LEWIS MAVERICK TO SPEAK TONIGHT ON COMMUNISM

Dr. Lewis A. Maverick, professor of economics, will speak of "The Menace of Communism," to-night in the Little Theatre at the open forum sponsored by the Independent Student Union and the Student Christian Foundation. The forum will begin at 7:30.

Dr. Maverick will discuss the various causes and effects of Communism, how it has spread, and its present status in Russia only slightly. Instead he will pose the important questions concerning Communism as a threat and its problem of becoming strong in the United States. Dr. Maverick believes that Communism is definitely on its way into our country. He presents the idea that income taxes, how they are levied, and the distribution of the wealth and that we are taking numerous steps each day toward a Communist government. His fear is that a Sigma Chi society will take the reins and as a result we would be no better off than the German people under the Nazi regime.

Cox and Barnes are now eligible to fight in the Chicago Golden Gloves Tournament to be held Feb. 21-22-23-27. Bickel because of his fighting in the novice division cannot compete in the Windy City affair.

Bickel, light-heavyweight from Collinsville, won his crown by a decision. The welterweight championship was won by Cox, of West Frankfort, also by points. Barnes, lightweight from Carbondale, won his title by a forfeit.

RICHARD BROWNE GIVES TALK TO LOCAL AAUP

Dr. Richard Browne, chairman of the social sciences department of Illinois State Normal University, spoke on an investigation of the laws of university government in midwest colleges, at a meeting of the local chapter of the American Association of University Professors, Monday, Feb. 16, at the University cafeteria.

The study of university government is being carried on by a committee of the A. A. U. P. chapter at Normal, of which Dr. Browne is chairman.

Dr. Browne stated that in most of the institutions in which there is an effective plan, there is a small, elected faculty council to advise the president on matters of university policy. He added that he considered the structure of such bodies to be much less important than their functions.

Dr. Browne's father was for many years head of the University of Illinois department at Southern. Dr. Browne attended Southern for two years, and continued his college education at the University of Illinois and Northwestern. He has been on the faculty at Normal for 20 years, and is now professor of government as well as head of the department of social sciences.

Gym Team Gives Exhibition at Johnston City

The Southern gym team gave an exhibition at Johnston City last Tuesday night according to Coach Bill Freeburg.

The squad has already given exhibitions at Rockneville and Thompsonville, and will give another at the Pulaski County Teachers' Meeting.

The reason why there has been no competition with other schools is there are no gym teams representing any schools in a radius of 300 miles. However, St. Louis U., Western, and Evansville are preparing to have teams in intercollegiate competition in the near future.

The men who have been making these trips are Jack Hayes, Kiffin Dillow, Glenn Whiteberg, William Armesman, Dean Patterson, Bob Neighbors, Bill Parrish, Paul Dempsey, Willie Anderson, Dick Peacock, Barrie Anderson, Jack Joiner, and Dan Albert.

Seek Students for Interview Work

Students interested in conducting interviews for a survey for Southern Illinois, Inc., should contact Dean H. J. Rehn for particulars.

A survey, which will include primarily Jackson, Franklin and Williamson counties, requires students of good personality who are able to meet people and get their cooperation in filling out questionnaires. Although they will be paid for this work, it is not known what the wages may be.

During Spring Vacation, the survey is being conducted by Prof. Dr. D. Converse, professor of marketing at the University of Illinois, in cooperation with Southern Illinois University.

Students, who are not acceptable for this type of work, it is hoped to procure workers during the spring vacation which begins March 13, 1948.

WALTER CASSEL TO GIVE RECITAL MONDAY, MARCH 1

Walter Cassel, popular American baritone who has won fame in both grand and light opera, will present the final recital in this season's Community Concerts in Shryock Auditorium March 1. Perhaps best known in this area for his many appearances in leading roles with the St. Louis Municipal Opera association, Cassel has also been starred in light operas in New York and Chicago. His last such engagement was in the recent long-running revival of Romberg's "The Desert Song."

Played Trumpet For Tuiton  
Cassel, a native of Council Bluffs, Iowa, he attended college and studied music in Omaha, learning his tuition by playing a trumpet in a dance band. After encouraging success in local singing engagements, he went to New York for advanced study, and in a short time he became the star of several well known radio programs.

In 1943 Cassel joined the Metropolitan Opera association. Although a large amount of his time is devoted to concerts he continues to sing opera. After leaving Carbondale he will make his first appearance with the New York City Center Opera company, singing the role of the Torsore in "Carmen," Scarpia in "La Traviata," and Germont in "La Traviata."

Bill "Boothill" Barnes wouldn't give a statement. However, he was seen out on Cemetery Ridge preparing a couple six-by-sixes.

Modern Dancer To Appear At Southern

Direct from Boston and a tour of northeastern cities, Miss Gertrude Lippencott, young and renowned American dancer, will be presented at Shryock auditorium Wednesday, Feb. 26 at 8 p. m.

Noted for her choreography (composing her own dances) Miss Lippencott will present a varied program consisting of eight modern dance interpretations. "Ki Yippe Yai" takes its title from the refrain of an authentic cowboy ballad. The music, written by Louis Hurlst, is composed in a manner reminiscent of a Western square dance. The Devil Is Loose is a portrayal of an unhappy girl whose greatest fear is that of loneliness.

No Admission Charge  
Stage and light sets will be done by members of the Little Theatre. The concert is a University entertainment presentation and no admission will be charged.

According to Dr. Dorothy Davies, chairman of the women's physical education department, this will be the first modern dance solo artist to appear at Southern and will be accepted as well as the Bureau of Education brought here two years ago by the physical education department.

A master lesson in modern dance will be given by Miss Lippencott to dance students and former dance students Thursday, Feb. 26, at 7:30 p. m.

Dr. Davies said that it is the custom for professional masters of dancing appearing at universities to give a master lesson before leaving for another appearance. This is done to promote the modern dance in schools.

The lesson will consist of locomotor, and axial techniques with music composition. All campus dance students are invited to attend this lesson.

Speech Department To Present Play Over Radio Friday

The second half of "Lady Windemere's Fan," by Oscar Wilde will be presented by the speech department on Friday, Feb. 20, over WIFR, starting at 8 p. m., according to Dr. Archibald McLeod, associate professor in the department of speech and director of the radio drama.

Those who played "Lady Windemere's Fan" was to be presented in two acts, but was interrupted last week by the speech students from University of Illinois who gave "Clifford Her Spirit" by Graham DuBois, a play about the early days of Lincoln, immediately before he assumed his duties as President of the United States.

Those high school students who took part in last week's drama were Theima Rhodes, who played Sally Lincoln, Russell Peithman, played Abraham Lincoln, Charles Tschert, who acted as the part of Mrs. Lincoln's son, Charles, Mary Cole and Peggy Sanders, two friends of Mrs. Lincoln, Mrs. Miles and Mrs. Hill.

**A Chance for Unknowns**  
A university campus is always a large reservoir of talent and showmanship, but too often, a large percentage of the potential actors, singers, and comedians never get a chance to display their wares. The laurels go to a select few whose talents happen to be in the fields of entertainment which are given the most publicity—football, basketball, little theater work, and music. Consequently, the unknown entertainer must sit and cheer when he could be performing. It seems evident that a program which gives these unknowns a chance to do their bit would be accepted enthusiastically by the student body.

The all-school variety show, sponsored by the Kappa Delta Alpha fraternity is, we think, such a program. At the try-outs last Tuesday night, approximately 15 acts were selected to appear in the show which will be given on Monday, Feb. 23. The program will include such varied presentations as singing, dancing, imitating, gymnastics, and cartooning.

Also on the program is the presentation of wrist watches to the outstanding boy and girl on campus. The persons to receive the awards will be selected for the service they have given to Southern. All of the proceeds of the show will be contributed to some worthy organization on campus.

We feel that the variety show will be good enough to become an annual occurrence. By giving several unknown student entertainers a chance to perform, the KDA's have taken a step in the right direction.—F. L. S.

**One of the Best**  
After weeks of hard work and strain, Coach Lynn Holder's cavers have practically brought the laurels that only once have been the experience of Southern Illinois University. The Maroons have not definitely won the right to play in the Illinois District Playoffs here March 2-3. Should we not win the Illinois Intercollegiate Athletic Conference crown, we would still have a chance through the Dunkel system ratings in which Southern is rated high. By these two possibilities the merits of our squad is shown.

The talent of our team is so evenly distributed that no person can sit down and name the so called "weak sister" or the number one man without an argument from some other observer. We have great passing by Hughes, sharp shooting by Shouff, agile defense by Eddie, superb rebounding by Stinson, and brilliant all-around floor play by Colborn. These men are not only good at these points, but are capable at everything needed for an excellent squad.

No matter how Southern comes out now, we will truthfully admit that this is the best five men we've ever seen work together in basketball and after hours. Dissension where there is such talent could have been expected but these are not ordinary athletes, they're the best as athletes and as men.—D.W.G.

## Letter To The Editor:

### Says Method For Choosing Award Winners Is Unfair

The feature article on the front page of last week's edition of the Egyptian laid forth with the news. (Applications For Award For Service to Southern Exceed All Expectations). If the article interested you, you read down the page and came to the part that said, the award will be presented to a boy and a girl of the junior and senior class on the basis of service rendered to the university. Fundamentally the idea of the award is a good one, but the manner of choosing the winner is unfair. Under the present rules the winners, regardless of who they are will not be true representatives of the student body of Southern. One cannot help but think that the individuals or individuals who thought up the idea must be in the two upper

**Let's Ignore Your Mind**  
By Red Krantz  
Spring Fervor . . . (With the help of two guest editors in blue sweaters).

We have decided to give our readers a break and not write a column this week. We arrived at this conclusion while sitting in a smoke-filled booth at the Canteen with the fellows. We were watching a girl in a blue sweater walk across the campus and talking about the possibilities—of life on Mars. Previous to this we had watched with interest the sudden arrival of Spring at Southern, as manifested by various things, some of which we refuse to tell you about.

And so this week, since it is so easy, we have decided to ignore our own mind. We have sent the local editor a note explaining that we could be found counting the fish in Lake Ridgeway, or possibly chasing the girl in the blue sweater and discussing life on Mars.

Representatives of thirty campus organizations met in Main 107 Feb. 10 to begin making plans for the World Student Service Fund drive, which will be held April 12 to 16. A steering committee consisting of the following committee chairman was elected: publicity, Mary Boston; finance, Bob Winegarner, William Floyd; activities, Pat Patterson, Carolyn Runboldt, solicitations, Bill Bays; and secretary, Catherine Codd, Peggy Coleman. Also serving as members were Warren Stoenley, Dorothy Spider, Marietta Muiel; finance, Del Porter, Madlyn Fisher, Geneva Weese. The solicitations committee is made up of all committee members.

**THREE GRADUATE ENGLISH COURSES TO BE OFFERED**  
Two new graduate English courses, Individual American Writing, 506, and Modern Drama of Continental Europe, 464, will be taught during the spring term, Dr. William B. Schneider, chairman of the English department, announced this week. One other, for graduate students only, will be taught by Dr. Robert D. Faneer, associate professor of English. This course will be a complete study of the work and significance of Walt Whitman. An attempt will be made to examine in detail the poetic structure and individual theories about the nature and purpose of poetry. Whitman will be examined as a product of American life and an interpreter of it. The course will not always emphasize Whitman, but also other American writers. Emerson will be taken up during the summer term '48.

Harris Teaches Methods Problems in Teaching English, 490, to be taught by Dr. J. W. Harris, associate professor of English, will deal with the trends and teaching of high school and junior high school English. This course, for English majors and minors, is open to both seniors and graduate students. The other new course, 464, Modern Drama of Continental Europe, will be taught by Dr. Georgia G. Winn, associate professor of English. The course will begin with Ibsen and lead up to the present time, including the study of Scandinavian, German, French, Russian, Iberian, and Italian selections. This course will be open to both seniors and graduate students.

**MISS KATE MOE GIVES RECITAL MONDAY NIGHT**  
Miss Kate Moe, mezzo-soprano and assistant professor of music, presented a recital Monday night, Feb. 16, in the Little Theatre. She was accompanied by Cecil Bolton, also an assistant professor of music.

Her program was divided into four groups. Miss group was Italian, including "Son tuta duplo," and "Le Florido de fadole," by A. Scarlatti. The third number in the group was "Se tu mami," by Pergolesi.

Selections by Schubert. The second group consisted of three French selections: "Connaissance se pays," by Thomas and "Hauts d'Alsace" and "L'Amour s'envole." French Chansons of the 17th century.

Four selections by Schubert composed the German group. They were "Rach and the Wanderer," "den Mond," "Im Abendrot," and "Seligkeit."

In the fourth group, Miss Moe presented songs of her own nationality in a group of Danish number, that included "Au tite hiannden," by Weyse, "Paa-Sjunde favre Sletter," Gade, "Sov, mit barn," sov laenge," Mortensen, and "Roselli," a Danish folk song.

## Pre-Registration Is Scheduled For Feb. 23-27

Pre-registration will be held for spring term from Feb. 23 to Feb. 27, 1948, the committee on admissions, registrations and scheduling has announced.

This will afford faculty members an opportunity to work with their students and to set up schedules as well as provide the academic deans with tentative figures regarding classes.

Pre-registered students will be allowed to register before those who have not pre-registered. They will register in alphabetical order.

#### Individual Conferences

Pre-registration will be accomplished by group meetings of freshmen and sophomores with their faculty advisers Monday, Feb. 23 at 11 o'clock in rooms as designated and by faculty advisers arranging with advisers for individual conferences at their convenience during the period Feb. 23 to Feb. 27 noon.

At the group meeting, the faculty adviser will give general instructions to the students, answer their questions and make appointments for individual conferences in the days that follow.

At the scheduled appointment the adviser and the student will make out three work sheets containing the tentative schedule of the student. One copy will be given to the student and two copies will be retained by the adviser. When the adviser has completed the work sheets for all advisers he will mail a copy of each to the Registrar. These work sheets must be submitted on or before Feb. 27, 1948. The student's signed worksheet will be his admission ticket to the gym on registration day.

Changes in the student's program due to closed classes, etc., will be made on registration day.

### FRESHMEN AND SOPHOMORE GROUP MEETINGS FOR PRE-REGISTRATION

Juniors and Seniors will meet with their department heads in their offices.

Southern was not the only team with a good record in the first game of the season to Oklahoma A & M, the second time Coach The boys have turned the trick. Notre Dame got its first defeat at the hands of DePaul, and Illinois was upset in Big Nine play by Ohio State. Dwight Eddleman scored 18 points to run his season's average to 15.7 per game. NYU and Columbia kept their records unblemished.

Robert "Bunker" Jones, hard-hitting Maroon line-backer last season, has received several letters from the New York professional football Giants to inform them of his status. At present he is not subject for draft, because he has not signed a statement that he has quit school. He plans to return to school next fall. He is working with a construction company in Champaign.

Bradley University and Detroit U. have been admitted to the Missouri Valley conference. That should make one of the tougher Midwest conferences. Members of the Big Six will have several years ago to form that league.

Southern's Rebounder Deluxe!

By JOHNNY DELEONARDO

When a fellow continually displays dependability and stability by being picked on the all-star team two consecutive years, and on the National Intercollegiate second team one of the two years, then that fellow must be on the ball. And Quentin Stinson is just that fellow.

Quent is from Eldorado, a small town east of Carbondale about 60 miles where his dad is a state patrolman. Most of the people in Eldorado follow the 21 year old Stinson's athletic feats almost religiously, and they certainly have to follow closely. Stinson has lettered in football and track, besides his performance in basketball.

He plays the pivot position on the quintet, and his six feet four inch frame goes a long way in an already powerful team.

Coach Heider indicated that he will stick to the same combination that has been successful in 16 of 19 outings this year. Bob Colborn, the squad's leading scorer, will team with Joe Hughes at the forward positions, Captain Quentin Stinson will perform at center, and Jack Eadie and Olie Shoaff will pair up at the guard posts. The Goss brothers, Charlie and John, Jack Long, Paul Beatty, and Galen Davis, will constitute the reserves.

There will be a preliminary game at 6:30 p. m.

**Qualls Defeats Hall In Ping Pong Tourney Playoff**

Dick Qualls, Herrin sophomore, defeated highly favored B. Hall in three games, to become champion of the Student Christian Foundation ping pong tourney. Richard Steele, Christopher Freshman, defeated Bill McIntosh, Carbondale sophomore, to win the consolation game.

Twenty-four boys took part in the tourney, which began Jan. 19. A girls' ping pong tourney is being planned by the recreation committee of the foundation. Those who are interested may sign up in the ping pong room of the foundation.

In losing to Western a bit of early season history was repeating itself. Southern opened their season with eight victories but then dropped two straight. Eight more consecutive wins were recorded before Western downed the Holdermen last Friday.

## Holdermen Rank High In NCAA

Coach Lynn Holder's cagers, in compiling a total of 1118 points in their first 17 games, rank third highest in the nation in average points scored per game according to the latest release of the National Collegiate Athletic Bureau. Also in scoring 1118 points, the Maroons had the most points scored of any compiled by the service bureau of the National Collegiate Athletic Association.

This remarkable average has been evenly distributed among members of the squad. In the Jan.

31 release, Bob Colborn's 242 points has led the team. Other high scorers are Jack Eadie 200, Olie Shoaff 188, Quentin Stinson 164, and Joe Hughes 130.
