Jan. 22 Show

Grant Johannesen, Pianist,  
Features Community Concert

The second Community Concert of 1959-60 will be presented Jan. 22 at Shroyck Auditorium, featuring pianist Grant Johannesen. In order to attend the concert, students must pick up advance tickets at the Student Union desk.

There will be 650 tickets available for students, and they will be given on a first come, first serve basis.

The new system formed after hundreds of patrons were turned from the door at the first concert in November. The concert featured the Oberkirchen Choir, and much of the audience was comprised of students.

Johannesen, 36, has appeared at United States and European music festivals since the end of World War II. He has played at the world-famous Bergen Festival in Norway, where Crown Prince Olaf presented the artist with the traditional laurel wreath, and at the elegant Aix-en-Provence Festival in France.

The Salt Lake City, Utah, native entered the international Piano Competition at Ostende, Belgium in 1949 and defeated 51 other

contestants. The decision was unanimous.

Johannesen has toured South America and has appeared on the west coast at Hollywood Bowl, in the mid-west at Ravinia Park, in the south at Brevard and Park, in the north at Carnegie Hall. Students must have an activity card when they acquire advance tickets.

The following excerpt is quoted from the New York Times: "Grant Johannesen, who has not been heard here since 1955, has been winning a reputation as a major pianist. He confirmed this impression last night (Nov. 24, 1958) in his first Carnegie Hall recital.

"The accent of the program was decidedly not on novelty. In spite of the fact that the Six Intermezzi, Op. 4, by Schumann are not familiar concert fare, Mr. Johannesen has played them before in New York. He also has been heard locally in parts of Beethoven's 'Concerto for the Piano,' which he played in its entirety last night.

"No matter, he played both pieces as freshly as if he had just worked them up for this concert."

Chorus Begins  
Two-Month Work  
For Concert

The Southern Illinois Oratorio Chorus began a two-month rehearsal schedule yesterday in preparation for its second spring concert presentation, "The Elijah," by Mendelssohn.

The areawide chorus is made up of adult vocalists from over southern Illinois, as well as SIU students. "The Elijah," to be presented March 13 in Shroyck Auditorium, has been called by Director Robert Hines, "one of the great choral masterworks of all time."

WSIU Adds  
Live TP  
Jazz Saturday

With the start of the new year, Southern's radio station, WSIU, has added a new live TP jazz show to its schedule and is featuring special broadcasts such as an address by Dr. Jerome D. Frank of John Hopkins University on "The Nuclear Arms Race-Sanity and Survival."

WSIU will present Dr. Frank's address on tomorrow's WSIU Symposium series.

Dr. Frank, a well known psychiatrist, is an associate professor of psychiatry at John Hopkins. He is in charge of the Psychiatry-Out-Patient Department of the John Hopkins Hospital. The latter position he has held since 1951. He is the author or co-author of some 70 scientific papers, chiefly on psychotherapy.

Dr. Frank's speech was recorded at a public meeting sponsored by Psi Chi, the National Psychological Fraternity, at George Washington University in Washington, D.C.

Joining the line-up of WSIU locally produced shows will be the new "Southern Jazz Festival" on Saturday afternoons at 3 p. m., beginning Saturday. The Shroyck Auditorium performances will be presented two hours of varied recorded jazz along with interesting guest personalities and occasionally live music.

The show will originate from Lantz Hall at Thompson Point. Everyone is invited to attend the broadcasts as the guests of the Thompson Point Residence Halls and WSIU.

Rubinfoff, And  
Violin Scheduled  
For March Show

Rubinfoff and his violin will appear at SIU March 9 in two benefit performances. The Shroyck Auditorium performances will be sponsored by the Carbondale Rotary Club.

"We are fortunate in being able to bring such a great artist to our community," Phil Stiles, president of the Carbondale club, said today, "and we are determined to make this an outstanding event for music lovers throughout the area. Proceeds will be used for Rotary youth projects."

Rubinfoff has long been known to millions from his concert tour nationwide radio broadcasts with Eddie Cantor, his television guest appearances and his motion picture engagements.

The famed musician will bring to Carbondale his Stradivarius violin, insured for \$100,000. The program will include such favorites as the Warsaw Concerto, Chopin's Polonaise, Debussy's Clair de Lune and Gershwin's Rhapsody in Blue, arranged by Rubinfoff for violin solos.

Harmony Show Set Friday Night

Several groups have registered for the second annual Harmony show, which will be staged Friday at 7:30 p. m. in Shroyck Auditorium. No admission will be charged.

Groups consisting of two to five people will compete for awards in the show. Winners last year were the Sigma Pi quartet and the Blue Tones, an Angel Flight group.

Outstanding group talent will be featured during the evening. The first show last year drew a sizable crowd to Shroyck, and many of the men's group numbers were of the barber-shop quality.

Civil War  
Photographer  
Works Shown

An exhibit of enlarged photographs made from original portraits of Mathew Brady, famous pioneer American photographer of the Civil War, are on display this week in Morris Library.

The pictures are part of a traveling gallery prepared by the Anasco Camera services department, Birmingham, N. Y. They include a group of Brady's on-the-spot Civil War pictures as well as his portraits of such dignitaries as Lincoln, Grant, Custer and Sheridan.

The display is co-sponsored by the Department of Printing and Photography and Kappa Alpha Mu, honorary photo-journalism fraternity.

OLSON TALKS ON  
HIGH GRADE STOCK

Howard H. Olson, specialist in dairying in the SIU School of Agriculture, will talk on the importance of producing high grade replacement stock for dairy herds at a district meeting in Jerseyville for dairymen and members of the southern Illinois Breeding Assn. this week.

Olson will join the SIU faculty in 1954, after spending two years with the Curtis Candy Farms at Cary, Ill.

College Conformity On Top  
For Values Seminar Tonight

Dr. George McClure of the Philosophy department will discuss the whys and wherefores of College conformity tonight, as Fullerton Values Week begins in St. Louis.

McClure will speak on such values as love, conforming and religion, in keeping with the theme, "Why," at 9 p. m. in Lantz Hall.

NSA Coordinator Jerry Marchand said the sure sign of conformity is the subject matter might include love. Tomorrow night's subject will concern the underlying student values in religion, and will be discussed by Dr. William H. Hays of the philosophy department.

Job Interviews  
Set For Week

Representatives of two school systems, a sales personnel representative, and spokesmen from an insurance company an audit agency will be on campus this week to interview prospective graduates in connection with the Placement Service.

Cave Barrow, superintendent of the St. Louis Carnation Co., public schools will interview education majors for teaching positions in history, social studies and English, for second semester work only Barrow will be on campus tomorrow.

Nick G. Smith, representative of the St. Louis Carnation Co., will also be here tomorrow to talk with interested persons concerning sales personnel positions.

Unusual Stamp  
Exhibit In  
Morris Library

An unusual exhibit of Japanese postage stamps is being displayed this month in Morris Library.

Oldest stamp is one celebrating the silver wedding anniversary of Emperor Meiji, dated March 9, 1894, and the newest is one dated Oct. 12, 1953, celebrating the return of the Crown Prince from abroad (after his tour of the U. S., England and Europe).

The stamp exhibit, located on the main floor of the library, was sent to SIU from the Japan Society, N. Y. The display was set up by the Committee on Asian Studies in cooperation with the University Extension Service and the University Library.

The exhibit calls attention to the program of Asian Studies, now available to SIU students, Daniel Spencer, chairman, said.

Other stamps in the exhibit include one depicting the enthronement of Emperor Taisho (father of the present emperor); second anniversary of declaration of war against China (1896); the enthronement of Hiroito (1929); the first census (1920) dedication of the Meiji shrine (1920); the silver wedding anniversary of the Taisho emperor and empress (1923) the first anniversary of the beginning of the Pacific War (Dec. 8, 1941); the fall of Singapore (1942); and the establishment of Hiroshima as the "City of Peace."

Ellsworth Clark will be on campus this Sunday to interview those interested in auditing. Clark is representative for the U. S. Army Audit Agency in St. Louis.

Illinois Law Dean  
Discusses Legal  
Study Thursday

Dr. Russell N. Sullivan, dean of the University of Illinois School of Law, will be at Southern Thursday to discuss pre-legal and legal study.

Frank Klingberg, government advisor, said all interested students are invited to meet with Dr. Sullivan at 2 p. m. Thursday in Main 202, or at 4 p. m. in Main 111. Personal interviews may be arranged for the 3-5 p. m. hours Thursday by contacting the government department secretary in Main 207.

Team Escapes  
Burning Auto;  
No Injuries

A near disaster was averted Sunday night as the 12-passenger sedan in which members of the Saluki basketball team were traveling exploded four miles south of Grayville.

Head basketball coach Harry Gallatin, who was driving the six-door auto, said he heard a clicking sound at the rear of the vehicle. Stopping to investigate, he found the rear left tire ablaze and quickly emptied the auto. Two of the seven team members were asleep.

Shortly after the auto was abandoned, the gas tank caught fire, engulfing the \$10,000 Buick in flames.

The team was returning from a successful three-game road trip and were approximately 90 miles from Carbondale when the mishap occurred. Grayville firemen were called to extinguish the blaze, four miles south of town on Rural Route 1. Origin of the fire was attributed to a bad left wheel bearing, authorities said.

Gallatin and his men continued to Carbondale via station wagons borrowed from Grayville High School. Another carload of players traveled from Ypsilanti, Mich., by another route. Seem deflated, Eastern Michigan Saturday night, 87-76.

Players in the car, along with Gallatin, were Jim Gundison, Tom McGee, Larry Essenspreis, John Mees, Dick Ruggles, Don Hepler and Randy McClary.

The auto was a total loss.

AWARD WINNER

R. P. Hoelscher, right, visiting professor of applied science, shows the certificate of award he received from the Council of the American Society of Mechanical Engineers. Hoelscher, who retired last summer as head of the University of Illinois general engineering department, was an active participant in the American Standards Section Y-14 for 15 years, serving as chairman for 10 years.

Foreign Correspondent Who  
Defies Ban Speaks Thursday

"Asia and Africa: Where Are They Headed?" will be the topic discussed by William Worthy, distinguished American newsman, at Thursday's Freshman Convocation.

Foreign correspondent Worthy is one of three American newsmen who defied the State Department ban on travel to the China mainland. Along with a reporter-photographer team from Look magazine, he spent six weeks touring China as correspondent for Europe.

European Tour  
For Fashions  
Set In Summer

A European study tour, dealing primarily with the fashion industry and including one of the famed "Paris Openings," will be offered by SIU as a summer course for graduate credit during the 1960 summer session.

The tour will be conducted by Dr. Adeline M. Hoffman, chairman of the clothing and textiles department. It will last six weeks and will provide eight quarter hours of credit. While primarily for graduate students in home economics, Dr. Hoffman said, it is possible that students in other fields may apply the credits as an elective toward an advanced degree.

The group will visit eight countries, including France, Italy, England, Ireland and Switzerland. Cost of the trip will be \$1,295 from New York and return, plus University fees, Dr. Hoffman said.

Hoelscher, who retired last summer as head of the University of Illinois general engineering department, was an active participant in the American Standards Section Y-14 for 15 years, serving as chairman for 10 years.

At the time of his China trip, Worthy was a Nieman Fellow in Journalism at Harvard University. Previously he had circled the globe twice on tours of duty, having been assigned to cover the Korean truce negotiations at Panmunjom, the Asia-African Conference at Bandung, and news in the Soviet Union and Eastern Europe.

In 1955, with the personal permission of Premier Khrushchev, he broke the Soviet "radio curtain" by being the first U. S. newsman since the start of the cold war in 1946 to broadcast news from Moscow. In 1956, he also made an uncensored newscast for CBS News from Pretoria, South Africa, just before being deported from that country. From China he broadcast three times "Live" from Peking and Shanghai.

A native of Boston, graduate of Boston Latin School and Bates College, Worthy during the current 1959-60 academic year is on a Ford Foundation fellowship in African studies at Boston University.

Nine Houses  
Open Formal  
Rush Today

Fraternity rush will be held today through Jan. 23, giving new students and others who are interested in pledging Greek organizations an opportunity to investigate the nine fraternities on campus.

The Inter-Fraternity Council will sponsor the activities. Rushes will register at the Student Union today through Friday, and rush will officially commence Sunday.

A smoker will be held at the Thompson Point Cafeteria from 2-5 p. m. Sunday, and all rushes are invited. Rush parties will be held from 6-9 p. m. Monday at Sigma Psi, Phi Sigma Kappa, Sigma Tau Gamma and Kappa Alpha Psi fraternities, and parties will be held Jan. 19, a week from today, at Theta Xi, Delta Chi, Phi Kappa Tau, Tau Kappa Epsilon and Alpha Phi Alpha fraternities.

Rush parties will be held Jan. 20 by the same fraternities which had rush Monday, and Jan. 21 parties will be sponsored by the same groups which had them Jan. 19.

Invitational dinners will be held at respective fraternity houses Jan. 22, and rushes will pick up and return bids Jan. 23. The bids should be picked between 10 a. m. and 1 p. m. in the Student Union.

Rushes must be full-time students with an overall 3.0 academic average, and must be in good standing with the University. All men must register prior to participating in rush. Additional information will be available at the registration booth in the Student Union.

Southern has nine fraternities and five sororities, five of which are living in the newly-constructed Small Group Housing, southwest of Campus Lake. The five organizations in that area are Sigma Sigma and Alpha Gamma Delta sororities, and Delta Chi, Tau Kappa Epsilon and Sigma Pi fraternities. Other groups are Alpha Phi Alpha, Delta Zeta, Kappa Alpha Psi, Phi Kappa Tau, Phi Sigma Kappa, Sigma Kappa, Sigma Tau Gamma, Theta Xi and Alpha Kappa Alpha.

PORTER NAMED TO  
MUSEUM STAFF

James W. Porter, master's degree candidate at the University of Wisconsin, has been appointed a research assistant in the SIU Museum to supervise field work in the Museum's highway archaeological salvage program.

Porter, a native of Milwaukee, Wis., is completing his master's degree thesis on "The Value of Lithic Analysis in Archaeological Interpretation." He began his duties at the Museum this week. He is a member of the Wisconsin Archaeological Society, and has had experience in highway salvage and other archaeological field work at the University of Wisconsin.

Asian Films  
Show Here  
Thursday

A special program on the Philippines will be presented by the International Relations Club and the Committee on Asian Studies Thursday evening at 7:30 in Morris Library Auditorium.

Two movies will be shown: "My Country, the Philippines," and "Philippines, the Republic." Miss Flary Manigas Domingo, graduate student from the Philippines, will perform a native dance, and Dr. Horace B. Jacobini, associate professor of government, will discuss "Main Themes of Philippine Foreign Policy."

Dr. Jacobini worked with the Institute of Public Administration of the University of the Philippines in 1955 and 1956. He edited a book, "Governmental Services in the Philippines," and co-authored a second work, "Public Administration in the Philippines."

Freshman Convocation credit will be given for attendance at the Thursday night program.

Debate Takes  
Top Trophy  
At Normal

SIU debaters won the championship trophy at the 28th annual Illinois State Normal University debate tournament Saturday over teams from 39 schools.

Keith Sanders, Benton junior, and Kent Brandon, junior from Carbondale, defeated Northwest, Northern Illinois, Albion College and Illinois College to take the trophy.

Three SIU debaters, Sanders, Gary Bengston and Galverne Kopp, won superior ratings in the meet. Sanders was awarded a superior rating in discussion. Miss Kopp's superior rating came in oratory and Bengston won a superior rating in extemporaneous speaking. Bengston is a Rockford senior, and Miss Kopp is a junior from Benton.

An SIU team of Glyn Huisings and Phil Wandler, affirmative, and Miss Kopp and Sharon Loveless, negative, won a certificate of excellence in division one debate to tie for second place.

The affirmative team won over the University of Illinois, Monmouth College, the University of Chicago and Illinois State Normal, and lost to Northwestern.

The negative representatives had wins over Hope, Northwestern, Missouri University and Wheaton, while losing to Wisconsin State College and Oshkosh College.

Another first division team, composed of Karen Hanagan, Ann Hughes, James Petty and Bengston, compiled a record of five wins and five losses. Miss Hanagan and Miss Hughes took the affirmative stand while Petty and Bengston argued on the negative side.

Excellent certificates in extemporaneous speaking were awarded to Miss Loveless, Huisings and Brandon. Mike Roberts and Wandler were awarded excellent certificates in discussion.

More than 500 debaters from schools in seven states participated in the two-day tournament.

## Editors' Opinions

### No Correction, Please

It does not take the newspaper staff very long to make a simple correction in the number of auto fatalities on campus. But it is a correction which we do not like to make.

At the present time the 1960 student auto fatalities stand at zero. The 1959 SIU traffic accidents amounted to seven deaths, several injuries, and numerous destroyed autos and loss of useful time and money.

It does not take a driver very long, either, to cause us to make a correction in our front-page "death" listing. It only takes a careless moment, a race against the clock or the failure to make necessary auto repairs to result in a last ride to the cemetery. Can you imagine yourself de-

liberately driving your car off a 10-story building and plunging it to the street below? Of course not! And yet, if you crash into another car while traveling at 60 MPH, you'll meet with the same disastrous results as if you'd taken that flyer off the building. It's the same old, twisted steel, the same torn bodies, the same trip to the hospital... or morgue.

By using your common sense, along with the knowledge you have of safe driving practices, you can steer clear of accidents. This is not just a lot of talk. It is an attempt to keep you from committing suicide on the highway. Do not force us to make a correction in our traffic fatalities number.

### ISPA CONFERENCE

#### SET FOR APRIL

The annual spring conference of the Southern Illinois School Press Association will be held on campus April 9.

Don Carter, executive director of The Newspaper Fund, Inc., will be the chief speaker during the meeting of high school newspaper advisers and students.

The Newspaper Fund, under terms of a gift from the Wall Street Journal, makes available each summer a minimum of 100 fellowships for high school journalism teachers to attend summer colleges of their choice. Purpose of these fellowships is to assist teachers of journalism and school publications advisers to obtain university training in journalism.

Naomi Patheal, newspaper adviser at Carbondale Community High School, attended summer school at SIU in 1959 under a Fund grant.

### HORRELL DISCUSSES

#### PHOTOGRAPHY TRENDS

Dr. C. William Horrell, SIU assistant professor of photography, recently discussed trends in photography at a meeting of the Professional Photographers Assn. of Greater Louisville, Ky.

Horrell, formerly director of the SIU Photographic Service, recently co-authored a book, "Introductory and Publications Photography," published by the SIU.

#### Says

Gus sez he wishes his instructors would take a hint from the length of the girls' skirts and make their exams shorter and shorter.

Gus sez there are so many events on campus this term, that he cannot find time to go to classes and study.

Gus sez if it takes four men from the Physical Plant to unload 25 chairs, maybe they need to hire stronger men.

### ARCHITECT COMPLETES

#### SPACE INVENTORY

The University architect is presently engaged in compiling a current inventory of space either owned or leased by the University and its utilization.

The material is to be used in planning the University's future acquisition program and assigning space.

The faculty has been asked to submit their requests for additional research, classroom and instructional space.

## Faculty Exhibits Museum Works

Sunday, marked the opening of the "Faculty Exhibition" in the Allyn Gallery, the art exhibit which will continue through Jan. 24.

Among those contributing to the exhibit are seven new faculty members. They are: department Chairman Warren Brandt, Bruce Brandt, John Galloway, Sidney Geist, John Grillo, Richard Moldroski and Nicolas Vergette.

Highlighting the exhibition will be works by Herman Cherry, sculpture by Geist, and a painting by Grillo, all three distinguished visiting professors at SIU during 1959-60.

Brandt, Brandt and Robert McMillan will exhibit paintings, while Galloway and Benjamin Watkins will exhibit both painting and drawings. Moldroski will show paintings and prints.

Along with the works by Geist, sculpture will also be exhibited by Milton Sullivan and Watkins. Works in pottery, ceramic sculpture and ceramic murals will be shown by Vergette. Weaving will be exhibited by Lyseth Wallace

and jewelry by Frederick Lauritzen.

Members of the faculty who have participated in group shows in New York galleries during recent years are Brandt, Brandt, Geist, Cherry, Geist and Grillo. One-man shows have been held in New York by Brandt, Cherry, Geist, Grillo and Vergette.

# Dear Dr. Frood:

## MARRYING FOR MONEY—IS FROOD IN FAVOR?

(see below)

Dear Dr. Frood: The other day I stopped at my boy friend's house unexpectedly and I found Lucky Strike butts with lipstick on them in the ash tray. What should I do?

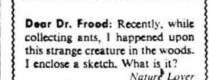

Dear Observant: Go ahead and smoke them. A little lipstick won't hurt you.

Dear Dr. Frood: I am a 267-pound tackle on the football team, cleanup hitter on the baseball team, champion shot-putter and captain of the basketball team. Where can I find a job when I graduate?

Dear Athletically Inclined: Look in the Want Ads under "Boy—strong."

Dear Dr. Frood: Recently, while collecting ants, I happened upon this strange creature in the woods. I enclose a sketch. What is it?

Dear Nature Lover: It is *socia ignota* (blind date). Do not go near. Poisonous.

Dear Dr. Frood: I am a math professor. Over half my students are flunking their tests. What can I do about this?

Dear Discouraged: Use Frood's Formula. Divide distance between students' chairs by 2. Since chairs will now be closer together, result should be a 50% improvement in exam grades.

Dear Dr. Frood: Last Saturday my girl told me she couldn't go out with me because she had a cold. Next day I found out she was out with my roommate. Think I should stay away from her?

Dear Disillusioned: Better stay away from your roommate. He's probably caught the cold now.

Dear Dr. Frood: I understand that your hobby is cooking. Mine is, too. But my girl friend says any guy who cooks is a sissy. How can I make her stop laughing at me?

Dear Cooky: Place a large cauldron of oil over a high flame. When it comes to a boil, add your girl friend.

Dear Dr. Frood: Should a man marry a girl who makes more money than he does?

Dear Old-Fashioned: If it's at all possible.

**But Too Far!**

**Greeks Like New Homes**

**By Judy Valente Staff Reporter**  
If the results of interviews conducted among fraternity and sorority members who have just moved into new quarters in the Small Group Housing area mean anything, the Greeks like their new homes. But they have one complaint: It's a long way to campus!  
"Each day I like it a little more," was Toni Gould's comment. Toni, who lived at Woody Hall last term, is a Tri-Sig pledge from Alton. Toni says that by living in the new house she is getting to know the actives and

her pledge sisters better and is learning more about the sorority in general.  
Regarding the distance from campus, she laughed, "If you walk the normal way, it takes 20 minutes, but if you gallop, it takes only 20."  
Living at Greek Row has been Ron Vaskie's first experience with on-campus living. Ron is a Delta Chi from Elkhart. "Living in the house has helped us as a group and has made friendships," he said.  
**Greek Neighbors**  
"I like the modern conveniences I have in the new house, and having all my sisters living in the same house,"

commented Marlene Peterson. She says the Greeks will become closer and will have better relationships because they will be neighbors. Marlene is an Alpha Gamma, and her home is La Grange Park. She says the only disadvantage of the new housing is its distance from campus.  
Jim Nelson, a Teku pledge from Chicago, likes the new house because it permits closer ties among fraternity brothers. "It is fairly easy to study out there," said Jim, "but sometimes it gets a little noisy. The food, however, surpasses the food at Thompson Point."

A Tri-Sig pledge from Fairfield, Nancy Walters says, "I like the house much better than Woody Hall, but I don't like the long walk to campus." Nancy is convinced that she is getting to know her sorority sisters much better since she moved to the new house.  
"There's no worry about locking your door since everyone in the house is your brother." This is one of the things that Neil Maxwell, Delta Chi pledge, likes about his new home. Neil is from Flora, and is a pre-med major. About the long walk he commented, "We all have to walk far, but we always meet others along the way."  
Jill Blankinship, an Alpha Gamma from Murphysboro, likes the

**ALPHA GAMMA DELTA IN NEW HOUSE NOW**  
Alpha Gamma Delta sorority sisters returned after Christmas vacation to a new house. The girls started moving into their new home on Thompson Lake Jan. 8 and are now getting settled. The sorority had assistance in moving by the members of the local alumnae chapter.  
Special assistance was given the group by Mrs. Betty Mitchell, faculty advisor and Mrs. Jerry Taylor, house advisor. Plans are now underway for an open house Jan. 31.  
Alpha Gamma Delta is sponsoring a dance, "Jazz at Dusk," Jan. 23 to raise money for the Crippled Children's Fund. The dance will feature the Dan Donnelly Trio and will be held in the Women's Gym after the Western Illinois-SIU ball game.  
Linda Souther and Sandy Kihl-mire are members of the Spring space and the organization at the new house, and also likes living with all her sisters. Said Jill, "The disadvantage, of course, is the distance, but many times we get rides to campus."  
Among John Benton's likes about the new house are the improved living conditions, the good study atmosphere, and the closeness with his brothers which comes from living together.  
A Tri-Sig pledge from Gurnee, John suggested, "A shuttle service to campus would be a good idea because it is too far to walk."  
"I like the food better at the Point because we run out of food at every meal at the house," declared Linda Fors, a Tri-Sig pledge from Alton. Linda does not like the long walk to campus or the cold bed rooms in her new home. Linda said, however, "I do like the close relationship we have with the actives. It is more like a sisterhood. I also like having the fraternities living near by, and I love our new carpet"

Alpha Gams won the Greek Inter-terminal badminton tournament last month. The victory was taken by Sandy Irmis and Sandy Kihl-mire. Next week the basketball intramurals begin.  
**DZ PLEDGES HOLD PARTY**  
Pledges of Delta Zeta sorority held an exchange party with the pledges of Sigma Tau Gamma fraternity Friday evening. The record dance was held in the basement of the sorority house.  
The national examination was taken Saturday afternoon by those pledges being initiated Jan. 17. The pledges will go through Help Week this week, and will be honored at the annual "Informal" Initiation Dance this Saturday evening at Lentz Hall. The Delta Zeta Trio will provide music, and the Outstanding Pledge Award will be given.

Saturday evening saw members of Phi Sigma Kappa fraternity and their dates at an "Inferno" party held in the recreation room of the house. The pathway to the basement was marked with appropriate signs, and decorations carried out the theme.  
Those attending wore skirts or slacks and sweaters. Since it was turnabout day for the pledges, the actives, acting as "pledges for the day," provided entertainment.  
The use of public address systems and sound trucks for advertising purposes will not be permitted on the campus areas of SIU.

"Student Teaching" will be the subject of the program at tonight's meeting of the Student Education Assn. The program will be presented by high school students of Carbondale and University High Schools, who will give their views on the values of student teaching. The meeting will begin at 7:30 p. m. in the Agriculture Auditorium.

**HOME EC CLUB SEES DEMONSTRATION**

A demonstration on "Electricity in the Home" will be given by Nancy Rendleman to members of the Home Economics Club tomorrow at 7:30 in Morris Library Auditorium. Miss Rendleman is an employee of the Illinois Power Co., Mount Vernon.

A short business meeting will also be held. Home Economics majors, minors or interested persons may attend.

**Dean Authors Business Book**

Harry B. Baurenfeind, assistant dean of the SIU Division of Technical and Adult Education, has been notified by McGraw-Hill Publishing Co. of the acceptance of his book, "Business Machines," for publication this spring.

Baurenfeind did all manuscript material for the book which covers various machines, including 10-key adding machine, full keyboard adding machine, rotary calculators, key-driven calculators, duplicating machines including fluid, stencil, photostat and camera-types, a unit on tape-data processing and automatic typewriters, and miscellaneous office machines such as check writers, and time stamps.

Each unit is arranged to include explanation of the machines, practical drills, practical business application problems and timed tests.

Co-author of the book is Dr. Harold Fasnacht, president of LaVerne College, LaVerne, Cal., who was responsible for illustrations and arrangement.

Dean Baurenfeind has previously authored a book, "Code Typing," published in 1943 by Gregg Publishing Co. which was used as a basic text for the armed forces while he was director of the instruction for the Naval Training Program at Northwestern University.

# Cagers Win Three Games On Road Meet Eastern Here Thursday

Southern's hot-and-cold basketball team squeaked by three opponents in a long, tiring road trip last weekend as they pushed their season's mark to 8-4.

Thursday night, the Salukis broke a 12-game home court winning streak for Indiana State at Terre Haute, Ind., 74-69. The Sycamores hadn't been defeated at home since SIU topped them last season.

Friday night Gallatin's squad traveled to Mt. Pleasant, Mich. to open their MIAC conference play. The Salukis, starting off very cold, overcame a 11-point half-time deficit to nip the Chippewas, 69-65.

**Wound Up**

Winding up their toughest road trip of the season on Saturday night at Ypsilanti, Mich., the Salukis managed to put together their best scoring game of the three-game swing as they pulled away in the closing minutes to win going away, 87-76.

In Saturday night's game at Ypsilanti, six men scored in double figures for Southern in the best balanced attack of the season. Tom McGreal led the attack with 16, Gundloni added 14. Charlie Vaughn was held to 13 and Don Hepler, Harold Bardo and Randy McClary all added 10 to the cause.

The Salukis trailed by two at intermission, 41-39, but came back strong in the second half. With 10:20 remaining Southern took the lead. The Salukis shot very well in the second half hitting 14 for 27 from the field. Gulyas led the Huns, who were also looking for their second conference victory of the season, with 22 points. Manley and Stephens added 11 and 10 points respectively.

The night before at Central Michigan, Southern won the game from the free throw line as the Salukis hit for 25 for 35 from the charity strip while the Chippewas managed to make only 12 of 21. Southern held an early 9-8 lead in the first half but quickly fell behind. At half-time Southern trailed 36-35. Central, looking for their first conference victory, pulled out to a 44-41 lead shortly after the half began. With 12:10 left, the Huns leading the fast break, Southern began rolling and took the lead with about seven minutes remaining on a drive by the Salukis captain, 57-56.

Gary Lee, little hot-shot guard, led the Mt. Pleasant squad with 22 points. Charlie Vaughn had his best game of the trip with 22 points. Dick Ruggles, with 13 points in the second half, tallied 18.

In the non-conference contest at Terre Haute on Thursday night Southern blew a hefty 15-point half time advantage to win 74-69.

At one point in the second half the dogs led by 21 points, but the Sycamores, paced by Arley

## Gymnasts Slip Past Indiana

Southern's gymnastics team nipped a surprising University of Indiana squad 56½ to 53½ in a meet Saturday at Bloomington.

Coch Bill Meade's team travels to Iowa Thursday to tackle the University of Iowa and then travels to Champaign to take on the University of Illinois Saturday.

The place and individual points totals by event:

## Stand At 2-4

## Southeast Stops Frosh Cagers, Meet Eastern JV's Thursday

**By Tom McNamara**

Southeast Missouri ended SIU's freshman two game winning streak 73-63 Wednesday night. Bill Giessing scored 25 points to lead Southeast to victory.

Jack Keller gave the freshmen Salukis its only lead of the game 2-0 on a drive-in with less than a minute gone in the game.

**Southeast scored seven straight points** to pull ahead for good 7-2. Giessing scored four points during this scoring spurt. Southern pulled within one, 7-6 on Jack Keller's drive-in basket.

This was as close as the Saluki freshman came as Southeast began pulling away with their largest margin in the first half, ten points.

Southern trailed at intermission 34-28.

Missouri led by as much as 18 in the second half as the Salukis shooting went cold.

Warren Barty and Duck Burda pulled Southern within 11 midway through the third quarter.

Andrews' 28 points cut the margin to five with four minutes left to play.

Charlie Vaughn was held to a season low of 13 points while Tom McGreal led the attack with 18 points. Don Hepler also hit double figures with 12 points.

In the second half, 63-52. Barty scored five and Burda four points during the scoring spurt.

Barty paced the Saluki scorers with 16 points, connecting on five of 11 field goal attempts and six of six free throws.

Burda scored 12 points for Southern in a losing cause, on three of nine field goal attempts and six of six free throws.

Frank Lentfer, Saluki center, was held to his season's low of seven points.

**Spila Cold**

Ed Spila was as cold as the weather outside, hitting only two of 11 field goal attempts. He hit six free throws to end the evening with 10 points.

Southern shot .300 for the first half on 9 of 30 field goal attempts. Southeast Missouri shot .353 from the field on 12 of 34 attempts.

The final shooting percentages were Southern .364 on 19 of 55 field goal attempts and Southeast Missouri .377 on 26 of 69 field attempts.

During the Christmas holidays Southern lost to the St. Louis Billikens 79-78 and won from Scott Air Force Base 56-55.

Also during the vacation the freshmen lost the services of high scorer Harold Hood and guard Ted McAllister because scholastic

## OSA Receives Gun Lockers

The sample gun storage lockers have arrived at the Office of Student Affairs. A section of six individual lockers was received recently from Joliet by Asst. Dean of Men Joseph F. Zaleski.

Tentative arrangements for installation of the lockers have been made, according to Zaleski. The plan is to order approximately 50 sections, each containing six individual lockers, and put them at Thompson Point, Southern Acres, and possibly at the Campus Police Station.

A checking system will be set up and a small fee will probably be charged to students using the lockers.
