CARBONDALE, ILLINOIS, TUESDAY, OCTOBER 14, 1952

No. 10

Homecoming Assembly Set For This Thursday

The Homecoming kickoff assembly to be presented this Thursday morning at 9 o'clock will feature a speech and welcome by Dr. George Hand, vice-president of Southern Illinois University. All nine o'clock classes will be dismissed for the assembly.

Candidates for Homecoming Queen are being voted on today and the girls who are nominated will be presented Thursday morning. The ten girls receiving the largest number of votes in the election if they are otherwise eligible will be candidates for queen.

In order to be nominated for queen, a girl must be a junior or senior (have at least 96 quarter hours of credit) and must be carrying a minimum school load of 12 hours.

The steering committee for Homecoming will also be presented at the assembly. This committee consists of the chairman of each committee along with the faculty sponsors and Homecoming chairman, Jim Schmullbach. The committee chairmen are: finance committee, Hugh Petus; parade committee, Richard Coleman; dance committee,

Don Shelton. Queen's Committee, Doug Shepherd and Oma Dorris; dance decorations, Audrey Mayer; campus decorations, Paul Morris; program committee, Cliff Karsh; pep committee, Charles Widly; alumni committee, Helen Nance; publicity committee, Beverly Fox and Barbara Von Behren; concessions, Mary Ann Klingenberg and Delbert Mundt; house decoration, Dallas Talley. Schmullbach's vice-chairman for all the activities are Gene Graves and Wilma Beadle.

Music for the program will be furnished by the university band under the direction of Phillip Olson.

All students are urged to attend this assembly, the first in a long line of homecoming activities for 1952," stated Charles Widly, chairman of all Homecoming pep activities.

Suicide Try Publicizes Jazz Band

Last night at exactly 8:22 East Cohen attempted suicide from the top of Old Science.

Before the "dummy" fell a group of Sigma Pi men rushed to the rescue. The body was placed on a stretcher and rushed to the ambulance. With blaring sirens, the ambulance drew public attention to the suicide attempt.

When asked why he attempted suicide, East replied, "I couldn't go to the Sigma Pi dance and hear Singleton Palmer so I didn't want to live."

East, a freshman from St. Louis, suffered no bodily injury however, for the above is merely an account of a stunt performed to publicize the Sigma Pi dance to be held tonight.

At 7 o'clock tonight, Singleton Palmer and His Dixieland Six will present a concert in the Men's Gymnasium sponsored by the Sigma Pi fraternity.

The admission is 75 cents per person. The concert will last until 8 p. m.

Then at 8:30 p. m. Singleton Palmer will play for a dance to be held in the gym until 10 p. m. Fifty cents will be charged for the dance.

Tickets may be purchased from any Sigma Pi member or brought at the stand in front of Old Main for the remainder of the day. Combined price for both affairs is one dollar.

Singleton Palmer and His Dixieland Six are currently appearing at the Palladium in East St. Louis.

Five To Attend New York Meet

Five Southern students, four from the Egyptian staff, and one from the Oldiesk staff, will attend the Associated Collegiate Press conference to be held in the Hotel Statler, New York City, from Oct. 28 through Oct. 31.

Those who will make the trip are: Barbara Von Behren, editor; Helen Nance, Egyptian staff; Mr. Charles Widly, managing editor; Egyptian; Gwen Applegate, business manager; Egyptian; and Mrs. Donald Grubb will accompany the group. Grubb is chairman of the journalism department.

The group will leave by train Wednesday morning, Oct. 23, from St. Louis, and will arrive in New York the following morning for the first session of the conference.

Conference plans include speeches by noted news columnists, panel discussions, group exhibits, and the annual conference banquet.

Last year's staff attended the meet which was held in the William Penn hotel, Pittsburgh, Penn.

Co-editors of the Egyptian have temporarily been appointed by the editor, Barbara Von Behren, for the one issue which must be prepared while the regular staff is out of town. They are Bill Young and Bob Brim, both juniors from Carbondale.

DEAN ROBERT H. SHAFER, speaker at the Leadership Conference held here at Southern Friday and Saturday, said that he believed that it was a student leader's obligation to disagree with the administration in a forthright, honest manner in his address at the kick-off assembly Friday.

Fifty Delegates Attend Leadership Conference

The 1952 Leadership Conference at Southern, which ended Saturday noon, was attended by representatives from seven universities, including Southern schools which sent delegates were Southeast Missouri State Teachers College, Millikan University, Normal, Shurtliff, and Principia.

The program, which was attended by approximately 50 delegates, and many other visitors, ended at midday Saturday, due to the fact that several delegates had to return to their schools at that time.

Kick-off speaker for the conference was Dr. Robert H. Shaffer, assistant dean of students, at Indiana University.

"Leadership techniques, for example, the method of conducting a meeting, are important," he said, "but mastering the techniques of leadership is just the beginning."

He pointed out that there are certain personal qualities which are desirable in the emerging leadership. He listed among these things: personal integrity, respectable scholarship, genuine friendliness, setting the standard for the group, and growing enthusiasm.

He also suggested that the individual worth be the standard of evaluation rather than race, religious background, or sex, in choosing

Queen Coronation Set for Oct. 30

"Who is it?" will be the main question of the day come Oct. 30, the date set for the coronation of Southern's 1952 Homecoming Queen. Her Majesty will be crowned between 7:30 and 8:30 p. m. on Thursday, Oct. 30, amidst glamping and glitter at special coronation ceremonies in Shryock auditorium, and who meet the other qualifications will be official candidates for the Queen's Court and will be presented at the assembly.

All queen candidates will be presented in the first Homecoming assembly Thursday morning at 9 a. m. in Shryock auditorium. All girls who receive ten or more nominations votes in today's nominations ceremony in Shryock auditorium, according to Doug Shepherd, chairman of the Homecoming Queen's committee.

Since the identity of the Queen will be known on the first day of Homecoming activities, she will open over all festivities during the week-end. Thursday night after the coronation an informal kick-off dance will be held for all students in honor of the new queen. The Homecoming dance committee is busy in the process of signing a band to play for this informal dance.

Her Majesty will be presented at the Homecoming pep rally, the play, the parade, and the football game. Then at the Homecoming coronation, highlight of all festivities, the queen will take her seat on her throne and at that time she will be presented with gifts from various alumni chapters and the traditional gift from the football captain.

SU's alumni chapter in Washington, D. C., has sent word that they will have a representative at the dance to present their gift.

In the Homecoming parade, the Queen will ride on a special Queen's float with her court seated beside her. The float is being constructed by Alpha Phi Omega with the assistance of the City Ball.

Members of the Queen's committee are Oma Dorris and Doug Shepherd, co-chairmen; Ellie Tomlin, perspective and color and a color girl, Gwen Lane; Dorothy Tomlin, lacrosse of the painting "The Last Evelyn Shoebach, Bobbie Grimes, Supper," will also be shown.

Five sets of exhibits of the works of Dean Jim Aiken, Conard Carlson, of da Vinci are now being prepared

Faculty Plans First Dance

Flood Moreland and his band will play at the recently organized Faculty Dance club's first dance, Saturday night, Oct. 18, at the Little Theatre. Mrs. John Longenecker, president of the club, stated.

The dance, which will be from 8:30 to 11:30 p. m., is a semi-formal affair. This is the first in a series of five dances which the club plans to hold during the school year.

Members of the dance committee are Mr. and Mrs. John P. Adams, Mr. and Mrs. Charles Allen, Mr. and Mrs. William Andrews, Mr. and Mrs. W. J. Arvin, and Mr. and Mrs. Ralph Eastman. Other members are Mr. and Mrs. W. E. Butler, Mr. and Mrs. Marshall Clark, Mr. and Mrs. A. J. Croft, and Mr. and Mrs. Robert Muller.

This newly organized group now has 52 members.

SIU Festival To Celebrate Birth Of Artist Leonardo da Vinci

Brightly clad figures, gay music, and movies will paint a picture of Leonardo da Vinci, when, for two weeks beginning Nov. 12, SIU will sponsor a festival celebrating the 550th anniversary of da Vinci's birth. During the festival the two floors of the Allen building will exhibit the discoveries, inventions, drawings, and paintings of the greatest mind of the 15th century.

Motion pictures, records, and mannequins will depict the life of the period. The International Business Machine company is sending several models of da Vinci inventions; these will be supplemented by other models now being constructed by the industrial education department.

Dr. George Plochman is chairman of the SIU da Vinci Festival committee.

Dr. Plochman stated the exhibit would include a human skeleton showing the anatomical discoveries of da Vinci. Da Vinci's theories of perspective and color and a color lacrosse of the painting "The Last Supper," will also be shown.

Five sets of exhibits of the works of Dean Jim Aiken, Conard Carlson, of da Vinci are now being prepared to be sent to all the high schools in Southern Illinois. Each exhibit will consist of one high school for one week. The five groups will include paintings; science and engineering; warfare and military machines; studies of anatomy and drawings.

Exhibits will be shown in Shryock auditorium and the Student Center prior to the festival.

Also lecture to students and guests.

A brochure prepared by Dr. Plochman will be sent to all the larger high schools in the area displaying the festival and the exhibits that will be displayed.

Dr. Plochman described Leonardo da Vinci as "the university genius, a man who was musician, poet, scholar, engineer, draughtsman, sculptor, mathematician, physiologist, and painter all rolled into one."

Members of the Southern faculty on the da Vinci festival committee include: Dr. J. Cary Davis, department of foreign languages; Dr. Vera Proctor, department of foreign languages; Mrs. Edith Krappie, department of English; Fred Lauritzen, art department; Dr. Florence Force, lecturer in physiology; and Dr. Plochman, chairman of the philosophy department.

Polls Open Today for Homecoming Primaries

Today SIU students are going to the polls to make nominations for Homecoming queen, her court and attendants, and also for class officers for the 1952-53 school year. Final elections will be next Tuesday.

Polls are set up in front of Old Main (in case of bad weather, in the crosshalls) where students may

Mrs. Julia Neely, SIU Instructor, Dies Sunday

Mrs. Julia Neely, associate professor of English here at Southern Illinois University, died Sunday at Missouri Baptist Hospital in St. Louis, Mo., after an extended illness.

Mrs. Neely will rest at Huffman's private home here in Carbondale from 2 p. m. today until 2 p. m. Wednesday. At that time The Reverend W. John Harris will conduct burial services from St. Andrew's Episcopal Church. Father Harris will conduct a requiem Holy Communion service at 7 a. m. at the church.

Mrs. Neely will be interred at Oakland Cemetery, Carbondale, beside her husband. Her husband, the late Charles Neely, had also been a member of the English department here at SIU. Members of the English department will bear Mrs. Neely to her resting place.

Mrs. Neely joined the staff at this university in 1926. Before that time she taught in the high schools at Greenville and Mt. Vernon, Ill.

She was beloved by every generation of her students for her quick affection and personal interest, and for her deep devotion to her profession.

Mrs. Neely was the daughter of the late Col. F. C. Jones, chief engineer of the St. Louis-San Francisco Railroad, and Olive Jones. Mrs. Neely is survived by her sisters, Mrs. Ruth McCloskey of Waverler Green, and Mrs. Lois La Coix of Clayton, Mo.

Mrs. Neely's sisters have suggested that in lieu of flowers, a contribution to a memorial fund to St. Andrew's Episcopal Church would be most in keeping with Mrs. Neely's wishes.

English classes which meet at 2 and 3 p. m. Wednesday will be dismissed for the funeral. No other classes will be automatically dismissed; however, students who will attend the funeral may be excused from classes.

make their nominations. Hours for both nominations and elections will be from 8 a. m. to 4 p. m.

All students may nominate one girl for queen, and the 10 girls with the highest number of nominations will have their names placed on the ballot in the final election.

In order for a girl to be nominated for queen, she must have at least 96 quarter hours credit (junior or senior standing). Have at least a 3.0 average while attending Southern, and be carrying a minimum of 12 quarter hours this term.

Each student may nominate from the freshman and sophomore classes, two girls for attendants. They must also be carrying 32 or more quarter hours.

Class officer nominations will be for the following offices: president, vice-president, and secretary-treasurer. Students may only nominate in their own classes.

In order to become a freshman class officer, the student must have no more than 30 hours credit. A sophomore class officer must have between 31-78 hours while a junior must have from 79-116 hours of credit, and a senior from 117-160 hours. All candidates must have at least a 3.0 average while attending Southern.

In order to be nominated to a class officer, students must receive at least 10 nominations. In case of a tie, the number of nominations will be listed on the final ballot. In case less than 10 students are nominated for an office, only those receiving 10 or more votes will be listed.

Voting is by presentation of the student's own activity ticket, and the Student Council advises that each student is entitled to only one vote.

Begin Advance Ticket Sales For Homecoming

Tickets for the Homecoming Dance and Concert will go on sale tomorrow at Walgreen's Drug Store, University Drugs and Variety Shops according to Hugh Petus, chairman of the finance committee for the 1952 Homecoming activities. Tickets will also be sold on campus in front of Old Main from 9 a. m. till 3 p. m., each week-day until Homecoming beginning Wednesday.

ADVANCE tickets for the dance will be \$2.00 per couple or \$3.50 at the door. Concert tickets will be sold for \$1.00. There has been a decrease of 10 cents in the price of tickets since last year. The day on advance sales for the Homecoming play tickets has not been released.

Thursday night, Oct. 30, at 8:30 the Homecoming Queen will be crowned in 'Shryock auditorium. Following the coronation there will be a kickoff dance in the men's gymnasium at 8:30 p. m. Ticket prices have been set at 35 cents per person or 50 cents a couple for the

VOTE TODAY!

HOMECOMING QUEEN'S committee at their last meeting. Seated, from left—Dorothy Toot, Oma Dorris and Doug Shepherd, co-chairmen; Jim Aiken, Standing—Scott Lindner, and Ron Koler. This committee is in charge of the coronation of the Queen and of arrangement of her appearance at the various Homecoming events.

THE FINANCE committee for Homecoming is in charge of ticket sales which are scheduled to begin tomorrow. Members of the committee above are: standing, from left—John Loy, Hugh Petus, chairman; Carol Cox, vice-chairman; Pete Low, Dave Gray, George Van Epps, Steven Hirsch, andland. Seated, from left—Anna Mae Hayes, and Yvonne Kistkaas.

This Is It!

This is it! Today is the day to get that cute girl who fits in front of you in English class nominated for the most envied position on campus — that of Homecoming Queen. Today until 4 p. m. polls in front of Old Main, or in the cross-halls in case of ill-favoring weather, will be open to accept nominations from any student who can present his or her activity card.

Not only does each student have the opportunity to nominate his favorite girl for the Homecoming Court, but also each and everyone of us may nominate students to represent our respective classes as class officers.

Yes, we think one could honestly say that this is the biggest opportunity of the year as far as selecting students to represent our university. Although the Students Council elections in the spring are also important, it is this Homecoming and class officer election which involves the largest number of students.

When it comes time for the final election names of the students nominated will be printed on ballots and it is only under very rare circumstances that a write-in candidate wins the election. Therefore, in order to elect a person to a certain position it is a good idea to get him or her nominated by seeing that the required ten nominating votes are acquired.

If a student does not vote in the nominations, we can not share any sympathy with him when he complains that his favorite candidate's name does not appear on the final election ballot.

If you should hear some student remark that it's not worth the trouble to vote in the nominations, would you please put him straight on the issue? We feel that it is the duty of each SIU student to make a nomination just as it is the duty of each student to vote in the final election. So, don't forget! Stop by those polls today before you go home!

Embarrassing, huh?

In various newspapers lately we have noticed an account of what might be termed an embarrassing situation. Following is a re-print of the release as sent out over the AP wire service:

"AUBURN, Ala. — Coeds in five new dormitories at Alabama Polytechnic Institute blush when they look at a goldfish bowl. They know how it feels to live in one.

A chivalrous Southern gentleman hinted that all was not as it should be with the bathroom windows in the new dorms.

The window panes are designed so a girl taking a bath can see out but outsiders can't look in. The windows had been installed backwards because the factory put handles on the wrong side by mistake.

When we read this release we could not help but think of our new girls' dormitory now under construction. "What a good story that would make for the Egyptian," we thought. Perhaps it's just as well it happened somewhere else — at any rate, it's not near as embarrassing for our girls this year. But it could have happened here!

BEGIN ADVANCE

(Continued from page one) Besides handling the sale and distribution of tickets the Finance Committee handles the finances for the secretarial, advertising, house decorations, pep, decorations, and program committees.

MEMBERS of the finance committee are: Dr. Black, faculty sponsor; Hugh Pettus, chairman, Carroll Cox, vice-chairman, John Loy, Dave Creath, George Van Epps, Pete Low, Steve Haviland, Anna Mae Hays, Yvonne Kiriakos, Louis Williams, Bill Will, Lyle Sledge, and Lucetta Bolen.

Alums may secure tickets by writing to the Alumni Service. Anyone interested in selling tickets in their home town may contact either Hugh Pettus or Carroll Cox.

To Give Exams For Law Schools

Releases from the National Educational Testing Service have given the schedule for the law school admission test required of applicants for admission to a number of leading American law schools, will be given at more than 100 centers throughout the United States on the mornings of November 15, 1952, February 21, April 25, and August 8, 1953.

Each candidate must make separate applications for admission to each law school of his choice and should inquire of each whether it wishes him to take the law school admission test and when.

The graduate record examinations, required of applicants for admission to a number of graduate schools, will be administered at examination centers throughout the country four times in the coming year. This fall candidates may take the test on Friday and Saturday, November 7 and 8. In 1953, the dates are January 30 and 31, April 17 and 18, July 10 and 11.

Each applicant is advised to inquire of the law school of his choice of the examinations he should take and on which dates. Applicants for graduate school fellowships should ordinarily take the designated examinations in the fall administration.

Application forms and a bulletin of information, which provides details of registration and administration as well as sample questions,

Foundation Lists Chaney Schedule

Speakers for chapel services at the Student Christian Foundation for the coming week have been announced by Foundation director Don Johnson. Chapel will be held each week day from 12:30 to 12:50 p. m.

The schedule is as follows: Oct. 14—Mrs. T. Midjias, Christian Education Secretary for the Presbytery of Cairo, Presbyter, Her topic, "Church Related Schools."

Oct. 15—A SIU professor will speak. Oct. 16—A Carbondale minister will speak.

Oct. 17—Rev. Donald B. Johnson, Foundation director. His topic, "Challenge of Communism."

Mary Truitt, a SIU student, spoke at chapel services yesterday.

The Chapel services were planned by the Foundation's steering committee to be held as regular events each week day throughout the school year. All students and faculty members are invited to attend these services.

ARTHUR TRIPPLE, freshman from Trenton, as he led Harry Evers, sophomore from Mounds, around the football field in a stunt at Southern's last home football game. For more about Triple, see story below.

Anthony Hall Open House Now A Note In History

By DON FEARHEILEY This was the last Anthony Hall Open House, a truly historical event. The Open House of past years, linger in memory, with no hope of future ones in this famed dormitory.

The solemnity of the occasion was felt by all as they walked up the steps. There was a charmingly quaint entrance with the theme, "Flappers Farewell."

Then with many others, I made my way up the stairs and through the halls. The rooms, stood as silent testaments to the neatness and good taste of their living occupants. There were pictures on the walls that indicated the girls' artistic appreciation. The pictures had different titles like "Bob," "Joe," "Dick," "Peep."

Downstairs once again, I managed to enter the room where refreshments were being served. While waiting my turn, I observed the costumes of some of the girls. The girl serving the refreshments was pretty. She made a great impression on a friend of mine. He told me that when she filled his glass and handed it to him, he got a terrific punch.

Moving out into the one-way traffic again, I ended up in the dining room. The floor was cleared for dancing. It seems as though the whole school was there. In fact, we were crowd... but we were so close together that you couldn't think without being overheard.

A couple of guys nearby had signed an antebaggage business in a golden "23 skidoo" dress. She was seated on the side. The conversation between these characters went like this:

1st He: "Look at that!"
2nd He: "Yeah."
1st He: "She's terrific! She's beautiful! She's a real beauty!"
2nd He: "Yeah."
1st He: "See you later."
2nd He: "She's going steady."
1st He: "Like I say, she's so-so..."

A peculiar interest were the special girls attending the refreshments. Two girls kicked up at Charleston, and the place really got packed. It's a good thing I'm tall. I was able to see a head bobbing every now and then.

(Turn to page three, please)

Southern's Smallest Student Has Abundance of Energy

By BILL YOUNG Arthur Triple is only four feet, five and one half inches tall, but he doesn't let that bother him in the least.

"I don't even notice my height," he chuckles. "The 18 year-old Trenton freshman has always been interested in sports and plans to make a career of sports announcing. Arthur is majoring in speech and minor-ing in journalism and music."

Arthur's major objective is being a sports announcer, but if not "I'll try music or sports writing," he stated.

ARTHUR'S SIZE doesn't keep him from taking part in school activities, either. In high school he was manager of the basketball team and played second base for the baseball squad. Here at Southern he is a member of the ISA and the Pep Club.

Arthur has been asked to take part in various activities on campus.

At the Saluki-Ilinois Normal football game he dressed in a pinkie football uniform and chased a towering fellow representing the op-

ponents all over the field. In the high school guest day program last week he was a member of the radio show which was planned for the weekend activities.

WHILE STILL in high school, Arthur was busily engaged gathering honor points and keeping up his grade average in order to qualify for a scholarship. He didn't get the scholastic scholarship (he missed by three points), but he compiled over 500 honor points with his extra-curricular activities. This brought him to the attention of the Illinois who awarded him a scholarship, Illinois Rehabilitation Program officials let his size get him down.

Arthur Triple is a guy who didn't let his height make him self-conscious. In fact, his height doesn't even present a handicap to him. He is planning a fully-packed future for himself and is determined to carry out his plans. In anyone's book he is a mighty big man.

Hickey holds the bachelor of science and master of science degrees from Kansas State Teachers College and the Ph. D. degree from the University of Nebraska. He is married and the father of two children.

CLUE NO. 1
Count down three.
And there it will be.

CLUE NO. 2
They stand like soldiers all in a row;
But you'll have to look below.

World News in Brief

Condensed from AP Wire Service
By BILL YOUNG
INTERNATIONAL

Speculation that the British are planning another atomic explosion was heightened at the announcement that Britain's first atomic bomb would fly to Australia in November. Australia was the scene of the first British atomic explosion held recently.

Scrambling Iranian Chinese Communists pushed South Korean soldiers off White Horse Mountain but dog-tired U. N. troops pushed their bloody way back to the top of the peak and battled the Reds hand-to-hand in a drenching down-pour. The opposing troops fought with hand grenades, rifle butts, and barefist.

It was so dark the South Koreans used this method for fighting: if they felt a shadow head in the hand, they'd fight. They knew it must belong to a Chinese. That was all the identification they wanted.

The action on White Horse overshadowed the fighting elsewhere. France but minor action took place on the far Western Front and in the east above the "Punch Bowl" area.

The recorded death toll from the triple train wreck near Harrow, England has reached 103. Railway officials said that still more bodies were in the wreckage. The tragedy was the second worst rail accident in the British Isles.

Trade negotiations have been indefinitely broken off with the Chinese because of the conference site at Panmunjom. The Chinese Communist radio charged that the talks were broken off by the Americans at a time when peace was almost secured. Actually the Red proposals called for no forced repatriation of all prisoners, permitting the Allies to return to the pris-

NATIONAL

This year's polio epidemic, which has not passed its peak, now stands as the nation's worst on record. The National Foundation for Infantile Paralysis reported 3,227 new cases in the week ending Oct. 4. This total represents a drop of nine per cent over the previous week.

John L. Lewis was reported as considering a nation-wide coal strike unless the government wage stabilization board approved pay boost by next Wednesday.

Lewis has gotten his miners one of the fastest labor contracts in history — a pay hike of \$1.90 a day, boosting the basic daily wage for miners to \$18.25, plus a 10-cent increase in the tonnage royalty paid by coal mine owners to the Union's welfare fund. The increase brings the royalty to 40-cents a ton, or better than 150 million dollars a year.

Violence flared at a strike of workers at the International Harvester plant in Chicago. An officer of the striking union was charged with the murder of a non-striking worker. The State's Attorney's office filed the charge against the secretary-treasurer of the Farm Equipment Union. Trial is set for today.

POLITICAL

Gen. Eisenhower has completed the tour of 11 states in his campaign in the far west. The GOP candidate moved into Arizona with speeches scheduled at Phoenix, Tucson, and Albuquerque. The defeat is certainly bound to soften La Starza's chances at getting a job at Maricao.

Vic Seibus and Gardner Mulloy advanced to the semi-final round of the Pan-American tennis tournament with victories over the Mexican entries recently in Mexico City.

Michigan State's football squad is second in the national standings; football wise, but they are in first place in the scholastic race.

Twelve members of the squad are "B" and "C" and star student hallmarks. John Wilson is an honor student in journalism and a candidate for a Rhodes Scholarship.

AFROTC

T. E. SECOND military ball for the AF ROTC cadets at S.I.U. will be held Dec. 5. It will be highlighted by the crowning of a new Queen of the ROTC. The present Queen is Miss Jo Rushing, the first military Queen here at S.I.U.

With Jo's position goes the rank of Honorary Colonel. Last year she reviewed the cadets with the Commanding Officer on the all-cadet reviews held on Wed. Oct. 15. It is also the duty of the Military Queen to preside at an major AF ROTC events. Jo is a sophomore majoring in business in the College of Education. She is a member of the Sigma Sigma Sorority, where she serves as social chairman. Her activities also include the Pop club and the Commerce club, as well as acting as one of the five cheerleaders at S. I. U. athletic events. Homecoming activities claim much of Jo's time also, since she serves on the alumni committee.

MILITARY BALL committee members as they made plans for the second annual Military Ball at Scott Field where the cadets met General Harper, after whom the Harper square was named.

The S.I.U. advanced cadets and Honorary Colonel Bushing attended an Arnold Air Society banquet at Scott Field where the cadets met General Harper, after whom the Harper square was named.

Jo will be dethroned Dec. 5 at the Military Ball. A new queen will be selected to take her place for the following year. The ten girls with the highest number of votes will be crowned. The ten girls with the highest number of votes will be crowned. The ten girls with the highest number of votes will be crowned.

Jo will be dethroned Dec. 5 at the Military Ball. A new queen will be selected to take her place for the following year. The ten girls with the highest number of votes will be crowned. The ten girls with the highest number of votes will be crowned. The ten girls with the highest number of votes will be crowned.

In keeping with the political fever, it has been discovered that AF ROTC Section 12 has two members with appropriate names: Harry W. Eisenbauer and James M. Stephenson.

Jo will be dethroned Dec. 5 at the Military Ball. A new queen will be selected to take her place for the following year. The ten girls with the highest number of votes will be crowned. The ten girls with the highest number of votes will be crowned. The ten girls with the highest number of votes will be crowned.

ENNO LIETZ

SECOND IN COMMAND of ROTC Cadets, a senior at Southern, and a veteran of two years active duty in the Regular Air Force is an apt introduction to Cadet Lt. Colonel Enno Lietz.

Jo will be dethroned Dec. 5 at the Military Ball. A new queen will be selected to take her place for the following year. The ten girls with the highest number of votes will be crowned. The ten girls with the highest number of votes will be crowned. The ten girls with the highest number of votes will be crowned.

Review Records In SIU Library Disc Collection

By JIM AIKEN

The Boston Symphony recordings under the direction of the late Dr. Serge Koussevitzky comprise a large portion of the University Library collection. This orchestra has long been recognized as one of the greatest in the world and Dr. Koussevitzky's brilliant interpretations are always excellent. This week the Egyptian is reviewing three of these recordings from three different periods of music.

Wolfgang Amadeus Mozart's serenade for orchestra are very good, lilting compositions that have wide appeal for listeners who like the delicate and sensitive details of the Classic Period.

His "Eine Kleine Nachtmusik" is the most famous of the serenades. The library recording is on a RCA-LP disc performed by the string section of the Boston Symphony.

There are many theories and legends concerning the composition of Schubert's "Symphony No. 8 in B Minor," better known as the "Unfinished Symphony." This symphony has only two movements for some unknown reason. Many think that Schubert did not write the last movement because he felt that he could not continue to write on this sublime plane and would rather leave the symphony unfinished than cheapen it by music inferior to the first two movements.

THE SYMPHONY was not performed until many years after Schubert's death. This work is the most serious and melodic of all Schubert's music. The library recording is in a 10 in. Victor LP record and lasts about 30 minutes.

Maurice Ravel's "Bolero" is one of the most original and unusual compositions ever written. It is a rhythmic dance lasting for about 20 minutes. The intensity and brooding rhythm are built up slowly by constant repetition and the last few minutes are an experience in sheer methodical maddening musical ecstasy.

RAYMOND EDWARD REEDY, left, first recipient of the Robert Wichman Memorial Scholarship recently established by the Alpha chapter of Sigma Tau Gamma fraternity, "signs up" as a freshman at Southern Illinois University.

Looking on are R. T. Sullivan, Chicago, fraternity president, and Clark Davis, dean of men. The scholarship is in memory of the late Robert Wichman, fraternity treasurer and outstanding athlete at Southern, who was killed in a car-train collision in East St. Louis last August. The scholarship is awarded only to a graduate of an East St. Louis high school, on the basis of need and achievement.

Scientific Student Opens Crusade on Eating Habits

By DON FEATHERLEY
Now is the time for a crusade. This crusade concerns a matter of life and death, namely—eating. There was a time when this function was taken as a matter of course. Our ancestors would swing their heads and eat their food without thought of the matter in what form they found it, they ate it. We have progressed. The skins of women have gotten longer, food is now cooked and we use tooth picks rather than sawtooth tongs for eating.

Thalman to Direct Paducah Clinic

Dr. W. A. Thalman, director of the Child Guidance Clinic, and representative from the Cerebral Palsy Treatment Center will direct a clinic at Paducah, Ky., Oct. 13 through Oct. 18. Complete studies will be made of all cases, including not only the study of the intelligence of each child but also the measurement of achievement and training of persons.

Home Ec Club Makes Plans

The Home Economics club met Oct. 9. Several money-making plans were discussed for the year. Margaret Sobin, treasurer, reported on the finance committee which is the steering committee for finance projects.

Commerce Club To Have Meeting Here Tonight

The regular meeting of the Commerce Club will be held tonight at 7:30 in the auditorium of the Allyn Building.

Later there was an Apache dance. I had succeeded in a girl trapped me on the back. She wondered if she could stand in front of me. 6'3" said to 5'6". "Certainly." After all, I'd still be able to see. So she dragged a chair with her and stood on it. She wore a nice dress. There were 247 stitches on the back side alone. The cold air was rushing in through the open door as I left. The Open House had been a huge success. But it was the last. My love turned and my heart tightened. The very last. Then I sneezed.

Release Results For Graduate Record Exams

Students desiring to enter graduate schools, which require reading the Graduate Record Examination should inquire in the Office of Student Affairs about such examinations, according to an announcement from Jack W. Graham, supervisor of counseling and testing. Registration for the Nov. 7 and Nov. 8 testing exams closes Oct. 24. Application blanks and information bulletins are available in the Office of Student Affairs.

Huskies Put Bite on Salukis 21-7

Southern Hit By First IAC Loss

By DON DUFFY
George "Chick" Evans' Huskie football squad came through with their gear in Northern Illinois Homecoming festivities by trouncing the Salukis 21-7 in IAC action played at DeKalb Saturday afternoon.

This was Northern's first IAC victory and also first season victory after three defeats. The Huskies were socked 56-7 in their conference opener against Central Michigan.

Southern's loss was the first IAC defeat. The Salukis got by Normal in their conference opener 27-20. The Salukis now have a season's record of 1-2.

Northern had little trouble solving either the visitors' defense or offense. Led by fullback Billy Graham, the Huskies swept along the grid iron for a total of 420 yards, 292 through rushing and 128 on passes. Meanwhile, the NI defense held Bill O'Brien's Salukis almost to an offensive standstill. Southern's totals were 50 yards rushing and 29 passing.

EMS HURT

Southern's victory hopes were dimmed early in the first quarter when Bob Ems, leading IAC ground game and scorer, was felled from the game because of an injury. The Fisher football carried the ball once in the first quarter before he was injured. Although he returned to the game in the third quarter, he carried the ball only twice. Reports say that he should be in shape for the Central Michigan game next Saturday.

The Salukis were able to stave off Evans' Huskies in the first quarter, and the period ended with neither team scoring. Early in the second quarter, Northern cracked the scoring column. Right half, Ed Bauer took the ball deep into Southern territory on runs of 27 and 17 yards. Billy Graham, Northern's great runner, was dumped just one yard short of the goal line. From there, Jim Harms bulled over on a quarterback sneak. Pat McKillen converted to give the celebrating

Three Frats Tie For Lead in Greek Bowling League

Sigma Pi and Sigma Tau Gamma fraternities each swept their three game series in the SIU Pan-Hellenic bowling last Thursday night. It was a three team tie for first place. Chi Delta Chi fraternity for first place in the men's division. The Chi Deltas dropped into the three way tie, when they dropped the middle series with the Theta Kappas Epsilon quintet in the second week of play.

Sigma Pi, led by Marco's 501 series, swept three from Sigma Sigma Sigma. Sigma Tau Gamma's 427 series was high for the losers.

SIGMA TAU GAMMA MOVES INTO THE WHITE

These Xi fraternities in their series. Red Fielden's 538 series which included a 220 game was high on the victorious Sig Taus. Steigleitz and Miller were top men for the happy Theta Xi outfit with each turning in a 414 series.

Chi Delta Chi lost the middle game of their series with the TKE's by 62 attacks, but came back to win the rubber game, 768 to 702. Ed Weiss was high a game for the Chi Deltas, rolling a 476 series. George Kuhn turned in a 540 series for the TKE's, backed by Wilson's 501.

KAPPA SIGMA SCHEDULE

Kappa Sigma society remained in first place in the women's division by taking two games from the Delta Sigma Epsilon girls. Perodotto, Wright, and Klingenberg were high for the winners with scores of 448, 433, and 444. Louisa Taylor's 450 was the only 400 series turned in by the losers. The Pi Kaps took the first and third games of the set, while the Delta Sigs took the middle game by 21 pins.

STANDINGS:

Chi Delta Chi	5	1
Sigma Pi	5	1
Sigma Tau Gamma	5	1
Kappa Sigma	3	3
Theta Xi	1	5
Sigma Sigma Sigma	1	5
Delta Sigma Epsilon	1	5

Huskies a 70 lead.

George "Chick" Evans' Huskie football squad circled right end for a 76 yard touch down run. Again, McKillen made the conversion.

Neither team scored in the third period. A fumble broke up one Huskie drive, and the Salukis had trouble advancing the ball into opposing territory.

On the third play of the fourth quarter, Harms hit full back Ed Dieking on a 45-yard pass to the Huskie third touchdown. McKillen booted the point.

SALUKIS SCORE

With four minutes left in the game and playing against the Northern reserves, the Salukis managed a push across the goal line. Southern took the ball on the Huskie 40. A pass from Joe Huske to full back Frank Morgan moved the ball past the hosts' 15 yard line. Huske clinaxed the drive by scoring on a quarterback sneak from one yard out. The injury hampered Ems kicked the point to total the final score of 21-7.

By DON DUFFY

Salute Salukis is designed as a standing column wherein Southern athletes are paid tribute for outstanding performances on the grid iron, basketball court, track, baseball diamond, tennis court, wrestling mat, or golf link. This week's salute is directed to Bob Ems, Southern's leading ground gainer in the current grid season.

Although we know it takes out-landing play by more than just one man to win a football game, we feel almost completely safe in stating that if big Bob Ems, Southern's hard driving fullback, didn't have to be helped from the field last Saturday at DeKalb early in the first quarter, the final statistics of the game could well have told a different story.

Going into Saturday's game, Ems was top man in the conference in rushing, scoring, and total offense. His 84 and 61 yard touchdowns, in the IAC opener against Normal, put the Salukis to their first victory in thirteen games. He was tops in rushing and total offense with 188 yards in 12 carries, and led in the scoring department with three touchdowns and two extra points for a total of 20 points.

An interesting fact is that when the Fisher journal came out for football as a freshman in 1949, he was a relatively inconspicuous candidate. When he graduated from Fisher high school, he took with him 12 athletic awards in football, basketball, and track. But the football played in his All-Champaign County Conference is the six-man variety, a far cry from either college or high school football as most sports fans know it. While in high school, he was named to the All-Conference teams in both football and basketball, and was champion in both the 100 and 220 yard dashes.

Article Published On SIU Supervised Hunt

An article describing the controlled squirrel hunt carried out in the Crab Orchard area has appeared in the current issue of "Illinois Wildlife," the official publication of the Illinois Federation of Sportsmen's Clubs. This hunt is under the cooperative supervision of the Southern Illinois University wildlife research section and the Refuge Division, U. S. Fish and Wildlife Service.

Richard Moran, research assistant at Southern who is making a study of squirrels in the area, is the author of the article describing the method and results of the 1951 controlled hunt in the Crab Orchard refuge. A similar controlled hunt this year has been concluded to further the scientific investigation, under a cooperative program with Lewis and Clark in the management of squirrels in Southern Illinois.

The total bag of squirrels and the individual hunter's average was higher this year than in 1951, according to the reports from the agencies. The total bag in the 1951 season was 340 squirrels; this year it was 548. Moran says that study data on the 1952 hunt will not be available for a considerable time because of the mass of information gathered.

Harriers Lose To Normal 34-21

Southern's harriers lost their second cross country meet last Saturday at Normal's campus, 34-21.

Normal's Dick Campbell traveled the three mile course for 15:5.5. The Red Birds held down the next two places and Southern's Dick Gregory finished fourth in 16 minutes.

Ernest Kelly and Captain James Thierie wound up in a tie for fifth and sixth. Both were clocked one second behind Gregory. Normal took places seven and eight and Southern, nine and ten.

Southern's next and only remaining home meet is next Saturday with Western Illinois. Prospects for a victory in that meet are not bright, according to Coach Leland Lingle. Western defeated Normal the week before last.

Flower Show School To Be Held Here

The Garden Club of Illinois, Inc., will present their Southern Flower Show School, course II, Oct. 27, 28, and 29, in the University School auditorium.

Lectures pertaining to the course will be given Monday, Oct. 27, and Tuesday, Oct. 28, and examinations for the course will take place on Wednesday, Oct. 29.

Professor William M. Marberry will be one of the lecturers. He is a graduate of the University of Illinois and is now teaching botany classes at SIU. He has worked very closely with the garden club groups for several years. Marberry taught the first course in the Flower Show school last summer.

Southern's basketball practice got underway last Monday, with 83 men turning out for the sessions. The intersquad game pictured above is typical of the games. Coach Lynn Holder paces his boys through during the week-end. Holder said, "The other varsity group is made up of Bob Nickolaus, newcomer Bill Reynolds, Barney Ross, holdover from last season's 'B' squad, Jack Thierie, and newcomer Darrell Thompson. Holder said intersquad games will continue until every boy has had an equal chance to demonstrate his ability. After that time, practices will be confined in customary varsity and 'B' squad sessions.

Back the fighting '52 Salukis.

NOSE, THROAT,

and Accessory Organs not Adversely Affected by Smoking Chesterfields

FIRST SUCH REPORT EVER PUBLISHED ABOUT ANY CIGARETTE

A responsible consulting organization has reported the results of a continuing study by a competent medical specialist and his staff on the effects of smoking Chesterfield cigarettes.

examination, including X-ray pictures, by the medical specialist and his assistants. The examination covered the sinuses as well as the nose, ears and throat.

A group of people from various walks of life was organized to smoke only Chesterfields. For six months this group of men and women smoked their normal amount of Chesterfields—10 to 40 a day. 45% of the group have smoked Chesterfields continually from one to thirty years for an average of 10 years each.

The medical specialist, after a thorough examination of every member of the group, stated: "It is my opinion that the ears, nose, throat and accessory organs of all participating subjects examined by me were not adversely affected in the six-months period by smoking the cigarettes provided."

At the beginning and at the end of the six-months period each smoker was given a thorough

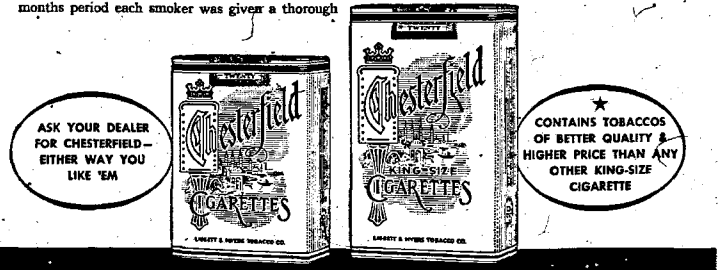

Central Michigan Whips Western

Central Michigan hoisted its conference winning spoils higher on the mast with a 27-0 triumph over Western Illinois last Saturday. This was the second straight conference win for the Chippewas. They beat defending champions Northern Illinois 56-7 in their first IAC game. Western was considered by Travel & Study, Inc., a travel agency for study abroad. Prizes of \$50, \$30, and \$20 are offered for winning designs in a poster competition for student tours to Europe.

All students, both undergraduate and graduate, are privileged to enter the contest. The closing date is Saturday, Oct. 25. Design should illustrate or suggest student travel to Europe and should be centered round a slogan of not more than five words. Last year's prize winning poster carried the caption "You can't hitchhike to Europe—the poster should not be larger than 13 and one-half by 10 inches. Interested students may write Travel & Study, Inc., 110 East 57th St., New York 22, N. Y.

Art Students May Enter Poster Design Contest

Creative students in the field of art have a chance for prize money by entering a poster contest sponsored by Travel & Study, Inc., a travel agency for study abroad. Prizes of \$50, \$30, and \$20 are offered for winning designs in a poster competition for student tours to Europe.
