WOODY HALL'S first officers. From left to right are Blerta Oogjen, vice-president; Jane Curry, president; Kathy Hooker, secretary; and Dorothy Boucher, treasurer. This is the first time that Woody Hall has ever elected officers whose jurisdiction covers the entire dorm.

Curry, Oogjen Win In Woody Hall Elections

Jane Curry is the first president of Woody Hall as the result of an all-hall election held Friday, Sept. 24. Because no vice-president candidate received a majority vote, a second ballot was cast Monday for that office and Blerta Oogjen was elected vice-president.

Kathy Hooker and Dorothy Boucher had no opponents as secretary and treasurer respectively, and they were both elected to those offices. Election results were announced until Monday night following the election of the vice-president.

Miss Curry defeated Carol Kerns in the race for presidency. Miss Oogjen defeated Mary Ann Hope and Sally Clark in the three-way race for vice-presidency.

Candidates whose names were on the official ballot were nominated at an open-air nominating convention on the Woody Hall terrace Sept. 22. The polls were open Friday from 7:30 until 1:30. The first ballot was cast from 4 to 7 p. m. Monday for the second ballot for the vice-presidency.

Last year in its first year of operation, Woody Hall had only corridor officers. These will be continued but the overall officers will be responsible for all-hall activities and will attempt to coordinate activities of the various corridors. Corridor officers were elected Tuesday night at the corridors' regular weekly meetings.

Social Senate Solves Athletic Concession Riff

A three-way difference of opinion between the Social Senate, Club and athletic department that could have developed into a free-for-all battle was settled amicably over a conference table Wednesday afternoon.

Discussion started last Tuesday when the Club petitioned for the Social Senate members to demarcate the concession area. This was denied by the Social Senate.

The athletic department entered the scene later when Athletic Director Dr. Carl Erickson proposed that concession and ushering be put under a unified command, preferably the athletic department. Erickson's other proposal, one not so popular with the Social Senate, was that the athletic department take charge of concessions during the homecoming game, put the profit in the athletic fund in order to help defray debts and pay a homecoming committee either a definite sum or a percentage of the concession receipts to meet their costs.

The Social Senate members demurred on the latter stipulation pointing out that this was departing from tradition and a late date to change their already formed plans.

For a time the conference seemed to stall until both groups agreed that neither the "C" club or any other single group should have complete benefit of all concession receipts.

It was then decided that all camps and organizations should have some change to profit from concessions and that the only fair way to handle the situation would be to set up some sort of rotation system with three or four groups handling concessions and ushering for each game, other organizations taking the next game, etc. The athletic department would be in general charge, receiving a 70 per cent division of profits.

The homecoming question was settled when Don Morris of the Social Senate moved that the Homecoming Committee handle the game as in previous years. The motion was seconded and carried unanimously.

Dr. Erickson agreed that it was late to radically change plans. He pointed out that the athletic department was not as interested in getting concession receipts as it was in handling the coin crowds and concessions as efficiently as possible and making the contests more enjoyable for all.

Lady MD Added To Medical Staff

Southern's Health Service has a new blond, blue-eyed doctor from Latvia. She is Dr. Katharina Kalnina.

Dr. Kalnina began her studies in her native country, but due to the war she went to Munich, Germany to study. She completed her studies there and came to this country in January, 1951. On arriving here she went to Ohio where she worked in the laboratory of a tuberculosis sanitarium for one year.

Dr. Kalnina then went to Chicago where she finished her internship and passed her state board exams. She became a resident doctor at Lake Forest Hospital in Lake Forest, Illinois.

In July 1954 Doctor Kalnina came to Southern. She says that she likes working at the Health Service very much, and especially working with college students.

Wider Expenses For Homecoming House Trimmings

Homecoming house decoration rules have been altered this year providing wider expense margins and making possible preparations on a larger scale than ever before.

The four divisions, Men's A, Women's A, Men's B and Women's B will remain as in the past. However, groups entering A division competition will be allowed to spend as much as \$50 for material. B division entries will be required to limit expenditures to \$25.

Previously, A division competitors have been limited to a \$30 ceiling. The \$25 B division limit remains the same as last year.

The change was made after decoration committee members decided that the five dollar difference between the two divisions as set up last year was not enough to allow any noticeable difference in decoration expense and preparation.

First place winners in A division competition will receive trophies, while runners-up will receive either a plaque or trophy.

Only first place awards will be made to B division entrants.

Rehearsal Will Start For 'Messiah' Monday

The first choir rehearsal will be held Monday (Oct. 4) for the ninth annual performance of Handel's "Messiah" at SIU in December.

Dr. Maurice Secor, director of the choir and the Southern Illinois Symphony Orchestra which combine to present "The Messiah," invited vocalists from the area to try out in the initial rehearsal in Algodon at 7:30 p. m. Practice sessions will be held each Monday evening thereafter.

Outstanding amateur and professional soloists are chosen to sing the leading roles in the oratorio which will be given this year the second Sunday in December.

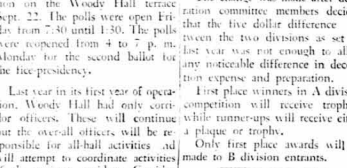

Sing And Swing Group Learns Square Dancing

Every Wednesday night at Algodon 202 from 7 to 9 the Sing and Swing group meets to participate in square dancing.

Sing and Swing is sponsored by Dr. Amos Black who calls the dances and instructs those who wish to learn. The group met last Wednesday night and a fair sized crowd was present.

Baptist Revival To Begin Monday

Chester Sivor is to be the speaker at the Campus Revival which begins Monday. He will speak at Morning Watch at 7:25 — 8:50, noonday chapel, evening campus evangelistic service at 7 and a conference period at 8. All the services are to be held in the Baptist Foundation Chapel.

New Fraternity Formed Here

In an open meeting Tuesday night, plans were made for a new social fraternity on campus. As yet unnamed, the fraternity will form as a local organization with expectations of turning national at the earliest opportunity.

Temporary officers to preside until formal installation were elected by men at the meeting. Jerry Niles was elected president, Jack Turner is recording secretary, Emil Spees corresponding secretary, and Ron Boehme treasurer.

A constitution committee consisting of Emil Spees, Bob Gill, Jack Turner and Ron Penbertson was appointed.

Others participating in forming the group are Don Marry, Chuck Walters, Bill Reynolds, Roger Smith, Dick Taylor, Joe Smoltz, Jim Jenkins, Pete Conest, Arnold Isklar, Wayne Raguse and Malcolm Winkler.

The future fraternity will hold open meetings Monday nights at 9.

Sororities Fete Rushees Tonight

A buffet supper in each sorority house is scheduled tonight as a semi-climax to the Panhellenic rush week.

Saturday night there will be a formal Crest Dinner from 5 to 7 p. m. Preference signing will be from 7:30 to 8:30 p. m. in the office of Dr. Betty Greenleaf.

Blackies may pick up their bids Sunday morning after 11 a. m. at the Office of Student Affairs. Bids being pledged will be at 5 p. m. Sunday.

Bush week began Sept. 29 and will continue through Saturday. During this time, a series of parties has been held to give prospective members a chance to know the sororities and the sorority women.

DR. ELIZABETH Greenleaf is next on tap for the Audio-Visual Aid. Film series.

Registration To Begin Monday For Fall Term

Pre-registration for winter term classes begins Monday and continues through Nov. 20. Advisement began Sept. 27.

Dr. Robert R. McGrath, registrar, urges that students schedule advisement appointments and begin registration procedure as soon as possible since the large number of students on campus this year will cause classes to open earlier than usual.

Class schedules are available at the registrar's office.

Advisement appointments may be made at the table on the lawn in front of the Office of Student Affairs week days 8-12 a. m., and 1-2 p. m.

The registration center will be open each afternoon Oct. 4-8 from 1 to 4:30. On following weeks, it will be open only on Monday, Wednesday and Friday at these hours.

Registration procedure is the same as last fall. Students will start by scheduling an appointment with their academic adviser. At the time of advisement they will receive authorization cards and a packet of registration cards which must be completed before the student goes to the registration center.

The complete registration calendar for winter term is as follows: Students may be advised Friday Sept. 27 to Nov. 20. Students may pre-register from Oct. 4 to Nov. 20. Students must be registered by Nov. 20 or wait until Dec. 6. Students who register by Nov. 13 will receive fee statements by mail. Students will have advance registration cancelled if fees are not paid by Nov. 29. Students registering between Nov. 15 and 20 must pay fees at the time of registration. Last day of regular registration will be Dec. 6. Winter term classes will begin on Dec. 7 except for evening classes beginning on Dec. 6. Program changes may be made after fees are paid but will not be accepted by the registration center from Nov. 29 to Dec. 6.

SIHSPA Conference On Campus Tomorrow

Approximately 350 high school students meet tomorrow at 8 a. m. in the lower lobby of the University school to register for the fifth annual Southern Illinois High School Press Association conference.

Don Hesse, St. Louis Globe-Democrat political cartoonist, will be the focus speaker before a luncheon meeting of the group in the cafeteria annex.

The day-long program for the delegates will include 13 panel discussions by university and high school students, publication advisers, and representatives of commercial printing firms.

The first panel begins at 9:30 with a. m. Obelisk representative Chuck Walter and Don Hargus, Egyptian staff members Bob Pous and Jim Aiken, and Herb Laquet of Belleville Cathedral high school discuss "Our Role in High School Publications."

President Delore W. Morris is scheduled to speak to convention delegates before a general assembly meeting at 10:30.

Two panel discussion meetings will be held at 11 a. m. when Norman Semmelroth of the Record Printing and Advertising Co., Wayne Hadley, sales manager of Myers and Co., Owen Magh, Capital Engineering, and Andrew Walters of the S. K. Smith Co. will discuss letterpress and offset printing processes, engraving procedures, a d cover layout and design.

Mrs. Louise Burk Bean and Mrs. Fred Most, both of Anwood high school, and Albert C. Hengst of the A. B. Dick Co., will conduct a panel dealing with the production of the mimeographed newspaper.

After the luncheon meeting, delegates will be allowed time to visit concessionaires in the University school corridor. Panel programs begin again at 2 p. m. and last until 4 p. m.

William H. Lyons, SIU Information Service Director, and Charles Horton, adviser to the Carmi high school Bulldog Bark, will conduct a panel concerning tips on news writing.

Larry Wells of the Indianapolis Engraving Co. and Mrs. Helen Walker, adviser to high school Tailer advisers, will deal with the problem of year book copy preparation.

Ed Hubsey of the SIU Information Service, Dorothy Morgan, Granite City High World Adviser, and Don Lewis, adviser to the Alton high Times will address the problem of putting "zip" into lecture notes.

W. R. Speith, Speith Studios in Centralia, will speak upon photography as the most important step in yearbook planning.

Preparing copy for the offset yearbook will be the topic discussed by Donald Nauman and the Taylor Yearbook Company's Asher Blevens.

Professor Francis Modley and Robert S. Burger, SIU journalism department will explain how to develop a professional look in newspaper layout and makeup.

Elizabeth Shaughnessy, adviser of the New Athens high school Springlight will give pointers concerning school newspaper advertising.

Bill Hollada, member of the Benton Evening News staff and adviser for the Benton high school Scarab will make suggestions to improve sports coverage.

Mrs. B. Chenoweth, adviser for the Pinckneyville high school Blue Scarab will talk on the procedure for organizing school magazines.

Held in the women's gym, the dance will be informal and music will be furnished by a combo.

A floor show will be given during the dance by members of the Tri-Sigs, according to Jack Vigan, chairman of the dance committee.

Cokes will be served during the dance, the theme of which is to be "Deep Purple."

Woody Herman Will Play Concert At SIU Monday

Woody Herman and the Third Herd, the band that was recently voted the top orchestra in the country by the readers of Metronome Magazine, will be at SIU Monday night for a concert in Shryock Auditorium.

Sponsored by Phi Kappa Tau fraternity, the concert will begin at 8 p. m.

Part of the proceeds from the concert will go to the SIU student Union Building Fund started last year. Tickets are on sale in front of Old Main.

The Woody Herman Third Herd features Herman on sax and clarinet and doing vocals plus 14 other musicians. The band just concluded engagements at the Blue Note in Chicago, the Statler Hotel in New York and the Hollywood Palladium.

Woody Herman appeared on campus several years ago for a concert and dance.

Student Council Sets New Meeting Time At U School

The Student Council, with three meetings under its belt, has set 6 p. m. Thursday as its new meeting time at the Little Theater of University School.

Business was started on the sponsoring of the biannual Career Conference at the last meeting.

Officers of this year's council are Bob Edgell, president; Jay Jenkins, vice-president; Wynne Chubb, treasurer; and Barbara Gibbs, secretary.

Other members of the council are Margaret Fische, Pat Priest, Norma Parader, Lois Kally, Juanita Pearsman, Gary Robinson and Pete Low. Freshmen representatives will be added in the Oct. 20 election.

President Edgell invites all students to attend the meetings if they wish to because it is the problems of the students that the Council deals with and their opinions are a welcome.

Free Movie And Dance In Union Tonight

A movie, dance and refreshments will be on tap at the Student Union tonight. The social is the first free entertainment event of the year sponsored by the Student Union Council.

"The Avengers," a Republic picture of some years back, will be shown at 7 p. m. It stars John Carradine and Adele Mara in a story of adventure in the days of the Spanish co-querors in the New World. It tells of Don Carless, who sets out to avenge the death of his father against bandit lords that flourish in the era of lawlessness.

McCowen Will Be Guest Leader Of Choral Group

Robert McCowen, director of choral activities at Iowa State College at Ames, will be guest conductor at the 15th annual High School Choral Clinic to be held Saturday, Oct. 9, in Shryock Auditorium.

More than 1,000 young singers representing approximately 45 Southern Illinois high schools, will take part in huge choral numbers, and the Southern Illinois Opera Society, under the direction of Miss Kate Moe, will present a light modern comic opera.

The entire production is under the direction of Floyd V. Wakeland of the SIU music department. Rehearsals will be all day Saturday, beginning at 9:30 a. m., continuing until lunch and resuming at 1:30 p. m.

A dinner for guests and interested music lovers will be held in the Cafeteria at 5:30 and a 7:30 concert at Shryock Auditorium will climax the day.

Mr. McCowen, who carries on an extensive career of vocal and oratoric engagements apart from his teaching duties, is popular as a festival and clinic director, according to Mr. Wakeland.

He received his B. A. degree from Iowa State Teachers College at Cedar Falls and a Master's in music from Northwestern University in Evanston.

During World War II he was a B-17 pilot in the European Theater of Operations. Shot down over France July 10, 1943, he evaded capture and made his way to Gibraltar.

Before moving to Iowa, he was director of vocal activities at Knox College of Galesburg and at West

ern State Teachers College, at Macomb.

He is the director of music for the collegiate Presbyterian church in Ames and directed a summer music camp at Western Illinois State last summer.

He is married and has two children, a boy and a girl.

The concert program as announced by Mr. Wakeland:

Mixed Group Numbers (Male and Female Voices) "Let All Things Now Living" — arranged by K. K. Davis.

"O Thou Eternal One" — Eric Delamarer

"Agnus Dei" — Kalinnikoff and Materring

Men's Numbers "All Day On the Prairie" — Guion and Biegger

"Where Lies the Land" — Don Malin

Women's Numbers "Breakers of Bartanquilla" — Joseph Clokey

"Green Sleeves" — arranged by Tom Scott

"The Telephone," light modern comic opera by the Southern Illinois Opera Society under the direction of Kate Moe.

Mixed Numbers (Male and Female voices) "Salutation to Davos" — Carl Mueller

"Black is the Color of My True Love's Hair" — Arrangement by Churchill

"Barn Dance" — Anthony Donato

Helen Manley To Speak At IANPER Gathering

The Southern District of the Illinois Association for Health, Physical Education, and Recreation will hold a meeting at University School on Tuesday, Oct. 5.

Miss Helen Manley, former president of the Association, and now Supervisor of Health and P. E. for the University City, Mo., schools, will speak.

There will also be group discussion of local problems and demonstrations of unusual P. E. activities. A group luncheon will be held in the University Cafeteria at 12.

Bartlett To Attend School Conference

Dr. Mabel Lane Bartlett, supervising teacher in the University School of SIU, will represent SIU and the Illinois Council on Community Schools at a national conference on rural education being held Oct. 4-6 in Washington, D. C.

The conference will mark the revival of the White House Conferences on Rural Education, which were halted because of World War activities. Dr. Bartlett will participate in a study of the problem regarding school personnel for serving rural persons in their communities.

THREE TOWER Hall girls hold their new mascot, "Simplivity," which was left on their doorstep Tuesday along with a note reading "to the girls of Tower Hall. Please accept this as a mascot." Radio Division Has Brand New Plant Facilities

Six air-conditioned, modernized radio studios are in operation in the new SIU radio and television barracks.

Two major studios and four "talk" studios (small studios used for interviews or for shows with only two or three participants) are completed.

"Completion of a large television studio in the rear of the building awaits a decision by the University on South's future in TV," explained Ralph Becker, of the Radio and Television Service.

The studios are decorated in brilliant and cool shades of brown, yellow, chartreuse, rust and gray. An eight-ton air-conditioner was installed last spring.

The studios have large windows with double panel glass. Some rooms have wall-to-wall carpeting to cut down sound reverberation. The modern lighting fixtures fit flush with the ceiling.

A series of five doors comprises sound lock to enable entrance to the studios without admitting outside noise.

Offices of Buren C. Robbins, SIU Radio and TV director; Julian Emeln, chief engineer, and Becker are in the rear of the building.

Master control equipment is presently being installed. The new studios will have complex audio-visual equipment permitting more than one program to be presented at one time. Disc-recording equipment also will be installed, Becker said.

Approximately 65 taped shows will be produced per week, Becker estimated. The radio and television department is now serving 16 radio stations and anticipates sending news films and slides to WTVI in Belleville, WSIL-TV in Harrisburg, and KFVS-TV in Cape Girardeau, Mo.

SCF HOLDS MEMBERSHIP PARTY TONIGHT AT 7:30

The Student Christian Foundation will have its first membership party tonight at 7:30 in the SCF building. All students who are interested in joining will be received into membership.

Following the reception of new members, there will be refreshments and recreation. All students are invited.

Notice

Seniors who had official pictures taken last Spring but who failed to fill out activity information may turn in a list of campus activities at the Obelisk office.

These lists must be at the office before Oct. 5.

Workmen Remove Paving For Development Work

Triangle Construction company workmen this week are removing concrete paving from a closed section of South Thompson street between Chautauqua street and Harvard avenue as part of a site development project in the SIU campus area.

Charles Pulley, SIU architect, said the contract to Triangle of Carbondale calls for removing the pavement and converting the area into paved lawn; building a concrete sidewalk along the west side of the area in front of the SIU Cafeteria and adjacent barracks; grading and building a sidewalk westward from the area along the south side of the new SIU library building under construction on West Chautauqua street.

Students interested in taking the examination can secure application forms and other information through the University, at any naval recruiting station, or by writing to: Naval Examination Section, Educational Testing Service, PO box 709, Princeton, N. J. Tests will be given at specified centers throughout the nation on Dec. 11.

Candidates qualifying under the program must meet rigid mental and physical requirements. In addition, their applications will be considered by an impartial selection committee that must decide which students among the qualifying candidates are best suited to the navy program.

After acceptance, students receive tuition, books and other instructional fees, plus \$50 a month at any one of 52 schools in the nation that provide for the program.

Candidates may pursue any course of study they prefer, with some exceptions, but must also include specified program courses in their studies.

Upon graduation they must accept a naval commission and serve not less than three years with the U. S. fleet. At the end of that time they are allowed to retire to the inactive reserve.

Applicants must be male citizens at least 17 years of age and not more than 21 on July 1, 1955. They must be unmarried and have a high school diploma.

Medical, dental, veterinary, theological, pharmaceutical, and music or art students can not qualify under the program and should not apply. The Navy Department will not allow waivers for any of the requirements.

Four Loop Losses Over Weekend

The big three came through again in the Interstate Intercollegiate Athletic Conference last weekend, but the other four members took it on the chin.

Central Michigan, Michigan State Normal and Western Illinois, all 1954 favorites, posted victories over non-conference foes.

Eastern Illinois State, playing its second contest, and Northern Illinois State Teachers, Illinois Normal university and Southern Illinois university, all making their debuts, lost to non-league teams.

Western Illinois counted its second straight win Friday night at Davenport by edging a tough St. Ambrose contingent, 26-1. The price of victory, however, proved costly to the Leathernecks.

The Macomb eleven at center. Gene Zaccarini, 8, out for the season with a knee injury suffered in what Coach Wes Stevens termed one of the roughest battles he has seen in a long time.

Jim Podoley, Central Michigan's great halfback, continues to look like Little All-American material. He topped two touchdowns Saturday at Kalamazoo to lead his mates to a 25-19 decision over Western Michigan college.

The Jorons of Michigan State Normal topped their second win of the early season Saturday by drubbing an invading Hillsdale aggressor.

Gymnasts Seek Squad Members

The SIU gymnastic team would like to contact students who might be interested in becoming team members.

The team program includes both competitive and exhibition phases. The exhibition phase will include hand balancing, vaulting, tumbling, apparatus work, comedy, and other variety acts.

Interested students should feel free to go to the men's gymnasium at 10:00 a. m. Monday, Wednesday, or Friday, if at all possible, they should go to the gym at 6 p. m. Tuesday.

If none of the above times are convenient, applicants may contact George F. Kramer of the Physical Education department.

Roger Chitty and Larry Riggs, both of Doyle Dam, warm up on the corkball diamond Wednesday before the opening game of fall season intramural competition. The hole-in-one golf tournament will be held this evening on the baseball field.

Intramurals Available Now At Ticket Office

The Intramural Student Board met again Tuesday evening and President Dwight Armstrong and his staff went right to work to prepare for the opening of the intramural season.

The season, which opened on Wednesday with corkball, will be one of the most complete in the history, according to Glen Martin head of the Intramural program.

So far the response has been high with large turn-outs but we still lack enough officials to cover all the sports. If there are any boys who think they are interested in officiating, they are requested to report to the Intramural office to make a formal application.

Because of a lack of teams in the touchfootball leagues, the closing date was moved back until today. Anyone who has organized a team but has failed to hand in their roster should do so by today.

All you golfers, get out your irons and be ready for the hole-in-one tourney which will be held tonight on the baseball field. An extension date of Monday October 4 has been arranged in case of darkness.

Only the No. 7-8-9 irons will be used and each "Ben Hogan" will receive three tries. If you have not received a complete set of the rules you may do so by asking for them at the intramural office.

Marion Rushing Named Lineman Of The Week

Marion Rushing has been named Southern's first 1954 season Lineman of the Week.

Rushing, enjoying his initial appearance on the collegiate grid, spotlighted Southern's defense with a blistering fifty-seven minutes of play against the Indians from Southern Western Missouri.

Performing before 7,500 enthusiastic fans in the Saluki opener at McAndrew Stadium Saturday night, the 185 pound freshman turned in a brilliant job at defensive end, throwing Cape ball loggers for large losses on several occasions.

Besides these feats, he was in the Indian backfield on one out of three plays during the evening. Rushing made or was in on about 75 per cent of all the tackles made by the Saluki defense Saturday evening.

Coach Kenneth Know commented on Rushing after his team skinned the Salukis 7-6. Know stated that if it had not been for Rushing consistently interrupting his play patterns, Southeastern could have scored at least two more touchdowns.

He gave much credit to the linemen for the goal line stand displayed by Southern during the first half.

While prepping at Pinckneyville high school, Rushing was active in all sports, earning three letters in football and two in basketball and baseball.

Also considered for Lineman of the Week laurels were Carl Teets, Ray Blazak, and Joe Kalla. Teets was commended for his efforts in blocking the Indian punt which set up Southern's only score of the game. Blazak and Kalla were recommended on the basis of their all-around consistent play throughout the game.

Muskies Try For First Season Win Tomorrow

Encouraged by a good performance against Wheaton College, the Northern Illinois State Huskies will try for their first win of the season against Beloit College at Beloit Saturday night.

The Beloit-Northern game will mark the ninth meeting of the two schools. The Buccaneers have held a jinx over the Huskies, sweeping the entire series.

Holder Names October 15 Hoop Tryouts

All students interested in trying out for varsity basketball positions are asked to report to the men's gymnasium Oct. 15 at 3 p. m.

An earlier announcement in the Egyptian stated that only lettermen and junior members should report on that date.

Basketball coach Lynn Holder said that gym and track facilities would be available for the hoop candidates use in order to allow them to get into physical shape before the tryouts. He stressed the fact that he expects every candidate to report in full physical condition.

Members of fall varsity sports interested in playing basketball may report at the end of football and cross country seasons.

The Saluki hoopers will open their season on Dec. 4 when they will face Millikin University here at Carbondale.

Southern Meets Normal Tomorrow

Southern Illinois University opens its bid for the interstate Intercollegiate Athletic Conference title tomorrow, meeting Illinois Normal in a night contest at Carbondale.

The Salukis opened their 1954 season last weekend with a 6-7 loss to Southeast Missouri while Illinois Normal was being trimmed by Bradley 34-13.

Coach Bill O'Brien discovered stout line in the opener and showed a stiff defense at the veteran Redbird backs. Marion Rushing, Pinckneyville freshman subbing for the injured Wayne Williams, turned in a brilliant 60 m. game in his first college game.

The big Maroon line, averaging almost 200 pounds, will have to work diligently to stop the throwing of Wes Bair, ex Redbird quarterback. Bair sunk the Saluki hopes last season, passing the Redbirds to a 27-20 victory with two touchdowns heaves.

Southern's probable starting lineup will be Rushing or Williams at left end; Ray Blazak, left tackle; Cliff Johnson, left guard; Kent Werner, center; Joe Kalla, right guard; Dave Sroop, right tackle; and John Gelch, right end; Gene Tabacki quarterback; Ernest, left halfback; Joe Yusko, right halfback; and Capt. Jack Schneider, fullback.

Bair, Normal's pin point passer, completed 61 passes out of 134 attempts last year for a total of 732 yards and 9 touchdowns. Incidentally, Bair was voted the IAC's most valuable player in 1952 after setting a remarkable record for his tossing ability. Out of 242 attempts, he completed 135 passes for 1,375 yards and 14 touchdowns.

Roger Francour, Jim York, and Bob Riggerbach will round out the Redbird backfield. Francour gained 309 yards for an average of 4.7 last year, while York scrambled 120 yards for an average of 5.2 yards.

Ernie Hervey, Steve G'22 and Leo Handley '51" will also help. Kickoff time is 8 p. m. at McAndrew stadium. Varsity lettermen will be honored at halftime ceremonies.

Bradley-Normal Game Could Be Strength Gauge

Last week's Bradley-Normal game may contain favorable indications for Southern concerning Redbird strength.

Normal scored first in that game after a Bradley fumble. Bob Riggerbach went over to score in three plays, after the Redbirds took over on Bradley's five.

However, Bradley quickly recovered and began a 62 yard touchdown march that ended when Don Stamp flipped a four yard pass to Allan Marr in pay territory.

Bradley's Frank Goza scored from the ten yard line during the second quarter to pull the Peorians ahead.

After that, Bradley could not be stopped. Normal scored once more, but Peoria leaped ahead to take the game 34-13.
