## Comedy To Ballet Tonight At 7:30 In Shryock

### Need Money? Assistance Is Available

Just dream . . . would you like to receive from \$30 to \$1,000?

You might be able to do just that. Any student who plans to apply for scholarship assistance for next fall should submit his application now. March 15 will be the last chance to do so.

About 200 students last year were granted more than \$44,000 in awards from scholarship funds with grants ranging from \$30 to \$1,000. About 350 students were awarded the SIU Scholarships and Activity Awards, covering remission of tuition.

Indications are the number will be even higher this year.

Grades through the spring quarter will automatically be considered before final decisions are made. Scholarships require a minimum overall academic average of 4.0; awards require a minimum overall average of 3.0. The financial status of all applicants will be considered.

### English Club Preparing For Poetry Session

The English Club is preparing for its annual poetry and prose reading sessions.

The entries are to be original works submitted by student authors, with the deadline for prose March 18 and for poetry April 22.

Entries should be submitted to Mrs. Georgia Winn, at the English office, 812 S. University Ave.

Authors of the entries will read their works to faculty and other students at two separate reading sessions. The meeting for prose readings will be April 6, that for poetry May 4.

Faculty and students will criticize and comment on the works of the student authors.

### Alumni Club—Important Cug In SIU Wheel

From the sunny beaches of Hawaii to the bustling streets of Washington, D.C., Southern is represented by an Alumni club.

The Alumni Assn. was formed in 1896 and now sports a roster of 41 clubs in 11 states. The organizations are spread out all over the U.S. Clubs in California, Wisconsin, Florida, Michigan and Texas are some of the remote ones carrying on the numerous activities of the association.

The alumni organizations do many things: they promote alumni-student functions on campus; cooperate with the Placement Service in search of jobs for SIU graduates; promote and organize class reunions and direct the Roscoe Pulliam Alumni Scholarship.

### 16 Withdraw From Southern

Sixteen students withdrew from Southern Feb. 2 through Feb. 22, six of them from the College of Liberal Arts and Sciences.

Four withdrew from VTL, three from the Graduate School, two from education and one from business.

Those withdrawing were Mayme Binando, Norma S. Campbell, Donald Collins, William Gallegher, Richard Grammer, Arthur Heinz, Timothy Johnston and Young Kuk Ju.

Jolene K. Kraft, Gary Ohnesorge, David Replogle, Judith Ridgeway, Bobby F. Sanders, Augustine Segretari, Geraldine Tucker and Thomas Whatt.

### FUTURE GRADS MUST COMPLETE FORMS

Students who plan to be graduated at the end of this quarter or at the end of spring quarter should complete Graduation Information Cards now.

Cards may be obtained and submitted at the Registrar's Office.

CUTIE CAPERS

Clowning through their routines for the annual Theta Xi Variety Show tonight and tomorrow night, these girls represent the entry of two sororities. At left are Pat Cruse and Susan McManis,

members of Sigma Kappa, rehearsing "Alice in Wonderland." At right, rehearsing a drugstore pantomime to "What Is Love?", are Kathy Whitelock and Bobbie Hall, of Alpha Gamma Delta. (Staff Photos)

### Theta Xi Variety Show Features 17 Acts, Bob Holt

Shryock Auditorium will be bombarded tonight by a girl who doesn't know whether to follow the devil or to stay in school;

. . . an operatic takeoff on "Clementine"; . . . a Sheik killing the villain and winning the babe; . . . a finalist of the 1960 Miss Illinois Contest; . . . a fraternity oxing through a ballot; . . . and more, plus one of the top masters of ceremonies in the Midwest.

The event is the 14th annual Theta Xi Variety Show tonight and tomorrow, both performances beginning at 7:30 p.m. Tickets are on sale in the Student Union for \$1 each, with all seats reserved, and tickets not sold in advance may be purchased at the door.

Bob Holt, known as "the man of a thousand voices," will be master of ceremonies for the annual winter variety show.

Seventeen groups have been going through dress rehearsal all week in preparation for tonight's show. Eight groups will be competing for first, second and third-place trophies and eight individual acts will vie for first and second-place awards. The 17th act is the Theta Xi pledge act.

The Newman Club will do a minstrel take-off on the various aspects of SIU to open the show. Ralph Clardy, who has presented his jazz singing in professional circles, will sing "My Funny Valentine" and "It Was Just One of Those Things," followed by Sigma Pi fraternity, in which "Herbie" falls asleep and finds himself in the role of the Untouchables. Matt Dillon and other of the 21-inchers stars.

Kathy Kimmel will present a pair of songs, followed by Sigma Kappa's "Alice in Wonderland." Alice has a devil of a time getting some posters initialed in the Office of Student Affairs.

Jan Gudde and Phil Dougherty will dance a ballet and Al-

### Lack Of Quorum Hinders Obelisk Selections

Failure of a quorum to attend a special meeting of the Journalism Council has temporarily delayed progress of next year's Obelisk, the Egyptian has learned.

The meeting, to interview applicants for editor and four associate editorships, was called for Monday by Bill Morin, student body president.

Of the eight council members, comprised both of faculty and students, three appeared. Morin said the absent members had been notified but apparently forgot about it.

All eight students who applied for the five positions to be filled were present for the interviews.

One applicant said it is important that next year's staff be chosen as soon as possible before April 1. Scheduled to take office on that date, he said the staff must accept bids for engraving, printing and photography. Photographers and engravers must be selected early, and a staff of typists and non-salaried personnel must be formed.

Another special meeting of the council will be held at 7:30 p.m. Wednesday in the President's Office in an attempt to choose the new editors.

### Typo Workshop Here March 11

About 100 southern Illinoisians will be exposed to diversified backgrounds in typography and design when an expert in printing design and layout conducts the fifth annual SIU Typographical Workshop here March 11.

Edwin Snyder, manager of printing information for Rand-McNally Publishing Co., Chicago, will direct the all-day workshop, which is designed to aid newspaper editors, composing room personnel and anyone

interested in printing.

Presentations will cover advertising 'makeup as well as editorial, according to Francis D. Modlin, associate professor of printing and photography who is coordinating the program.

Deadline for advance registration is Thursday. Those wishing to register should contact Modlin at the printing and photography department in the journalism barracks. A \$3 fee includes lunch at Lentz Hall.

### Placement Service Reports 45 Per Cent Of Grads Teach

Dr. Roye Bryant, director of the Placement Service, has reported that 45.5 per cent of Southern's graduates last year went into the teaching profession. The total number of graduates was 1,275.

The report showed also that the demand for elementary teachers exceeded that for secondary instructors. There were 6,005 vacancies listed in elementary fields, 3,988 in high schools, 256 in junior highs, 897 in colleges and 128 in edu-

cational administration.

The average annual salary for the 1960 bachelor's degree elementary teacher was \$4,372, or 3.5 per cent higher than the 1959 graduate. For the secondary major, the average salary was \$4,430 or an increase of nearly six per cent.

For the master's degree elementary teacher it was \$5,242, almost a seven per cent hike, and for a like secondary teacher, \$5,265 or a 2.4 per cent boost.

### 'Carnival' Tryouts Completed

Tryouts have been completed and the cast selected for "Thieves' Carnival," the gay comedy by French playwright Jean Anouilh, which will open in the Southern Playhouse April 14 for an eight performance run.

William Tranquilli and Samuel Elliot will alternate the lead role of Peterbono. Other parts are: Hector, Cosmo Inseera; Gustave, Will Grant; Lord Edward, Rennie Cook; Juliette, Sarah Moore; Eva, Jennifer West; Dupont-Dufort Sr., Charles Traeger.

Also, Dupont-Dufort Jr., Joe Steward; town crier, Dick Hummert; detective, David McClain; little girl, Jo McCord; musician, Nancy Hoffmann; policeman, David Taylor and John Miller; nursemaid, Julie Harris; matron, Sharon Mitchell; sweet young thing, Jo Stafford.

### DOUBLE DUTY

Mrs. John Menke, junior from Mt. Vernon, attentively observes Miss Benita Brothers (left) of Zeigler, and Mrs.

Mable Burton, associate professor in the Department of Nursing, demonstrate bathing techniques for the Menke twins. The identical twins,

John Keith and James Kevin, were born prematurely. Their father, John Menke, is a senior majoring in zoology. (Photo Service)

### Barge Confab Here Tuesday

One of the nation's foremost experts in admiralty law, Thomas W. Tearney of Chicago, will head a list of speakers at a course for barge and towing industry personnel to be held here Tuesday and Wednesday.

Sponsored by SIU's newly-established Transportation Institute in cooperation with the Division of Technical and Adult Education, the course is designed for active top management, and for financial and legal personnel concerning with federal laws applying to water carriers.

Tearney is from the law firm of Kirkland, Ellis, Hodson, Chaffetz and Masters. He has been chief government prosecutor for the Commander Destroyer Atlantic Fleet, a lecturer at the Navy School of Justice and a guest lecturer in law at the USN War College.

He serves as admiralty counsel for the Port of Chicago, served as legislative counsel for the 70th and 71st Illinois General Assemblies, and lectured in admiralty and maritime law at the Admiralty Institute, John Marshall Law School, Chicago.

A banker nationally known for his work with the barge and towing industry, M. L. Funderburk of Houma, Iowa, also will be on the program.

Cost of the two-day course is \$50, including housing, meals, banquet, and conference supplies.

Editor's Opinions

# A Review Of Sectioning

During the ensuing issues, we plan to discuss some of the controversial subjects which have faced us and the student body during the past academic year. Some of the recent campaigns brought surprisingly quick response—such as speeding on Thompson Drive and a call for rare blood volunteers.

Others, such as the plea last spring for an extension of the car ban, fell flat.

One central topic of discussion among students has been the Academic Advisement Center.

The main problem is lack of facilities, lack of time and, in general, growing pains.

Department advisors are given the extra duty of advising. It is part of their instructional load and carries no extra monetary dividend. Thus a small number of advisors probably are lax.

Let's look at the advisor's problems before too quickly condemning him, however. First, he has but a few minutes with each student. The problem here is easily dissected: there are just too many students for one or two advisors to adequately handle. Second, to say the facilities are inadequate is a gross understatement. It is difficult for two people to pass each other in the narrow hallway.

Third, some advisor's have research to go along with their teacher load. We tend to underestimate the amount of time put in by instructors.

It is conceivable that the Advisement Center will soon be moved to a better location. But the problem of inadequate staffing remains. Three choices seem possible: one, appoint more advisors for each department that needs them; two, use a system similar to that of the University of Illinois whereby students just register for the courses they want without advisement; or three, spread pre-registration over a longer period so advisors can have more time with students.

Joe Dill, editor

## Guest Editorial

# Th' Comin' O' St. Pat

Sure 'n 'tis a touch o' the green 'ere 'n there that makes me heart sing 'n brings a tear to me eye.

No, 'tisn't the spring o' the year that's got into me, but the comin' o' Saint Pat's Day wi' the parades n' everythin'.

Ya' see, me father was an engineer, 'n 'e told me about 'ow Saint Pat, bein' the Patron Saint o' engineers, would always come to th' campus o' 'is school 'n celebrate 'is day wi' th' engineers.

'Tis been me thots o' late that, since me arrival at Southern, 'tis been I among others, that's lookin' forward to gettin' a degree in engineerin' 'ere. Waitin' for that day to get 'ere is seemin' to be a little longer than we'll 'ave time for tho'.

But, maybe someday our sons 'll be th' ones to get their engineerin' degrees at Southern . . . and maybe it'll be then that Saint Pat comes to SIU.

Jay Kennerly

Thought for the day: Life is a process of filling and emptying; engaging and disengaging; begetting and being begot; beyond this, I have nothing more to say on life.

Herb Philbrick walked briskly from Shryock Auditorium to the Student Union for a coffee hour. He had just finished an hour talk to freshman convocation.

Philbrick's nine years as a counter spy for the FBI inside the Communist Party has been made into a television series and his book under the same title, "I Led Three Lives," still sells from 2-4,000 copies a year.

His tenure as a posed Communist began innocently enough when he joined the Cambridge (Mass.) Youth Council in 1940. Six months later—after he had been named chairman—he learned that it was a branch of the Communist Party.

Philbrick, at that time 25 years old and newly married, contacted the FBI and they "suggested" that he stick with the council as a spy.

"If my Baptist friends had known what I was doing those nine years, they sure would have been shocked," he grinned.

He was paid no salary, except for the party dues paid by the FBI. "My comrades didn't know the federal government was helping support them," he said.

"Believe me," he said, "when the FBI suggested that I stay as a spy, I had no idea what I was getting into."

Philbrick, who claims to have several "inside" channels with the Party today still receives threats from the Communists. His wife and children have been bombarded with threats since he left the Party in 1949, but no violence has occurred.

The soft-spoken Bostonian related that Chicago is a hot spot for communism.

Speaking of spying in the party, Philbrick said the 1960 National Communist Convention was held in Chicago. Only pledged, tested and well-known members of the Party were allowed in the convention. Two days later, J. Edgar Hoover, director of the FBI, had a full report of every event on his desk. "We still have pretty good spies," Herb noted.

## THANKS

We thank you for making our jumbo Burger a big success. Everyone is going for this 1/3 ground beef burger with onion, relish, pickle, lettuce, and tomato.

It's priced at 50c

# EXISTENTIALISM

"An altogether novel situation has been created by the atom bomb. Either all mankind will physically perish or there will be a change in the moral-political condition of man. . . Mere intellectual speculation about it does not mean absorption in to the reality of one's life—and the life of man is lost without a change."

... from *The Future of Mankind*  
Karl Jaspers

Hear the Third in a Distinguished Series of Talks on Existentialism

SUNDAY, MARCH 5 — 10:30 a.m.

## CARBONDALE UNITARIAN FELLOWSHIP

Herb Philbrick Here

We Are In World War III Counter-Spy Tells Convo

"There's nothing we can do to prevent World War III, because we're already in it."

This is the analysis of Herb Philbrick, well-known counter spy who for nine years worked inside the Communist Party for the FBI.

Philbrick held the rapt attention of about 1,000 persons in Shryock Auditorium Monday during Freshman Convocation. He later chatted with about 50 students at a coffee hour in the Student Union.

"We're now in the midst of a war which is being waged against every home in every country," the meek-appearing Philbrick said.

"We haven't been doing very well in the last few years in fighting Communism. Only by knowledge and information can we keep from making mistakes—which is Communism's greatest weapon."

Philbrick's nine years as an FBI counter spy began innocently enough in Cambridge, Mass., when he joined what he thought was the Cambridge Youth Council, but 6 months later he found that it was a Communist organization.

Philbrick told the attentive audience he indeed led three lives during his nine-year reign as a posed Communist: as an average citizen, as a secret

member of the Communist underground and as a volunteer counter spy for the FBI.

The 51-year-old former advertising specialist warned not to underestimate the talent of Communists "... most Communists are more than an ordinary person ... they are highly trained and highly talented."

Communism in 44 years has grown from 33,000 members to more than 972 million—one-third of the world's population covering one-fourth of the world's territory.

"Yes," he said emphatically. "Communism is doing right well in the United States. We are definitely not winning today."

"There is, however, no danger now of an atomic war. That's the last thing that will happen. Even though Russia won't admit it, we have an 8-1 military strength advantage."

"There is hope for the future, however ... and that hope hinges on the fact that the youth are anxious to know the truth so they can fight back."

Herb Philbrick ... former FBI counterspy

12 Attend Methodist Conference

Twelve students are attending the Illinois Methodist Student Movement Space Age Conference at MacMurray College, Jacksonville, today through Sunday.

The conference, termed "a unique and significant step in solving the problem of preparing man for the social problems, responsibilities and opportunities of the space age," will be led by five key speakers in different fields.

In addition to Don Carlton, director of the Wesley Foundation, students participating are Anna Mae Thomson, Ashley; Bill Perkins, Albion; Carol Dunn, Clarendon Hills; Dan Wanders, Northlake; Gloria Nave, Carlyle; John Crocker, Rochelle and David Myers, Mt. Vernon.

Also, Dorothy Lathrop, Wayne City; Deanne Kessler, Mascoutah; Duane Bodeen, Alpha; Carol Buzzard, St. Elmo; and Judy Smith, Carbondale.

Be proud of Southern—and it will be proud of you!

Cartersville Senior Wins Chemistry Award

With a perfect 5.0 grade average to his credit, Charles Taft Baker of Cartersville has been named senior winner of the annual Johnson Foundation Chemistry Award here.

For Baker, junior class winner last year, the award is worth \$200 cash. The yearly prizes are for excellence in chemistry studies. Winner of second place and \$150 in the senior class competition is Claude Gunter of Benton. Gunter finished second to Baker as a junior last year.

David Kammler of New Athens won first place and \$75 as the top ranking junior. Second place, also worth \$75, went to Willam E. Barnett, West Frankfort.

You're a natural wonder in POST-GRAD SLACKS

Any guy after the real goods (no jazz, no corn, no gizmos) gets the original, authentic natural look in H-I-S Post-Grad slacks. Lean and tapered to a fare-thee-well, these are the slacks other slacks try to look like—but seldom do. Smooth, pleatless front; pre-cuffed bottoms.

At your favorite campus store; in a wide and wonderful selection of washable all-cotton fabrics and automatic wash-and-wear Dacron polyester blends ... \$4.95 to \$8.95.

CONTINUING THE DISTINGUISHED SERIES on EXISTENTIALISM . . . Dr. Dee Applezweig Mar. 5 Subject: "Identity and Anxiety" . . . Dr. William Harris Mar. 12 Subject: "Existence and the Existent" You are cordially invited The Carbondale Unitarian Fellowship SUNDAY, 10:30 a.m.

What's it take to make the right connection? Plenty! Consider the problem. Western Electric manufactures the switching systems which connect some 60-million Bell telephones throughout the U. S. The average call over today's electromechanical system requires 420 relay operations. All together, this interconnecting equipment makes up the heart of what is, in effect, the world's largest machine. That's where Western Electric and you come in. The switching equipment for this "machine" involves an enormous manufacturing job carried on by our plants throughout the country. Because of the size and service requirements involved, we require quality standards far exceeding those of ordinary manufacturing. The size of this job presents an unusual challenge to the engineer who may save the Bell System many thousands of dollars by even a small cost-reduction step. While today's switching calls for a priority on engineering, tomorrow's will be even more exciting. For even now the revolutionary Electronic Central Office is under field trial and promises to remake the world of telephony. Future Western Electric engineers, working closely with their counterparts at Bell Tele-

phone Laboratories, will concentrate heavily on developing manufacturing methods for this ECO equipment. Your Western Electric assignments may cover many of our other responsibilities as the world's leading communications manufacturer. Perhaps you'll work on advances in microwave transmission, or even on satellite communications. Joining Western Electric may well be your right connection. Opportunities exist for electrical, mechanical, industrial, civil and chemical engineers, as well as physical scientists, liberal arts, and business majors. For more information, get your copy of "Western Electric and Your Career" from your Placement Officer. Or write College Relations, Room 6106, Western Electric Company, 195 Broadway, New York 7, N. Y. And be sure to arrange for a Western Electric interview when the Bell System recruiting team visits your campus. Principal manufacturing locations at Chicago, Ill.; Kearny, N. J.; Baltimore, Md.; Indianapolis, Ind.; Allentown and Laureldale, Pa.; Winston-Salem, N. C.; Buffalo, N. Y.; North Andover, Mass.; Omaha, Neb.; Kansas City, Mo.; Columbus, Ohio; Oklahoma City, Okla.; Engineering Research Center, Princeton, N. J.; Teletype Corporation, Skokie, Ill.; and Little Rock, Ark. Also Western Electric distribution centers in 33 cities and installation headquarters in 16 cities. General headquarters: 195 Broadway, New York 7, N. Y.

## Friedrich Cops Scoring Title

Southern clinched the IIAAC basketball title weeks before the season was over but the battle for individual scoring honors went down to the wire. The winner in a photo finish was Eastern Illinois' Larry Friedrich.

Friedrich canned 31 points Saturday night against Illinois State to edge SIU's Charlie Vaughn. Vaughn, who missed two conference games early in December against the loop cellar dwellers, finished the season with a 21.6 average. Friedrich ended the campaign with a 22.3 mark to dethrone the two-time conference scoring leader.

The IIAAC scoring title is decided on average and not on total points, enabling players who miss games to remain in contention. Vaughn won last year's crown with a 25.8 average for 12 games. Northern Illinois' Larry Gentry finished second to "Sweet Charlie" with a distant 20.6 mark.

In Saturday night's game, Illinois State, led by John Swart's 28 points, defeated the Panthers of Eastern Illinois, 95-88, despite Friedrich's stellar performance. In other action Northern Illinois defeated Central Michigan, 98-81, and Eastern Michigan, 96-67.

Since Southern dropped out of the NAIA, second-place Illinois State will represent the conference in the District 20 tournament, with the Redbirds acting as host. The winner of the four-team tourney will advance to the finals in Kansas City, Mo.

### IIAAC STANDINGS (Final)

	W	L	Pct.
Southern Illinois	12	0	1.000
Illinois State	8	4	.667

## IM Cage Champions Decided Tomorrow

The Ridge Runners, champions of the MRH league and defending all-school champs, Sigma Pi, winners of the Fraternity league title, and the Untouchables, off-campus champs, are the only three teams left in the all-school championship playoffs. The championship game will be played at 2:30 tomorrow afternoon.

To determine who will play in the final game, a semi-final game was played last night.

## Alpha Keglers Near Title

The American Chemical Society and Val Halla refused to let the Alphas back into the second half championship of the Monday night SIU Indee Bowling League.

The two teams swept to easy victories with ACS copping four points from Doyle Dorm and Val Halla took three points from the Newman Club. Bob Winter's 474 paced the ACS.

The Chemistry Dept. jumped from last place to fourth by taking four points from hapless Bailey Hall. Bailey's Ray Werth's 514 series was overshadowed by Boris Musulin's high game of 223.

The Brandon Dorm-Jolli Rogers game was postponed until later this week.

## Faculty Members Attend Camping Meeting

Two SIU faculty members attended a meeting of the American Camping Association last week.

Loren Taylor and Bill O'Brien, both of the recreation and outdoor education department, attended the regional meeting of ACA in Des Moines. Both men are associated with the SIU summer camping program that brings to Little Grassy Campus children for recreation and rehabilitation purposes.

The camping program is for normal children as well as exceptional cases which need therapy and instruction.

# NCAA Tourney Tickets On Sale Tomorrow; Bus Trips Slated

## Southern Meets Trinity College In Cape Regional

Southern's Saluki cagers, coached by Harry Gallatin, meet Trinity College of San Antonio, Texas in the opening game of the NCAA College Division Regional Basketball Tournament, Friday March 10, at Cape Girardeau, Mo.

The Salukis, according to pairings announced Wednesday afternoon, face the Texas school at 7 p.m. in the opening game of the four-team elimination tourney. The nine o'clock game pits the host Southeast Missouri State College Indians against Colorado College.

The winners of Friday night's games meet Saturday night, March 11, at 9 p.m. The winner will advance to the NCAA finals at Evansville, Ind. There will be a consolation game Saturday night at seven between Friday's losers.

Tickets for the NCAA College Division Regional Basketball Tournament at Southeast Missouri State College, Cape Girardeau, Mo. on Friday and Saturday, March 10-11, will go on sale tomorrow at noon in the Student Union.

Southern's Saluki cagers meet Trinity College of San Antonio, Texas, Friday at 7 p.m. If SIU wins Friday night, it plays Saturday night at nine for the championship game and the right to advance to the finals at Evansville, Ind., March 16-18. If the Salukis lose to Trinity, they meet the loser of the Southeast Missouri State-Colorado College game on Saturday night at seven for the consolation title.

One-hundred and seventy-five general admission tickets have been made available to SIU for each night's games. Since it is traditional for the University band and cheerleaders to accompany the team on important trips, 33 tickets have been reserved for these people.

The remaining 142 tickets for each night will go on sale tomorrow at noon in the Student Union. The price per ticket will be \$1.50. In the Student Union one booth will be set up for selling

tickets to Friday night's games and another booth will sell tickets to the Saturday night session.

Only one ticket will be sold to a student. In order to insure that the limited number of tickets is available to students only, presentation of an Activities Card or Fee Statement Card will be required.

Bus transportation will be available at 50 cents for the roundtrip. Bus tickets will be sold at the Student Union desk beginning tomorrow at noon.

Southeast Missouri State College officials have announced that 2,000 general admission tickets will go on sale at 10 a.m. the days of the games. All reserved seats are sold out.

## Track Club In Chicago Meet

Southern Illinois' AAU Saluki Track Club journeys to Chicago tomorrow to meet the Windy City's AAU Track Club.

Saluki Coach Lew Hartzog has indicated that he will make the following entries: Don and Dave Styron and Jim Douglas, if his leg improves, will run in the 60-yard dash. Don and John Turek will compete in the 60-yard high hurdles and brother Dave will join Don and John in

the 60-yard low hurdles.

Douglas is slated to run in the 220; Sonny Hocker and John Saunders are booked for the 440; Jim Dupree will run the 880; Lee King and Alan Gelsco are in the mile and Joe Thomas and John Flamer will represent the club in the two-mile run.

The mile relay team of Hocker, Dupree and the Styrons will be the featured event. The speedy foursome posted a nifty 3:16.3 at the recent First Annual Mason-Dixon Classic in Louisville, Ky.

Other Saluki entries tomorrow are Don Windler, Mike Mosher, Sam Silas and Bill Bullock in the shot put competition; Jim Bruhn in high jump; Larry Evans and Turek in broad jump and Evans in the pole vault.

## ROTC Basketball Tournament Here

Southern's ROTC basketball team will defend its championship in the Annual Illinois AF ROTC Basketball tourney to be held in the University School Gymnasium tomorrow.

Teams from Bradley University, University of Illinois and Illinois Institute of Technology will participate with Southern.

The first round games will be held at 9 and 10:15 a.m. with finals at 2 and 3:30 p.m.

Following the 3:30 p.m. championship game, Col. George H. Blase, Prof. of Air Science, will present individual and team trophies.

The only eligibility requirement for a player to participate is that he be enrolled in AF ROTC.

# Salukis Are Strong Favorites To Retain Their Titles

Southern's gymnastic, wrestling and swimming squads will be aiming to extend SIU's monopoly on first place finishes in the IAC. Already champions in football, cross country and basketball, the Salukis are strong favorites to successfully defend their winter sports crowns today and tomorrow.

The grapplers and mermen are at Central Michigan and Coach Bill Meade's gymnasts will be shooting for their third straight title at Eastern Illinois.

### Wilkinson's Wrestlers Favored

Strength in the mid-weights is expected to give Coach Jim Wilkinson's Saluki wrestlers their third straight crown. Southern has three men who will be defending individual titles; they are 130-pounder Deke Edwards, 157-pound Ed Lewis and Ken Houston at 191 pounds.

Other defending champions returning are Ray Guzak (167) and Roy Conrad (177), both of Northern Illinois. Conrad was last year's IAC Most Valuable and NCAA 177-pound champion. This year he is a solid choice to cop the 191-pound title. Conrad, with a 37-2 lifetime won-lost record at NIU, pinned his first seven opponents this year in an average time of 2:10.

### Swimmers Are Shoo-in

In swimming Western Illinois will challenge Central Michigan for the second place spot behind Coach Ralph Casey's Saluki tankers. Illinois State is given a slim chance to cop the number two position.

Southern's swimming forces

are led by American 50 and 100-yard freestyle record holder Ray Padovan. The Salukis are favored to capture 10 of the 13 events. Illinois State's George Vrhel, IAC record holder in the 100 and 200-yard backstroke, is favored to win his specialties and a three-way battle for the diving championships could develop.

Saluki Bob Steele has beaten Vrhel during the regular season

in a dual meet. Casey's men have notched a 7-1 season mark with their lone loss to Indiana University in the season opener.

### Orlofsky, Simms Out

Meade, Southern gymnastic mentor, has announced that he will not take two of his great all-around men with him to Charleston for the conference

meet. They are Olympian Fred Orlofsky and Bill Simms.

Orlofsky, who has been hampered by a wrist injury that has kept him from competing on the parallel bars for over three weeks, doesn't want to irritate the injury. Monday night Fred dislocated a finger while working on the side horse. Simms has decided to miss the engage-

ment and devote more time to his studies in preparation for final exams.

Returning IAC champions are Ed Foster, Len Kalakian, John Taylor and Bob Kies. Foster was the champ on the still rings last year; Kalakian is defending his tumbling and trampolines titles; Taylor is the conference's high bar champ and free exercise co-champ; and Kies is three-time IAC winner on the side horse.

## 30,000 SOUTH AFRICANS MARCH ON CAPETOWN!

-this film shows why!

BOSLEY CROWTHER—N. Y. TIMES

"The helplessness and frustration that the average African must feel in the face of the social dilemmas that exist in South Africa are put forth with raw vitality."

JONAS MEKAS—VILLAGE VOICE

"... it becomes the sound of the beating of the consciousness of a waking Africa."

PAUL V. BECKLEY—HERALD TRIBUNE

"A lucid expression of a modern tragedy even if the front pages had not lifted it into an area of special significance."

ARCHER WINSTEN—POST

"Exemplifies the tragedy in South Africa which may explode into a catastrophe at any time."

ALTON COOK—WORLD-TELEGRAM

"Overwhelming in impact. Its unflinching treatment of harsh, brutal tragedy catches a freshness of today's headlines."

## Botany, Micro Departments Get \$21,370 Grants For Study

The Department of Botany and Microbiology have received grants totaling \$21,370 from the National Science Foundation to finance undergraduate research this summer and during the next two academic years.

Dr. I. L. Schmeister, associate professor in microbiology, has a two-year contract, one of the few awarded by the National Foundation. He will direct the research work in microbiology with a grant of \$18,540 for seven student researchers.

Dr. Walter B. Welch, chairman of the botany department, will direct the research program in botany. The botany grant totaled \$2,830 for five student researchers.

Object of the program is to "help build the interest of superior students in research, to widen their understanding of scientific method and to improve their ability to employ scientific investigative procedures," a spokesman said.

## Hearst Lauds Rifle Team

A letter from W. R. Hearst, Jr., publisher of Hearst Newspapers, has been received by President Morris congratulating Southern's AFROTC marksmanship team for winning third place in the national AFROTC marksmanship contest.

Hearst lauded Morris, the University and the rifle team for their efforts.

## Sunday Musical At Thompson

The Len Kalakian trio will be featured in a "Sunday Musicales" at 2 p.m. March 5 in the Lentz Hall dining room.

The folk-music program is sponsored by the TP educational program committee.

## 150 At Psych Colloquium Psychologist Tells Of Problems That Hamper Mental Hospitals

A sore throat and an inadequate public address system Friday didn't keep Dr. Theodore Ayllon, of the Saskatchewan (Canada) Mental Hospital, from analyzing some of the problems that arise in a mental hospital.

Speaking to a group of about 150 at a psychology colloquium in Muckelroy Auditorium, the problems discussed by Dr. Ayllon were the type that arise when patients are exposed to a new environment. Some develop particular habits or traits as a result.

In one case cited a woman hoarded towels in her room. This trait was eliminated by having a nurse deliver towels to the room several times daily. After the patient had accumulated over 600 towels she began to find ways to remove them, throwing them in corners of the dining hall and any other place handy.

Now she is quite content to have only two or three towels around at a time, the psychologist explained.

Dr. Ayllon, head of a ward that experiments with the use of laboratory methods to either enforce continuance of habits or to eliminate them from the person's behavior pattern, said

food is one of the chief means used to control the patient's behavior.

The patients can be taught to do many things by varying the amount of food they receive and the times at which they receive the food.

The staff may also use cigarettes, candy or anything the tomorrow night, these girls

## Sunday Meeting For Summer European Trip

"We now have an airplane." That's the word of Steve Segner, member of the international affairs commission, in reference to the proposed air trip to Europe this summer being arranged by the commission.

A meeting at 7 p.m. Sunday in the Agriculture Seminar Room will provide anyone interested with up-to-date information on the flight, plus brief resumes by people who have been to Europe.

Cost of the flight is \$350 each if 65 persons go, or \$323 if 70 make the trip. The flight is scheduled to leave Chicago for London June 26 and return from Paris to Chicago Sept. 11. A \$75 deposit will be requested, which must be paid by the end of this term.

Anyone connected with SIU is eligible for the trip, Segner said, including their immediate family.

Information is being compiled on land tours and will be mimeographed and made available to anyone interested. Tours will be available at a minimum cost, but those taking the trip will be on their own.

Additional information is available at the Student Government Office in the Student Union.

## SSA Here For Discussion

Career opportunities in the Social Security Administration and other government departments will be discussed at 10 a.m. Tuesday in Morris Library Auditorium.

E. Bishop Hill, district manager of the SSA's Harrisburg office, will conduct the meeting. He will be available for personal interviews after the talk and also from 11 a.m. to 2 p.m. at the Placement Office Tuesday.

Information about early employment for college men and women who pass the federal service entrance examination, plus procedures for applying for this exam, will be covered in the meeting.

## Greek Sidelights

Jim Soldner has been chosen by SIGMA PI to serve as activities chairman for the fraternity.

The Alpha Gams will be eating steak, chicken or beans soon.

The scholarship dinner will be held Wednesday at the house.

## Washington U. Choir Here Wednesday

The 64-voice Washington University Choir, under the direction of Gil Brungardt, will present a special concert at 8:15 p.m. Wednesday in Shryock Auditorium.

The program, under the auspices of the music department, will include a variety of choral works and will feature selec-

tions by Bruckner, G. Gabrieli, J. S. Bach, Poulenc, Charles Ives, Anton Webern, and Benjamin Britten.

The choir sings regularly with the St. Louis Symphony Orchestra and, in January, joined that orchestra for the first Mound City performance of Zoltan Kodaly's "Te Deum."

The choir has also recently issued its fourth recording, ranging from works by Brahms, Bartok and Samuel Barber through traditional songs and spirituals.

STARTING FRIDAY, MARCH 3rd

## Giraffe, Bird, Fish All At Monday's Convo

A seven-foot artificial giraffe, a vast flowering plant, a bird and a fish.

These items will be among the paraphernalia used on the Shryock Auditorium stage Monday by Cilli (pronounced "sil-ly") Wang, Viennese comic and master of pantomime, at 10 a.m. fresher convocation.

A master of costume and gimmick, Miss Wang portrays the giraffe, the plant, the bird and the fish—and such situations as the artist who is ruined by the failure of his masterpieces, a miser who loses his head while cherishing his gold and a soldier bursting of his own swollenness.

"The World of Cilli Wang," as her show is called, is billed as a fairy tale world of reality for the heart of a child and for the mind of the grown-up.

Miss Wang, who is 4-9½ made her first American appearance in 1957. She has since appeared as a guest star on the George Gobel and Ed Sullivan television shows.

Arabia, the largest peninsula in the world, lies in the southwest corner of Asia.

## Paintings

### Donated To Library

A set of primitive paintings has been donated to Morris Library by Phillip Sang of River Forest.

Sang, a Chicago businessman, has given the library various things including contemporary paintings of Abraham Lincoln and Daniel Webster, plus a copy of the signatures of the signers of the Declaration of Independence.

According to Dr. Ralph E. McCoy, director of the libraries, the paintings will be placed on the second floor of the library as soon it is completed.

### OSA Has Hotel List

Want to find a nice hotel . . . or a cheap hotel . . . or an off-the-beaten-track hotel?

The Activities Development Office in the Office of Student Affairs has on file accommodations in New York City, Chicago, Los Angeles, Washington, D.C., Buffalo, Hartford, Conn., and Fort Lauderdale, Fla.

Maps in the area of the hotels and metropolitan areas also are available. Interested personnel may check at the Activities Development Office.

Gus sez there are also those faculty members who think a driver's license lasts a lifetime.

# Final Exams Begin March 13

### SCHEDULE FOR DAYTIME CLASSES

**Monday, March 13**  
12 noon classes—7:50 a.m.; mathematics 106A, 106B, 106C, 111, 112 and 252 day sections—11:30 a.m.; 4 p.m. classes, 1:50 p.m.

**Tuesday, March 14**  
9 a.m. classes except three-hour classes which meet one of the sessions on Saturday—7:50 a.m.; air science 220 and women's physical education 100 level classes and 254—11:30 a.m.; speech 101 and men's physical education 254—12:50 p.m.

**Wednesday, March 15**  
11 a.m. classes except three-hour classes which meet one of the sessions on Saturday—7:50 a.m.; English 101 and 102—11:30 a.m.; 2 p.m. classes—1:50 p.m.

**Thursday, March 16**  
8 a.m. classes except three-hour classes which meet one of the sessions on Saturday—7:50 a.m.; chemistry 101, 111, 112 and 240 and accounting 252—11:30 a.m.; 10 a.m. classes except humanities 301, science 301 and social studies 301 which will meet at 4 p.m.—1:50 p.m.

**Friday, March 17**  
3 p.m. classes—7:50 a.m.; geography 100—11:30 a.m.; make-up examination period for students whose petitions have been approved by their academic deans—1:30 p.m.

**Saturday, March 18**  
8 a.m. three-hour classes which meet one of the sessions on Saturday—7:50 a.m.; 9 a.m. three-hour classes which meet one of the sessions on Saturday—10 a.m.; 11 a.m. three-hour

classes which meet one of the sessions on Saturday—1 p.m. For classes which meet only on Saturday morning, examinations will start when the class sessions normally start.

### SCHEDULE FOR EVENING CLASSES

**Monday, March 13**  
Five-hour classes which meet during the second period (7:35-9 p.m.) on Monday, Wednesday and Thursday—6 p.m.; four, three, two and one-hour classes which meet during the second period (7:35-9 or 9:15 p.m.) on Monday and/or Wednesday—6 p.m. For classes which meet only on Monday night, examinations will start when the class sessions normally start.

**Tuesday, March 14**  
Four, three, two and one-hour classes which meet during the first period (5:45 or 6:7:25 p.m.) on Tuesday and/or Thursday—6 p.m. For classes which meet only on Tuesday night, examinations will start when the class sessions normally start.

**Wednesday, March 15**  
Five-hour classes which meet during the first period (6:7:25 p.m.) on Monday, Wednesday and Thursday—6 p.m.; four, three, two and one-hour classes which meet during the first period (5:45 or 6:7:25 p.m.) on Monday and/or Wednesday. For classes which meet only on Wednesday night, examinations will start when the class sessions normally start.

**Thursday, March 16**  
Four, three, two and one-hour classes which meet during the second period (7:35-9 or 9:15 p.m.) on Tuesday and/or Thursday—6 p.m. For classes which meet only on Thursday night, examinations will start when the class sessions normally start.

**General Information**  
Examinations for three, four and five-credit hour classes will begin at the hours scheduled and will run two hours. Examinations for one and two-credit hour classes will begin two hours and ten minutes later and will run for one hour.

For example, a 9 a.m. class carrying four hours of credit will have its examination from 7:50-9:50 a.m. on Tuesday, March 14. A 9 a.m. class carrying two hours of credit will have its examination from 10-11 a.m.

A student who finds he has more than three examinations on one day may petition, and a student who has two examinations at one time should peti-

tion his academic dean for approval to take an examination during the make-up period on the last day.

Provision for such a make-up examination period does not mean that a student may decide to miss his scheduled examination time and make it up during this period. Only a student whose petition has been approved by his academic dean may use this make-up period.

A student who must miss a final examination may not take an examination before the time scheduled for the class examination. In the event a student misses a final examination and is not involved in a situation covered in the preceding paragraph, a "W" followed by the tentative grade with a "12" indicating the number of weeks attended, should be recorded on the grade report by the instructor.

A "W" grade must be completed within one year of the end of the quarter involved or it will remain as an incomplete grade.

Because some students who attend night classes may be unable to attend the examination period scheduled for the daytime, each department involved should arrange special examination periods for such students.

This problem involves those night students who are fully employed during the day and who are taking night courses because it is the only time they are able to do so.

### Ford Foundation Offers Grants

SIU will form a partnership with three other Illinois universities in using a \$148,068 Ford Foundation grant to provide an internship program in the state legislature for qualified graduate students.

The University of Illinois, Northwestern University, the University of Chicago and SIU—the only schools in the state offering doctoral degrees in political science—are among 31 schools receiving Foundation grants totaling \$1,081,428 for a program that will enable about 300 graduate students to obtain practical experience in the state legislative process.

The grants will cover half the cost of maintaining the program, with state legislatures providing the remainder. A resolution before the Illinois Senate authorizing participation is expected to win approval, since funds would be taken from available monies.

### Education Instructors Accept Summer Jobs

Three SIU faculty members have accepted summer appointments as visiting professors.

Dr. J. Murray Lee, head of the Department of Elementary Education, will go to the University of Southern California for a short term. Two others of the elementary education department who have accepted appointments are Dr. Rebecca Baker and Dr. Ted Ragsdale.

Miss Baker will teach three weeks at the University of New Mexico and Dr. Ragsdale will teach a five week term at University of Colorado.

### ROOMS FOR BOYS

**Petition Accepted**

**Beta Omicron Becomes New Theta Sigma Phi Chapter**

Beta Omicron, SIU's professional journalism fraternity for women, was notified last week that its petition for membership into Theta Sigma Phi, national women's honorary, has been accepted.

Dr. James L. C. Ford, fiscal sponsor, announced that Beta Omicron has become the 62nd chapter of Theta Sigma Phi. It will be known as the Beta Tau chapter of the fraternity.

The Southern chapter was organized in the fall of 1956 with four charter members—Joyce Brinkley, Reta Moser, Ruth Ann Reeves and Barbara Downen.

In the past Beta Omicron has sponsored an annual tea for freshmen women in journalism, an annual all-campus movie, and has sold basketball programs in cooperation with the athletic department.

A chapter must be in existence three years before it is eligible to petition for national membership. Southern's chapter submitted a preliminary petition which was accepted last year. The formal petition was approved unanimously on the basis of this petition by undergraduate chapters and the Theta Sigma Phi Executive Council.

April 15 has been selected as a tentative date for the installation banquet.

Women must have a 4.0 average in journalism and a 3.5 overall average to pledge. Women are pledged during the last quarter of their sophomore year, but cannot be initiated

until their junior year.

Local officers are Gretchen Schmitz, president; Nancy Smith, vice president; Kathy O'Dell, secretary; Ann Southwick, treasurer; Linda Brooks, historian; Mickey Klaus, social chairman and Jo Rukavina, pledge counselor.

**A Glance at the Greeks**

by Mickey Klaus

Recently initiated into active membership in DELTA CHI fraternity are the following men: Dick Lohmer, Dick Rosenberg, Alex Urban, Dennis Kirchner, Tom Geocaris, Stewart Thorn, Bill Bunsenmeyer and Al Towne.

Also John Elkins, Rich Roberts, Bruce Wescott, Kim Bratton, Chuck Woerz and Hunter Look.

The men of Delta Chi recently held their annual Warehouse Dance at the chapter house with music furnished by Archie Griffith's band. Delta Chi's dixieland band also contributed to the music heard during the evening.

The brothers of PHI SIGMA KAPPA held their traditional steak and bean dinner at the chapter house Tuesday. Steaks went to all members with high scholastic averages for the fall quarter.

New chairmanships at the Phi Sig house went to Mick Warren, sports; Dave Kussow, social; Stu McNames, alumni; Phillip Le Faivre, publicity; Stan Reitz, altruistic and Jim Smith, house improvement.

Judy Scranton was selected PHI KAPPA TAU Sweetheart queen at the fraternity's Sweetheart formal Saturday. Members of the queen's court are

Sharon McDonald, Donna Hicks, Bev Restevo and Lynn Maschoff. The affair was held at Giant City Lodge.

Elections of new officers took place Sunday. Charlie Townsend will head the Phi Tau Executive Council as president.

Other new officers are Max Williamson, first vice president of social activities; John Bullaro, second vice president for scholarship; Tom Weller, secretary; Don Krug, treasurer; Jerry Schmolke, steward and Ray Hagen, house manager. Ray Thomczek, pledgemaster; Bob Thomas, rush chairman; Stan Shapiro, Inter-Fraternity Council representative and Jim Oldham, public relations man.

This week's outstanding Phi Tau award was captured by Ron Stahl.

Several of the brothers of THETA XI journeyed to Evansville, Ind. to see the Southern-Kentucky Wesleyan basketball game. At the present time about 100 TX alums have reservations for this year's Variety Show. All alums will gather at the chapter house Saturday afternoon for a buffet luncheon.

**PINNED:** Larry Jordan, Phi Kappa Tau, to Donna Hicks, Alpha Gamma Delta, Jim Oldham, Phi Kappa Tau, to Brenda Bohlebor, Sigma Sigma Sigma. Jerry Schmolke, Phi Kappa Tau, to Sharon McDonald, Sigma Sigma Sigma.

**ENGAGED:** Pearl Kohler, Greenville, to Bob Straube, La Grange.

**MARRIED:** Ron Poderiski, Theta Xi, to Lynda Nolen, Harrisburg.

**Univ. Band  
Will Give  
Concert**

The 120-piece University Band will present four contemporary numbers at a special concert at 4 p.m. Sunday in Shryock Auditorium. The earliest composition to be played was written in 1935.

Phillip Olson, director of bands, will conduct the full band in Gordon Jacobs' "Music for Festival" and Gustav Holtz's "First Suite in E-Flat." He will also direct the 47-piece Concert Band playing Persicetti's "Symphony."

Four trumpets and four trombones will be featured in Jerome Weinberger's "Tympani Concerto," played by Louis Galula, freshman from West Frankfort. Donald Canedy, music instructor, will direct this three-movement concert.

The program featuring the largest symphonic band Southern has had in concert, will offer convocation credit.

**Club Notes**

**APO Initiates Ten  
At Surprise Banquet**

Ten men were initiated into Zeta Nu chapter of Alpha Phi Omega in a surprise ceremony Saturday in Du Quoin. The new actives are Terry Modlin, Bob Shultz, Lowell Keel, Frank Pratt, Marty Newman, Tony Kovaleski, Larry Allard, Rich Kobler, Louis Sutch and Henry Dahl.

**Zoo Seminar to  
Feature Olah**

Ladislao Olah of the botany department will speak at a zoology seminar Tuesday. "Heterochromatin and Nucleolus" will be Olah's topic for the afternoon. The seminar is to begin in 205 Life Science at 4 p.m.

**Christian Fellowship  
Presents Recording**

The Inter-Varsity Christian Fellowship will present a tape recording entitled "Steps in Becoming a Christian" Monday. Dr. William Capper, surgeon from Bristol, England and dean of the medical school at Bristol University, made the recording. Based on the text found in St. John I, the tape is 50 minutes long and will be presented at 7:45 p.m. at 804 S. University Ave.
