## About 223 Students from 29 Schools Attend High School Press Conference

Two hundred twenty-three students representing 29 schools registered for Southern's second annual Southern Illinois High School Press association conference held on campus last Friday and Saturday.

According to Donald Grubb, instructor in journalism and director of the S.I.H.S.P.A., West Frankfort had the largest number of delegates attending with 23, Du Quoin was second with 17, Cartersville third with 16, Mt. Vernon fourth with 14 and Marion, Vienna, and Carbondale community were tied for fifth with 13.

Highlight of the conference was the Saturday luncheon speech, "Men in High Places Who Forgot God," given by Chaplain Henry F. Gerecke, Menard state penitentiary, Chester.

**CHAPLAIN GERECKE** served as chief chaplain during the trials of the Nazi chiefs at Nuremberg by the International Military Tribunal and served as spiritual adviser to the 15 Protestant defendants.

In his speech, he told the group about his experiences while serving in that capacity. He also stressed the importance of a free press in the modern world.

Other high points in the two-day meeting sponsored by the SIU department of journalism in co-operation with division of university extension were the advisers' banquet at the university drug's banquet room and the all school dance.

**GUEST SPEAKER AT** the banquet was Donald E. Brown, director Illinois State High School Press Association, School of Journalism, University of Illinois, who reported on "The Business Problems Confronting High School Publications." Tommy Lawson and his orchestra

furnished the music at the all school dance held in honor of the visiting high school journalists at the men's gym Friday night.

A welcome address by Dr. John S. Rendleman, legal counsel, SIU newspaper and yearbook exhibits in the halls of Old Main, movie on "Editors Notebook" and panel discussions concerning problems of interest to high school publication staff members rounded out the program.

Alpha Phi Omega and Girls Rally were on hand to guide the delegates to the panels.

## Over 300 Students Sign Scroll For Freedom Crusade

During the "Crusade for Freedom" drive on campus last week, a total of over 300 student signatures were collected for the Freedom Scroll, according to Dr. Frank Klingberg, chairman of the drive.

Collections, as of last Thursday, amounted to 57 dollars which was received from the collection box at the main gate and from group collections from Anthony Hall, Kappa Delta Alpha, and Sigma Tau Gamma. Other fraternal and independent house contributions are yet to be received.

The collections at the main gate stopped Friday and the total amount received will be announced in the next issue of the Egyptian.

Coin boxes for the "Crusade for Freedom" drive will remain in the Canteen, University Drugs, Student

## The Usual Voting Slump

Today is a red-letter day at Southern, as far as voting and elections are concerned. Not one, but three different sets of candidates are to be elected or nominated during one trip to the polls.

In last week's nominations for Student Council replacements, a very important issue, a grand total of 64 juniors voted from a class of 495. Only 51 seniors out of 386 in the senior class were roused from their usual state of apathy to struggle down to the polls. As a result, only two candidates in each class received enough votes to be nominated.

Not only did the majority of the students in these two classes fail to vote, but, they no doubt will be the first to yell when something the Council does doesn't agree with their ideas. This condition has existed for the past two or three years, and perhaps longer. Of course, it's no trouble at all to get students to vote for Homecoming Queen, but, with no disrespect to her majesty, what does she do after Homecoming? Certainly she doesn't play a major role in student government.

It doesn't cost anything to vote, except perhaps 15 minutes of a student's time. Surely that isn't too much to ask, especially when the results of that 15 minutes spent in voting are going to be in effect for a year.—V. M.

Kenneth Berglund, (left) featured speaker at the SIU Art League meeting last week at the University school, explains the dye-transfer process in color photography to C. William Horrell, vice-president of the League, and director of SIU photo service, and Walter Craig, of the photo service.

## Obelisk Staff Releases Schedule for Pictures

## LUTHERAN STUDENT CLUB TO MEET TOMORROW

Gamma Delta, Lutheran student organization, will hold a special meeting tomorrow at 7:30 p.m. at the Savior Lutheran Church. All interested Lutheran students may attend.

Center, and cafeteria until tomorrow when the drive will officially end.

## Election, Nominations Conducted Today at SIU

An election and two sets of nominations are being conducted today by the Student Council at Southern to elect junior and senior Student Council replacements, nominate class officers, and nominate Homecoming Queen and attendant candidates.

Up for election to fill the junior Student Council post are Mike Stein, Independent, from Belleville, and Doug Shepherd, Tau Kappa Epsilon, from Chicago.

Senior Council candidates are Mimi Alecci, Chi Delta Chi, from Freeman Spur, and Glen Bean, Independent, from Roxana.

Nominations for Homecoming Queen and attendants will also be conducted, with requirements for Queen including a minimum of 96 quarter hours, and a minimum load of 12 hours this term. Three women may be nominated for Queen, and two for attendants, who must have a minimum load of 12 hours this term, and a maximum of 95 quarter hours credit.

**CLASS OFFICER** candidates also to be nominated at this time. Have the following requirements: freshmen, maximum 30 quarter hours; sophomores, minimum 31 hours, maximum 78 hours; juniors, minimum 79 hours, maximum, 116 hours; seniors, minimum 117 hours, maximum 170 hours. All class officer candidates must have a 3.00 average at Southern, and must be carrying at least 12 hours at the time of nomination.

## Schacter To Speak At Businessmen's Conference Oct. 11

Second in a series of businessmen's conferences will be held at Southern Illinois University Oct. 10. Harry W. Schacter, president, Committee for Kentucky, and Werner Hochwald, Washington University, will be principal speakers.

The conference will begin at 1:30 p.m. in the Little Theatre on the Southern campus. Round table discussions will be a major part of the conference with discussion leaders from Southern Illinois towns talking on the subject of economic progress and failures in their respective communities during the last five years and the possibilities for the next five years.

**THE COMMITTEE FOR** Kentucky, of which Schacter is president, is a group notably effective in spearheading a movement that has aroused a great deal of enthusiasm. It seeks solutions through the people of the area themselves. On the evening of Oct. 10, Schacter will speak on "The Battle for Democracy Will Be Won in the Local Community."

## Faculty Members Attend Education Workshop

Three of the Southern Illinois University faculty attended the Citizenship Education project four-day workshop in Peoria Sept. 26 through 29.

Dr. Woodson Fishback, associate professor of education, Troy W. Edwards, assistant principal of University School, and Miss Gladys L. Smith, assistant professor at University School, represented SIU at the workshop, which is sponsored by the State Superintendent of Schools office in cooperation with the Citizenship Education Project program of Columbia University.

## Homecoming

### Choice Narrowed To Three Bands

For the next, four weeks, the planners of this year's Homecoming will be the most sought-after people on Southern's campus. The standard phrase, "How's Homecoming coming?" will have long since worn thin; however, the final goal will probably be considered well worth the seemingly endless hours put in to make Homecoming a success.

Plans for the Homecoming dance are beginning to take shape as the selection of bands for the dance is being made. Nothing has been decided about the actual selection of the Homecoming band. However, James Throgmorton, Dance chairman, has announced that the decision has been narrowed to the orchestras of Larry Green, Ray McKinley, or Tommy Tucker. Throgmorton stated that the final choice should be announced sometime this week.

**JAMES E. WALKER**, chairman of the Queen committee, asked that the student body be reminded that nominations for Homecoming Queen are being held today.

The Queen's caravan that has taken the queen candidates on tour throughout towns in southern Illinois in past years has been discontinued this year, said Walker. However, plans to introduce the candidates to the student body are proceeding as in the past. A special assembly will be held Oct. 17 for this purpose.

## "I" CLUB TO MEET TOMORROW NIGHT

There will be a meeting of Southern's "I" club Wednesday night, Oct. 3, at the men's gym, at 7 p.m., according to Phil Coleman, president.

## Fear Named Prexy Of Social Senate

Jerry Fear, sophomore from Salem, was elected to serve as president of the Social Senate, all school representative organization which co-ordinates and plans campus social activities, at its first meeting of the year last week.

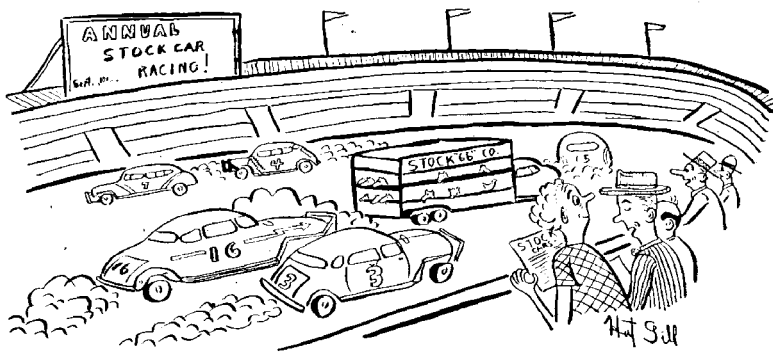

Other officers elected were Rose Owen, vice-president; Gwen Neely, secretary; and Wyona Smith, treasurer.

**ALSO AT THE MEETING** plans were approved for chartering a bus for students to attend the football game at Washington university, Oct. 13.

Members of the Social Senate this year and the organizations they represent are as follows: Doree McClane, Mary Jo Zumer, Panhellenic Council; Ted Bookhout, Virgil Fuchs, Inter-Fraternity Council; Betty Conatser, Kathryn Mankin, Girls' Rally; Rose Owen, Jerry Fear, Student Council; Leo Barnes, Paul Morris, APO; Gwen Neely, Wyona Smith, ISA; Don Bane, representative at large appointed by the Student Council; and Mary Agn Cagle, Pat Crader, Women's House Council.

Published semi-weekly during the school year, excepting holidays and exam weeks by students of Southern Illinois University, Carbondale, Ill. Entered as second class matter at the Carbondale post office under the Act of March 3, 1879.

## A Reminder to Organizations

Last spring term we asked that reporters of society and business news for the various organizations on campus comply with a few simple requirements in writing and deadlines; to assure publication of items in the Egyptian.

Some of the material we have received since that time has been correctly handled and on time, but a large part of it has not.

**FOR THE BENEFIT** of those who may have recently become reporters or secretaries for organizations and wish to have news published in the Egyptian, we would like to repeat our requirements, which were designed to aid in decreasing publication difficulties.

All material should be TYPED, not all in capital letters, as some have been in the past, but in the conventional capital and lower case (small letters) style. In addition to being typed, all material should be double-spaced, not single spaced.

When names are used, the person's first and last name both should be mentioned—not just the last name alone, unless it is impossible to obtain the first name. In that case, it will be our responsibility to track it down.

**AS FOR DEADLINES**, all society news—this includes social news from fraternities, sororities, and organized independent houses—must be at the Egyptian office by 1 p.m. each Tuesday. A wire basket has been provided for this purpose in the Egyptian office, upstairs at the Journalism house, on the corner of Harwood avenue and route 51.

All other news, such as meetings of business and educational organizations, announcements, etc., must be turned in at the office by 2 p.m. each Wednesday for publication in the following Friday's Egyptian, and by 2 p.m. each Friday for publication in the following Tuesday's Egyptian.

We are not saying that we will refuse to print anything that does not conform to these specifications. We are saying that news sent in according to the above requirements has a much better chance of appearing when it is supposed to appear.

Our amount of cooperation in this matter will be equal to yours.—V. M.

## Mirror, Mirror on the Wall!

Although new residence barracks for men at Southern Illinois University are still without heat and hot water, the occupants are not complaining, but there is a great clamor for immediate installation of—mirrors!

Addressing a freshman convocation, President D. W. Morris took note of the situation with this observation:

"... Cultivation of outward appearance is the mark of an educated man, but it seems unnecessary to emphasize it on Southern's campus."

**ANYTIME YOUR CROWD WANTS TO GO PLACES**

**IT'S TIME TO CHARTER A BUS**

The specialized operations of C & H Charter Service are tailored to meet the plans and purse of your crowd—whether it's an orchestra, fraternity, sorority, club, athletic team, or similar organization. A Chartered bus will get you there faster, more conveniently, more comfortably, more economically... and offer you more pleasure all the way!

**Student Center  
Receives Records**

All SIU students who like music ranging anywhere from Tschaiikowski to Eddie Arnold will enjoy the new facilities offered at the Southern Student Center. The Center has recently installed a new phonograph record library containing various types of recordings.

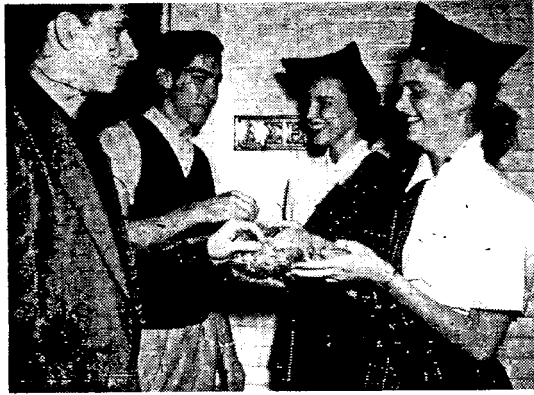

The records in the library, of 78, 45, or 33 R.P.M. speeds, can be checked out at the main desk in the Student Center and played on the phonograph there at any time. All records checked out must be kept and played within the Student Center building.

ACCORDING TO Miss Marilee Strang, graduate assistant in charge of the Student Center, "The collection at present is not too large, but it is hoped that through donations and purchases a more complete library can be established." Miss Strang added that many records in the present library have been donated but that a fund has been set up to help purchase more recordings.

Miss Strang emphasized the fact that a student committee is urgently needed to help purchase, choose, and keep track of records for the collection. Students interested in serving on such a committee, she stated, should stop in at the Center and leave their names at the main desk.

**NEWMAN CLUB PLANS  
SOCIAL MEETING**

The Newman Club has made plans for a social meeting Wednesday, Oct. 3, from 7-10 p.m. at the Little Theatre. There will be facilities for games and dancing. All Catholic students and faculty members are invited to attend.

Delta Sigma Epsilon pledges Sally Lewis and Ann Gilbert offer Butterscotch candy as favors to guests at the open house held by the sorority last week. The two pledges acted as a welcoming committee and dressed to fit the Scotch theme chosen by the open house committee, which was headed by Joan Hamilton.

**Southern Illinois  
Needs Teachers for  
Atypical Children**

Critical shortages in teachers trained to work with handicapped children exist throughout Southern Illinois as well as throughout the entire nation, according to Dr. Marshall S. Hiskey, chairman of the SIU department of guidance and special education.

A limited number of teachers are in training at Southern, but the demand far exceeds the number of qualified personnel.

Special teachers for deaf and hard of hearing children, crippled children, and partially sighted children are in great demand but the most critical need lies in the area of retarded children. A visiting instructor on the summer faculty added that St. Louis alone could use 20 or more teachers of mentally retarded children for the coming year.

To date, Southern has received teacher requests from Alton, Quincy, Rock Island, Rockford, Peoria, West Frankfort, Murphysboro, Johnston City, St. Louis, Chicago, and other cities in Illinois as well as requests from other states, especially California.

In addition to above areas in guidance and special education, there is also a great demand for speech correctionists, a field in which the speech department at Southern has a well-rounded program.

Teachers who are working toward certificates can fill the requirements for the special certificate by taking courses either in graduate or undergraduate work. Usually 16 hours of special work is all that is necessary for additional certification. Students not majoring in special education may

**Home Economics Group  
Has Luncheon Meeting**

Kappa Omicron Phi, national home economics fraternity, held its first meeting of the year Saturday Sept. 21, with a pot luck luncheon followed by a business meeting. Plans for the next year were discussed.

A program committee, under the leadership of Violeta Moore, was made responsible for organizing the coming events. A constitution committee, headed by Pat Miller, was also nominated. Betty McKemie was put in charge of Founder's Day, which will be observed in December. Marjorie Fugate was made chapter reporter to the na-

meet the requirements by taking courses as "electives."

In many instances schools pay extra salary for teachers with special degrees. For approved programs in the teaching of handicapped children, the state will appropriate funds to schools. Next year, Murphysboro, Johnston City, and West Frankfort will open new rooms for mentally retarded children.

**Plan Horticultural  
Experiment Station**

Development of a horticultural experiment station at Carbondale as a cooperative undertaking of the University of Illinois and Southern Illinois University comes as a distinct boon to the extensive fruit and vegetable production industry of Southern Illinois, says Dr. L. R. Tucker, SIU horticulturist who has directed the fruit work here from its beginning in 1949.

Development of the station has been accelerated recently by purchase of additional farm land southwest of Carbondale and the beginning of construction work of a permanent nature. Sixty acres of a 100-acre tract of land recently acquired by Southern comprises the horticultural station area where building is underway on a 26-by-79 foot combination storage building and field laboratory, and a propagation cellar, and a 2 1/2-acre pond. Under favorable conditions the building will be completed in about two weeks, says Tucker.

THE STORAGE BUILDING, with a framework of treated poles, roofed and sided with sheet metal will be completed soon with installation of a concrete floor and water facilities. The east portion of the storage building will be equipped as a horticultural laboratory for experimental work.

The pond's dam across a natural draw south of the storage building has been finished and a rock coating on the earthen barricade will provide a driveway. In addition to furnishing water for spray materials and other orchard use, the pond will be used by the university's biological department for experimental work.

tional magazine.

The Alpha Kappa chapter of this organization was established at this university last spring. Officers are: president, Eleanor Cable; first vice president, Betty McKemie; second vice-president, Mildred Hart; recording secretary, Pat Miller; corresponding secretary, Agnes Ridley; treasurer, Violet Moore; keeper of the Archives, LaVern Cornelius; and guard, Freida Thompson. Dr. Eileen E. Quigley is acting sponsor of the club.

**Fellowship Offered  
For Study in Mexico**

Nineteen fellowships for study in Mexico during the academic year beginning Feb. 1952 are now open to U. S. graduate and undergraduate students. Applications for these grants should be made immediately to the Institute of International Education, 2 West 45th Street, New York.

The grants, which cover tuition plus a monthly living allowance, are offered by the Mexican Government through the Mexican-United States Commission on Cultural Cooperation.

THE FIELDS IN which awards are available are as follows: undergraduate—physical anthropology, archaeology, ethnology, Mexican history, architecture, philosophy and letters; graduate—physical anthropology, archaeology, ethnology, Mexican history, museography, painting, biological sciences, pediatrics, tropical medicine, and cardiology.

A few round-trip air travel grants between the Texas border and Mexico City will be available, also through the Institute of International Education.

Eligibility requirements include U. S. citizenship, knowledge of Spanish, good academic record, good health, and knowledge of the culture of the U. S.

Applications, on forms to be secured from the U. S. Student Program of the Institute of International Education must be filed, with all supporting documents, not later than Oct. 15.

# Normal Hands Salukis Second Loss 20-0

Southern's Salukis returned from Illinois Normal after their second grid game of the season, still looking for their first victory. The Salukis fell to a more experienced Redbird team by a score of 20-0.

Tony Licocci, 5'5", 180 lb. Redbird halfback, scored all three touchdowns for Normal. The first score came early in the first half. A thirty-five yard pass from quarterback Ron Ellis to Dorian Smith, the left end, carried the ball to within the Southern 10-yard-line. Three plays later, Licocci drove over for the touchdown. A hard charging Southern line blocked the try for extra point.

Normal's second six pointer came on a sustained drive from midfield, featuring short gains through the line. Again, it was Licocci who pushed the ball over the goal line. The kick was good, and the score stood 13-0 at half-time.

Southern's offense in the first half was so negligible that the Salukis gained less than fifty yards all told. The offensive play in the second half, contributed to mostly by short gains by Johnny Vanderpluy and Bob Ems, improved considerably. However, it still proved too erratic in the clutches to put together a scoring combination.

Fine defensive play on the part of Southern's line prevented Normal from scoring until the last five minutes of play. The Redbirds took over on the Salukis' 40. A thirty yard run around right end by Ellis brought the play to Southern's 10. On the third play, Licocci bulldozed his way over to score. The kick made the score 20-0, where it stood for the remainder of the game.

Southern's defense looked sharp during the second half, helped by Lou Bobka, Don Ledbetter, Cliff Johnson, and Herb Cummins, who turned in another fine game as line backer.

Ledbetter, who played every position in the line except guard, received a knee injury which may sideline him in next Saturday night's game against the Northern Huskies.

## GEOGRAPHY FRATERNITY ELECTS NEW PRESIDENT

Gamma Theta Upsilon, national geography fraternity, held its first meeting of the year last week. Newly elected officers are Joe Simms, president; George McKenzie, vice-president; Anna Johnson, secretary; and Caroline Norris, treasurer.

Plans for fall initiation and Homecoming activities were discussed.

## Jayvees Squeeze by Cape Girardeau 6-0

In a game marked by rugged defense and ragged offense the Southern Saluki junior varsity defeated Cape Girardeau by a score of six to nothing. The Salukis, however, were a better team than this close score shows. They had not only to fight the Cape line but also fumbles and penalties that kept breaking up their drives.

In the first half the Salukis rolled up five first downs while holding the Cape boys to one. The Cape offense picked up a bit in the second half but they were still held to only three first downs while Southern again ground out five. In the fourth quarter Cape managed to drive for two successive first downs before the Saluki line stiffened and forced them to kick.

**THE LONE TOUCHDOWN** of the game came on a spectacular forty-five yard punt return by speedy Saluki back, Gene Ernest. A hard charging Southern line had forced the Cape boys back to their own two yard line. Cape went into punt formation and got off a good forty-five yard kick. The Saluki line pinned the Cape ends in, leaving Ernest unchallenged to gather in the wobbling kick. He caught the ball and cut to the left sideline and was on his way, aided by superb down field blocking on the part of his teammates.

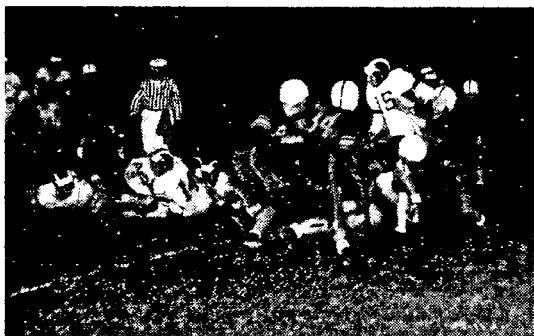

For the victorious Salukis there were several outstanding players. Among the brightest were Ernest Spratt, and Ledbetter. Ernest, who scored the lone touchdown of the game, was tremendous on the defense. Spratt appeared to be one of the hardest running backs on the field and also played a great defensive game.

**FOR THE DEFEATED** but spirited Cape men there was one particularly standout. Urberger was practically a one man team for Cape. His defensive play was one big reason why Southern racked up only one touchdown.

Though the Southern defense left little to be desired, the offense, especially in the first half, was very ragged. Penalties and fumbles stopped one Southern drive after

**BOB EMS**, Saluki fullback from Fisher, drives hard to gain ground in the opening game against Central Michigan. Other Southern player in the picture is end Leo Wilson from Blue Island.

**QUARTERBACK JOE HUSKE** from Chicago is stopped by four Central Michigan tacklers. Other Southern players are No. 14 Bob Kendrick, No. 38 Lou Bobka (on ground), and No. 45 Jim Buckler.

## Dean Lawson Speaks at Phi Lambda Meeting

Phi Lambda, honorary education fraternity for women, will have its second meeting of the year at the Student Center, Thursday, Oct. 11.

Dean Douglas E. Lawson, dean of the college of education, spoke to the group on possible activities for the year, at a recent meeting at the home of Mrs. Mabel Lane.

At present, Phi Lambda is completing a career pamphlet, which will list the vocations which a student may follow and the courses he should take to achieve his goal.

In the third quarter the Salukis got down to the Cape eight yard line before a stray pass was intercepted. However in the last few minutes of the game the Southern offense began to click and just before the whistle blew they looked better than they had all day.

## MUSIC MAGAZINE PRINTS COMPOSITION BY KESNAR

"Once Upon a Time," a composition by Dr. Maurits Kesar, chairman of the Southern Illinois University music department, appears in the September issue of the "Etude" music magazine. A selection for violin and piano, "Once Upon a Time," was written last year.

A "Symphony in C Minor," which has been performed in New York City, is among the major compositions of Dr. Kesar published previously. His "Scherzo for Viola and Piano" is included in the repertoire of William Primrose, one of the leading violists.

Kesar's works for orchestra include "St. Nicholas" and a "Set of Variations on Folksongs of the Netherlands" which has been performed by most of the major orchestras in the United States. He also has published a symphonic poem, "Idyls of the Southwest."
