HER MAJESTY Miss Audrey Mayer, 1952 Homecoming Queen, as she stepped down from the Queen's throne following the coronation ceremony last Thursday night. She is accompanied by Joe Husak, captain of the football team, who presented her with the crown and the royal scepter.

Dance Climaxes 1952 Homecoming

A final climax of the 1952 Homecoming festivities was reached last Saturday evening when Ralph Astor and his orchestra played before a capacity crowd in the main gymnasium for the Homecoming dance. Prior to the dance, he had presided over a concert in Slavick auditorium.

Homecoming festivities started off with a bang at the Coronation of the 1952 Homecoming queen last Thursday evening. Miss Audrey Mayer, St. Louis senior, was crowned queen of all 1952 Homecoming activities. Approximately 750 people attended the coronation.

Members of the queen's court were: Mitzl Cagle, Eldorado junior; Nancy Rains, West Franklin junior; Pat Naege, Madison junior, and Helen Nance, Carbondale senior.

Attendants to the queen were Diane Rasmussen, St. Louis freshman; and Pat Miller, Nashville freshman.

Immediately following the coronation a kickoff dance was held in the main gymnasium until 10:30 p. m. Tommy Lawson's band played for both the dance and the coronation.

Only a small group of students attended the pep rally on Friday evening. A parade starting at Kroger's parking lot and ending at the football field was held for the football team, the Queen, members of the Queen's court, and the freshmen class.

The traditional bonfire was held at the football field following the pep rally this year because it was possible fire hazards. Southern's cheerleaders and pep band led the pep rally prior to the announcement of the winners of the Most Typical Freshman Boy and Girl contest by President Morris. They were Marilyn Liebzig, Delta Sigma Epsilon pledge from Belleville, and Ed Johnson, Sigma Pi pledge from Pannasauk.

At 8 p. m. Ernie, approximately 1000 people attended the Homecoming play presented by the Little Theatre group, Phyllis Owen, Dave Alverson, Darwin Payne, and a Carol Kojan, starred in the three-act production of "Fing Lads."

Fifteen bands and thirteen orchestral floats took part in the Homecoming parade Saturday morning. The parade was led by the Queen's float. Chi Delta Chi fraternity was in the Class A division for floats with their "Streeter Named Destin" float. Gamma Delta, a Lutheran student organization, won first in the Class event.

During the half-time of the football game Saturday afternoon, which saw Southern go down in defeat before the Washington University Bears, 19-14, presentation given in honor of the Queen.

Turn to page two, please.

Liebig, Johnson Chosen Typical Frosh Students

Announcement of the typical freshmen boy and girl of the class of 1956 was made Friday evening at the annual Homecoming bonfire by President Morris. Freshmen winners were Marilyn Liebzig, Belleville, and Ed Johnson, Pannasauk.

Marilyn Liebzig, a graduate of Belleville high school, was 1951 Homecoming Queen there last year. She was also a member of the Little Theater group, National Honor Society and yearbook staff while in high school. Marilyn is a Delta Sigma Epsilon pledge, is majoring in elementary education and minor in English in the College of Education.

Ed Johnson, Pannasauk, Pa., played football for four years in the Marine Corps. Ed is a Sigma Pi pledge, is majoring in physical education and minor in mathematics in the College of Education.

President Morris gave the Ephraim Oath to Marilyn and Ed who represent all representatives for the class of 1956. Part of the usual ceremony, the bottle and torch light parade, was excluded from this year's program because of the fire hazard.

Music was provided by Bud Randolph and his pep band, and the cheerleaders led a pep rally.

The purpose of the program is to acquaint the parents with SIU.

Registration for the day's events will be held in the gymnasium from 10 a. m. until 1 p. m. Following registration, fifteen minutes of University school will be conducted by the Future Teachers of America in observation of National Education Week.

Parents Day Scheduled For November 15

Parents of each SIU student are invited to attend the annual Parents Day on Southern's campus Saturday, Nov. 15, according to Louis Hoover, Parents' Day chairman.

The purpose of the program is to acquaint the parents with SIU.

Registration for the day's events will be held in the gymnasium from 10 a. m. until 1 p. m. Following registration, fifteen minutes of University school will be conducted by the Future Teachers of America in observation of National Education Week.

Parents will be taken on a series of tours of the Six campus. These tours sponsored by the Alpha Phi Omega and Girls' Rally, will be held between the hours of 10 a. m. and 12:30 p. m.

A spaghetti luncheon will be served buffet style in the men's gymnasium from 11:30 a. m. to 1 p. m. The cost of the luncheon will be 50 cents per person. The luncheon and entertainment will be possible fire hazards. Southern's cheerleaders and pep band led the pep rally prior to the announcement of the winners of the Most Typical Freshman Boy and Girl contest by President Morris. They were Marilyn Liebzig, Delta Sigma Epsilon pledge from Belleville, and Ed Johnson, Sigma Pi pledge from Pannasauk.

Chi Delts Win In Class A Float Competition

During the half-time at the Homecoming football game Homecoming Queen, Audrey Mayer, presented the awards to representatives of organizations having the outstanding floats in the Homecoming parade. The first place award for class A division went to Chi Delta Chi fraternity. Their float was a motor and white paper napkins strung complete with bell and cowcatcher, the slogan of which read "Southern Desires Victory."

Second place in class A was awarded to the Industrial Education float which consisted of a helicopter and a blimp.

The award for the winning stunt was a plaque.

Chairman of the Homecoming parade committee was Richard Coleman with Carolyn Bernhard as his vice-chairman.

The St. Louis marching band, followed by the Queen's float heralded the beginning of the parade. Fifteen bands, 13 organizational floats, and three civic floats participated in the parade which proceeded from the main gymnasium to the High School at 11:30 a. m. east on Main and south down Illinois diagonally in front of the main gate of the university at 12:15 p. m.

Office of the Registrar Releases Schedule for Fall Final Exams

Following is the examination schedule for the fall quarter which ends Nov. 26 as was released by the Office of the Registrar.

Thursday, Nov. 20	English 101 - 4:00 p. m.				
Friday, Nov. 21	8 o'clock classes - 8:00	Sociology 101 - 11:00	12 o'clock classes - 1:30		
Saturday, Nov. 22	9 o'clock classes - 9:00	Government 101, 231 - 11:00	1 o'clock classes - 1:30	P. E. Women, R.O.T.C. - 4:00	
Sunday, Nov. 23	10 o'clock classes - 8:00	History 101, 201 - 11:00	2 o'clock classes - 1:30	Mathematics 106 and Physics 106 - 11:30	3 o'clock classes - 1:30

ALL EXAMINATIONS will begin at the hours scheduled above and will run for two clock hours except for classes that meet only one or two hours a week. Examinations for those that will begin at the end of the two-hour examinations and will run for one clock hour. This arrangement is necessary to avoid three, two, and one-hour classes that meet at the same period.

Four o'clock classes may be arranged by the instructors at one of the regular periods.

Examinations in evening classes will be held at the last meeting of the class in the examination week.

Homecoming Committee To Be Dinner Guests

Members of the 1952 Homecoming steering committee have been invited to a dinner at the home of Mrs. James Black, 1201 Hill Street, Thursday, Nov. 6, at 6:30 p. m.

Dr. Black served as fiscal sponsor of the Homecoming festivities which concluded with the dance featuring Ralph Marterie Saturday night.

SIU Students To Nominate New AF ROTC Queen Today

Queen candidates for the second annual Military Ball will be nominated by all SIU students today and tomorrow in the crosshairs of Old Main, Gene Graves, publicity chairman, has announced. The Military Ball will be held Dec. 5 at the Carbondale Armory, and will feature the dance music of Johnny Palmer and his orchestra.

Johnny Palmer's orchestra was rated third nationally by the musician's magazine "Downbeat." Palmer has recently appeared at the Argon Ball Room in Chicago, the Chase Hotel in St. Louis, and the Roosevelt Hotel in New Orleans.

Any girl who does not have senior standing may be nominated today as AF ROTC Queen. Seniors are barred as the new Queen must also reign over ROTC activities during the following year. The 10 top girls nominated will be reviewed by the Arnold Air Force Society, an organization of the ROTC, and five girls will be chosen by the Society. From these five finalists the Queen will be selected by the vote of all AF ROTC men. The remaining four girls will be alternates to the Queen.

When the new Queen mounts the throne the night of the dance, Jo Rustler, the first and present Military Ball Queen, will retire. Jo, with the rank of Honorary Colonel of Cadets, reigned over ROTC activities since she was crowned last March. Jo's duties include the all-cadet review held on Wednesday afternoon, and presiding at all AF ROTC events.

This year's Queen will be crowned at 11:15 the night of the dance from the stage of the ROTC building, which will be presided over by her alternates, and presiding at all AF ROTC events.

Delta Sig, Theta Xi Win First In Decorations

Announcement of winners in the 1952 Homecoming house decorations competition was made at the half-time ceremonies of the football game Saturday afternoon. Prizes were awarded to Theta Xi fraternity, Delta Sigma Epsilon sorority, Sigma Pi fraternity, La Casa, the Student Club, Christian Foundation, and Raedle's Club.

Judging was done both Friday afternoon and Friday night.

First place in Class A, men's division, was awarded Theta Xi fraternity. The Theta Xi's turned their front yard into a factory for the weekend, their theme being "Homecoming Production." The main item seen was a machine with wheels that turned and various colored lights that flashed. With the ingredients of "trimming-painting," they manufactured a Southern football player, Ralph Marterie and his trumpet, and queen Audrey Mayer.

Delta Sigma Epsilon won the second division for its depiction of King Tut wrapping up Washington's Bears. King Tut, at his throne before a pyramid, while the Washington bear lay on the ground wrapped like a mummy.

Second place in Class A division was awarded to Sigma Pi fraternity. While "spectators" painted on cardboard watched, the Saluki, mounted on the back of a donkey and an elephant, was shooting at the Washington bear who was running toward the goal. As the Saluki's aim moved up and down, sound effects were used to give the impression that the gun was actually firing. The slogan read, "We shoot to win in November."

First place in the women's division, Class B, was taken by La Casa Manana. Their decorations showed a Washington University football player running toward the goal with the Washington bear in his hands eaten off by a Saluki. Above this was written, "Salukis reveals the bear's fate, we'll get 'em in the end."

First place in the Class B division was taken by the student chapter Southern crowd and the Washington spectators, the bears sat on an ice cube while the Saluki ran between the goal posts. To sign the bears were holding, "Our Tail's Told."

Bandle's Ranch took second place in this division. Their decorations were built around a riverboat race between the "Southern Queens" and "roboots." The "Southern Queen" was a large white riverboat piloted by a Saluki, and it was racing a riverboat carrying a bear. The slogan read, "We can't bear to lose this race."

Deans Urge All To Register Now

Students who have not registered for the winter quarter should do so as soon as possible, according to a release from the chief academic adviser. Those students who are planning on taking 200, 300, and 400 level courses should register immediately.

Since a certain minimum number of students is required before a course can be offered, see for 100 and 200 level courses, six for 300 level courses, and four for graduate courses, many classes on the 200, 300, and 400 level, are being closed for lack of registrants.

Due to the large freshman class this year, department chairmen are closing some of the 300 and 400 level courses so that they might use the instructors for the freshmen and sophomore classes.

Students in the College of Vocations and Professions are urged to see their advisor within the next few days and register for the winter quarter.

Photo Exhibit Opened Monday

A photographic exhibit, "Venice," is being shown in the Allyn building beginning yesterday and lasting until Nov. 22. This display is being held in conjunction with the Leonardo da Vinci festival at Southern and is being sponsored by the SIU museum.

Editors of Life magazine prepared this exhibit from an earlier Life exhibit, "Renaissance Venice." Other Life photographic exhibits to be shown this year are "Age of Exploration," Dec. 1 through Dec. 27; "Ancient Maya," Jan. 5 through Jan. 23; "The Navajos," Feb. 16 through March 6; and "Egypt," March 9 through March 28.

Missiary To Visit SCF

Miss Mary Stacey, missionary just recently returned from Japan, will speak at chapel services at the Student Christian Foundation on Nov. 5 and 6. All students and faculty members may attend. She is Traveling Secretary for the Personnel Department of the Board of Missions of the Methodist Church.

In Japan, Miss Stacey served as a teacher of English and in the capacities of International Education Director. During World War II when missionaries were withdrawn from Japan, she worked among the Japanese people in Greerle, Colorado.

She has had wide experience in America and in Japan in educational and religious work. Students who are interested in church-related vocations should contact Miss Stacey while she is on the SIU campus.

Wednesday evening she will speak to Kappa Phi, Methodist Girls' Sorority, followed by an informal tea at the Student Christian Foundation.

Arrangements for personal interviews may be made by calling the Student Christian Foundation, phone 418-1.

It Soon Will Happen . . .

Tuesday, Nov. 4—Commerce club meeting, 7:30 p. m., barracks G-6.

Orchestra practice, 6:45 to 9:15 p. m., auditorium.

Wednesday, Nov. 5—Singing and Living Club square dance, 7:30 to 9:30 p. m., Little Theatre.

Newman club religious talk and meeting, 7 p. m., 405 West Walnut.

Commerce Club party, 7:30 to 10 p. m., Lutheran Church.

Thursday, Nov. 6—Piano concert, 8 p. m., auditorium.

Women's house council meeting, 4 p. m., Student Center.

Friday, Nov. 7—Football game, 8 p. m., here.

Pi Kappa Sigma dance, 10 to 11:30 p. m., Little Theatre.

Saturday, Nov. 8—Faculty group's faculty dance, 8:30 to 11:30 p. m., Little Theatre.

Women's gym and badminton, 7:30 to 9 p. m., Little Theatre.

Mondy, Nov. 10—Southern Illinois Home Advisors meeting, 11 a. m. to 4 p. m., Little Theatre.

Choral group Messiah rehearsal, 7:15 p. m., Little Theatre.

DARWIN PAYNE as Supreme Court Justice HAYNE and CAROL JUSTICE HAYNE as the first and second weeks of November, according to Charles Neal, director of theater training.

Our Opinions

It's All Over Now

Homecoming has come and gone. With a little sadness we watched it go—all the work, planning, trouble that went into the event dispersed in one day's time. In the glow of pride that follows Homecoming we sometimes forget the behind the scenes workers that make the Homecoming a successful event. The committee, the dance decorations committee, queen's committee, pep committee, parade, alumni, radio, publicity, concessions, house decorations, program, campus decorations, and any other we may have forgotten.

This year, for the first time since the Diamond Jubilee in 1945 the Queen was crowned early enough to reap over all the various activities instead of being crowned at the end of them: We kind of like that idea—that's what the Queen is for, so to speak. The "robes" and "rule-over" Homecoming: Maybe it could be continued since, we think, it was a success this year.

Jim Schmulbach guided the Homecoming team, and he and his staff should receive a pat on the back for their efforts. They gave us a well organized, well planned program that was carried smoothly to its conclusion Saturday night.

Since we are tossing bouquets, we may as well hand one to the students of Southern for their spirit and enthusiasm; the committees in charge appreciated it and so did we. It is always a stirring sight to see students contributing wholeheartedly to any event, and especially to Homecoming.

So to all you, those who planned and prepared the Homecoming and those who attended—thanks for the memories.

B. Y.

Fire Hits Home

Fire! Yes, it's all around us with many of Southern Illinois' forests disappearing into smoke. The fire is even nearer to us than these forest fires—last weekend-end between Friday and Tuesday morning the Carbondale fire department had 36 calls.

And fire could be even closer if it were to strike places on campus or rooming houses where most of us stay. The Carbondale fire department has issued a special bulletin to us here at Southern.

The notice reads: "The hazards in our rooming houses in Carbondale are particularly great just now, when we consider the great number of students who smoke and the fact that many of our houses have old electrical wiring with much of it over-loaded. All rooming houses should be inspected by the city fire department for fire hazards. This inspection may be had upon request and is a must for all student houses who if it were to remain on the approved list."

The notice also included hints on what a person who discovers a fire should do and on what all student should know for their own protection. The person discovering the fire should: (1) Immediately call the Carbondale fire department, phone 100. (2) Immediately notify all persons in the house. (3) Begin early evacuation of the premises. (4) Use measures to extinguish the fire. (5) Close all open windows if possible.

All students should know the following things according to the bulletin: (1) When asked to use in case of a fire. (2) To do so if no fire escapes are available and the ordinary exits are blocked. (3) That mattresses thrown on the ground provide good landing mats. (4) That improvised exits may be made by knotting sheets together.

It may help the fire hazard situation if we would all think over these hints carefully—a little thought now may prevent great damage in the future.

B. V. B.

This Is It

This is a red letter day for every student with 21 or more years behind him—yes, it's finally here—the day that will determine who will be leading our country for the next four years.

We have stressed the fact that every eligible student should make a definite effort to vote—even if a class must be cut. Most in students won't grudge a student a cut from class if he uses the hour to vote in—at least we hope they won't.

If at all possible, students should arrange to vote so that they won't conflict with their school schedules. But no matter what

AFROC

VAPOR TRAILS

ALL THE NOISE, banging, rattling, rattling in preparation for Homecoming was not confined to the organization houses around here. The building which houses the AFROC vehicles became the factor for the Arnold Air Force Base, the Carbondale Homecoming Parade.

The proud builders who were worked late at night during the past week were G. Hixson (designer of the float), J. Keller, L. Finley, R. McMurtree, J. Scoggins, R. Rogers, R. Walker, L. Davis, E. Funder, C. Hoppey, R. Miller, W. Nix, and J. West.

The float was a very impressive one, with its large "Air Force" stylings and flowing streamers. Many a favorable comment was heard among the crowd which witnessed the parade.

The first promotions of the ROTC school year were published this week. The first of the promotion board effective Oct. 27, and listed 131 cadets with temporary grades ranging from Master Sergeant to Corporal.

The board was presided by academic standing and drill ability according to information received from the cadet records section.

Top promotions were as follows: Cadet Master Sergeant—Earl Edwards; Cadet Technical Sergeant—W. D. Graham, Louis Hooper, William Phelps, E. G. Gum, and Carl House; Cadet Staff Sergeant—Richard Brewer, William Farrar, Robert Doanand, Charles Pisoni, C. Taylor, Paul Randolph, Herbert H. Chapman, Richard Gyan, G. K. Kurtz, W. O. Stieglitz, and Dave

Ballou. The Private First Class expected this coming week. Men expected promotion, should watch the bulletin board for the list.

ONE OF THE four men that was selected to attend Air Force Live Power demonstration at Eglin Field, Florida was William Ballou. The men were selected for the demonstration on the basis of their overall work at last summer's training camp.

Ballou, who is majoring in chemistry here at Southern Illinois University, has his sights on being a doctor. He first enrolled at Southern in the fall of 1951, and expects to graduate with a B. S. in 1954.

Before entering school here, Ballou attended the University of Illinois for two years, and served his basic training in R.O.T.C. at that school. On the campus at Illinois, he belonged to the Sigma Xi social fraternity, the German club, and Illinois-Liners, which is a model airplane club sponsored by the Air Force R.O.T.C. Ballou served as vice-president for the Illinois-Liners and was contest director for the club.

During the high school career, he received three varsity sports letters, all of them coming in football. Various awards include the Thompson Award for drama, Batch Lomb science award, National Honor Society, and thirteen awards in the Illinois Academy of Science.

Ballou is a qualified laboratory technician and has his own chemistry and physics laboratory in his

we do think all eligible students should vote. It seems to us that voting is one of our foremost rights, and we must use that right in order to protect it.

We, the youth of the country voting for the first time as many of us will be doing today, may sway the election. So, again we say—get out and cast that vote, be it for Stevenson or Eisenhower!

University Files Request for New Operating Budget

Southern Illinois University has filed with the State Director of Finance a request for an operating budget of \$4,647,700 for the biennium beginning July 1, 1953 following approval by Southern's Board of Trustees.

Commenting on the amount of \$36,358,423 asked by Southern for capital improvements, President D. W. Morris said:

"This figure represents our needs; the legislature will decide what we can have. In campus development, Southern was neglected and literally is need still for more than 20 years. Today we are trying to carry on an educational program in cramped and outdated quarters and with many facilities which do not compare with those in other state schools in Illinois."

The capital improvements request includes a new library, \$2,350,000; agriculture building, \$2,600,000; men's dormitory, \$2,000,000; an educational television station, \$500,000; and general campus betterment, \$1,136,800. Because of health and safety factors, the latter item is considered a critical need because of the condition of some of the older permanent buildings as well as the many classrooms in temporary buildings. Southern's only dormitory, Anthony Hall, was built in 1913, and new dormitory for women is under construction.

Major items of importance in the operating budget are instruction and research.

For instruction, an increase of \$2,874,085 is requested.

President Morris said the increase of \$825,519 asked for research reflects the needs of a program which has developed steadily since Southern was granted full university status in 1947—and which is in line with the University's efforts to meet growing demands in the field of area services.

Ag. Department Has Supper for Freshmen

The agriculture department had a chili supper last Tuesday for agriculture freshmen in the Ag. quonset hut.

Following several mixers and a "business mixer" program, Dr. Kepper, head of the agriculture department, briefed the group on plans for the future expansion of the agricultural development at SIU.

Representatives of the Food Processors' Tractor and Implement Corporation showed a film "Waves of Green" dedicated to the development of Land Grant Colleges throughout the United States. Other films were "Cow-Cow Boogie" and one of a wild west rodeo.

Seniors To Meet Here Tomorrow To Register For Job Positions

There will be a meeting in Shryock auditorium for all December and March graduates, Wednesday, Nov. 5, at the following hours: 9 a. m. to 1 p. m., and 3 p. m. Students are asked to come in case of the meeting in order to register with the Placement Service.

W. C. Boatright, representative from Swift and Co. will be on campus Dec. 4 to interview men interested in entering the sales training program with Swift. Anyone interested in having an interview with Boatright should contact the Placement Service by Nov. 21.

Several vacancies are now open for various jobs at the Placement Service. Among these jobs open are as follows: (1) Salesman for American National Insurance Co. to work in Southern Illinois. (2) Home Economics teacher, open in January, 1953, salary \$2,800. (3) Home economics teacher wanted now at Dahlgren, Ill., with a salary of \$2,500. (4) High school mathematics teacher to assist with coaching sophomore football and basketball, Aurora, Ill., salary \$2,000. (5) High school physics education and general science teacher, Open now at Alton, Ill.

High school mathematics teacher, open now at Alton, Ill.

Aviator To Explain Cadet Program Here

U. S. Air Force aviator, Lt. Commander B. J. A. Renard, will be a special attraction here tomorrow when he will explain the National Aviator Cadet program to prospective applicants.

Renard, a naval aviator who recently returned from a tour of duty aboard the US Bomber Reconnaissance and Korea, will visit Southern Illinois University Wednesday and Thursday to explain the National Aviator Cadet program to prospective applicants.

Besides showing several color slides he took in Korea, LCDR Renard will bring a film showing high training at Pensacola, Florida, the Navy's "Annapolis of the Air."

Previously restricted to the number of applicants that can be processed at the Naval Air Station, St. Louis, for transfer to training at Pensacola, is now unlimited. Single men between the ages of 18 and 27 who are unmarried and who have completed at least two years of college are eligible to take the required mental and physical examinations. LCDR Renard will be in the Student Center Wednesday and Thursday, Nov. 5 and 6 from 9 a. m. until 4 p. m. for interviews.

Southern Forms New Consultant Service

Newly formed at Southern Illinois University is a consultant service for public school faculty and student groups who want help in planning career conferences and other programs, in finding special materials or speakers, and in evaluating the effectiveness of programs.

Three members of Southern's department of guidance and special education and three members of the office of student affairs comprise the consultant team established as the National Career Guidance Program assistance made last year by the school administrators, guidance worker, and students in Southern Illinois schools.

Newman Club To Meet

The Newman Club will have a meeting in the parish home at 405 W. Walnut St. at 7 p. m. Wednesday, Nov. 5. The group will hear a talk on "Catholic Literature" by Rev. Bernard P. Mooney, M. A., M. S.

Following the talk, there will be a short business meeting to finish plans for the Communion breakfast in honor of Bishop Albert R. Zurawski.

The picture for the Obelisk will be taken after the meeting.

Bischof Speaks At Sunday Soiree

"Students who frequently complain of headaches before exams, according to Adler's theory, may be using an excuse mechanism," Dr. J. Bischof of the Guidance and Special Education department, stated in his talk at last week's Sunday Soiree program.

Dr. Bischof went on to relate the story about a particular university which has a "sore eye specialist." This is a train that takes those students home at the end of every semester who have failed. It seems that the excuse given by most of them are headaches or bad eyes, hence, they cannot study.

Bischof's talk included a discussion of personality and why people react they do to certain situations. Some men, he stated, think that personality is determined by body type. They do, they think for people who are lumpy and thin people on the gloomy side.

Bischof gave two sides of the Freudian theory, first telling what Freud thinks are our motivating drives, and then going into the other side of the picture and explaining Karen Horney's rebuttal to Freud's theory.

Adler's ideas of why people get ulcers and have up-set stomachs were also presented by Bischof.

Sphinx Club Sponsors Reception for Alums

For the first time this year, Southern's Sphinx Club held a reception for Sphinx club members of past years as a special event during the Homecoming celebration. The reception was held after the game Saturday with approximately 20 alums attending.

The Queen and her court were presented at the dance Saturday night along with retiring queen, Pat Taylor, and three other past queens. Jim Schmulbach, overall chairman of Homecoming activities, presented the Queen with a gift from the student body.

Approximately 12 scheduled alumni meetings for various organizations were held on Saturday. This year the Missouri Alumni Chapter attended the Saturday activities in an alum group. This is the first time an alum chapter has attended any Homecoming in a body.

Homecoming Chairman Jim Schmulbach was assisted by his co-chairman, Gene Graves and William Beadle. Bob Etheridge, assistant dean of men, was the overall faculty sponsor of Homecoming, and Dr. Amos Black was fiscal sponsor.

World News in Brief

NATIONAL

The prison strike at Chester finally ended at 10:30 a. m. last Friday after five days of rioting. The firing of two shots and a large group of police carrying riot guns brought an abrupt end to the strike.

Gov. Stevenson took time out from his political campaign to come to Alton prison to direct the rescue of the seven prison guards. The police were not allowed to use tear gas. The show of force was enough and the guards were released unhurt, but hungry and weary.

Flames were still whirling over more than a million acres of wooded land in a section of eastern and southeastern states. Damage to the rich timberland is zooming into the millions of dollars.

A large fire was burning out of control in timberlands of the Shawnee National Forest about 15 miles southwest of Memphis near the Mississippi river. An estimated 5,000 acres of wooded border land in the Fountain Bluff area southwest of Memphis was on fire.

A haze of smoke hangs over some areas limiting visibility to four miles.

The National Safety council reported the traffic death toll for September was five per cent lower than that in Sept. 1951, but added the change is not a "significant improvement." Normal summer weekends account for more than 300 traffic deaths, the council said. The five per cent improvement in the September record represents a reduction of 180 deaths, which the council believes would have been more than offset by the additional week-end.

Opportunities in Optometry

Optimetry is a profession offering special advantages to ambitious young men and women. Its scope is constantly expanding. Eighty per cent of the nation's millionaires depend upon the Doctor of Optometry and his professional skill in conserving vision. There is a shortage of optometrists in every State.

Detail of Optometry possesses the elements of being a professional man, it offers an advance in the social and well-being of his community. Subsequent to the beginning of his education, he is a dispenser of knowledge and a source of inspiration to his patients.

Dr. S. D. Spangenberg of DePaul and Selma, Illinois, writes: "I have known many of the same kind of optometrists in my life."

The Doctor of Optometry Degree can be earned in three different ways by a student having high or more superior grades in college. The degree can be earned by the student who is admitted at mid-year by the Chicago College of Optometry.

Chicago College of Optometry is centrally located in the heart of the world's greatest city in conducting its hearing tests. It is nationally recognized and is fully equipped. Clinical facilities are of the highest order.

1952 Homecoming Memoirs

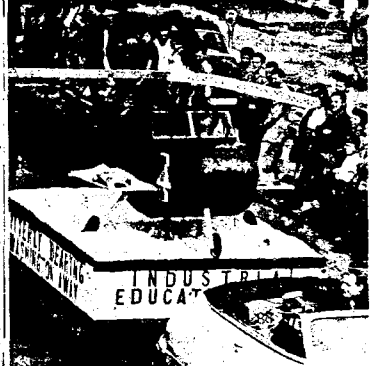

HER MAJESTY and her court at the coronation ceremonies Thursday night. Joe Huske, football captain, crowned Audrey Mayer as the 1952 Homecoming queen. From left are: Helen Nance, Nancy Rains, Joe Huske, Her Majesty Miss Mayer, Mary Ann Cagle, and Pat Neaga. The queen's attendants (not shown in the pictures) were Pat Milles and Dixie Rast.

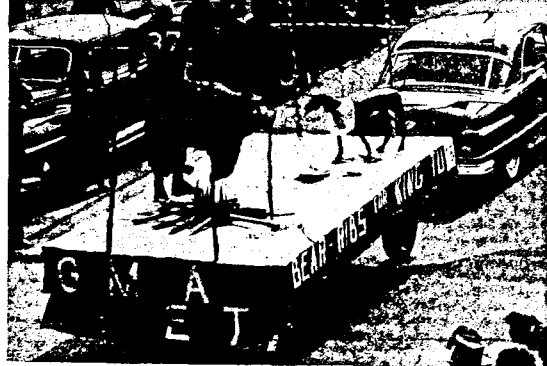

LEADING the parade was the 1952 Homecoming Queen's float. Queen Audrey Mayer rode on the float on her throne and was accompanied by members of the Queen's court and her two attendants. Members of the Alpha Phi Omega and Girls' Rally made the float.

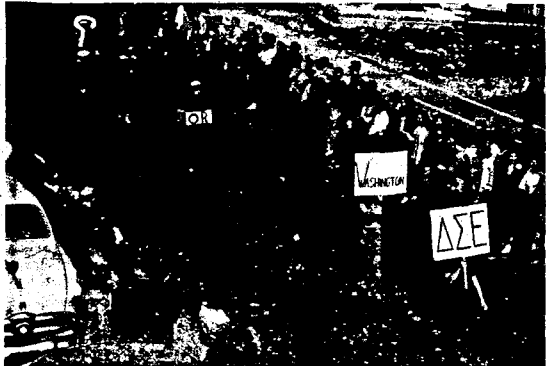

WINNING float in the parade was Chi Delta Chi's "Streetcar Named Desire." The float won the first place trophy in class A of the float contest. Slogan for the float was "Southern Delights Victory."

SECOND place winner in the class A division of the float contest was the Industrial Education club's contribution to the parade. The slogan was "Littery Bearing Washington Away."

GAMMA DELTA, Lutheran student organization, won first place in class B with the above float. Slogan for the float was "Bear Ribs for King Tut."

WINNING stunt in the parade was the above contribution by Delta Sigma Epsilon. Award winning stunt was "Washington Bear or Bare?" The slogan for the float was "Washing-ton Bear or Bare?"

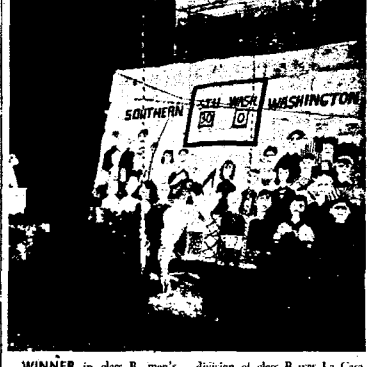

HOUSE Decorations winner in class A of the men's division was the Theta Xi fraternity with the above presentation. Title for the decorations was "Homecoming Productions."

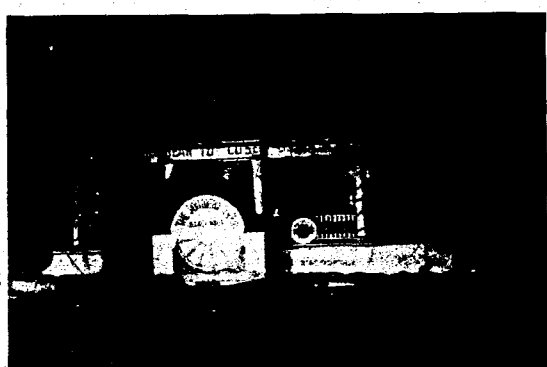

"KING TUT Wraps 'Em Up" was the slogan for the winning house decorations in class A of the women's division. The winning organization was Delta Sigma Epsilon.

POLITICS and school spirit were combined in Sigma Pi fraternity's house decorations which took second place in class A. The slogan was "We all shoot to win in November."

WINNER in class B, men's division of the house decorations was the Student Christian Foundation. Winner in the women's division of class B was La Casa Atanara, of which no picture was available.

RANDLE'S Ranch used their house to advantage for their decorations which took second place in class B. The slogan was "We can't bear to lose this race."

Washington U. Bears Squeeze By SIU 19-14

By DON DUFFY

A blocked Saluki punt and fumble on a Southern kick-off turned set up two Washington University touchdowns and gave the Bears a 19-14 Homecoming spoiling victory at McAndrew stadium Saturday afternoon. The victory leveled the Bears to the 500 mark with three wins and three losses. Southern now has won two and lost four.

Southern took an early first quarter lead when fullback Bob Ems, playing his last game, scored on a 77 yard run. The Salukis gained possession of the ball on their

own 36 when Jack Schneider recovered a fumble by Bear fullback Jim Kennedy. After Saluki quarterback Joe Huske was damaged for a score stood 19-14 at the end of the fifteen yard line on a pass attempt. Ems' exploded through the Washington line, squirmed his way past the secondary, and outdistanced two Bears in the race for the goal line. Ems converted to give his team a 7-0 lead.

Washington took the kick-off on its own 39. Successive passes from Jack Utz to Bob Maune and Brad Stevens, ends, moved the ball to the Southern 4 with first and goal to go. Bob Lasley carried on the next play. He advanced a yard before being whalloped by line backer Bill Spratt. Lasley not only lost his footing, but lost the ball as well. Frank Morgan of Southern recovered to break up the first Bear threat.

Early in the second quarter the Bears put on a march which carried to the Saluki 11 yard line. But the Saluki linemen filled the gaps again and the Bears were stopped about a yard short of a first on the Saluki 20 yard marker.

BEARS SCORE
Midway in the period the roof fell in on the Salukis as Washington scored two quick touchdowns. Gene Haile tried to punt out for the Southern, but a fast changing Bear line blocked the kick on the SIU 25.

Jack Utz, one of three playing sons of Coach Iv. Utz, passed to Bob Maune who reached the Southern four. Two plays later, Ted Dunn smashed over for his first touchdown. Bob Lasley kicked the point to tie the score at 7-7.

Gene Haile took the kick-off for the Salukis. Hit hard, he fumbled on the Southern 31 and a Bear recovered. Ted Dunn fell over the line from three yards out to clinch the 31 yard touchdown march. Lasley's kick was blocked to give the visitors a 13-7 lead at half-time.

SECOND HALF
Washington scored again shortly after the opening of the third quarter. Spratt punted to the Bear 45 after a Saluki attack had bogged down on the Washington 35. Left half Bobby Crim kicked up 11 yards. Then it was Ted Dunn again. He hit the right side of the line on a quick opener and ran 60 yards before Ed Johnson hauled him down from behind on the Saluki 11. Two plays later, Dunn scored his third time, this time from 7 yards out. Lasley's try for the point was wide.

Southern retaliated with its second touchdown in the closing minutes of the third quarter. The score came on a pass from Joe Huske to halfback Johnny Vanderplum which covered 73 yards. Huske put the ball in play from his 27. The pass hit "Porky" Vanderplum on the Bear 35. The senior letterman outspurred two Bear defenders to cross the line standing. Spratt kick-

ed the point in place of Ems, whose injured leg muscle forced him from the game early in the quarter. The Bear Joe Huske was damaged for a score stood 19-14 at the end of the third quarter.

Southern couldn't get a substantial drive started in the fourth quarter. O'Brien's Salukis failed to penetrate into Washington territory in the final period. The game-stalling Bears, who controlled the ball for about two-thirds of the remaining time, had possession on the Southern 20 when the game ended.

As a whole, the Salukis played commendable ball in losing to the pre-game favored Bears. The linemen and linebackers hit hard, and it often. However, the Bear line proved to be just as tough. The Bears netted 215 yards on the ground. The Salukis totaled 117, of these coming on Bob Ems' long touchdown run.

Leading ground gainer for the Bears was Bob Ems, who carried just once in the second half before injuring his leg, picked up 86 yards in five carries for a 17.3 average. Closest teammate to this mark was halfback Johnny Vanderplum with 16 yards in ten carries.

Ted Dunn led the Bear ball carriers with 149 yards in 25 carries, an average of 5.9 yards. He was virtually the whole Washington offense. Closest to him was Bob Winkler with 29 yards in six carries.

One thing the Salukis succeeded in doing was sopping Jim Burst. Burst was considered by Coach O'Brien, the Salukis, and other Bear opponents as one of the biggest Bear threats. Burst, a fast, shifty halfback, specializes in long punts and kick-off returns. The Salukis held him to three returns of 10, 21, and 39 yards. Six rushing plays netted him just 16 yards.

STATISTICS
Rushing — SIU — 117. Washington U. — 215 yards. Passing — SIU — Huske — 12 attempted, four completed, 109 yards. Washington U. — Jack Utz — 9 attempted, six completed, 118 yards. Jim Utz — two attempted, one completed, 14 yards — total — 132 yards. First downs — SIU — four (two rushing, two passing). Washington U. — 16 (ten rushing, six passing). Punting — SIU — Bill Spratt — 7 punts, 200 yards. Gene Haile — one, 200 yards. Washington U. — Jim Utz — three punts, 110 yards. PeSalukis — SIU — one, 35 yards; Washington U. — five, 35 yards.

Texas has done it again. The Lone Star has scored another scoop on 47 other states. They've got a Santa that draws "you-all," wears Levi's and a ten-gallon Stetson, and drives a buckboard sleigh.

Bill Spratt, Southern halfback and Salem freshman, picks up three yards before being brought down by two unidentified Washington University tacklers. Spratt ran the ball around right end, off a punt formation. He fell one yard short of reaching a first down on the Southern 17. The six foot, 165 pound back punted on the next down.

Ems Leads SIU in Scoring, Offense

Bob Ems won't be around for Southern's last two football games but he'll probably remain the Saluki's leading ground gainer and scorer when the season is finished. Ems, who reports tomorrow at Chicago for induction into the sport, averaged 7.7 yards per carry this season.

HE CARRIED THE BALL 50 times, for 496 yards, lost 10 for a 8.6 yard net. His closest competitor for rushing honors is John Vanderplum who in 55 carries has netted 218 yards for a 3.9 average. Ems seems certain to win scoring honors. He has six touchdowns, and seven extra points for 43 points. Vanderplum has two TD's for 12 points. Bill Spratt is on touchdown and two extra points for eight points. Opponents 21 touchdowns, 177 points, one safety, 142 points.

Southern Grapplers Schedule Ten Meets

A 10-meet schedule has been arranged for Southern Illinois University wrestlers.

Coach Jim Wilkinson's team will open at Illinois Normal January 10. Other meets are:

- Jan. 16—at Arkansas State
- Jan. 17—at Memphis, Tenn., Naval Air Base
- Jan. 24—Eastern Illinois
- Jan. 30—Western Illinois
- Feb. 7—at Great Lakes
- Feb. 14—Arkansas State
- Feb. 21—at Eastern Illinois
- Feb. 28—Great Lakes
- March 6-7—Interstate Interscholastic Conference meet, site not decided.

720 yards, none blocked. SCORING: Southern 11, touchdowns, nine extra points, one safety, 77 points. Opponents 21 touchdowns, 177 points, one safety, 142 points.

CHIPS DEFEAT NORMAL

Central Michigan remained the only undefeated team in the Interstate Interscholastic Athletic Conference by posting a 35-12 victory over hapless Illinois Normal. The Chippewas, one game away from a perfect conference record, now have five wins. The Normal Redbirds now have lost four straight conference games.

Western Illinois' Leathernecks barely hung off to second place in league standings by squeezing past Eastern Illinois 7-6. Western now owns three victories and a loss to the Chippewas. Eastern is tied for last with Normal. The Eastern Panthers have lost three games without a victory.

IAC STANDINGS

Central Michigan	5	0	1,000
Western	3	1	750
Michigan Normal	2	2	500
Southern	2	2	500
Northern	2	2	500
Eastern	0	3	000
Illinois Normal	0	4	000

Kahmann Korner

By Jim Kahmann

"If it weren't for that blocked punt and a fumble," we said, "we'd have won that ball game today."

We were talking to Bill O'Brien, as he popped an aspirin into his mouth hours after the Homecoming game had ended with Southern on the short end, 19-14.

Bill, quite naturally, wasn't feeling too good. He seemed to be chomping up with emotion, emotion that stirred the Homecoming crowd as O'Brien presented Bob Ems with a parting present on behalf of the team.

"Those losses really hit O'Brien hard. A coach simply couldn't take a defeat any harder. We told Bill that and we'll tell him again publicly: Southern Surely doesn't Have Anything To Be Ashamed of About That Game!"

Washington U. had a whole of a good ball club, with good backs and a fast line. In spite of that, they scored only three times on the Salukis, and wouldn't have counted two of these three had it not been for costly errors, which are bound to happen. A blocked punt on the SIU 25, and a fumble on the Salukis, were capitalized on by the Bears, and that was the difference.

As far as hustle and Homecoming spirit were concerned, the Salukis had plenty of that. They shook Bob Ems off for 45 yards in the opening quarter, and Johnny Vanderplum got away on a long pass play for about 40 yards on his own end in the third quarter. Ems and Vandy went the big yardage on their own, but 14 points in 14 points anyway you look at it — all you have to do is cross the goal line.

The thing about the game that pleased us the most was the general and overall improvement of the club since the opening game. This team has developed into a formidable football outfit in the

short period of six weeks. They still make mistakes, but every team does. Notre Dame was penalized over 100 yards last Saturday!

But Southern has a ball club now that can hold their own with any club of small college caliber. They don't have to take a back seat to anyone, and they'll give Western and Michigan Normal good games in their last two outings.

There are a couple of boys on the team who look better than they ever have before. Vanderplum looks great, and so does big Cliff Johnson.

It would, however, be unfair to dish outies to only a few for last Saturday's Homecoming effort. The entire team came through in grand style, and even though they didn't win, they lost in playing some good football.

Right now we're picking Southern to win one of their two remaining games. They've convinced us that losing is one athletic term that is concerned profanity when the Salukis look "In the Book."

Western Bears SIU Bees 26-7

Southern's B grid squad lost its third game of the season when the Western B team rolled to a 26-7 triumph at Litchfield high school last Tuesday afternoon.

RUSH BUSH'S Salukis opened the scoring in the game. The Southerners kicked to the Leathernecks, and recovered a Western fumble on the Leatherneck 40 yard line. Quarterback Ray Tabacchi crossed the drive by carrying the ball across the goal line from 20 yards out. Tabacchi had faced back to pass, but ran when he couldn't find a receiver in the open.

McCarthy kicked the extra point to put the Salukis temporarily in the lead, 7-0.

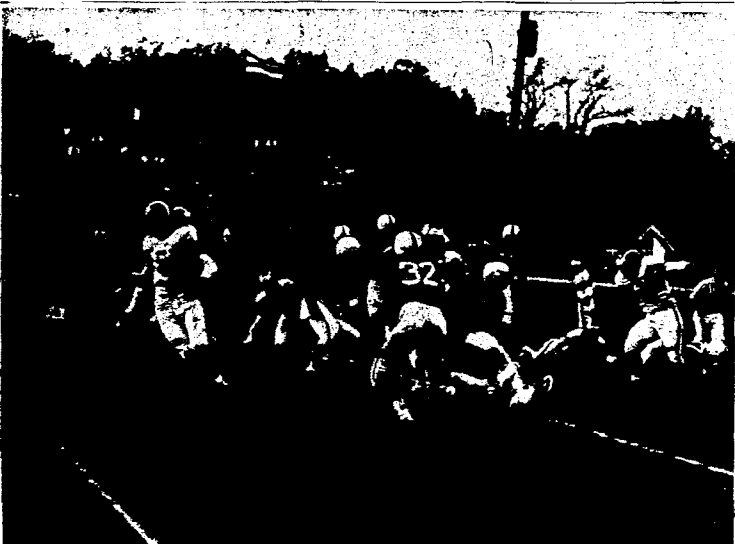

Western, employing an offense of mainly straight running smashes into the Southern line, rolled up a 13-7 halftime lead. Strong reserve strength and a heavier line wore down the Salukis the second half as the Leathernecks scored two more touchdowns.

TABACCHI, freshman quarterback with a lot of promise, employed Jim Jenkins and Dick Erickson most effectively in the Southern ground attack. Jenkins was injured early in the game, but played most of the remaining time on offense. Erickson's success had played most of the game with a broken wrist.

Bush employed a 5-4 and a 6-2 defense against the hard driving ground game of the Leathernecks. Bill Bentlage and Dick Erickson were the mainstays of the defense speed, although the whole team played improved ball as compared to the two earlier losses to Washington U.

Starting Line-up for the Salukis:
LE—Jones
LT—Dowling
LG—Angeli
C—Burns
RG—Mayer
RT—Randolph
RE—Pezzone
QB—Tabacchi
LB—Erickson
RH—Jenkins
FB—Nystead

Dean (22, at far left), Al Nittala (63), Cale Brantigan (74), Bobbe Crim (32), Bill Mosley (84) and Gene Delgado (83). Southern players are Wayne Williams (5), Cliff Johnson (44),

Southern's Bob Ems (No. 43) starts off on his 77 yard touchdown gallop. Ems led the Saluki ball carriers with 86 yards in five carries. Other players in the pictures are Washington U.'s Bill

NOSE, THROAT,

and Accessory Organs not Adversely Affected by Smoking Chesterfields

FIRST SUCH REPORT EVER PUBLISHED ABOUT ANY CIGARETTE

A responsible consulting organization has reported the results of a continuing study by a competent medical specialist and his staff on the effects of smoking Chesterfield cigarettes.

A group of people from various walks of life was organized to smoke only Chesterfields. For six months this group of men and women smoked their normal amount of Chesterfields — 10 to 40 a day. 45% of the group have smoked Chesterfields continually from one to thirty years for an average of 10 years each.

At the beginning and at the end of the six-month period each smoker was given a thorough examination, including X-ray pictures, by the medical specialist and his assistants. The examination covered the sinuses as well as the nose, ears and throat.

The medical specialist, after a thorough examination of every member of the group, stated: "It is my opinion that the ears, nose, throat and accessory organs of all participating subjects examined by me were not adversely affected in the six-month period by smoking the cigarettes provided."
