Open Hearing On Senate Floor For U.S.I. Bill Mar. 31

On Wednesday, March 31, an open hearing will be held on the Senate Education Committee last week with a favorable vote of 7 to 2. The two dissenting votes were cast by Senators Dick and Peters...

The bill was reported out of the Senate Education Committee last week with a favorable vote of 7 to 2. The two dissenting votes were cast by Senators Dick and Peters...

President Phillips, Dr. Schneider and Dr. Tenney will probably be present at the open hearing to present our side of the bill. It is not known who will represent the opposition but it is expected that Dr. Griffiths and Wells will be called upon to testify...

Current Little Gallery Display Contains Many Interesting Studies

By JAMES GRAVES. Completely without failure the latest exhibit gallery installed in the Little Gallery last week has a display of the same quality as the previous one. It is a collection of 150 small oil paintings by various artists...

New Artist-in-Residence, Raymond Breinin, to Arrive April 1

Raymond Breinin, noted Chicago artist, is scheduled to arrive on the campus of Southern Illinois Normal University on April 1 to replace Aaron Bohrod, former artist-in-residence at S. I. U. who recently departed for the South Pacific war area to take part in the recording of a pictorial history of the present world conflict.

More Southern Men Enter Army Air Corps

Delmar H. Lovell, Art Johnson, M. J. Gumpert, James Pierce and Walter McDonald will leave this week for Army cadet training in the Army Air Corps. They will be stationed at Tuskegee Army Airfield, Okla., for their basic training. All are members of Sigma Epsilon Alpha, Methodist fraternity on the campus.

Peterson, Shridharani Speak To Teacher's Group Friday

SPEAKERS ENLIGHTEN AUDIENCE ON MANY CONTINGENCIES OF PRESENT WORLD SITUATION

Despite the blight of rationing and other war measures, over 1500 teachers from the southern Illinois area attended the third annual meeting of the Southern Division of the Illinois Education Association held last Friday at Shroyok Auditorium on the campus of Southern Illinois Normal University. Highlighting the program which included many musical numbers rendered by college organizations and the general business of the assembly, was the presentation of two outstanding speakers...

Mr. Peterson described the predicament of the Chinese potentiate as he was an eye witness to their heroic struggle. A native of China, Mr. Peterson was born in Hong Kong, is half Chinese and during the past few years has spent much time in traveling through the interior of his homeland.

He concluded his address with the statement that the Chinese have fought this war knowing that right is right and wrong is wrong, and that there is no compromise between them.

Shridharani Presents Case For India. Dr. Krishnalal Shridharani of India, perhaps one of the best known in America on the Indian problem, was the main speaker of the afternoon session. Dr. Shridharani effectively presented the case for India. He described the vast natural resources of his country, how it was the sixth largest industrial center of the world, and how it maintains the world's largest sugar industry. Second only to the United States in natural resources it is a huge "bread basket."

Commenting on India's right for freedom he said, "I'm not fool myself about the strength of our position in America on the Indian problem. It was the British Tories to consider it the British problem. It was only for the benefit of the United States, it was a comedy that turned out to be a tragedy for India."

In answering many of the questions asked by the audience on India's freedom he said, "So that if the Moslems and Hindus are not united, we will have a civil war. The battle of Asia is not a people's war. To do this is a psychological revolution which will grant freedom for the people and give freedom for the colonies is necessary."

Little Theatre Initiates Nineteen Into Ranks At Formal Banquet

Nineteen parentesses were initiated into active membership in the Little Theatre Tuesday evening, March 23 at Jackson County Community Club. This, the annual formal initiation banquet, was held earlier than usual this year to permit all the members subject to the initiation to be present. The parentesses being leaving for the Service.

Following the tradition of past years the formal ceremony took place at 7:30 p. m. and was followed by the dinner banquet. The banquet table was beautifully decorated with gladioli, snapdragons, and fern in the center-piece, flanked by tall white taper candles in crystal candlesticks. Candle light and glowing lights in the room, at one end of the banquet hall, illuminated the table.

Each newly initiated member found a favor beside his plate in the form of a gift certificate. The girls received packages of salmon pink gladioli, and the boys and girls all to take part in the initiation.

Entertainment Provided By Group. The five course dinner was followed by a program of music and speeches. Miss Annabel Scott and three other members of the group.

Rolens Joins Commerce Faculty

Miss Dorothy Rolens of Springfield, Missouri, was recently added to the faculty of the Southern Illinois Normal University Commerce Department.

Miss Rolens, who received her Bachelor of Education degree from the Southern Missouri State Teachers College and her M.A. degree from the University of Missouri, was previously employed by the A. and M. College at Stillwater, Oklahoma, where she taught commerce to the Army Air Force Technical School cadets.

For several years preceding her coming to the A. and M. College, Miss Rolens was head of the Department of Commerce of the Flat River Junior College in Flat River, Missouri. In addition to her classes, she is in charge of the Commerce Division of the Missouri State Teachers Association and Membership Chairman of the National Business Teachers Association, Commerce Dept. Now Has 4 Members.

Miss Rolens now makes the fourth faculty member of S. I. N. U. Faculty associated with the commerce department. To date, Miss Rolens is the head of the department. Other members are Miss Van X. Hubbell and Miss Shive. Miss Rolens was recently made Assistant Business Manager of the college but still retains her status as a member of the commerce department, which will be continued teaching on a reduced scale.

The increasingly important Commerce Department of Southern Illinois Normal University offers many special supplementary courses. Regular ten-year courses are supplemented by a three-year typical and accelerated, in addition to a two-year course in general law.

Very valuable also, among them, are the business administration, marketing, auditing, cost accounting, business negotiation, and the marketing.

ARMY, NAVY QUALIFYING TESTS WILL BE GIVEN ON CAMPUS NEXT FRIDAY

Prospective students for the Army Specialized Training Program and the Navy College Training Program will take qualifying examinations in Shroyok Auditorium at 8 p. m. on Friday, April 2. Those taking the tests will be exempt from classes during the two hours of the test.

Most boys accepted for the Army Specialized Training Program and the Navy College Training Program will be commissioned officers in the Army, Navy, Marine Corps, or Coast Guard. The Army and Navy will pay all expenses at the residence of students selected on the basis of the tests on April 2.

There will be no further tests for some months, all college and high school students or recent graduates will have to take the April 2 examinations to qualify for the tests. This is an excellent opportunity for every applicant, especially for those who are likely to be drafted with in the next year.

Purpose. The purpose of the tests is to aid in the selection of prospective officer material for the Army, Navy, Marine Corps, and Coast Guard. The examinations are designed to test the aptitude and knowledge of the candidates who will express a choice for the Army or Navy at the time of the examinations. Those who are selected for either the Army Specialized Training Program or the Navy College Training Program.

CARVETH WELLS TO ADDRESS STUDENT BODY; CHAPEL HOUR WILL BE HELD NEXT TUESDAY MORNING

COED VOLUNTEER CORPS

On the job at most campus activities and at the Variety Theatre, the Coed Volunteer Corps is to be seen contributing no little to the county War Stamp and Bond Drive. Dr. Richard Beyer, who heads the County War Savings Committee, disclosed that the Coed Volunteer Corps has two principal aims: one, making bonds and stamps available at all times and in convenient places; two, keeping the War effort drive constantly before the public eye as an advertising agent.

The Coed Volunteer Corps is representative of various campus groups including societies, organized houses, and clubs; all work together smoothly as an efficient cooperative organization. Carolyn Cook of Cartersville, who has withdrawn from school, formerly headed the C.V.C.; Geneva Calcaterra of Havana, Mo., captains leads the group.

Soon to get under way is the County War Savings Committee's "A Stamp-A-Day-For-The-Man-Who's-Away-Club," whose purpose is, as its name suggests, the installation of regular stamp purchases and their ultimate conversion into bonds.

Student Delegates For U. S. I. Present Report on Lobbying Trip

By ELAINE STEINHEIMER and TOM STEPHENSON. A delegation of ten students traveled to Springfield on Wednesday last week to lobby for the University of Southern Illinois bill now pending in the legislature. Those making up the delegation were Sara Lou Cooper, Elaine Steinheimer, Graham Crichon, Margaret Keene, Earl Brooks, Warren St. James, James Clinton, Glenn Yarbrough, Don Reynolds, and Tom Stephenson. The morning was spent in contacting senators, and presenting to them the case for the University of Southern Illinois.

When the House session began, the delegation retired to the gallery and became an audience to the debate over a proposed amendment which would limit the President of the United States to two terms in office. Rep. William V. Starr, minority leader, pointed out the amendment would be discussed by the House and then by the Senate.

The meeting lasted three hours. The last fifteen minutes were given to Mr. Pulliam, who actively presented the case for U. S. I. Dr. Wells, formerly of the University of Chicago in his retirement, had made this his most important event of the day. He was of the opinion that the University of Illinois was centrally located for the entire region in so far as its influence and population was concerned.

His views agreed on the matter of Southern's need for a center of culture, but the opponents claimed the Junior College plan would reach more people at less expense.

Clashes of the new and potential areas of fighting in World War II, and their implications for the Americas in possible Axis thrusts, are to be given to the student body by Carveth Wells...

Wells will talk on the subject "Strategic Materials" under the auspices of the College Entertainment Committee.

For years Carveth Wells has been widely recognized as an outstanding speaker on Axis, African and European countries, people, geography and social and economic characteristics. Having been in the war zone since the outbreak of hostilities, he has been in demand by outstanding organizations to discuss vital questions affecting the United States.

Wells has visited the North African battle fronts and for military moves in the Near East. He has visited Malaysia, Japan and the Far East since the intensification of the crisis in that part of the world. He has traveled through Russia from Leningrad, through the Ukraine, the Caucasus Mountains, over the Georgian Military Highway to the border of Turkey—locations of the heaviest fighting since the Axis invasion started on their communist neighbors.

He has been the leader of expeditions into the heart of Africa in the past year. He has returned with a book which has become a volume of interest to American students in the present war. Mr. Wells has visited the Belgian Congo, Canada, Kenya, Egypt, the Sudan, Morocco and Algeria. He has conducted the National Mountaintop of the Moon and as a result addressed the Royal Geographical Society in his African explorations.

Before his emergence as an outstanding speaker, he was a writer. Carveth Wells was an engineer. After graduation from the University of London Engineering College he took part in the Canada War effort. He was the assistant Tank Truck Field Highway in Canada. Then he was commissioned to survey the Far East transportation link between Singapore and Bangkok—the East Coast Railway of the Malay Peninsula.

2nd Contingent Of Air Corps Trainees Here

The second contingent of army cadets arrived on the campus March 11. They are always well underway in the Army Air Corps training program. The Van Van Apartments and Anthony Hall, women's dormitory, are being utilized to house the trainees. Until the completion of the S.I.N.U. course, Anthony Hall has also arranged to serve meals for the cadets on the approval of the quartermasters' department. As such training facilities in the point where actual flight training will be provided, Norton Airport will be used to train the future aviators.

The U. S. I. Air Corps training program is being conducted in the point where actual flight training will be provided, Norton Airport will be used to train the future aviators.

Girls Name House Of 806 Kai Shek Hall

A great tribute was paid a few weeks ago to our ever-remembered hero, the late Generalissimo Chiang Kai Shek, by the former girls of 806 new building at 505 South Illinois. They have named their house Kai Shek Hall after the famous Chinese leader.

Plans for open house are being made and the girls are attempting to create a Chinese atmosphere.

In an interview, president Elizabeth Powell stated, "We are proud of our name and we are proud of the things we do for the work of the Madame in being in the United States. It is doing for her beloved China, which is indeed, noble."

DANCE TONIGHT. There will be a Student Council Dance at the Main Gymnasium. An orchestra has been engaged and the Air Cadets will be there. Six announcements posted on campus for further details.

WORK For The U. S. I.

NUMBER 22

This World of Music

By BEEHIVEN

Arturo Torrocani, who was taken ill in Philadelphia recently, has recovered and returned to his home in Riverside, New York. The concert he was scheduled to give with the NBC Symphony Orchestra at Carnegie Hall for the season of the Master Festival of Intonatic Paralytic took place on March 24, the day before his seventy-third birthday.

What may be the first performance on record of Bach's St. Matthew Passion music in scenic form is promised for L'Ermitage in Montreal by Wilfred Pelletier and the Montreal Festivals next month. The basis for the scenic form is found in the structure of the work itself, and follows the plots of the medieval mystery plays, which were dramatizations of Bible scenes, Herbert Graf of the Metropolitan Opera will be responsible for the scenic production.

When Jascha Heifetz played in Providence, Rhode Island, on March 25, he kept a promise made more than twenty-five years ago when he had to cancel a Hartford Band Concert because of the influenza epidemic. It was expected that this War Bond Concert brought in \$10,000.000. It was attended by leaders of the industrial, political and musical life of Rhode Island and admission was by "war bond" only. When the 1917 concert was cancelled, Mr. Heifetz said: "If a similar occasion arises, I shall be glad to give my services to help the country."

The quality of many composers goes to contemporary composers has been made the subject of a letter of protest by Eugene Ormandy, conductor of the Philadelphia Orchestra. Mr. Ormandy says that every time he presents a modern composition he gets a batch of letters objecting to the "intrusion of the new piece in the program."

Edward J. Sullivan, actor at Georgetown university recently was awarded the degree of the Phi Kappa Phi Honor Society. His father won the medal in 1917.

"If new music is not created," the conductor said in his open letter to members of the Philadelphia audience, "the art will enter into a period of atrophy and decay. Most Americans are interested in the social development of a great national music and certainly no supporter of symphonic music in America wants a dead art."

Watches will be the purchase price of 500 seats at the concert to be given on April 11. The seats will be given away in a drawing at Carnegie Hall as a benefit to get wrist-watches for Russian officers, soldiers, doctors, and nurses. The rest of the seats will be on sale for money, all of which will be used to buy new watches. Experts will examine watches offered for seats.

OFF THE PLATTER:
Frankovsky, Fire Blvd Suite, NBC Symphony Orchestra conducted by Leopold Stokowski, (Victor DM-333, three twelve inch records.) Granting that Mr. Stokowski makes a vehicle of Strakosky's music, it is a great exceptional virtuosity from what ever ensemble he leads through it, one wonders why it was considered sound procedure for him to record it for a third time. He made it in 1917, he made it with the Philadelphia Orchestra some years ago. Later he directed the All-American Youth Orchestra in it. Now he puts the NBC Symphony through the music. There are also old recordings conducted by Strakosky and Kiebler, but these may be hard to obtain today. That leaves the buy or a choice of Stokowski and three different orchestras, unless Victor is withdrawing the one with the Philadelphia Orchestra. The latest is good Stokowski and the NBC Symphony sounds in lively fashion. The recording has bright technical sheen.

STUDENT WAR GROUP IS FORMED UNDER DIRECTION OF S. COUNCIL
(Continued from page 2)

Large of getting students to register for different activities and taking this activity as a hobby. The War Council has the largest task of trying to secure students to fill the need for workers in and around Carbondale. The committee will work closely with the Student Emergency Council, but all members are on a volunteer basis. The Scrap Salvage committee is to get student interest behind the various scrap drives. The Social Activities committee works with the other departments on the campus in all raising money and other forms of entertainment for the cause. The War Bonds and Stamps committee takes charge of getting people to sell bonds and stamps at various functions where they are to be sold. The Relief Drive committee helps with the Navy and Army Relief drive. The Physical Fitness committee also will hold talks to encourage physical fitness on the part of the students. Each committee will select a student chairman and a faculty sponsor. The War Council as a whole will select a permanent chairman and faculty advisor. Student chairman of the different committees and the chairman and faculty advisor of the Council will serve as a general steering committee to guide the activities of the War Council as a whole.

Sigma Sigma Sigma

Mrs. Davis, formerly Shirley Ann West, spent a few days visiting at the sorority house. Today-Tuesday Day will be observed Thursday, March 26, and Friday, March 27, as the day that was turned over to the pledges who do not act for the one day. Open House, March 26, at the new chapter house, was well attended. We wish to apologize to those boys who felt that because they were not "especially" invited.

Pi Kappa Sigma

The Pi Kappa installed their new officers in their new chapter house at 306 South Normal last Monday evening at regular meeting. The officers will serve for the years 1943-44.

Joe Mae Jones, a Junior from Sevier, president of Pi Kappa Delta, student chairman of the U.S.I. Program, and prominent in other school activities, has been chosen president to succeed Mary Ellen Daniel, a senior from Chicago. The other officers are: Scott Felt, Hon. of Carbondale, vice president; Shirley Miller of Scott Field, corresponding secretary; Frances Wylie of Murphysboro, recording secretary; Betty Russell of Benton, treasurer; Elsie Ruppel of the West Plains, representing editor and press agent; Ruth Day of Carbondale, keeper of the archives; and Darry Ackerman, set-pointer.

The co-ed explains for the same year are Phyllis Smith and Elsie Madunas. The Pan-Hellenic representatives are Esther Jane Craver and Pat Pulliam.

Pi Kappa Sigma is now making plans for an open house to be held some time in the near future.

Kappa Delta Alpha

Kappa Delta Alpha Fraternity celebrated the end of a very successful decade as a social brotherhood last week in accordance with the war effort, no elaborate celebrations were held, but the boys who are still fortunate enough to be on the campus paid due homage to those who founded the fraternity and vowed to keep it alive as long as one man remained on the campus. KDA has, until now, done its part toward the winning of the war because scores of alumni are already in the armed forces and all but three of those remaining are enlisted waiting to be called into active participation.

Delta Sigma Epsilon

Walter W. Kirkland, a LIFE magazine selected Margaret Van Trump, of Bryant, to Missour's Queen of 1942 at Missouri State Teachers' College. There were five other Queen candidates who served as maid-of-honor.

Miss Van Trump is a member of Delta Sigma Epsilon, and the Girl's Trip, and is prominent in musical activities. She attended Southern last year.

COLLEGE RADIO NEWS

MADLEINE CARROLL
ANNE FAIN HALL
When Madleine Carroll began her daily 15-minute reading program she said she was doing it primarily to bring a bit of sunshine into the lives of the students. Letters she receives in response to her CBS "Madleine Carroll Reads" program prove she has succeeded in attaining that goal.

One letter from a Tampa, Fla., youngster said: "I am a little boy in school and cannot wait. I listen to your program every day. Will you please send me your picture? I would love to have one. I am unable to go anywhere and must sit all day in an invalid's chair. I have 'spastic paralysis'."

Another from a soldier in a veteran's hospital reads: "You and CBS are the answer to a veteran's prayer. I have been bedridden for six years. I have often wished that some radio company would adopt the idea of having someone read a book to their shut-in listeners. This is my first for letter but I feel I had to express my appreciation for your service efforts."

But, in contrast, some of the letters to Miss Carroll reveal an eighth escapism, as the following illustrates:
"I am writing to let you know how I enjoy your program. It is such a nice pause while waiting for a French verb or math problem."

Regulated Deer Hunting.
Ruin on the Plains.
Terraing in the Northwest.
Bridging the Fire Bore.
Mexico.
Royal Parks of Canada.
Wings of Youth.
Ontario on the River.
Ottawa, a Winter Capital.

The following is a list of tentative film purchases for next year. From this list some will be purchased:
First Aid.
Development of Communication.
Pneumonia.
Wartand Movement.
Growth of Cities.
People of Hawaii.
Theory of Flight.
Elements of Flight.
Tuberculosis.
Wenther.
Simple Machines.
Children of China.

ARMY, NAVY QUALIFYING TESTS WILL BE GIVEN ON CAMPUS NEXT FRI.

(Continued from page 1)
Any students who have extra coat hangers are asked to turn them in to Alice Digiiovanna at the President's office. The soldiers need them badly.

Booklets containing information now available to entrance requirements in the WAVES and SP4RS may become consulted at either the EGYPTIAN office or Wheeler Library.

RANSOM SHERMAN ON NEW CBS SHOW
Considerable monkey business is heard on the airwaves in Ransom Sherman's new variety show, "Ransomey Ransomey," now heard over Columbia every Thursday night at 8 o'clock EDT.
Screen Star Leo Carrillo, best-known Carlos Ramirez and Lud Gluskin's orchestra share the spotlight with best-patched Ransom Sherman each week as they attend the colorful fests of Old California.

JEAN HERSHOLT NOW A D. O. C.
The honorary degree of "Doctor of Humanity" has been conferred on Jean Hersholt by Reillys College, Fla. Hersholt, who is Columbia network's "The Christian" and awarded the degree for his activities in the interests of national charity and for his literary contribution in the translation of Hans Christian Andersen's fairy tales from the original Danish.

COVERING THE MUSICAL SCALE
Swing fans have good reason to hope for a real session one of these evenings on 3100 Radio's Wednesday night show on CBS. Diane Courtney, the vocalist, is a graduate pianist, composer and arranger. Maestro David Broekman has a 19-year record in America as musical conductor, editor, arranger and conductor for radio, concert, stage and screen. And Del Sharbutt, the announcer, is an accomplished pianist, organist, clarinetist, flutist, saxophonist and choir-waiter in addition to possessing a rich baritone voice and having composed some two-score songs.

CAMPUS BULLETINS

Any students who have extra coat hangers are asked to turn them in to Alice Digiiovanna at the President's office. The soldiers need them badly.

Booklets containing information now available to entrance requirements in the WAVES and SP4RS may become consulted at either the EGYPTIAN office or Wheeler Library.

ELECTION NOTICE
The Student Council poll will be opened from 9 a. m. until 3 p. m. today to nominate candidates for an emergency election. Five freshmen and three sophomores will be nominated to fill the vacancies left on the council by the induction into the armed forces of three of the members. Those who will oppose are Don Reynolds, Henry Hinkley, and Roy Kasenda.
All students in these classes are urged to bring their activity tickets and vote. The final election will be held on the following Friday. At that time two freshmen and one sophomore will be given a seat on the Council.
