Comedy Selected For 1954 Homecoming Play

"Bell, Book and Candle," a three-act comedy, has been picked as Southern's 1954 Homecoming play. Dr. Archibald McLeod, director, has announced. It will go on stage in Shroyok Auditorium Oct. 22.

Written by John Van Druten, the play had Rex Harrison and Lilli Palmer as its stars in the original Broadway production. Author Van Druten directed.

It opened at the Ebel Barrmore Theater, Nov. 14, 1950, and ran for 233 performances until June 2, 1951, when its two stars left the cast to fill more commitments. Said

ISA Political Meeting Set For Thursday Night

The Independent Students Association will hold a political rally in Shroyok Auditorium Thursday at 7 p. m. to select candidates to run on the ISA ticket in the Oct. 20 school elections.

Candidates will be selected for Homecoming Queen and Court, freshmen Student Council representatives and class officers, according to Lou Ann Hart, ISA president.

The ISA dropped out of school politics last year and became a social organization, and the independent parties were split into two parties, the Independent party and the Student party. Neither group secured many offices last year.

In previous years, the ISA controlled a large share of the student offices.

Speech Professor Is Named Program Head For ISA Convention

Lawrence Voss, assistant professor of speech and technical director of the Little Theater at SIU, has been named chairman of two theater programs to be presented at the convention of the Illinois Speech Association at Urbana, Oct. 29-30.

Enter, Voss will serve as chairman of a technical theater program for the national convention of the Speech Association of America in Chicago Dec. 28-30.

Union Picnic And Campfire Slated Friday Evening

More than 200 students are expected to attend the third annual Student Union Campfire and Picnic at 7:30 p. m. Friday on the agriculture farm or the A.P.O. picnic area, according to Chuck Walters, Student Union president.

In either case, the event will be within walking distance of the campus. A series of line pots will lead from the Student Union building to the picnic area.

The program includes a picnic supper to cost each diner 25 cents. Hot dogs, coleslaw, potato chips, marshmallows and smores, the mystery food, make up the supper menu.

Immediately after the supper will be a campfire sing, followed by group stunts and other recreation.

Lists to be signed by those who want to attend have been given each organized house and posted in the Student Union Building.

A free jukebox dance at a site to be announced at the picnic, will follow the picnic Walters said.

SIHSPA Meeting Is Attended By 350 HS Students

Approximately 350 students and their advisors from nearly 350 area high schools attended the annual Southern Illinois High School Press Association conference sponsored jointly by the SIU department of journalism and the division of University extension on campus Saturday.

Principal speaker at the all-day event was Don Hesse, St. Louis Globe-Democrat political cartoonist.

The delegates, members of high school newspaper and yearbook staffs, attended a series of 13 panel discussions covering various phases of high school journalism.

Commercial exhibits ranging from printing to photography were on display in the University School corridor throughout the day.

Following a closing general assembly at 4:30 Saturday afternoon in which winners of the 1954 SIHSPA best story contest were recognized and membership certificates were presented, delegates to the convention attended a mixed in the Student Union sponsored by JSA and Pi Delta Epsilon.

John McIntire, Pat Cook, Pe Bracer, and Ralph Overturf were featured in a talent show at the mixer, and movies were shown.

SIHSPA delegates ended the day by attending the SIU-Illinois North football game as guests of

Complete Count Is 4455 Full Time Enrollment

An increase of more than 1,000 in full-time on campus enrollment was reported today by SIU.

There were 4455 students, including 1786 freshmen on the Southern campus at the close of the final registration period. The total was 4449 a year ago.

Registrar Robert A. McGrath said 2978 men and 1477 women had enrolled by the end of the first week of classes Sept. 25. This is a 51.5 percent increase over two years ago and 29.2 percent over last fall.

Unaccounted were several thousand students already enrolled and still signing up for courses in adult education and extension and at the Belleville Residence Center.

While tabulators were busy sorting identification cards on the record and fall enrollment, McGrath announced that advance registration for the winter quarter would begin Monday (Oct. 4). From that date until Nov. 20, registrations of new students and those already on campus will be accepted.

McGrath cautioned new students, however, to write or phone the Admissions Office for clearance before coming to the University to enroll. Anyone failing to get in until after the Nov. 20 deadline will have to wait until the first day of the winter quarter Dec. 6.

Dr. Cunningham To Talk On Egypt

Dr. Floyd Cunningham, SIU geography department chairman, will speak on "Egypt in Transition" Thursday at 7:30 p. m. in the International Relations Club.

Dr. Cunningham will base his talk on his experiences as a Fulbright lecturer in that country and on other extensive travels throughout the Middle East. The meeting will be in room 202 Alford Hall.

Members and prospective members of IRC will meet in the room at 6:30 p. m. in the cafeteria. The picture for the Obelisk will be taken then.

FOUR SIU students and five high school students formed a panel to discuss "Our Role in Student Affairs" at the SIHSPA conference held Saturday. Seated from left to right are: Jean Lewis, Benton, Jack Stewart-Benton, Bob Foss, Egyptian managing editor; Jim Aiken, Egyptian editor-in-chief; Charles Walter, Obelisk editor-in-chief; Ruth Reeves, Grand Chair; and Al-

Dixie Buyan Stars In First SIU TV Ad Spot

Dixie Buyan is featured in the first television film commercial produced at SIU.

The 50-second spot Homecoming movie will be used for advertising over three area television stations. "This camera staring at me was unnerving at first," she commented.

Voc And Prof. To Have Picnic At Giant City Soon

Giant City Park will be the site of the annual faculty picnic for members of the faculty of the College of Vocations and Professions Thursday.

Supper will be served to faculty members, their families and guests at 5 p. m. in the main shelter, according to Dr. Ann Carol Fultz, chairman of the group's social committee.

In case of rain one group will meet in the banquet room of the University Cafeteria instead.

Guests will be President and Mrs. Delye W. Morris, Dr. and Mrs. George H. Hand, Dr. and Mrs. W. Woody, and Mr. and Mrs. Benzo E. Muckelroy. Miss Woodie Emerita 1949, a former professor of home economics; Mr. Muckelroy, emeritus 1945, is a former professor of agriculture.

The College of Vocations and Professions consists of the departments of Business Administration, Economics, Home Economics, Industrial Education and Nursing Education.

Sororities Rush 71 SIU Coeds

The fall sorority rush period began Wednesday evening with 71 rushing participating.

Thursday evening the rushes visited the houses of their choice. Friday evening they attended a buffet supper and a slumber party. Saturday night they were guests at Crest Diners, and on Sunday after picking up their bids at the Panhellenic Office, they began their Ribbon Pledging.

Impulse Meeting Slated Tomorrow

The "Impulse," SIU magazine of creative writing, will hold its first meeting this year in the back lounge of the Student Center tomorrow at 8 p. m.

Arnette Rheinhardt, acting editor, states that any student interested in writing, art, layout or advertising may join the staff.

Says editor Rheinhardt, "Impulse is for all the students. We've been building the magazine for a year now and last spring we produced the best issue to date. We hope to do even better this year."

She pointed out that many larger universities such as Northwestern and the U of I do not have genuine student-writing magazines and that the Impulse staff was proud of their work thus far.

"ALL THE KING'S MEN" TO BE SHOWN NEXT WEEK

"All The King's Men" will be shown during the movie hour Oct. 11 in the University School Auditorium.

Just as includes Broderick Crawford, Joanne Dru, John Ireland, Mercedes McCambridge and Joan Derek.

Based on the Pulitzer Prize winning novel of Robert Penn Warren, the film won the coveted Academy Award among others, and star Broderick Crawford and supporting actress Mercedes McCambridge won "Oscars" for their individual performances.

The 16 mm commercial, made last Thursday, was taken on color film to insure top qualities on black and white television. The synchronized sound was recorded on an optical sound track, beside the picture image, on the film. An Auricon camera was used.

Photography was handled by the SIU Photographic Service, sound was supervised by the SIU Radio and Television Department.

The commercial will be released on television after Oct. 16, according to the Homecoming Radio and Television committee.

The number of times the film will be used is up to individual stations.

A 35 mm slide telling about Tex. Betts' and the various Homecoming events will be sent along with the movie film to various stations. The slides will include the individual station's call letters, location and channel number.

The next event scheduled by the Homecoming Radio and TV committee is a 15 minute radio broadcast to be held in a radio auditorium at 10 a. m. Wednesday, Oct. 13. The radio show is to be used by 12 area stations.

Famous Author Is Next Speaker In Lecture Series

Mrs. Ernestine Gilbreth Carey, co-author of the humorous family chronicle "Cheaper By The Dozen," will be the speaker at the SIU freshmen assembly Thursday.

The book, written by Mrs. Carey and her brother, Frank Gilbreth,

Ernestine G. Carey

Jr., has been translated into 13 languages and was made into a successful movie starring Clifton Webb and Myrna Loy. Both authors are among the 12 children of Dr. Lillian Gilbreth, industrial engineer, and the late Frank Gilbreth, originator of motion study who used his large family as guinea pigs for his industrial time-saving experiments.

The brother-sister team also authored "Bells on Her Feet," a sequel of the first family story and the basis for another movie. During the writing of both books, the writers lived about 700 miles apart and exchanged ideas by mail and telephone.

Meeting Of Southern Players Tomorrow Night

Bob Chamness, president of the Southern Players, announces a meeting for all members and those who have shown interest in joining the group to be held at the Playhouse Wednesday at 7 p. m.

After the meeting there will be trouts for some of the roles in the winter play "The Crucible."

The Sad Tale Of A Student Who Thought He Had Found Parking Space

He Sees A Space

And The Plot Thickens

With the Independent Student Association's re-entry into campus politics, it looks as if the battle for class officers and Homecoming Queen will be hot come the week of Oct. 20.

Last year the elections in fall and spring were almost totally dominated by the Greek party in campus politics.

Bill Phelps, last year's ISA president, drew the organization out of politics and attempted to make it a strictly social group.

Low Ann Hart, the president now in power, is making a terrific membership drive for the ISA and predicts that it will score a big victory over the Greeks in the coming election.

However, the Greeks still control a large solid block of votes within their own ranks, and all of them vote.

For the last couple of years the Greeks have been the social lions of the campus and have kept a pretty firm grip on campus social activities when one considers that they are in a great minority at

SIU.

It's about time someone is trying to give them a little competition. Maybe the ISA will fail to sweep the elections, but then these offices are for the most part strictly honorary, except freshman Student Council representative.

The real benefit the ISA's "big push" will be giving the school is that it will give to those students who have not seen fit to join a fraternity or sorority an organization in which they can feel a sense of brotherhood and do activities on the same level as the Greeks.

ISA activities this year may cut down on the "carpebagging" and keep many more students down over the weekends to help carry the load of campus activities.

From a Greek's point of view, the entry of the ISA into SIU politics will provide a little added entertainment around election time and relieve the monotony of walking off with all the offices without opposition. J.A.

Vote For The Increase

SIU's student body will have a chance to obtain an additional \$120 health insurance if we pass the \$1 fee increase in the Oct. 20 elections.

Under the present system students have only \$80 health insurance, which isn't much. It doesn't take a very serious injury to require over \$80 for medical expense.

In the last four years the visits to the Health Service have almost tripled the score. The statistics:

1950-51 — 8,382
1951-52 — 12,445
1952-53 — 16,364
1953-54 — 21,735

Statistics show that 55 per cent of college students during the

school year. In 1952-53 136 SIU students were hospitalized. Forty-nine of these students required more than \$80 to pay the expense.

When Dr. A. J. Raso, Director of the Health Service, and Dean I. Clark Davis presented the problem to the Student Council last spring they offered three possible solutions.

A voluntary plan would cost considerably more than a total enrollment plan. Those who need protection most, the poorer students, would be least likely to participate.

A commercial plan has the advantage of assumption of risk in the event of catastrophe or disaster, but the rates might have to be raised if they were originally too low or if there were too many claims.

Under the plan approved for student vote by the Student Council the fee would be increased only \$1 for this \$120 more protection.

What makes a Lucky taste better?

"IT'S TOASTED"

to taste better!

Doubtless, you've guessed that the Drooodle at the right is: Careless two-gun cowboy enjoying better-tasting Lucky while waiting in ar-bush. Lots of other two-gun cowboys—and many millions of no-gun folks—agree that Luckies taste better. Students, for example, prefer Luckies to all other brands, according to the latest, biggest coast-to-coast college survey. Once again, the No. 1 reason is that Luckies taste better. They taste better because Lucky Strike is the cigarette of fine tobacco . . . and "It's Toasted" to taste better. "It's Toasted"—the famous Lucky Strike process—tones up Luckies' light, mild, good-tasting tobacco to make it taste even better. So, enjoy the better-tasting cigarette . . . Lucky Strike.

Sorority-Fraternity Row Idea Is Under Discussion

Barbara Gibb, greek housing committee chairman, has announced that a general meeting of all GHP representatives will be held Oct. 6 at 7:30 p. m. in the Student Union to discuss sorority-fraternity row for Southern.

She also reported that on Nov. 5-6 University officials will meet with sorority-fraternity national officers to hold a further discussion and make tentative plans.

Chairman Gibb, member of the Sigma Sigma Sigma sorority, said, "We Greeks can only show one half of our sorority members, so we badly need houses now or in the near future." At a panel meeting during Greek Week in 1953 composed of four students representing the Greeks, Dr. D. W. Morris, President of SIU and Dr. George Hand, Vice-President, represented the University.

Several ideas materialized. The University indicated interest in the project of housing for the sororities and fraternities and would work with a Greek housing committee composed of 13 Greek Members who would investigate the housing problem.

The Greeks were told to work as a group to use their own initiative, to find out what they wanted, how they could help themselves, and indicate to University officials when they were ready to start on the project.

The University suggested that land would possibly be available for the buildings, and would discuss possible sites with the Greeks when suggested by the groups had made definite plans.

It was inferred there is a possibility that the University could assist the groups in purchasing a bond issue. It would be up to the Greeks to pre-approve the bond issue.

New Foreign Language Course Literature And Art Stressed Instead of Speech

SIU students may enroll in some foreign language courses that do not teach any foreign tongue.

This semester the department by the language department's recent policy of instituting courses designed primarily to give students background in classical culture.

This winter, for instance, Dr. Eileen Barry, who returned in August from a tour of Greece, will teach a new course, "Classical Mythology," which will offer students three credit hours in foreign language even though no foreign language will be studied.

"We will read selections in English from both classical and modern works," she explained. "The purpose of the course is to give students interested in literature and art a background in Greek and Latin story plots."

Dr. Barry, who spent six weeks this summer studying and touring the sites of classical Greece with the American School in Athens, will illustrate her lectures with color slides she made of points of interest.

During the winter term Dr. Barry also will again teach "Roman Private Life," the first non-foreign language course instituted several years ago in the foreign language department.

AAMC Tests To Be In November

Students seeking admission to member colleges of the Association of American Medical Colleges for the fall term of the 1955-56 school year will be able to take the Medical College Admission exam here Nov. 1.

The exam consists of tests of general scholastic ability, a test of the candidates' understanding of modern society and an achievement test in science. Registration which consists of filing a test application with Educational Testing Service and paying the exam fee, Oct. 18.

Appropriate application forms and a full list of information are available in the Office of Student Affairs. Interested students may request forms and ask for any information they may need.

Rabe Writes Book On Business Letters

Harves Rabe, associate professor of business administration at Southern Illinois University, is the author of two new books published recently. One "Business Letters for Typing," is a supplementary book for use in repeating classes, published by the Pitman Publishing Corporation, New York. The booklet contains 180 business letters grouped by business and length and incorporating the best business letter-writing practices.

The other, "Typewriting Research Edition (1900-1954)," is a revised edition of an earlier booklet. It is a listing of published material on typing issued during the last 54 years. The listings are grouped under various categories for hand-reference by business teachers and others interested in studying or conducting research in typing.

Foreign Students Take Part In AAUP Meeting

SIU students from foreign countries were special guests at the first fall dinner meeting of the SIU chapter of the American Association of University Professors at 6 p. m. last night in the University cafeteria.

Southern Eagles Expands Club Membership Plan

Southern's only flying club, the Southern Eagles, has taken the ball in adjusting itself to the expanding enrollment. For the first time in its three-year history the club (formed in September 1951) has opened its membership to "anyone connected with the University and their immediate families." Originally planned to be a student organization devoted to flying, the Eagles now welcome faculty, students, and University employees to the benefits of club membership.

Most important of the many benefits offered is the individual cost for flight instruction made possible only to members. A fully accredited Civil Aeronautics Administration private license is awarded to pilots who complete the required 40 hours flying time. The club members are instructed by CAA authorized instructors at Murdalo Airport at a total cost of \$235 or better than \$100 less than regular instructional costs to nonclub members. This total cost for license, according to T-Sgt David Wray, club faculty assistant, includes the required \$25 initiation fee.

Additional benefits offered to members include the use of the club's private plane, an Aeronca Chief, 2-place trainer, and a full vote in any policy change as well as a chance to fly to the national collegiate flying club conference held at various points of the country each year.

Since its formation, the Eagles have enabled 6 members to win their wings and now has more than 11 members well on their way toward the same goal. The Eagles hold bi-monthly meetings during which the club president, Ken Johnson, the only flying member who didn't get his license through the club, and the elected council discuss new business.

Cross Country Loses Saturday

The SIU cross country squad lost its first meet of the season Saturday at McAndrew stadium, when it was outrun 17-41 by a strong Eastern Illinois team led by veteran Chuck Mahoney.

Mahoney's winning time in the three mile plus race was 16:39.7. He was followed by three other Eastern runners, Ed Eberhart, red Gore, and Jim Mitchell.

Larry Ternus, who finished fifth, was the first Saluki man to cross the finish line. His time was 16:57.4. He was immediately followed by Saluki Howard Branch and Easterners Clint Byrd and Jim Edmundson. The rest of the Saluki squad followed.

The runners, who begin and

Southern and Cape players climb high for a pass that is long gone. The ball is moving from right to left above the heads of the players. But the aerial attacks were not completely ineffective Saturday. Normal flipped over during the first half of the game that was good for six points, enough to win the game against Southern's two points scored by a safety.

Normal Redbirds Romp Over Southern 7 To 2

A 46-yard touchdown heave from Illinois Normal halfback Bob Riggenschach to end Herman Shaw gave the Redbirds a 7-2 IAC victory over the Salukis here Saturday night. It was Southern's first conference loss and their record of the season. The win put the Redbirds at .500 for the season.

The Salukis finally got their attack going, racking up 251 yards and 5 first downs, but they were unable to do so in several scoring opportunities. Three times in the first period O'Brien's crew penetrated into scoring position only to be penalized away from paydirt. Southern collected 70 yards in penalties for the evening.

Illinois Normal's ace quarterback Wes Bair began flipping passes as soon as he came into the ball game midway in the first period. But he decided his arm needed a rest and shoveled out to halfback Riggenschach who tried his only pass of the game. It was complete to big Shaw on the 15 and he ran at over for the first score of the contest with one and one half minutes remaining in the first half. Riggenschach kicked the extra point.

Southern's ground attack kept crumpling out the yardage in the third period but could not cross the enemy goal. A fourth quarter passing combination of Gerry Hart-to-Lou Kahlenbeck worked to produce a score.

The Salukis were saved from a shut out by stout defensive work of Giles Sinkiewicz who dropped Redbird back Roger Francour in his end zone for a safety with 11 minutes to go in the contest.

A last minute Southern offensive

fell short on the Normal 5 yard line. Ems culminated the drive with a hull-like lunge to the 6, but penalties and hesitation on the part of the passers moved the Salukis steadily back. Normal finally took over on the 29 to run out the time.

Saturday (Oct 9) the Salukis will travel to Northern Illinois to open the 1954 IAC season. The O'Brienmen will be looking for the first win of the season after dropping the opener to Southeast Missouri 7-6. Northern opened with a 13-6 loss to Wheaton, but rallied Saturday to dump Beloit 18-0.

"I" Club Bans High School Letter Sweaters

The Southern Illinois University "I" Club, decided at their first meeting, Monday, Sept. 27, to ban the wearing of high school letter sweaters on campus.

The action was taken after the decision by the entire group. Members felt that freshmen should receive college letters in place of wear a university earned letter.

The organization will meet again in front of the gymnasium at 8:30 Oct. 7. Obelisk pictures will be taken at a "tag" picnic to be held at the APO picnic grounds. Food is free.

Any person having earned a varsity letter at SIU is invited. Lettermen are requested to wear letter sweaters or jackets.

Natl League Wins World Series In Four Straight

When a soft ninth-inning foul was grabbed by steady and reliable Henry Thompson, as underdogs in this team, were a well-balanced ball club, the New York Giants had a fourth straight victory, a 7-4 triumph that represented the first world championship won by a National League team since the shortchanged Cardinals of 1949 upset the powerful Boston Red Sox.

Moreover the surprising rout of the heavily-favored Indians, who had won 111 games to break the record of the famed Yankees' "Miraculous" how of 1927, gave the off-beat Nationals their first clear sweep since the miracle Boston Braves of 1914 skunked one of Connie Mack's most fabulous teams of Philadelphia Athletics. For 54 Giant victories over the Yankees in 1922 were interrupted by a tie.

Our Opinion

Th Salukis have played two games. In one, the Cape contest, they looked like champions although suffering defeat, it was not an ignominious one, they lost but played a tough honest game. Last Saturday's loss was a different story. It is difficult to believe that a college football team could make so many mistakes as were painfully evident in only one game.

It would be a different story if Southern had been beaten by red hot, good looking ball club. But Normal lumbered around in the lackadaisical manner so evident on both sides.

This year, for the first season in some time, Southern can field a team that is relatively strong in all positions. Saluki supporters had good reason to expect more than was shown Saturday night.

It would be a difficult job to single out any one reason for Saturday's loss. The thing is a rather intangible matter. We would hesitate to cast an aspersion on any one or anything for the loss.

The fact remains, however, that it was obvious that man for man Southern had the better team on the field that night.

Sometimes a team just has a bad night. Nothing can go well. Saturday may have been the Salukis' bad night. Let us hope so. It would be a shame if, for the first time in many years, Southern had a chance to field a winning football team and for no apparent reason could do so.

WAA Tennis Tourney To Begin Tomorrow

The WAA women's intramural tennis tourney for advanced players will begin Wednesday, Oct. 6, while play for beginning students begins one day later, Thursday, Oct. 7.

Girls interested in entering competition will meet this afternoon for a roll call on the Tennis courts.

Notice

Seniors who had Obelisk pictures taken last spring but who failed to fill out activity information in a return to a list of campus activities to the Obelisk office in the west wing of the Student Union.

Deadline for this information is tomorrow night.

Carbondale citizens raised \$6,000 to provide a temporary wooden classroom building for Southern Illinois University within two months after the institution's first permanent building burned Nov. 26, 1948.

Normal Harriers To Face Bradley

Illinois State Normal university's cross-country team, which has dominated the Illinois Intercollegiate Athletic conference since this sport was established here, will open its new campaign Wednesday afternoon against Bradley university on the Braves 2 1/2 mile home course.

Coach Joe Cogdal again will field a veteran team including four regulars. Capt. Jiggs Kilharr of Henry Bill Benner, Dale Finnell, and Dan Arbogast, Frank DellaRiva and Ronald Kirk also are available.

Virginia university record for the longest run from scrimmage. He sped 90 yards when he was a freshman the first time he got his hands on the ball.

WICHITA ELEVEN ROMPS OVER DRAKE, 54 TO 7

Wichita University overpowered Drake University's inexperienced Bulldogs, 54-7, last night on a wet field before 1000 shivering fans.

Wichita scored in every period and rolled up 535 yards from scrimmage to only 176 for Drake.

The Shockers scored one touchdown in the first period, two in the second, two in the third and three in the fourth. Drake's lone score came in the second period on a quarterback keep play with Ron Dietrich going three yards.

The loss was the third straight for Drake.

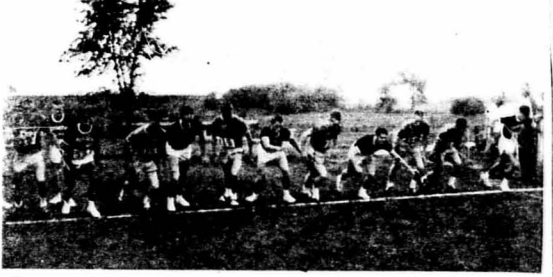

Virginia university record for the longest run from scrimmage. He sped 90 yards when he was a freshman the first time he got his hands on the ball.

DeKalb Is Next Game For Salukis First IAC Tilt

Two ancient rivals who have met regularly for more than three decades will clash next Saturday in an Interstate Intercollegiate Athletic conference game when De Kalb is host to SIU. Both are believed to be somewhat improved after dismal seasons in 1953 when both fielded sophomore dominated teams.

In other IAC games this week, Missouri State will be host to Lewis college of Lockport on Thursday night, and Charleston State will journey to Ypsilanti, Mich., Friday to tackle Michigan Normal, a favorite to finish high in the race again.

Southern Illinois University acquired its first farm for agricultural purposes in 1912.

Eastern and Normal runners line up for the start of the three mile grind. Eastern, returning this year with a strong squad took the meet easily, scoring the first four across the finish.

Washington Bears Will Play Wayne

Homecoming at Wayne university next Saturday will find Carl Snavel's Washington Bears of St. Louis invading 13 miles to face the Tartars at Tartar field.

The game will mark the first Detroit appearance of Snavel, who moved from North Carolina to Washington last year. His first effort in the "small college" league was seven victories and two losses in 1953.

This year's Washington squad is much stronger than his 1954 club.

Pitt Next On Calendar Of Notre Dame

Notre Dame will meet the University of Pittsburgh in Pittsburgh next Saturday. A capacity crowd in excess of 60,000 is expected for the contest, a sellout for more than two weeks.

Two years ago, the Panthers beat the Irish, 22 to 19, and last year Notre Dame gained a fourth period 23 to 14 victory.

The bears walloped Missouri Mines, 58 to 14, in the opener. Wayne upset them, 33 to 13, last year in St. Louis.

Washington Beats Illinois Wesleyan

It was Parents' Day at Washington University Saturday and it also was another touchdown day for Carl Snavel's Bears who thrilled the college of Lockport on Thursday night with a 52-7 victory over Illinois Wesleyan.

The lopsided triumph was the second in as many weeks for Snavel's Bruins, for last Saturday they walloped Missouri Mines, 58-14. And, as in the game against the Miners, the rambling, green-haired horde scored in every quarter against the visitors from Bloomington.

Putting the double whammy on Southern Illinois University grid opponents, this fall are John, left, and Pete Orlando, freshman twins from Overland, Mo. The twins, both backs, prepped at Rietourer high school.
