School Opens, House Shortage Here Again

Armed with addresses supplied by the SIU Housing Officers, undeterred by their having come and gone, some 800 freshmen will find housing before school begins next Thursday. The demand is unusually heavy this year, reports Mrs. Paula Wilson, supervisor of all-campus housing. She estimates that around 10,000 to 12,000 students may need housing this fall. However, the housing picture is brighter this year due to a new unit on the campus where additional housing is available.

On Thursday, all freshmen who have not yet been assigned will report to the Student Housing Office at 8:00 a.m. and will be issued a card. Each student will be given a specific time to report to the dormitory assigned to him. The dormitories are: Main, Leland, and Harris. Each student will receive a key to his room upon arrival.

New Student Week in Progress

On Sept. 17, 1974, Southern Illinois Normal School held its first Student Week. The purpose of Student Week was to acquaint the new students with the facilities and programs of the school. Student Week is held every year in the fall and is a week-long event.

The first day of Student Week is known as Freshman Day. During Freshman Day, new students are welcomed to the school and are introduced to the faculty and staff. The day includes orientation sessions, tours of the campus, and a special luncheon for the freshmen.

The second day of Student Week is known as Sophomore Day. During Sophomore Day, new students are introduced to the sophomore class and are given an overview of the sophomore experience.

The third day of Student Week is known as Junior Day. During Junior Day, new students are introduced to the junior class and are given an overview of the junior experience.

The fourth day of Student Week is known as Senior Day. During Senior Day, new students are introduced to the senior class and are given an overview of the senior experience.

The fifth day of Student Week is known as Alumni Day. During Alumni Day, new students are introduced to the alumni of the school and are given an overview of the alumni experience.

The New Student Week concludes with the Homecoming celebration on Sunday, Sept. 21. During Homecoming, the school holds a football game against a visiting team, and other events are held to celebrate the beginning of the academic year.

The Student Week is an important event for new students, as it provides them with an opportunity to meet their new classmates, professors, and other members of the school community. It also helps them to become familiar with the school's facilities and programs.

Frosh Obelisk Pictures Taken Next Week

Frosh Obelisk pictures will be taken next week. All freshmen are required to have their pictures taken. The pictures will be used for the Frosh Obelisk yearbook, which is published every year.

Volleyball season is upon us, and the Frosh Obelisk will be in full swing. The Frosh Obelisk is a group of freshmen who are dedicated to making the Frosh Obelisk yearbook the best it can be. The Frosh Obelisk includes members from all classes, and it is open to anyone who is interested in helping to make the yearbook a success.

The Frosh Obelisk meets every Monday at 7:00 p.m. in the Student Union. If you are interested in joining the Frosh Obelisk, please contact any member of the Frosh Obelisk or the Student Union. We welcome all interested students.
You Can Help
By Detweil W. Morris
President, Southern Illinois University

When your parents are notified of your 108 years of service, any publication is bound to express itself. "Is your good work still being done?"

Unless you are a tickle or a fullback, you will never fight your way — any stage — or walk by, as you will not need 108 years to get through. However, with Southern's enrollment at all-time high, some facilities and accommodations may be at short supply — housing, rooms, libraries, etc.

The problem is that Southern Illinois University gets as good a fit as possible in an educational program. In fact, expansion of your program is in the works.

In addition, the school is providing additional housing for students. The School of Education and School of Nursing are now providing additional space in the library, and work is expected to begin on the new Student Center.

Meanwhile, the facilities are able to accommodate the growing requirements of the university.

Many Changes On Campus

With expanding enrollment and expanding facilities, Southern Illinois University is a growing university. The campus is growing and changing, and it is time for you to take a look at it with new eyes.

However, it is possible to take a glimpse of the university's past and present by visiting the many different facilities that make up the university. The university offers a variety of services to its students, and it is important to take advantage of them.

For example, the library is a great resource for students, and it is important to take advantage of the many different services it offers. The library is open from 8:00 a.m. to 10:00 p.m. on weekdays and from 8:00 a.m. to 5:00 p.m. on weekends.

The university also offers a variety of other services, such as the counseling center, the health center, and the career center. These services are designed to help students succeed and to help them reach their full potential.

In conclusion, the university is a growing institution, and it is important to take advantage of the many different services it offers. The university is committed to providing a quality education to its students, and it is important for students to take advantage of the resources it offers.
WHAT THEY EXPECTED
Some 240 male students showed
up at the UIU for the first year,
and of these, only 218 remained
to face the second year. Of those
218, only 196 completed the
second year. This is a
peculiar record for a
university which prides itself
on the quality of its education.

WHAT THEY GOT
Instead of being housed in
modern dormitories, the
students were forced to
live in small, primitive
structures. The lack of
privacy and the cramped
living conditions often
led to conflict among
the students.

VETERANS NEED WHAT
NON VETERANS NEED
Veterans entering college
were given priority in
admission and were
given more resources than
non-veterans. This was
a reflection of the value
placed on the service
that veterans provided.

VETERAN'S HONOR COUPON
The coupon was designed to
remind veterans of their
service and to honor their
hard work.

DORMS NOT FINISHED;
Outdoor Life For Men

Only 250 men are currently
enrolled at UIU, but the school
hopes to increase this number
in the future.

SIU Library Gets Curator's Book Collection

SIU's acquisitions of the
curator's book collection includes
some of the most significant
works in the field of
archaeology.

One of First Women's ROTC
Units Starting Here This Year

Women's ROTC units were
first introduced at UIU in 1955.

SIU Library

The collection consists of
archaeological artifacts from
around the world, including
some of the earliest known
human remains.

Varsity Theater

Shows were held in the
theater, featuring a variety
of films and performances.

RENTALS

Students were encouraged
to rent and use classrooms
for their own purposes.

ROGER THEATER

Screening of the movie
"Trapeze" on October 27.

STUNTS!

The goal of students
was to perform and show
off their skills.

This year SIU has the third largest enrollment of ALL Institutions of higher education in Illinois. Only the University of Illinois and Northwestern University surpass your school.

The total enrollment at Southern this year exceeds 6,300 students, an increase of more than 100 percent in the past four years.

Of these 6,300 students, 2,000 of you are "first termers." For many of you, this is your first time in Carbondale, and for others, probably the first time in Southern Illinois.

To these students...

We, the business people of Carbondale, wish to take this opportunity to extend a hearty and sincere WELCOME... We're glad to have you in Carbondale, pursuing your education at SIU, the university with a future... your future.

For you "old-timers," the survivors from earlier battles against the professors and classrooms at SIU... we want to say "Glad to see you again."

**Sports In Spurts**

**Bill Eyres**

The 1956 school year has arrived, and with it the 1956 football season is upon us. The Salukis open their season against Illinois Wesleyan at McAlpin Stadium.

The IU is a team that is fairly strong this year. It is very experienced and has excellent quarterback and fullback work. The biggest question mark for the Salukis is the quarterback position. The starting quarterback is expected to be Charlie Hamilton.

**Top News**

Head Coach Al Kaval has made a new move. A new member of the coaching staff, Drill Problems, will be the assistant coach for the football team.

**Field Problems**

The Salukis must improve their defense and offense to compete with Illinois Wesleyan. The IU has a strong defense and a well-coordinated offense.

**Student Life**

The student body is excited about the new season and is looking forward to supporting the football team.

**SIU Seeks Revenge In Grid Opener Vs. Illinois Wesleyan**

---

**By Bill Eyres**

The Salukis of SIU open their 1956 football season, tomorrow night at McAlpine Stadium, seeking revenge against Illinois Wesleyan (1-13 last year) for a 14-13 loss in the 1952 New Year's Eve game. As game time approaches, the concern steps up as a live bet between the two big eastern football powers.

Various Illini-ian fans will be watching the contest, with John Coles, a tailENDER, looking forward to returning to Carbondale. Also returning will be Do is Bumen, Tim Allison, and McColl, guard, and Bernard Bladon, another defensive end.

We are pleased to announce the opening of our newly constructed FIRST NATIONAL BANK PARKING LOT, located across the street from our banking quarters on North Washington Avenue.

We are happy to offer this additional service to our customers and to the customers of the merchants in our area as we realize the parking facilities in our fast-growing city are becoming more acute each day.

The ENTRANCE to the lot is located directly SOUTH of the Illinois Central Division Office building, and the EXIT is directly across the street from the bank. The space is constructed to accommodate TWENTY-FOUR automobiles, and we ask that the public using this service limit their stay to ONE HOUR.

Old customers and new will receive prompt and courteous service in our modern banking quarters.

**Junior Varsity Schedule Released**

The 1956 junior varsity football schedule is as follows:

**LITTLE MAN ON CAMPUS**

**3 New Coaches Hired at SIU**

Some new faces on the SIU coaching staff will appear on the sidelines this fall as the Salukis open their 1956 fall season against Illinois Wesleyan as an McIndoe Stadium.

A former assistant coach for Kent State University, Dan Barke, has been named permanent assistant coach for the season. Barke was assistant coach for two years at Kent State and for one year at Illinois Wesleyan.

Two other new names to the SIU coaching staff are Mike West, offensive line, and Bob Smith, defensive back.

**Coleman, Doc Lingle To Be Honored At Football Game**

Philip Coleman, first SIU athlete to qualify for the Olympic Games, will be honored at the Salukis' opening football game against Illinois Wesleyan Saturday afternoon.

Meanwhile, a special drive to raise money for the purchase of a new coach for the former coach, Elrod F. (Doc) Lingle, to the Olympic Games will be held. At this writing, only $500 had been collected, with between $1000 and $1500 the goal. A ticket to the drive is to be held at the Olympic Games with proceeds going to the Lingle Athletic Fund.
