IL DUCE PROMISES BRITAIN TO STAY OUT OF GREECE—Prime Minister Chamberlain makes new move to avoid war as British and French fleets take up strategic posts in Mediterranean. . . . W. P. A. DEFICIENCY APPROPRIATION BILL REJECTED IN SENATE—Vote is 49 to 28 against increase in appropriation from \$100,000,000 to \$150,000,000. . . . TURKEY DECIDES TO AID RUMANIA IN CASE OF WAR—Rumania granted permission to use Dardanelles for passage of military supplies in case of German attack. . . . ITALY WARNS GREECE TO REJECT TIES WITH BRITAIN—Virginia Gaydo, Mussolini mouthpiece, says Italy would consider British naval use of any Greek port a hostile act—NAZI PRESS SHOWS CONTEMPT FOR BRITAIN'S FLEET OF "OLD BARGES"—German press unleashes vitriolic sarcasm against German fleets. . . . BULGARIA DISSOLVES NATIONAL SOCIALIST PARTY—Party leader Kantarghieff is interned as group is charged with plot. . . . START HEARINGS ON PROPOSALS TO AMEND WAGNER ACT—Senator Robert F. Wagner, author of law, proposes that act should not be amended. . . . PRESIDENT ROOSEVELT URGES EARLY ADJOURNMENT OF CONGRESS—Leaders see no prospect of fulfilling President's desire after survey of crowded legislative program.

Another Milestone—

President Pulliam's statement in chapel Monday to the effect that a new training school building and additional faculty members are to be added to this college came as a pleasant and not unexpected announcement to the outgoing staff of the EGYPTIAN. Expansion of the college has been the cornerstone of EGYPTIAN editorial policy for the last academic year.

Although this new action on the part of the state will afford temporary relief to the overcrowded condition of the school, it will not be a solution to the most pressing problems now confronting higher education in Southern Illinois. In the first place enough new teachers will not be added; in the second place many more buildings, including dormitories and additional cooperative houses, are badly needed; in the third place the State has taken no action toward authorizing this college to grant the A. B. and B. S. degrees—degrees which must be granted by this college if S. I. N. U., the only college in the southern third of Illinois, is to satisfy completely all of the educational needs of this part of the State.

With these ideas in mind the 1938-39 staff publishes its last issue of the EGYPTIAN, thankful that it has played a small part in encouraging and recording the growth of the school and confident that the new staff which will take over the EGYPTIAN next week will continue an editorial policy of college expansion.

Complete cooperation on the part of the student body, faculty, and administration has characterized relations with the staff of the EGYPTIAN for the last twelve months and because any verbal statement is inadequate we merely say "Thanks a Million!"

She Always Knows the Answer—

Although Gracie had jellied at the cafe last night instead of doing her outside reading, she immediately pronounced a polished answer to the first question directed at her in class this morning by her peripatetic science teacher.

"Why," queried the instructor, "do Hitler and Mussolini make the same type of speeches?"

"In order," answered Gracie, "that they may both blow like the Duce!"

Verbatim—

"As it seems to me there is room for a clearer realization on the part of the public that football is not a trade, or a profession, or a mimic war game in which you must win, no matter how. It is a good American game. It has done a vast service in keeping America alert, young, just, and good natured. I believe that the game can go on as a clean wholesome part of a college course and I hope that it will go on in that way with good fun and good will in it." University of Pittsburgh's Chancellor John G. Bowman puts his stamp of approval on the nation's greatest amateur sport.

JUNIOR-SENIOR PROM FEATURES RAMONA

SOCIAL STUDIES TEACHERS MEET HERE TOMORROW

Dr. Lee to Deliver Main Address Saturday Morning Several hundred teachers of social studies throughout Illinois are expected for the second annual meeting of the Illinois Council for the Social Studies to be held on the Southern Illinois State Normal University campus Saturday, April 15. The general purpose of the meeting is the improvement of social science teaching in both high school and college through the experience and practices of educators in the field. The main address of the morning session will be delivered by Dr. Charles Lee of Washington University, who will speak on "Our Illusions in the Teaching of the Social Studies." President Roscoe Pulliam will make the luncheon address on "General Education for Citizenship." Fred H. Kirk of Pontiac, Marcellus Handerson of Homington, Clifford Derman of Pekin, Donald R. Atter of Charleston, and Robert S. Elwood of Normal will present a panel discussion, "The United Statesmen Problem," for the afternoon meeting.

Spring Silhouette

Mellow spring sunbeams filters through the artistic chapel windows of Shyrek Auditorium at Southern Illinois State Normal University.

RAMONA AND HER '13 MEN OF MUSIC' WILL PLAY FOR BIGGEST DANCE EVENT OF 1939 SPRING SEASON

Dance Begins at 9:00 p. m., Men's Gym; Ramona, Vocalist-Pianist, Screen and Radio Star, Expected to Give Excellent Performance

FRANCES KAUL WILL EDIT OBELISK FOR NEXT YEAR

Frances Kaul, sophomore from Tamara, Ill., was elected editor of the 1939-40 Obelisk, the S. I. N. U. annual at the Student Council meeting Tuesday morning April 11, and James Chandler was elected EGYPTIAN business manager at a meeting last week. Miss Kaul has been working on the staff of the year book for two years, as freshman editor, and as associate editor. She is a member of Ma Tau Psi and Sigma Sigma Sorority. Chandler has been circulation manager of the newspaper for the last year. Dr. Robert Dunn, father of the English department has been chosen to take the place of Mrs. Julia Neoley as editorial advisor of the Obelisk for next year, as Mrs. Neoley will not be in school here. Mr. V. A. Pahlitz of the commerce department will continue as financial advisor.

The excellence of the orchestra is undisputed. Professor Donald Bryant, with the aid of the committee, has secured everything necessary to make the dance a great success. Having spent several weeks in the outstanding soloist, Ed Paul Whiteman and his orchestra, Ramona will bring back her ability and her 'Men of Music' presenting a well balanced evening of musical dance arrangements, piano solos, and other music. Ramona and her orchestra will present a variety of entertainment in the Junior-Senior Prom. Ramona made her radio debut last week at Kansas City. Her last commercial radio show was on the W.W. location in Chicago. She has made many records and appeared in many motion pictures with Whiteman.

KIRBY PAGE TO SPEAK HERE WEDNESDAY

Famed Phi Beta Kappan, Theologian, Author Also Lecturer As the final number in the local cooperative lecture series, Kirby Page, eminent author and social evangelist, will appear on S. I. N.

S. I. N. U. BRINGS NOTED SPEAKERS TO CAMPUS

Butler, LaFollette, Lerner, Strong and Knox Included Southern Illinois Normal University has added to the broadening and backing-up of its students through out the year by bringing to the campus outstanding speakers and personalities in various fields. Speakers representing various groups and schools of thought who have lectured on the campus this year include General Smalley Butler, Willard Lester Husband, Donald Grant Governor Phil La Follette, Max Lerner, and Anna Louise Strong. Yet to visit the campus this year are Kirby Page, nationally prominent lecturer and writer on the contemporary issues, and Charles Mayfield, 35, recipient of an Obelisk Fellowship in Zoology April 27, at 1:50 p. m. in the Zoology lecture room.

He lectured on the platform next Wednesday April 11. Page, who studied theology in preparation for the ministry, was outstanding as a student. He was elected to the national honorary scholastic fraternity, Phi Beta Kappa. In 1921, however, he gave up preaching the gospel and began his career as an author and lecturer. His lectures are chiefly devoted to social evangelism and his favorite audiences are composed of college students. Some of his more important books are: The Sword and the Cross, National Defense and Individualism and Socialism. The book, National Defense is an outgrowth of his sincere homes in national peace.

MAYFIELD TO TALK TO ZOOLOGISTS

Charles Mayfield, 35, recipient of an Obelisk Fellowship in Zoology, will speak to the Zoology Students on April 27, at 1:50 p. m. in the Zoology lecture room. His topic will be "Zoology Projects in the Schools." All majors and minors in zoology are invited.

DISTRICT SPEECH TOURNAMENT FINALS HERE TODAY

The contestants of the districts surrounding Carbondale will participate in the final district speech tournament here beginning at 1:30 p. m. today in the Lady's gymnasium. The contest consists of interpretation and original speaking which will be represented by six different types. An extempore speaking original oration, serious reading, comedy reading, oratorical declamation, and extempore speaking. Students wishing in the districts are now eligible for the district contest. This includes the towns of De Quoin, Eldorado, Herbin, Marion, Mattoon, Pomeroyville, Red Bud, Collinsville, West Frankfort, Granite City, Benton, Dixon, Christopher, Mascoutah.

Play contests originally scheduled for last Saturday have been postponed until tonight at 7:30. They will be held at Shyrek Auditorium. Admission is free.

SUMMER SESSION REGISTRATION WILL BE HELD JUNE 12

The summer session, opening June 12 will usher in Southern Illinois Normal University's 60th year of operation in the southern third of the state. School will be in session eight weeks and each student is allowed 12 quarter hours of credits. Students with superior records may register for 14 hours. Further information may be obtained by writing to the registrar. Mid-Spring term, which will last ten weeks, begins April 29. The maximum number of quarter hours that a student may carry is eight.

JOURNALISTS ATTEND PRESS CONFERENCE

Six S. I. N. U. delegates will attend the annual conference of the Illinois College Press Association today at the University of Illinois. Willard Key, EGYPTIAN editor, will be student leader in the editorial discussion group at the state meeting. Others who will attend include Jeanette Miller, who next week will become 1939-40 editor of the EGYPTIAN, James Chandler, who will succeed Thomas Barton as EGYPTIAN business manager, Ed Henry, EGYPTIAN cartoonist, Miss Esther Power and Dr. W. B. Schell, dire. faculty advisers to the EGYPTIAN.

Gill Awarded Fellowship to Northwestern

"Billie Ruth Gill, 26, Murphysboro has received an offer of a fellowship in mathematics at Northwestern University. The fellowship provides full graduate tuition and board in a college dormitory, with opportunity to make additional money according to the work undertaken. The tuition and board are valued at about \$670.

Miss Gill is awaiting replies to applications for other universities and after accepting as desiring the fellowship at Northwestern. It she accepts she will spend about ten hours a week in assisting and advising freshmen and sophomores in their pursuits of study and will complete her senior and her master's degree during the year.

'Leaders For Our Student Government Must Come From The Schools of Southern Illinois' Says Council President

By CHARLES MAYFIELD.

Training in character and citizenship stand out as vitally important in our education. Indubitably these two phases of college education are the most fundamental and the most worthwhile. One of the most successful methods of attaining this result is through student government.

The success of a democratic depends on the intelligent mass thinking and sane emotional reactions of its citizens. This college is becoming more and more effective in our democratic setup because each year it gives its students an intelligent understanding of the issues of democracy and practice in the cooperative activities through which democracy must function.

The student council has had objectives in mind—liberalization of student government and maximum participation of students in school affairs. Whether or not this policy has been successful depends upon scale of opinion and action to accomplish it.

The Council is composed of members from each class, two men and two women. It has met at chapel time on Tuesdays of each week and has been completely uncheckered by faculty sponsors. Students other than Council members have been made an every important faculty or administrative committee on the campus.

No problem of a democratic student government is more important than that of securing conscientious and capable leaders. Leaders for our student government must come from the high schools of Southern Illinois. It is hoped that each year the freshman class will produce its share of leaders so necessary to perpetuate our student democracy.

Students in surrounding high schools should keep in mind the major part that self-government plays in their college career at Southern. There is an opportunity for every incoming student to take an active part in regulating college affairs. All students are urged to take part in the self-government setup in this college.

About Pictures HOBBYISTS

By FRANK HOLLOWAY.

FOTOS First Annual Exhibit Makes a Hit ... The FOTOS S. I. N. U. camera club, sponsored its first campus wide photographic exhibition April 11-14. The forty odd prints were displayed in the central corridor of the Main building. The showing was highly successful. The students and faculty complimented the club on its interesting exhibit. The FOTOS Salon Exhibit will be an annual event.

The photographs were judged by Mrs. Burnett Shook, art instructor, Dr. J. Carey Davis, French instructor, and Miss Anna Margaret Wham, editor of the "39 Outlook. First prize winner was Bill Horrell, second prize winners Smith Woods and Bill Horrell, third prize winners Harold Hornebeck and Frady Davis. First honorable mentions: J. B. Spear, Frank Holloway, Smith Woods, Wade Davis, Harold Hornebeck, and Bill Horrell. Honorable mentions: Bob Winegarter, Harold Hornebeck, Edward Tudor, Frank Holloway, and J. B. Spear.

The FOTOS holds a weekly discussion of camera lore every Thursday during chapel hour. Keep up with the world with pictures. Yours truly, ABOUT PICTURES

The Cynic

Quite openly I'll sneer at love
 And boast its flame has not touched me;
 But mentally I'll hide the scars
 Of love's Gethsemane.

I'll cry that love is just sour grapes.
 That I can live without its saps;
 But deep within my secret heart,
 I'll know that I am wrong.

Cox Article Describes Three Natural Bridges

Few people in Southern Illinois are able to take full advantage of this state's natural beauty because only a few know where to find it. In an effort to publicize the best preserved sites of interest, Mr. Fleck in a box of the zoogeography department has written a brief but fine guide to the three natural bridges in southern Illinois.

The essay, published in the Illinois Journal of Commerce, April, 1939, describes and locates the massive rock bridges at Pomonca, Cypress and Ozark.

Students Attend Southern On As Little As Ninety Dollars Per Term

By W. R. RICE.

Lack of money is becoming less and less a barrier between the agricultural and industrial students of Southern. S. I. N. U. now has provided thousands of students who at one time felt they didn't have the money to go to college. S. I. N. U. is standing in a place where department books, extra special efforts to provide the student with worthy students at a minimum cost.

No other college in this section of the country is able to meet the high standards of education maintained by S. I. N. U. as indicated to the student.

The student's board and room and get an education is extremely cheap. Many students, by pooling their funds and efforts with two or three other students and cooking for themselves, reduce their living expenses to as little as \$100 each per year. Students who are not forced to be so careful with funds may save board and room for \$500 per school year and \$200 additional if the student remains over the weekend however it is possible to find board and room for \$120 to \$200 per week per person. Meals may be had for \$100 to \$250 per short week or \$450 to \$500 for the full week. These prices are low, but are seldom more than the amount started.

Students who had a residence hall accumulating seventy-two women provides board and room for \$800 a week. Each woman is provided with hot and cold water and every possible provision is made in the campus and welfare of the students who live there.

There are also two N. Y. P. D. cooperative houses near the campus which furnish board and board for a charge which runs approximately \$1 a week. However, additional to these houses is limited to a small number of students.

The following table is a moderate estimate of expenses for one school term:

Tuition	100.00
Activity fee	5.00
Book rental	25.00
Room	24.00

More Than 50 Organizations Cater To Individual Interests At Southern

Organizations which provide activities outside of regular classroom work serve as extracurricular functions in the programs of S. I. N. U. and offer their members a wide variety of interests. These organizations number over fifty. They may be classified into the following groups: Musical, literary, journalistic, professional, athletic, religious, and religious. Names of typical organizations follow.

The women's I. O. O. F. includes 2600 members and is the largest organization of its kind in the world. It provides the career of education by encouraging young men to engage in the problems and principles of engineering. Phi Delta Kappa is an honorary national journalistic fraternity organized to foster the development of journalism in high schools. The Southern Agricultural University Gamma Theta Upsilon is the national agricultural fraternity of the S. I. N. U. campus. Kappa Delta Phi is a national senior scholastic fraternity. The Little Theatre provides opportunity for dramatic training with the aim of producing the highest quality dramatic performances. The opportunity for dramatics is provided in the Student Literary Society. This society has as its aim the instruction of its members in creative composition, dramatics, and literary criticism. The organization is the W. A. A. which is open to any woman after one term of participation in a major sport. The "U" consists of those men who have played one or more letters in football, basketball, track, tennis, gymnastics or those who receive honor letters as managers or cheerleaders.

Chemeka is the chemistry fraternity which sponsors the Chemistry Society for those interested in the

Sophisticate

Send me two sandals made of gold.
 And your regards, I'll need no more.
 Knowing quite well your suave device.

The walk unbroken from your door
 And proudly—with no craven sign
 Of grief for love I used to hold.

Shall I then call on Meats,
 Swear Mechtispheltes at bath,
 Impate your waxer figurines—
 With witen's curses for you both
 And spells worked when the night
 Wind keeps?

For all revengeful souls like me?
 Oh no! my subtle folk, I'll go
 To one who knew my kisses first,
 Still wants my hands upon his face.
 You need not ever be accused
 Who claimed and left but second
 place.

How strange that you should never
 know!

—N. Sparks.

NEWS SHORT

Because of a period of illness, Mrs. Alberta Johnson, University High School music teacher, was absent last week. Miss Gilbois has now returned to her duties.

Reactionary Propaganda—

A typical example of the anti-liberal propaganda now being fostered by reactionary agencies in this country is to be found in a recent Sunday edition of one of the publications of the largest American newspaper chain, a group of newspapers long notorious for deliberate misrepresentation of news. Several pages of this paper were devoted to a supposedly eye-witness account of the horrors of the "Red" regime in Spain, actually the popularly elected government of Spain until it was destroyed by France's Fascists. A number of gruesome photographs illustrated the story. Pictures of babies murdered by "Red" bombs, ruined cathedrals, and an electric torture chair were prominently displayed. Of course no mention was made of the horrors caused by the Fascist bombings of Madrid, Barcelona, Valencia, and other Loyalist centers. Obviously the aim of the propaganda of this type is to smear all liberal movements, causing the words "red," "communist," "socialist," and even "liberal" to connote murder and bestiality in the minds of the people. We should be constantly on the alert to detect practices of this kind and point out the hidden truth concealed behind the pro-Fascist propaganda.

On Our Foreign Policy—

One who has read "The Folklore of Capitalism," by Mr. Thurman Arnold, is at once struck by a style individual and keen. Mr. Arnold is a writer with something to say; and, for many critics and readers alike, his lack of explosive indignation, in these days of indignation, is a virtue conducive to political thinking, but analytical thinking.

We could wish for a statement of definite clear position. That statement, belated and sorry, may, or may not, come. What can be done. We can ask many questions, impersonal, detached. It is a difficult thing. We need the discipline of Arnold. Now all is vague and uncertain, a nebulous veil. Mr. Hull perhaps knows an answer, let us find an answer, too.

—S. A.

Faculty Pastimes

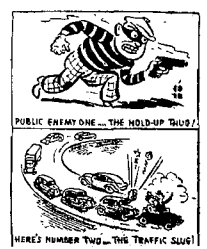

By WAYNE MANN.

President Patten: "I don't hear, I don't possess a gun, the only one I ever had didn't belong to me but was loaned to me during the war. I do attempt to play golf sometimes, but my strokes are not very good and limited. I play bridge very skillfully and lost a little even though I never cheat anything. I am a fairly competent card player. However, most of my pleasure is in my work. I am also interested in a swimming pool, but my strokes are not very good and limited. I guess that's enough isn't it?"

Miss Margie Shank: "Recently department and organized. Most of my post school activities are all necessities, but I do like to travel when I have the time."

Dr. J. Cary Davis, French department: "I have so many positions, I don't do justice to any of them as I would like to but I guess that photography is my main interest. I have collected many of my suits but my suits are not very good and limited. I guess that's enough isn't it?"

Miss Mary Powers, English department: "Picking up new phrases and posture and interpreting their different significances is my pastime at the present. The study of persons and their types is also a very interesting and absorbing hobby. No thing speech deflections, both verbal and written, is a very interesting hobby. I am also interested in some of my spare moments."

President Of The University Extends His Greeting To The High School Seniors Of Southern Illinois

PRESIDENT ROSCOE PULLIAM

To the High School Seniors of Southern Illinois:

The editor and the staff of the EGYPTIAN are dedicating this week's issue to the high school seniors of Southern Illinois, nearly a thousand of whom, presumably, will be freshmen in this College next year.

Every one in detail various items of exact information about the College. Some of these articles, no doubt, will show that the College has grown very greatly since the World War.

Southern Ranks High--Scholastically And In Extra-Curricular Activities

By IKO SCHEFFER

Almost without exception, SOUTHERN is in a position to meet the requirements of the most exacting high school Senior who contemplates continuing his education.

First of course, is the scholastic consideration. SOUTHERN has a well balanced faculty of over 120 members. A goodly number have their Doctor's Degree and several others have done considerable work toward attaining this distinction.

The courses of study offered compare favorably with the largest Liberal Arts Colleges. Students with outstanding scholastic records are given recognition for their work, and SOUTHERN is fully accredited as a four-year Teachers' College by the American Association of Teachers' Colleges and by the North Central Association of Colleges and Secondary Schools.

SOUTHERN is represented in intercollegiate contests by the football, basketball, track, tennis, golf, gymnastic and debate teams. Other organized athletic activities are the baseball league, intercollegiate basketball, boxing and wrestling tournaments, pingpong tournaments, archery contests and horseshoe pitching tournaments.

The Women's Athletic Association has supervision of the girls' athletic program. Tennis, archery, soccer, basketball, and basketball are some of the contests in which the girls indulge.

Social life at SOUTHERN is not neglected. There are approximately 35 fraternities, societies, and societies open for membership to students of SOUTHERN. Of course, certain regulations must be met to become a member in some of them.

For musically inclined students, SOUTHERN supports a band, an orchestra, and two group singing organizations. During the current season, the orchestra gave a concert over a prominent radio station, and the Glee Clubs have appeared on several out-of-town programs which entailed the ability of the music department.

Socratic Party Given in True Whitlock Style

By ROBERT REID

On Wednesday night the Socratic Literary Society had its party for the term. The program was presented in the usual whimsical Whitlock way, which has characterized its programs before, extemporaneously being one of the best features of the whole program.

Some of the planned activities which the group engaged in during the night were a dance which on the order of the Virginia Reel and accompanied by the dancers singing a song particularly adapted to the dance, a treasure hunt, and several other games.

For refreshments, Coca-Cola and ice cream were served.

It was announced that because Miss Dorothy Magnus, the play director, is to be out of town the remainder of the week, tryouts for the play will be held on Monday night, April 17.

the purpose of the Administration of the College is to give to the students who come a maximum amount of opportunity to express their own desires and to develop their own abilities by the fullest possible participation in the management of all the activities of the College.

Other articles, no doubt, will convey the information that the Southern Illinois State Normal University makes every effort to care for its graduates when they leave the College to seek employment.

Since his appointment to the position of Dean of Men Mr. Lentz has been untiring in his efforts to aid the students under his jurisdiction in all their problems.

Men attending the Southern Illinois State Normal University are inclined to be in a hurry for their Dean one of the most widely known and highly respected educators in this region.

S. I. N. U. WILL BROADCAST OVER WEBO NEXT YEAR

Plans to Lease Wire For Regular College Programs

Plans are going forward to put S. I. N. U. on the air next year. A committee composed of Dr. T. N. Abbott, chairman, Miss Dorothy Magnus, Dr. Bruce W. Merwin, Dr. R. D. Rowden and Dr. D. S. McIntosh, are making arrangements with radio station WEBO, Harrisburg, Ill., for a half-hour broadcast each week, to begin next September and continue through the school year.

Dr. Meyer, head of the History Department of S. I. N. U., has been asked by the committee to act as announcer for the proposed broadcast and news coverage.

Miss Magnus will direct the programs presented. This work will be carried out as a phase of the regular extension work of the college. Its purpose will be educational, but it will incidentally serve as a very good way of making the people of Southern Illinois better acquainted with the aims and accomplishments of this college.

Notices have been sent to all department heads, describing the proposed plan and asking for suggestions as to the program each department would like to sponsor.

Plans concerning the exact nature of the programs to be broadcast have not been definitely made. It has been suggested that at times an actual class session might constitute a program, or that the time might be divided between music and a short lecture. The committee intends to outline the programs for the complete year's weekly broadcasts before any spending is begun.

Students Save 75 Percent on Books Through New Rental System

S. I. N. U. is now finishing its second year under the book rental system. Before this system was inaugurated, students bought all their textbooks, but since the beginning of last school year they have rented all necessary textbooks for only \$2.50 per term, a fee included in the \$17.50 tuition fee.

Previously each student was often obliged to spend as much as ten dollars or more each term for textbooks. The obvious economy of the new system has earned the approval of everyone connected with the system.

The campus bookstore located on the first floor of Parkinson Laboratory represents an investment of more than \$40,000. Managed by Mr. W. C. Fly with the assistance of a number of student workers, the store is a convenient, efficient, and necessary part of the S. I. N. U. campus.

Handicraft and Activity Work Emphasized at Allyn Training School

Many people on the campus are not aware of the extent to which handicraft and activity work is being carried on at the Allyn Training School. New exhibits have been held and new projects are being made in the local papers, yet the work goes on constantly in the various grades in some form or other.

Secondly it day goes by that a visitor may not find one or more rooms in this sort of work. The teachers are always careful to see that the work is purposeful and educational fitting into the regular work of the school, and not assigned as mere "busy work."

The following list is indicative of activities common at Allyn:

First Grade Paper folding and cutting booklet making, weaving, both paper and yarn, sewing, etc. Art, model boat, making bird house, etc. Home and garden making, weaving and other things for the Indian girl. Locket making, making hats, house, pointing seeds in room, etc. coloring, etc.

Second Grade Making booklets of various covers, cutting, etc. same previous weapons, illustrations of school study maps, Indian trinkets, beads, food, dress, hats, etc. etc. Eskimo dolls, from bottles, pins, and

225 COLLEGES NOW TEACHING PREPARATION FOR MARRIAGE

Two hundred twenty-five colleges are now giving courses in training for marriage, it was declared today in a book magazine by Dr. Ernest R. Groves of the University of North Carolina.

Dr. Groves, pioneer leader in many matters of marriage in the field, started the first class at the school as well as at Vassar in 1927 when a group of campus pre-University of Iowa, Stephens, and Union of the X. I. I. faculty for a course to help them prepare for marriage.

"Child marriage" recently has shocked all America, declared Dr. Groves in the article. "and marriage is not a mere child's play, but a serious and abiding. The great majority of them, however, adjust themselves and raise young people as competent as the backward child in a quiz for babies, presenting

questions and answers. Dr. Groves states that the question most frequently asked him is "Is getting married?" He believes the most important quality for a successful marriage is the desire for a home and children.

Dr. Groves' article in "Look" is accompanied by pictures showing class members and students at class work in the field, started the first class at the school as well as at Vassar in 1927 when a group of campus pre-University of Iowa, Stephens, and Union of the X. I. I. faculty for a course to help them prepare for marriage.

ABBOTT TO MEET WITH EXTENSION DIRECTORS

On April 28 there will be a meeting of the extension directors of the five state teachers' colleges. This is the second meeting, the first being held last fall in Springfield at which time the various directors were appointed. The purpose of the April 28 session is to discuss the results of the research work which had been carried out. The extension director from this college is Dr. T. W. Abbott of the chemistry department.

Records Show Lingle Has Built Up Brilliant Track History Here

By GENE ROGERS.

Though very few students and fans of the college athletes realize the ranking, Southern's track teams have attained throughout the state in the past twelve years. Coach Leland P. Lingle, in that time has directed the Maroons through a history well studied with victories. A brief glimpse at the official records of the athletic department enlightens one as to the truth of the statement.

In 1926 "Doc" Lingle was coaching the first track team at college at Southern. He was also starting out on his coaching career, working as a student mentor. The following year "Doc" joined the staff of the athletic department and set to work at putting out championship track teams for the college students of "Little Egypt."

The first year the Maroons engaged in only two meets, those to defeat the University of Tennessee at Knoxville and the University of Georgia at Athens. The Maroons' victory over the Georgia Indians marked the first success. With it did meet since Lingle's appearance on the faculty. In that same length of time only eleven opponents have amassed totals better than the Maroon squad. Such showing gives a twelve year total meet average of 25.

Particularly noteworthy have been Coach Lingle's teams in giving off victories to squads visiting the local field. In the course of competition the Maroons have won 100 victories, have succeeded in winning 100 from the Maroon boys, Southern's record the track list in Southern's initial year of intercollegiate track in 1926. The Maroons' record in 1926, that another victory, came through Dr. Lingle's performance. Three seasons ago however, both Maroons and Cape Girardeau defeated the Maroons.

Throughout the twelve years the Cape Girardeau have been Southern's keenest rivals. Since 1927 the Maroons' teams had won their eleven opponents' home track team from Cape Girardeau with only one loss. The only one being from the University of Missouri in 1936. The Maroons' record in 1936, that another victory, came through Dr. Lingle's performance. Three seasons ago however, both Maroons and Cape Girardeau defeated the Maroons.

SIXTY REGISTERED IN REMEDIAL READING LAST TERM

An experiment in remedial reading was carried out last term by Mr. Howard Bostley, library head and member of the education department, supervising the project. From 120 freshmen who were eligible, 60 were registered in the reading classes.

Mr. Bostley was working in cooperation with Dr. B. W. Meyum, practice teaching director, Miss Emma Boyner, freshman advisor, Dr. R. D. Bostley, head of the reading department, Dr. R. L. Bostley, head of the history department, and Dr. T. W. Abbott, head of the psychology department.

Several classes in history, geography and sociology were prepared for the project. The practice teaching was done by students chosen from three departments represented. They received credit in practice teaching for the work they did.

Several of the prominent objectives stressed in these classes along with the remedial work. The students were given 21 assignments, 11 assignments in word analysis, 10 assignments in grammar, and 10 assignments in reading. In addition these assignments were given in the Allyn Training School as well as in the Allyn Training School as well as in the Allyn Training School.

A comparison of the grade averages of the 60 who took the remedial classes with the 60 who were eligible for the class, it showed that the class was very worthwhile in the program. Remedial reading courses have been carried on successfully throughout the most progressive schools in the United States.

INTRAMURAL BASEBALL SEASON OPENS

Bartonians and Spirits of '76 Win Opening Games by LLOYD MITCHELL.

The intramural baseball season opened Monday with the Bartonians and the Spirits of '76 being victorious.

The Bartonians defeated the N.Y.A. House, 6-0, in one of the initial tilt.

The Spirits of '76, under the leadership of the Spirit boys, won their first victory over the N.Y.A. House, 6-0.

SOUTHERN NETSTERS LOSE TO CAPE 5-4; THIS IS NEWS!

Southern Net Team Defeated First Time Since 1937; Upset by CHARLES A. SOUTH.

From the 21st of March, 1937, until the 21st of March, 1939, it is a mighty long time to go undefeated.

The most thrilling tennis of the afternoon was displayed by Peterson of Southern and Donawald of Cape.

SINGLES

Donawald, Cape, defeated Peterson of Southern, 6-2, 8-6, 9-8.

S. I. N. U. Scores First Season Victory Over Leathernecks

Rural Schools Sponsor Relays

The following events are scheduled for the Field Day of the affiliated rural schools on the college track today (Friday, April 14).

S. I. N. U. DEFEATS WESLEYAN 7-2 IN TENNIS

Maroon Raquetees Win First Match of Season

Coach DeWitt's raquetees decisively opened the current tennis season last Saturday afternoon.

Saturday's encounter was Wesleyan vs. Southern. It was a close and exciting match.

Coach DeWitt's raquetees decisively opened the current tennis season last Saturday afternoon.

Southern was off to a bad start, as Bob Peterson playing in the number one spot, lost his match, 5-6 and 4-6.

The number three singles men, Bruce Church for Southern and Davo Simpson for Wesleyan, battled for three sets before Church finally broke through to win, 6-4, 4-6, 7-5.

Wesleyan, 6-2, 8-6, 9-8.

Wesleyan, 6-2, 8-6, 9-8.

CHARLESTON NETMEN HERE TOMORROW

Murray Will Be Opponent Next Wednesday

In its second home match of the season, the Southern tennis team plays host to the Charleston Teachers tomorrow afternoon at 1:30.

The Charleston team will be retained this year after a one-year lapse.

Four freshmen have apparently clinched positions on the Maroon varsity in Bruce Church, Monroe Flanagan, Max Sekard, and Ferdie Cox.

Peterson lost to Weratz, 5-6, 4-6, 6-2.

Seminaries of the meet: Southern men are listed first in each case.

Campus Bulletins

Margrave Conducts at Murphysboro

Mr. Wendell Margrave, Dept. Director of the Southern Illinois Teachers' College, was guest conductor at the regular weekly Murphysboro Band rehearsal Wednesday night.

During the evening he discussed with the Murphysboro band members the great possibilities of a Municipal Band and stressed particularly the fire park and band shell. He also told how unfortunate the high school musician is who has studied music and played in the school band differently for years, and after graduation is forced to forget his expensive training and instrument because his town does not have a municipal band.

He said that Murphysboro should by all means have a fine municipal band so that students can carry on. He asked why a municipal band in the United States should be without a regular program of open air concerts played by a municipal band?

ILLINOIS GUARD ARMORY AT CARBONDALE

The Illinois Armory Board's Comprehensive Program for 13 Armories is near completion, Major General Roy D. Keehn, Board Chairman, announced today. Within the next few weeks the buildings, constructed with the aid of the Works Progress Administration, will be ready as the permanent headquarters for National Guard Units in Carbondale, Champaign, Delavan, Dixon, Elgin, Lawrenceville, Mt. Vernon, Pontiac, Salem, Streator, Sycamore, Urbana and Waukegan.

Work is nearing completion on the new \$100,000 State and WPA constructed armory building in Carbondale. The building is being used as the home of the Carbondale company of the 130th Inf., Illinois National Guard, and as a community center.

"INCLUDE US OUT", SAYS JAMES ROCKWELL

(Editor Murphysboro Daily Independent)

After all, isn't it about time to put our shirts back on in the matter of foreign quarrels?

America has been kept in a stew for at least a year by the actions of Hitler and Mussolini.

We have worried about the invasion of Ethiopia, the conquest of Austria and the destruction of Czechoslovakia.

We have been agitated by the civil war in Spain and by the outrages in China.

There is no question about where American sympathies lie in all these wars. They are almost universally on the side of the "under dog".

But nobody appointed us to the job of world policeman, and we never accepted it.

It isn't our business to defend Austrians against Germans, or Albanians against Italians, or even Chinese against Japanese.

Our only job, as a nation and

as a government, is to defend America against anybody and everybody.

At present it isn't threatened, and it probably never will be if we keep our powder dry and mind our own business.

We can't close our eyes to man's inhumanity to man, and we can't help being moved deeply by the tragedies that are happening throughout the rest of the world. But, after all, the fact that 10,000,000 persons are still unemployed in America is more important to this country than the fact that Mussolini grabs Albania or Hitler grabs Czechoslovakia.

It is time to tell Europe, and the rest of the world, to "include us out" and get back to the task of providing jobs, security, and contentment for our own people. That will take all our energy, and ingenuity and wisdom for the next two generations.

Our domestic problems should be our first consideration. We have plenty of them in taxes, unemployment, debt and depression. The present administration has solved none of them. If worse comes to worst, to provide a sanctuary for the rest of man-

zest and enthusiasm. But when they proved difficult, Washington seemed to weary of the distasteful job. Washington is looking for a new toy. It is trifling with the idea of war as being more exciting and more interesting than trying to find jobs for our own people.

It is time to take the attitude of the Hollywood movie magnate when he made his historic remark, "Include me out".

It is time to tell Europe, and the rest of the world, to "include us out" and get back to the task of providing jobs, security, and contentment for our own people. That will take all our energy, and ingenuity and wisdom for the next two generations. The best way to make the world safe for democracy is to make our own democracy work, and if worse comes to worst, to provide a sanctuary for the rest of man-

kind when civilization in Europe collapses under a new world war.

Exchange Programs Between High Schools

Exchange programs have been arranged between the Murphysboro township high school the West Frankfort elementary high school and the Marion township high school. It was announced today at Murphysboro. Each school will take an assembly program to the other two schools.

Wednesday morning the Murphysboro program was given at the West Frankfort high school, and Friday morning it will be repeated at the Marion school. Marion will bring its program to Murphysboro April 21, and West Frankfort May 5. Program given by Murphysboro school included members on the vespers by Mr. Thraikill, band director; tap dances by Ruth Mary

Borgsmiller and Jessie Marie Danoff; and vocal numbers by the girls trio, Frances In-Witt, Betty Daniel and Pauline Kraft. Sarah Lou Cooper plays arrangements for all the numbers. The girls trio will sing over the radio Sunday morning at the Harrisburg station, WERQ, and Mr. Thraikill and Edward Haru, saxophone soloist, will also appear. These programs will be broadcast from 8 to 8:30 o'clock Sunday morning.

Living Statuary

Living statuary posed by members of the S. I. N. U. gym team which has won recognition throughout the Middle West.

"Yes Sir.. Chesterfield Time is Pleasure Time - everywhere"

...as our band travels around the country I find that Chesterfield is the ALL-AMERICAN CHOICE for more smoking pleasure!

It's a fact... millions from coast to coast are turning to Chesterfields for what they want in a cigarette. They find Chesterfields have a better taste and a more pleasing aroma. Chesterfields show them what real mildness means in a cigarette.

When you try them you'll know why Chesterfields give men and women everywhere more smoking pleasure—why Chesterfields SATISFY

...the RIGHT COMBINATION of the world's best cigarette tobaccos ...they're Milder and TASTE BETTER

PAUL WHITEMAN buying Chesterfields at famous Gasparilla Ball in Tampa, Florida. Listen to him every Wednesday night All C.R.S. Stations
