Crown Jo Rushing Queen of AF ROTC Military Ball Here

Jo Rushing, Chester freshman, was crowned queen at the first annual AF ROTC Ball, held Friday night in the Carbondale armory. She received the honorary title of colonel, and will reign over social functions that the detachment has for the next year.

The queen's attendants were Shirley Haug, Xenia; Mary Ann Cagle, Eldorado; Dorothy Edmonds, Chicago; Audrey Mayer, St. Louis; and Carolyn Bernhard, West Frankfort.

About 360 guests were at the formal affair, the first of its kind held here at Southern.

Colonel O. K. Halderson, commanding officer of the detachment said, "In view of our success with the ball this year, we are looking forward to next year's event with great expectations. To the many persons who contributed their time and materials for the ball, I extend my appreciation and thanks."

High school seniors witnessed the coronation of the queen. They were here as guests of Southern at the sixth annual Hospitality Week-End.

To Give Chamber Music Recital

Four members of Southern's music faculty will combine efforts to present a recital of chamber music Wednesday, April 9, in the University School auditorium, at 8:15 p.m.

Sponsored jointly by the music department and the fifth district Illinois Federation of Music Clubs, the program will feature ensemble literature and a piano solo group.

Robert Resnick, instructor in woodwinds, will be joined by the SIU string quartet to perform three movements from Mozart's Quintet in A Major (K.581) for clarinet and strings.

Prokofieff's sonata for violin and piano, opus 94, will feature John Wharton, string instructor, as soloist.

AN ORIGINAL suite for piano, "The Relative Minor," written by Robert Mueller, will be played by the composer. The suite was written for Anthony Kooiker, teacher of piano at Hope College, Holland, Michigan, and consists of four numbers.

As a concluding number on the program, Brahms' Trio, opus 40, for piano, violin, and french horn will be played by Phillip Olsson, director of the SIU bands, together with Wharton and Mueller.

For the past three years, a chamber music recital has been given each spring at Southern by the music department. The public is invited and there will be no admission charge.

Spring Festival to Feature Full Day Of Athletic Events

This year, for the first time, Spring Festival will feature a three-ring athletic program. The Festival committee has scheduled three athletic events for Saturday, May 3, the third and final day of Spring Festival, in conjunction with Glenn (Abe) Martin, athletic director.

According to Martin, the Salukis will play a baseball game with Arkansas State, a tennis meet with Evansville college, and a track meet with Illinois Normal Saturday morning and afternoon.

The athletic events will replace the customary parade and caravan usually held on Saturday of the Spring Festival week-end. A banquet for Southern athletes and their parents will also be held on Saturday. The banquet will be sponsored by President D. W. Morris.

SPRING FESTIVAL will be launched on Thursday, May 1, with an all-school assembly at which the Miss Southern candidates will be introduced.

Then on Friday, there will be an informal dance and floor show entertainment titled "Fisherman's Wharf," which will be held in the men's gym. This will replace the usual vaudeville show.

The Miss Southern contest will be held Saturday afternoon and will be followed by the midway events which will be sponsored by various campus organizations.

According to custom, the Spring Festival concert and dance will be held Saturday night. Miss Southern will reign over the dance.

The name of the band which is to play for the concert and dance has not, as yet, been officially released.

More Than 120 Attend Hospitality Week-End

Approximately 120 seniors from high schools throughout Southern Illinois registered at SIU's sixth annual Hospitality Week-End held on campus last Friday and Saturday.

The highlight of Friday's program was the Hospitality Week-End dance held in the women's gym from 8 to 11 p.m. Following the dance, the visitors attended the coronation of the queen at the Military Ball held at the Carbondale Armory.

Earlier in the day the guests gathered in Shryock auditorium to be welcomed by President Delyte W. Morris, Lloyd Bitzer, master of ceremonies; officers of the Student Council, and officers of the Student Senate.

CLASS VISITATIONS, campus tours, President Morris' reception and a program from the campus variety shows were also included in Friday's activities.

The high point and climax of Saturday's session was the banquet held in the university cafeteria. Sue Smith, Benton, served as toastmistress and Dr. Paul Hunsinger, assistant professor of speech, spoke on the topic "Hi, Hire, Highest." Also, Richard Anderson led group singing.

Group pictures, which were taken on Friday, were given to the group at the luncheon. Preceding the banquet, the seniors had informal meetings with department heads, and attended a panel discussion on campus activities.

Published semi-weekly during the school year, excepting holidays and exam weeks by students of Southern Illinois University, Carbondale, Ill. Entered as second class matter at the Carbondale post office under the Act of March 3, 1879.

Cars Without Countries

Still having trouble finding a place to park? Another step has been taken toward solving the maddening problem of parking here at Southern.

Beginning summer term, all cars will be registered at the regular university registration. This time, it will be a highly simplified registration, consisting of the owner's name and address, make of the car, and license number.

The university parking committee, headed by W. C. Bicknell, has made arrangements for the registration of cars in accordance with the university policy on parking, the Student Council, the Registrar's office, and the statistical service.

Dean I. Clark Davis, parking committee spokesman, has pointed out arguments in favor of the car registration as follows:

1. A basic measuring rule will be established—the exact number of cars on campus will be known.
2. Plans can be formulated for the final solving of the problem, since the number of cars on campus will be known.
3. The system provides a city-wide check, since a complete license file will be on hand.
4. The trend in almost all large cities with parking or traffic problems is to register the cars.

D.S.

Want a Change?

About this time in every term, there are always several students who want to make changes in their programs. Thus, the Egyptian is making a special effort to acquaint students with the university rules concerning program changes. The rules are as follows:

To add or drop a course an undergraduate student should secure from his adviser a program change card. He then secures, in this order, the signatures of (a) his adviser, (b) the instructor or instructors whose courses are added, dropped, or shifted, and (c) the dean of his college.

During the second, third, or fourth weeks of a term, dropping a course will be approved only where the reasons seem valid. Students usually will not be permitted to drop a required course. Grades will be given if there is evidence of the quality of work done by the student. Hence, the record may show, for example, "W-3" or "W-D-3," which must be identical with the record turned in by the instructor at end of course.

After the fourth week of a term, changes will be approved only under unusual conditions. A course may be dropped only under conditions beyond the student's control. A grade must be recorded for any dropped course (a "W" alone, however, will indicate a dropped course where the student is merely shifting to another section of the same course). During the last three weeks, changes will be approved only in extreme emergencies.

Silence Pays

Students who seldom speak in class may be learning more than the professor thinks, according to a study at the University of Chicago.

The study also showed that most students actually have their minds on the lecture about two-thirds of the class period. The other third of the time their minds wander.

Professors get three tips from the researchers: Don't make too many wisecracks; don't be antagonistic; don't make the important points in the early lectures.

Ike, Stevenson Chosen At Mock Conventions

A Review— Fischer Presents Own Composition

by Kate Moe, assistant professor of music

Gilbert Fischer of the music staff presented a concert Thursday, March 27, in which he played a set of Preludes and Epilogue which he had composed. This cycle for piano is a work of great strength and variety, a work which could have been written only by a sincere artist whose conception of life and art is one of depth and understanding.

The idiom which Fischer uses in his Preludes and Epilogues is mostly that of the impressionistic period. There are shades of musical expression reminiscent of Debussy, Ravel, Albeniz, and even Moussorgsky throughout his work, yet the music is fresh and new, rich in content reflecting Twentieth Century life as well as ageless emotional intensities.

THE FACT that the work is not written in Twentieth Century idiom, whatever Twentieth Century idiom may be, can hardly be considered an adverse criticism. Some of our greatest composers wrote in the style of masters before their own time before emerging with a style of their own. Beethoven and Sibelius were among these, to mention only two.

The cycle form of short compositions is often used by composers of piano music, but it is perhaps more frequently used by writers in the vocal realm. Fischer's set of Preludes and Epilogue brings to mind the Schoenberg setting of the nineteen poems known in German as "Gurrelieder."

These songs are definitely Wagnerian in style in spite of the fact that they were written around the year 1900. Schoenberg, when he

Trackmen Eye School Records in Opener

Students will get a chance to see Southern's trackmen start their 1952 season this afternoon at 3 p.m. when the Salukis open a dual meet with Western Illinois. The meet, originally scheduled for Saturday, was moved up to today.

Western will be the first of seven dual meet opponents for Coach Leland (Doc) Lingle's men who had a record of three wins and two losses last season. Western lost to Southern last year by a score of 73 1/2 to 57 2/3.

LINGLE, starting his 26th year as SIU's track coach, will be banking on Phil Coleman, Carbondale senior, to win firsts in both the mile and two mile runs. Coleman set school records for both these events last season with 4:23 in the mile and 9:44.2 in the two mile.

In general, Lingle is unsure of his team's prospects for this season. Much will depend on the performances of lettermen back from last year's squad.

These lettermen include Harry Clark, Carbondale; pole vaulter; Jim Massa, Collinsville javelin thrower; Jack Lawler, Belleville sprinter and hurdler; Chuck Wildy, Belleville hurdler; Joe Budde, Belleville sprinter; and Jack Renfro, Collinsville sprinter. Renfro has been lame this week and may not compete today.

HERE ARE the all-time school records that this year's trackmen will be out to break:

100 yards—9.9, held by William McLaughlin, Aona (1925); Carl Wright, Carbondale (1931); Clarence Pierce, Christopher (1933) and Eugene Payton, Carrier Mills (1936).

220 yards—21.4, held by Payton (1937) and Charles Strusz, West Frankfort (1938).

440 yards—49.3—held by Strusz (1938).

880 yards—1:50, held by Joe McLafferty, Carbondale (1950).

One mile relay—3:27.5, held by Strusz, Max Parsons, Herrin; Allen Sutton, Hurst-Bush, and Charles Morgan, Herrin (1938).

120 high hurdles—15.3, held by Dave Aiken, Benton (1939).

220 low hurdles—23.9, held by

Payton (1936).

High jump—6'5 3/8", held by Harold Hartley, Ashley (1949).

Broad jump—23'7 1/2", held by James Alexander, Herrin (1949).

Pole vault—13'3 1/2", held by Bob Neighbors, Belleville (1950).

Shot put—45'8 1/2", held by Bill Guiney, Ziegler (1942).

Discus—147'7 1/2", held by Quinton Stinson, Eldorado (1948).

Hop-step-jump—47'3", held by Kenneth Cole, Norris City (1936).

Javelin—193'8 1/2", held by Paul Brown, Carbondale (1932).

John Sebastian, former SIU cage star, is currently appearing in a movie entitled, "The Harlem Globe Trotters." Sebastian captained the 1945-46 Saluki basketball squad, and is now playing as a professional.

Southern's baseball squad will open its regularly scheduled season tomorrow when they will take the field at Jonesboro to face the Arkansas State Indians.

The Salukis, who won three while dropping two on their spring training tour of the South last month, will be out to better last season's record of 16 wins and 9 losses.

Coach Glenn (Abe) Martin announced he will probably pick his starting pitcher from among the following four men: Wayne Grandcolas, Belleville lefthander; Ronnie Hagler, Murphysboro righthander; Bob Ems, Fisher righthander; or Ray Ripplemeyer, Valmeyer righthander. Grandcolas and Ems won their letters last year. Hagler and Ripplemeyer are freshmen.

Martin said his probable starting infield will be Larry Burns, Madison, first base; Eddie Coleman, Du Quoin, second base; Jerry West, Belleville, shortstop; and Chuck Valier, Pinckneyville, third base. All four players lettered on last year's squad.

In the outfield, Martin expects to start Captain Jim Schmulbach in center. If not called upon to pitch, hard hitting Bob Ems probably will play right field, with Ray Ripplemeyer, another long ball hitter, in left.

Ed Theis, Campbell Hill, probably will start behind the plate, Martin said.

Following the Arkansas State game, the Salukis will play six home games starting Tuesday, April 8, against Washington U. After that, the Salukis entertain Western Illinois in a doubleheader April 11; Millikin, April 15; and Central Michigan in a doubleheader April 18.
