SOUTHERN ILLINOIS UNIVERSITY

Martin Resigns As Southern Athletic Director

Glenn "Abe" Martin, director of athletics at Southern for the past ten years, is to be replaced this summer by Carl E. Erickson, 35, of Arlington, Mass., the Board of Trustees announced Friday after accepting Martin's resignation.

Martin will remain at SIU in the capacity of baseball coach and as head of Men's Intramurals, a position created by the physical education department change. He will carry the full responsibility of organizing and developing men's intramural athletics and for handling a campus recreational program for the informal use of students and faculty members.

Edward J. Shea, 40, of New York, was named as chairman of the physical education department.

replacing C. C. Franklin, who has asked to be relieved of his position to do graduate research.

The board also voted to establish within the College of Education a department of recreation and outdoor education with William H. Freeburg, associate professor of outdoor education, as the department chairman. The department will be activated July 1.

The program has three aspects: the offering of courses in recreation and outdoor education, development of a campus program for the University and its students, and development of a service program for various public and private organizations that are in sound programs of outdoor recreation.

Dr. Roswell Merrick, who joined the SIU faculty last fall, has been selected as supervising coordinator of the entire health, physical education and recreation program.

Erickson played football for four years at Boston University and received honorable mention on the All-East team in 1941. He was also extended professional baseball offers from the New York Giants and the Chicago Cubs.

Erickson will continue his studies at Boston. Erickson was awarded a Doctor of Education degree. He is now city director of health, physical education and athletics at Arlington, Mass.

At head coach of basketball at Dordrecht, Mass., High School in 1947, he led his team to the Bay State championship, winning 15 games and losing only one. The same year, he organized and coached a winning semi-pro football team.

Erickson was also a member of the long career at SIU. Martin served as football coach for 10 years, beginning in 1939, and for three years as basketball coach, 1943-46.

Erickson will hold the title of assistant professor of men's physical education and head of inter-collegiate athletics. Shea, the other new appointee, expects to win his doctor's degree at Boston University before August. He will take over his assignment immediately.

Shea was graduated from Springfield, Mass., College and received post-graduate training at Emory University, Atlanta, Ga., where he also served as instructor. He formerly was director of athletics at Atlanta Athletic Club and director of athletics and physical education at Phillips Academy. During World War II, he was director of warfare apparatus of the Navy V-12 unit at Emory University.

It Soon Will Happen . . .

Thursday evening at the University Cafeteria. Yohe has traveled extensively through Europe.

Publish 'Your Student Union' Booklet Soon

Preliminary work on "Your Student Union," a booklet picturing the facilities, activities and government of the Union, was finished yesterday, according to Jerry Mashburn, booklet committee chairman.

The 20-page booklet will be sent out next fall in the New Student envelopes and will be available at the Union for other students. The booklets will be exchanged with other universities in order to obtain ideas as to how other students unions function. The booklet also will be sent to high school students attending Hospitality Week here.

The booklet will have in it an application blank to be torn out by any student interested in being on the Student Union council. The cover will be maroon and white. The Union Council is sponsoring the publication and plans for a new booklet to be put out annually.

Charles Walter was in charge of layout and Miss Werner in charge of copy. Also working with Mashburn's committee were Joe Preidger, Pat Miller, George Henry, and Alvin Thompson.

Southern Illinois Symphony Presents Program Tonight

THE SOUTHERN ILLINOIS Symphony Orchestra will present its second concert of the season in Shryock Auditorium tonight, March 2, 8:15, featuring the Children's Chorus of Brush-Lincoln Junior High School.

Dr. Maurits Kesnar, chairman of the SIU music department, is the conductor of the orchestra and Mrs. Mary Swindell is the director of the Children's Chorus. The orchestra is made up of students, faculty members, and musicians from 20 Southern Illinois towns who donate their time and talent to play in these concerts, sponsored by The Business and Professional Woman's Club. The orchestra is also to give concerts in Chester and Harrisburg this month.

ADMISSION TO THE concert is 50 cents to everyone except students of the University, who will be admitted upon presentation of their activity cards. Proceeds for the local concerts will be used for a scholarship fund.

The orchestra will begin the concert with the Overture to "The Barber of Seville" by Rossini. A deft touch in writing sparkling effervescent music that bubbles like champagne is said to be Rossini's greatest gift. In the production of music that chuckles and sparkles in every bar, Rossini, like Mozart was incomparable. "The Barber of Seville" is based on the famous comedy of Beaumarchais.

DR. KESNAR was commissioned in 1946 to write a series of chamber variations to show the different groups of the orchestra in

"Gebrauchs Musik" fashion. "St. Nicholas Treasure Ship" was the first originally a stately dance, of Spanish origin, popular during the 16th and 17th centuries. The form was revived by Ravel during the early twenties.

GABRIEL FAURE'S "Pavane" was originally a stately dance, of Spanish origin, popular during the 16th and 17th centuries. The form was revived by Ravel during the early twenties.

The closing numbers for the concert will be Three Chamber Pieces from Shakespeare's "A Midsummer Night's Dream" by Felix Mendelssohn.

Mendelssohn wrote the now famous Overture to Shakespeare's comedy originally a stately dance. Not until 16 years later, at the request of the King of Prussia, did he compose the incidental music, which includes the Nocturne, Intermezzo and the Wedding March. The march was first performed in the new palace at Potsdam in 1843 and has retained its great popularity ever since.

Band Plays Annual Concert Thursday Night

Featuring the evolution of band music from the 16th to the 20th centuries, the University concert band will give its annual winter concert in Shryock auditorium at 8 p. m. Thursday, March 4.

The concert band is a select group of students chosen from all persons who register in bands. Membership is limited to 50 musicians.

Selections on the program were written especially for band, according to Phillip Olsson, band director.

Albert Lockwood, Christopher senior and trombonist, will appear as soloist with the band in the performance of N. Rimsky-Korsakov's "Concerto for Trombone and Band."

Other selections on the program include "Cannon Nona Tota," a work for double bass choir by Giovanni Gabrieli "Atlantic Fleet March" by Serge Prokofiev; "Legend" by Paul Creston and conducted by Robert S. Resnick; and "Suite for Concert Band" by Gerald Keechley.

"Trauersinfonie" by Richard Wagner is also on the program. One of the few compositions that Wagner wrote for band, the "Trauersinfonie" was written for a ceremony that took place when the remains of composer Carl Maria von Weber were transferred from London to his native Germany.

"Trauersinfonie" is a march based on two themes from Weber's opera "Euryanthe."

"Music for a Festival" by Gordon Jacob is also performed by the band. This work was commissioned by the Arts Council of Great Britain for the 1951 Festival of Britain.

Including works written in the time from the 16th century to the present, the concert will illustrate changes in band music through the years. There will be no admission charge for the concert.

Final Exam Schedule

- Monday, March 8 English 102—4 p. m.
- Tuesday, March 9 8 o'clock classes—8 a. m.: Sociology 101—11 a. m.: 1 o'clock classes—1:30 p. m.: PE for men and PE for men 152 and 252—4 p. m.

- Thursday, March 11 11 o'clock classes—8 a. m.: History 102 and 202—11 a. m.: History 102 classes—1:30 p. m.: ASKT 202—4 p. m.
- Friday, March 12 3 o'clock classes—8 a. m.: 10 o'clock classes—10 a. m.

Lanphier Vacates Trustee Post

Robert C. Lanphier, Jr., Springfield, has resigned from the Southern Board of Trustees to become director of planning and review in the office of the Assistant Secretary of Defense, Supply and Logistics Division, Washington, D. C.

In a resolution passed by the Board Friday, they expressed appreciation for his service to the school. They cited particularly Lanphier's advice on University business operations.

Lanphier is vice-president of Sangamo Electric Co., whose operations include a manufacturing division at Ordell, near Carterville.

He was appointed to the Board by Adlai Stevenson in August, 1951, and was reappointed for a four year term in January, 1953.

William G. Stratton has not announced a successor to the post.

ISA SWEETHEART Pat Bruce has her head, eyes and hands full at the coronation ceremony at the ISA Saturday night in the Women's Gym. Bill Phelps, ISA president, is handing her the loving cup. On her right is the highly publicized crown, and she is already holding a scepter and an armful of flowers. In addition, Pat received a traveling wardrobe for her future trip to Ithica, N. Y. to compete for the national ISA Sweetheart title.

2710 Students Pre-register For Spring Term

The Registrar's Office has announced that as of Feb. 26, the last day of advance registration, about 2710 students have pre-registered for the spring term. This also includes registration for about 175 VTI students. The students who have pre-registered prior to Feb. 26 will receive Fee Statement Cards from the Registrar's office by mail. If fees are not paid by March 12, registration will be suspended and late fees will be required. No schedule changes will be accepted until fees are paid. After March 12, late fees will be two dollars and fee receipt must be kept by student. The B Schedule Card is an official authorization for attending classes and to secure books.

The last regular registration day for the first day and one dollar for each day fee payment is delayed until a maximum of five dollars is paid.

All fees can be paid at the Registrar's Office in the Registration Center. Bot' B Schedule is on March 22. The Registration Center will be open from 8 a. m. to 12 noon and 1 p. m. to 4 p. m. Students who have registered but have not paid fees are subject to late fee payment on this day. Books may be secured at the book store on Monday, March 22.

A late registration period will extend from March 23 to April 3. Special permission must be granted for registration after these dates.

Problems Commission Studies School Matters

School transportation, teacher supply, and revision of school laws were subjects discussed at Thursday's session of the Illinois School Problems Commission. Number Three at the University School auditorium. This meeting was the last of four hearings before the group reports to the state legislature March 1.

Commission members present were Sens. Homer Butler, Marion David Davis, Bloomington; Rep. Harry McClintock, West Frankfort; Vernon Nickell, state superintendent of public instruction; and Rep. Charles Clabaugh, Commission chairman.

After opening remarks by Pres. D. W. Morris and Mrs. Edward H. Schaller, president of the Educational Council of 100, the commission members heard reports on various school problems. Bove R. Brvant, SIU placement director, spoke on teacher supply, as related to the 1954-55 school year.

Other problems discussed were state aid to schools, certification of teachers, and school district reorganization. The hearings were open to the public.

INDUSTRIAL ED CLUB TO MEET WEDNESDAY

The Industrial Education Club will hold their regular meeting Wednesday, March 5 in the Industrial Education barracks at 7:30 p. m. announced John Walther, newly named president of the club.

Walther succeeds Carl Hoek who resigned the office last week. He had been serving as vice-president. Plans are being made to increase the membership of the club and all industrial education majors are invited to attend this meeting. Walther said.

Pat Bruce ISA Queen

Pat Bruce, Fairfield freshman, was crowned ISA Sweetheart at the annual dance held in the Women's Gym Saturday night by the Independent Students Association. She was selected as the "Typical Freshman Girl" earlier in the year and was a candidate for Military Ball Queen. She is enrolled in the College of Education and is preparing for kindergarten primary work after graduation.

Pianist To Play For Assembly

Miss June Summers, brilliant pianist and one of the most gifted of the young generation of American instrumentalists, will play at the Freshman Assembly March 4 at 10 a. m. in Shryock Auditorium.

Miss Summers was born into a musical family, began showing her unusual aptitudes at the age of three and knew all of her scales even before she learned the alphabet. She has a comprehensive knowledge of theory and harmony, as well as native ability as a composer.

She will play the following selections: "Sunata, Opus 57" by Beethoven; "Nocturne in D flat," Opus 27 No. 2, by Chopin; "Clair de Lune" by Debussy; "Rural Fire Dance" by De Falla; "Andante with Variations" by J. Havdn; and "Reflections dans l'eau" by Debussy.

The assembly is under the direction of Dr. C. Horton Talley, chairman of the speech department.

Board, Library Waging War On Book Losses

The Student Union Board and the SIU Library are waging a war on book losses in the Student Union library. Paul Morris, president of the Student Union Board, reports that 146 books are missing from the shelves in the Union.

He urges that all students who want to use the books to check them out at the Student Union desk, before taking them out of the building. Books that students now have may be returned at the outside slot at the Library building without anyone knowing who had the books, said Morris. "Now would be a good time to dig up the books you have and return them," said Morris.

The Library has warned the Student Union Board that if the book losses remain so abnormal, the collection will be removed from the Union. Morris estimates that book losses amount to well over \$500.

Each issue the Egyptian will publish ten titles of books missing. Morris wants every student to check his personal library and see if any of these books belonging to the Union are in his collection.

Ten books missing are: "Good Housekeeping Marriage Book," "Sex and Youth," "Beyond Mythology," "Bible and the Common Reader," "Ethics in Sex Conduct," "Why Men Hate," "Men, Women and Morals," "Divorce Won't Help," "Marriage," "Before You Marry."

To Play For Final Fling

Friday night, the dance is called the Final Fling, designed to be the last social event before finals. Admission will be 50 cents stags and 75 cents drag. There will be tables and chairs furnished and refreshments allowed in the Gym for the first time.

THE SOUTHERN All-Stars, a high-powered dance band which will play at the all-school dance Friday night in the Men's Gym. Lasting from 8 p. m. until midnight.

Our Opinions

Spring's A'comin

Spring will be rolling around soon, and that pleasurable, lazy feeling will engulf the student body, including the Egyptian staff. Every spring there seems to be a lag of interest toward working on the Egyptian. The regular reporters have tired throughout the grueling, tight schedule of the two previous terms, and as a result a heavier load is placed on the editors.

The Egyptian is a student publication, and its job is to print news of general interest to the students, and in a smaller measure, for the faculty.

In the past, and very much so now, the staff is comprised of almost entirely journalism majors. Although they may be the most qualified of any particular group of campus to publish a newspaper, they may at times fail to present a good cross-section of campus news.

The Egyptian should be an extra-curricular for non-journalism majors as well as a laboratory for future journalists. On many campuses, it is considered a honor to be on the staff of a student publication. We would like to make it the same here.

Working on the Egyptian can be a lot of fun, as well as providing good experience in public relations.

The staff is not a closed group which frowns on students working on the paper who are not

The Maypole

He didn't like spaghetti in fact, he hated spaghetti.

When he tried to eat spaghetti, it got twisted around his nose, which was long and pointed.

It made him look like a maypole.

He didn't like looking like a maypole.

One of his buddies said, "Let's us go to the spaghetti supper tonight."

He said, "No."

HIS BUDDIES SAID, "Why not?"

He said, "It makes me look like a maypole. I don't like looking like a maypole."

His buddies said, "Aw, come on. It won't hurt you. We'll sit behind a post so no one will notice that you look like a maypole."

He said, "All right, but you make it a big one." So they went to the spaghetti supper.

When they got there they sat down behind a post. It wasn't a very big post, but it was the only post available. It already looked like a maypole. Only, here.

His buddies said, "We'll hang some spaghetti on the post, and then no one will be able to tell."

Book Reviews

By Harion Matthews

RELAXATION, by Josephine L. Rathbone, is a new book dealing with tension and physical and mental factors leading to tension. Techniques and methods of treatment are given to aid in relaxation.

SECRETS OF SUCCESSFUL FRESH WATER FISHING by the editors of "Outdoor Life," gives fishing tips about every angle of fishing. Divided into nine parts, the book covers all types of fresh water fish such as trout, bass, panfish, pike and pickerel. This book even "tells you where to find big fish," and "How to attract them."

All people planning on committing suicide at the end of the term will benefit from a book titled **SUICIDE**, by Ruth Schoule Cavan, Ph. D. It covers all types of suicides and gives case histories, including the "college suicide wave of 1927."

If your TV set is on the blink, you can get help by reading **MANDL'S TELEVISION SERVICING**. It contains detailed, illustrated troubleshooting procedures for every flaw or failure in any set of today TV receivers. The author, Matthew Mandl, has 25 years of experience in radio-electronics.

Here's one that teachers will enjoy: Albert Lynd has written an expose' titled **QUACKERY IN THE PUBLIC SCHOOLS**. He claims that "Education is a huge enterprise which has been taken over by a group of superprofessionals who, without visible public sanction, are remodeling our schools according to theories of education which are largely unknown to the parents and the public." Lynd is a former college history teacher.

BOARD OF TRUSTEES DISCUSS CAMP PROJECT

SIU's camp project at Little Grass Lake, and Southern's wild life management research project on Southern Illinois strip mines were among matters discussed by the University's board of trustees when they met Friday at 10 a. m. in the office of the president on Thompson avenue.

The board also considered the usual matters of school expenditures and personnel changes that was necessary.

IFC Plans Spring Rush

MEMBERS of the Publicity Committee of the Inter-Fraternity Council discuss plans for the spring term rushing which will begin with the first party Mar. 22. Each boy going through this term will be charged \$1 which

must be paid at the Office of Student Affairs by Mar. 23. The fee is to be used to pay for a booklet containing information about Southern's fraternities. It is expected to be published in time for the fall rush period of 1954.

Seniors To Be Interviewed For Teaching Jobs

Interviewers from four schools will be on campus this week to interview seniors graduating this year for teaching positions for 1954-55.

The following schools will be represented:

Crystal Lake, Ill. Public Schools, jobs in primary and intermediate grades, speech correction, and junior high industrial education and girls' physical education.

Minneapolis, Minn., Public Schools, mental handicapped teachers, grade teachers, librarians, girls' physical education, English, English-social studies, and mathematics. Salary schedule starts at \$3100.

Lemon Grove, Calif., Public Schools, elementary teachers. Salary schedule starts at \$3700.

Des Plaines, Ill. Public Schools, kindergarten-primary, intermediate, junior high and speech correctionists. Salary schedule starts at \$3100.

Anyone interested in these positions may contact the Placement Service at once.

ing it. An incubator, with an oxygen-tent attachment for dogs,

Enroll For Professors

How many times have you taken an elective course with a very interesting name only to have it "murdered" by the professor? Not often, perhaps, but often enough. Have you had courses so flat, dead, dull, uninspiring, and consequently, unfruitful... by comparison with courses in the same department?

The answer? Sign up for professors, not courses. You will have limitations, and you will have to get plenty of opinions from more advanced students in the department, but it's your own education you must consider first.

If you don't like the name of the course but have heard many favorable things about the professor, sign up anyhow. Chances are you will learn more by accident from a good professor than you would learn from a dull one on purpose.

—Colorado Daily, University of Colorado.

Health Service Offers Spring Shot Program

The University Health Service announced this week that the Health Service will offer the annual spring immunization program to students, faculty, and employees in March and April.

Immunizations to be offered are as follows: Tetanus, first of series including booster, Tuesday, a n d Wednesday, March 30 and 31. Typhoid, first of series including booster, Tuesday and Wednesday, April 6 and 7. Typhoid, second of series, Tuesday and Wednesday, April 13 and 14. Typhoid, third of series, Tuesday and Wednesday, April 20 and 21. Tetanus, second of series, Tuesday and Wednesday, April 27 and 28. Small Pox vaccination, Tuesday and Wednesday, April 20 and 21.

Hours for the above mentioned dates will be from 9 a. m. to 12 noon and from 1 p. m. to 4 p. m.

New Swimming Pool Ready For Use Soon

SIU's new swimming pool, located in University School, will be open as soon as all of the necessary construction and installed for a chlorinator," stated Charles Pulley, University Architect.

Bob Franz, of the physician education department, will be in charge of the pool's operation. It will be formally opened six weeks before the pool is actually open.

Pulley explained that the tile has not arrived for use near the front entrance. The tile's installation will take approximately a week.

SEVERAL minor electrical and plumbing jobs must be completed before the pool is turned over to the students. Swimming instruction will be available through the P. E. department for both men and women.

In addition to the large pool, which is 37 feet wide and 75 feet long, there is a smaller pool measuring 20 feet by 35 feet.

The chlorinator is an added feature in swimming pool sanitation. The water will have a continuous disinfecting solution, rather than relying upon an intermittent treatment during recirculation.

THE CHLORINATOR is designed to guarantee rapid disinfection of any newly added material, and at the same time not be objectionable to the eyes or nasal membranes of the swimmers.

The pool has acoustical tile ceiling with fresh air vents and concealed lighting. Other features include yellow and green tile walls, concealed radiant heating facilities in the walls, water softening equipment, and a diving board and life guard equipment.

Ten underwater lights have been installed in the larger of the two pools, allowing ample vision under the water as well as on top.

A large window wall is located at one end of the pool. This provides natural light to supplement the indirect ceiling light.

It's Not Worth It

The book loses in the Student Union library are a little out of proportion to what they should be — about 20 per cent. It is not our place to preach a sermon on theft, but it does seem a little foolish that so many titles are missing.

Thousands of students milling about the Student Union daily it is impossible to watch or frisk each one, and the honor system must work. The Egyptian plans to cooperate with the Student Union Board in helping recover as many books as possible, however this will not deter future thefts.

It would hardly be worth it, to have the library removed from the

Union because of this petty thievery. A small minority of students who confiscate these books may be doing the rest of the student body a great injustice.

The service in the Union is exceptionally good, as compared with the mass of red tape and waiting one must go through at the Library to check out a book. Perhaps a railroad to the quonset hut would help this slowness.

These "misplaced" books may be returned at the outside slot in the library at the end of the night. So, throw the black cape around your shoulders, put on proper disguise and drag your cart of stolen books to campus some early morning.

J.A.

Looking Back

By Mike Patrick

With the beautiful weather that Southern Illinois has been having recently it seems almost impossible to worry about our fuel supply. However, back in the early 1950s, issue of the Egyptian and the coal supply of SIU was reaching a critical point. The headline of the coal story was "SIU tries to make coal last until the end of term." W. A. Howe, director of the Physical Plant, had announced plans for conserving coal and making it go long way. This happened in Southern Illinois where the coal supply is supposedly unlimited and cheap!

In the same issue it was announced that "... Duke Ellington, Victor recording artist and band leader, had been booked to play at a dance sponsored by the Student Council. For the Spring Festival was under contract. Worded dance Eddy Howard and his orchestra who will play this year?"

During the month of February the Student Center (as the Student Union was then called) was in the news. "A hardwood dance floor has been constructed in basement of the Student Center by members of the Industrial Education Club. On Feb. 23, 1950 the Student Council was taking a survey

Salukis Place Fourth In Wrestling Tourney

A SINGLE FIRST place position, and four thirds, were enough to place Saluki matmen in a fourth place tie with Wheaton College at the Wheaton Invitational Wrestling tournament, Saturday.

Bob Zdenek, at 157 lbs., became the Wheaton champ in his division, while Bob Whelan, at 123, Bill Moran, at 137, Dick Erickson, at 167, and Kent Werner, Heavyweight, all picked up third place honors.

The Navy Pier and Western squads tied for first place with 19 points apiece. Normal was second with 14 and Northern third with 11. Wheaton and Southern managed 9 apiece, while Beloit and Augustana trailed the pack.

BOB WHELAN took his first match by a score of 4-1, but lost the second on a referee's decision. He went on to his Hoffman of Illinois Normal 4-1 for a third place.

Jack Cookson, at 130 lbs., was eliminated early in the competition when he was pinned by Dick Bruno in the first round of his initial bout. Bill Mayr, 137 lbs., defeated Acuff in his first bout, 4-0, but

Illini Favored In Big Ten's Indoor Meet

Illinois is favored to win its fourth straight Big Ten indoor track meet next weekend in an expected close duel with its perennial rival, Michigan.

Preliminaries of the forty-fourth annual meet will be Friday night in Illinois armory, with the finals Saturday afternoon.

Coach Leo Johnson's Illini, winners of the indoor crown five times since 1946, edged the Wolverines 58 1/2 to 55 1/2 in a previous dual meet at Illinois a week ago.

Another conference indoor title would give the Illini a total of 15 since the inaugural in 1911 and match Michigan's all-time record.

The Wolverines picked up several of their 15 titles in succession from 1934 to 1940.

Michigan State, Indiana and Iowa are considered slight chances of taking 1954 honors, but a 10-0 odds point to another two-team scrap between Illinois and Michigan.

The winner in the field this season, that seven records could be equalled or broken. Two marks already have been bettered in warm-up meets.

A week ago at Illinois, Pete Gray, Michigan sophomore, and the Illini's Gene Maynard set a dual heat in the 890 to 1524, three tenths of a second under the Big Ten record.

Illinois' Ron Mitchell twice has bettered his high jump mark of 6-7 1/4, his best leap being 6-7 1/2.

Indiana Certain Of Title Tie

Indiana clinched at least a tie for the Big Ten basketball championship, cooling off a red-hot upset-minded Ohio State team, 84-68. The victory kept the Hoosiers out in front in the conference race with an 11-2 mark, although second-place Iowa beat Michigan State.

Don Schlund scored 25 points for Indiana and Chuck Kraak of Collinsville had nine.

Tournament Hope Dimmed Badly By Central Defeat

Southern lost to Central Michigan 78-70 and also lost its chances of entering the NAIA District 20 playoffs in Champaign Wednesday and Thursday.

"I think Southern should be selected as the one of the four teams to play in the NAIA tourney at Champaign next week," an optimistic coach Lynn Holder said before he took his Salukis off for a week end trip to Michigan.

He was referring to the Sunday meeting in Champaign of the committee which will pick four teams to play in Huff Gym next Wednesday and Thursday for the Illinois berth in the NAIA meet at Kansas City.

"We're second in the IAC and lost to leading Eastern by only two and four points," Holder said. He also pointed to a 68-65 victory over Illinois Wesleyan, the leader in the College Conference of Illinois.

Though Southern's 12-9 record is not impressive from a percentage standpoint, the Salukis have been beaten by more than six points only twice and then by six points only 14 points.

Southern has had a lot of tough losses on the road this season. Perhaps the toughest was by only two and four points in the closing seconds. The Salukis lost at Indiana State by 71-68, at Easton by 64-60, at Millikin by 74-68 and at Cape Girardeau by 69-63.

The Salukis lost five of their first eight games but then came back to win nine of the next 13. Three varsity squad members became ineligible just as the season began to contribute to the slow start.

Tom Millikin returned from serious injury a short time before Bob Nicholas was drafted. Now as the season closes Gib Kurtz is out with a broken ankle bone.

Since Eastern is virtually assured of getting one of the four Champaign berths, Southern's hopes will rest largely upon the selection of only two teams from among Illinois Wesleyan, Millikin, Wheaton and Lake Forest.

Arkansas State Hires New Football Coach

Clayton V. Harmon, assistant coach at Purdue university, today was named head football coach at Arkansas State college. His salary and length of contract were not disclosed.

President Carl Beng said Harmon, 43, will take over after March 15, succeeding Forrest (Frosty) England, who resigned to become head coach at Toledo university.

THE SIU GYMNASTICS team gives their statuesque interpretation of basketball in the gym show held Thursday in Shryock Auditorium.

Intramural Information

Intramural basketball league competition moved further along its way last week, with survivors intent upon eliminating each other in the road to the top.

The Theta Xi A team skipped by the Gamma Delta by a score of 41-34, with Carpenter and Streuter tying for TX high point honors, each claiming a total of 16 markers. Boehme and Rennagrace scored 12 apiece for the Gamma.

The Hawks defeated a 3D quintet 65-53, as Blackman accounted for 20 of the birds' points. Other high Hawks were Becker with 18 points and Williams with 15. Livezey chalked up 13 points for the 3D's, while Abell and Chapman pushed through 12.

A Sig Tau A team brought down Perry's Vulcures 50-34, as Stagner contributed a total of 20 points to the winners. Majzel came through with 10 for the Vulcures, while Perry accounted for 9.

In the consolation battles: South-eastern Comfort trampled a Deacon A team 46-27. Good carried high point honors for the Southerners, racking up a total of 26 points, and Duane contributed 14 to the winning cause. Leading scorer for the Deacons was Dowell with 11 points.

Rebels overthrew the Maroons by a score of 40-20, with Holland pounding the bucket for 14 Reb markers. Newson pushed in another 12 for the Rebs, and Jackson was responsible for 10. Hopkins was high man for the Maroons with 10.

The Ramblers rolled over the Commerce Club 31-16, with Martin contributing 15 of those leading points, and Hodge responsible for another 10. Alexander was

Northern All Stars Lost To Junior Varsity

Fifteen men students at Northern Illinois State Teachers college were members of the Intramural All-Star basketball team which lost to the Huskie junior varsity last week end, 98 to 71.

The players were chosen from two intramural leagues which had been functioning throughout the winter. Those comprising the team were:

Bob Kleisz, Blue Island Charles Gustafson, West Chicago Larry Ashonk, Chicago Bob Lillamaris, Chicago John Duncie, Plano Lloyd Ruthe, Forreston Don West, Momence Andy Halle, Dundee Augie Rivera, Rockford Tom Burkhardt, Chicago Cal Korf, Winnebago Jim Grotzmever, Elgin Bob Borden, Rockford Lou Bissa, Calumet City Larry Stess, Ripport.

Gymnastic Show Big Hit 1000 Attend Exhibition

Approximately 1,000 people watched the fast-moving two hour gymnastics show Thursday night in Shryock auditorium, and from all indications of crowd reaction, the performance was a solid hit.

Each act was well received, and when the final curtain was brought down, the whole show was accorded a crescendo of applause by the appreciative audience.

The team exhibited gymnastics from tumbling to tableaux of living statuary. The tableaux provided a striking finale in which the performers were completely covered with an aluminum-like substance that glistened magnificently under a blue spotlight. Scenes depicted were "Basketball", "Track and Field", "The Plunger" (swimming), "Discus Thrower", and "Aspiration".

Don Reed was the accompanist, and Bonnie Price played three triumphant solos in addition to performing with the team. Chester Brown, with the physique of a weight lifter and the digital dexterity of a pick-pocket, gave a baton twirling exhibition, complete with flaming baton. Members of Girls Rally were ushers.

A reception was held in the Student Union following the show. Members of the team are James Anderson, Kenneth Bachelder, Bruce Coleman, Roger Council, Glenn Donaldson, Clifford Eckels, Julius Johnson, Vern Harshbarger, William Manshart, Jim McGehee, Bob Moore, Jerry Wallace, Harold Perry, Phil McKendrick, Harold Council and Vern Harshbarger "ad libbed" by including a front flip in their leap.

In the long horse leaping, there were eventually six men piled on top of the horse while other members of the team vaulted over them. Roger Perry, Phil McKendrick, Harold Council and Vern Harshbarger "ad libbed" by including a front flip in their leap.

Individual stars would be hard to determine, since everyone showed enough skill and balance to possibly make a monkey in an coconut tree seem clumsy. The team had its heroes, though. Gene Springer fell from the high bar in practice Wednesday night and suffered a broken wrist. And just two minutes before curtain time, Harold Skaggs tripped on a loose board and twisted his ankle. Although he went on to perform, he was limping rather badly.

The show proceeded smoothly from one act to another which reflected careful planning and hard work by Coaches Ray Chinn and Jim Bosco and K. C. Ralph Becker. The "U" Club functioned as a stage crew and was largely responsible for the smooth continuity.
