HOMECOMING OPENS WITH "TUNE IN"

CHARLESTON WILL BE HOMECOMING FOE FOR MAROONS

SOUTHERN WILL FIGHT HARD TO RETAIN LEAD IN CONFERENCE RACE

Southern's battling Maroons will enter the last lap of the Illinois College Conference race when they tangle with the Eastern Illinois Teachers here in the feature attraction of Homecoming weekend, Saturday afternoon. The Maroons, undefeated in conference play, will be in top shape as a result of the two weeks rest enjoyed by the regulars, who watched the second and third teams take a 32-0 lacing at the hands of the Cape Girardeau Indians last Friday. The same lineup which started in the four previous conference games will probably be sent against Charleston.

The invaders will be seeking their second Little Nineteen win, against two losses. Charleston's last defeat was at the hands of the greatly improved Old Normal team, which lost to S. I. T. C. 14-6. The Lantzen team varied attack, built around quarterback Harry Sockler, former James Millikan star. Sockler is a big 170 pound triple threat man. His backfield mates, Patton and Watts at the halves, and Davidson at fullback, complete a quarter averaging 172 pounds. The line averages 180 pounds. Outstanding in the front wall are Lloyd Thudium, veteran 145 pound end from Brookfield, Missouri, and Jack Austin, powerful flanker from Charleston. These two experienced wingmen greatly steady the big young line.

The Maroons, excepting only the major casualties, Emery and Eaton, are ready for the culmination of their schedule in the next two weeks, and the large Homecoming crowd should see a hustling S. I. T. C. outfit, fighting to maintain the conference leadership.

Y. M. C. A. Older Boys' Conference To Be Held Here

The Southern Illinois section of the twenty-first annual Older Boys' Conference, conducted by the State Y. M. C. A. will be held in Carbondale, December 8-9. All boys over fifteen years of age, when accompanied by one or more adult delegation leaders, are eligible and invited to attend.

The conference theme, "Youth Must Choose" will be carried out by individual and group discussions.

The meeting will begin at 9:15 Saturday morning, December 8, and close Sunday noon, December 9. Registration includes admission to all the sessions, as well as entertainment and Sunday morning breakfast in the homes of Carbondale citizens.

A strong executive committee headed by A. D. Brubaker, secretary of the Carbondale Business Men's Association, is making extensive plans to entertain this Conference. The Hi-Y Club of the Carbondale Community High School is taking an active part in framing these plans.

MU TAU PI TO HOLD ALUMNI BREAKFAST

Alumni members of Mu Tau Pi will be guests of honor at the annual Mu Tau Pi Homecoming breakfast which is to be held at the Roberts hotel Saturday morning at 9 o'clock. Invitations have been extended to all the alumni members, approximately twenty-five in number. The fraternity has eighteen members on the campus this term.

Coaches McAndrew And Lantz to be Honored Saturday

One of the features of Saturday's Homecoming festival will be the ceremony between halves of the S. I. T. C.-Charleston football game, when the rival coaches, Charles Lantz of E. I. T. C. and William McAndrew of S. I. T. C. will be made honorary members of the "T" club, and presented with sweaters. The presentation will be made by members of the "T" club.

The two coaches to be honored are closely identified with their respective colleges. Each has coached since the inception of football as a sport at his college, and their subsequent careers are quite similar.

Coach William McAndrew came to Carbondale as coach and director of all athletics in 1912. His coaching and administrative duties have continued to the present time, heightened somewhat by the additions to the Athletic department of the faculty. In the years 1918 and 1919, Coach McAndrew entered the army, went overseas, and became a captain in the regular army. Coach McAndrew did his undergrad work at Vincennes University and the University of Chicago. He received his B. B. degree at Cumberland University. He came to Southern from Law-

EGYPTIAN WILL PUBLISH 'EXTRA'

The first "extra" edition of the S. I. T. C. Egyptian will be printed after the football game Saturday and be put on sale at the Homecoming dance. The paper will carry a play-by-play account of the game, a review of "Tune In," much alumni news, accounts of the various Homecoming reunions, and all other news pertaining to the weekend. The "extra" sheet will replace the traditional editions of the Ballyhoop and club specials which have always been sold between acts at the Homecoming play. A carried-over debt and a future expense to be incurred in the two press conferences, Southern Illinois High School and State College, which will be held on this campus next spring, have resulted in the abolition of the Ballyhoop. Although this feature sheet has been a popular part of the Homecoming highlights for years, it has always been a financial burden to the Egyptian.

Not wishing to do away entirely with a Homecoming newspaper, however, the Egyptian has undertaken the experiment of putting out an "extra" of a single sheet printed on both sides. The new paper thus will do double work for the two sheets of Ballyhoop and football sheet. It will in reality be of greater reading value than the old Homecoming publications, too, since it will contain a comprehensive account of all the activities and the football game within a short time after the events have happened.

The staff has been organizing carefully in order to accomplish efficient work under pressure of stiff time limits. It is unusual that newspaper reporters on the Egyptian staff are forced to produce copy for immediate press release, and the journalists are looking forward with enthusiasm to the new experience.

W. A. A. TO SELL CHRYSPANTHEMUMS
Members of W. A. A. will sell chryspanthemums at the Homecoming game Saturday afternoon. Proceeds from the sale are to go to the W. A. A. fund.

MacDowell Club Conducts Tryouts For Tuition Singers

Tryouts to determine which of the members of the MacDowell club would receive their tuition for this present school term were held at the regular rehearsal hour of the organization on the afternoon of Tuesday, November 6. Each member wishing to try for this compensation for services had been previously instructed to prepare some song. These were presented before the MacDowell club and Mr. David S. McIntosh. A very gratifying number of excellent voices was discovered.

On Wednesday afternoon, at the club's rehearsal hour, the director announced that the list of six members from each section to receive tuition had been compiled with the exception of one vacancy in the tenor section which will be announced later. The list, read to the group, follows: Allen Graves, Bert Ebbs, James Laxson, Hoyt Lemons, James Paggart, George Porter. Tenors: Wayne Barker, Wendell Mathis, Kenneth Powell, Bluford Sloan, Arnold Thomas. Sopranos, Charlotte, Fraley, Helen Fulerwid, Lucille Queinheim, Frances Tanquary, Mary Lee Dixon, Opal Graves, Alice Eileen Brock, Berdena Pancy, Elsie Famer, Ruby Rude, Jane Goodman, Kathryn Rush. Accompanist, Carol Fugate. Mr. McIntosh explained that his selection of these people was made with extreme difficulty, as he felt that the margin of superiority was very narrow in many cases.

B. S. U. TO PRESENT CHAPEL PROGRAM

The Baptist Student Union will give the program in chapel Friday. The quartet composed of Bluford Sloan, Marvin Maynard, John A. Moore, and Allen Graves, will sing several selections. Mr. Graves will give a talk on the Youth Movement, which Gordon Dodds will talk on International Relationships. Last Friday the Kappas Phi Kappa, education fraternity, entertained the assembly with the following members taking part: John Albert Moore, Glen George, Hoyt Lemons, Louis Berton, Gregory Creek, Donald Evans, Gordon Dodds, Harrison Eaton, Chastis Wise, Shelby Galien, and Ned Carlton.

Sixth Graders Give Demonstration Of Colonial Life

The Sixth grade of the Allyn Training School, under the direction of their teacher, Mrs. Ora Rogers, has worked out a demonstration of colonial life in connection with the study of provincial history. The life of the Pilgrims, Dutch people, and Virginians is well illustrated by the exhibits of clothing and houses. The boys of the class held a cattle fair, representative of the annual celebrations. All the children are taking part in the Dutch dance and minuet.

A special demonstration was given to the grades of the Training School and to Mr. F. C. Warren's education class last Monday. The ninth grade of the Allyn Training School celebrated Armistice Day by giving a program during the chapel period last Friday. Those taking part in the short play "Crowning a Peace" were Loren Krupp as War, Olive Joy McClarrath as the Herald, Paules McClelland as Peace, and Wanda Thompson as Liberty. Following the play Miss Thompson gave a reading, "The Unknown Soldier."

Catholic Newman Club Organizes

A group of Catholic students met and reorganized the Newman club at the home of the Reverend Leo Mondt, recently. The purpose of this club is to discuss timely topics relating to Catholicism, and to bring together the Catholic students of the campus.

Officers were elected at the meeting held November 6. They are: Edgar Geiger, president; Rita Brown, vice president; Oscar Schlicker, secretary; Clyde Maddock, treasurer; the Reverend Leo Mondt, spiritual director; Mr. Vincent DiGiovanna, faculty sponsor; Mrs. Fuller Combs, assistant sponsor. The Reverend Mondt gave a short talk on "Cardinal Newman." The next meeting will be held November 20 at 7:30 in the new Science building. Every Catholic student on the campus is invited to join this club.

Queen Will be Crowned at Dance Saturday Night

As a climax of the Homecoming festivities of the year, the annual Homecoming dance will be held next Saturday night in the new gymnasium. The event of the evening will be the crowning of the Homecoming queen. Previous to this year, the queen has been crowned at the Homecoming play. Her selection this year was by popular ballot rather than by the football letterman, as heretofore.

Extensive preparations are being made for the dance. Elaborate decorations, centering around the color scheme of black and silver, are being worked out. The music will be furnished by Bobby Swain's orchestra, and Berdena Famer will sing special songs during the evening. Both the men and women's gymnasium will be converted into a lounge. Dancing will last from 9 to 12. The price of admission will be fifty-five cents per person.

The social committee of the school has placed the dance in the hands of the social sororities and fraternities. The dance committee is composed of the following members: Chairman, Leila Clara Lockie, Delta Sigma Epsilon; Mary Elizabeth Batson, Sigma Sigma Sigma; Richard Witherton, Kappa Delta Alpha; Everett Mitchell, Phi Delta Chi.

SHAWN DANCERS TO APPEAR HERE

Ted Shawn and his ensemble of men dancers will appear on the stage of Shroyock Auditorium the night of December 6. This will be the first offering of the School Council lecture committee to the student body. One other offering has been arranged so far, namely a speech by Nicholas Roosevelt on March 21.

Shawn and his ensemble comprise a pioneer organization of men dancers which marks the opening of a new and important chapter in the history of the dance. The group offers a program divided into four major parts: Music Dances; John Brown Sees the Glory—An American epic; Primitive Themes, Rhythms of Labor and Play; and Religious Dances.

The minutes of the Council meeting at which the Shawn Dancers were selected are as follows: A meeting of the School Council was called to order by Dean G. D. Wham on November 5, 1934. The meeting was called to discuss the feasibility of contracting with the Ted Shawn dancers for a program here on December 6. Mr. W. T. Falgout moved that we sign a contract with the Ted Shawn troupe of dancers to appear here on December 6. The motion was seconded and carried. Miss Frances Etheridge and Nedra Glogg, president of the Women's Athletic Association, presented a plan which they hoped would be agreeable to the Council, wherein it was stated that the Woman's Athletic Association help promote the program of December 6, and share equally in the profits and expenses.

Dr. W. F. Swartz moved that the School Council and the W. A. A. work together to promote the program to be given December 6, by the Ted Shawn dancers and share equally in the profit or loss. The motion was carried.

Since there would have to be a name used by the School Council on the contract with Ted Shawn Ensemble, Miss Emma Bowyer moved that the name used in the future to designate the board promoting the lecture course be "S. I. T. C. Entertainment Course." The motion was seconded and carried. The meeting adjourned.

MUSICAL COMEDY FIRST ON LIST FOR HOMECOMING

ANNUAL PLAY DIRECTED BY MISS JULIA JONAH HOLDS PROMISE OF SUCCESS

The cumulative efforts of composers, music and dramatic directors, choruses, Little Theatre, script writers, and stage technicians will be disclosed to the Homecoming audience at 8 o'clock Friday evening when the curtain in Shroyock Auditorium opens on the first act of the musical comedy, "Tune In."

Miss Julia Jonah, director of Little Theatre and co-author of the "Tune In" script, has been assisted in the musical direction by Mr. Wendell Margrave, also part composer of the musical score. Floyd Smith, Opal Riley, and Carol Fugate, at the piano, have aided members of the MacDowell club in interpretation of the vocal numbers. A former student, Grover Morgan, also deserves recognition as co-author of the script and musical score. The success of past Homecoming productions, written and staged in large part by these three persons, should give a fair indication of what the Homecoming audience may expect on November 16.

The first act setting, as worked out by Karl Bauman, is to be the interior of a modern dance house done in tones of tan, brown and silver, with the background walls of a tan corrugated effect. Conservative modern furniture, a circular frosted window, and a modernistic fireplace will be other features of the set. The time is an evening in fall.

The second act, arranged by Albert Hamilton under the supervision of Barbara Jane Scott, to represent radio station WYZ where numerous amateurs give their first broadcasts. A quintet, composed of Wayne Barker, Bert Ebbs, Robert Ferguson, Art Newman, and Arnold Ray Thomas, will sing two numbers in the course of act two.

Dunbar Will Hold Dance At Old Gym

Dunbar Society will celebrate Homecoming with its annual dance Saturday night. The orchestra has not been selected. Invitations to the dance are being sent out to all of the alumni, members of the society. The decorations which will be the college colors promise to exceed the attractive ones of last year. George Logan, Consuello Rushing, and Ruger Freeman are on the committee.

Student Teaching Assignments Made

Two hundred twenty-five students have been assigned student teaching for the winter term. There is an increase of fifty-three students in the winter term as compared to the fall term. These students will work for 333 credits.

The assignments are as follows: Carterville Community High School, 22; University High School, 43; Junior High School, 25; Allyn, 49; Brush, 40; Rural, 46. The assignments have been posted. It will be necessary for those who are assigned teaching to leave a note in Dr. Bruce W. Merwin's box in the business office by November 16, stating whether or not assignment is satisfactory or indicating desired change. All who are unassigned and need student teaching should call attention to this fact.

TWO SIDES TO A FOOTBALL STORY

Southern's second and third teams played throughout the afternoon against the Cape Girardeau varsity in the Carbondale-Cape game Friday. This lineup was an unexpected development for the two thousand fans who came out to see a real football struggle. Investigation showed that Coach McAndrew was saving his varsity men for the two important conference games coming up with Charleston and Wesleyan within the next two weeks. However, Cape Girardeau, leading the Missouri conference, also has a heavy game scheduled in its own loop, namely that with Kirksville Teachers College, which chalked up its twenty-fourth consecutive victory in a game against Maryville, Saturday. But Cape Girardeau did not attempt to save its varsity team Friday.

Ninety carloads of Cape Girardeau fans paid bridge toll and gate admission to see the Cape-Carbondale game. They were pretty thoroughly displeased when it turned out to be such a pathetically lop-sided affair. Several S. I. T. C. followers who happened to go to the game have been heard to express their relief that some coincidence prevented their wasting a good fifty cents. The historic rivalry which has added zest to Cape-Carbondale contests for years was turned into a farce before a packed stadium at our home field. Frequent aspersions were cast on our varsity team by such maliciously phrased compliments as "what kind of softies has Carbondale got on its first string that they're afraid they'll get hurt if they come out on the field?" The second and third teams received first-class football experience, but it was at the expense of a debut in which public ignominy overwhelmingly beat down public welcome. The S. I. T. C. athletic department is not being looked on with the general approval which it should have on the eve of an important contest. But it is the very fact that we are close to a vital contest that caused Coach McAndrew to keep his first string men out of the game Friday. Southern, with four conference victories and no losses to its credit, is marching in a straight line toward the Illinois College Conference championship, and it needs all its strength to meet the much-improved Charleston team this week. The varsity team is crippled enough with Emery and Eaton on the injured list for the whole season. Prindle and Dabney are out indefinitely. Wolfenbarger and Holder have caused worry by temporary injuries. O'Malley came out of the McKendree game with a battered left eye. Altogether, Southern is experiencing a tremendous lack of reserve strength. The entire football conference has been an extremely stiff one this year, necessitating the playing of the first team in every contest. This has meant that the second and third team men have had no opportunity to play a game. It has meant also that the first string has not had a single breathing spell. There are limits to human endurance and no squad can charge from conflict to conflict as our first team has done without showing signs of wearing down. It was absolutely necessary to give those fellows a brief respite before sending them into the Charleston fray with expectations of their playing a hard and consistent struggle from start to finish.

Then, too, Cape Girardeau could have helped out the game from the spectators' standpoint by running in its second team after the first quarter. After the first few minutes of play the game was pretty well sewed up anyhow, and a Cape reserve team could have made the game close and better worth watching. In case of necessity the Indians could have returned a few regulars. Obviously Cape was willing to play its best men, as evidenced by its starting Bona and sending in Metzke, and retaining them both throughout the afternoon. Cape Girardeau had no need to save its varsity men; it has an easy foe in the Oakland City eleven next week before it has to meet Kirksville. Cape defeated Oakland City 47-0 last year with a weaker team than it has this season. It's too bad the whole game was so miserable, but after all there is a case for both sides.

EXTRA—TAKE ONE HOME

Please don't read the Egyptian extra over your neighbor's shoulder. It will only cost a nickel, and if you purchase your own you'll have an original souvenir of Homecoming. At the same time you'll be lending financial support to an experimental journalistic project which needs your help. It's the first "extra" which this college has ever produced—have one.

THE SPHINX KNOWS:

Whose fault it will be if the name of the Homecoming queens goes out! There's twenty to one that the Mitchells find out before Saturday night. Committeemen beware!

That the town librarian recommended a book to a student as one that Mr. Franer was fond of. The book is Prologue to Love by Ostenso.

That the Homecomers will have some dishing to do when they see the Cafe with its Bohemian atmosphere that the new red lights have created.

That the Delta Sig hop was a grand success. There was many a pay check represented. Honors go to Bernadine Avis and her gown!

That Clyde Maddoch loves a girl for just what she is. That Amy Lewis Campbell makes biscuits with her eyes closed.

That Charles Paul, from West Frankfurt became so homesick that he has started commuting. That Dr. Swartz made a statement which startled Ralph McClusky so completely that he turned his chair over backward.

That Evelyn Miller was so embarrassed when she had to ask Dr. Tenney for the return of a certain article belonging to Miss Alben Carpenter. That Mildred Land and Nora Hall worked their smiles over the fender of a car occupied by a couple of young gentlemen.

THE SPHINX WONDERS:

How many of our students will go home this coming weekend.

How soon the band will get their new "monkey" suits and what color will they be.

If there will be any houses decorated this year as there are no prizes offered.

Who the sophomore girl was that changed the names of three ballots that were passed to her Thursday.

If Mary Ellen Woods was proud of her "stiff shirt" at the dance Saturday night.

Have you had your picture made for the Obelisk? Why Rita Brown is called "Toot."

If you have seen Georgette McCormick do the "snake hips."

MADeline SMITH DIRECTS GIL BLAS FOR FRENCH CLUB

"Gil Blas" a chapter from the advanced French book was dramatized at the regular monthly meeting of the French club held Monday night under the direction of Miss Madeline Smith. Another feature of the program was the working of cross word puzzles. These puzzles were written in English and the blanks were filled in with French words. The puzzles were put in three forms; first year, second year and third year French. Elizabeth Council, Norman Beck and Winifred Noomer were the prize winners. The prizes were small French dictionaries. The French discussion groups which were inaugurated at the last meeting proved to be a success.

The regular weekly French luncheon will be held tomorrow at Anthony hall. A bridge and pinocle party was held there Monday night. These affairs are conducted entirely in French, and have the purpose of improving the conversational French of those attending. All students and faculty members are invited to attend these meetings.

Eighty-four percent of last year's graduates of Kansas State Teachers College now have employment.

McAndrew Accepts Membership Into Chi Delta Chi

Coach William McAndrew has accepted an invitation to become an honorary member of the Chi Delta Chi. He is the first honor member ever to be taken into this fraternity. His initiation will take place next Saturday evening about 7 o'clock, immediately after the fraternity's annual Homecoming banquet.

The event will represent the second time on that day that Coach McAndrew will be honored. He, together with Coach Charles Lantz of Charleston, will be presented with an "I" sweater and be made a member of the "I" club at a ceremony between the halves of the coming game.

Robert Turner, president of Chi Delta Chi, will preside at the initiation service of Coach McAndrew to the fraternity Saturday evening.

Felts to Speak at Socratic Society

Professor W. T. Felts, a former member of the Socratic Literary Society, will talk before that club tonight. The high point of his talk will concern certain incidents in the history of the society that involved several now prominent men. The music will consist of selections by the chorus and a ukulele number by Mary Lou Hetherington. At the last meeting the Homecoming committee announced that the Socratic reunion will be held in the Society hall, Saturday morning, at 10 o'clock. An excellent program has been prepared and all the members are urged to attend and help welcome the alumni. At 11 o'clock there will be a luncheon at the University Cafe for alumni and active members.

The comedy, "Frank and Erna" presented at the last meeting, marked the peak of dramatic achievement thus far this term. Marjorie Wombles, as Nora, the dumb and awkward Irish maid, gave an amusing characterization. Vivian Kimpfer as Frank's cousin Alice and Veda Taylor as his noisy kid sister, also gave convincing performances. The play was directed by Hoyt Lemons.

FIFTY EXPECTED AT KAPPA PHI KAPPA DINNER

Plans for the annual Kappa Phi Kappa Homecoming dinner were made at the meeting held Thursday night in the new Chemistry building. It is expected that at least fifty members, including alumni and active members will be present at the dinner to be held at the Baptist Annex, Saturday evening.

Ned Carlton, acting treasurer, will call on some of the members who will give short talks on various educational problems as they are actually found in Southern Illinois.

Scoring touchdowns in every quarter, the Cape Girardeau Teachers defeated the Southern football eleven Friday afternoon on the S. I. T. C. athletic field, by the score of 32-0.
Fans had anticipated seeing one of the best games in this part of the state. However, there was never any doubt as to who would win after the first few minutes of play, because Coach McAndrew refused to play the Southern first team. The Maroon and White mentor, not taking any chances of getting the regulars injured for games played the second and third stringers during the entire contest.

By winning this game the Indians ran their total victories to seven straight this season, while the loss was the second for the Maroon squad. Earlier in the season the Teachers with the regulars playing lost to the Stuber coached eleven at Cape by the close score of 14-6.
Cape rolled up a grand total of seventeen first downs during the game while Southern made four.

First Quarter
The Cape team started the game off with a bang when Bona, carrying the pigskin on practically every play, smashed off-tackle and ran end runs from Southern's 44 yard line to score the first touchdown. Fallett, plunging and blocking fullback of Cape, place kicked for the extra point.
Southern had one chance to score during this period when a Cape kick was blocked and recovered on the Cape 15 yard line. Three S. I. T. C. passes were incomplete and the scoring threat was blasted.

Second Quarter
Cape made the score read 13-0 during this stanza when runs by Bona and Metz, leading ground gainers of the afternoon, and pass Metz by Pritchard put the ball on Southern's 19 yard line. Metz, Bona, and Metz, alternating at juggling the pigskin, advanced the ball to Southern's 8 yard line where Metz went off-tackle for the second marker. Pritchard's attempt at place kicking for the extra point was wide.

During the latter part of the quarter, Cape was backed up to his one yard line as a result of a pen-

Four Conference Teams Closing Loop Schedules

Games this week:
Friday, Nov. 16, Maroon Teachers at Iowa Wesleyan (Mt. Pleasant).
Saturday, Nov. 17, St. Viator at Elmhurst; Charleston Teachers at Carbondale Teachers; Bradley at Knox; Illinois College at Eureka; Millikin at Lake Forest; Monmouth at Augustana; State Normal at Illinois Wesleyan; Whitewater (Wis.) Teachers at DeKalb Teachers.

Sunday, Nov. 18, St. Viator vs. John Carroll at Cleveland.
*Conference games.
Eureka, Ill., Nov. 14.—Although two of the conference teams in the Illinois college loop, Carthage and McKendree, will be idle, St. Viator will atone for their absence from football wars-by playing two games on successive days this week. Viator will close the Elmhurst schedule Saturday and then move into Ohio for a game with John Carroll at Cleveland, Sunday. The latter game will be the only Sunday game played by any, but kicked out of danger.

Third Quarter
The Missouri Teachers continued their scoring and added two more touchdowns at the start of the last half.

With the ball in Cape's 40 yard line, Metz made 15 yards on an end run and then tossed a pass to Pritchard that was good for 15 yards. Bona on the next play sprinted for 17 yards and Metz, the little fellow who ran 70 yards against Southern at Cape, made the score read 19-0 when he went around end for the third marker of the game. Pritchard missed the extra point.

Only a few minutes had elapsed when Bona, Metz and Pritchard got to work and scored another 6 points for Cape. Short king by Metz and Bona from Cape's 45 yard line made a first down. A 36 yard pass from Metz to Pritchard, plus a run by Metz, put the pigskin on Southern's one yard line where Bona went over for the marker. Pritchard missed his third straight attempt at making the extra point when his kick was wide.

Fourth Quarter
Bona made Cape's last touchdown during the middle of this quarter when he caught Vinson's kick on his own 27 yard line and with perfect blocking ran 73 yards to cross the goal line for his third touchdown of the afternoon. Hall converted for the extra point. Southern completed two passes 13 and 14 yard gains in this period, but never seriously threatened to score.

SPORTS SLANTS

Game impressions: The Maroon second team starting... Cape making her full strength... Organized, enthusiastic cheering in the Cape stands... Lots of Indian support... The hard, rough turf... The visitors a sure tacking aggregation... S. I. T. C. reserves battling gamely... Bona and Metz went beautifully behind heavy interference... Metz packs plenty of power... Bona tackled back of goal line, but squirmed away... Whole new team sent in by Mac at the start of the last quarter... Co-Captains Morawski and Wolfbanger carrying an injured Maroon into the dressing room... Charlie Broadway, big freshman end, performing nicely in his football debut. Another Jim Gray? The high dudgion of the Cape supporters at not getting to see the Carbondale regulars and a good game. The dejected air around the S. I. T. C. cheering section... Everybody glad when the game is over... Too bad, but there's still the conference championship... Great game experience for the rookies... They'll look a hundred percent better next time.

The neatly attired Cape band and the S. I. T. C. band amalgamated to present a couple of tunes to the half time intermission. The formations and marching of the two bands gave the impression of a major combat.

a member of the conference during the 1934 season, and Viator will be the only college of the loop to be engaged in games on successive days.

Four colleges, Elmhurst, Eureka, State Normal and Lake Forest will close their schedules this week. Since Wheaton and North Central have ended their schedules (Saturday, November 10), only fourteen members will carry on during the final two weeks of the football season.

Dunbar Defeats 620 CCC Camp in Basketball Game

The Dunbar society basketball team defeated the 620 CCC camp team in its court opener at the old gym Thursday night, 48-38. The Dunbar team trailed at the end of the first quarter and had only a two point margin at the end of the last half, the camp squad pulled up to a tie, only to have the college aggregation flash a fourth quarter scoring attack which clinched the game.
Effective passing and team work featured the Dunbar offense. LaVern Wood, veteran forward of the collegians and Hurd, CCC guard, led the scorers, each connecting for 17 points. Clyde Perkins, Dunbar center, scored 10 points.

The starting lineup were: Dunbar—forward, LaVern Woods and Charles Stancil; center, Clyde Perkins; guards, Logan, Crim and Harold Walker; 620 CCC camp—forward, Edward McBride, and Valentine; center, Brown; and guards, Webb and Hurd.

The renewal of the 'Nita-Normal feud marks one of the highlights of the conference season. These two rival schools located within a mile of each other always stage quite a battle. Despite the fact that the scores of these games have always been very low, Normal has been unable to defeat Wesleyan in the past 28 years.

BASKETBALL TEAM OPENS PRACTICE LAST MONDAY

FIFTY-ONE MEN REPORT TO ACTING COACH RALPH DAIVISON

Basketball practice was inaugurated Monday afternoon, November 5, with fifty-one aspirants to squad positions reporting to Acting Coach Ralph Davison. It is expected that with the completion of the football schedule the number of candidates will be reduced to around seventy-five.
Southern is fortunate this year in having seven of last year's lettermen back. Holder, forward; Lenich, forward; Gray, Guard; who are now on the football squad; and Emery, guard, now on the injured list, will soon be able to play basketball and join the other members who have already reported. Lawson, forward; Hall, center; and Veach, forward, are already out for practice. The last year's team lost only three lettermen, and it is probable that freshmen and other new players will be able to make up their loss. Last

year's combination placed third in the Little Missouri, and this year's quietest should be among the pace-setters in the conference.

Among those reporting for workouts are several of last year's intramural stars. Max Morgan, captain of last year's champion outfit; Harmon of the Road Hogs; and Russell Shaver of the 910 team, are among those who will probably have to be considered when the first team and the reserves are selected.

About twenty-five freshmen have reported already, with more to follow at the close of the football season. Among those already practicing are Brummer from Bunker Hill, Casey from Carterville, Etherton from University High, Carbondale, and Dohanich from Herrin. Among those now playing football are Kennedy from Carbondale Community High, who was mentioned on several Southern Illinois All-Star teams, and Charles and Blake Broadway from Cobden.

COACHES McANDREW

HONORED SATURDAY
(Continued From Page One)

removille high school. In his fifteen years of coaching college football he has produced many powerful S. I. T. C. teams. His best results were in the years 1930 and 1931, when his teams won sixteen consecutive games. The Maroons were conference champions in 1930. Those were the days of such stars as Abe Martin, later Chicago Cardinal player; halfback Dago Ewoldt; great fullback, and Paul Swofford, star end.

In addition to his gridiron record, Coach McAndrews has some great basketball squads to his credit. Last year's team was probably the best in S. I. T. C. history.

The 1934 edition of the Maroon grid squad appears to be headed for an Illinois College championship. Such an achievement would be largely to the credit of the veteran mentor, who has moulded a formidable team from none too

Anna Louise Isaherwood lost a brown pocket book and brown fabric gloves.

promising prospects. Coach Charles F. Lanzt was graduated from Gettysburg College in 1908, where he was a twelve letter man. He played football, basketball, and baseball for four years. Mr. Lanzt coached at the Harrisburg, Pennsylvania Academy for three years and went to Charleston in the fall of 1911. This is his twenty-third year at the eastern Illinois school as athletic director and coach of football, basketball and baseball. He also served in the War, attending an officers' training camp at Fort Sheridan. The Panthers under Lanzt's tutelage have been uniformly successful, winning nearly one hundred games in 22 seasons. The teams of Coaches McAndrews and Lanzt have met each year since 1912, with the exception of 1918, when neither college played football.

The ceremony Saturday will be the first of its kind to be conducted at S. I. T. C., and Coaches McAndrews and Lanzt will be the first honorary members of the 'T' club.
