## 7 Teams Enter Bridge Tourney

At deadline time Tuesday night, seven teams had entered the 1954 National Intercollegiate Bridge Tournament to be played March 23 in the Student Union. Since tournament rules require that at least eight teams be entered from each school to be eligible to award, one additional team may enter official competition today or Monday, according to Don Hargus, tournament director.

Only full time students are eligible for official competition in the tournament, but any students or faculty members who want to play in the tourney on a non-official basis may enter during finals week, Hargus said. These entrants will not be eligible for awards.

## Student Council Committee To Pick Delegates

A six-member committee of the Student Council will choose 15 delegates to represent SIU at the national International Relations Conference in St. Louis, April 1-4.

Southern delegates for the meeting in the Sheraton Hotel will be picked on interest, past experience in international relations (such as government majors and IRC members) and work on student government organizations.

Applications may be obtained at the government department office. Final date for filing is noon Mar. 9.

"Any student may apply for the trip," according to Bob Edgell, council president. He also said transportation, room and registration fees will be paid by the Student Council.

E-President Harry Truman will deliver the kick-off speech.

## 5 SIU Committee Members To Visit 4 Student Unions

A trip during Spring vacation to visit newly constructed Student Unions in four colleges has been arranged by members of the planning committee for SIU's new Student Union. The unions are located at Ball State Teacher's College, Muncie, Ind.; Ohio State University, Columbus, Ohio; University of Ohio, Athens, Ohio; and University of Tennessee, Knoxville, Tenn.

Members planning to go are Charles M. Puller, University Architect; John R. O'Donnell, Alumni Services; Paul W. Lebell, Auxiliary Enterprises; Elizabeth Greenleaf, supervisor of student activities; and Donovan Murray, President of the Student Union Board.

A questionnaire has been mailed by the committee to students, alumni and University Staff members. The questionnaire should be filled and returned before March 14.

A place on the questionnaire has been provided to check whether provision for certain areas is essential, desirable or unimportant. The facilities considered for social areas provide space for dance, mixers, rest, receptions and a small kitchen for group use; auditorium space for lectures, movies, musicals, concerts and student shows; meeting rooms for groups of ten to fifty; areas for bowling, billiards, table tennis and cards; additional areas for lounge, television, library and Post Office; food areas for fountain service; and rest, dining, rooms, activity areas for student organization offices and service areas for barber shop, beauty shop, drugs and sports.

## Construction On Walks Complete

All phases of sidewalk construction begun this year are completed and no additional projects will be undertaken until summer, according to John F. H. Lonergan, landscape architect for the University Architectural Service.

After legislative action is taken on SIU budgetary requests, it may be possible to begin more landscape projects, he said. Being considered are sidewalks for the Life Science building, the university greenhouse, the new library, the proposed agriculture building and the proposed men's dormitory.

# Coleman Receives First Egyptian 'Service Award'

By Jim Aiken Editor-in-Chief

Dr. Claude Coleman, Associate Professor of English, is the recipient of the first Egyptian "Faculty Service Award."

This award is to be an annual affair and is based on service to students, popularity with faculty and students and professional standing.

Dr. Coleman was chosen by the Sphinx Club, honorary senior activity group, over several other candidates. The Egyptian appointed the Sphinx Club to make the choice because all of the members have come in contact with a large percentage of the faculty and know them well.

Before entering the teaching profession, Dr. Coleman worked on a ranch, in factories and was a reporter and advertising manager of a small newspaper. As he puts it, "I have had close contact with working people."

He did his undergraduate work at the University of Illinois, received his Masters Degree from the University of Wisconsin and returned to Illinois for a Ph. D.

Before coming to SIU in 1946, Dr. Coleman taught at Sul Ross State College at Alpine, Texas, where he worked his way to chairman of the English department. Dr. Coleman's specialty is Eighteenth Century English literature.

Students have always been Dr. Coleman's main interest. At Southern he has served as Student Council adviser for four years. Chi Delta Chi (now Phi Kappa Tau) adviser for six years and is now Chi Club sponsor. He has contributed writings to the Impulse.

## MacMillan Tells Vets Of New ROTC Policy

According to Col. Alexander B. MacMillan, Professor of Air Science, all veterans must attend the AFROTC program upon reentering the University if they plan to earn a commission in the Air Force Reserve. The policy allowing veterans to enter advance courses as juniors is no longer in effect.

Veterans entering the AFROTC program do not have a service obligation upon graduation, unless they are acceptable for pilot training in officer grade. A veteran reentering the university as a junior and desiring a reserve commission goes immediately into the advance course. A veteran returning as a first term sophomore is given credit for the first year of the basic course, but is required to take the second year of basic course before entering the advance course.

All veterans who are contemplating entering the program with idea of earning a reserve commission should consult with personnel of Administrative Section in the AFROTC office.

Bill Turner, only male student on the SIU campus living with 16 girls, is helped with his studies. Seated left to right are Veva Ramsey, Nancy Smith,

Bill, and Jackie Mornhinweg; left to right, standing are Mary Lou Allen, Jean Joyner and Janet Fraily. Bill is in his unique position here because his

parents own Tower Hall, an organized women's house. What is he studying? Why female psychology of course.

# 'Co-existence Best,' Says SIU Veteran

By Bob Poes

**Egyptian Managing Editor**  
Many male students on this campus would probably be glad to trade positions with 22-year-old, Air Force veteran, Bill Turner. Bill is the sole male student living in a house with 15 girls. He is neither a Moslem prince violating the marital laws of this country. His strange situation is due simply to the fact that his parents, Mr. and Mrs. Lenard Turner, own Tower Hall, an organized women's house at 502 S. University.

**Many Qualifications**  
What are the qualifications necessary for such a position? Well, according to Bill, you have to be an older brother, casual date, dancing, teacher, date-arranger, and bowling instructor.

Bill has held all the above jobs and a few more to boot. He's not all one-sided, however. On the positive side of the ledger he has a free pressing, ironing and button sewing service.

"Besides," says Bill, "you're seldom lonely. I never date any of the girls singly, though. If several of them feel like it, we go out for cokes, coffee or take in a movie. Sometimes I get odd looks while escorting four or five of the girls. Once I heard a guy mutter, 'What's he trying to do? Hog all the women on campus?'"

Bill doesn't think his position as landlord's son makes any difference in his parent's attitude toward any of the girls he takes out. "The folks never give any special privileges to any of the girls who've been out with me. In fact, when I went to school here before, I enlisted, three girls and I came in about five minutes after hours one night and all three of them got campused."

**Gets Out-Bowled**  
Under the title "Embarrassing Experiences" Bill lists the time he gave several of the girls bowling lessons. He smiles, "One of the gals beat me by 25 pins the first game."

Another time Bill attempted to prove that equality wasn't dead when he gave an impromptu dancing lesson. "It was just a couple of hours before the Military Ball and I saw one of the girls nearby in tears. She said she didn't know how to dance. I

just know two steps, but I offered my services as a second-string Arthur Murray. Before dance-time half the girls in the house had joined in. She left happy and I picked up a couple of new steps myself.

**Acts As Adviser**  
"Besides acting as second team dancing master I occasionally take on work as advice-giver to the lovelorn." Bill shook his head. "Women. Even living with 15 of them you never really get to know all about 'em. I remember one instance in particular. "This girl was really a crazy mixed-up kid. Man was SHE confused. It seems she had a boy friend overseas. She had an ardent admirer at home, too. AND there was guy here she wanted to date. What did I tell her? Just to make up her mind."

Bill seems to deal in mixed-up experiences. At one time during his service career he was in the Air Force and from there attached temporarily to the Army and from the Army detached to the U. S. Marines.

**Confused Officers**  
"When I got to K3, the Marine air base, I decided to carry a side arm as we'd heard reports of guerrilla activity in the area," says Bill. "Well, I went to get a pistol permit. No one could figure out who had the authority to issue it."

A salty old Marine Colonel finally settled matters. "Hell, Bill! Give him a permit!" Roared the Colonel to a Captain. The Captain did.

Bill's major field at Southern is in radio speaking. He got a lot of his radio experience in the Air Force, Army and Marines, however. At various times he

# College Papers Agree To Admit China—Editors

(ACP)—College and university editors responding to a formal poll overwhelmingly favored admission of Russian student editors on a visit to the United States, the Associated Collegiate Press reports. The response was 58 in favor, nine against the proposal.

On the question of admission of Red China to the United Nations, the editors voted 38 to 29 against admission.

President Eisenhower's plan to evacuate Nationalist China's troops and civilians from the Tachen Islands was approved by 49 editors, although 10 added that "such a plan was dangerous and might lead to war with Red China," and 14 others thought that the whole matter should have been turned over to the United Nations.

Some respondents who favor admission of Russian editors urged caution. Editorials released in a previous issue of the ACP Feature Service "raise some doubt as to whether the editors are actually students. This, I think, should be a major factor," one editor commented. Another favor their visit "if they are our contemporaries in age."

On the other hand, a Mississippi editor says "Let's get together and talk it over; we might find out we like one another." A California respondent writes, "Without mutual understanding and respect—seems impossible."

An editor of a southern women's publication favors the idea, but adds that she doesn't feel it would help them, "since should they return to Russia with favorable ideas of the U. S., they would not be allowed to print anything unfavorable to Communist policies."

A Texas junior college editor flatly disapproves of any visits of any Russian to this country. "On the question of admitting Red China to the United Nations, a Massachusetts editor says that 'the issue is presently being fuddled by moral issues; the question is much simpler than it is described.'"

"There is no other logical course," says an editor of a Mid-west daily. An editor from one of the

# Western Takes IIAC Crown; SIU Third

For the first time in loop history, Western Illinois State College holds sole possession of first place in the Interstate Intercollegiate Athletic Conference basketball standings.

The Leathernecks copped the laurels last weekend by knocking out second-place Michigan Normal 101-77, and ending up with a 111-92 win over Central Michigan, as reserve center Ron Nicovich of Chicago posted in 36 and 26 points, respectively.

Coach LeRoy Morley's cagers compiled an 11-1 mark over the conference course, being beaten by only Southern at Carbondale. Their circuit record and their overall 23-2 mark enabled Western to be designated the team at large in the NAA tournament at Kansas City, March 7-12.

Despite a brace of wind-up losses to Western and Illinois Normal, Michigan Normal managed to retain second place, while Illinois Normal's victories over the Michigan pair boosted the Redbirds into a fourth place tie with Eastern.

Central Michigan, a much better quintet than its conference standing indicates, rounded up at the bottom with Northern Illinois, a team which was hard hit by the loss of six key men at mid-season.

## La Coterie Holds First

Whitewashes predominated Tuesday night in the SIU Independent Students bowling league as only 1/2 point prevented all four matches from being shut-outs.

HOHN took four from the Five Aces mainly on the work of Jackson's 461 and Lindenbergs' 4445 while Bob Montague achieved a high of 408 for the Aces.

League leading La Coterie was the only team to miss a shut-out as they took 314 from the Bloopers. Fullerton with 461 and Kelly with 459 spearheaded the attack.

Ed Langen stole the show for the evening as he accumulated a total of 632 pins. Combined with Thompson's 474, Langen led Chautauqua to an easy whitewash over Anthony Hall. Ken Holladay had the best effort for Anthony with 463.

Doyle Dorn pulled off the last shut-out by slipping the Brown Jug a blank. High for the pair of alleys were Eidson, 491, and McDaniel, 475, for Doyle Dorn. Jack Faulkner mastered the best for the Brown Jug with 445. John Meckles followed with 418.

## St. Louis U. Next For Swimmers

The winless Saluki swimming team will go to St. Louis University tomorrow for its last dual meet of the season.

"We haven't won a match this season, but we've improved with each successive meet," Coach Ed Shea said, "and I'm not disappointed in the team's showing."

"Our chief drawback is lack of experience, but we are overcoming it and I think we'll make every race in tomorrow's meet so close that the last relay event will probably decide the outcome," Shea stated.

"Brothers Carl and Frank Eyerman are the outstanding swimmers on the St. Louis team, but our breast-stroke, who set a new record at Vanderbilt last week, should be able to handle them," the coach said.

## Baseballers Dust Off Shoes For Trip South

Preparing for the spring trip south, the 1955 edition of Coach "Abe" Martin's baseball Salukis has started working outside. The squad has been working out for about two weeks in the Carbonade Amory. Monday was their first chance to move outdoors.

A tentative schedule has been made, but it might still be approved by the Athletic Council which meets today. If approved, the spring tour will have the Salukis meeting Southwestern Louisiana Institute March 14-17 and Southwestern Louisiana, March 18-19.

This year's squad has 11 returning lettermen, all of whom should gain starting positions. Richard Sandrin, senior, will be behind the plate. Gene Tabochi, junior, will hold down second. Roger Wells, senior and last year's shortstop, will move to third this season. Wayne Williams, Capt. Vernon Zapotocky, Bob Ems and Cleon West will share the outfield duties. There are three returning pitchers but none of them saw too much action last year. They are Bob Myer, Gordon Lambert and Vin Koehr.

Coach Martin has a field of 23 hopefuls from which to fill the rest of his squad. Ten of these are aspiring pitchers.

Hopefuls are Tom Fehrenbocher, Charles Townsend and Jack Burke, catchers; Jerry Stevens, Paul Smith and Joe Shields, 1st base; Charles Scheiball, 2nd base; Bob Lin, Fred Martin and Fred Williams, shortstops; Norbert Vogel and Ernest Petry, 3rd base; Lindell Martie, outfielder; and Ron Ayers, Charles Janson, Don Gibbs, John Hellmer, Bill Montague, Tom Awell, Clifford Eckles, Roy Eikleberry, Roger Peters and Bernard Hollencamp, pitchers.

## Phi Tau Wins Greek Bowl

Phi Kappa Tau while losing four games to Delta Zeta, backed into the SIU Hellenic bowling league championship, because of the Tau Kappa Epsilon ability to take one game from Sigma Tau Gamma. The Sig Tau team finished one-half game behind the Phi Taus, while the IKE's placed third, one game behind the Sig Taus.

The Phi Taus bowled their worst games of the season against the women of Delta Zeta, having the lowest team three game series of the eight teams bowling.

The title was decided in the Sig Tau-IKE game. Sig Tau swept the first two games and led like they were going to win the championship, but the IKE's took the nitecap 769-751 to smyie the Sig Tau title hopes.

Delta Zeta finished first in the women division, well ahead of Phi Kappa Sigma.

# Normal Favored In IIAC Wrestling Meet

## Netters Have Three Vets Returning

With three lettermen back, the SIU tennis squad moved outdoors this week to prepare for a tentative schedule that lists nine matches and the IIAC meet.

Captained by Charles Pisoni for the second straight year, Coach Wilkinson's tennis team of 15 hopefuls include lettermen Gary Robinson and Red Merriman.

The team practices during the week from 3 to 6 p. m. on the tennis courts weather permitting. Indoor practices are in the University School Gymnasium. As yet, the squad has open positions and, according to Coach Wilkinson, anyone is welcome to try out.

Dick Bruno of Illinois Normal heads the returning champs. The 130 - pound king from Blue Island as a four-year mark of 43-4-3. Northern's returnees are Bill Meredith of Oak Lawn at 137, and Huskie Captain Al Hopkins, a 147-pounder from Chicago.

Western's sole king is Dave Coulter of Colchester, who has marked up a 7-1 standing in the 177-pound division. Winless Eastern returns heavyweight Roy Fisher, a Charleston sophomore.

Although tied 14-14 early in the season by Southern, Illinois Normal has posted wins over most other entrants in the IIAC tournament. The Redbirds captured the Wheaton tourney and wound up in second place with Western at the State College meet. Despite a tie with Normal and a recent loss to Indiana, Southern's crop of newcomers and veterans has a solid post season record, including Great Lakes, Eastern and Ritnercup YMCA, St. Louis.

The Leathernecks enter the meet with a five match win streak over such foes as Notre Dame, Eastern and Augustana. Western placed fourth in the Wheaton Tourney, and only Illinois Normal and Southern have nipped Coach Harold Ave's men this season. Handicapped throughout the year by injuries, a Northern team at full-strength could prove almost as strong as last year's squad.

Bob Whelan, Southern's 300-pound champ, will not defend his crown.

## WRESTLERS AT MACOMB FOR IIAC MEET

Southern's wrestling team is at Western Illinois for the IIAC wrestling tournament today and tomorrow.

Southern's probable starters are Ray Bengfeld, 123; Ray Fowler, 130; Bill Mavr, 137; Tom Lovet, 147; John Orlando, 157; Bob Dunkel, 167; Paul Steingrub, 177; Bill Sprate or John Barbarr, 181 and Ed Hayes, HW.

The Saluki record is six wins, one loss to Indiana University and a draw with Illinois Normal. Southern finished third in the Wheaton tournament.

Charles Pisoni, captain of the netters team for the second year in a row, works out in preparation for the coming season.
