the temperature was a roa-
ting 73.

The low Monday morning
was 19, and it climbed to about
26 before the 8 a.m. traffic
began.

The next lowest tempera-
ture recorded in Illinois was a three - degree reading in
Pawlet.

Other lows around the state
were Chicago Midway, 14 de-
grees; Rockford, 7; Peoria,
80; Springfield, 12; and Van-
dalia, 14.

No more heavy snow is ex-
pected for several days, al-
though snow flurries are pos-
sible said Floyd F. Cunning-
ham, director of the Clima-
tology Laboratories.

"However, with the snow
cover," he said, "we can ex-
pect temperatures colder than
normal, because the energy of
the sun will be used to evap-
orate the snow instead of to
warm the ground."

The weather conditions
allowed and halted much traf-
lic on Illinois highways, but
Carbondale seemed to be dig-
ging itself out fairly well.

No accidental injuries had
been reported either to the
Health Service, Doctor's Hos-
pital or the Security Office
by mid-morning Monday.

Despite weekend hazardous
driving conditions, Carbon-
dale police reported only two
auto accidents involving SII
students.

Shortly after 10 a.m. Mon-
day, Carbondale and Univer-
sity police investigated a
minor crash on Campus Drive
near the Communications
Building. No one was injured.

Pamela Kidd Crowned Queen
Of This Year's Military Ball
Pamela Kidd, a sophomore
college elementary education major, reigns as queen of the
annual MILITARY BALL Saturday
evening.

Miss Kidd was crowned by
the 1964 queen, Kathy Jones,
as several hundred students
looked on.

The new queen is from Met-
ropolis, an SIU majorette and
Midas Woody Hall. She will be
also an attendant in the 1963
Homecoming Court.

The other contestants for
the formal event were Arlette
Alexander, Martha Edmison,
Judy McDonald, Stoney Lud-
wig and Velda Smith.

Ruffner Wants 'Working Paper'
A committee of the Uni-
versity Student Council has
been informed that it will be
responsible for drawing up a
"working paper" which is to
serve as the basis for student
government at SIU.

The announcement was
made Saturday at a meeting
on the Carbondale campus,
by Ralph W. Ruffner, vice
president for area and student
services.

The presentation of the
formal, organized plan to be
used in setting up student gov-
ernment under the new Uni-
versity Statutes has trans-
formed an ad hoc committee
into what Pat Micken, presi-
dent of the student body, has
termed "an action group."

Ruffner, who until Satur-
day was chairman of the com-
mittee, explained that the
working paper process is be-
ing utilized by all University
departments to fit them within
the structure of the new
Statutes.

Working papers are de-
finied in the statutes asapers
covering operating struc-
tures, principles and proce-
dures, which originate with
the membership concerned.

The plan outlines the chan-
nels to be utilized in so-
licitating student ideas and opin-
ion. Ideas of individual stu-
dents, organizations and coun-
sils are to be submitted either
to their campus student coun-
cil or directly to the Univer-
sity Student Council.

These proposals then will
be considered by the ad hoc
committee for implementation
into the final working paper.

The completed working pa-
per then will be forwarded to
Charles D. Tenney, vice
president for planning and re-
view, for approval.

Saturday's meeting helped to
remediate an atmosphere of
suspicion arising from the
student body's State of the
Campus message.

Micken, who had complained

Chem Seminars Begin Today; Will Continue Through Friday

The Department of Chemistry will hold a series of five seminars this week in Parkside Laboratory. John W. Connolly of Marietta College will speak on "Some Organosilicon Studies" at 10 a.m. in Room 304 today.

John C. Boyd, assistant professor of chemistry, will conduct a combined organic and biochemistry seminar on "Boron Transfer Reactions" at 2 p.m. in Room 111. He will discuss recent advances in inorganic pseudohalogen chemistry. Two seminars will be held on Friday afternoon. Houshang Torabi, a graduate student in chemistry, will speak on "Optical Rotatory Dispersion" at 3 in Room 111. Robert E. Singler, a graduate student in chemistry, will conduct a combined organic and biochemistry seminar on "Boron Transfer Reactions" at 4 in Room 111.

In addition, an analytical seminar will be held Friday, at 10 a.m. in Main 313.

Today's Weather

Fair to partly cloudy today. No so cold in the central sections. Highs 15-25.

Popular French Folk Singers To Give Performance Friday

Varel and Bailly, Chanteurs de Paris, will be featured Friday in a Carbondale Community Gospel Concert at Shryock Auditorium.

Varel and Bailly, six young Frenchmen, will go on stage at 8 p.m. to present an International Night Set Feb. 14

SIU will hold its annual International Night program two nights this week, Feb. 13-14, according to John Wilhelm, co-chairman of the steering committee. The event features a program of songs, dances and rituals to be performed by SIU international and American students. Crafts, hand-crafts, and articles representative of several countries will be on display at the University Center, Wilhelm said.

A "coffee house" will serve coffees from different parts of the world.

Members of the International Night Steering Committee include: Flana Baima, co-chairman, William Carroll, talent show; Martha Ramage, talent show; Jacqueline Watkins, Jeanette Ulbrich, publicity, Frances Studenroth, talent show; Susan Ship, secretary, John Wilhelm, co-chairman; Jesus Carlos, publicity, Dagmar Svecova, hospitality; Cora Lilliard, coffee house; Jenna Fredrick, hospitality; Gloria Halsey, coffee house.

A chance for precollege students to get a taste of campus life for four weeks this summer will have been provided by the fifth annual High School Communications Workshops at SIU.

Marion Kleinau of the SIU Department of Speech, workshops coordinator, said Speech, Oral Interpretation, Dramatic Reading, and Journalism Workshops will be offered to high school juniors and seniors June 30 to July 18.

"We feel this is an exceptional opportunity for young people to spend a month on a college campus studying their chosen field of interest," Mrs. Kleinau said. "In addition, we have planned a social and cultural program which should enhance its benefit."

Beside classroom instruction, the workshops will consist of field trips, a trip to the Municipal Opera in St. Louis, and a wide variety of social activities including swimming, dancing, horseback riding, wiener roasts, picnics, and attendance at productions of the Southern Players drama group.

Total expense, including room, board, and tuition for the four weeks, will be $100. One scholarship will be awarded in each workshop division to an outstanding participant.

This is the first year for the Oral Interpretation Workshop, designed to give students experience and instruction in reading prose, poetry, and drama. Mrs. Kleinau, an ex-coach in this area, will be its director.

Other workshops directors: Theatre, Charles Zuecker; speech, C. F. Harrison; photography, William Horrell; and journalism, W. Marion Rice, Related to the Journals Workshop, divided into newspaper and yearbook sections, will be the fourth annual High School Journalism Clinic for Teachers July 12-24.

Parachute Club Meets

The SIU Sports Parachute Club will meet at 7:30 p.m. today in Room D of the University Center.

Sugar in Corn Stalks Is Topic of Seminar

Harry O. Botten, graduate research assistant in microbiology, will discuss "Sugar Content and Carbohydrate of Corn Stalk Tissue" at today's Plant Pathology Seminar. The meeting will be at 7 p.m. in Room 323 of the Life Science Building.
Meetings Dominate List of Events Today

Inter Varsity Christian Fellowship will meet at 6 p.m. in Room E of the University Center.
The University Center Planning Board will meet at 6:30 p.m. in Room D of the University Center.
The Women's Recreation Association will sponsor house basketball at 7 p.m. in the Gymnasium.
The Soil and Water Conservation Club will meet at 7:30 p.m. in the Seminar Room of the Agriculture Building.
The Fencing Club will meet at 7:30 p.m. in Old Main 110.
The Parachute Club will meet at 7:30 p.m. in Room D of the University Center.
A geography seminar will be held at 8 p.m. in Room 214 of the Agriculture Building.
The General Baptist Organization will meet at 8 p.m. in Room C of the University Center.
The Student Art Education Association will meet at 8 p.m. in the art department of University School.
The University Center Planning Board Service Committee will meet at 9 p.m. in Room E of the University Center.
Alpha Kappa Psi business fraternity will meet at 9 p.m.

Summer Work Interviews Set

The Student Work Office still has a few interview times available for students interested in working this summer with the California Packaging Corp.
Interviews will be held Thursday at the office. Interested students can contact Bruno W. Bierman or Harold L. Reence in the office.

management Society

Plans Social Meeting

The SIU chapter of the Society for the Advancement of Management will hold a social meeting at 7:30 p.m. Wednesday in Morris Library.
John Fohr, associate professor in the Business Research Bureau, will be present.

The meeting is open to all students interested in business.

Metropolis Film Bids Low on Job

The E. A. Sullivan Co. of Metropolis was apparent low bidder on the bid for the main project in the Carbondale campus area of SIU.
The company submitted a bid of $62,996. Other bids were $69,480 by the L. D. Fern Construction Co. of Marion and $69,750 by the C & T Construction Co. of Mount Vernon.
The work consists of installing 60 feet of 15-inch water main.

Henry Fonda to Be TV Host on Hollywood's Big Era

Eye on the World will present "Hollywood: The Fabulous Era" at 8:30 tonight on WSUI-TV.
Henry Fonda is host for the story of the movies during Hollywood's most prosperous years. Unusual, behind the scenes film and excerpts from the most memorable motion pictures of the period are shown.

Other highlights:
6:30 p.m. What's New: History and art of photography including the only film of the sunken liner, the Andrea Doria.
7:30 p.m. Turn of the Century: Max Morath reviews communications at the turn of the century: the telephone, telegraph, newspaper and the mail, as they are reflected in song.

Geographers Seek Uses for Satellites

Two SIU geographers, Douglas B. Carter and Theodore H. Schmude, were in Houston, Texas, Thursday through Sunday taking part in a conference exploring the possibilities of using satellite information for mapping geographic data.

Carter was chairman of a panel discussion on applying such data to climatology and Schmude took part in a panel session concerned with soils. The conference was sponsored by the National Science Foundation and the National Aeronautics and Space Administration.

"Storyland," Music on Radio Today

"Storyland" will be featured on WSUI Radio beginning at 7 tonight, when Sondra Schopfer will present stories and songs for the younger set.

Other highlights:
10:30 a.m. Pop Concerts: Music played by the beat, Rich Bennett.
2:45 p.m. European Review: News from across the Atlantic.
3 p.m. The Keyboard Selections: Played by famous pianists.
6 p.m. Music in the Air: Music for the suppertime mood.

Music Honorary OKs SIU Chapter

Establishment of a chapter of Pi Kappa Lambda, national honorary society in music, at SIU has been authorized by the society, according to word received this week by Thomas Hall, assistant professor in the music department.
"This society is the only national music honorary organization affiliated with the National College Honorary Societies, and is the music counterpart of Phi Beta Kappa," Hall explained.
A number of faculty members in the music department are members of Pi Kappa Lambda, including Robert Muller, Wesley Morgan, Steven Barwick, Kent Werner, Lawrence Inizias, Roderic Gordon and Hall.

Fast Exit: Life Line in Fire

It would seem advisable that the Carbondale Citihnades Advisory Committee establish a five-year work program for community improvements agreed upon by the Carbondale's Citizens Advisory Committee last week.

The purpose of this planning staff is to provide a service as an arm of the Carbondale Board of Planning.

A permanent planning staff, such as the one approved, would answer Planning Commission questions on such land use and growth and future plans of business districts and establishments.

Students Should Have Voice

It would seem advisable that the Carbondale Board of Planning establish a planning staff which derives a great deal of its life from University students, does many suggestions helpful in any future planning.

There are 29 University and city officials are on the advisory committee. The meetings of the committee are open to the public, and anyone who wants to say relative to problems occurring will be recognized.

However, many times students are not sure they will be received at such meeting.

Therefore, because SIU students are a vital part of Carbondale the students are many times better acquainted, housing, on the streets and other living problems than non-students; knowing that the Carbondale Citizens Advisory Committee extend an invitation to anyone interested that they might possibly offer helpful information.

Leaden Generosity

Reading in the Jan. 20 edition of your paper that the Phi Kappa Kappa is conducting a grand total of $719.53 for the Missouri Humane Society and his intimate circle of acquaintances, another article in the paper announced the total student population of SIU is 12,588. The average student does care for the well-being of those other than himself and his intimate circle of acquaintances, rather article in the paper announced the total student population of SIU is 12,588. Native of Australia Selected
As Lecturer at Baptist Series

John Drakeford, professor of botany and economics at Southwestern Baptist Theological Seminary, Fort Worth, Tex., will deliver the W.P. Throgmorton Lectures at SIU April 12-15. A.C. Queen, director of the Student Ministries Department at the Baptist State Center, announced the selection.

Drakeford is also director of the Marriage and Family Counseling Service at the Seminary.

He will present chapel lectures at 7 p.m. each day and addresses on campus during the week.

The purpose of the lectures is to bring to SIU Christian leaders who are authorities in the academic fields. The lectures will be delivered in the chapel of the Baptist Foundation Building.

A native of Australia, Drakeford is a graduate of the University of Sydney and New South Wales Baptist Seminary. From 1942 to 1945 he served as chaplain in the Australian Army and was assigned to duty in the largest psychiatric hospital in the country. While there, he became interested in counseling.

He came to the United States in 1954 and has continued his education at Texas University, Brice College of Bible and Southwestern Baptist Seminary.

He is author of "Psychology in Search of a Soul," an analysis of the background of psychological research, basic concepts of psychology and religion, and the soul in search of individual discovery.

Drakeford believes, "The study of psychology of religion is the distinctive American contribution to the body of biological knowledge." His book takes a definite step in that direction.

This will be the third year of Throgmorton lectures at SIU. Each year the Seminary has been selected by Ross Coggins in 1963 and George Schweitzer in 1964.

Moore Appointed
To English Post

Harry T. Moore, research professor of English, has been appointed to the Commission on Literature of the National Council of Teachers of English.

Moore will serve as permanent representative of the College English Association, an organization of which he has been national president.

The commission includes 15 prominent teachers, scholars, editors and critics from throughout the nation. Commission head is Arlin Turner, chairman of the Duke University English department.

Moore said the next meeting of the commission, to be held at Boston Feb. 20-27, will be devoted to a discussion of the teaching of literature, English and liberal arts in general.

MacVicar Appointed Chairman
Of Federal Advisory Committee

Robert W. MacVicar, vice president for academic affairs, has been named chairman of a biological sciences and agriculture advisory committee to the U.S. Office of Education.

The committee, which is concerned with the graduate faculty adviser training for the Science Acts, is composed of scientists and scholars in the agricultural and biological sciences fields.

One of five such groups in five different areas of study, the committee will serve as a consultant to the education office on problems connected with evaluation of research proposals.

MacVicar, who came to SIU last fall from the Oklahoma State University, holds a Ph.D. degree in biochemicals and is active in a number of national educational and scientific organizations. In addition to the U.S. Office of Education, he has served as consultant.

Faculty Member
Edits New Book

Boyd C. Gond, professor of romance languages, is editor of a 321-page "German Review Grammar" just published by the Ronald Press. This is the second in a series of Ronald Press review grammars in which Carter has served as co-author, editor, or author. He is co-author of a "French Review Grammar," first published by Ronald in 1948 and revised in 1956.

He is author or co-author of a dozen books, including two about the distinguished Mexican poet, Manuel Gutiérrez Navarro.

A native of Duffield, Va., Carter, who has his Ph.D. from the University of Illinois, came to Southern in 1939. He formerly was chairman of the Department of Romance Languages at the University of Nebraska. Carter taught German at the University of Wyoming.

PLANT INDUSTRIES FACULTY PUBLISHES PEACH BUD ARTICLES

Three articles by members of the SIU plant industries faculty have been published in the second edition of the American Society of Horticultural Science.

James B. Mowry, superintendent of the horticultural experiment station, is author of "Seasonal Variations in Cold Hardiness of Flower Buds and Peach Varieties," and "Inheritance of Cold Hardiness of Dormant Peace Flower Buds." The third article, "Influence of Applied Pre-emergence Herbicides on Weed Growth Among Wood Ornamental Plants" is by Lloyd V. Sherwood, plant industry professor, pesticide specialist, and by H.R. Kemmerer, assistant professor of horticulture, University of Illinois.

Siu faculty members, students
To present papers in Dallas

SIU faculty members and students will present seven scientific papers at the 92nd annual meeting of the Association of Southern Agricultural Workers that opened Monday in Dallas, Tex.

Five SIU papers to be given during the three-day meeting will be before the plant pathology section, the others before the section on plant physiology.

Both plant pathology papers were co-authored by A.J. Papen- pelli, assistant professor of botany, and L.V. Boone, area agronomist for the University of Illinois extension service.

Writing or contributing to one or more plant physiology section reports were Pippel; Joseph P. Vavra, professor.

The SIU faculty includes Walter E. Schmid, assistant professor of botany; Jacob Verdolin, professor of botany, and graduate students Gene P. Offerman, Elvis; Larry Hafv, Mount Carmel, and Simeon K. Imbamba, Marigol, Kenya.

$15,534 Grant
Set for 3 Trainees

SIU has received a $15,534 Grant from the National Science Foundation to provide three graduate traineeships. In awarding the grant, the foundation stipulated the funds be used to support research by one graduate student in mathematics and two in the areas of engineering, mathematical or physical sciences.

The grant will be administered by David T. Kenney, acting dean of the Graduate School.

This week is
National Advertising Week. The theme is "Salesmanship Through Advertising." The activities are being sponsored by the Advertising Federation of St. Louis. For further information, call the Advertising Federation of St. Louis office at 457-6660.
SELMA, Ala. (AP) - The largest civil rights demonstration in a two week campaign in Selma sent Martin Luther King Jr. and about 300 other Negroes to jail Monday and brought hundreds of Negro students parading through the streets in protest.

King was arrested by city police while leading a march to the Dallas County Courthouse where other Negroes tried again to register as voters in the past two weeks.

Arrested with the 1964 Nobel Peace prize winner was one of his top aides, the Rev. Ralph Abernathy. King, Abernathy and 135 other picketers who were charged with picketing without a permit after disregarding a warning from SELMA's public safety director.

While the integration leader and the others were being booked at the city jail, Negro students by the hundreds began picketing the courthouse where the voter registration board was in session.

Approximately 30 Negroes were arrested for contempt of court by sheriff's deputies because, Sheriff James G. Clark said, they were interfering with a session of state court.

Judge James A. Hare, who was presiding over the court, fined the Negroes $50 and sentenced them to five days in jail for contempt after they refused to disperse when the sheriff ordered them to cease the picketing.

After the first group of 15 pickets marched in front of the courthouse and ultimately Johnson calls on workers to take action

WASHINGTON (AP) - President Johnson appealed Monday for a quick end to the voter registration ordinance. "This is a deliberate attempt to violate the city's parade ordinance," he told the reporters who would have to break up into smaller groups.

Meanwhile, at Marion, Ala., in neighboring Perry County, several hundred Negroes lined up to register as voters at the courthouse. There were no incidents.

Groups of high school pupils, organized before the registration began, staged tests of several eating places and were served without incident.

King's arrest came as he led a group of about 300 adult Negroes from a church toward the courthouse to dramatize again their demands for speedier and more lenient voter registration.

The city safety director, speaking in a voice hoarse from laryngitis, stopped the procession and told the Negroes, "This is a deliberate attempt to violate the city's parade ordinance." He told them they would have to break up into smaller groups.

Soviets Make
Major Move
In Quarrel
By George Svetyvten

In announcing the agenda on which he met with Kadar in Budapest was the Kremlin call for a meeting of Communist officials from 20 nations in Moscow March 1 to prepare for a full Communist meeting later on the dispute over the Chinese split.

With Brezhnev on the Hungarian trip was Nikolai V. Podgorny of the Soviet party Presidium.

The announcement of the visit gave no details of the talks and said only that they would be "in a heart-felt and cordially atmospheric spirit.

Kadar has supported the Soviet call for a meeting on the Chinese dispute but he has cautioned against any further action that might widen it.

Since Nikita Khruhchev was ousted in October by Brezhnev and Kosygin have been reported irreparable, Brezhnev and Kosygin have been reported on a trip to the Chinese capital.

Kosygin would come during the lunar new year holidays.

The court in New York City last July 27 and by beginning Wednesday and leaders are awaiting the verdict in the criminal case against J. Edgar Hoover.

Johnson Keeping Hourly Check on Vice President
WASHINGTON (AP) — President Johnson is keeping track of the 20 bills in the Senate, instead of the normal portionment but for one-year terms, instead of the normal four years.

The Senate outcome was a one-vote decision.

The 93 resignations already caused 93 cadet resignations in the first 10 days. The Tuesday in New York City last July 27 and by beginning Wednesday and leaders are awaiting the verdict in the criminal case against J. Edgar Hoover.

Johnson personally has instructed Humphrey to leave town without detailing to him his itinerary so that the chief executive will know at any given moment where to locate him.

Recently when he spoke in Arizona, the White House staff had drawn up a plan to be drawn up by next April 1, would limit the terms again to one year.

Ruffner Asks Committee; Student Council To Draft Working Paper on SIU Government

(Continued from Page 1) after the November meeting that there was no assurance the committee's plan would be accepted, said in his recent message to the Carbon-
dale council: "There is a distinct possi-
bility, in my mind, that the ad hoc committee may turn out to be a sham and a hoax.
"Ruffner said Saturday that: "Anyone is stupid, in my opin-
on, to assume that this plan
for student government is all
figured out...that it's fixed.
We're all stumbling together."
Aked after the meeting if he
had changed his mind about
the committee, Micken said:
"I was startled, at the pres-
ent time, that it is not a sham
and a hoax. It gives every
appearance of being a student-
controlled, action group whose
decisions will be accepted.
Micken's reference to a "student-controlled" group was obviously the result of
Ruffner's earlier decision to
drop down and relinquish the
chairmanship to William H.

Ad Hoc Is Mum
On Earlier Plans
No mention was made at Saturday's meeting of the Carbon-
dale council of the Student
Ad Hoc committee of the pro-
posal submitted by represent-
atives from the Carbon-
dale campus at the November
meeting.
Put Micken, sponsor of the
proposals, told the Daily Egyptian that he thought it
would be premature to bring the
thing up, in light of what
happened at the meeting.
He said, however, that he
planned to use them in
the re-evaluation of the posi-
tion of the Carbondale cam-
pus student council. He in-
dicated they would be revisited
to meet recent changes and
that they would likely be sub-
mitted, along with additional
proposals, at the next meeting.

University of Illinois.

Speedup Sought
In Registration
(Continued from Page 1)
reached. If any sectioning dif-
ficulties are encountered, he
asked students to contact the
Registrar in order to re-
solve the problem. The sys-
tem is designed to reduce the
registration time for students
by a sizable margin if it is
acted.
In addition to the above step,
all current students planning
to attend school during the
spring quarter are urged to
register during the advance
registration period which ends
March 10.
While no definite plans have
yet been made there will un-
doubtedly be a system es-
tablished for use in the coming
spring quarter whereby stu-
dents will not be able to freely
elect to wait until the third
student registration period to
register. This may take the
form of a method which would
require students to receive prior permission to do so or, perhaps a larger
registration fee which would
force students to act sooner.

Sears to Begin
Botany Lectures
The Department of Botany has
revised the semester schedule for the rest of the
quarter.

Meetings will be at 4 p.m.
each Wednesday in Room 323 of the Life Science Building.
The speaker will be Paul B.
Sears, visiting professor of
botany.
Sears, distinguished as an
author, educator, conservation-
ist and ecologist, as well as
a botanist, will speak on the
following topics: Feb. 3, "The
Grassland Province," Feb.
10, "Darwin Among the Mas-
iches," Feb. 24, "Prelude to
Spring," March 10, "Human
Avalanche," March 21, "The
Desert Peninsula."
The Revue In Blue

MOON RIVER DANCERS — Toni Szczapnek and Douglas Kopecky danced a special number to Moon River in the Revue in Blue’s "Aerospace Fantasy" in Shryock Auditorium. The annual musical show kicked off a round of activities that ended with the Military Ball Saturday night.

Southern Leasing Land to U.S. For Forest Center Expansion

SIU has completed documents leasing two tracts of land to the federal government for 99 years for a proposed expansion of the Carbondale Forest Research Center facilities, according to Robert Merz, project leader for the Center.

One tract, about 98 by 200 feet, and a connecting drive-way is on the Carbondale campus between Thompson Woods and Campus Drive a short distance southeast of the Agriculture Building. Merz says the U.S. Forest Service is planning an office and laboratory building for the site.

The other tract of about 40 acres is on University Experimental Farm land west of the Federal Small Fruits Research Center two miles west of the campus. This area will be used for greenhouses, a pond and planting area for forestry research, Merz says plans already are being drawn for constructing the pond. A $20,000 appropriation for architectural fees and planning has been approved by Congress.

Cowboy Matmen Score 64th Victory

Oklahoma State's defeat of the Saluki wrestlers was their 64th straight victory. The winning streak started in 1939, after a late season loss to the University of Oklahoma. This loss is still far from Oklahoma's all-time record of 76 in a row, compiled between 1938 and 1951.

Oklahoma State's 44-year wrestling statistics show 293 victories against only 15 losses. During that time they claimed victories against only 15 losses.

The attendance at the SIU-Oklahoma State meet was announced at 4,600—a small crowd by their standards. Their meet against arch-rival Oklahoma on Feb. 13 in al ready a sell-out, State's field house, Gallagher Hall, holds 8,000. In addition, this match, like all home matches, will be broadcast.

One reason both Oklahoma State and the University of Oklahoma are such strong wrestling powers is that competitive wrestling starts in the second grade in Oklahoma elementary schools.

The attendance at the SIU-Oklahoma State meet was announced at 4,600—a small crowd by their standards. Their meet against arch-rival Oklahoma, Gallagher Hall, holds 8,000. In addition, this match, like all home matches, will be broadcast.

The crowds at Oklahoma State are spirited to say the least. Cheerleaders are present, but are not truly needed. In addition, the mascot, Pistol Pete, comes to the meet armed with his two six-guns, which he fires when the cowboys take the mat.

Wrestler Dave Pforr of Southern had at least one member of his fan club down there. It seems one of his high school friends, the opposite sex, gave him a personal call wishing him good luck.

To Get Academic Degrees Ten...

Full professors are outdated. It is time to have an instructor instead. After all, a professor is just someone who has been in school longer than you have.

The SIU wrestlers found out what Oklahoma State University has the No. 1 ranked wrestling team in the country. As the Salukis were convincingly defeated by the Cowboys.

Besides the loss Southern Southern's, scored by George McCready, coach Jim Wilkinson received good but losing performances from Larry Baron, 130 pounds, Dave Pfrrr, 137 pounds, and Antone Kusmanoff, 157 pounds.

McCreery pinned his opponent, Eric Lyon, with a last-minute reversal. Sells, 145, had pinned Dan Gesky at 1:51 of the second period.

Pfrrr stayed close to the Cowboys' Gene Davis, a sophomore, for two periods, but finally lost 10-4. Davis was undefeated in high school competition.

Kusmanoff, in a defensive struggle which saw but one take-down, lost to State's Roy Brewer, 4-1.

In other matches Southern's Don Devine, 123, had pinned two of four Southern's,ineincluded by Dennis Dutsch 4-0. Devine's bad period was the second, in which he was put on the defensive for the entire period.

Bob Herkert, at 177 pounds, was completely out-matched by State's Bill Harlow. Harlow had pinned four of seven victims he had faced this season before facing Herkert.

The victory was Oklahoma State's sixth straight of the year without a loss and left the Salukis dual meet record at 1-2.

The Salukis will next be in action Feb. 12 when they travel to Detroit for the Hazelpark, Mich, invitational tournament.

The Salukis next home meet will be Feb. 24 when Indiana State University pays a visit to the Arena.

Chicago High Team Beats

SIU's Freshman Swimmers

Powerful Fenwick High School, which has produced such swimming greats as Olympic gold medal winner Kenny Stzrberger, handed SIU's freshman swimming team its second setback of the season with a lopsided 65-29 victory Saturday at the University School Pool.

The win was the eighth straight of the season for the Chicago team which Friday night splashed off the Sheboyan Swim Club of Quincy, 44-11.

The victory also avenged a 49-46 defeat the Salukis pinned on the Friars last year. That loss was the first dual defeat the history-rich swim school had suffered in 14 years.

Despite Saturday's loss Coach Ralph Casey got out standing performances from freestylers Ed Mossotti and Mike Miles and diver Loren Walker.

Mossotti, the high school All-American from St. Louis, continued his assault on the freshman record book. He broke one mark and just missed another.

The 6-2, 195-pounder erased his own 100-yard free style record with a winning 49.6 clocking which was .3 of a second below his old standard.

The near-record breaking performance came in the shorter 50-yard event where the former Missouri state prep champ clipped off a 22.4 and just missed his 22.1 record.

Miles, the brother of varsity butterflyer Kimo, won his first race as a Saluki in the 200 free style with a 1:56.3 clocking, although he had to stop Fenwick's outstanding Mike Neger to do it.

Naber, Friar captain George Wendt, and star backstroker Bob McMahon all qualified for the Olympic Trials in New York last summer.

Wendt and Naber placed one-two in the 500 free style with Miles third with a 5:35.5 time compared to Wendt's winning 5:35.8.

Walker won the diving with 172.3 points to Bruce McNamara's 164.7.

The freshmen will not face competition until late this month when they enter the UNC Freshman Invitational.
Schmitz, Judy Wills Win World Titles

Take Events in Tumbling, Trampoline at London Meet

SIU's Frank Schmitz and Judy Wills each became World Champions in their respective divisions at the second annual World Trampoline Championships, which were held over the weekend in London. Schmitz won his championship with a two-time showing.

Gym Clock Helps

STRETCH CAGE

SOUTHERN's 69-51 victory over the weekend. The time clock.

SIU Gymnasts Win 31st and 32nd Victories, Defeating Mankato State and Minnesota U.

The Southern men's gymnastic team scored its 31st and 32nd consecutive victories by defeating Mankato State and the University of Minnesota over the weekend.

Southern's 69-51 victory over Mankato was closer than expected, while the university was questioned, but the team remained unbeaten.

In this meet all-around performer Larry Lindauer, Tom Cooling, Mike Boegler and Brent Williams were the big points men for the Salukis. Lindauer had two firsts in the long horse and parallel bar events and a third in both the rings and the side horse.

17 Air Cadets

Are Pledged by Arnold Society

Seventeen new pledges have been accepted by Arnold Air Society for the winter quarter. They are Howard F. Benson, John A. Capote, Steve R. Coth­ er, Larry Cooling, Frank G. Duda, Paul F. Gerson, Donald E. Harper, Larry D. Hart, Charles A. Jarvieh, Daniel L. McLean, Lawrence J. Mc­ Wiad, Melvin E. Mootzer, Larry E. Nunn, Raymond L. Reed, John H. Slaughter, Warren E. Stewart, and James White.

The new members will be initiated at a banquet later this quarter.

SIU's Frank Schmitz and Judy Wills each became World Champions in their respective divisions at the second annual World Trampoline Championships, which were held over the weekend in London. Schmitz won his championship with a two-time showing.

Frank Schmitz

Judy Wills

Although he loves gymnastics, Schmitz doesn't want to coach it. As a gymnastic performer Schmitz hopes to become a stunt man.

McAneney Sets Three Records
In Leading Salukis to Victory

Thom McAneney gave notice to the swimming world Saturday that he's back in shape and ready to take on all comers.

The tall junior kingpin of Coach Ralph Casey's swimming squad kept what could have been a dull night from being just that at the University of Illinois Swimming Pool Saturday.

Enjoying the confines of their home pool as much as Coach Jack Hartman's basketball Salukis are the Arena, Casey's menmen had little trouble making North Central College their fifth straight victim of the season, 63-30.

But it was McAneney who stirred the crowd of about 200 to the edge of their seats. The big Miami, Fla., free styler broke two pool records and set one school mark as he flashed the form that last year won him third and fourth in the national championships.

In the 200-yard freestyle, he reeled off a 1:45.7 to finish just ahead of Rich Evertz and Andy Stoody, the two top men for the Salukis.

Walsh also turned in a first sub-five minute performance of his career when he paced the Mules in the 500-yard freestyle in 4:51.2 in the same meet which saw McAneney's time was recorded in a prelim in last year's nationals when he went 4:53.7.

Besides McAneney's stellar performances, Bob O'Callaghan, Rich Evertz and Andy Stoody all turned in some fast marks of their own.

All had the best times of the year except Evertz. Evertz won the individual medley in 2:07.5, and Stoody edged O'Callaghan in the 200-yard backstroke with a 2:08.8 to see Dave Lee cut it to two at half on a 23-foot jump shot.

The second half started out much like the first for the Salukis as they were unable to control the swimming of Coach Walker, who scored 24 points in the game.

With 17:20 remaining in the first half the lead had been turned around with five points, 46-41.

At that point O'Neal scored shot 65 per cent from the floor and only Southern's 46 per cent shooting kept the Salukis in the game.

The lead changed hands eight times and the score was tied nine times as the first half finally ended with the Salukis at 13 points.

With Frazier, having a sub-par night, scored eight points and stood out in the last three minutes of the half with three powerful forays to the basket.

The biggest lead for the Salukis in the opening half was seven and the Mules built up a four-point margin to see Dave Lee cut it to two at half on a 23-foot jump shot.

The second half started out much like the first for the Salukis as they were unable to control the swimming of Coach Walker, who scored 24 points in the game.

With 17:20 remaining in the first half the lead had been turned around with five points, 46-41.

At that point O'Neal scored two quick baskets to bring the Salukis within one point of the Mules. The Mules stretched the lead to four points, 49-45, with 13:30 remaining, McNeil, Goin, and Ramsey took charge from there. The trio helped build Southern's biggest lead of the night to 71-64 with two minutes remaining.

The Mules tried to make a frantic comeback, but could only cut the Salukis' lead to three points at the end.

McNeil scored 14 of his 18 points in the second half, while teammates Goin and Ramsey each added six.

BOYD O'NEAL

two quick baskets to bring the Salukis within one point of the Mules. The Mules stretched the lead to four points, 49-45, with 13:30 remaining, McNeil, Goin, and Ramsey took charge from there. The trio helped build Southern's biggest lead of the night to 71-64 with two minutes remaining.

The Mules tried to make a frantic comeback, but could only cut the Salukis' lead to three points at the end.
