## ZETETS PRESENT "HOLIDAY TONIGHT" IN AUDITORIUM

POPULAR BARRY COMEDY  
FACTUALLY APPEALING  
TO COLLEGE AUDIENCES

"Holiday," a scintillating comedy written by Phillip Barry, will be presented by the Zetetic literary society in Shryock Auditorium at 8 o'clock tonight. The play, a story of young people and their philosophy of life and happiness, was chosen by the committee as being especially appealing to a college audience because it so clearly expresses the view point of the younger generation.

It represents a conflict of ideas between Edward Seton, a successful business man of a decade ago, and Johnny Wade, his prospective son-in-law. One of the most amusing scenes in the play is that of the Seton girls setting the stage for Johnny's appearance so that he will make a favorable impression on their father.

Philip Barry, student at Harvard and Yale and a member of the United States diplomatic service, has won lasting fame as one of the most brilliant of the younger playwrights. He is becoming famous for his long-run Broadway productions.

Dress rehearsals indicated that Miss Juha Jonah will be able to add to her long list of dramatic hits by making "Holiday" as great a success locally as it has been in New York.

Miss Bess Turner, agent for the Playgoer's League, commented on the play as follows: "I congratulate the Zetetic Literary society on their choice of 'Holiday' as their current presentation. It is one of the best plays of the past few years—a splendid comedy, full of sparkling humor, clever dialogue and with the punch that makes a hit."

The cast, which is composed of popular and experienced actors, is as follows:  
Edward Seton... Everett Mitchell  
Ned Seton... Edward Mitchell  
Julia Seton... Marjorie Howells  
Linda Seton... Anna Lee Moore  
Johnny Case... Frank Samuels  
Seton Gram... Arnold Thomas  
Laura Gram... Marjorie Brown  
Nick Potter... Wesley G. Bovinet  
Henry... Stanley Layman  
Della... Georgina Lockie

Act I takes place in the third floor drawing room of Edward Seton's home in New York, December of last year.  
Act II is set in the nursery on the top floor of Edward Seton's home, New Year's eve.  
Act III takes place 12 days later in the drawing room of the Seton home.

The settings for the first and third acts have been under the direction of Edward Seton, while those of the second act under the direction of Kathryn Seibert and Robert Chamness.

Marvin Ballance, assisted by Frances Noel and Jasper Cross, has handled the publicity and financial matters for the play.

## West Ranks Highest In Senior Honor List

Elizabeth Anne West leads the list of honor students of the senior class. This list includes 60 graduates, and consists of a trifling more than ten per cent of the class. The ranking is based on S. I. T. C. averages, listed in order of their ranking:  
Elizabeth Anne West, Pearl Van Gilder Pott, Wendell Otley, Nedra Goggin, Elizabeth Dill, Harold Eugene Wolfe, Gilbert Lowe Doolen, Rowena Lisensy, Frances Noel, Esther Trattler, Fannie Mae Crowe, Margaret Ann Cummings, Louis B. Bertoni, Paul D. Mulvey, Virginia Lillian Huetting, Leslie E. Gardner, and Aennie McCord and Robert Jacobs (tie).

## TO THE 1935 S. I. T. C. GRADUATES

Since I have been asked to say a final word to the graduates of 1935, I should like more than all else to safeguard members of the class against disillusionment.

There is no occasion for disillusionment. Notwithstanding the "tumult of the time disconsolate," the fundamental values of life remain unchanged. Some of these values are health, personal honor, social service, loyalty to great ideals, and the enrichment of personality through contact with culture. Notwithstanding the clash of opinion as to how best to promote human welfare, the fundamental conditions of success, personal and social, are what they have always been. Some of these conditions are industry, patience, cheerfulness, hope, and self-respect. Despite the difficulties encountered in the financial support of public schools, the fundamental necessity of public education is clearer than ever before. Education is the sole means whereby the individual can come to participate in the knowledge, habits, ideals, and tastes that compose our civilization.

Keeping these basic truths in mind, the members of the Class of 1935 can face the future with courage. They can find challenge and stimulation in the very difficulties of the day. They can find inspiration in their undoubting faith in the efficacy of the educative process which they have learned to apply to themselves and to others.

G. D. WHAM,  
Acting President, S. I. T. C.

## NEW \$15 PER TERM TUITION FEE WILL BE ALL INCLUSIVE

HOSPITALIZATION CHARGE  
LIKELY TO BE INCLUDED  
IN NEW RATES

According to a provision passed by the Normal School Board, S. I. T. C. and the other four state teachers colleges must charge a maximum tuition fee, beginning with the fall term. The maximum fee will be \$15 per term.

Though the new fee will be nearly twice that charged at present, it will include all incidental fees, such as the physical education charge and an entertainment fee. The latter will be quite an item in itself, and with the contemplated extensive entertainment course. In addition, the fee will probably cover a hospitalization charge, to be included for the first time in S. I. T. C. rates. This is part of a nation-wide move among teachers' colleges to establish a camp agency for the care of sick students.

## Several of S. I. T. C. Faculty to Spend Summer in Study

Several members of the faculty have made definite plans for their entire summer vacation. Those who will study at universities are Miss Frances Barbour, University of Michigan; Miss Opal Stone, University of Illinois; Miss Mary Entsminger, Columbia University, New York; Miss Mary Giddard, Cornell University; Miss Aileen Carpenter, University of Iowa; and Miss Frances Ethredige, University of Ohio.

Russell M. Nolan will study at the libraries of St. Louis University and Washington, D. C. Miss Emma Bowyer will spend part of her vacation studying at the Chaucer Library at the University of Chicago, and the remainder traveling in the East with the Delta Sigma Epsilon sorority on its summer tour.

## Beckmeyer, Dill To Speak at Alumni Dinner Tomorrow

Harry Beckmeyer, principal of schools at Hillsboro, will be the main speaker on the Alumni dinner program tomorrow night. The banquet will be at 6:30 at Anthony Hall.  
Also on the program will be the Hon. J. D. Dill of Carbondale, member of the Normal School Board. Mr. Dill will probably speak concerning the pending Normal School appropriations legislation.  
Wilbur Valentine of Carbondale and Elizabeth Anne West, a graduating senior, will give short talks. A string quartet will render musical selections to round out the program.

## GEORGE LAND RECEIVES KAPPA DELTA SCHOLARSHIP AWARD, DONATED BY FANER

George Land, a sophomore from Sparta, was honored Monday night as the Kappa Delta Alpha member with the best scholastic average for the year. Robert D. Faner, faculty adviser of the fraternity, presented the award.

## SOCRATS PRESENT MURDER MYSTERY TOMORROW NIGHT

SECOND MYSTERY PLAY IN  
COLLEGE DRAMATIC HIS-  
TORY, CURTAIN AT 8

When the Socratic literary society presents "A Murder Has Been Arranged"

in the Shryock Auditorium, it will be the second time a murder mystery has been arranged on an S. I. T. C. audience. The curtain for tomorrow's production, the second in the annual spring series, will be at 8 o'clock. The first S. I. T. C. mystery play was "The Donovan Affair," presented in the spring of 1931 by the same society.

Emlyn Williams' "A Murder Has Been Arranged" includes the following cast in the order of their appearance:  
Miss Groze... Ruth Nader  
Cavendish... Paul Reed  
Mrs. Wrag... Ann Langdon  
Jimmy North... Ernest Brashear  
Beatrice Jasper, Geraldine Morgan  
Mrs. Arthur, her mother.

Ruth Ella Adams  
Lavern Nell  
Maurice Mullins... John Strub  
A Woman... Musette, Cary

In all three acts the scene of the play is set on the stage of the James Theatre, London. The settings have been designed by Elnora Baumgardner and Everett Mitchell. They have used black and gray as the main color schemes in keeping with the mood of gloom and mystery created by the action.  
New Lighting Effects Featured  
Oviletes, spot-lights and flood-lights will be used this year instead of depending entirely upon foot-lights and border lights. A different effect will be created by the use of floods to spot the center action of the play.

Emlyn Williams' "A Murder Has Been Arranged" is a fascinating murder mystery based upon the legend of the St. James Theatre in London. The strange legend will be reenacted with startling results on the stage of the Shryock Auditorium tomorrow night. The murder will be committed in full view of the audience, which is prepared in advance for the commission, and which will, as the play develops, see the murderer brought to light.

ANNA LEE MOORE  
Miss Moore has the feminine lead in the Zetetic society's annual spring play "Holiday," to be presented tonight in Shryock Auditorium.

## Burnett Shryock Does Washington Park Track Murals

Burnett Shryock has just completed two large murals for the clubhouse at Washington Park Race Track in Homewood. His partner, Mr. Voegelzang, who arranged most of the color designs for the 1933-34 World's Fair, designed the new bar, using a color scheme of lemon yellow, royal blue, and mustard yellow. Mr. Shryock's murals are race track scenes, each set in a huge field glass. They are set in back of glass and lighted from behind to give the effect of actually looking through the field glasses.

The work has received favorable comments in the Chicago papers. While he was in the midst of painting the murals, Mr. Shryock brought the original sketches for them out to Miss Gladys William's three hour sketching class and explained their development in detail. The members of the class have been unusually fortunate in having Mr. Shryock working with them frequently during the past six weeks.

## C.W.E.S. WILL USE NEW EMPLOYMENT QUESTIONNAIRE

NEW FORM IN USE NEXT  
FALL; INDIVIDUAL CONFER-  
ENCES NOT NECESSARY

A new questionnaire form for students applying for Federal aid has been evolved by the C.W.E.S. committee. The questionnaire fills a pressing need for a more impersonal and objective method of obtaining information upon which depends the placement of the student.

The new form is modeled on the plan used by the University of Ohio. Conferences with individual students will no longer be necessary, for the new questionnaire will cover all the points heretofore untouched by the inadequate form used this year.

The questionnaire will be in use for the first time here when Fall term opens.  
Even with more funds available because of the increased relief money obtained by the state of Illinois from the 3 per cent sales tax to begin operation July 1, there will probably be no increase in the number of students on relief in S. I. T. C. next year. Only about 10 per cent of the total enrollment is allowed on the C. W. E. S. pay roll.

## Lorean Mayor Queen of Annual Senior Dance

At the annual Junior-Senior Prom last Friday night Lorean Mayor was crowned queen of the prom and commencement activities with a wreath of roses by Louis Bertoni, senior class president. Her majesty was attended by Eloise Wright and Polly Peaterson, maids of honor from the junior class. The identity of the queen was kept secret until her coronation, the feature of the evening, which took place at midnight.

## Chi Delta Chi to Hold Smoker and Dinner Tomorrow Night

With the approach of the summer vacation, two of the Greek organizations, the Chi Delta Chi fraternity and the Tri Sigma sorority, are holding farewell get-togethers during the last week of school.  
Following the performance of the Socratic play Thursday night, members of the Chi Delta Chi fraternity will give a smoker and dinner. At this meeting a Chi Delta Chi alumni association will be formed. Election for the first officers of the association will follow.  
Tri Sigma alumni, actives, and pledges spent Saturday night at a farewell slumber party given at the Midland Hills cottages of Miss Aileen Carpenter and Mrs. J. W. Barrow. After a swim Sunday morning an outdoor breakfast was served. Miss Carpenter and Mrs. T. W. Abbott chaperoned.

**VARSIITY TENNIS MEN SHOULD BE REWARDED**

This year for the first time, awards in the form of a minor letter were given the five outstanding members of the gym team, a move that received the approval of the student body. Since minor sports are to be given recognition in this institution, we see no reason why the tennis team should not be considered eligible for similar awards. Formerly Little Nineteen titles were given regulation '1's, but this criterion is much too high. In fact, you'll establish a standardized minor sports emblem.

Every day, weather permitting, since the latter part of March, tennis team aspirants have practiced diligently, with the result that those who were finally chosen to represent S. I. T. C. came through the season unscathed. Certainly such a record is deserving of more than newspaper mention.

However, letters, either minor or major, lose their intrinsic value if given too profusely. Limitations should be placed on their issuance in the form of requirements as to faithfulness in practice, performance in matches, and rank on the squad. This standard should be high enough to prevent the awarding of more than five letters. There is nothing that will be more of an incentive to an athlete than the possibility of receiving a letter at the termination of the season.

We feel safe in assuming that this matter will be given due consideration by those in charge of awards.

**THE STUDENT'S PART**

Several week ago, the Egyptian ran an editorial concerning the selection of the new president. It was pointed out, among other things, that the students themselves should show some responsibility in this selection. But their sense of obligation should not stop here. There should be manifested a distinct student policy with regard to the new executive and his work—a policy of cooperation, helpfulness, and friendliness which would exemplify the spirit of the school.

**AN EARLY GOAL FOR THE ALUMNI ASSOCIATION**

Tomorrow night the new S.I.T.C. alumni association is officially launched. The forming of this organization body represents one of the most meritorious actions of the college year.

The new association will be of primary benefit to its members, giving them contact with their alma mater at all times and furthering campus activities.

In a concrete way, the new group can benefit the college. It is a well known fact that there are certain improvements and additions necessary on the S. I. T. C. campus. We have reference to such projects as the installation of an amplification system in Shryock Auditorium, the purchase of a presentable curtain for the auditorium, and obtaining a good scoreboard for the new athletic field. Also some system for rewarding academic achievement especially by seniors, beyond presentation of little pins, might be developed. We should like to see advocated for the next year an entertainment series with a much more extensive theatrical-lecture program.

Then, too, there is the vital problem of a possible curtailment of the S. I. T. C. operating budget. Legislation on this matter will occupy the state assembly soon. An active organization representing the college and working for an adequate appropriation fund might wield sufficient influence to insure a large enough appropriation.

We suggest that the Alumni Association set as one of its first progressive steps the fulfillment of one of the above needs.

Let the association lead in some progressive move; we believe that the student body and the administration will follow. The Egyptian will certainly support any worthwhile improvement campaign by the Alumni Association.

**SO LONG**

So ends the first brief period of service by the present Egyptian administration, a most enjoyable time for us. We hope we've at least satisfied most of you students and faculty members. We have tried, and shall continue to try next year, to give you a real college newspaper. Your interests will be ours; your pleasure and information will be our goal.

Let's look forward to next year as a year of progress and attainment, as individuals and as a college. In the meantime, we wish you all a happy and prosperous vacation. We'll be seeing you next year.

To the famous Wilson home on South Thompson came Halligan and Vitz last week. The girls harbored there were nearly distracted by the honking that was long and loud. Betty Craig—for whom the claxon concert was given—refused to appear. Mr. Wilson did appear, however, with a double-barrelled shot gun.

Mothers take note: Wilson's is a good place to send your daughters for protection.

The way Eugene Cox and Bob Gallegue won the mock trial was by "fixing" the jury. The beer was bought at the cafe after the verdict was rendered.

Shelby Gallien is "overwhelmed by 'K' Rush's" vocabulary. No need of that, Gallien—you're no slouch as a speaker.

Jane Federer proved two things last Friday by wearing a new red dress: her ingenuity as a dress maker and a striking ability to wear Red well!

"Tarrapin" Payton hired a man to carry his medals to and from track meets last week.

"Flat-nose" Patterson is a sleep walker. Buck Franks was unable to budge him from the bed post where he clung one night recently, and the result was a landlady's wrath and his room mates' discomfited. For further details see Buck.

Fred Besant may now return the white pants he took on approval:—Paul Swofford has returned, and anyway the junior-senior prom is over.

Do certain seasons breed the vicious lies that circulate now and then or are certain people so petty they invent such damning bits of tripe at any time? The Sphinx's only interest is in people who do questionable, interesting or amusing things. Your morals are your own.

Choice news may be had from these questions:

Nedra Goggin, why did you learn so late the Iowa swain was a married man?

Charlie Yarbrough, why were you afraid of the long distance call from Cairo last week?

Harvey Creed, does your change of religion foreshadow your approaching marriage?

"Nip" Huffman, why do you intend to take a post graduate course next year?

Good statements gleaned from here and there: Marg Brown; "Five dollars for a cap and gown is a hold up!"

Al Neurone: "Dr. Swartz, the supreme court sorta nipped Mr. Roosevelt's thing in the bud last week, didn't it?"

"Hazel" Atherton: "As good a boy as ever dropped behind two shoes."

Pauline Fisher: "Lowell Flaner crunches lemon drops so loudly in the library I can't study."

A high tribute to such lectures as the one delivered by Miss Julia Jonah last week to her literature 366 class! How much more fitting was it than are most baccalaureate sermons yet, most people missed its most salient features. It had the power of a wild flower preaching against a sodden clay bank!

Perissimon sprout: You are a lout! What's more I think you're crazy. I've got it straight! That Chouser rates! And soon will cut out Bailey.

Marg Wintersteen will winter at the exclusive artist colony near Cape Cod, Mass.

**Burgess Addresses 60th Annual S.I.T. C. Baccalaureate**

The Reverend Mr. Samuel Joel Burgess, pastor of the Carbondale Christian church, addressed the graduating class of 1935 upon "The Art of Hearing" at the sixtieth annual S. I. T. C. Baccalaureate services held at Shryock Auditorium Sunday morning.

The services opened with the traditional procession of faculty and graduates into the auditorium to the orchestral accompaniment of "March of the Priests" by Mendelssohn, played by the college orchestra. The Reverend Mr. Wilkes B. Watson of the First Baptist church gave the invocation, which was followed by the hymn, "Faith of Our Fathers."

As a special musical selection, the MacDowell club, under the direction of David S. McIntosh, sang, "Lo, God Is Here."

Following the address by the Reverend Mr. Burgess, the benediction was pronounced by the Reverend Mr. Watson, and the services closed with the recessional, a march from "Aida," by Verdi.

**Marjorie Womble Holds Envious Activity Record**

Marjorie Womble, a graduating senior, will be remembered for her scholastic ability and her active participation in the French club, Soractic society, and Debate club. Besides taking part in the various regular programs of these organizations, she played the difficult role of Miss Prism in last year's Soractic play, "The Importance of Being Earnest."

Miss Womble's outstanding work, however, has been in intercollegiate debating. She has taken part in collegiate debates with Cape Girardeau, Evansville, and McKendree. During her entire four-year career she has competed in only one debate in which the team of which she was a member received an adverse decision. Her logical presentation, her dry wit and ready ability in refutation, have led able critics to name her as one of the most capable debaters on the campus. She is one of the few members of the Debate club who is eligible for an organization award this year.

In mentioning her achievements, it is also to be remembered that Miss Womble has done outstanding work on the Egyptian staff, and this year received the award for the second best feature story in the Illinois College Press Association.

**With The Graduates**

Glean Goddard, son of head Janitor Goddard, was recently elected to the city council of Palo Alto, California, in a non-partisan election. Mr. Goddard is also principal of the Mayfield grammar school of Palo Alto. He graduated from the two year course here in 1917.

Clarence S. Arnold was married on Tuesday, May 28, to Miss Ruth Stephenson of Flint, Michigan. Mr. Arnold was president of the senior class of 1932 and business manager of the Obelisk in 1931. He is teaching in Emerson Junior High School in Flint.

George Harry, '34, is doing relief work in Bend, Illinois. Harold Lingle, '34, of Jonesboro, has been attending the Kent Law School in Chicago.

Priscilla Murray, '32, is principal of the two year high school at Kaskaskia.

Ruth Stevenson, '34, is teaching in Harrisburg. She will spend the month of July studying social work in Cincinnati.

Irma Obersto, '34, is teaching English and Latin at Simpson.

Carl Renshaw, '33, has concluded his first year as a teacher in the Karnak high school. He will return there in the fall. During the past spring Mr. Renshaw's track team finished second in the Pulaski county meet, losing to Mounds by a single point.

**FRENCH CLUB CONSIDERING NEXT YEAR'S SOCIAL PLANS**

Oliver Karaker, president of the French club, has begun premature plans for the club next September. He advises a new plan for the number and types of meetings each month. Instead of one meeting there will probably be one social and one literary meeting each month. The French luncheons will be continued, and the social entertainments will include more card games than heretofore.

The officers who will assist the president are the vice president, Ruth Tweedy, and the secretary-treasurer, Jasper Cross.

**KAPPA PHI KAPPA HONORS DISTINGUISHED MEMBERS**

At the regular meeting of Kappa Phi Kappa last Thursday evening action was taken to honor those members who have been especially active in the fraternity during the past year. Besides the officers the following members distinguished themselves: Shelby Gilbert, Dolin, Glenn Gregory, Ralph Goddard, and Gordon Dodds.

**Faculty News**

Miss Madge Trout will visit Miss Louise Bach at the latter's home in Bloomington next week-end.

Miss Ruby Van Trump entertained at a dinner last Sunday in honor of Mrs. Katherine Fox Allen, who is resigning her position at the Wheeler Library. Other guests were Mr. Calloway Allen, Dr. Thelma Kellogg, and Miss Opal Stone.

Miss Mary Entsminger entertained the teachers of the Ailyn Training School last Tuesday evening at her home.

Dr. Mary M. Stegall has as her Dr. A. C. Hodge, and his wife, of Chicago.

Mrs. Ruth Husband Pulte entertained the teachers of the Ailyn building at her home in East St. Louis Saturday.

**Debate Club Gives Four Honor Awards**

In order to accord recognition to those who have done outstanding work in debating, the Debate club is awarding gold pins to four members. Virginia Spiller, Marjorie Womble, William Browning, and Lowell Samuel meet the requirements, since they have participated in at least two intercollegiate debates.

Miss Spiller and Miss Womble were teamed together against Cape Girardeau and Evansville last year. In addition, this year Miss Spiller debated against the University of Missouri, while Miss Womble won in a contest with McKendree. This year marked Mr. Browning's first appearance in collegiate debating, when he engaged in the Murray and Cape Girardeau forensic meets. Mr. Samuel, a freshman, debated against the Cape Girardeau and Murray Teachers Colleges.

Allen Graves, one of the most versatile of the graduating seniors, has distinguished himself both in scholarship and activities. This year he has been president of the Kappa Kappa Kappa fraternity and also a member of the School Council. He is a member of the MacDowell club, B. S. U. and P. U. U. Mr. Graves is president of the latter organization. He has led the singing in both of the Baptist unions and, as a member of the B. S. U. quartet, took part in the chapel exercises several times last year, as well as in various other town and campus programs.

For the past few months Mr. Graves has been teaching in the Herrin grade school, but he is considering a theological career. Characterized by his sympathetic humor, his musical and speaking ability, he has the qualities necessary to make a leader in whatever profession he chooses.

FACULTY WINS COLLEGE BASEBALL LEAGUE TITLE

CRAMER AND BARTIMUS TANGLE IN EXTRA INNING HURLING DUEL

The Faculty captured the College Baseball League title Monday night as they defeated the Fly Swatters, 4-3, in an extra inning struggle.

McIntosh scored the winning run on DiGiovanna's grounder, when Massie threw high to the plate.

Cramer, pitched for the Faculty, hurled steady ball and struck out six men, while walking only two. Bartimus of the Swatters had the same record but received less hitting in the pinches.

19 TRACK LETTERS AWARDED; PAYTON LEADING SCORER

VICTORY IN TEACHERS MEET HIGHLIGHT OF SUCCESSFUL MAROON TRACK SEASON

Nineteen S. I. T. C. trackmen will receive varsity track letters for the year, with Robert Courtney of Warion, athletic manager, also on the list, it was announced at the athletic office last week. This is less than has been customary. The qualifications for winning letters are the scoring of fifteen points during the season or the scoring of one or more points in either Little Nineteen or State Teachers College meets.

The men who will receive letters and the points scored by each are as follows.

Gene Payton, 88; Harry Bauder, 70; John Crisp, 64; Dale Hill, 19 1/2; Wilmer Piper, 35; Morris Heiderscheid, 23 1/2; Bryan Kagle, 22; Max Parsons, 21; Francis Glesko, 21; Robert Reeves, 20 1/4; Mac Aiken, 20; Reed Tullis, 15 5/6; James Newton, 16 1/4; Vincent Paredis, 11; James Oud, 3 3/4; Horrell Hayes, 2 1/2; John Buckner, 2 1/2.

The following men have also competed in one or more events during the past year. They have failed to score enough points to receive a letter: Milan Warfield, 7; Marvin Lawson, 6 5/6; Lee Chenoweth, 6; Russell Emery, 4; Wilbur George, 3; Raymond Keahn, 3; George Dohanich, 1; Francis, 1; John LeDre, 0; John Moss, 0; Marion Wiley, 0; Lester Deason, 0; Byford Raines.

Competing in one less meet than most of his teammates, Payton, freshman flash from Carter Mills, piled up 88 points to be handsy the leading individual Maroon scorer. Payton reached his top form when he scored eleven points to capture individual scoring honors at the Little Nineteen meet. Payton won this honor, the first time for an S. I. T. C. athlete, by scoring seconds in the 100 and 220 yard low hurdles.

Bauder Second High Payton's closest competitor in individual scoring was Harry Bauder, dependable weight man. Bauder counted 70 points during the season. He acted as field captain for the squad during the season.

The track team closed a successful season by placing seventh in the Sixteenth Annual Little Nineteen track and field meet, May 23.

The highlight of the season was the winning of the season by the Southerners piled up 56 2/3 points to win by a narrow margin over Old Normal and DeKalb Teachers. Gene Payton scored 15 points to lead the winners and set a new Teachers College meet record for individual scoring.

The Maroons also ran up top heavy victories over McKendree and Charleston Teachers and scored an unexpected win over Washington University of St. Louis, 76-55.

The single-coached team ran up 96 points in a quadrangular meet with Illinois College, McKendree, and Shurtleiff to score more points than the combined opponents' total. "Fuzz" Hill and Payton hung on well all-time College records in the broad and 220 low hurdles, respectively.

K.D.A. Eliminated By Monkeys in Close Contest Last Week

In the two decisive games of last week in the College Baseball league, the Monkeys nosed out the K. D. A.'s, 4-3, and the Faculty came in ahead of the previously undefeated Fly Swatters, 6-2. These results eliminated the fraternity team from playoff consideration, and placed the Faculty in the finals against the Swatters.

The most exciting game was the Monkey-K. D. A. fray, which found the Monkeys with a 4-0 lead going into the final inning. In the first half of the last chapter, the Kappa Deltas staged a three run rally with two out, but were cut off by a strikeout with the bases full. Arbetter, Monkey pitching ace, hit a wild streak in the last frame by prolonging the rally, but maintained his strikeout record by whiffing twelve. He allowed only one hit, an infield scratch. The lineup:

The summary: Two base hits, Tullis; double plays, Moore to Dohanich, Moore to Dohanich to Bertoni. Bases on balls, off Arbetter 3, off Hall 6, off Brown 2. Strikeouts, by Arbetter, 12; by Hall 2. Hit by pitcher, by Arbetter, (Crane, C. Broadway), by Bertoni (Young). Left on bases, Monkeys, 7, K. D. A. 8. Umpires, DiGiovanna, Van Lente.

This Faculty-Fly Swatter game was easy for the teachers, who started with four runs in the first. The scoring was done on a walk by DiGiovanna, a homer by Cramer, a single by Van Lente, a double by Neckers, and a one-baser by Hall. The Swatters counted a pair in the fourth, but these were quickly covered by the Faculty in their half, and Cramer held the Swatters in check the rest of the way.

In the other games the U. High defeated the Tigers by the close score of 15-6, leaving the latter in undisciplined possession of the league cellar, and the Raiders trounced the Meddlers, 8-3, in a loosely played Memorial day game.

S.I.T.C. FOOTBALL OUTLOOK FOR 1936 APPEARS BRIGHT

20 LETTERMEN ELIGIBLE AS BACKFIELD SUFFERS MOST SERIOUS LOSS

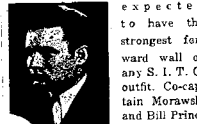

If the twenty lettermen who are underclassmen this year return to school next fall, another successful football season for S. I. T. C. should be in store for 1936.

Last year the maroon and white team was beaten out of the Little Nineteen championship by losing to the Illinois Wesleyan Titans in the last game of the Maroon's schedule.

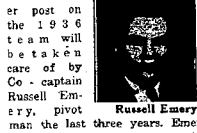

Southern losses Lenich, Wolfenbarger, Holder, O'Malley, Gray, Pepsy, and Altherton by graduation. The first three named were the chief backfield threats, while Gray was the outstanding pass catcher of the conference.

The combination, Lenich to Gray, was Southern's most serious attack last fall, and will be missed by the Maroon's followers next season.

Line Practically the Same The Teachers, with practically the same line of last season, are expected to have the strongest forward wall of any S. I. T. C. outfit. Co-captain Morawski and Bill Prind-

Bill Morawski is, his running mate for the past two seasons, will be the veteran tackle pair with Coach McAndrew can depend on. The Maroons will also be strengthened in this department by the availability of "Buck" Franks, freshman numeral winner at the University of Illinois in 1933. Franks is a 200 pounder with plenty of speed and strength.

The center, Russell Emery, was out of the lineup last year due to a broken ankle in the first game. Weight of Coach Matzka. At the guard positions will be Earl Dabney, George Holliday, Lester Deason, and John Book, letterman of last fall. George Schermer, a freshman, who played his first football last season, will be hard to keep off the regular team. The ends can be chosen from Polly Moorman, Charles Patterson, Bobby Rice, Earl Staley, and Ronald Pickford. The former two are veterans.

ALONG THE BASELINES:

Dal Young, peppery Monkey second baseman, probably had none too rosy visions of himself as the local Fred Snodgrass when he lec Bob McCluskey's roller get through his legs in the ninth inning of the "semi-final" game between the Monkeys and K. D. A.'s. The play which should have made the third out came after two walks and filled the bases, whereupon Arbetter forced three runs in before he, fanned Mathews to end the rally.

Final averages show Harold Arbetter of the Monkeys to be league's strikeout king, with 56 whiffed batsmen to his credit. Bartimus of the Swatters and Trovillion of the Y. M. C. A. are second and third with 48 and 40, respectively. Fifty pitchers have struck out at least one batter.

Hinkley of the Meddlers has the rather doubtful honor of having walked more men than any other pitcher, with 27 bases on balls. Prout of the Purple Raiders comes second in this department with 22 passes. Forty-five hurlers have walked at least one batsman.

The Faculty ended the season with the best fielding average with six errors in five games. The Monkeys were runners-up with eleven miscues in seven games. The Y. M. C. A. with 37 errors.

In the backfield will be nine returning lettermen. Tom North leads this pack, being the only regular from last year. Besides North, McAndrew has Hill, Brown, Crain, Glenn Deason, McMillan, Hickey, Ghent, and Heiderscheid from whom to pick his first four.

Newcomers may provide replacements or even star material, as the calibre of high school football in southern Illinois last fall was unusually high, with several strong teams and many outstanding players.

Arbeter of the Monkeys added the "bean ball" title to his "strike-out king" honors as he hit six batsmen. Vaughn of the Flashers hit five for runner-up position.

Bob Moore, K. D. A. lead-off man, had the undesirable honor, having been hit more times than any other batter. Moore has been hit four times, while Dallas Young of the Monkeys has been drilled with the ball three times.

Mark Hall of the U. High got a home run for his first hit of the season in the U. High-Tiger game of last week.

Another summer baseball league is being planned, with any house organization group eligible to form teams and enter them. Play will be three or four times a week, and the league will probably begin operations the latter part of next week. Organization activity will occupy the first part of the week.

Several players are already lined up with clubs for the summer league, and the spring league rivalry will continue in the summer season group. Incidentally, the new diamond, located at the south end of the old athletic field, is about ready for play, and will be in use through the summer.

Seniors-Faculty Game Today at 2:30

The third annual Faculty-Seniors baseball series will start this afternoon at 2:30 on the lower field. The second game will be played tomorrow afternoon. The probable starting pitcher for the Seniors will be Reed Tullis or Captain Bertoni. Dr. K. A. Van Lente or Dr. J. W. Neckers will be the hurling for the Faculty.

THREE OF MONKEY NINE DRAW BERTHS ON ALL STAR TEAM

Though they didn't take the championship in the College Baseball league, the Monkeys did capture the honors in the league all star nine, selected by Dr. R. L. Byer, league commissioner, and members of the Egyptian sport staff.

Three Monkey players rated first team choices, while two from the Faculty, two from the Swatters, and one each from the Hunky Dories, Chi Deltas, and Kappa Dels, completed the all star choice. The team: Lay, Monkeys, 1b; DiGiovanna, Faculty, 2b; Best, Swatters, 3b; Bertoni, K. D. A., ss; Dunn, Monkeys, lf; Gadge, Swatters, cf; Holliday, Chi Deltas, rf; Cramer, Faculty, c; and Arbetter, Monkeys, and Edwards, Hunky Dories, p. Creditable mention: Young, Monkeys; Logan, U. High; Van Lente, Faculty; Hinkley, Meddlers; Loy, Raiders; Bartimus, Swatters; G. Shaver, Swatters; and R. Shaver, Monkeys.
