The itinerary calls for seventeen night camps in Illinois, Michigan, Ontario, Quebec, Maine, Massachusetts, Pennsylvania, Ohio, and Indiana. Some of the main points of interest will be the "Lincoln Country," New Century of Progress, Niagara Falls, Maine Woods, Gloucester fishing boats, New York City, and others. Journalists to Present Program in Chapel Friday

Mr. Tau Pi will present a Journalists' program in chapel, Friday. A skit featuring "What is News" will be presented as one of the number of the program. Elsie Stronman will talk on the freedom of the press in Europe. Ruth Mear, former editor of the Egyptian, will discuss phases of local Journalism.

The Women's Athletic Association presented a four numbers representative of athletics used in our present day program as contrasted with the athletics of the eighteen nineties. The first number on the program showed the physical training, teacher, Virginia Shield, doing right. Her little Nell in the second old days. The next number, under the leadership of Nedra Goggin, presented a group of corrective exercises used in modern calisthenic classes, in which the formal system of counts and commands was replaced by music and rhythm. The next two numbers further brought out the role of music and rhythm in modern P. E. The first number in this group was the Oxyen Dance which originated in a Swedish University in the early part of the present century.

Socratic Society Hears Discussion of Pure Food, Drug Act

By reading excerpts from the book "100,000,000 Guinea Pigs" Pauline Walter described the laxities existing in the administration of the Pure Food and Drug Act at the meeting of the Socratic Society last Wednesday. She cited numerous popular products, some of which were positively injurious, and also demonstrated quite effectively that the quillibility of the American public has made us "100,000,000 guinea pigs."

A string quartet, two vocal solos, and a drill in Parliamentary Law composed the remainder of the program. The quartet, Robert Boyley, Paul Reeder, Dorothy Hopkins, and Frank Smith, directed by Mildred McLean, accompanied Ruth Stevenson as she sang "Teas of Pity" and Wayne Barker as he sang, "Love Song" to the Londonderry Air.

Thompson Receives Assistantship at Harvard College

Ralph Thompson, chemistry major, received Monday an official communique from the assistant dean of the Graduate College of Harvard University informing him that he has been accepted as laboratory teaching assistant for the year 1934-35.

Mr. Thompson is the first student to receive his degree from S. I. T. C. and enter the Harvard Graduate School without preliminary examination. His record in the school here was praised by the Graduate Board. Indeed, this high scholastic standing is probably responsible for his admission without examination.

The story of the Harvard Graduate School by Mr. Thompson himself runs as follows: "Since I was a Sophomore here, Mr. Abbott and I talked over the possibility. Last year he wrote to find out the possibilities of my getting the position. I was told that if I would first have to see if I could get in the Graduate school. That was an easy job. Then I applied for the graduate position. And here's the letter I got today."

S.I.T.C. TO COMPETE IN TEACHERS' TRACK MEET AT NORMAL

LOCALS ARE FAVORED TO
REPEAT VICTORY
OF 1933

The Carbonate Teachers will engage the strong Normal Redbirds, the De Kalb Profs, Macomb Leathernecks and the Charleston Panthers in the annual State Teachers' College Track Meet at Normal on Saturday. The Southerners by the return of a large number of lettermen and the strengthening freshmen material, are favorites to repeat the 1933 victory over the other State Teachers.

Coch J. Cogdall's Normal track team, runner-up in last year's meet, proved to be the big obstacle in the path of the Southerners. Another team that cannot be overlooked is the squad from De Kalb Teachers' College. De Kalb has four great track men on the personnel of Robert Larkin, Carl Hies, Nori, and Trakas.

The Student Council, acting on a motion presented by John Stanfield voted to spread the minutes of all council meetings before the students through the columns of the Egyptian, last Tuesday morning.

In the near future the Council will meet again to discuss next year's chapel program. At that time a plan for a lecture course, involving outside speakers is to be presented.

Fourteen Games Now Scheduled For Conference Teams

Bloomington, Ill., May 9.—The State Teachers Colleges track meet and fourteen baseball games, nine of them league battles and three others featuring Big Ten competition, are the most important events which attend the Little 19 conference colleges this week.

Charleston Teachers, DeKalb Teachers, Macomb Teachers, State Normal and Carbondale Teachers will compete on the State Normal track, Saturday, for the championship of the Normal schools of the Little 19. Carbondale, defending champion, will be back with another strong team headed by Bauder and Brown, weight stars; Crisp, Devor and Deason, low hurdles; Parednis, Mings and Knash, high hurdles; Cole and Reeves, high jumpers; and Duckworth, a freshman shot putter.

State Normal, who defends the Little 19 outdoor track championship, day 25, still has Lyle Hutton, the best mile and half-miler in the Little 19; Capt. Bill Bremer, two-miler; and Deacon Goren, sprinter. DeKalb stars are Trakas, a sprinter and John on, high jumper. Macomb has Paul Galloway, 440 man; Orville Day, outdoor high jump champion; and Coachberry, hurdler. Charleston's best men are Bradley, pole vaulter; Sockler, dashes; Baker and Austin, 40 men.

On Wednesday four baseball tilts are scheduled, two conference and two otherwise. Wheaton is at Elmhurst and Illinois Wesleyan at Morrisville. Southern veterans are listed in the Elmhurst line-up this year, including Vetter, left field; Wegener, second base; Bork, short-stop; Bloesch, pitcher; and Bischof, third base.

Klopf, Wheaton's best pitcher, will probably start against Elmhurst. His receiver will be Ray, a veteran. The two non-conference games on Wednesday's schedule are Armour Tech at Lake Forest and the House of David at Monmouth.

Two league games on Thursday are Millikan at Charleston Teachers and Macomb Teachers at State Normal. Two more conference contests are Friday, Bradley moving to Illinois Wesleyan, and DeKalb Teachers to Wheaton. Eugene Klyen, DeKalb pitcher, who recently beat Illinois Wesleyan, 8-2, will start against Wheaton.

Saturday's three games are all league affairs: North Central at Elmhurst; State Normal at Millikan; and Coachberry at Macomb Teachers. Coach Len Beiber at North Central apparently has uncovered a new star in "Lefty" Wendlandt from Painesville, Minn. He with Capt. Schum of Naperville give North Central the nucleus of a fine pitching staff. Fred Lanla of Maywood, former infielder, has been made over into a catcher and is doing creditable work. Among the other North Central stars are Len Yuknis of Maywood, first base; Bill Spiegler of Naperville, outfielder; Bab Young of Maywood, third base; and Gordie Smith of Aurora, short-stop.

Five other track meets besides the Teachers Colleges affair are also scheduled for the week. The complete schedule of activity:

Little 19 Schedules Championship Meet at Monmouth May 25-26

Monmouth, Ill., May 9.—With the outdoor track season in full swing a number of Illinois colleges are serving notice that they will be contenders for the crown in the fifteenth annual Little 19 championship events to be run off on the Monmouth College field on May 25 and 26. At the time Monmouth College will be hosts to the annual tournaments in faculty and student golf and in faculty tennis. Medals for individual winners and trophies for team and relay winners will be awarded on the field.

Illinois Normal won the meet last year with Carbondale second. Both these teams are very strong again this year. At the indoor meet this year North Central carried off first honors and Illinois College was second. These teams will also be contenders. Carthage upset Illinois College in a dual meet and their strength cannot be underestimated. Several colleges report they have better teams than those of the past few years, among them Knox, Bradley, Macomb, and Wesleyan. Some institutions which can hardly be looked upon as contenders for the team championship have outstanding individuals who will be able to win places in events and cut down totals of some of the favorites.

In several events records are likely to be shattered if the weather is even fair. There are half a dozen pole vaulters who should be able to equal or surpass the conference record—according to dope.

Capt. Paul Sweeney of Illinois College, one of the four who set the present record at Monmouth's field in 1931, Robert Boniss of Carthage, and Tunis Romain of Wheaton are three who confidently expect to pass 130 feet. There are said to be several discus throwers who are new getting 130 feet and may be expected to crack the record of 184 feet 7 in. Four medals will be awarded in each individual event. In the relay four sets of medals will be awarded in addition to the trophy to the college of the team taking first place. To the college winning first honors in the meet will go a handsome trophy and smaller trophies to the teams taking second, third and fourth. Another trophy goes to the outstanding individual performer of the meet.

TWO TENNIS MEN OF S.I.T.C. QUALIFY FOR STATE MEET

THE CAPE INDIANS DEFEAT TENNEY'S TEAM BY 4-3 SCORE

Behind the effective racket wielding of Lawrence Springer, the Carbondale tennis team qualified two men at Jacksonville, Saturday for the State meet to be held at Peoria, May 19.

Springer smashed and volleyed his way to complete in the State meet by defeating Moriarty of Illinois College in two hard-fought sets, 8-6, 6-3, while Myers lost to Chenoweth, Illinois College in the second singles match of the afternoon by two duce sets, 7-5, 6-5.

After holding the first set in the doubles, Springer and Hicks put on the steam and overwheeled Thomas and Mitchell, Illinois College, in the next two sets, thereby qualifying to play in the doubles at Peoria. The scores were 2-6, 6-1, 6-4. Southern's other double team, consisting of Piggott and Myers, were defeated by Chenoweth and Moriarty in the last match by scores of 6-3, 8-6.

On May 2, Coach Tenney took his recquet swingers to Cape Girardeau and lost to the Indians for the second time this season. The score was 4-3.

The Southern aggregation won three single matches out of five. Phillips (S) won from Reynolds (C), 6-3, 6-1. Piggott (S) defeated Finch (C), 6-3, 6-3. Hicks (S), after three hard sets eked out a victory of 1-6, 10-8, 8-6 over Ellis (C). Cape's victories were registered by Pritchard and Stiver. Pritchard won over Springer (S) 6-3, 6-1, while Stiver defeated Myers, 6-3, 6-4.

In the first doubles match, Stiver and Finch (C) came through with a victory over Myers and Piggott (S), winning 8-6, 6-1. With the score now tied at 3-3, Pritchard and Ellis (C) eked out a win over Springer and Hicks (S) in the deciding match of the afternoon, thus giving Cape the meet. The scores were 3-6, 6-4, 7-5.
