Second Community Concert Presents Miss Frances Bible, Mezzo Soprano

The second in a series of four concerts sponsored by the Community Concert Association will be presented Wednesday, Dec. 12, at 8 p.m., at Shryock auditorium. Frances Bible, on tour after completing a successful season with the New York Opera Company in Chicago, is to appear as soloist.

This concert will be the second in a series of four to be presented by Miss Bible while on tour. Her first appearance is to be in Campaign-Urbana Monday, Dec. 10.

Born in Sackets Harbor in upstate New York, Miss Bible began to study voice in her home town at the instigation of her choir director. She continued her musical studies at the Juilliard School of Music in New York City, graduating with the highest rating and winning a five-year fellowship to the Juilliard Graduate School.

WHILE A STUDENT at Juilliard, she made her first operatic appearance in 1946 as Dorabella in "Cosi fan Tutti," under the baton of Wilfred Pelletier, eminent operatic and symphonic conductor.

One of her most recent activities was with the Chautauqua Opera Company during the summer of 1951. She was featured with the New York City Opera in the fall of '51 and has recently completed a season with the New York City Opera Company in Chicago.

Miss Bible came to the New York Opera Company after four summers with the Chautauqua Opera Company in Chautauqua, N. Y. Since her auspicious debut in the fall of 1948, opera goers have not ceased to marvel at her performances in leading mezzo soprano roles in such operas as "Aida," "Carmen," "Salome," "Cavalleria Rusticana," "Eugene Onegin," "The Marriage of Figaro," "Tales of Hoffman," "Faust," "Meistersinger," "Love for Three Oranges," and "Der Rosenkavalier" with the New York Opera Company in New York, Chicago, St. Louis, Milwaukee and other cities.

IN THE CONCERT field, Miss Bible has sung the mezzo soprano roles in a wide variety of oratorios in New York, Pittsburgh and elsewhere. One of her greatest successes outside of New York was in a concert performance of "Der Rosenkavalier" with the San Francisco

Symphony under the leadership of Artur Rodzinski. And last summer, Frances Bible scored a success in the operetta "Roberta" with the Dallas Starlight Operetta Company.

In 1950 Frances Bible was named by the editor of Mademoiselle Magazine, as one of "The Ten Young Women of the Year." Miss Bible brings to the operatic and concert stages a youthful brilliance and freshness, coupled with a musical intelligence that permeates each role. She portrays the young age of the artist.

Admission will be free to those students who have activity tickets and to members of the Concert Association.

SIU Debaters Win First Rating At Kirksville Meet

After getting off to a slow start in their first debate at Bradley university, SIU debaters scored top ratings at Kirksville, Mo. Friday and Saturday, Dec. 7 and 8.

Attending the speech meet sponsored by Pi Kappa Delta at Kirksville State Teachers college were the debate teams of Carolyn Reed and Sue Martin, and Carroll Boyles and Lloyd Bitzer.

Both teams won three out of four debates. The women's team ranked first in the women's division of the tournament, and the men's team tied with Westminster college, and the University of Illinois, Navy Pier, men's team for first place.

THE DEBATERS were accompanied by A. J. Croft, director of debate, SIU speech department.

Two other debate teams composed of JoAnn Eblen and Juanito Nowers, and Charles Tucker and Gene Penland attended another meet at Greenville, Ill., college Saturday, Dec. 8, with 30 schools represented.

Each team won one round and lost three. Dr. Paul Hunsinger of the SIU speech department accompanied the group to Greenville.

The next debate tournament in which Southern will participate will be held at Illinois Normal in January.

Advanced AFROT Men Receive Pay

Southern Illinois University students enrolled in the advanced course of the Air Force ROTC received their first pay checks this week.

The checks for \$72 represented pay for the period of Sept. 10, when the unit was activated, to Dec. 1. Students are paid at the rate of 90 cents per day.

Not yet eligible for pay are the 600 members in beginning ROTC courses. Advanced work is open only to qualified juniors and seniors.

Advanced students also were measured this week for tailor-made officer uniforms which will bear cap and shoulder insignia. Delivery is expected by Dec. 18.

'Messiah', Decorations Launch Christmas Week

Pre-Christmas activities on campus were begun Sunday night when the sixth annual presentation of Handel's oratorio "The Messiah," took place at Shryock auditorium under the direction of Dr. Maurits Kesnar, chairman of the music department.

Organize Alumni Club in Missouri

Southern now has a Missouri Alumni club which was organized only recently in St. Louis with 86 of the SIU alumni living in Missouri. President D. W. Morris was the speaker at the organizational meeting.

Warren Gladders, former Carbondale resident now living at 13 Litzinger Lane, Ladue, Mo., is a board member of the newly-organized club.

Other officers are: president, Mrs. Irene McLean Ross, St. Louis; vice president, Robert A. McIlrath, Flat River, Mo.; secretary-treasurer, M. Paul Moseley, University City, Mo.; and corresponding secretary, Miss Nada Grammaticoff, St. Louis.

Sororities Named Full Members of National Pan-Hellenic Council

Delta Sigma Epsilon, Pi Kappa Sigma, and Sigma Sigma Sigma, the three national social sororities on campus, were voted into full membership in the National Pan-Hellenic council at its annual conference in Williamsburg, Va. The conference was held from Nov. 27 until Dec. 1.

The sororities here at Southern have been associate members of the Pan-Hellenic council in the past and were not full members because they were classed in a separate grouping with educational organizations.

Miss Hilda Stein, associate professor of zoology and sponsor of Southern's chapter of Delta Sigma Epsilon, attended the national conference as an alternate delegate. Mrs. Dorothy Gladheart, Carbondale, attended the conference as a delegate of Sigma Sigma Sigma.

Soloists for the sixth annual production were: Harold Bailey and Dorothy Krieg, Chicago; Russell Horton, St. Louis; and Rosamond Hirschorn, Emporia, Kansas.

A party called "Deck the Halls" was held at the Student Center last night. During the party the Student Center was decorated in keeping with the Christmas theme. After the decoration was completed, refreshments were served and dancing followed. This party was sponsored by the Student Center Steering committee.

OTHER ACTIVITIES for Christmas Week have been announced by Jerry Fear, president of the Social Senate and general chairman of Christmas Week, and are as follows:

Tuesday, Dec. 11—a religious program will be held at 7:30 p.m. in the University School auditorium. The program will consist of a religious play by the directing class of the speech department and music by the Madrigal singers. A reading by Virda Sill will follow the program.

Wednesday, Dec. 12—President and Mrs. Morris will hold a Doughnut Hour at the Student Center from 9:30 to 10:30 a.m.

At 8 p.m. the second in a series of four Community Concerts will take place at Shryock auditorium. Frances Bible, mezzo soprano. (continued on page 2)

Marine Officers Recruit Students for Courses

Among visitors on campus last week were Lt. T. L. Gibson and Cpl. L. W. Ensz of the Marine Corps Officer Procurement office, Kansas City, who were here recruiting for three Marine programs—the Marine platoon leaders class, the Marine Officer Candidate course, and the Women Officers Training class.

All three of the programs lead to commissions as Second Lieutenants in the U. S. Marine Corps Reserve.

CANDIDATES for commissions in the platoon leaders program are deferred from the draft and allowed to complete their work for a bachelor's degree. Only college seniors and graduate students are accepted in the Marine Officer Candidate Course and are deferred from the draft long enough to complete their respective degrees.

Lt. Gibson and Cpl. Ensz will return to the campus February 27-28 for interviewing, examining, and processing of candidates.

Students desiring additional information may see Robert Ethridge, military service information officer, in the Office of Student Affairs.

Published semi-weekly during the school year, excepting holidays and exam weeks by students of Southern Illinois University, Carbondale, Ill. Entered as second class matter at the Carbondale post office under the Act of March 3, 1879.

Vanishing Volumes

An instructor at Southern was recently heard to remark that the university library is the life center of the school, and we would be inclined to agree with that statement.

To fulfill the needs of students and faculty, the library must of necessity have a large book and magazine collection with a wide variety of material included, both for reference and home use.

The reference shelves are open, and students are allowed to go and select books at will as long as they remain in the reference room. Unfortunately, there are almost always some individuals who will take unfair advantage of any opportunity offered them. As a result, several books are missing from the shelves.

BOOKS RECENTLY reported missing, according to Elizabeth O. Stone, assistant director of libraries, include: "Encyclopedia of the Social Sciences, Vol 12," "Funk and Wagnalls' Dictionary of American Folklore, vol. 1," and "The Hunter's Encyclopedia."

Anyone finding one of these books, or any book bearing a library stamp, has been asked to return it to the library at once.

The only solution we have to suggest for this situation, (aside from a sudden outbreak of honesty from those who have occasion to misuse the library) is to station a guard at each exit and frisk those departing to make sure that they are not smuggling out any of the library's property. V.M.

New Photos Added To Faculty Files

by Willard Dawson

Faculty personnel files are receiving an up-to-date look with the addition of new portraits being taken by the photographic service.

The project scheduled, which began on Oct. 22 and was completed on Dec. 1, calls for 25 portraits a day at the rate of five per hour.

Mrs. Minnie Pitkin, assistant in personnel at the President's office, said that the photos are being taken because the process file is incomplete and many of the pictures of the faculty that the university has on file are getting old.

SHE ALSO SAID that this is the first time the SIU photo service has taken faculty pictures.

Prior to this time, the university obtain faculty pictures from the Obelisk.

To Give Medals To AFROTC Men

by Jack Nettland

Five Southern AFROTC students exemplifying high scholastic ability, high military achievement, and high leadership ability will receive gold and silver medals, four of which will be presented by the Chicago Tribune and one of which will be presented by the Air Force Association near the end of this academic year, reports Captain P. M. Lunde of the Southern AF ROTC staff.

One of the awards will be the presentation of the Air Force Association's ROTC gold medal to the most outstanding of all advanced or basic course cadets at SIU. The Air Force Association, an organization headed by Harold L. Stuart, former assistant secretary of the Air Force, presents this award annually to each college's outstanding cadet.

TWO GOLD and two silver Chicago Tribune medals standing again for scholastic as well as leadership ability will also be presented. A gold medal to each of the highest ranking advanced and basic students respectively, and a silver medal to the runners-up in each respective division will be awarded. This will be the eighteenth consecutive yearly presentation of the Tribune award which goes to students in AFROTC detachments throughout ten mid-western states.

A total of 33,162 cadets in schools of Illinois, Indiana, Iowa, Wisconsin, Missouri, Minnesota, Michigan, Kentucky, Colorado, and Kansas will be bidding for the Tribune medals.

Selection of the recipients for the awards at SIU will be made by the regular service officers of the Southern AFROTC unit.

The medals and awards are now on display in the show-case on the first floor of the Parkinson Laboratory building.

Noté Selective Service Registration Deadline

Young men becoming eighteen years old must register with Selective Service within five days of their birthday, and failure to do so makes the delinquent liable to penalty, it was pointed out today by Colonel Paul G. Armstrong, Illinois State Director of Selective Service.

However, if a man happens to be away from home at the time, it is not necessary for him to return, Colonel Armstrong explained. He may register at the nearest local board and the record will be sent to the local board having jurisdiction over his place of permanent residence, even though the latter is in another state.

After he registers, it is mandatory that a registrant keep his local board informed of any new address or other change in his status, and this applies after he becomes 26 years of age as well as before.

The maximum penalty for violation of any of the provisions of the Selective Service law, Colonel Armstrong said, is five years in prison or a fine of \$10,000, or both.

GEOGRAPHY FRATERNITY PLANS MEETING TONIGHT

The December meeting of Gamma Theta Upsilon, geography fraternity, will be held Tuesday, Dec. 11, at 7:30 p.m. in Main 215. Miss Annemarie Krause of the geography department, will present slides on South America (except Paraguay).

Plans for a project concerning job opportunities in the field of geography will also be discussed at this meeting.

Plan Internships for Accounting Students

In cooperation with the newly organized Southern Illinois chapter of Illinois Society of Certified Public Accountants, a movement here at Southern has been started to set up an internship program for advanced accounting students.

The organization has authorized the chapter chairman, Harry C. Curtis, Carbondale certified public accountant, to work with three members of the SIU faculty in developing plans for such a work-study plan. Representing SIU will be Henry J. Rehn, dean of the college of vocations and professions; and two members of the business administration department, Dr. John W. Scott and Miss Mary Noel Barron.

Such a plan, says Dean Rehn, could provide part-time work experience in an accounting firm in the area as a part of a student's study program, giving him actual experience.

Three Attend Meeting Of Delta Kappa Gamma

Misses Charlotte Zimmerscheid, Tina M. Goodwin, and Susie E. Ogden, members of Delta chapter of Delta Kappa Gamma, women teachers' national honor society, attended the November chapter meeting held at the Broadview Hotel in East St. Louis, Saturday, Dec. 1.

Four new members from the St. Clair County area were added to the chapter membership in an impressive initiation service.

Following the dinner and social hour, Dr. Elizabeth Michael of the foreign language department, Eastern Illinois State Teachers College, Charleston, gave a talk on her two year's experience in France as a research scholar of Delta Kappa Gamma.

BRIGGS WRITES ARTICLE ON FLOATING CIRCUSES

Floating circuses, plying the Mississippi and Ohio rivers in their heyday 100 years ago, found the bustling river town of Cairo a favorite and lucrative stopping point, says Harold E. Briggs, chairman of the university history department, in an article in the current issue of Egyptian Key, magazine devoted to Southern Illinois.

Cairo newspapers of the period of study, 1848-58, recount the visits of the circuses in a consistent pattern, says Briggs.

MAXINE, featured vocalist with the Les Jackson orchestra, which will play for the SIU Christmas dance Friday, Dec. 14, from 9:15 p.m. to 12:15 a.m. A concert at 7:30 p.m. will precede the dance, which is being sponsored by the Social Senate.

Conduct Child Guidance Clinics In Area Towns

Dr. W. A. Thalman, Director of the Child Guidance clinic, in cooperation with the Wabash County Nursing Service and the Mt. Carmel high school, held a clinic at Mt. Carmel, Dec. 6-7.

A similar clinic was held in connection with the schools at Mt. Vernon several weeks ago. On Dec. 14, the staff will hold a clinic at Carmi. A number of requests have already come in for clinics to be conducted in other communities.

Graduate assistants Fay Sisk and Wanda Mitchell, from the Child Guidance clinic, and Kathryn Davis, graduate assistant in the Department of guidance and special education, assisted in the testing of the children and in the interviewing of the parents.

Although the larger number of cases are brought directly to the University campus for study, the services of the clinic are also made available to the public schools in the various communities throughout the southern part of the state with respect to the conducting of off-campus clinics. The cases for study are referred to the clinic by school administrators, teachers, parents, school nurses, social workers, physicians, and county judges.

Begin Course Here on Income Tax Problems

SIU students, as well as anyone interested, may now take a course titled Personal Income Tax which deals with bothersome tax problems.

The course is taught by Miss Mary N. Barron and is listed as Business Administration 359. So that the course may help those taking it meet the March 15 Income Tax deadline, it will be completed by that time.

The class will meet each Tuesday night throughout the winter term.

Faner Author of Book About Walt Whitman

Just recently published was "Walt Whitman and Opera," a book written by Dr. Robert D. Faner of the English department. The book is the first full-length volume written by Dr. Faner.

The volume is also the first to make a complete study of Whitman's professional debt to the musical world and it tells how Whitman received his greatest inspiration while listening to opera music.

Part I of "Walt Whitman and Opera" develops background material, discussing what specific works the poet knew or heard and the musical climate which motivated the method of "Leaves of Grass."

The second portion of the book analyzes representative poems to show how the various aspects of operatic art influence both the form and content of the poems.

Send 21 Books Abroad For Free University

Southern's International Relations club has forwarded 21 books to The National Conference of Christians and Jews, Inc. for the Free University, Berlin, Germany.

The request for books was made by Arthur H. Compton, general chairman of World Brotherhood Free University which is attended by 6,000 students, half of them from the Russian sector, who, according to Compton, "learn under freedom's banner though they live under tyranny."

The 21 volumes sent from SIU were selected by the International Relations club from books withdrawn from the university libraries. They will be placed in the Free University library now under construction under a grant from the Ford Foundation.

Former SIU Students Receive New Positions

Following are recent positions received by former SIU students through the aid of the Placements Service.

Walter B. Welch, Jr., a graduate from Southern last June, is teaching science in the Sparta high school.

George W. Rich, who completed his work for a degree at Southern in December, 1950, is now assistant cashier in the First National bank of Cobden.

Richard S. Knauel, Edwardsville, is employed as a biology teacher in the Herrin high school.

Norman W. Reames, formerly of Hurst but now living in Du Quoin, has accepted a position as principal of the Cutler (Ill.) grade school.

Robert L. Davis, 1503 E. Main St., West Frankfort, is teaching in the Central Junior high school at West Frankfort, according to the SIU Placement service.

Davis married the former Miss Harriet Lyons, a student at SIU in 1932-34. They have two children.

HAROLD G. KISSACK, who completed his work for a degree from Southern at the close of the fall term, Dec. 1, has accepted a position as an industrial arts teacher in the Findlay, Ill., high school.

Maurice Lee Ray has accepted a position in distribution and field advertising with the Proctor and Gamble Mfg. Co.

MR. AND MRS. Charles L. Cottrell, both former students, have accepted positions in Decatur.

Mrs. James W. Young, formerly Nancy Sue Jones, has accepted a position as faculty assistant here at Southern.

Southern's WAA Closes Hockey, Tennis Season

With the closing of the fall term, SIU's Women's Athletic Association closed its hockey and tennis seasons for the year.

The hockey teams participated in two sports days and the annual Varsity-Alum game at Homecoming. The two sports days were away from Southern. The first one was played at Normal in which Southern was defeated 4-1. The second sports day was a dual meet with Principia College. SIU's second team was defeated 1-0 and the first team was defeated 7-1. At the Varsity-Alum game, the Varsity won 2-0.

To close the season two equal teams were chosen and a two-game tournament was played with both games ending in scoreless ties. To close the activity, the W.A.A. invited the Professional club to a chili supper under the supervision of Miss Jean Stehr, faculty hockey advisor, and the hockey teams.

Because of the early snow this year, the tennis activities were forced indoors and the annual doubles and singles tournaments were not held. Because of the lack of space in the gymnasium the girls played paddle tennis and when outdoors played regular tennis. Miss Ulm was faculty advisor.

The new activities to be offered by W.A.A. at the beginning of winter term are badminton, table tennis, and bowling. Basketball will not be offered until after Christmas vacation. Modern Dance however, will continue on Tuesday and Thursday nights.

The W.A.A. initiation will be on Dec. 12. Any girl who has participated in W.A.A. activities or in a physical education class fall term is eligible to join. Application blanks may be obtained in the gymnasium.

SIU CANTEN TO CLOSE AT 7 P. M. WEDNESDAY

The Canteen will be closed at 7 p.m. Wednesday, Dec. 12 to allow the employees to have their Christmas party.

Salukis Beat Huskies In IAC Opener 63-58

by Don Duffy

Coach Lynn Holder's basketball squad made its 1951 IAC debut a success by turning back the Northern Huskies in the last five minutes of play, 63-58. Trailing by three points with only five and one-half minutes of playing time remaining, the Salukis poured it on to score 12 points while tight defensive play held the Huskies to only two points for the remainder of the game.

This hard fought victory in a game in which the score was tied at seven different times gave the Salukis a record of two wins and one defeat for the current season. The defeat was the second in a row for the Huskies, who were beaten 63-60 by Whitewater State last Monday night in a last quarter battle of free throws.

Southern's offense, aided by Chuck Thate's star play on rebounds, held a 32-27 half-time lead. The defense, led by "Pony" Horst, seemed to be in the best form showed thus far in the three games played to date.

Norm Kaye, leading scorer for

the Huskies in their first game, was held to two baskets and five free throws, a total of nine points. Leading scorer for Northern was returning letterman Jim McKinzie, with seven field goals and three free throws, adding up to 17 points.

Forward Harvey Welch, freshman from Centralia, led the Saluki offense with 14 points consisting of six baskets and two free throws. Chuck Thate, a 6-5 junior from Chicago, was close behind him with six field goals and one free throw totaling 13 points. Tom Millikin, all-IAC forward, turned in four baskets and two free throws for 10 points.

Thursday night the Salukis meet the Greyhounds from Eastern New Mexico here in Carbondale. From here, they travel to Decatur Saturday to match baskets with Millikin University's Big Blue.

Chi Delts Retain Lead in League, Sigma Pis Second

Chi Delta Chi kept their lead in the Pan-Hellenic Bowling league by rolling a record 2,456 series to gain a triple victory over Sigma Tau Gamma. The Chi Delt's initial game of 911 is the season's high single game thus far. Jim Throgmorton was high man for the victors with a 541 series, backed by Bill Wangelin's 505, Doug Garber's 494, and Bill Nichols' 491.

Sigma Pi broke a second place tie in the men's division by clipping the TKE's for two of the three games. The TKE quintet missed a shut-out when they won the last game of the series by a scant margin of two pins. Gene Graves and Bill Hunt were high for Sigma Pi with 474 and 459. Bob Lupella's 417 was high series for the losing TKE's.

The upset of the afternoon came in the match between the Pi Kappa Sigma and Sigma Sigma Sororities. The Pi Kaps, leaders in the women's division, received a triple thumping from the Tri Sigs who had spent much of the season in the cellar. The match was the closest of the afternoon. The Tri Sigs won the middle game by 15 pins, and the last match by just four pins. Lead-off bowler Jo Rushing sparked the winners with a 428 total, backed by Connie Conatser's 391. Mary Ann Klingenberg's 435 was the biggest threat the Pi Kaps had to offer.

Theta Xi remained in last place in the men's division despite their two game victory over Delta Sigma Epsilon sorority. Carroll Cox's effort of 472 was the big threat for Theta Xi. Louise Taylor's total of 375 was chalked up as high series for the Delta Sigs.

SIU Cagers Face Heavy Schedule

Southern's basketball squad will be engaged in two non-conference games this week. The Salukis are hosts to Eastern New Mexico's Greyhounds this Thursday, then travel to Decatur Saturday to face the Big Blue, minus Scotty Steagle, of Millikin University.

THURSDAY'S GAME will be the first meeting of the Salukis and the Portales, New Mexico team. In the past three years, the Greyhounds have won two championships and shared another in the New Mexico conference. Forward Bob Fitt of Mattoon, Illinois is the only starter back from Coach Al Garten's Greyhounds of last year.

The Salukis have three games scheduled for the first week of Christmas vacation. They play Central Missouri Dec. 18 at Pinckneyville, Central Michigan in a conference game here Dec. 20, and Michigan Normal in another IAC game here Dec. 22.

NCAB Ranks Wilson No. 21 in Pass Receiving

Leo Wilson, SIU end, ranked No. 21 in the nation for pass receiving, according to final small college statistics released this week by the National Collegiate Athletic Bureau.

Wilson caught 31 passes for 361 yards and three touchdowns. Southern ranked No. 19 for team punting, with an average of 36.3 yards per punt, all of them kicked by Charlie Neiry, freshman from West Frankfort.

TOM MILLIKIN, all conference forward and captain of the 1951-52 basketball squad, sets himself for a shot at the net. Millikin, awaiting his draft call, scored 21 points against Southeastern Louisiana in the first home game to lead the Salukis to a 63-58 victory. In last Saturday's conference opener, which Southern won by an almost identical score of 65-58, Millikin totaled ten points.
