Open the gates of S. I. N. U. to the new flock of freshies! As it is the tradition of S. I. N. U., the Freshman Orientation will take place September 8 and 9.

There will probably be plenty of hustle and bustle on Tuesday,

September 8, as the new students arrive. The busses and trains will unload their cargoes of intellectually minded "young-uns" and many a tear will be shed as they bid a final farewell to Mother and Dad. From here the Freshmen will be on their own, but they will get acquainted with one another and soon will forget that empty feeling. All Freshmen are given an orientation book giving the calendar of events, traditional information, and a man of Carbondale.

The program will start off at 8:15 n.m. Tuesday with an address of welcome given by President Pulliam in the Auditorium. At 9:30 there will be the group meetings with the At 9:30 there
