Program For S. I. N. U. Home Coming

All In Readiness for Annual Event

Following the suggestion of the Egyptian committee of Faculty and students have worked out a program for our first Home-coming.

Friday, November 10th, Mr. Wham will be in charge at chapel and an appropriate program will be given. At 1 o'clock an "at home" tea will be given at Anthony Hall.

All alumni and former students are expected to register in the president's office and proceed to Anthony Hall, where the Anthony Hall girls and other students will help to make them feel that they are still a part of the S. I. N. U. All students are invited to the tea.

Class Fight

Owing to certain unexpected conditions it is necessary to have the class fight on Friday instead of Saturday, as was previously planned. There will be fights, combats, strength tests, etc., beginning at 3 o'clock and continuing until 4:30. In order not to miss any of the fun be on the East Campus promptly at 3 o'clock.

For the benefit of those who are not familiar with class fights, I will add a few words of explanation. The object is "to do the other fellow before he does you." Of course this is always carried out in a friendly manner, which tends to make it all the more interesting. If the captain chooses you, it behooves you to get in the fight and stay there until you "do the other fellow" or "he does you." If you are once in the fight do not get "cold feet" and quit, unless you want to be called yellow.

In order to make the fight more thrilling and have the strength more evenly divided, the Normal Seniors and the High School Sophomores are to work together. The Normal Juniors and High School Seniors are to co-operate.

The first contest is a rooster fight scheduled to begin promptly at 3 o'clock on the East Campus. If you have never seen a real live "human" rooster fight you can't afford to miss this. The Normal Seniors and High School Sophomores will fight the Normal Juniors and the High School Seniors. Each class will be represented by six men.

The next feature will be quite a

novelty. The plan was worked out by one of our faculty members. The idea was taken from the push ball game. This fight will be known as the cage ball fight. The fight is to take place between every male student in the Freshman and Sophomore class. For further particulars come to the class fight.

The tug o' war needs no introduction or explanation. It alone is enough to justify your coming to the class fight. The Normal Seniors and High School Sophomores vs. the Normal Juniors and High School Freshman. The winner of the above vs. the High School Seniors and the High School Juniors.

Pep Meeting

E-Gyp-Gyp-Gyp E-Gyp-Gyp-Gyp
Wow!!!

Friday evening at 7 o'clock in the gym will be held the greatest pep meeting ever held in the history of the school.

The last one was a good one, but this will be still greater. What we want is noise, pep, and lots of it!! Two members of the faculty will probably speak, adding spirit and empha-

sis to the occasion. Cobb's band, an attraction that never gets old, will be on hand to furnish the jazz and spice of life without which such demonstration would be decidedly dead.

Throw away your crutches, oil your wooden leg, dust off your tonils and get action. Bring your friends, neighbors and sweethearts. Pack the old gym until the walls bulge out and let's make it a night long to be remembered.

The team is fighting—Are you? If you do we'll win!!!!

Home-Coming Vaudeville

When Slats says "that's all," be sure and go at once to the auditorium where the Strut and Fret will take charge and give you an hour's real entertainment.

You will find the program in detail in another column.

Pritchard's orchestra will furnish music between acts. Don't attend this unless you can laugh.

A small admission will be charged to defray Home-coming expenses.

THE NORMAL FLOATS IN THE MARDI GRAS

There was a lack of interest among Normal students in the matter of preparing floats. In the past there have been as many as ten or twelve beautiful exhibits; but this year only five organizations took part.

One of the most interesting cars was the one presented by the Socratic Society. The committee in charge consisted of Ralph Warren, Leland Elliott, Lula Watson and Paulette Jansen. In flaming words the society announced its unanimous support of Andy Gump for Congress. Andy was present in the person of Slats. Slats is a show any time by himself, but when as Andy Gump he was accompanied by "Min," and Chester, and Mrs. Zanders, the whole bunch was killing. The legends on the sides of the float were the two principal planks in Andy's platform—"I wear no man's collar," and "100% for the People." Without doubt more people were interested in this float than any other, for everybody in Egypt as well as in the Socratic Society is for Andy Gump for Congress.

The Zetetic Society chose for its portrayal "An Old Fashioned Tea Garden." The committee in charge were Fern Bradley, Grace Eagleson, Henry Markus, Emma Strum, Claudine Coulter, Dilla Hall, and Ray Hamilton. To those who know this committee, it is no wonder why they selected so artistic a phase of old Colonial Life to represent on this float.

A lovely Arbor was placed in the front part of the float where surrounding a large table sat the Colonial Dames. Grace Eagleson, Leone Smith and Mildred Schnobe. Their guests were represented by Norvin Julian and Henry Markus.

It was a beautiful sentiment beautifully presented. The garden was enclosed by a picket fence with gates and approaches which gave the whole scene a very material setting.

A "new stranger" made his appearance for the first time. This was the De Molay. The committee was headed by Fred Johnson. He was ably assisted by an enthusiastic bunch in planning and executing a very fine sentiment which is found in the teachings of this new order. But their hopes were dashed upon the rocks when a beautifully decorated float became entangled in the wiring along the line of march and all the superstructure was torn away leaving only the bare decks and a group of disap-

With ten seconds to go and the Maroons ready to punt from behind their own goal line they felt that a tie game was inevitable. But the unexpected happened, two preachers dashed through the line, blocked the punt and fell on the ball for a touch down. They kicked goal making the score 7-0 and in the remaining seconds of play the Maroons had no chance for retaliation.

The boys fought hard and several times kept the preachers from scoring by holding them for downs. During the last half the preachers carried the ball most of the time, the Maroons resorting to a punting game. The line seemed to be the weak feature for they were constantly out-charged and consequently let the preachers through for many good gains. They failed to open holes and the backfield charged into a veritable stone wall.

The stellar playing of Henderson at right tackle was a noticeable feature of the game. He piled the interference time after time and many times got the man with the ball as well.

Old man Jinx has been following the

boy for some time but they swear that they will lose him Saturday. They have vowed eternal vengeance on Cape and considering the state of mind,

they are in now "revenge will be sweet."

First Quarter

Cap. Hamilton won the toss and chose to kick off, kicking to Walton on the 18 yard line who returned it to the 30 yard line before being downed. Shurtleff failed to gain through the line and on a punt formation Fishel broke through and blocked the punt recovered on the 43 yard line. Hunter gained 3 yards through the line and Hamilton made it first down on another line buck. On another line buck Hale fumbled and Shurtleff recovered the ball on the 30 yard line. On two plays they made first down and on the third they fumbled. Dunn recovering the ball Hale failed to gain. A long forward pass Hale to Mac was incomplete. Huss

punted to the 20 yard line. On a fake play Shurtleff failed to gain but on the next three they made first down. At this time Bix was sent in for Hale. Shroot ploughed through the line for 7 yards. Heuser intercepted a forward pass. Maroons failed to gain on three downs.

Second Quarter

Walton caught Huss' punt and ran 30 yards through the whole Normal team before being brought down by Huss. Henderson substituted for Cox. Shurtleff made two first downs and were then penalized 5 yards for being offside. Pass was incomplete. Drop kick failed, giving Normal the ball on their 20 yard line. Huss punted to mid-field where a vicious tackle by Mac caused Walton to fumble and

Henson recovered. A pass was incomplete. Huss punted out on the 15 yard line. Shurtleff punted on the first play and Hunter returned the ball to mid-field. Three attempts to gain through the line failed. Huss punted to 4 yard line. Shurtleff punted. Hunter returning to their 22 yard line. Pass incomplete. Bix and Huss made 8 yards through the line. Ham failed to make it first down. On the first play Shurtleff was thrown for a 3 yard loss.

Captain began the third period kicking off. Shurtleff was penalized for off sides. Shurtleff punted out of danger and Huss fumbled the

ball, Shurtleff recovering. Shurtleff's attempts on the Normal defense proved to be fruitless and they were again forced to punt. Hunter nailed the kick and Huss punted back to mid field. Henderson was playing a great defensive game, dumping the interference and throwing runners for losses. The Shurtleff kicker with the wind in his favor booted the oval to the twenty yard line, and Huss returned with a kick to past mid field, kicking against the wind. Hunter smashed a pass down to old terra firma and

ARMISTICE DAY

The return of the anniversary on which the World War closed brings trooping into our minds stirring memories and into our hearts mixed emotions. Those of us who were in school remember how our joy leaped out of bounds at the premature report and how we let off the pressure of wild joy by forming a procession and marching down town with Old Glory and our service flag in front.

Doubtless every ex-service man lives again in memory the things he did on the real Armistice Day four years ago. Some are pushing their tiresome way up the Meuse-Argonne, some are on the Champaign Front, some at Paris, and others elsewhere "over there." Some are on the high seas, some in American training camps, while some suffer again and rejoice too, in memory of the day in a hospital.

But whether we be civilian or ex-service man, let us look back of the day and its incidents to the issues involved and send up thanksgiving that our school had men in abundance of the kind that their country and ours was glad to get, and that they, wherever tried, brought honor to this school.

POLITENESS

Politeness is that which differentiates between the coarse and the refined. It is that mark by which we are enabled to say, "That individual is a gentleman or that is a lady." To be a gentleman or a lady does not necessarily mean that a person must have so-called "Blueblood," or a pedigree as long as the moral lay. The poorest animal on the state farm has that much.

One man has said: "Politeness is to do and say

The kindest thing in the kindest way."

While another puts it: "A gentleman is he, who never intentionally inflicts pain nor embarrassment upon another person."

The greater the number of gentlemen and ladies we have in the S. I. N. U. the easier and happier is the lot of our Freshmen.

UNIVERSITY HIGH STARTS BASKET BALL PRACTICE

Under the efficient service of Coach Snider the U. High squad was called out Monday for the first practice of the season.

Several of the old stars are back, including Capt. Hickey, the two Renfros, McCormack, and stars from our Junior High School, who will push the regulars hard for their places this year.

There is a lot of new material which, though it doesn't show up at present, may rise from the ranks of the ordinary and make places for themselves on the first string.

Among the likely candidates from the new ones, are Meffert, Brimm, White, Hinkley, Loy and Clow.

University High staged a comeback last year, having been out of the Association for four years. Although a little late start and raw material very much handicapped them, they made a creditable showing in most of the games played. This is shown in the fact that the leading teams of Southern Illinois are wanting places on their schedule this year.

Coach Snider is assured of a team this year that will do credit to the S. I. N. U. from which they hail, and will show any team challenged some real basket ball.

ANDY AND MIN WIN PRIZE AT MARDI GRAS FESTIVAL

(Taken from the Chicago Tribune.)
Carbondale, Ill., Nov. 1.—A comical float depicting "Andy Gump and Min," won the prize at Carbondale's Hallowe'en Mardi Gras festival last night.

It was the creation of the Socratic Literary Society from the Southern Illinois Normal School "Andy" passed in review of 25,000 during the parade, with a placard "100 per cent for the people and wearing no man's collar," his platform in his race for congress. Hundreds of masqueraders followed the candidate's float with demands for a speech.

NOTICE

Because the students have been so careless about returning reserved books on time (that is, from eight to eight-fifteen o'clock in the morning) the library has been forced to black list the delinquent students. Hereafter, those who fail to return reserved books between eight and eight-fifteen o'clock on the day due will not be allowed to take reserved books from the library for a month after their delinquency.

All alumni and visitors will want to be on time for this feed. Miss Rue is going to "fill them up" for once in their lives.

Both resident and non-resident alumni are expected to be out in full array. If you have not entered your name, do so at Anthony Hall at once.

Society Programs

From 9:00 to 10:30 Saturday morning, the two literary societies will present special programs and welcome alumni and former members each in its own hall.

Besides an excellent program the Zetetic Society have special music and talks from Alumni and former members. The Socratic Society will be favored with a talk from the founder of the society, also a play and music by its orchestra.

Let all members be present to welcome back Alumni and old members. The president of each society requests your co-operation in this.

Armistice Day

Under the auspices of the American Legion appropriate services will be held in the Auditorium. Mr. Wham will deliver an address to the students and Legion members.

At 11 o'clock sharp every person on the campus is expected to face the East as a token of respect to those heroes who fought and died in Flanders Field.

On this day of festivity and pleasure, when so many students return to their old haunts, we cannot forget those eight heroes who laid down their books in the memorable years of 1917 and 1918 and gladly gave their lives to make this Homecoming possible. Let us all turn aside for a short half hour to do honor to their memory.

Hobo Parade 1 P. M.

Pritchard's Band will form at the New Hundley corner. The classes will line up in the order of rank, Alumni first.

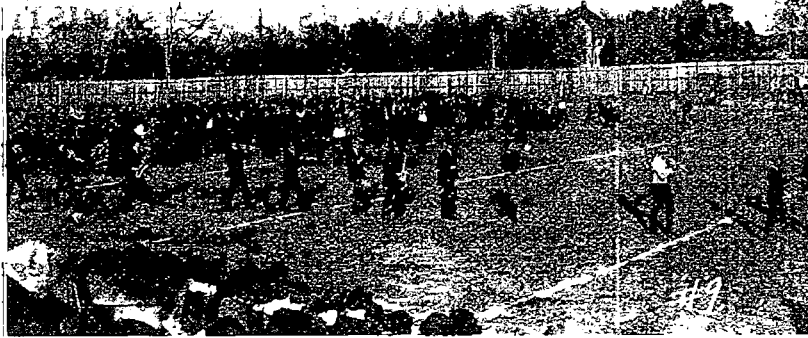

Let us all be loyal Normalites and make Homecoming parade a great event.

Mock Track Meet

In order that this mock track meet will be a success every man who is to participate must be at the starting place immediately at the end of the second quarter of the game. We have only fifteen minutes for the whole meet and hence every man must be ready at the proper time.

The first race will be a faculty race. We want as many of the faculty men as possible to participate.

A big relay race is planned. Featuring in this race is the famous "six foot" relay team, which has won honors abroad.

Then a free for all race will be in order. Andy Gump promises a large, beautiful glass milk bottle to the winner of this race.

Then the last, but not the least, is the 440 yards shot-put. That alone will be worth the price of admission.

Home-Coming Dance

The committee have secured an excellent orchestra for the dance and the hall will be elaborately decorated for the occasion.

When the dance is over let's all bid our guests good-bye with the feeling we have entertained them to the best of our ability and those of us who will not be in school next year plan to attend the next Home-coming.

NORMAL FLOAT

pointed De Molays.

The Agriculture Club had a representation true to life. The idea was a farm scene. On the floats was one of the choice milk cows from the State Farm. There were milkers, separators and churners. Strong lads and pretty lasses filled every space and they were all very busy. One make-believe farmer was busy feeding the cow "nubbins" to keep her in good humor. Eb. Ethenon was the moving spirit behind the float.

Keep that trophy.

S. I. N. U. HAS BRIGHT FUTURE IN BASKET BALL

Entire Team of Last Season Will Respond to Call When Maroons' Practice Season Opens.

As the days progress and the annual season gradually nears its end, football keeps in step, and ere long Thanksgiving will be upon us and then the grid iron heroes will lay aside their moleskin armor and dream of the battles to come. Of course with the revolution of the seasons comes a rotation of sports and basket ball will supplant the vacancy left by hibernation of the great game of brawn and wits.

The S. I. N. U. has the brightest outlook for basket ball this year than she has ever had before. Her entire first team of last season is back and are aching to lock horns with somebody. Last year the quintet failed to lose a conference game and probably the only reason that she didn't win the conference tournament pennant was because there wasn't any pennant or tournament for them to win.

"Skez-el" Allen is the big chief of the basketteers and will lead them on their forages for the conference honors. "Skez-el" is a man with worlds of stuff, a good leader and as gritty a player as ever shook a hoop on the Normal floor. Besides Captain Allen at the floor guard position, Clyde Brooks, forward and Captain last season, Wilbur (Slats) Valentine, center, Ed Carter, guard, and Paul Chance, forward, will report for their old positions on the squad.

In addition to the members of "the old guard" that will report are a multitude of recruits that show promise of developing into real stuff. A list of the new men who have reported are as follows: Forwards, F. Lawder and

Don Lawder, Carterville; Ralph Bailey, University Hi; Perry, Vergennes; Smith, Johnson College, Tenn.; Forsythe, Marissa; Asberry, Florida; Lollis, Assumption. The guards are as follows: Dunn, Murphysboro; Borgers, Community Hi; Carl Smith, Community Hi; Brimm, Creal Springs; Henson, Fairfield; Huss, Carterville; Hamilton, University Hi; Oddison, Tilden.

Max Lollar, a letter man of two years ago will be out in suit again this season. Lollar despite his meagerness in height and weight is a flash on the floor and in handling the ball and is a hard man to guard.

No games have been scheduled to be played before Christmas as yet. However teams that are not in the conference will be scheduled to fill in these open dates. Practice will begin in earnest immediately after the close of the football season. At present the squad is practicing three times a week. Captain Allen issued the request that any body interested in playing basket ball will report for practice immediately.

FRESHMAN SOCIAL

The Freshman Class had their first party last Monday evening. They all came to the gymnasium in Hallowe'en costume and were masked so well that even friends and roommates failed to recognize each other.

The night watchman, chaperones and many of the Freshmen kept an eagle eye upon the refreshments since several Seniors seemed interested in the party, but the Freshmen showed their usual hospitality by permitting the Senior to share their refreshments. While the Seniors enjoyed the cookies and wafers, the Freshmen ate the ice cream and are looking forward to other parties.

robbed Shurtleff of a possible score. Shurtleff then attempted a kick from placement but failed and Normal gained possession of the pigskin on the 20 yard line. Huss went to the center of the field and Shurtleff gained first down on the following line plunge. Bevis replaced Hendy. The Maroons quelled an over head play and on the next attempt downed the passer in his tracks. The ball went over and Carbondale launched an attack that was immediately cut short by the end of the quarter.

Fourth Quarter

Hunter drove through the line on a fake punt play for a substantial gain. Ham failed to gain and Huss punted deep into the Altonites' territory. The Shurtleff receiver fumbled but recovered. Lee replaced Bix at half. Shurtleff forced to punt and the Normal's attempt on both line and end of Shurtleff defense failed and Huss punted to Shurtleff. Mac pulled a pretty tackle and stopped runner. A fake gave the upstate team first down. Shurtleff again gained first down and seemed to be started on a march toward the Normal's goal. Cox replaced Bevis. Two more first downs by Shurtleff and she was on the Normal's ten yard line with goal to go. Viscious tackles by the fighting Maroon de-

fense staved off the goal seeker's onslaught. On the fourth down and still ten to go the Shurtleff quarter completed a pass for 8 yards and the ball went over to the Normal defenders. Huss dropped back to kick and as the ball left his foot it collided with the charging figure of Potter of the enemy's defense. The ball rolled back of the goal line and Elhson, a Shurtleff guard, fell on the oval and scored the first touchdown of the day. Captain Walton kicked goal for Shurtleff and the gun ended the game a few seconds later. Final score, Shurtleff 7—Normal 0.

MAROONS BATTLE CAPE IN HOME COMING FEATURE

Sportsmanship To Be the Watchword.

Tomorrow the Maroons engage in battle with the Cape Girardeau eleven on the home field. The game is to be the feature event of the Big Home Coming program. Much interest is centered around this game and a real battle is expected when Mac turns his blood thirsty Maroons loose against the Missouri pedators. The Cape lucked out on the S. I. N. U. squad in their first game at Cape

this year defeating us 12-9. Coach Mac has put the team through a week of strenuous practice and he feels confident that the men will lose their nemesis. The Jinx, in the holiday crowd and will consequently take ample revenge on those Missouri chesties. Every man on the team is expected to be ready for the fray so there can be no casualty lists to defer the Normalites. In their revenge seeking spree.

The Cape won the first game of the season entirely through the breaks of the game. A blocked punt and an intercepted pass proved to be enough to beat the drop kick and earned touchdown that the Normal possessed. An entirely different story is expected when the final count is taken over the Cape outfit tomorrow.

The students of the S. I. N. U. have built up a reputation for being hospitable. Every team that comes here goes away counting the days until she returns again. That's the way to make your guests feel, show them the town, make them feel at home, if you are too busy and haven't time for a friendly word give them a familiar old "high ball," that will break the ice, and a good time will result. Charleston commented at length in a recent issue of their paper on the hospitality shown their team while in Carbondale. Why not let that kind of stuff be in all the papers. Let's culti-

vate a reputation of being a school of good fellows and real sports. Even though we lose a game, keep a stiff upper lip and tell your conquerors how good they played.

On a recent trip the team took into an adjoining state they were received with as little hospitality as their hosts could manage to show. No one met the team to see that they were properly cared for. Preparations for ferry service had not been arranged and even after our own officials had accomplished these things, our fellows were not even accorded the honor of a cheerful greeting from any student, player or citizen. The team entered the town, providing their own reception committee and though defeated they departed from the "dead burg" to the tune of their own yells and farewells. It was a very practical way of carrying on athletic relations. No spirit of good fellowship was even so much as hinted at by our hosts. The numerous fans who accompanied the team on the trip were not accustomed to such cold treatment and they proceeded to make themselves as amicable as possible. For a long time their friendly yells to townspeople and students alike were treated with icy coldness. However as the day grew older and the Normal was preparing to embark once more for the friendly shores of old Illinois, a case recorded in which a young maiden of the town actually favor-

ed the fellows with a smile and a nod of greeting, but this faint semblance of hospitality came too late and the fans and players fought to be the first over to old Illinois again.

Tomorrow the Cape Girard-au eleven meets the Normal here in the big Home Coming event. Let's everybody show the Missouri teachers an A No 1 time. Make them feel as if they are right at home and the town is open to them. They are our guests

and let us treat them right. Let's treat them so well that they will be compelled, out of pure wonderment, to go home and tell the folks about what wonderful people live in Carbondale. Maybe they will carry a story in their paper about our spirit. Everybody out for the game and if there is any razzing to be done keep it on the side lines. don't let it reach the field of play.

Silk, Wool or Cotton—It Fits!

Whether dainty silk knit or soft warm wool, Athena Underwear is trim and shapely. Whatever the style, it has the extra width through bust and hips, the graceful neckline slipping to the front, the fitted seat that always stays closed. Unlike ordinary underwear, Athena follows every curve of the figure closely, yet naturally. It assures, at the same time, perfectly fitting gowns and an unusually delightful feeling of easy freedom. Yet it costs no more!

ATHENA UNDERWEAR

For Women and Children

Note this Difference

Ask the saleswoman to lay out for you a suit of Athena as shown in the diagram. Note the seven distinctive Athena features that give the whole garment such unusual shapeliness. Then you will understand why it really fits. Athena may be had in all styles and weights, in knit fabrics.

WE'VE NEVER SEEN HANDSOMER OVERCOATS

This fall the makers have outdone themselves. The new Society Brand Overcoats are the handsomest we have ever seen. They're the kind of thing a merchant is mighty proud to show. You will agree when you see them; you'll particularly like their swagger style.

Ask to see the overcoats of Matterhorn fabric—the new Society Brand diagonal weave, with colorful rug backs and contrasting backs.

LEONARD PARRISH

Leonard Parrish, a student of the S. I. N. U., was killed by a freight train October 31. Authorities are still puzzled as to how the accident happened. Friends of the boy at the time felt horror stricken, it is said, and witnesses necessary for the inquest were not available.

The funeral was held Friday, November 3, at the Cottage Home Church, four miles south of Carterville. The Normal faculty sent floral offerings. Boys of the Ag Club, of which he was a member attended the funeral and acted as pall bearers.

Leonard was a member of the Freshman Class of our University High. He was well thought of by all his friends and teachers, and was an example of a model student. His classmates and fellow students extend their sincere sympathy to the parents and relatives in their sad loss.
