This Article is brought to you for free and open access by the Daily Egyptian 1952 at OpenSIUC. It has been accepted for inclusion in September 1952 by an authorized administrator of OpenSIUC. For more information, please contact [opensiuc@lib.siu.edu](mailto:opensiuc@lib.siu.edu).

# Enrollment at New Student Week Reaches New High

More than 1340 freshmen who arrived at Southern last Thursday for the start of New Student Week comprised the largest group ever to participate in Southern's New Student Week activities. Last year's freshman class numbered 989.

New emphasis on student adjustment was a feature of the 1952 Student Week, according to Eleanor Taft, chairman of the program. This year's Student Week began Thursday, Sept. 4, through Sunday, Sept. 7.

Dr. Charles D. Tenner, administrative assistant to the SIU president, addressed new students Thursday night on "Know Your College." A battery of aptitude and psychological tests were given to various groups on Thursday and Friday.

Extensive tours of the campus and explanation of department functions were a feature of the week's activities.

**FRIDAY NIGHT** various student organizations held exhibits in the cross halls of Old Main. The exhibits were preceded by a pep rally held in Shoyek auditorium under the direction of the cheering squad, and was followed by a Fountain Cafe refreshment hour held on the lawns of Old Main.

Assignments of academic advisers under the new advisory system were given to students Saturday morning followed by pre-registration in the afternoon. Saturday night a variety show of new students.

## Hire New Dean, Activities Head

New faculty members were appointed during the summer to fill the vacancies in the Office of Student Affairs upon the resignation of Miss Eleanor Taft and Miss Leah Farr.

Replacing Miss Taft this fall as assistant professor and supervisor of student activities in the Dean of Women's office will be Miss Elizabeth Greenleaf.

ELIZABETH GREENLEAF

Miss Greenleaf received the Bachelor of Arts degree from DePaul University, the Master of Arts degree from the University of Wisconsin, and the Doctor of Education degree from Indiana University.

She has served as a graduate assistant at Indiana University.

Miss Mildred Schrotberger is replacing Miss Leah Farr in the Office of Student Affairs as assistant dean of women, acting dean of women, and instructor.

Miss Schrotberger received the Bachelor of Arts degree from Knox College, and the Master of Arts degree from the University of Wisconsin. She has done graduate at Syracuse University. Prior to this position, she had served as assistant professor, assistant dean of women and residence counselor at Trinity University, San Antonio, Texas.

talent was held in Shoyek Auditorium. The program which was cosponsored by Paul Morris, junior from Venice, was entitled "Here's to '56."

**PARENT'S DAY** for the parents of the freshmen students was held on Sunday. The program consisted of special campus tours, a basket dinner, and an open house program.

New Student Week has been

planned for the last two years on the SIU campus to acquaint new students with the University and to assist in planning their college careers.

Last Monday was set aside as registration day for freshmen students and Tuesday for upperclassmen.

Wilma Beadle, Carbondale senior, served as student chairman of the New Student Week activities.

## Liberalize House Hours for Girls

Hours at which women students at Southern must return to their residences at night, unless they have special permission, have been liberalized, according to an announcement made this week by Mrs. Lorna On of the Student Affairs Office.

Under the new rules, which resulted from a survey of opinions among women students during the spring term this year, the hours are as follows: 10:30 p. m., Monday through Thursday; 1:00 a. m., Friday and Saturday; and 11 p. m. on Sunday nights.

Girls are also permitted five one-hour late leaves during the term, two of which may be on a weekend. Late leaves which are announced by the Student Affairs Office as being for all women students will not be counted as any individual's regular term quota for late leaves.

In previous years, women students have been required to return to their residences by 10:30 p. m. Sunday through Thursday nights and by 12 midnight on Friday and Saturday nights.

## S. I. U. Student Housing In Critical Stage: Pulliam

Lack of off-campus housing has reached a critical stage, according to Mrs. Mabel Pulliam, Supervisor, Off-Campus Housing.

"This lack of student housing has been brought about by several factors, among them being the University's purchase of several dwelling houses in the vicinity of the campus, during the past few years. These structures had, in many cases, been used for housing students, but the buildings and lands were purchased as a part of the University's long-range expansion program."

**ANOTHER FACTOR**, which heightened the shortage, according to Mrs. Pulliam, was the removal of several "marginal" rooming houses from the University's list. Also, some of the rooms which were formerly rented to university students have been converted to apartments.

The influx of students, much greater than was anticipated, caused as much trouble as anything, Mrs. Pulliam reports that normal listings of rooms available for students just hasn't kept up with the increased demand, this fall. The shortage of rooms for men is especially acute this week.

Mrs. Pulliam asked that any householder who has not yet listed available rooms with her to do so by calling the housing office at 192-Y.

## DON'T FORGET! REGISTRATION DANCE TONIGHT, 8 P. M. MEN'S GYM

## Welcome to SIU, New Students!

## Mexico Expedition Finds Three 'Firsts'

Southern's anthropological field research expedition which was held during the summer term discovered three "firsts" in the mountainous area of Durango, Mexico. The expedition was headed by Dr. J. Charles Kelley, museum director, who directed the group of fourteen students in searching and excavating archaeological sites of the area.

**TRACES OF A PIT**, stone and clay lined fireplace were found. Artifacts included several types of pottery, two lance-headed arrows and spindle whorl used in spinning yarn or as a sort of flywheel on drills.

The group arrived in Mexico June 21 and returned to campus about the first of August.

**REQUEST APPLICATIONS FOR STUDENT TEACHING** Final application for winter term student teaching must be made by Sept. 15, according to an announcement by Dr. Charles D. Neal, director of teacher training. Failure to do so may mean the student will not receive an assignment for winter term.

Applications may be obtained from the teacher training office in University School.

Students wishing an assignment must have completed the prerequisites as listed in the University bulletin which include a physical examination given by the Health Service.

## New Marriage Relations Course Offered This Term

Dr. Herman R. Lanz, associate professor of sociology at SIU, is teaching a new course in marriage and parenthood beginning this term. Specializations in the fields of home management, domestic relations, life insurance, and medicine will serve as guest speakers during the term's work. They will speak on the relation of their fields to family life.

## Set Deadline for Last Of Identification Pictures

Those students who failed to have accurate photos for identification purposes during Registration/Modern Rip Van Winkle (Council Corner page 2) Freshman Week and those students' pictures which did not turn in will be able to get identification pictures made until next Tuesday.

These pictures will be taken according to the following schedule: each day from 11 to 12 a. m., 3 to 5 p. m., and from 6:30 to 7:15 evenings at the Photographic Service which is located in the journalism house at the corner of Harwood and Thompson.

Pictures are required to be taken within one week after a student's registration, and students failing to do so within the allotted time will be required to pay a service charge.

All students should call for their activity tickets at the Bursar's Office not later than one week after they have been made. This ticket admits all students to the home games of SIU.

Students who lose their tickets will be required to pay 75 cents for fall three terms of a school year.

## School Paper To Double Southern's News Service

For the first time in the history of Southern Illinois University, the school newspaper, The Egyptian, has become a large, standard-sized newspaper to be published twice weekly. Until 1949 the Egyptian was a standard-sized weekly paper published every Thursday, and for the past two years the Egyptian has been published in the small, tabloid size twice a week.

The larger Egyptian will double the news service content for both campus and world news. The new Egyptian will accommodate original entries by all students and faculty members and will encourage the use of original feature stories, poetry, and humor, according to Barbara VonBehren, editor-in-chief.

To be published on Tuesday and

**Release Photo Schedule For SIU's 1953 Obelisk**

Wynona Smith, editor of the 1953 Obelisk, has announced the schedule for taking individual portraits for the yearbook. Again this year the work will be divided between Curtis Studio and Camera Shop, 214 W. Monroe, and Nathan Studio, 703 S. Illinois.

Students are requested to observe the schedule for their respective classes. They should not expect their pictures to be taken at any other time.

Any additional photo reprints or personal orders can be arranged with the studios.

## CURTIS STUDIO SCHEDULE:

Sophomores—Sept. 15, 20; Juniors—Sept. 22, 27; Graduates—Sept. 15, 27.

## NAUMAN STUDIO SCHEDULE:

Seniors—Sept. 15, 20 (Note—All Senior girls' photos will be taken in photographer's dress, Senior boys are asked to wear dark coats and no bow ties.) Freshman—Sept. 22, 27.  
Hours for photographs will be 2:00 a. m. to 5:30 p. m. each day, at both studios.

The two positions of photographers are filled by H. V. Harvey and Curtis Williams, both freshmen.

Any students interested in working on the general staff should contact the editor in the Egyptian office. Positions such as feature editor, cartoonist, and reporters are available.

**SPONSORSHIP** of the Egyptian is now in the hands of Al Deak, Vernon, news instructor in journalism. Vernon will assume both the editorial and fiscal sponsorships of the Egyptian. Former editorial adviser was Donald R. Grubb, acting head of the journalism department, and former fiscal sponsor was Dr. Viola Duffrain, associate professor of business administration.

Material submitted for printing in the Egyptian should be brought to the Egyptian office and placed in the wire baskets provided on the counter in the outer office. Deadlines for acceptance of copy are as follows:

**TUESDAY'S PAPER**—features, 1 p. m.; Friday sports, 2 p. m.; Friday; AF ROTC news, 3 p. m.; Friday; organization or office news, 4 p. m.; Friday; final deadline, 4 p. m. Saturday.

**FRIDAY'S PAPER**—features, 1 p. m.; Tuesday sports, 2 p. m.; Tuesday; society news, 3 p. m.; Tuesday; organization or office news, 4 p. m.; Tuesday; final deadline, 4 p. m. Wednesday.

"We would like to get students and faculty members in the habit of turning in news and feature material regularly for use in the Egyptian," said Barbara VonBehren, editor. Other major Egyptian staff members are Beverly Fox, managing editor; Gwen Applegate, business manager; Don Duffy, sports editor; and Lyle Sledge, circulation manager.

Printers of the new-sized Egyptian is the Southern Illinois Publications, Inc.

## New Students, Meet Southern's President and Deans!

Our Opinions . . .

New Faces, New Life

New Faces—there's something about them that can really liven up a place! Yes, we of the Egyptian want to take this opportunity to say "welcome" to all you new students who have already given new life to Southern's campus.

From all appearances, this year's freshman class is not only the biggest but the "peppiest" class we have seen around here. Attendance at New Student Week events was outstanding—even at the week-end affairs. And this is something that we upperclassmen should think of in the form of a challenge. At long last, we have hope that Southern can become more than a suit case college!

Of course, it's going to take a lot more than a large, enthusiastic freshman class—that's where the upperclassmen come in. If we could at least match the enthusiasm of the freshmen, that thing called school spirit would have a meaning around here. That is only asking three classes to keep up with one class—surely that much can be done.

COURSE, it would be doing things up known if the sophomore and senior classes could show the freshmen a thing or two about that thing called spirit, which is really the way things should be. We should have to rely on a group of students who have never been to college before to demonstrate the majority of interest in our university.

With this year's freshman class in history, with a large group of new faculty members, with a new pep club and cheerleaders, with a "new" Egyptian, and last but not least, with the spirit possessed by our freshmen, we can really put Southern Illinois University on the map in the coming school year.

May we again say "welcome" to you new students and along with it a big "thank you" for helping teach us old dogs some new tricks. B. V. B.

Twice As Big

This is a red letter day in the history of publications on the campus of Southern Illinois University, for today marks the first issue of the student newspaper, the Egyptian, published under the new twice-weekly standard size. Previously the Egyptian has appeared as a standard-size paper once a week, and then as a tabloid-size paper twice a week, but now it's twice as big!

Along with the "king size" Egyptian, comes a great deal of responsibility and work for us, the editors, but we know that the "new" Egyptian will be well worth the trouble, for the campus news service will be doubled and we will feel like we have accomplished something during our year as editors.

HOWEVER, IT WILL take a much larger quantity of material to fill the larger paper twice a week—and for that larger quantity we are depending on the general student body for contributions.

At present, there is no feature staff on the Egyptian, although we hope to form one soon. We would like to encourage students to turn in any type of feature material for consideration—interviews, humor columns or squibs, original stories, poetry, or what ever meets the fancy of the student. We feel that the weakest point of the Egyptian in past issues has been along the lines of feature material. This was due mainly to the shortage of space and staff members, but now we have the space and lack only the people to write the material. Therefore, we hereby submit a plea to all students for feature material. We cannot guarantee that everything submitted will be printed, but when it is printed due credit will be given the author.

THERE IS ALSO a way for faculty members to help meet our demand. We would like to request faculty members to turn in interesting or humorous happenings in class for printing in the Egyptian and also to keep a lookout for original compositions turned in by students which might be suitable for publishing.

We don't want to give people the idea that feature material is all we will accept from persons other than those on the staff, but we will be glad to receive news items or any ideas which might help improve the Egyptian.

HEADLINES for submitting copy to the Egyptian and where it may be left open on page one of this issue. If it is inconvenient for students or faculty members to bring or send material to the Egyptian offices, it may be left in the "Letters to the Editor" box located in the cross-halls of Old Main.

If there are any students who would like to work regularly on the Egyptian staff, we would be more than happy to meet them—there's always room for one more!

ALTHOUGH we realize only too well the truth in the saying, "you can please all the people some of the time, some of the people all of the time, but never all the people all of the time," we hope the Egyptian will please the majority of students and that we in turn will be pleased to see more general student body participation in this, your student newspaper. B. V. B.

Wanted: Cheerleaders

No, this isn't just another one of those classified ads, but simply notification to the peppier members of the student body that Southern is in serious need of cheerleaders. Originally there was only vacancy for two "rah, rah" kids, but now one of the girls elected last spring is not able to accept the position, so two plus one makes three!

Either Tuesday or Wednesday evening try-outs will be held to fill these positions—definite time will be published in Tuesday's Egyptian. But may we take the opportunity now to remind everyone just how important a good cheering squad can be to a university—it's what we need to bring out all that spirit possessed by our big, bouncing freshman class.

Speaking of freshmen, numbers of any class—even freshmen—are eligible to try-out for cheerleader. Try-outs will be held in the main gym with representatives from the physical education departments and student delegates acting as judges.

So, here's a chance for freshman or senior, male or female (whether tall or short to grab on to). And we make it a promise—one we will really try to keep, for who knows the selected cheerleader may be you. So why not? It's worth a try (out, that is)! B. V. B.

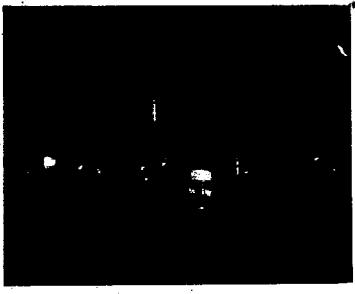

New Student Week -- A Big Success

NEW STUDENTS by the hundreds showed up for those well known ordeals—entrance exams. The gymnasium was used as a testing room in order to accommodate larger numbers of students at once.

NEW STUDENTS crowd around to find out more about the Student Christian Foundation at the organization hour at which various campus organizations put up exhibits in the halls of Old Main.

FRESHMAN Harold Schwetz looks at the "birdie" as he has his identification picture taken as a part of the New Student Week activities. Upperclassmen pictures were taken on Registration Day.

DEAN OF MEN, I. Clark Davis, talks with a few of the thousand parents and new students present at the basket dinner held on the campus lawn as the climax of New Student Week activities.

Modern Rip Van Winkle Returns To SIU Campus, Shocked By Change

By BOB BRIMM  
You don't have to be a Rip Van Winkle and sleep twenty years before returning to your former surroundings, in order to be astounded by the changes which occur during your absence. All you have to do is return, after a short absence, to a rapidly changing university campus like Southern's.

In the spring of '51 I went away for a tour of duty with the Air Force. Of course I was already accustomed to the continually changing campus of Southern, but I didn't quite expect what I saw when I returned last week.

I FOUND that many of the dwellings, which had served as offices during the time that I was here before, had been torn down, and that many offices had been switched from one side of campus to the other.

When I was in school before, I found that the Student Center was a good spot for a bit of relaxation, so, naturally, this was one of the first calling points on my itinerary. Lo and behold, the old Student Center building was still standing in the same place it was when I left campus! But this wasn't the Student Center I saw. It had been changed into the office of the construction company which is erecting the new Women's Dormitory.

Curiously checking the progress of the dorm, which, even with the crews working busily about it, and out like ants in an anthill, still gave the appearance of being just dirty windows and brick. I crossed the campus to Harvard ave. There I found the Student Center established in one of the temporary barracks buildings about which I had heard much.

present, but I have an advantage in that I still remember some of the old landmarks.  
AT LEAST Old Main hasn't been jacked up and carted away. I checked, and it was still there when I came by this morning—er, excuse me, please, I think I'll check again.

I FOUND that President Murray now has his office right next door to his home.

New sidewalks not only improve the appearance of the campus, but should be fine for student health and safety in full weather.

Men students are housed on campus now, in the men's residence halls. This is another example of what can be done with barracks to fill a pressing need temporarily.

HIGHWAY 51 still runs through the campus, but construction on the new strip east of the physical plant seems to be making good progress, so the hazard of heavy traffic through campus should be eliminated before too long.

I am sure that there have been many changes I haven't discovered yet, and I wonder if I ever will catch up with all the developments. No doubt, I am experiencing many of the same things the Freshmen are going through. I have difficulty finding some of the offices at the

THE MID-SUMMER meeting of the Student Council was called to order by President Jerry Fear. Roll was taken by the secretary, Carolyn Bernhart. Those members who were present were Wilma Beadle, Carolyn Bernhart, Jerry Fear, Lewis Hoover, Mary Meyers, Dallas Talley, Louis Willson, and Barbara Von Behren.

A discussion of the cafeteria's discount rate on meal tickets was held. A motion was made by Barbara Von Behren that "the Student Council does not approve of the slash of the discount rate on the meal tickets at the cafeteria and canteen. The motion was seconded by a majority vote of the Council.

JOHN DAVIS and Mary Meyers were appointed vice-chairmen to help Dallas Talley on the Leadership Conference. Jerry Fear approved on Career's Day. It has been set for February 10 and 11.

THE STUDENT CHRISTIAN FOUNDATION requested an assembly for Religious Emphasis Week. The motion was made by Lewis Willson, and seconded by Barbara Von Behren. It was passed by a majority vote of the Council.

Dr. Flochmann's request for an assembly during the Leonard da Vinci Festival was refused. A motion was made by Wilma Beadle that the Council suggest that the committee be given an assembly, but that it not be counted as one of the Student Council's limited number of assemblies per term. The motion was seconded by Dallas Talley and passed by a majority vote of the Council.

A discussion was held concerning the cheerleaders. It was decided that the cheerleaders should be reimbursed in part payment on new uniforms.

Sponsors for the coming school year were elected as follows: Dr. Coleman was re-elected as fiscal sponsor, and Dr. Winters was elected as faculty adviser.

A MOTION was made by Wilma Beadle, that the Council pay damages for the party held and be reimbursed from funds collected on fines on the student leaders of the raid. The motion was seconded by Dallas Talley, and was passed by a majority vote of the Council.

A discussion of the cheerleading squad was held. Carolyn Bernhart, Ita Lou Bozarth and Ed Durling were appointed to help the cheerleaders. The cheerleaders were approved \$8 dollars for fall term. A motion was made by Lewis Willson and seconded by Talley that the meeting adjourn.

THE FIRST REGULAR meeting of the Council for the 1952-53 school year was held Thursday, September 4. The meeting was called to order by President Jerry Fear. Minutes of previous meeting of July 8, 1952, were read and approved by the Council. Roll call was taken, and those members present were Wilma Beadle, Carolyn Bernhart,

MEMBERS OF SOUTHERN'S AFROTC staff are from left—Sgt. Snyder, Sgt. Wray, Sgt. Meagher, Sgt. Potter, and Sgt. Gardner; second row, from left—Lt. Thompson, Capt. Estes, Col. Vickers, Col. Halderon, Capt. DuBois, and Lt. Schuetz. For the exception of Capt. P. M. Lundt, the above picture includes the entire AFROTC staff.

ENTERING ITS SECOND year at SIU, new faces have appeared among the staff members of the AFROTC and some assignments have been changed. In order to acquaint the returning cadets as well as the new members with the members who will be guiding them toward a commission in the U. S. Air Force let's take time out from the rigors of registration for just a minute.

Personnel from all points of the country are here to lend assistance to cadet education. Some have traveled the world over and fought, with lives at stake, for our country. All are specialized in training for a military life. They are here to help in any way they can so cadets are encouraged to come forward and ask questions.

The Professor of Air Science and Tactics, Lt. Col. Oliver K. Halderon, is no stranger to University life. Col. Halderon took over the reins of SIU's ROTC in August of 1951, with two years experience as PAST at the University of Missouri.

A GRADUATE of Augustana College, Rock Island, Illinois, the tall, popular Colonel has a long and distinguished record with the Air Force, dating back to June 1941. Lt. Colonel Benjamin P. Vickery is the same man the returning cadets will remember as Major Vickery, commander of cadets last year. Colonel Vickery, the Training Officer this year, received his promotion while at summer encampment at Scott Air Force Base.

Sponsor of the flying club here at Southern, and the first of the Air Force personnel to be assigned here, Colonel Vickers is never too busy to help a student.

Taking over as Commandant of Cadets is Capt. Paul M. Lundt, Jr. Starting his second year at SIU, he is very familiar with the problems of the student having been the Commanding Officer of a student squadron at one of the Air Force's largest training bases, Lowry Air Force Base, Denver, Colorado.

ONE OF THE NEW faces on the staff is that of Capt. Russell Oakes. Capt. Oakes started his life in Wisconsin and came by way of Africa, Europe, Korea, and Las Vegas to Southern.

Before pushing higher planes around the skies, Capt. Oakes spent some years at his home town college, Carroll College, and majored in English and science.

The second new member to join the staff is Capt. Thomas A. DuBois. Capt. DuBois is a local man, coming from Colburn, where he is now living with his wife and daughter. He spent some time at Southern as a student before entering the service in 1942. He returned to Southern after the war only to have Uncle Sam recall him in 1951.

MOVING RIGHT ALONG into his second year with the program is Lt. Kenneth Schuetz. The likeable Lieutenant is a graduate of the University of North Dakota where he majored in industrial engineering.

Lt. Schuetz's home is in Crookston, Minnesota. During the war he spent his time in the Pacific with the 20th Air Force.

Another instructor recalled by the

Air Force is 1st Lt. Francis Thompson. A veteran of the Pacific where he was attached with the Troop Carrier Command, Lt. Thompson comes from Kalamazoo, Michigan. Lt. Thompson was assigned to Southern in June 1951 and he will be handling the same job as instructor that he had last year. During the summer months he assisted the Advanced Cadets at summer camp in Texas and he claims he had first hand experience with his Spanish while at camp.

GLANCING INTO the enlisted ranks now we find another familiar face, M. Sgt. Robert Snyder. Coming to Southern by way of San Antonio, Texas, Sgt. Snyder originally hailed from the city of Chicago.

His first encounter with the service came in 1948 when he enlisted in the Illinois National Guard. His unit was federalized and he pounded the earth until 1948. A short lived civilian career ended in 1947 when the Sarge enlisted with the Air Force. Probably the best known of ROTC is M. Sgt. James W. Denton. Claiming Washington as his home state, Sgt. Denton will no longer be the man to see in the administration office of the ROTC. This year Sgt. Denton will be buried deep in paper work at the Training NCO assisting Capt. DuBois. He will also spend some time in front of the blackboard instructing the AFROTC students.

IN HIS SPARE time Sgt. Denton will continue as co-sponsor of the flying club. The Sarge has had his private flying license for six years and his face is a very familiar one at nearby Muralde Airport.

The job of administrative NCO will be ably controlled by TCO David Wray. Another newcomer to the staff and a native of Nashville, Tenn., Sgt. Wray came into the Air Force in 1942. He served in Europe for fifteen months as an

aerial photographer before he was discharged in 1945.

The well known T. Sgt. Wade Gardner, Student Records NCO of last year, will be among the present this year. Sgt. Gardner will be doing the same work this year and will also be out on the drill field teaching the men how to march the Air Force way.

SUPPLY PROCEDURES and inspection, and writing for the ROTC section of the Egyptian will be some of the duties of Sgt. Philip J. Meagher, Jr. Working with Supply in the Air Force since 1948, Sgt. Meagher still feels he has more trouble explaining the pronunciation of his name than he has with Supply. (Meagher is pronounced like Mar).

A native New Yorker and the youngest member of the staff, Sgt. Schreffrig Air Force Base, Michigan in February of this year. He spent some time in Alaska and believes the cold country up north to be excellent in every respect.

GREETINGS!

Lt. Col. Oliver K. Halderon, PAST, and his staff greet the large group of male students, who are entering SIU, in the Mens' Gymnasium last Saturday morning. A brief explanation of the AFROTC program was presented by the Colonel and his main points of particular importance to the new students were stressed as follows:

(1) Physically unqualified men must enroll in the ROTC program and they would be petitioned out of the course if their course so warrants.

(2) Requirements for the deferment. The Colonel pointed out that the men would be given a General Classification Test, they must be physically qualified, and they must have an average grade of C or better in order to receive and hold a deferment. One failure in the ROTC course would cancel a deferment.

(3) The annual Military Ball. Col. Halderon told of the great success of the Military Ball last year at the Carhondele Armory and he expressed the desire for 100% attendance this year, on the evening of the 5th of December 1952.

COL. HALDERON also mentioned that the ticket prices for this year's military ball would be set at a reduced rate until Oct. 1, 1952. The reason for the reduced rate for the next few weeks is to encourage students to purchase their tickets early. The ticket sale information gathered before October first will largely determine the plans for the ball, which is the main social function of the AFROTC school year.

The Training Officer, Lt. Col. B. P. Vickers, immediately turned to the students and he spoke of the uniform requirements for the cadets. He placed great emphasis on the importance of neatness and cleanliness while wearing the uniform. The

Add Thirty-Two Faculty Members To SIU Staff

Thirty-two new faculty members have been appointed to Southern's staff beginning this term.

Those appointed for the coming academic year are Dr. Anna Carol Fullis, lecturer in home economics who received the Doctor of Philosophy degree from Ohio State university; Dr. Marian Elizabeth Ridge-way as lecturer and visiting professor of government, who received the Doctor of Philosophy degree from Vermont; lecturer in Nutrition, Master of Arts degree from the University of New Mexico; Dr. James H. Hall, lecturer in education, Doctor of Philosophy degree from George Washington university.

IN THE ENGLISH department there is Dr. Schneider, instructor, Master of Arts degree, Northwestern university, and Dr. Edward Earle Schibz, associate professor, Doctor of Philosophy degree, University of Michigan. Other new faculty members are Miss Edna Griffith, lecturer in music, Master of Music degree, Indiana university; Dr. F. Earle Lyman, associate professor of zoology, Doctor of Philosophy degree, University of Michigan; Fred Warner Roth, assistant professor of agriculture, Master of Science degree, Michigan State College.

Two new psychology assistant professors, Master of Arts degree, Ohio State university and Dr. William Wesberg, professor, Doctor of Philosophy degree, Pennsylvania State College. In the mathematics department will be Dr. Annette Sinclair, assistant professor, Doctor of Philosophy degree, University of Illinois.

BUSINESS Administration has as a new department chairman, Dr. Guy Trump, professor, Doctor of Philosophy degree, State University of Iowa. Others include Charles Richardson, lecturer in health education, Masters of Public Health, University of Michigan; Dr. Robert Harris, lecturer in philosophy, Doctor of Philosophy degree, State university; and Albert Mudgett, instructor in industrial education, Master of Arts degree from the University of Minnesota.

Dr. Howard Goldman, lecturer in economics received his Doctor's degree from the University of Michigan; William Kohler, instructor in foreign languages, Master of Arts degree, Indiana university.

Miss Elizabeth McKay, associate professor in guidance and special education, Doctor of Philosophy degree from Syracuse university; Dr. Anita Zoroli as assistant professor in psychology, Doctor of Philosophy degree from New York university; and Milton Sullivan, instructor in the university school, Master of Arts degree from Columbia University Teacher's college.

IN THE SERVICES the new members are Baker Brownell, assistant director of area services and visiting professor of philosophy, Master of Arts degree, Harvard university; Paul Ebbell, supervisor of auxiliary enterprises, Master of Science degree, University of Illinois; Miss Daggett McGinnis, instructor in library services, Master of Science in Library Science, Columbia University School of Library Service; and Roland Schlieve, lecturer in the audio-visual aids service, Master of Science degree, University of Wisconsin.

New Vocational-Technical Institute faculty members are as follows: instructor, Edwin Pearson, in structure, Roy Bond, lecturer, Raymond Schultz, lecturer, and Frank Vaughn, lecturer.

Dr. Helen Zimmerman will be an associate professor in the women's physical education department. She received her Doctor's degree from Northwestern university.

New associate professor at University school is Dr. John Pruitt, who received his Doctor's degree from Northwestern university.

uniform must be worn in its entirety or not worn at all, he said.

COL. VICKERY explained the basic course of World Political Geography and the number of hours he cadets would spend in the classroom and on the drill field each week.

The new cadets were asked to give their individual clothing sizes available when they are issued their new uniforms on Wednesday and Thursday, Sept. 17 and 18, during their ROTC class periods. The winter blue uniform will be issued at a later date.

The informative session was then opened for questions.

Major Offices Change Locations

DR. ROBERT L. SUTHERLAND

Dr. Sutherland Addresses 202 Summer Graduates

There is much talk about personal maladjustment but not enough about the positive side of adult adjustment. Dr. Robert L. Sutherland told the summer commencement audience here at Southern August 8. He said, the growing number of adults and older persons in the United States emphasizes the fact that it is time for society to consider their problems.

Sutherland, director of the Hogg Foundation for Mental Hygiene, University of Texas, was the speaker at 202 received degrees from SIU at McAndrew Stadium in outdoor exercises closing the summer session. Master's degrees were granted to 62 persons and bachelor's degrees to 140.

"Everyone of us holds a spark of nobility, wants to accomplish something which in itself is good and lasting," he said. "This sense of real achievement may be obtained through the home, through the school, through the community, and through the job, but life is most constructive if all these relationships provide such an opportunity."

HE INDICATED that facts about personal maladjustments—divorce, delinquency, mental illness—were well known, but that work im-

proving or changing the adult is a newer idea. Dr. Sutherland observed that an adult can change if he knows that he needs to and knows just where the change ought to be.

Graduating with high honors were Douglas Grace Fulkerson, Carbondale; Rita Marie Preyer, Salem; and Marilyn Edna Stroh, Route 1, New Athens. Honorary graduates were W. R. Bridges, De Soto; and Annamae Todd, Pinckneyville.

University President Delte W. Morris conferred the degrees. Music for the professional and recreational was by the University's summer band under the direction of Dr. Mauris Kesar, chairman of the music department. Everett LeMay, Mt. Vernon, graduating senior, gave the invocation and benediction.

Other office changes are in the making, but their time of relocation and their site are as yet undecided. The moving of these offices will depend upon how fast construction on campus takes place.

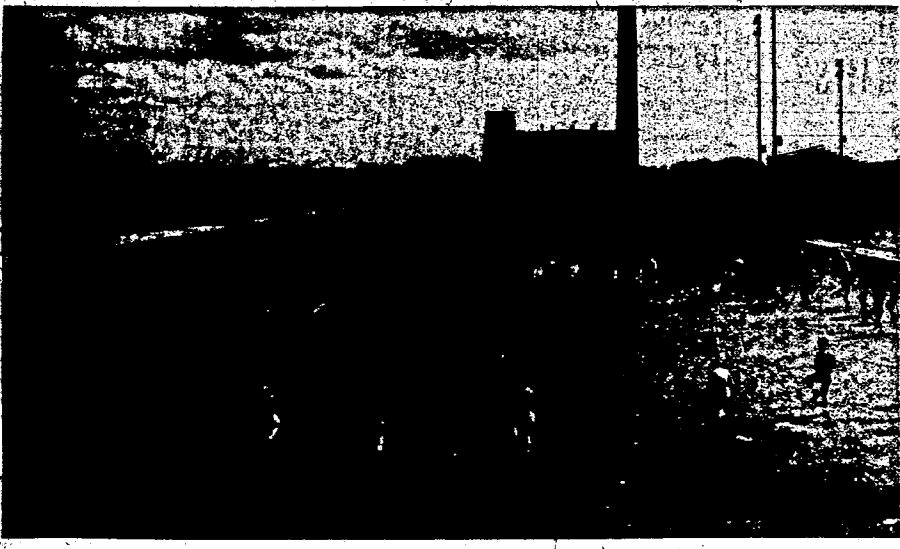

Advertisement for 'Most Important Young Man in America Today...' featuring a portrait of a young man and text about military service and education.

Who is he? This chap represents thousands of young, red-blooded sons of great American families. He is ready to stand on his own, to carry his share of responsibility. He is preparing for a bright future and desires to train further toward his success. He wants peace, security, and a full life for his family and home. If need be, he is ready to defend his rights and his country. When called on to serve in defense of American liberties, he will be fully trained and equipped to fly and fight with the U. S. Air Force.

This is what he will do— Today's college man will plan to stay in school and graduate if at all possible. If he is faced with early entrance into military service and possesses at least two years of college, he will enlist as an Aviation Cadet in the U. S. Air Force and choose between becoming a Pilot or Aircraft Observer. After a year of the world's best instruction and training, he will graduate into a real man-sized job and wear the wings of America's finest flying fraternity. Commissioned a Second Lieutenant in the U. S. Air Force, he will begin earning nearly \$5300 a year. His future will be unlimited!

Over sixty prospective candidates answered the call to practice, including five lettermen from last season's squad, and many promising freshmen from the surrounding area.

# 'Abe' Martin Resigns As Athletic Director

Glenn "Abe" Martin, Southern's athletic director since 1944, has asked that he be relieved of that duty. Martin has requested that he be allowed to devote full time to coaching and teaching.

Martin's request was made last month and official action is expected Sept. 25 when Southern's board of trustees meet. Choice of successor is also expected to be discussed at that time.

MARTIN SAID he wanted to get out from behind his desk and back into full-time coaching and teaching. He plans to limit his coaching to baseball, which he revived here in 1947. Last year Martin's team won the IAC championship.

A native of Fairfield, Martin came to SIU in 1938 as assistant football coach. He was graduated from Southern in 1941 after starring in football as a quarterback.

IN 1939 he took over as head football coach. Later he also coached basketball from 1943-46. He succeeded the late William McAndrew as athletic director in 1944, and retained as head football coach after the 1949 season.

Since the close of the spring term several other changes have been made in Southern's coaching staff. Bill Waller resigned as head football coach to teach at Crisp, Mo., high school and was succeeded by Bill O'Brien, Charles Mathieu and Jim Lovin, both assistant grid coaches last year, now have high school jobs. Mathieu is head football coach at Marion and Lovin is head football coach at Benton.

Coach Bill Kelly expects 23 lettermen back including Guard Loren Dietrich and Back Dave Clark, all-conference material last season.

SOUTHERN will meet one of the Big Three on its home field, Western is here Nov. 7. The Salukis play Northern at DeKalb Oct. 21 and Central Michigan at Mt. Pleasant Oct. 18.

For their part, the Salukis will be concerned this season with getting out of the league cellar where they finished last year behind Eastern Illinois, Michigan Normal and Illinois Normal.

Cross-Country Practice Starts Coach Leland (Doc) Lingle began practice for his cross-country squad last Wednesday. Lingle has only two lettermen back from last year's squad, captain Jack Theriot, Florida, and Jack Martin, Mt. Vernon.

Absent from this season's squad is Southern's great track and cross-country star, Phil Coleman, Coleman, who holds the school record in the mile and two-mile, graduated last June.

Anyone interested in competing in cross-country may contact Lingle in the men's gym.

## List Schedule For Grid Season

Southern's grid squad will take on an eight game schedule this fall, including five home games at McAndrew stadium. Cape Girardeau and Washington university are the only two non-conference opponents that the Salukis will face this season.

Arkansas State, a team which has become a small powerhouse in the last several years, was dropped from this year's schedule. Last season, the Indians rounced a hapless Southern squad 68-0, for the worse beating a Southern team has ever experienced.

- The 1952 schedule:
- Sept. 27—Cape Girardeau—here—8 p. m.
  - Oct. 1—Illinois Normal—here—8 p. m.
  - Oct. 11—Northern Illinois—three—2 p. m.
  - Oct. 18—Central Michigan—there.
  - Oct. 25—Eastern Illinois—three—2 p. m.
  - Nov. 1—Washington university—here (Hannontown) 2 p. m.
  - Nov. 7—Western Illinois—here—7:30 p. m.
  - Nov. 15—Michigan Normal—here—1:30 p. m.

## Employ Bob Franz As New Assistant Coach

Bob Franz, former Tulane University and professional football player, has been hired as an assistant grid coach.

Franz, 27, is a native of Crystal Lake. He played tackle and guard positions and captained the Tulane team in 1948. After graduation in 1949 he was signed by the Chicago Cardinals for the 1950 season.

An injury kept Franz out of action during the 1951 season and that year he worked as a salesman in Crystal Lake. The Chicago Bears signed him this year before Franz accepted the position at SIU.

Jim Wilkinson, Southern's other assistant to Head Coach Bill O'Brien, returned to campus Sept. 1 for the opening of practice. Wilkinson worked this summer on his doctor's degree at Indiana University.

# O'Brien Faces Task With Sixty-five Candidates

Southern's new head football coach Bill O'Brien will face his task of rebuilding and cellar vacating with a squad that now numbers sixty-five players. Of the sixty-five prospective gridlers, six are returning lettermen, eleven are up-grademen, and forty-eight are freshmen.

SOUTHERN will open the season with a home game Sept. 27 against the perennial rival, Cape Girardeau. According to early reports, Cape is "loaded" with talent for the coming season.

STANTON—Don Kotzman, freshman back.

THOMPSONVILLE—William Castle, junior back.

WEST FRANKFORT—James Golden, freshman guard.

## Northern Defends IAC Grid Crown

Northern Illinois, defending league champ, Western Illinois and Central Michigan are tabbed as top contenders for the Interstate Intercollegiate Athletic Conference football crown.

Northern Illinois' Huskies, who defeated in conference and non-conference games last year, promise to be tough again this season. Two all-conference players, Tackle Tom Biondi and Back Billy Graham, head a list of 15 returning veterans.

WESTERN, RUNNER-UP in the conference last year, is expected to make a strong bid again for the league title. The Leathernecks set a new record again SIU last season when they ran up 54 points, the highest total ever scored against Southern by an IAC team.

Central Michigan has been building its power steadily since it joined the IAC in 1949. Last year the Chippewas whipped Southern 34-13 in the season's opener and went on to take third in the conference.

Coach Bill O'Brien, Southern's new football coach, briefs a group of grid candidates before beginning his daily practice session. O'Brien, former star SIU athlete and assistant coach, took over the football reins when Bill Waller resigned from the job last August.
