**Fred McLain,  
Business Manager**

Fred McLain is following in the footsteps of his brothers, Guy and Orville, for when the time came to elect a business manager of the Obelisk the Sophomores turned to Fred for their leader.

At the beginning of the Fall term, McLain was elected president of the Sophomore class, which position he has filled with competence thus far. He is an excellent student and ranks high in his classes; at the same time, he has always been interested in school activities and all things which uphold the old S. I. N. U. He has proved himself to be a faithful and tireless worker in everything he takes part in. Fred is a lively, energetic person and has made a host of friends in the S. I. N. U., besides showing his business ability.

### AND THEN I AWOKE

I heard a bell ringing and ran to the window in time to get a glimpse of the fire-engine tearing down Normal avenue. Already a crowd was running to the fire and I heard someone cry, "The Normal is on fire!" I, too, ran with the mob. Finally we were close enough to see the blaze and the smoke. The Wheeler library was on fire! Why was no one making

**Homecoming  
November 12 and 13**

Plans are well under way for the big Homecoming celebration at the Normal, November 12 and 13. There will be plenty of excitement on the campus. Old "grads" from "way back" will mingle with the cap and gown wearers of last year. The Homecoming committee has a bag of surprise features in store for all loyal S. I. N. U. sons and daughters.

The entertainment on Friday night, November 12, is staged by Strut and Fret, the dramatic club. The features of their stunt show will outclass all other shows that have ever been put on by this organization. Rehearsals are held every night to perfect the eight different acts of their vaudeville. Glorifying the S. I. N. U. girl is to be the general theme of the evening's program. Miss S. I. N. U. will be elected at the next Strut and Fret meeting and will be the center of the big spectacular tableau at the end of the program.

Fifteen of the Training School kiddies will be featured in a scene taken from "Babes in Toyland" opera.

"Then and Now" with Rip Van Winkle starring, promises to be a revelation to those who have not kept pace with the S. I. N. U. world and its changes.

There will be good dancing and chorus work; also solos by some of the best voices in Southern Illinois.

The skit, "Emotion", was written specially for this Homecoming. The setting is at Chapel hour on Tuesday on the south campus. It is full of local hits and contains some rare bits with which all alumnae are familiar.

an effort to save the building or the books? They couldn't get any water. The plug or something wouldn't work. The building would burn to the ground and not one book would be saved. I suddenly remembered that I had left my psychology in the library the seventh hour. My heart sank.

And then I woke up.

If you fell for a girl and she turned out to be a lemon, would you call that a lemon crush?

**Maroons Bow To Shurtleff on Muddy Field**

The Maroon eleven journeyed to Alton, Ill., on last Saturday and lost to the speedy Shurtleff Yellowjackets at the Western Military Academy Field. A steady downpour of rain the night previous left the field in a very muddy condition. As a result the heavy Maroon line found difficulty in securing solid footing and the Shurtleff aggregation due to their speed and shiftness outplayed the Normal team. The speedy Shurtleff back found no difficulty in avoiding the heavier Maroon tacklers on the inuddy field. Had the game been played on a dry field the score would probably have read different. The opponents' aerial attack and fakes for which they are noted were working wonderfully, chiefly through the efforts of Nicolet and Schneeman, who played a whirlwind game especially on the offense. Bundy on the Maroon left end was continually smearing Shurtleff's plays until forced out in the third quarter on account of a bad ankle. Lineup:

Shurtleff	Normal
Short	Bundy
Bahlock	Floyd
Ellison	Sisney
White	Carter
Anwatz	Williams
McCormick	Rodgers
Emerson	Allen
Nicolet	Lutz
Medler	Willis
Bryant	Foley
Schneeman	Hook

Substitutions: Shurtleff, Chapman for Bryant, Hyle for Ellison, Slaughter for White, Bryant for Chapman, Normal, Wiley for Foley, Ingram for Sisney, McCarthy for Bundy, Stanley for McCarthy, Sisney for Williams, Johnson for Sisney, Roberts for Foley.

Referee: Krause, (Washington U.)  
Umpire: Murphy, (St. Louis U.)  
Head linesman, Macwheter, (Millikin).

### First Quarter

Floyd kicks off and on the first play of the game a pass, Nicolet to Emerson, puts the ball on the Southerners' 18-yard line. Bryant gets a

**Ned Foley, Ed-  
itor of Obelisk**

The Sophomore class has chosen Ned Foley, one of our great football heroes, as the editor of its annual publication, the Obelisk.

Ned comes to us from the Carbondale Community High school and was president of the Senior class of 1924. He was also an athletic hero while in high school as well as being active in the various school activities. Ned had the leading role in the Socratic Literary society's opening play this year. When it comes to making touchdowns on the fields, Ned is right there. We feel confident that he will be just as proficient in making "touch downs" on the Obelisk, so to speak. He is full of vim, vigor and vitality; that is just what it takes to make a real editor-in-chief, too. If Foley doesn't make one of the best representatives that the school has ever had, of our annual, we have certainly missed our guess; and with a co-operative staff working with him, the Obelisk is sure to prosper this year.

### AN ORTHODOX BEGINNING

She—"I hear you are a great artist."  
He—"I hope to be. I've only just started."  
She—"What are you doing?"  
He—"Well, I'm living in a studio and growing whiskers."

**MISS S. I. N. U. FOR  
ANNUAL MARDI GRAS**

A change in the featuring of the various organizations was made this year. Instead of having several different floats, one for each different organization on the campus, this year for Carbondale's annual Mardi Gras, we will have one big and elaborate float. This float will represent each different class and each different organization of the school.

Last week at a mass meeting of all of the numerous classes, clubs, and societies, Miss Lydia Davis was selected as Miss S. I. N. U. She will be the "Queen of Knowledge," representing our Alma Mater; and seated on her magnificent throne, she will have representatives of the organizations who will pay her homage.

Miss Davis is a very attractive girl with a delightful personality which has won many friends for her in college. She had the leading role in the Zetetic Spring Play, "The Three Wise Fools", which was given in the spring of 1924. In this play she proved her excellent talent and her fame has followed her up with the climax being that she has become Miss S. I. N. U. Lydia is a good worker in the Zetetic society and this year had the leading part in the society's opening play, "Safety First." She is president of Strut and Fret and secretary of the Illini.

The entire school is looking forward to the Mardi Gras and we feel confident that our float, featuring our Alma Mater with Lydia as Queen of Knowledge, will surely win first prize!

**ILLINI NEWS**

The Illini held its regular meeting Monday night, October 25, with the president, Mildred Talbert, presiding. Roll call showed all the members present. An interesting talk was given by Miss Velma Deason. The debate, "Resolved, That the S. I. N. U. should have a larger campus," was won by the affirmative. Miss Jonah, our advisor, was with us. The following officers for the next six weeks were elected:

President—Lucinda Huck.  
Vice president—Ruth Grant.  
Secretary and Treasurer—Mildred Neville.

Usher—Mildred Talbert.  
We extend a welcome to all who are interested.

## LOOKING AHEAD

Success represents the completion of a well planned campaign. The education of the thousands of young men in American schools would be more valuable to them and to the nation if each one were studying to prepare himself for some particular line of work. Unfortunately a great many young men, even at the time of graduation have not yet decided what they are going to do to make a living.

During the past few years, industry has made great progress in the use of machinery. At the present time efforts are devoted to eliminating waste and making better use of time. Any steps tending to make more valuable the time of students should play an important part in the national efforts towards increasing individual usefulness.

Some people have the notion that it is much harder to make a big success in business today than it was years ago. They would have you believe that the human element has been almost entirely eliminated from business and that at best a man can only become a big cog in the wheel. The record of the leading young men in industry today dispels that illusion. Almost all of them start at the place where most college men will start—at the bottom.

If the business world is more crowded today than in your father's time, there is also a better spirit of co-operation there. If competition is keen, its purpose is not to destroy but to build up. The world does not work against you; it works for you. Its obstacles are for the quickening of your facilities. It's conflict is to make you strong. But it is a conflict wherein the happy warrior succeeds. Cultivate happiness and it will be for you a weapon.

### G. A. A.

Hockey? Yes. Have you seen those queer weapons the freshman girls have been carrying out-of-doors for their gym classes? Those are the hockey sticks and those freshmen girls have a hockey team. Now they are looking for a team to conquer. A number of upperclassmen in the G. A. A. have organized a practice class. Won't you come out, Miss Upperclass Girl, and join this practice? You need not be a member of G. A. A. to play, but you will be earning at the stag dinner were: "Mac", points toward an athletic letter. The only requirement is that you be a

sophomore, junior or senior girl and that you come to practice at 4:15 on Monday and Thursday afternoons. The tournament will be played before Thanksgiving.

### WILD GOOSE DINNER

Mr. Scott of the science Department entertained a few of his friends last Monday evening with a wild goose dinner. Mr. Scott was highly elated over the fact as it was probably the first wild goose that he ever killed in his life. The honored men pointed toward an athletic letter. **THE ARROW AND THE SONG**

I shot an arrow into the air,  
It fell to earth, I knew not where;  
For, so swiftly it flew, the sight  
Could not follow it in its flight.

I breathed a song into the air,  
It fell to earth, I knew not where;  
For who has sight so keen and strong,  
That it can follow the flight of song?

Long, long afterward, in an oak  
I found the arrow, still unbroke;  
And the song, from beginning to end,  
I found again in the heart of a friend.

—H. W. Longfellow.

**RANDOM SHOTS**

I shot an arrow into the air, it fell in the distance, I knew not where, till a neighbor said it killed his calf, and I had to pay him six and a half (\$6.50). I bought some poison to slay some rats, and a neighbor swore that it killed his cats; and, rather than argue across the fence, I paid him four dollars and fifty cents (\$4.50). One night I set sailing a toy balloon, and hoped it would soar till it reached the moon; but the candle fell out on a farmer's straw, and he said I must settle or go to law. And that is the way with the random shot; it never hits in the proper spot; and the joke you spring, that you think so smart, may leave a wound in some fellow's heart.

**\$150 PRIZE ESSAY CONTEST**

To the Students of Southern Illinois State Normal:

In order to stimulate interest in railway subjects among the college and university men and women of its territory, the Illinois Central System last year published in student newspapers and magazines a series of eight educational advertisements under the following headings:

- Transportation in Modern Life.
- Methods of Transportation.
- Railroads 100 Years Old.
- A Nation Built by Rail.
- The Railway Organization.
- Buyers of Railway Service.
- Servants of the Public.
- How Railroads Are Owned.

At the end of the year, this series was reprinted in a booklet entitled, "A Short Course in Railway Transportation," copies of which are available at your library.

In order to base its plans for this and future years upon a determination of the value of such advertising, the Illinois Central System is offering a cash prize of \$50 for the best essay by a student of the Southern Illinois state normal upon the subject,

"The Place of the Railroads in the Life of the American People," based upon the information provided in the series last year and upon the student's own observation of the trend of modern business. In addition, a special prize of \$100 will be awarded the author of the essay adjudged the best among those received from the forty-one colleges and universities on the Illinois Central System participating in this contest. Each essay submitted therefore will be a possible winner of \$150.

The conditions of the contest are as follows:

Subject: "The Place of the Railroads in the Life of the American People."

Length: 700 to 1,000 words.

Preparation: Typewritten, double-spaced, upon paper 8½ by 11 inches. Sign name and address at the bottom of the last page.

Submission: Mail to L. A. Downs, President Illinois Central System Chicago, Ill.

Closing date: November 30, 1936.

Competent judges will pass upon the essays, and the names of the winners will be announced shortly after the first of the year. Essays

will be judged primarily upon the thoughts developed, although neatness, clarity and brevity will carry weight. The railroad reserves the right to retain for its own use the winning essays. Others will be returned to their authors if so desired.

If further information is desired with respect to the terms of the contest, write L. A. Downs, President, Illinois Central System, Chicago, Ill.

Piano solo—Francis Boyd.

Talk—Miss Bowyer.

Trombone solo—Rolland Else.

Reading—Rena Hill.

Stunt—Group.

The hall was decorated in Hallowe'en colors and the whole evening had a Hallowe'en air to it. A good time was shown everyone.

Come on Socrats! Let's keep going!

Miss Mary Lingle, who is teaching second grade in West Frankfort schools, came all the way to Carbonale to see the Zetetic play, "Safety First," last Friday night.

### THE INQUIRING REPORTER

Question: What about S. I. N. U. has impressed you most? Whom asked: Freshmen.

Doris Reiman: At first the chapel period impressed me most on account of the way the devotional exercises were conducted. I had always wondered how chapel was conducted.

Harlowe Arras: The friendly atmosphere of the school impressed me. I think the students are easy to get acquainted with.

Bessie Curtis: The good-looking boys—I guess, that's all I can remember.

Helen Etherton: The district cut-ups.

Kathleen Hinchliff: I noticed the friendly attitude of students and teachers and the Southern atmosphere of the school.

### ZETETIC SOCIETY

Last Friday evening the Zetetic Society put on another interesting program. The preceding Friday, "Safety First" made a big hit. The program was:

1. Orchestra.
2. Piano solo—Florence High.
3. Humorous Reading — Bessie Curtis.
4. Book Review—Bert Casper.
5. Violin Solo—Myrtle Lingle.
6. Vocal solo—Alyce Ingram.

### 7. Surprise.

Last Wednesday at a call meeting the officers for the next six weeks were elected. They were:

President—Bessie Smith.

Vice-President—Corem Waller.

Cor. Secretary—Kate Brewer.

Editor—Bessie Curtis.

Chorister—Martha Brown.

Librarian—Mary Tedrow.

Usher—Lemen Wells.

### MISS BOWYER LOSES

#### GOLD TOOTH

Miss Bowyer is mourning over the loss of her one and only gold tooth was Tuesday at Chapel period.

which was stolen while she was on her trip to Jerseyville doing institute work. It was her most expensive tooth and she is offering a reward to anyone who can locate the thief. It had just been recently made by one of the dentists downtown and was left lying on his table. In the night someone entered the office and stole the tooth, along with other valuables. A new tooth is being made, however, and Miss Bowyer hopes to be able to smile again without exposing a vacant place in her mouth.

**Y. W. C. A.**

Our meetings are full of pep and enthusiasm. We are learning new songs and at last getting the old Y spirit.

Mr. Lentz visited the girls Tuesday evening. He took his subject for the evening from the book "This Freedom." Mr. Lentz is always a friend to the Y. W. and his audience was a very appreciative one.

Lucille Throop gave a humorous reading.

We are beginning a Bible course which is to be full of interest.

There are many students who attended college here in the past who were members of the organization and have not yet affiliated with us. We welcome both old and new members.

Our meetings are held regularly Tuesday evenings at 8:30 in the Zetic hall.

**FACULTY NEWS**

R. E. Muckelroy was at Nashville last Wednesday.

F. H. Colyer lectured at the Vienna Institute last Wednesday and Thursday.

Last Thursday R. E. Muckelroy was at Chester. From there, on Friday, he went to Waterloo.

Geo. D. Wham lectured at the Vienna Institute last Thursday and Friday.

He: Are you a flying dove or a settling lark?

She: I am a flying dove (meaning I am single).

She: Hands off and tongue at liberty. A young lady telling a young man to stop trying to caress her.

Scarcely stand back and let plentiful take your place. A young man taking his sweetheart from another man.

Wee wonder how much salary Gail Beasley draws as assistant matron of Anthony Hall?

New Anthony Hall girls wonder if it is possible to get dates that are not the old girl's spoken for men.

Wee wonder if Mary Tedrow has adopted the basketball manager.

Jessie Hays says he wonders some times how it is that some folks are so dense, they can learn to speak good English but can't learn to speak good sense.

**WINTER'S COMING**

The autumn leaves go swirling past,  
And winter's coming all too fast;  
The fragrant flowers, the scented hay,  
Alas, alas, have had their day,  
The autumn tints now hold full sway.

**SIN COUNTED OUT**

This story is related by a person connected with the White House:

One Sunday after the president had returned from church, where he had gone alone, Mrs. Coolidge inquired:

"Was the sermon good?"

"Yes," he answered.

"What was it about?"

"Sin."

"What did the minister say?"

"He was against it."

The ancient feud with Cape will be resumed Friday when the Maroons meet Cape's Indians on the Normal field at 2:30 p. m. This will undoubtedly be one of the best games of the season and everyone is requested to be present to see us get Cape's Goat.

**STUDENT COUNCIL HOLDS FIRST MEETING**

Last Tuesday the student council held its first meeting this year. The point system of grading was discussed. The council favored the Univer-

sity of Illinois system, and voted to recommend its adoption. The matter is to be presented to the classes and the faculty for final vote.

At present there are four systems in use:

1. The 100 point (percentile) system.
2. The 9 point system: A; A-; B; B-; C; C-; D; E; F.
3. The 5 point system: A; B; C; D; E; F.
4. The 4 point system: A; B; C; D.

The University of Chicago system is as follows:

- A. Excellent—6 points.
- B. Good—4 points.
- C. Fair—2 points.
- D. Poor (low pass)—0 points.
- F. Failure—2 points.

To compute the average grade, the points are added and the sum is divided by the number of subjects:

The University of Illinois system is:

- A. Excellent—5 points.
- B. Good—4 points.
- C. Fair—3 points.
- D. Poor—1 point.
- E. Failure—0 point.

Be thinking so that you can cast an intelligent vote.

She: "No! I can't give you another dance. But I'll introduce you to the prettiest girl in the room!"

He: "But I don't want to dance with the prettiest girl in the room. I want to dance with you!"
