Sixteen Students Initiated Into Mu Tau Pi Frat.

Mu Tau Pi fraternity held its annual, formal initiation-banquet last Wednesday evening, May 2. The speaker for the evening was Mr. George Wier, editor of the Murphysboro Daily Independent Newspaper. Lillian Goidard, Egyptian editor, was mistress of ceremonies.

Speaking on the purposes of publicity, Mr. Wier illustrated the powers of publicity through the press, the radio, word of mouth, and the press. He stated that word of mouth is the most effective type of publicity, but has its limitations due to the fact that it is only a single person's word. Second importance is the press, for although the radio broadcast reach almost every home in the United States, the news can be easily misunderstood by hearing only portions of the news.

Although there are thousands of papers throughout the world, they deal with the most perishable, most criticized product on the globe. But through the efforts of the journalist, Mr. Wier stated that the press could give the greatest service to society.

Those who were initiated were James Francis, Art Jean Clark, Catherine Sullivan, Norma Martin, Faye Oelheim, Peggy Wilhelm, Frank Truett, Albert Kiffis, Elizabeth Powell, Dale Kittle, J. Ferguson, Melba Carr, W. H. Slink, Betty Kozak, Florine Schultzer, and Ted Cain.

Discussion Group Takes Up Topics Of The Day

The "Delta Rho" University discussion group met Monday, April 30, to discuss the subject, WHAT SHOULD COME FROM THE SAN FRANCISCO CONFERENCE? The group consisted of Dr. Charles D. Tenney, acting in the absence of Dr. Douglas Lawson.

The topic was approached from the following standpoint: vote system, international police force, international army, intra-country trouble, localization of trouble, instead of complete oppression, complete disarmament for member nations, demagoguery, and economic problems.

The conclusions reached by the group for the evening were: 1. There should be a definite International Organization with a stabilization of power. 2. The International Organization should have an army of its own. (The consensus of opinion at this statement seemed to indicate that the member nations would have a right in the sense of close association with motives of the well known war-rioters of the day. These include Reginald Marsh, Bruce Mitchell, Peter Zain, James Turrell, to name but a few.)

It will not, unfortunately insure the status of the United States to have only one vote. (To Russia's three, etc. . . .)

The next meeting of Delta Rho will be held in Room 101 of Old Main at 7:30 on the evening, May 11. The topic chosen for the evening's discussion was, WHAT SHOULD BE DONE TOWARD THE REHABILITATION OF GERMANY.

BOHROD PORTRAYS WAR IN LIFE

In the April 30 issue of LIFE Magazine, Anton Bohrod, former artist-in-residence, received special recognition in his line of work—that of portraying the mysteries and spectacles of war, from the American Atlantic coastline across Europe to Africa, India.

In this twenty-four color-page edition of the outrageous patterns of war, Bohrod has depicted scenes from "London's East End" to "The Corvot Garden Ballroom". Bohrod has gained special recognition in his scenes of terror-stricken peoples of modern war. Some of his most notable work have been "Military Necessity", "The Wood Lanes", "A Tank Explodes", "Life Returns", and "In Broken Cans".

Bohrod, in his work depicting battle and sudden death in London, Guadalupe, England, Normandy, and Germany, has been in close association with motives of the well known war-rioters of the day. These include Reginald Marsh, Bruce Mitchell, Peter Zain, James Turrell, to name but a few.

Dr. W. M. Bailey Tells Plans For V-Gardens

With the arrival of the planting season, the Victory Gardens committee of the Victory Garden Council has begun its third year of work to promote vegetable gardens in Carbondale. Dr. William M. Bailey, Director of the Department of Botany, has announced that since this is the most crucial year of the war, food shortage is to be given the most attention.

Dr. Bailey stated that the importance of the Victory Gardens is shown in the estimate of the United States Department of Agriculture which said that approximately one of the most vegetables produced in 1944 were raised in home gardens.

During the last two years, part made by the Victory Garden Council has been to conduct the Victory Gardens in cooperation with the Victory Garden Council of the Department of the University High School. However, since there are no schools this year, an advisory committee has been set up to service in connection with gardening. Dr. Charles H. Stinson, Professor of Agriculture, Mr. Lloyd H. Stinson, and Mr. Stinson of the Department of University High School, and Mr. Stewart C. Stinson, horticulturist of Carbondale, together with Dr. Bailey, compose the advisory staff to give advice on insect, disease, soil, and other problems of the victory garden.

This is Dr. Bailey's third year as chairman of the Victory Gardens Council. The Victory Garden Council, and during that time he has made numerous addresses before civic organizations, clubs, and in various ways has promoted the victory garden program.

WEEK'S ROUND-UP

By "Scoop" Fields
It seems as if old man weather is really trying to throw a wrench in the wheels of tennis machinery. Because of bad weather, Southern's players have not had the opportunity to really get going.

Starting this week, Coach Tenney reports that his boys shall shift back from the round-robin to a raking tournament basis. All men who have played six matches will be listed on a ladder, and will play the man immediately above them to improve their rankings, if possible.

As we progress into another week of tennis, we still find Paul Smith on top of the list. "Snitty" is only leading by a slim margin now, because that Murphysboro "Whirler" Jim Norman, is really beginning to pick up speed and has come from a tie for fourth place

Several members of the 256 Track and Field Theory class accompanied Coach Lingle and assisted in officiating in the Herris Relays, Friday, April 27.

Coach Lingle reports that Bill Berry, who made a fine showing in the 120 yard high hurdles in the first meet of the season at Old Normal, has passed his Navy physical examination and will be called into active duty at an early date. Southern's chances at the Conference meet on May 13 will be a great deal less should Bill receive greeting from Uncle Sam before that date.

Members of the "C" Club will be the guests of the Carbonate Business Men's Association at a banquet to be held at the College Cafeteria Monday, May 7. Frank G. Thompson, Director of the Department of Registration and Education, and also chairman of the Normal School Board, will be the speaker of the evening.

Coach Glenn "Abe" Martin, Southern's athletic director, and Sam Mosevich, the Maroon all-conference forward and the newly elected cage captain were guests of Pikecreekville Lions' Club, Rotary Club, and the Chamber of Commerce. Coach Martin was the guest speaker and Sam was introduced to the members of these organizations.

Weather conditions have kept Coach Lingle's men outdoors a great deal of the time this week. Here's hoping Old Sol breaks through the clouds next week in order that the men may get several good workouts before the Quadraangular meet at Macomb.

VOICE OF S. I. N. U.

Dear Editor:
The Council of Administration and President Lay should be commended on their decision to allow Seniors to get out of finals in order that we might participate more wholeheartedly in Senior Week activities. It shows an appreciation as well as understanding of students. A. K.

Dear Editor:
It had been so long since we had had a good entertaining chapel program that I was very surprised at the wonderful program given by the West Frankfort High school orchestra and chorus. Why can't we have more enjoyable assembly programs all the time? Students can stand dry speeches once in awhile, but certainly not all the time. After seeing how every one really enjoyed the chapel last Tuesday, I hope the program committee can have a few more good ones before the end of the year. MAC.

Dear Editor:
At last the National Anthem was used once again to open chapel. Do we just sing it when there are visitors on the stage? To me nothing can fill the place of the Star Spangled Banner. Why does Southern try to make a substitute for it? The least we can do is a little patriotic in chapel that would show some honor to the fellows from Southern who are fighting. Do we have to keep trying to be different from other schools? P. B.
