Schneider To Step Down As English Chairman

Department Head For 16 Years

William B. Schneider, chairman of the Department of English, has requested that he be relieved of his duties as chairman at the end of the summer quarter.

Schneider, who has been chairman of the English Department for 16 years, will be eligible for retirement at the end of the next academic year.

English Department will miss his devoted leadership."

At Schneider's request, Piper has appointed Robert J. Fanner and William A. Benziger, both professors of English, to a search committee to recommend a successor to Schneider.

"We are in no hurry to make a decision," Piper said. "It will not be easy to find a replacement for Professor Schneider. Fortunately the English Department is well supplied with competent persons who can serve in a temporary capacity until a new chairman is selected."

Schneider came to SIU in 1936. He received his B. A. and M. A. degrees from the University of Illinois and his Ph.D. from Chicago. He taught at the University of Illinois, Eastern Illinois, the University of Chicago and Gary College before coming here.

During the war he was appointed by President Roscoe Pulliam of SIU to be chairman of a state-wide campaign organized to help pass the original bill authorizing expansion of SIU from teachers college to university status. The bill became law in 1943.

During his years at Southern, Schneider has been especially active in undergraduate English education and in the relation of SIU's English program to that in area high schools.

He helped organize the program of English workshops for high school teachers which have been held here each summer for the past six years.

Schneider is a member of Phi Beta Kappa since 1924 and an active member of the National Council of Teachers of English and the Conference on College Composition and Communications.

WILLIAM SCHNEIDER

In announcing Schneider's request, Dean Henry Dan Piper of the College of Liberal Arts and Science, did not indicate in what capacity Schneider would serve until his official retirement.

"Over the years, Professor Schneider has come to embody that concern for great teaching that is one of SIU's great traditions," Piper said. "The

Dark Is Temporary Replacement For Anthropology Head

Philip J. C. Dark has been named acting chairman of the Anthropology Department, effective July 1, by the SIU Board of Trustees.

Dark, a professor of anthropology at SIU since 1961, will replace Walter W. Taylor, who will be doing research work during summer and fall quarter.

Dark, who received his master's degree and doctorate at Yale, was on the faculty at University College, Nigeria, and University College, London, England, before coming to Southern.

Taylor will spend the summer in Santa Fe, N.M., writing reports on excavations he did in 1956 and 1958 for the Mexican government. During fall quarter he will be doing research and giving lectures in Europe.

He will return to the SIU campus winter quarter.

Report Student Shoots Himself

Jon C. Fitzgerald, 21, a former SIU student who withdrew from school May 15, was killed by a shotgun blast, apparently self-inflicted, in his hometown of Aurora Tuesday night.

Authorities termed the death an apparent suicide. Fitzgerald, an economics major, was a sophomore.

He was married and had a two-year-old son. Authorities said he reportedly had been having marital difficulties.

Funeral services will be held at 9:30 a.m. today at Our Lady of Good Counsel Church in Aurora.

Spirit Council Is Seeking Members, 'Rabble Rousers'

The Southern Spirit Council is now accepting applications for next year's committees.

The application forms may be obtained and turned in at the University Center Information Desk.

Council members will be selected on the basis of their desire to improve Southern's school spirit and not on past experiences, according to John Boehner, co-chairman of the Spirit Council.

The Council hopes to coordinate the band's cheers, the cheers by cheerleaders, enlarge the card section and possibly establish a group known as the "Rabble Rousers," he said.

Any other suggestions for improving school spirit will be gladly accepted by Boehner or Trudy Kulesa, the other Spirit Council co-chairman, at the Student Government Office.

THE HULA, TAHITIEN STYLE - A member of the drum dancers, which performed for the Salu-quaroma activities yesterday, demonstrates the

hula to practicing SIU coeds. Hundreds of students, seeking sun tans and study breaks, turned out for the activities at the Lake-On-The-Campus beach.

Distinguished Service:

Five Alumni Will Be Honored At Annual Banquet June 8

Five distinguished alumni will be recognized by the SIU Alumni Association at its annual Alumni Day banquet on June 8.

Three will be presented 1963 Alumni Achievement Awards for service to Southern and to the Association. Two will be given the Awards for professional achievement.

Mrs. John S. Lewis (Elizabeth Harris) of the class of 1932 will be honored for service. Mrs. Lewis, a Carbondale resident, has been a member and secretary of

the association Board of Directors since 1949.

She has served on the Legislative Council and has been a member of numerous committees of the Association. She is the wife of Dr. John S. Lewis, physician and surgeon.

A second Achievement Award for service will go to L. Goebel Patton of the class of 1938. Patton, whose home is West Frankfort, has been a member of the SIU Foundation board of directors for 12 years and has served both the University and the Alumni Association.

From 1940 to 1959 he worked in the West Frankfort school system and was president of the southern division of the Illinois Education Association and of the Illinois Elementary School principals Association.

Dr. Guy W. Lambert of the class of 1933 will also be recognized with an award for service. Dr. Lambert, a West Frankfort dentist, began serving Southern as student sports editor of the Egyptian and the Obelisk and senior class president. He has been a member of the Alumni Board of Directors since 1954 and was president of the Association in 1956-57.

For his professional achievement, the Association will also honor Richard T. Arnold of the class of 1934. Arnold is president of Meade

Johnson Research Center in Evansville, Ind. Since 1960 he has been directing industrial research for the pharmaceutical firm after five years as a program administrator for the Alfred P. Sloan Foundation.

He also has served eight years at the University of Minnesota.

A second award for professional achievement will be given to Ralph B. Thompson of the class of 1934. Thompson, who is now manager of division research with Nalco Chemical Company in Chicago, established his career in the field of petroleum chemistry.

He began as a chemical research assistant to James B. Conant, president of Harvard University. After that he spent more than 20 years with Universal Oil Products, the last six as research coordinator. Thompson is the author of numerous scientific papers, holds 96 patents, and has twice been guest of honor of the Latin American Chemical Congress.

These five recipients of the seventh annual Alumni Achievement Awards bring the total number of alumni who have received this honor to 30. These men and women were nominated by members of the Association and by University faculty because of their outstanding work and service.

Gus Bode...

Gus says one way to find out how many experts there are on the campus is to hang around the Egyptian Office.

SIU Student Appointed for Bolivian Mission Work

William Spencer, senior at U, has been appointed a missionary to Bolivia by the Board of Missions of the Methodist Church.

For the next three years he will be teaching in Methodist secondary schools at Santa Cruz.

"Because of the new transportation facilities which the discovery of oil in the Santa Cruz vicinity demanded, the area is changing rapidly. More important, the people are becoming more receptive to change," Spencer reported.

"I spent six weeks in Latin America last summer, one week of which I worked in Bolivia. I was working with four other students on a Methodist Student Movement Travel Seminar and Work camp."

"One of our more interesting projects," Spencer said, "was to dig holes for outcrops for a Bolivian school.

The boys dug the hole and the girls carried the large bricks with which the hole was lined."

At one point on the tour the group with which Spencer was traveling was mistaken for a detachment of the Peace Corps. Their picture was taken and appeared in a local newspaper.

Asked why he wanted to work on such an assignment Spencer answered, "I think my commitment to my faith required it of me. So few people are both willing and qualified to go, and one visit reveals how desperately they need teachers."

Spencer will leave June 17 for an orientation session at De Pauw University, Greencastle, Ind. From there he will go to Stony Point, N. Y., for training. He will study Spanish, systematic theology, Christian doctrine, comparative religions, and communism.

WILLIAM SPENCER

Spencer's acceptance by the Board of Missions was the realization of a plan begun a year ago when he first began to correspond with the Board.

Last December he began filling out his first information sheets and had his medical examination. In March he was given a psychological evaluation and prepared his final application forms.

Foundation Activities:

Graduating Seniors Honored This Weekend

The religious foundations are honoring their graduating seniors this weekend with a flurry of outings.

The Baptist Student Union is observing "Senior Salute" today with festivities at Carbondale Reservoir Park.

The group will meet at the Baptist Student Ministry at 5:30 p.m. The Tour Train will transport the students to the park where the recreational activities will be highlighted by the annual turtle race.

The Lutheran Student Association will celebrate the end of the school year with "Final Fling," to be held at Crab Orchard Lake Sunday.

Activities will include swimming, volleyball and softball. A picnic supper will be served at 5:30 p.m.

Transportation will be provided from the University Center at 2:45 p.m. Reservations may be made by calling 7-2065.

The Student Christian Foundation honors its seniors tomorrow with a swimming party at Crab Orchard Lake. Boating and water-skiing equipment will be available.

Those who wish to go early may meet at the foundation for transportation at 1:30 p.m. Rides will also be provided at 5 p.m.

A supper will be served at the lake at 5:30 p.m.

Gamma Delta members will have their "Farewell Final Fling" Sunday. A send-off for graduating seniors, the picnic will feature competitive sports.

The location is secret but transportation will be provided from the Lutheran Student Center at 4 p.m.

The outing has been planned by the newly-elected officers. Kappa Phi, an organization for Methodist student women, will initiate new pledges and honor the active seniors who are graduating in programs scheduled for tomorrow.

The group will attend services at First Methodist Church tomorrow. Following the service the Degree of the Light--initiation of spring pledges--and the Degree of the Rose--final service for active seniors, will be observed.

The group will then travel to a Marion restaurant for dinner.

Wesley Foundation To Present

'Sign Of Jonah' Sunday At 7

A play, "The Sign of Jonah," written by Guenter Rutenborn, will be presented at the Wesley Foundation Sunday, June 2, at 7 p.m.

Rutenborn is an Evangelical Lutheran minister in East Germany.

The play was first given in America by Union Theological Seminary. Brooks Atkinson described the play as "remarkable and outstanding." "Time" called it a smash hit.

The "American Magazine" called it the most significant play produced in New York during the 1956-57 season.

In the play a group of people meet to place the blame for the war. They shift the blame from one to another until it is finally shifted to God. The judge pronounces sentence on God and condemns God to the hellish task of becoming a man. At this point the audience realizes that God

has already served that sentence.

Members of the cast are John Kurtz, Fred Miksch, Merv Oliver, Tom Isbell, Sam Zalatimo, Louise Gordon, Gerald Shriver, Angela Lowe, and Terry Turner.

The play is open to the public.

'Sociological Quarterly':

Professional Journal Enhances SIU Image

"The 'Sociological Quarterly' has no ax to grind, it is just interested in making a contribution to sociological knowledge."

These words come from Peter A. Munch, professor of sociology and editor of the "Sociological Quarterly."

The "Quarterly" first came to Southern in 1960 with sociologist Paul Campisi, chairman of the Department of Sociology. It was at that time, and is still, associated with the Midwest Sociological Society. Since its arrival at Southern this professional journal has expanded and become an important medium for publication of scholarly contributions in sociology.

Not only is it important as a resource for sociological knowledge, but it acts as an ambassador for Southern Illinois University in 46 states

and 36 countries where it is now circulated.

"It is definitely of great importance to Southern because each issue carries the name of SIU over the world in what is a recognized scholarly magazine. Though most important are its scholarly achievements, it is also an outlet for making this university known and for creating an image of SIU," said Munch.

The "Quarterly" is financed by subscribers from the Midwest Society and elsewhere. SIU furnishes a small cash supplement plus the aid of secretaries for editorial assistance and also the services of the General Publications department. Dr. Sina Spiker, of General Publications, copyedited the journal.

Though in content the "Quarterly" is basically concerned with sociology, it is attracted to other fields.

"We have what might be called an artificial division. Sociology enters the fields of psychology, philosophy, and geography. Our publication is interested in manuscripts in these fields as connected with sociology," Munch said.

"We are interested in and receive manuscripts from sociologists all over the world. Such famous sociologists as William Ogburn, Anselm Strauss, Herbert Blumer, and Jessie Bernard are contributors to the "Quarterly," continued Munch.

Munch and his staff are starting an aggressive campaign to increase the status and the subscribers of the "Sociological Quarterly."

THE SAFE WAY to stay alert without harmful stimulants

NoDoz keeps you mentally alert with the same safe refresher found in coffee and tea. Yet NoDoz is faster, handier, more reliable. Absolutely not habit-forming.

Next time monotony makes you feel drowsy while driving, working or studying, do as millions do... perk up with safe, effective NoDoz tablets.

Another fine product of Grove Laboratories.

Saturday, Sunday, Monday

Activities Guide

May the sun keep shining and the bugs go home. Student groups are planning picnics for the weekend. All reserved areas of Lake-on-the-Campus are in the south east section. The numbering runs clockwise. Several of the continuing Sunday features will be held as usual. Many student groups, however, are slackening the pace for the quarter's end and exams.

Social Affairs

Students of SIU Vocational and Technical Institute will be attending their annual Spring banquet and dance tonight in the University Center Ballroom, starting at 6 p.m.

The Baptist Student Union will honor senior members with a picnic, "Senior Salute," at the Lake-on-the-Campus, pavillion 5, from 4 to 9 p.m. today.

The Sociology Club is planning a picnic today starting at 12 noon at Lake-on-the-Campus.

Smith Hall has planned a beach party starting at 8 o'clock tonight at Lake-on-the-Campus.

Woody Hall people are picnicking at Lake-on-the-Campus Sunday from 4:30 p.m. to 7. They have Area no. 5 reserved.

A boredom break featuring lemonade and music will again be held at 4 p.m. Sunday on the University Center Patio.

Cultural Activities

"Artists at Southern, 1963" will be featured in the Mitchell Gallery from 8:30 to 12 noon today.

This week's Sunday Concert will feature the Southern Illinois Symphony and Oratorio Chorus in Shryock Auditorium at 4 p.m.

"The Relationship Between Faith and Reason" will be the topic of discussion during the Sunday Seminar to be held in the Ohio Room of the University Center at 8 p.m. Mr. Burton F. Levy will be the guest speaker.

Brent Kingston of the Art Department, discussing "Movements in Contemporary Metalsmithing," will be the speaker for the Educational and Cultural Committee of the University Center Programming Board. It will be held at 7:30 p.m. in the Gallery Lounge of the University Center.

The Music Department will present two student recitals on Monday, Russell Riepe, piano, from 8 to 10 p.m. in Shryock and Charles Kendall, piano, in Altgeld, Room 115, at 4 p.m.

Films

The University Center Programming Board will present Sportsmen's Films in Room F of the University Center form 2 to 4 p.m. on Sunday.

Religious Groups

The Canterbury Association is having a supper and program at the Canterbury House Sunday starting at 6 p.m.

Lewis Named Chamber Of Commerce President

Dr. John S. Lewis, physician and surgeon and a long time resident of Carbondale, was named president of the Carbondale Chamber of Commerce Wednesday, following the resignation of Leonard Bening of the Bening Construction Co.

Both actions were taken at a meeting of the Chamber Wednesday afternoon. The meeting was called following a complex of resolutions issued last week by elements of the Chamber, attempting to express positions on Southern Illinois University's proposals to expand into the city. Col. Alexander MacMillan, director of SIU's Transportation Institute and a director of the Carbondale Chamber of Commerce said "all elements" of the Chamber were presented at the meeting.

Another matter discussed and clarified at the Wednesday

meeting was the resolution released May 23 under the name of the Board of Directors of the Carbondale Chamber of Commerce calling for a halt in SIU's expansion into the city.

The new president was elected unanimously by the 25 of the 36 members of the Chamber present at the meeting according to MacMillan. Bening served as president for the past 18 months.

TAXI!
yellow cab

- D I A L -
457-8121

Wesley Foundation students will present a play Sunday, "The Sigh of Jonah," at Wesley Foundation. It will start at 7 p.m.

Sports

Swimming at Lake-on-the-Campus will be open from 1-7 p.m. every day. Co-recreational swimming is open at the Pool from 7-10 p.m. Saturday and from 1-5 p.m. Sunday. An SIU bus is leaving this morning at 10:30 to take students to see a ball game between the St. Louis Cardinals and the San Francisco Giants in St. Louis. The bus will leave from University Center.

Track intramurals will be run off from 1-5 p.m. today at McAndrew Stadium. Intramural Bowling has been scheduled for today from 6-9 p.m. in the University Center lanes.

Tennis, horseshoes and weight lifting are intramural sports scheduled for Monday. Tennis will be on the New University Courts from 3-7:30 p.m.; horseshoes at the same time north of the Men's Gym and weight lifting at the Quonset Hut from 7 to 10 p.m.

The Judo Club will meet at the Quonset Hut from 5-7 p.m. and the Saluki Flying Club will meet in the Agriculture Seminar Room of the Agriculture Building from 7:30-10 p.m.

Meetings

The Tiddly Wink Club is meeting today from 2-5 p.m. in rooms F and H of the Center. Zeta Phi Eta, organization of women Speech majors, are meeting Sunday in Room E of the Center from 3-5 p.m.

Phi Lambda Theta, women's education scholastic honorary, is meeting to install officers at 4 p.m. Sunday in the Library Lounge. The Rifle Club will meet from 2-5 p.m. Sunday at the range on the fourth floor of Old Main.

Inter-varsity Christian Fellowship has scheduled three meetings for Monday, all in the University Center. Meeting times will be 10 a.m., 5:30 p.m. and 7:30 p.m.

The Baptist Student Union will hold a Council meeting at the Baptist Student Union at 9:15 p.m. Monday.

The University Center Programming Board Painting Club is meeting in Room H of the Center at 8 p.m. Monday.

There will be a Monday meeting of the Thompson Point Program Board at the Thompson Point Student Government Office at 9 p.m. Alpha Phi Omega, national service fraternity and the APO pledges are scheduled to meet Monday in Rooms C and D of the Center at 9 p.m.

The Jewish Student Association will also meet on Monday, Room Hof the Center at 7:30 p.m.

PI Delta Epsilon, Journalism fraternity, will meet Monday in Room D of the Center at 8 p.m.

Tests

The Experimental Freshman Year is doing some testing in Browne Auditorium from 10 a.m. to 5 p.m.

LARRY BALDWIN (LEFT) WITH JOE TAYLOR

Theta Xi Fraternity Elects Larry Baldwin President

Larry Baldwin, a junior recreation major from Harrisburg, has been elected president of the SIU chapter of Theta Xi Fraternity. He replaces James Berg, who has served as president since January.

Also elected by the chapter were Jim Merz, house manager, and Steve Johnson steward. These men were installed Monday at a formal meeting in the Chapter Room of the Fraternity House.

Joe Taylor is the new vice president. Other newly-elected officers include Bob Santo, pledgemaster; Mary Schroeder, scholarship chairman; Rick Gazek, social chairman; Gary Libberton, treasurer; Carl Adkins, corresponding secretary; and James Berg, external vice president.

Naturalists Hold Organization Meet

The Southern Illinois chapter of the Natural Food and Farming Club recently held its first meeting in the Family Living Lounge.

This newly formed organization has two purposes. First, to teach people the values of uncontaminated natural food grown on fertile soil and secondly, how and where to obtain this food. This organization is part of the Natural Food Association. Anyone desiring further information about this club contact Frances Gorelik, 9-2085.

Associated Press News Roundup:

Soviet Disarmament Plan 'Nonsensical' - U.S.

GENEVA

The United States told the disarmament conference today the Soviet demand for a nuclear-free zone in the Mediterranean is nonsensical propaganda.

U.S. Ambassador Charles Stelle pictured the indignation with which the Soviet Union would respond to a comparable Western proposal to enuclearize the full territory of all states bordering on the Caspian Sea—the Soviet Union and Iran.

"Clearly each side is capable of thinking up such unbalanced schemes," Stelle told the conference. "But we in the West are sensible and responsible enough not to burden our conference and world public with such nonsense."

WASHINGTON

Secretary of State Dean Rusk cautioned Friday that the West has no reason to

relax because of differences between the Soviet Union and Communist China.

On the contrary, he wrote, the dispute may even have the effect of deepening, rather than moderating the cold war.

Rusk, in an article written for the magazine Nation's Business, said the conflict does not affect the basic Communist objective: The extension of Communist control throughout the world.

He said both the Red Chinese and the Soviets "may feel it necessary or desirable to pursue a more aggressive course."

"We need to be more than ever on guard," Rusk declared.

INDIANA POLIS

A controversy over Thursday's 500-mile race triggered a motel fist fight Friday between winner Parnelli Jones and Eddie Sachs, who claimed his car spun out because of oil spilled by Jones' car.

About 75 persons witnessed the brief fight at a luncheon at the Holiday Inn near the Indianapolis Motor Speedway. Jones smashed Sachs once in the face with his fist, the two grappled and then fell to the floor wrestling. Spectators

THAT'S NO "CUBA LIBRE"

broke up the fight quickly. Neither driver appeared to be injured.

WASHINGTON

Ecuador rejected today Secretary of State Dean Rusk's plea for release of two U. S. tuna boats as a preliminary to working out a solution of

the dispute over their fishing in waters off Ecuador. Instead, the State Department said, Ecuador has notified the United States that the two seized U. S. vessels have been taken to an Ecuadorian port and will be subject to the procedures of Ecuadorian law.

WASHINGTON

Farm product prices declined 1 per cent between mid-April and mid-May.

Reporting this today, the Agriculture Department said the most significant price declines were for cattle, eggs and milk. Partially offsetting were higher prices for oranges and hogs.

The mid-May farm level was one-half of 1 per cent below a year earlier and about 23 per cent below the record set in 1951.

BONN, Germany

The West German Parliament gave its final approval Friday to the treaty signed in January by President Charles de Gaulle of France and Chancellor Konrad Adenauer. The document seeks to end the centuries-old hostility between the French and Germans.

Three Students Suspended After Fight At Crab Orchard

Three students have been suspended from the University for their part in a recent fight with a group of non-students at Crab Orchard Lake, campus officials said.

James Pasko, 20, a sophomore from Chicago, and James O'Shea, 19, a freshman from Chicago, were suspended, effective immediately, until Sept. 15 and will be placed on disciplinary probation through next fall quarter when they return to school.

Authorities said O'Shea had displayed a knife during the fight and attacked one of the Johnston City group with a paddle, causing an injury re-

quiring several stitches. Pasko, they said, was responsible for displaying a rifle during the fracas.

Irwin Johnston, 23, a senior from Carbondale, was suspended, effective June 14, the end of the quarter, until Sept. 15. He also will be placed on disciplinary probation next fall quarter.

Authorities said Johnston, at the height of a tense situation, asked one of the non-students to turn over a list of car license numbers which the non-student had written down. They said this probably precipitated the brawl.

Last week the group of non-students from Johnston City agreed to drop charges against the student group when the students agreed to pay for damages and medical expenses of the injured persons.

Students Fined For Noisy Party

Five students were fined by Police Magistrate Robert Schwartz on peace disturbance charges after they were reported to be having a noisy party in a trailer in the 600 block of South Washington Street early Wednesday morning.

Fined were Charles Bugle, 20, a sophomore from Mattoon; Brian Maloney, 19, a sophomore from New York City; James Koritte, 20, a junior from Effingham; James Lowber, 20, a junior from Morrison; and Donald Baltunis, 23, a senior from Argo.

Bugle was fined \$50 and the other four were fined \$75 each. Some members of the group were fined for underage drinking in addition to peace disturbance, campus security police said.

The alleged party was reported by someone living in the area, authorities said. Possible disciplinary action is pending an investigation of the incident.

Approval of the treaty by the Bundesrat, the upper house of Parliament, virtually assured that it will go into effect in July.

BRUSSELS, Belgium

Western Europe's Common Market split sharply Friday on whether it should work closely with Britain in the hope that Britain one day will be able to join.

France opposed such cooperation. The other five nations, led by West Germany, pressed for it hard, but in vain.

WASHINGTON

Rep. Francis E. Walter, D-Pa., died Friday in Georgetown University Hospital. He was 69.

An aide said the veteran Pennsylvania Democrat died at 6 p.m. EDT after being in a coma most of the day. Death was attributed to leukemia, cancer of the blood. He had been confined to the hospital for several weeks.

VATICAN CITY

Vatican sources said late yesterday that death was imminent for Pope John XXIII.

The word went out to the world's half-billion Roman Catholics over the powerful transmitters of Vatican radio: "Pray."

"It can be a matter of hours or days," a statement made earlier yesterday by one of the Pope's physicians, remained the final word.

The 81-year-old pontiff suffered a grave relapse Friday and the Vatican press office announced at 6:45 p.m. there had been a further deterioration of his condition.

A prelate at the Vatican quoted the Pope's surgeon, Pietro Valdoni, as saying Friday night Pope John's heart "is resisting. He could live a few more hours."

Creative Insights

To Hold Last Talk

The last "Creative Insights" program this school year, Sunday will be a talk on "Movements in Contemporary Metalsmithing" by Brent Kington, lecturer in the art department at SIU.

Kington will speak at 7:30 p.m. in the Gallery Lounge of the University Center. The series of weekly programs is sponsored by the student educational and cultural committee of the Center Programming Board.

Job Interviews

TUESDAY, JUNE 4:

RANTOUL, ILLINOIS, PUBLIC SCHOOLS: Seeking K-6th grade teachers, plus junior high girls' Physical Education, and speech correction.

WEDNESDAY, JUNE 5:

MCLEANSBORO, ILLINOIS, PUBLIC SCHOOL: Seeking elementary band director.

THURSDAY, JUNE 6:

ROADWAY EXPRESS COMPANY, St. Louis, Mo.: Seeking business and liberal arts seniors for diversified management training program.

TUESDAY, JUNE 11:

FAIRFIELD, ILLINOIS, HIGH SCHOOL: Seeking guidance director, and physical or general science teacher.

Four Musical Organizations To Give Sunday Concert

Four musical organizations, representing SIU and the area surrounding it, will present a joint concert Sunday at p.m. in Shryock Auditorium.

The Southern Illinois Symphony, composed of SIU students and area residents, the Southern Illinois Oratorio Chorus, also drawing from both sources, the University Choir, and the All-City Elementary String Orchestra, will combine Sunday to perform works by Beethoven,

Susato, Foster and Stravinsky, Robert Mueller, chairman of the SIU music department, announced.

The concert will open with three orchestral works, Beethoven's "Friendship Hymn," Susato's "Ronde," and Foster's "Old Folks At Home," played by the All-City Elementary string Orchestra, a group drawn from the elementary schools of Carbondale and directed by Warren van Bronkhorst of the SIU music faculty.

Following the children's orchestra, the Southern Illinois Symphony also directed by van Bronkhorst, will play the eight-part "Suite de Pulcinella," by Igor Stravinsky.

The final work on the program will be Stravinsky's "Symphonie de Psalumes" and will bring together the Southern University Choir, under the direction of Robert Kingsbury.

Tribute To The Fleet Feet Of A Baseball Player

A baseball player's arms -- for pitching, throwing or hitting -- seem to hold endless fascination for the average sports writer. They seem to forget that the best hitter in the world couldn't go anywhere without his feet.

In this series of intriguing photographs Hal Stoelzle pays an overdue tribute to a baseball player's feet as he follows a Saluki from home plate around the bases and back home again.

For good measure, he managed to capture the firm, steady feet of an umpire that seem to be as inflexible as his decisions and the relaxed, casual attitude of the baseball fans as depicted by their feet.

From Associated Press Dispatches

LONDON - Prime Minister Harold Macmillan expressed hope Tuesday that he and President Kennedy would be ready in a day or two to make an important new approach to Soviet Premier Khrushchev for breaking the nuclear test ban deadlock.

The prime minister told the House of Commons that during the next day or so he and the President hoped to complete details of their latest letter to the Soviet leader. This correspondence has been under study in London and Washington.

The three world leaders have been engaged in letter writing for some time. Little has come to light about this correspondence except that proposals for nailing down a test ban have been mentioned prominently. It is understood the letters also contain hints of a possible summit conference.

GARY, Ind. - Gary school teachers returned to their classes Wednesday after a one-day strike that won recognition of the Gary Teachers Union as majority bargaining agent for its members.

GARY, Ind. - This city's 43 public schools closed before noon Tuesday as the 1,200-member Gary Teachers Union went on strike in a recognition dispute.

About 300 other teachers crossed picket lines manned by union teachers wearing black-and-white armbands. There were no incidents.

Cliff Baldowski, Atlanta Constitution

READY TO TAKE CIVILIZATION TO THE PLANETS

MOSCOW - The Soviet Union successfully launched improved models of carrier rockets for space objects May 18 and 25, the Soviet news agency Tass announced Tuesday, and sent them streaking into the central Pacific on flights of 8,000 miles.

WASHINGTON - James H. Meredith, the first Negro ever knowingly enrolled at the University of Mississippi, met Atty. Gen. Robert Kennedy briefly Monday and later called for stronger civil rights legislation.

The ten-minute session in the attorney general's Justice Department Office was the first between two of the principals in the 1962 racial crisis at the university.

Meredith said Kennedy called him Sunday night after the Negro stu-

S. J. Ray, Kansas City Star

GETTING OFF TO A POOR START

dent's appearance in a television interview (NBC--Meet the Press) and invited him for a visit Monday morning.

In the television appearance Meredith said federal troops should be used if necessary to insure the admission of two Negroes planning to enter Alabama colleges next month.

NORFOLK, Va. - Fifteen small boxes of metal rings, repair parts carried aboard many U.S. Navy ships, have been recovered from the ocean floor by a ship searching for the lost submarine Thresher, Atlantic Fleet headquarters reported Tuesday.

The parts, called "O rings," were recovered by the Lamont laboratory ship Conrad Monday as she worked with drag lines "in the area of prime interest," a fleet spokesman said.

The nuclear sub Thresher went down April 10 during a test dive with 129 men aboard, 220 miles off Boston.

Meanwhile a naval court of inquiry in Portsmouth, N.H., is studying fresh photographs of the ocean floor taken in an attempt to determine how the Thresher mysteriously sank.

CHICAGO - Dr. Martin Luther King Jr. has reiterated his suggestion that President Kennedy escort two Negroes when they attempt to enter the University of Alabama next month.

"Gov. George C. Wallace has said

Eugene Payne, Charlotte Observer

"PLEASE, MOTHER, I'D RATHER DO IT MYSELF"

that he would present his body in order to prevent enrollment of the students," King said Monday at a news conference preceding a rally. "If the President were to be present when the students seek to enter the university, it would be a creative and dramatic act with great moral significance."

Answering a newsman who suggested such a move might endanger the President's life, King said: "The risk to his life is not the major consideration. The Negro risks his life every day. The consideration is "Am I doing the right thing?" The President should have full protection. But he must also stand up for what is right."

Political observers in Washington said the proposal, which has been voiced previously, attracted little interest at the White House.

BIRMINGHAM, Ala. - A federal judge refused to order city schools integrated until the good faith of school officials has been tested.

U.S. Dist. Judge Seybourn H. Lynne warned the officials they must apply a state pupil placement law without discrimination.

If the law is unconstitutionally applied, Lynne said he would "be compelled to order the submission of a desegregation plan."

Relying on decisions of the 4th U.S. Circuit Court of Appeals upholding a similar North Carolina law, Lynne held that the Alabama statute must be tested. It has been upheld on its face by the U.S. Supreme Court, which warned it could be unconstitutionally applied.

William Sanderson, Fort Wayne News-Sentinel
"THEN WE ERASED STALIN'S NAME -- WAS EASY"

WASHINGTON - The Supreme Court warned still-segregated public schools Monday it will tolerate no avoidable delay in their obeying its 1955 decree which ordered integration with "all deliberate speed."

The court did so in ruling that the "all deliberate speed" guideline does not permit any further delay in integrating parks and other city recreational facilities in Memphis, Tenn.

Unanimously, the tribunal pointed out that eight years have passed since the second school segregation decision. The court declared it would not tolerate further delay "unless it imperatively and compellingly appeared unavoidable."

WASHINGTON - The Senate rushed to President Kennedy Tuesday the stop-gap debt-limit increase bill after killing a Republican amendment which would have forced a conference with the House.

The bill will boost the present \$305-billion ceiling to \$307 billion as soon as it is signed and then to a record \$309 billion level in July and August.

Its passage came not a moment too soon for a hard-pressed Treasury. Secretary of the Treasury Douglas Dillon told the Senate Finance committee last week that it was estimated the debt would hit \$305.2 billion Wednesday and \$305.6 billion Friday.

WASHINGTON - A bill to provide a new wheat and feed grains program this year, plus farm acreage retirement similar to the old soil

bank program, was introduced in the Senate yesterday with bipartisan support.

The measure among other things would supplant the feed grains program President Kennedy signed into law last week.

Wheat farmers decisively defeated last week a proposed new rigid control program for wheat. It had been designed to work with the extension of the voluntary feed grains control program.

Buescher, Florida Journal Star

BACK TO THE OLD FRONTIER

LONDON - Britain and the Soviet Union issued a joint appeal to the warring factions in Laos Wednesday to effect an immediate ceasefire.

The appeal was directed to the neutralist government of Premier Prince Souvanna Phouma, with the request that he convey it to contending elements in his southeast Asian country.

SPRINGFIELD - The Illinois Senate Tuesday completed passage of a bill setting up a state crime commission and forwarded the measure to Gov. Otto Kerner. Final passage was achieved after the Senate unanimously agreed to adopt House amendments to the bill.

SPRINGFIELD - Ignoring Gov. Otto Kerner's no tax increases policy, the Illinois Senate voted Monday to hike the state cigaret tax one cent per package and use half of the income for recreational development.

Many senators were silent on roll call as the bill squeezed through on a 32-8 vote and moved to the House for final action.

Sen. Gordon Kerr, R-Brookport, who sponsored the bill, said Illinois ranks 47th in recreational areas in the nation and that outdoor sites are needed the most in the northern part of the state.

The bill would earmark half of the estimated \$18 million additional

Paul Conrad, Denver Post

"I CAN'T SEE WHY ANYONE WOULD HAVE TRUSTED THE BAD RED PRINCE IN THE FIRST PLACE..."

revenue a year for recreational purposes and the remainder for the state's general revenue fund.

Sen. David Davis, R-Bloomington, in voting for the legislation, said he was hopeful some of the revenue going into the general fund could be diverted for raising school aid.

Some senators who opposed the bill contended Illinois retailers couldn't stand a cigaret tax increase. The state tax now is 4 cents per package.

Baseball Team Winds Up Season At Menard

The almost unbelievable 25 runs topped the previous record by one and the runs-batted-in total of 23 was also good for a new Saluki mark.

"This has been a most enjoyable season," the veteran coach said, "primarily because the boys have come through in splendid fashion after few gave them little hope of even compiling a winning record. Without a doubt this outfit is the most improved I have ever seen."

Martin, who has instructed youngsters in Israel and the Netherlands in baseball fundamentals, had only a handful of veterans returning this spring as Southern prepared for its first season as an independent after winning five consecutive Interstate Conference championships.

Noticeably absent were experienced hurlers as three members of last year's mound staff graduated, another signed

a professional contract and a fifth dropped out of school. The former Fairfield native, however, regrouped his forces around a pair of sophomores, John Hotz and Doug Edwards, and two freshmen, Gene Vincent and Ed Walter, to come up with Southern's ninth consecutive winning season.

Adding to Martin's overall joy is the fact that Southern's two lead hitters, Jerry Qualls and Jim Long will also be returning next season.

Qualls owns a .422 batting average and Long is carrying a .370 percentage.

SIU shoots for its eighth straight victory of the season this afternoon when it winds up the current baseball campaign at Menard State Prison in Chester, Ill.

Doug Edwards has been named the starting Saluki pitcher for the finale by Glenn Martin. Edwards has a 3-0 record this spring and will be hoping to win his fourth

game to tie Gene Vincent for the best won-loss record on the team.

The Salukis take a 14-6 record into the game which is quite a surprise to most SIU followers. It was expected at the start of the season that Martin's baseball team would have trouble maintaining a .500 record.

But the season has been one of several surprises.

"The pitching was expected to be weak but has come through better than I had hoped," Martin said during Friday's tune-up session for this afternoon's finale. "The defensive play has been strong in spots but weak at other times. The hitting has been especially good but then I expected our hitting to carry us."

What Martin didn't say but was quite obviously thinking of was the hitting performance SIU turned in at Cincinnati last week in the double header victories.

DOUG EDWARDS, STARTING PITCHER

Top Hitters:

'Comeback Of The Year' Duel Shaping Up Between Qualls, Pratte

Jerry Qualls and Mike Pratte are waging a heated duel this spring for SIU "comeback of the Year" honors.

Both are having fine years with the bat this season after a poor season a year ago. Last spring Qualls hit only .214 but didn't appear regularly. He played behind Larry Patton, who was captain, at third base.

Pratte had the worst year of his baseball career a year ago. He hit a lowly .198 and appeared in every game.

Both players are quite willing to forget the past and remember the future.

Qualls leads SIU in hitting with a .422 average after 20 games. Pratte ranks fourth among the Saluki hitters with a .307 average.

Qualls has hit safely 37 times in 90 appearances at the plate. Fourteen of his hits have been for extra bases, including six home runs.

He will take a five game hitting streak into this afternoon's game at Menard. Qualls has hit safely at least once in

JERRY QUALLS

17 of the 19 games which he played.

Qualls also leads SIU in runs-batted-in with 20. Jim Long, SIU first baseman is next with 19.

Pratte has 23 hits in 74 times at bat this season for his .311 batting average. He has three doubles and two triples included in his total hit output.

MIKE PRATTE

Neither one really cares who gets the comeback of the year award. They are happy about the current year they are enjoying with the bat.

There is one thing for certain. Glenn Martin, baseball coach, doesn't care who gets the "comeback" award as long as they continue hitting.

Independents Win:

Three Records Set During IM Swimming Tournament

Three records were set in last week's SIU intramural swimming meet in the University School pool.

The Independents won the meet with 42 points and Sigma Tau Gamma finished second with 31.

Jim Izett and Phil Slotness established new records in the 50-yard and 100-yard freestyle races respectively. Izett's new record in the 50s :23.7 seconds. Slotness's record in the 100 now stands at :54.8 seconds.

The Independents won the relay in record time. Izett, Slotness, George Moore, Bob Taylor and Naggay Faltas swam on the record-breaking relay. Winning time was :52.6.

Other individual event winners were Taylor, diving; Dave Crockett, 50-yard

breaststroke and John Grieff, 50-yard backstroke.

Tennis Team To Enter NCAA Meet

Southern's tennis team, which finished a fine 16-2 record will have to enter the College-Division tournament of the NCAA championships in order to advance to the finals of the University-Division at Princeton, N.J., on June 17-22.

Coach Dick LeFevre will take captain Pachito Castillo, Lance Lumsden, and Bob and Roy Sprengelmeyer to St. Louis June 6-8 for the College-Division tournament. LeFevre did not have available the teams that will be entered in the tourney which will be at Washington University.

Union Jack To Be Raised Here On Queen's Birthday

OLD GLORY FLUTTERS PROUDLY IN THE BREEZE OVER THE MAIDSTONE TOWN HALL

Publisher To Fly 8,000 Miles For Ceremony At Old Main

A British newspaper publisher will fly some 8,000 miles to help mark Queen Elizabeth's official birthday on the SIU campus June 8.

Major H. R. Pratt Boorman, publisher of the Kent Messenger, Maidstone, England, will come to Carbondale from his home in England to assist in raising the Union Jack on the flagpole in front of Old Main.

Major Boorman's trip actually is a return visit. He came to the Carbondale campus in 1960 to give the annual Sigma Delta Chi lecture at the International Conference of Weekly Newspaper Editors.

Boorman received a new, 50-star American flag from the International Conference as a memento of his visit. And with it, came a joking suggestion from Howard R. Long, chairman of the Department of Journalism, that he fly it back home in England on July 4 -- American Independence Day.

Boorman, on July 4, 1961, hoisted the American flag over

his newspaper office. The Maidstone mayor, not to be outdone in international courtesy, suggested to Boorman that they transfer the flag to the Town Hall, which was done.

Last July 4, Boorman was the new mayor of Maidstone and he worked up an elaborate ceremony with American military personnel stationed nearby. The American flag was again raised over the Maidstone town hall.

Last August, Long and his wife were visiting England and were presented with a Union Jack, along with the suggestion that it be flown on the SIU campus in honor of the queen's official birthday.

The ceremony on June 8, which Major Boorman and his wife are flying here to attend, is the result of that suggestion.

University officials as well as others from the area are expected to participate in the ceremony.

Episcopal Bishop Will Visit Here Tomorrow

The Right Rev. Albert Arthur Chambers, S. T. D., Bishop of the Episcopal Diocese of Springfield, will make his annual visitation to St. Andrew's Church Sunday.

Bishop Chambers will administer the sacrament of Holy Confirmation at the 10:45 a.m. service. The observance includes the ancient apostolic rite of the laying on of hands. Among the 25 persons to be confirmed are 12 SIU students.

Following the confirmation the Holy Eucharist will be celebrated by the Venerable W. John Harris, rector of St. Andrew's.

A reception, planned by the Episcopal church women, will be held in the Parish Hall following the service at which time members of the confirmation class will be greeted by the bishop.

Bishop Chambers will conduct the Family Eucharist at 9 a.m. and will speak to the Church School children of St. Andrew's at that service.

Two Music Students Present Recitals Monday In Shryock

Two student recitals will be presented Monday at Shryock Auditorium.

At 4 p.m. Charles Kendall of St. Louis and Richard McGlocklin of Carterville will present a joint senior recital. At 8 p.m., Russell Riepe of Vienna will present a piano recital.

The afternoon recital will open with McGlocklin playing Spork's "Tone Poem," a work written for the French horn. Kendall will follow with piano selections by Beethoven, Schumann, and Schubert. McGlocklin will close the program by playing Richard Strauss' "Concerto No. 1 in E. flat for Horn and Orchestra." McGlocklin will be accompanied by Susan Caldwell of Carbondale.

In the evening recital, Russell Riepe, a senior at Vienna High School, will present Bach's "French Suite No. 4,"

Beethoven's "Sonata in F Major," Debussy's "Preludes, Book One," Copland's "Piano Variations," and Katchaturian's "Toccata for Piano." Riepe recently participated in the annual student auditions of the Music Teachers National Association, placing first in the Southern Region and State of Illinois contests. He is a student of Robert Mueller, chairman of the Music Department.

Sunday Seminars Winds Up Series

A philosopher's talk on "The Relationship Between Faith and Reason" Sunday will wind up this year's series of Sunday Seminars programs.

Burton F. Levy, a lecturer in philosophy at SIU, will speak at 8 p.m. in the Ohio Room of the University Center. The series of weekly programs is sponsored by the student educational and cultural committee of the Center Programming Board.
